Part I: Introduction

The Tennessee Housing Development Agency (“THDA”) administers the Low-Income Housing Tax Credit program in Tennessee. The Low-Income Housing Tax Credit program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended (“Section 42”), to encourage the construction and rehabilitation of rental housing for low-income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan (“QAP”) to define the process by which it will allocate an annual amount of Low-Income Housing Tax Credits (“Tax Credits”) in Tennessee.

This document is the QAP required by Section 42. This QAP incorporates all requirements of Section 42 unless more stringent requirements, as permitted under Section 42, are included. A public hearing was held to solicit comments. “**Exhibits**” are documents which accompany this QAP and which provide additional information. “**Attachments**” are forms or documents which must be submitted as part of the Initial Application. Exhibits, the Initial Application Form, and Attachments are collectively part of the “Application” and all are considered part of the QAP. The QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

When this QAP calls for some THDA action including but not limited to a determination, adjustment, review, evaluation, or exercise of discretion, all such actions shall be at THDA’s sole discretion, whether specifically so stated or not.

No person or entity who submits an Initial Application shall have any right to an allocation of Tax Credits under this QAP based solely on the score assigned to their Initial Application.

Part II: Goals and Objectives

The goal of this QAP is to use the Tax Credits allocated to Tennessee for 2018 to create, maintain, and preserve affordable rental housing for low-income households. Specific objectives of this QAP are to:

1. Make rental units affordable, in the areas of greatest need, to households with as low an income as possible and for the longest time period possible;
2. Encourage development of appropriate housing units for persons with special needs, including the elderly, the homeless and the disabled;
3. Allocate only the minimum amount of Tax Credits necessary to make a development financially feasible and viable throughout the credit period;
4. Encourage Non-Profit entities to develop rental housing for low-income households;
5. Encourage fair distribution of Tax Credits among counties and developers; and
6. Allocate Tax Credits fairly.

Part III: Tax Credits Available

A. Total Tax Credits

The total amount of Tax Credits available for allocation in Tennessee for 2018 is the total of the following:

1. \$2.35, (which includes any cost of living adjustment specified in Section 42(h)(3)(H)), multiplied by Tennessee's population;
2. Any unallocated credits from previous year;
3. Any returned credit from previous years; and
4. Any amount allocated to Tennessee by the IRS from the National Pool.

For purposes of calculating the initial Non-Profit Set-Aside, the amount against which the percentages will be applied will be the sum of items 1, 2, and 3 above.

B. Set-Asides

1. Non-Profit Set-Aside
 - a. Qualified Non-Profit applicants (as specified in Part VII-A-2-a of this QAP) will be considered for an allocation of Tax Credits from the Non-Profit Set-Aside.

 - c. **THDA reserves the right to make additional allocations of Tax Credits to qualified Non-Profit applicants as needed to meet the requirements of Section 42(h)(5).**
2. Public Housing Authority Set-Aside
 - a. No more than fifteen percent (15%) of the sum of Part III-A-1, -2, and -3 will be set aside for developments involving a public housing authority (as specified in Part VII-A-2-b).
3. Preservation Set-Aside
 - a. No more than twenty two and one half percent (22.50%) of the sum of Part III-A-1, -2, and -3 will be set aside for developments involving preservation (as specified in Part VII-A-2-c).
4. Qualified Census Tract and Contributing to a Community Revitalization Plan Set-Aside (the "QCT/CRP Set-Aside")
 - a. No more than one (1) eligible development located in a Qualified Census Tract and contributing to/covered by a Community Revitalization Plan (as specified in Part VII-A-2-d) shall receive an allocation of Tax Credits from the QCT/CRP Set-Aside, subject to the requirements of Part VIII-E.
5. Rural Set-Aside

C. Basis Boost

A proposed development may receive, in THDA's sole discretion, an increase in eligible basis of up to 30%. The provisions of Part III-C-1-c, Part III-C-1-d, Part III-C-1-e, Part III-C-1-f, and Part III-C-1-g do not apply to proposed developments with tax-exempt financing as described in Section 42(h)(4).

THDA may reject or require modifications to Initial Applications for Tax Credits when THDA determines that the proposed development is not financially feasible or does not need Tax Credits. THDA may also reserve or allocate an amount of Tax Credits less than the amount requested in an Initial Application, in a Carryover Allocation Application or in a Final Application. THDA's determination under Section 42(m)(2) shall not be construed to be a representation or warranty by THDA as to the financial feasibility, viability, or lack thereof, of any development.

The owner must provide to THDA a detailed plan with the Initial Application, specifically including how the owner will set aside a portion of the rent beginning in year two (2) of the compliance period to provide sufficient funds to the tenant at the end of the compliance period for the down payment and the closing costs to purchase the unit. The plan will be required to be updated and submitted to THDA

again for approval in year 13 of the compliance period. The Restrictive Covenant Agreement will contain provisions ensuring enforcement of this provision.

Part VIII: Initial Application Eligibility and Scoring Review

A. Notice to Applicants

1. THDA will notify each applicant when the eligibility determination and scoring of their Initial Application is complete. THDA will send this notice to the contact person and the address specified in the Initial Application. Failure to receive any notice specified in this Part VIII will not extend deadlines or modify requirements in this Part VIII. All applicants shall immediately notify THDA, in writing, of changes in the name and/or address of the contact person specified in the Initial Application. Such notification by the applicant will not be deemed to be an amendment to the Initial Application.
2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. At no time during the process set forth in this Part VIII may applicants submit additional items for the purpose of increasing the scores in a particular scoring category if the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application. The provisions of Part VIII-B do not apply.
3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the applicant in the Initial Application, THDA will so notify the applicant. THDA will also notify applicants if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit specified in Part IV-B or (ii) developers or related parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation specified in Part IV-C. This notice to applicants from THDA is referred to herein as the "Cure Notice".
4. **No rankings or scoring summaries with respect to Initial Applications received by THDA will be available until all cure periods have expired and the review process is complete.**

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this Part VIII-B, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during a cure period which shall begin on the date of the Cure Notice and shall end at the time and date specified in the Cure Notice. The Cure Notice shall specify the means and methods by which identified issues may be remedied. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application.
2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described in Part VIII-C is not available to applicants who do not submit additional documentation, **in writing**, in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).
3. The cure provisions of this Part VIII-B **do not apply** to Initial Applications that are not submitted in accordance with the requirements of Part VI.

4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. The provisions of Part VIII-C will not apply.
5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet any one of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of the determination (the "Review Notice"). The Review Notice will specify the time period within which a request for review may be made.

C. Review Process

1. Applicants who receive a Review Notice may submit, **in writing**, a request for review to the THDA Executive Director. This request for review must be submitted in accordance with the Review Notice. A request for review will not be considered if no documentation was submitted or if documentation was not submitted in accordance with the Cure Notice (including, without limitation, the time deadlines therein). If no written request for review is submitted or if the written request submitted does not meet all requirements of the Review Notice or this QAP, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.
2. The request for review must identify the eligibility item or scoring category to be reviewed, **the information in the Initial Application OR the documentation submitted during the cure period relevant to the eligibility item or scoring category in question**, and the reason the applicant thinks that the eligibility determination or scoring was in error. The request for review must contain no more than two 8 1/2 X 11 inch pages, with print on one side of each page, typed in 12 point font or larger. Requests not meeting this format will not be considered.
3. No additional documentation may be submitted in connection with this request for review. No information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered. Requests for review that were not submitted in accordance with the Review Notice will not be considered. The provisions of Part VIII-C-4, -5, and -6 will not apply.
4. The Tax Credit Committee of the Board of Directors of THDA (the "Tax Credit Committee") will meet in regular or special session in June 2018, to evaluate the Initial Application, documentation submitted during the cure period, the Review Notice, the request for review and THDA staff analysis thereof (the "Review Meeting"). The Tax Credit Committee will consider only documentation submitted in compliance with this Part VIII, regardless of whether the applicant or a representative thereof are present at the Review Meeting. The Tax Credit Committee will consider whether documentation submitted as a result of the Cure Notice, taking into account the THDA staff analysis, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP. **Any contact with THDA Executive Director, any member of the Tax Credit Committee or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.**
5. Applicants or representatives thereof may contact THDA Multifamily Development staff regarding procedural matters only between the date of the Review Notice and the date of

the Review Meeting, which contact, if limited as specified herein, will not constitute grounds for dismissal of a review request. Applicants or representatives thereof may, but are not required to, appear at the Review Meeting. Notice of the decision of the Tax Credit Committee will be provided to the applicant.

6. The final score for all Initial Applications will be determined after the Review Meeting. By adoption of this QAP, the THDA Board of Directors specifically delegates full authority to the Tax Credit Committee to make the determinations specified in this Part VIII-C. The THDA Board of Directors will not consider requests to review decisions of the Tax Credit Committee. All decisions of the Tax Credit Committee are final. No matters with respect to eligibility under Part VII-A or with respect to scoring under Part VII-B will be considered after the adjournment of the Review Meeting.

D. Final Scoring and Ranking of Initial Applications

After the completion of the cure period and completion of the review process set forth above, the final score for each Initial Application will be determined by THDA. Each Initial Application will be listed in order of score and such rankings will be made available to all applicants. This ranking is not confirmation of a reservation of Tax Credits. Reservations will not be made until all set-asides have been applied and all limits have been applied.

E. Application of Various Limits/Final Ranking

Following the final scoring of each Initial Application, THDA will make reservations in the Non-Profit Set-Aside, in the Public Housing Authority Set-Aside, in the Preservation Set-Aside, in the QCT/CRP Set-Aside, and in the Rural Set-Aside, based on the final scores assigned to each Initial Application, the amount of Tax Credits determined by THDA to be appropriate, the application of all other priorities, caps, and limits contained in this QAP, and according to the following procedures and provisions:

1. Non-Profit Set-Aside:

- a. Based on the final scoring of Initial Applications, THDA will list, in ranking order, all developments qualifying for the Non-Profit Set-Aside. THDA will reserve Tax Credits beginning with the highest ranking Initial Application in the Non-Profit Set-Aside proposing new construction and the highest ranking Initial Application in the Non-Profit Set-Aside proposing preservation (as described in Part VII-A-2-c) or rehabilitation in the initial Non-Profit Set-Aside and, following that, will proceed down the ranking, without regard to development activity, until the point is reached where the last complete reservation can be made from the Non-Profit Set-Aside. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.) If there are not enough Tax Credits remaining in the initial Non-Profit Set-Aside to reserve the full amount requested for the next Non-Profit Initial Application in line, the difference between the balance remaining in the initial Non-Profit Set-Aside and the amount needed to make a full reservation will be added to the Non-Profit Set-Aside.
- b. If a development receives a reservation from the Non-Profit Set-Aside and is also qualified for the QCT/CRP Set-Aside and/or the Rural Set-Aside, the reservation from the Non-Profit Set-Aside will count against the QCT/CRP Set-Aside and/or the Rural Set-Aside, as applicable.
- c. After the initial Non-Profit Set-Aside is completely reserved, other qualified Non-Profit applications that did not receive a reservation will be included and considered, along with other qualified applications, in the Public Housing Authority Set-Aside, the Preservation Set-Aside, the QCT/CRP Set-Aside (subject to b. above), the Rural Set-Aside (subject to b. above), and the General Pool, (subject to b. above) and Part IV, as applicable.

2. PHA Set-Aside:

- a. Qualified Initial Applications with a CNI Implementation Agreement or a RAD Commitment to Enter into a Housing Assistance Payments Contract (as described in Part VII-A-2-b of this QAP) will receive priority within the PHA Set-Aside.
- b. THDA will list, in ranking order, qualified Initial Applications in the PHA Set-Aside, and will make reservations beginning with the highest ranking Initial Application in the PHA Set-Aside and will proceed down the ranking until the point is reached where the last complete reservation has been made from the PHA Set-Aside. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.)
- c. If a development receives a reservation from the PHA Set-Aside and is also qualified for the QCT/CRP Set-Aside and/or the Rural Set-Aside, the reservation from the PHA Set-Aside will count against the QCT/CRP Set-Aside and/or the Rural Set-Aside, as applicable.
- d. After the last complete reservation has been made from the PHA Set-Aside, other qualified PHA applications that have not received a reservation **will be** included and considered, along with other applications, in the Preservation Set-Aside, the QCT/CRP Set-Aside, the Rural Set-Aside, and the General Pool, as applicable.

3. Preservation Set-Aside

- a. THDA will list, in ranking order, qualified Initial Applications in the Preservation Set-Aside, and will make reservations beginning with the highest ranking Initial Application in the Preservation Set-Aside and will proceed down the ranking until the point is reached where the last complete reservation has been made from the Preservation Set-Aside. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.)
- b. If a development receives a reservation from the Preservation Set-Aside and is also qualified for the QCT/CRP Set-Aside and/or the Rural Set-Aside, the reservation from the Preservation Set-Aside will count against the QCT/CRP Set-Aside and/or the Rural Set-Aside, as applicable.
- c. After the last complete reservation has been made from the Preservation Set-Aside, other qualified preservation applications that have not received a reservation **will not** receive further consideration for 2018 Tax Credits in any other set-aside or in the General Pool unless necessary to satisfy the requirements of Part VIII-E-4, Part VIII-E-5, or Part VIII-E-8.

4. QCT/CRP Set-Aside

- a. If steps 1 through 3 above have not produced a reservation to a development qualified for the QCT/CRP Set-Aside, THDA will list, in ranking order, qualified Initial Applications in the QCT/CRP Set-Aside and will reserve Tax Credits beginning with the highest ranking Initial Application in the QCT/CRP Set-Aside proposing new construction until the point where steps 1 through 4 include a reservation to one (1) development proposing new construction that is qualified for the QCT/CRP Set-Aside. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.)
- b. After the last complete reservation has been made from the QCT/CRP Set-Aside, other qualified applications for QCT/CRP developments that have not received a reservation **will be** included and considered, along with other applications, in the General Pool, as applicable.

5. Rural Set-Aside

- a. If steps 1 through 4 above have included reservations to less than two (2) developments qualified for the Rural Set-Aside, THDA will list, in ranking order, qualified Initial Applications in the Rural Set-Aside and will reserve Tax Credits beginning with the highest ranking Initial Application(s) in the Rural Set-Aside until the point where steps 1 through 5 include reservations to two (2) developments that are qualified for the Rural Set-Aside. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.)
- b. After the last complete reservation has been made from the Rural Set-Aside, other qualified applications for developments proposed for counties listed as "Rural" in **Exhibit 1** that have not received a reservation **will not** receive further consideration for 2018 Tax Credits in any other set-aside or in the General Pool unless necessary to satisfy the requirements of Part VIII-E-7-b.

6. Innovation Set-Aside

- a. Applicant presentations to the Innovation Set-Aside Selection Group shall take place in 2018, at a time and location determined by THDA and shall be limited to one (1) presentation per Innovation Set-Aside Application, no more than sixty (60) minutes in length.
- b. The Innovation Set-Aside Selection Group, in its sole discretion, may select Innovation Set-Aside Application(s) to receive a Reservation Notice from the Innovation Set-Aside. The selected Innovation Set-Aside Application(s) will be notified at the same time the ranking for the regular competitive round is released.
- c. **The determination of Innovation Set-Aside Selection Group shall not be appealable to the THDA Board or the Tax Credit Committee of the THDA Board.**

7. General Pool

- a. Any Tax Credits remaining after steps 1 through 5 above are complete will be combined with any other Tax Credits that are unallocated for any reason (from Part III-A above).
- b. Throughout the remainder of the reservations, THDA will ensure that at least ten percent (10%) of the total amount of Tax Credits available for allocation in Tennessee for 2018 have been reserved to Initial Applications that are qualified for the Non-Profit Set-Aside, even if a lower ranking Initial Application qualified for the Non-Profit Set-Aside must be reserved Tax Credits before a higher-ranking Initial Application that is not qualified for the Non-Profit Set-Aside.
- c. Except as necessary to satisfy the requirements of Part VIII-E-7-b, all reservations of Tax Credits from the General Pool will be made only to eligible Initial Applications that propose new construction.
- d. THDA will reserve any remaining Tax Credits to the remaining qualified Initial Applications beginning with the highest ranking Initial Application, subject to the priority for Non-Profit Initial Applications, the priority for Initial Applications proposing new construction, the priority for CNI Initial Applications, and subject to all other caps and limits contained in this QAP and proceed down the ranking until the point is reached where the last complete reservation is made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-8.** (The limitations specified in Part IV will apply.)

- e.
 - (i) If the steps above leave THDA with insufficient Tax Credits to make a complete reservation to the next highest ranking eligible Initial Application proposing new construction, THDA will hold the Tax Credits remaining until enough Tax Credits have been recaptured or returned for a complete reservation to be made to the next highest ranking eligible Initial Application proposing new construction, taking into account all applicable priorities, caps and limits. THDA will then make a complete reservation to the next highest ranking eligible Initial Application proposing new construction (The limitations specified in Part IV will apply.)
 - (ii) If the Tax Credits remaining are likely to exceed one percent (1%) of the total Tax Credits available for reservation, any remaining Tax Credits may be offered pursuant to Part VIII-E-8 below, taking into account all applicable priorities, caps, and limits. The limitations in Part IV will apply.
8. If the Tax Credits remaining are likely to exceed one percent (1%) of the total Tax Credits available for reservation, any remaining Tax Credits may be offered as a partial reservation to the next highest ranking eligible Initial Application proposing new construction, taking into account all applicable priorities, caps, and limits, until the Tax Credits are accepted. (The limitations in Part IV will apply.) Acceptance of a partial reservation according to this provision would not classify a development as an “existing” application in subsequent years, but any limitation on Tax Credits per development in subsequent years would apply to any such partial reservation.
9. **Tax Credits remaining in the Non-Profit Set-Aside after all qualified Non-Profit Initial Applications have received reservations of Tax Credits cannot be reserved to other Initial Applications.**
10. Tie Breaker

In the event there is a scoring tie between two or more Initial Applications at the cutoff for receipt of a Tax Credit Reservation Notice, the tie shall be broken as follows:

- a. If the tie is between two or more Initial Applications, **all of which propose new construction**, the Initial Application requesting the least Tax Credits per square foot of heated, low-income, **residential** floor space as measured “paint to paint” (**not including** common areas) will be given priority.
- b. If the tie is between two or more Initial Applications, **at least one of which proposes preservation or rehabilitation**, the Initial Application requesting the least Tax Credits per low-income unit will be given priority.
- c. In applying the tie breaker, THDA will carry out the calculation to as many digits to the right of the decimal point as needed to break the tie.

Part IX: Reservation of Tax Credits

A. Reservation Notice

THDA will notify, in writing, each successful applicant of an initial reservation of Tax Credits (the "Reservation Notice"). In determining the initial amount of Tax Credits to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application, as determined by THDA to be reasonable. **The final amount of Tax Credits allocated to each successful applicant may be less than, but will not be more than, the amount requested in the Initial Application, the amount specified in the Reservation Notice or the amount reflected in a Carryover Allocation Agreement.** Allocations will be determined in connection with a Carryover Allocation Application and in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP.

B. Status Reports

All developments with a Reservation Notice shall provide status reports outlining progress toward completion by dates, in a form and with substance as specified by THDA. Information requested will be development specific and may include such items as construction progress.

C. Recapture of Tax Credits During Reservation Period

1. THDA will cancel a Reservation Notice for failure to fully satisfy conditions imposed in connection with the Reservation Notice and for failure to provide satisfactory information or documentation required by the Reservation Notice by the deadlines specified in the Reservation Notice. This means that the Tax Credits referred to in the Reservation Notice are not available for the development specified in the Reservation Notice and will be made available to other qualified developments. Deadlines specified in the Reservation Notice are the dates upon which Tax Credits are deemed recaptured by THDA unless the conditions related to each deadline have been met on or before such deadline or unless an extension has been granted under Part XIV-C.
2. Tax credits made available through a Reservation Notice may be voluntarily returned. Any such return means Tax Credits are not available for the development referenced in the Reservation Notice.
3. Any Tax Credits recaptured either by cancellation of a Reservation Notice under Part IX-C-1 above or by voluntary return under Part IX-C-2 above will be reserved to the fullest extent practical to other qualified Initial Applications for Tax Credits as provided in this QAP.

Part X: Carryover Allocation

A. Qualifying for a Carryover Allocation

A development with a Reservation Notice that will not be placed in service by December 31, 2018, may be eligible for a carryover allocation of Tax Credits (“Carryover Allocation”). In order to qualify for a Carryover Allocation, the ownership entity identified in the Initial Application must have ownership of the property identified in the Initial Application and must have spent a minimum of ten percent (10%) of the reasonably expected basis in the development on or before the dates specified in the Carryover Allocation Agreement.

B. Submission of Additional Information and Documentation

The Carryover Allocation Application (submitted through the electronic application system) will specify the additional information and documentation required and will specify a date by which such information and documentation must be submitted to THDA.

At a minimum, a qualified applicant shall provide the following information and documentation, which information and documentation shall be in a form and with substance acceptable to THDA, **by the date(s) specified in the Carryover Allocation Application**:

1. Firm commitment letters for construction financing and competitive state or Federal loans or grants (i.e.: AD-622 for USDA/RD [formerly FmHA]), executed as specified in the letter and otherwise in a form and with substance acceptable to THDA;
2. Most recent utility allowance documents (from USDA/RD [formerly FmHA], HUD, local PHA, or utility company) demonstrating the basis for calculations of utility costs for the size and type of units proposed;
3. Written documentation from each service provider that all necessary utilities (i.e.: electricity, gas (if proposed development utilizes gas), sewer, and water) are available at the site;
4. Written documentation from the appropriate local governmental authority demonstrating that current zoning and other local land use regulations permit the development as proposed or that no such regulations currently apply to the proposed development (as new construction, acquisition and rehabilitation, or rehabilitation only);
5. Detailed information about the syndication transaction including, without limitation, a firm commitment letter from the purchaser of the tax credits executed as specified in the Carryover Allocation Application;
6. For Initial Applications subject to Part VII-A-4-a-(ii), Part VII-A-4-a-(iii), Part VII-A-4-a-(v), Part VII-A-4-a-(viii); Part VII-A-4-a-(ix), Part VII-A-4-a-(x), Part VII-B-2-a-(ii); Part VII-B-2-a-(iii); Part VII-B-2-b; Part VII-B-2-c; and/or Part VII-B-7, an architect’s certification will be required with the Carryover Allocation Application and prior to issuing the IRS Form 8609; and
7. Other information or documentation as THDA may deem necessary to fully evaluate the proposed developments and the applicant’s ability to proceed.

C. Other Carryover Allocation Requirements

1. To request a Carryover Allocation, the owner must, no later than the dates specified in the Carryover Allocation Application:
 - a. Complete a Carryover Allocation Application (submitted through the electronic application system); and
 - b. Submit any other development specific materials THDA may require.

2. The owner must execute a Carryover Allocation Agreement (**Form furnished by THDA**) and return the executed Carryover Allocation Agreement to THDA no later than the dates specified in the Carryover Allocation Agreement.
3. To meet the Carryover Allocation requirements, the owner must submit the Cost Certification (**Form furnished by THDA**) for the ten percent (10%) test no later than the date specified in the Carryover Allocation Agreement.
4. To meet the Carryover Allocation requirements, the owner must submit a copy of the recorded warranty deed showing ownership by the ownership entity identified in the Initial Application, a fully executed 50-year ground lease (subject to the provisions of Part VII-A-7-b-(v) of this QAP) showing the Ownership Entity as identified in the Initial Application as the lessee, or a copy of a PILOT agreement showing ownership by the ownership entity identified in the Initial Application no later than the date specified in the Carryover Allocation Agreement.

D. Tax Credits Available

The amount of Tax Credits to be allocated by a Carryover Allocation Agreement will be determined by THDA in connection with an evaluation at the time a Carryover Allocation is requested and in accordance with Section 42(m)(2). **This amount may be less than, but will not be more than, the Tax Credit amount in the Reservation Notice.**

E. Status Reports

All developments with a Carryover Allocation shall provide status reports outlining progress toward completion by dates, in form and substance specified by THDA in the Carryover Allocation Application.

F. Recapture of Tax Credits During Carryover Period

1. THDA will cancel a Carryover Allocation for failure to fully satisfy conditions imposed in connection with the Carryover Allocation. This means that the Tax Credits referred to in the Carryover Allocation Agreement are not available for the development specified in the Carryover Allocation Agreement and will be made available to other qualified developments. Deadlines specified in the Carryover Allocation Agreement are the dates upon which Tax Credits are deemed recaptured by THDA unless the conditions related to each deadline have been met on or before such deadline. Such Tax Credits are recaptured by THDA, without further notice, effective as of the deadline established in the Carryover Allocation Agreement which was not met.
2. Tax Credits allocated by a Carryover Allocation Agreement may be voluntarily returned. Any such return means that Tax Credits are not available for the development referenced in the Carryover Allocation Agreement.
3. Any Tax Credits recaptured either by cancellation of a Carryover Allocation Agreement under Part X-F-1 above or by voluntary return under Part X-F-2 above will be made available as follows:
 - a. Any Tax Credits returned before October 1, 2018, will be reserved to other qualified Initial Applications for Tax Credits as provided in this QAP;
 - b. Any Tax Credits returned on or after October 1, 2018, will be reserved pursuant to a QAP for 2019, if available.

Part XI: Placed In Service

A. Placed In Service Requirements

1. After all units in a development are placed in service, THDA will make a final allocation of Tax Credits and will issue IRS Form(s) 8609 only after receipt of the following, in form and substance satisfactory to THDA:
 - a. Final Application (submitted through the electronic application system);
 - b. Applicant's Verification Form for each building in the development (submitted through the electronic application system);
 - c. Final Cost Certification of actual costs, incomes and expenses, including actual syndication proceeds, from an independent CPA licensed in Tennessee (**Form furnished by THDA**);
 - d. Original Recorded Land Use Restrictive Covenant (**Form furnished by THDA**);
 - e. Copy of the recorded warranty deed indicating ownership by the ownership entity identified in the Initial Application, if applicable;
 - f. Certifications as may be required under Part VII-A and Part VII-B of this QAP;
 - g. Certificate of Occupancy for each building or, if the jurisdiction in which the development is located does not issue Certificates of Occupancy for the type of development involved, a letter from an authorized official of the local jurisdiction stating that the jurisdiction does not issue Certificates of Occupancy;
 - h. Required Compliance Monitoring Fee;
 - i. Verification from THDA Construction Analyst of fulfillment of all construction inspection requirements as reflected in **Exhibit 13**;
 - j. Detailed information about the syndication transaction including, without limitation, a firm commitment letter from the purchaser of the tax credits executed as specified in the Final Application;
 - k. Verification from THDA Program Compliance Division of Owner's Compliance Training attendance in accordance with Part XIII-L of this QAP;
 - l. Verification from THDA Program Compliance Division of a current, valid certification for the management company under the THDA Certified Property Manager/Agent Program; and
 - m. Other documentation as THDA may require.
2. THDA must receive a copy of the promissory note and recorded deed of trust for permanent financing of the development within sixty (60) days of the date of recording of the deed of trust. Failure to provide such documentation shall be deemed an event of noncompliance hereunder. THDA reserves the right to issue revised IRS Form(s) 8609 following receipt of the copy of the promissory note and recorded deed of trust if the terms of the promissory note and/or deed of trust vary from the terms specified in the Final Application.

B. Tax Credits Available

The amount of Tax Credits allocated when a development is placed in service will be determined by THDA based on an evaluation of the above required information and documentation and in accordance with Section 42(m). **This amount may be less than, but will not be more than, the amount reserved in the Reservation Notice or allocated in the Carryover Allocation. THDA reserves the right to make downward adjustments in the final amount of Tax Credits based on the information submitted and Section 42 requirements.**

Part XII: Developments to be Financed With Tax Exempt Bonds

A development financed with tax-exempt bonds may be eligible for an allocation of Tax Credits outside the competitive process described in this QAP. The development must meet the following conditions:

- A. If fifty percent (50%) or more of the aggregate basis of a development is financed with tax-exempt bonds, the development is eligible to apply for Tax Credits outside the competitive allocation process described in this QAP. If less than fifty percent (50%) of the aggregate basis of a development is financed with tax-exempt bonds, the competitive allocation process described in this QAP applies. Either counsel or a Certified Public Accountant licensed in Tennessee must certify to THDA that this financing requirement is met.
- B. Developments which are not subject to the competitive allocation process must, nevertheless, make application for Tax Credits to THDA in accordance with the terms of the THDA tax-exempt bond Commitment Letter based on bonds issued as a result of an allocation of 2018 volume cap by THDA. All such developments must meet all eligibility requirements of this QAP (with the exception of the requirements of Part VII-A-4-a-(iii)) and attain the minimum score required in Part VII-B. Developments which are not subject to the competitive allocation process must submit required attachments and supporting documentation as required by the electronic application system. THDA will determine the appropriate amount of Tax Credits to be allocated, and will issue a Reservation Notice. In determining the initial amount of Tax Credits to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application, as determined by THDA to be reasonable. Allocations will be determined in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP. Any such allocation of Tax Credits will not count against the limits on Tax Credits by county or by developer specified in Part IV. All requirements of Section 42 and this QAP apply to such developments.**
- C. Initial Applications for developments pursuant to this Part XII will be subject to the eligibility requirements in Part VII-A and to the minimum scoring requirements in Part VII-B.
- D. Developments receiving Tax Credits pursuant to this Part XII will be subject to all fees and compliance requirements and procedures as described in this QAP.
- E. Initial Applications for developments pursuant to this Part XII may be submitted to THDA outside the initial application deadlines stated in this QAP.
- F. If a development or proposed development is the subject of a pending competitive Tax Credit Initial Application and becomes the subject of a Multifamily Tax Exempt Bond Authority Application, the issuance of a bond Commitment Letter by THDA shall constitute the withdrawal of the competitive Tax Credit Initial Application.
