Program Description

Part I: Background, Eligibility, and Requirements

The Tennessee Housing Development Agency (THDA) is making Multifamily Tax-Exempt Bond Authority available to local issuers for permanent financing for multifamily housing units in Tennessee. Part of this Multifamily Tax-Exempt Bond Authority is available in each of the three Grand Divisions of the State. The maximum amount of Multifamily Tax-Exempt Bond Authority that may be committed to a single applicant, developer, owner, or related parties shall not exceed twenty million dollars (**\$20,000,000**). If 2004 Multifamily Tax-Exempt Bond Authority was exchanged for 2005 Multifamily Tax-Exempt Bond Authority pursuant to Part IX-C of the 2004 Multifamily Tax-Exempt Bond Authority Program Description, any amount of 2005 Multifamily Tax-Exempt Bond Authority shall count against the maximum amount of Multifamily Tax-Exempt Bond Authority that may be committed to a single applicant, developer, owner, or related parties pursuant to this Part I-G. A. Applications must be complete.

An application must be complete, as determined by THDA in its sole discretion, based on the requirements in this Program Description and the attached application. Incomplete applications will be returned to the applicant. THDA may request additional documentation and/or information for purposes of clarification. An applicant may request a determination from THDA's Executive Director or Deputy Executive Director regarding the reasonableness of such a request.

B. Information must be current.

1. Appraisal and market information older than six months, as determined by the date prepared and information contained therein will not be considered current or complete. Supplemental documentation, including any commitments, should not have expired if they contain an expiration date, or the application will not be considered complete. Documents indicating approval dates that have passed will not meet application requirements. Applications with such documents will be considered incomplete.
2. A resolution authorizing the issuance of bonds passed by the relevant issuing entity must be current and valid at the time of application. The applicant should coordinate any updates that may be required for the resolution to remain in effect. It is the sole responsibility of the applicant to submit a complete application with current information.

D. Multiple Applications for a Single Development

1. Multiple applications submitted as separate phases of one development will be considered as one development and reviewed as one application. THDA reserves the right to request additional information or documentation, if necessary, to determine if applications submitted will be considered and reviewed as one or more developments.
2. Only one application may be submitted and be considered for a development. THDA reserves the right to request additional information or documentation to determine if applications submitted will be considered and reviewed as one or more developments.

Part XI: Application for Low-Income Housing Tax Credits

If the development also seeks non-competitive Low-Income Housing Tax Credit ("non-competitive Tax Credit"), a separate application must be submitted to Tennessee Housing Development Agency to request the non-competitive Tax Credit. Receipt of authority to issue tax-exempt bonds does not guarantee receipt of non-competitive Tax Credit. THDA retains the authority to determine eligibility to receive non-competitive Tax Credit and the amount of non-competitive Tax Credit to be allocated to the development, up to the maximum amount eligible with tax-exempt financing. Any development seeking non-competitive Tax Credit must apply for non-competitive Tax Credit in the same calendar year in which the tax-exempt bonds are issued. THDA will conduct an eligibility and scoring review with regard to a non-competitive Tax Credit application submitted in conjunction with an application for Multifamily Tax-Exempt Bond Authority within forty-five (45) days of THDA's receipt of such non-competitive Tax Credit application. Any applicant for non-competitive Tax Credit will be subject to all fees and requirements stated in the applicable Tax Credit Qualified Allocation Plan, including monitoring fees.

If a development is the subject of a pending **competitive** 2005 or 2006 Tax Credit application and is the subject of an application under the 2005 Multifamily Tax-Exempt Bond Authority Program Description, the issuance of a Commitment Letter in accordance with Part IX-A of this Program Description shall constitute the withdrawal of the **competitive** Tax Credit application.

The maximum obtainable rents supported by the market study will be expected to support reasonable operating expenses and maximum mortgage debt service prior to Tax Credits filling any financial "gaps". This may require that the development obtain additional financing from other sources over and above the maximum amount of Multifamily Tax-Exempt Bond Authority or non-competitive Tax Credit committed to the development by THDA.

Part XII: Information and Applications

THDA staff will attempt to assist with information in completing an application, however if clarification or interpretation is required, an interested party should submit their specific request in writing to THDA.
