

CERTIFICATION OF SHELTER STANDARDS

The _____

(Name of Applicant)

certifies that the following emergency shelters meet the Federal Requirements listed in 24 CFR Part 576.403 including lead-based remediation and disclosure and minimum standards for emergency shelters. Then, add lines for street addresses, city, and ZIP of each shelter. Provide the ability if possible to be on one line if just one address, or multiple lines if multiple addresses.

(Signature) _____

(Date) _____

(Name and Title) _____

To be signed by local government official or Board chairperson, as applicable.
