Section 1: Introduction and Disclaimers

The Tennessee Housing Development Agency (“THDA”) administers the Low–Income Housing Credit program in Tennessee. The Low–Income Housing Credit (“Housing Credit”) program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended (“Section 42”), to encourage the construction and rehabilitation of rental housing for low–income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan (“QAP”) to define the process by which it will allocate an annual amount of Housing Credit in Tennessee.

This QAP contains “electronic links” to resources utilized by THDA in the application process such as the Tennessee Growth Policy Act, Multifamily Tax Subsidy Project Income Limits, Qualified Census Tracts, designations of Difficult to Develop Areas, Fair Housing Act requirements, etc. “**Attachments**” are forms or documents, which must be submitted in the Tennessee Housing On–line Management Administration System (“THOMAS”) as part of the Initial Application. Initial Application information entered into THOMAS, including attachments, are, collectively, part of the “Initial Application” and all are considered part of the QAP.

All QAP requirements, Initial Application requirements, and Code requirements must be met. These requirements include, without limitation, all applicable requirements of the THOMAS User Manual and use of all applicable forms and templates from the THOMAS Documents Page.

This QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

When this QAP calls for some THDA action, including but not limited to a determination, adjustment, review, evaluation, or exercise of discretion, all such actions shall be at THDA’s sole discretion, whether specifically so stated or not.

No person or entity who submits an Initial Application shall have any right to an allocation of Housing Credit under this QAP based solely on the score assigned to their Initial Application.

The QAP as Public Policy

The policy surrounding this QAP is to use the Housing Credit allocated to Tennessee to create, maintain, and preserve affordable rental housing for low–income households. Specific objectives of this QAP are to:

- A. Make rental units affordable, in the areas of greatest need, to households with as low an income as possible and for the longest time period possible;
- B. Encourage development of appropriate housing units for persons with special needs, including the elderly, the homeless and the disabled;
- C. Allocate only the minimum amount of Housing Credit necessary to make a development financially feasible and viable throughout the credit period;
- D. Encourage Qualified Nonprofit Organizations to develop rental housing for low–income households;
- E. Encourage fair distribution of Housing Credit among counties and developers; and
- F. Allocate Housing Credit fairly.

Amendments

THDA may amend any part of this QAP following public notice and approval by the THDA Board of Directors. Such amendment is expressly permitted by this QAP, and the making of such amendment will not require further public hearings or approval by the Governor. THDA, in accordance with Section 42, may impose additional requirements in order to fulfill the objectives of its housing initiatives.

Document Review

THDA will review and evaluate only those materials submitted in compliance with the requirements of this QAP. THDA will not evaluate any materials submitted outside the deadlines for submission of such materials and will assume no obligation to request additional information from applicants for any purpose. THDA may require additional information and/or documentation if THDA determines that additional information is necessary for clarification and/or explanation. THDA's review of documents submitted with any Initial Application, including Initial Applications or documents submitted in connection with Housing Credit reserved or allocated under this QAP is for THDA's own purposes and is not for the purpose of advising, certifying, representing or warranting to others as to the feasibility or viability of any proposed development.

Adverse Action by Local Jurisdiction

If, following the allocation of Housing Credit to a proposed development, the local jurisdiction in which the proposed development is located takes action that THDA, in its sole discretion, determines to be for the primary purpose of preventing the proposed development from satisfying applicable program requirements, THDA may lower the amount of Housing Credit available to that jurisdiction in future Qualified Allocation Plans. Examples include, without limitation, "downzoning", action regarding utilities or utility connections, action regarding required public roads, or action to prevent issuance of Certificates of Occupancy.

No THDA Liability

No member, officer, agent, or employee of THDA shall have any personal liability with respect to any matters arising out of, or in relation to, this QAP, Housing Credit reserved or allocated under this QAP or the monitoring of Housing Credit developments.

THDA makes no representations or warranties to applicants, developers, owners or anyone else as to compliance with Section 42, Treasury regulations, or any other laws or regulations applying to Housing Credit or Housing Credit developments or as to the feasibility or viability of any proposed Housing Credit development.

Enforcement

In the event THDA seeks enforcement of any matter connected with any reservation, allocation or monitoring of Housing Credit, or any other matter connected with Housing Credit, THDA shall be entitled to recover all damages, costs, expenses and fees, including without limitation, all court costs, all legal fees and expenses, and all staff time, from any party connected with any Housing Credit development.

False Statements

- A. Tennessee Code Annotated, Section 13-23-133, makes it a Class E felony for any person to knowingly make, utter, or publish a false statement of substance or aid or abet another person in making, uttering, or publishing a false statement of substance for the purpose of influencing THDA to allow participation in the Housing Credit Program. Any and all statements contained in any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications, submitted to THDA in connection with any Initial Application, subsequent applications or in connection with Housing Credit reserved, allocated or

monitored for compliance under this QAP or otherwise made by an applicant or other person connected in any way with Housing Credit reserved, allocated or monitored for compliance under this QAP are statements of substance made for the purpose of influencing THDA to allow participation in the Housing Credit Program.

- B. By submitting any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications to THDA in an effort to obtain or maintain Housing Credit, the applicant and all parties connected with the development proposed in the Initial Application acknowledge and agree (1) they are entering into a contract with THDA; and (2) they intend for THDA to rely on and seek enforcement of all selections or statements (written or oral) made with respect to any reservation, allocation or monitoring of Housing Credit by any and all means available, including, without limitation, specific performance; and (3) they are knowingly making, uttering or publishing or aiding and abetting others in making, uttering or publishing statements of substance for the purpose of influencing THDA to allow participation in the Housing Credit program.

Section 14: Initial Application Eligibility and Scoring Review

A. Initial Application Review Process

1. THDA will notify each applicant when the eligibility determination and scoring of all Initial Applications is complete. THDA will send this notice to the contact person at the address specified in the Initial Application. Failure to receive any notice specified in this QAP will not extend deadlines or modify requirements. All applicants shall immediately notify THDA at thomas@thda.org of changes in the name and/or address of the contact or alternate person specified in the Initial Application. Such notification by the applicant will not be deemed to be an amendment to the Initial Application.
2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants shall not submit additional items for the purpose of increasing the score in a particular scoring category if the THDA assigned score for the Initial Application is the same as or higher than the score assigned by the applicant in the Initial Application. The provisions of the Cure Period do not apply.
3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the applicant in the Initial Application, THDA will provide a Cure Notice.
4. THDA will also provide a Cure Notice if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit; or (ii) developers or Related Parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this QAP, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during the cure period which shall begin on the date of the Cure Notice and shall end at the time and date specified in the Cure Notice. The Cure Notice shall specify the means and methods identified issues may be remedied. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application.
2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described below is not available to applicants who do not submit additional documentation, **in THOMAS**, in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).
3. These cure provisions **do not apply** to Initial Applications that are not submitted in accordance with the Initial Application submission requirements of this QAP.
4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. The provisions of the Review Appeal Process will not apply.

5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet all of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will provide a Review Notice. The Review Notice will specify the time period within which a request for review may be made.

C. Review Appeal Process

1. Applicants who receive a Review Notice may submit a request for review. This request for review must be submitted in THOMAS in accordance with the Review Notice and the THOMAS Documents Page. If no written request for review is submitted, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.
2. No additional documentation may be submitted in connection with this request for review. No information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered. Requests for review that were not submitted in accordance with the Review Notice will not be considered.
3. The Tax Credit Committee of the THDA Board of Directors will meet in regular or special session in 2021 to evaluate the Initial Application, documentation submitted during the cure period, the Review Notice, the request for review and THDA staff analysis thereof (the "Review Meeting"). The Tax Credit Committee will consider only documentation submitted in compliance with the Cure Notice regardless of whether the applicant or a representative thereof is present at the Review Meeting.
4. The Tax Credit Committee will consider whether documentation submitted as a result of the Cure Notice, taking into account the THDA staff analysis, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP.
5. **Any contact with THDA Executive Director, any member of the Tax Credit Committee or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.**
6. Applicants or representatives may contact THDA Multifamily Programs staff regarding procedural matters only between the date of the Review Notice and the date of the Review Meeting, which contact will not constitute grounds for dismissal of a review request. Applicants or representatives may, but are not required to, appear at the Review Meeting. Notice of the decision of the Tax Credit Committee will be provided to the contact person specified in an Initial Applicant.
7. The final score for all Initial Applications will be determined after the Review Meeting. By adoption of this QAP, the THDA Board of Directors specifically delegates full authority to the Tax Credit Committee to make the determinations required in this Section. The THDA Board of Directors will not consider requests to review decisions of the Tax Credit Committee. All decisions of the Tax Credit Committee are final. No matters with respect to eligibility or scoring under will be considered after the adjournment of the Review Meeting.

D. Final Scoring

After the completion of the cure period and completion of the review process, the final score for each Initial Application will be determined by THDA. The Final Notice process is described in the THOMAS Documents Page.

E. Application of Various Limits and Final Ranking Process

Following the final scoring of each Initial Application, THDA will make reservations of Housing Credit to eligible Initial Applications based on final score, the amount of Housing Credit determined by THDA to be appropriate, and the application of all requirements, priorities, and limits contained in this QAP, including as specified below, in the following order:

1. Non-Profit Set-Aside – Initial Applications must be eligible for this set-aside under Section 7 of this QAP. Reservations made from this set-aside will count against the limits for Existing Multifamily Housing or New Construction Regional Pools, as applicable.
 - a. Highest ranking eligible Initial Application proposing new construction.
 - b. Highest ranking eligible Initial Application proposing rehabilitation of Existing Multifamily Housing.
 - c. The next highest ranking eligible Initial Application proposing new construction, if needed to reserve the full amount of the Non-Profit Set-Aside. If there are not enough Housing Credit remaining in the Non-Profit Set-Aside to reserve the full amount requested by this eligible Initial Application, additional Housing Credit will be added to this set-aside to make a full reservation.
2. CNI Grants
 - a. Eligible Initial Applications as described in Section 8 of this QAP.
 - b. Highest ranking eligible Initial Application, regardless of development type.
 - c. THDA will continue down the ranking of eligible Initial Applications in this set-aside until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.
 - d. Reservations made from this set-aside will count against the limits for Existing Multifamily Housing or New Construction Regional Pools, as applicable.
3. PHA Set-Aside
 - a. Eligible Initial Applications as described in Section 9-B of this QAP.
 - b. THDA will continue down the ranking of eligible Initial Applications in this set-aside until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.
 - c. Reservations made from this set-aside to eligible Initial Applications proposing developments involving RAD will not count against the limits for New Construction Regional Pools or Existing Multifamily Housing.
4. Existing Multifamily Housing
 - a. Eligible Initial Applications as described in Section 10 of this QAP.
 - b. Highest ranking eligible Initial Application.
 - c. THDA will continue down the ranking of eligible Initial Applications for Existing Multifamily Housing until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking eligible Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.
5. New Construction Regional Pools and all remaining New Construction
 - a. Eligible Initial Applications in the New Construction Regional Pools will be ranked in descending order. THDA will proceed down the ranking of eligible Initial Applications for the New Construction Regional Pools, making Reservations to fill the New Construction Regional Pools as specified in Map 3-1 and in Section 3-C.
 - b. New Construction Regional Pool allocations are limited to 1 per county. Allocations to developments involving RAD will not count against this per county limit.
 - c. A new construction allocation from the general pool is subject to the applicable limits in Section 3 of this QAP.

- d. The next highest ranking New Construction Initial Application(s) will be funded from a general pool which includes the balance of any unallocated 2021 Housing Credit from prior set-asides, rounds and pools.
- e. If the Housing Credit remaining is likely to exceed 1 percent of the total Housing Credit available for reservation, any remaining Housing Credit **may** be offered as a partial reservation to the next highest ranking eligible Initial Application proposing new construction, taking into account all applicable priorities and limits, until the Housing Credit is accepted. Acceptance of a partial reservation according to this provision would not classify a development as an “existing” Initial Application in subsequent years, but any limitation on Housing Credit per development in subsequent years would apply to any such partial reservation.

F. Tie Breaker

- 1. In the event of a scoring tie between two or more Initial Applications proposing new construction at the cutoff for receipt of a Reservation Notice, the tie shall be broken as follows:
 - a. Priority will be given to the new construction development with the highest tie breaker score (HC/Sq. Ft. points + HC/Unit points = tie breaker score) as calculated according to Table 14–1 below. Round HC/sq. ft. **down** to the next \$0.50. Round HC/unit **down** to the next \$500.

- b. If the tie is not broken by Section 14-F-1-a, then priority will be given to the proposed new construction development in the Initial Application requesting the least amount of Housing Credit per low income unit.
- 2. In the event of a scoring tie between two or more Initial Applications proposing rehabilitation of Existing Multifamily Housing, the tie shall be broken as follows:
 - a. Priority will be given to the proposed development requesting the least amount of Housing Credit per Housing Credit unit.

G. Preliminary Ranking List

All Initial Applicants that have been earmarked for an annual allocation of Housing Credit in the applicable funding year will be listed on the Preliminary Ranking List that will be available at www.thda.org. This ranking is a preliminary confirmation of a reservation of Housing Credit.

H. Reservation Letter Process

1. THDA will provide a Reservation Notice.
2. The THOMAS Documents Page describes requirements that must be met, including timelines, for the reservation process.
3. In determining the initial amount of Housing Credit to be reflected in the Reservation Notice, THDA will use the costs, incomes, and expenses submitted in the Initial Application, as determined reasonable by THDA.
4. The final amount of Housing Credit allocated to each successful applicant may be less than, but not be more than, the amount requested in the Initial Application, the amount specified in the Reservation Notice or the amount that will be reflected in the Carryover Allocation Agreement. Allocations will be determined in connection with a Carryover Allocation Application and in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP.

I. Recapture of Housing Credit During Reservation Period

1. THDA will cancel a Reservation Notice for failure to fully satisfy conditions imposed in connection with the Reservation Notice and for failure to provide satisfactory information or documentation required by the Reservation Notice by the deadlines specified in the Reservation Notice. When so cancelled, the Housing Credit referred to in the Reservation Notice is not available for the development specified in the Reservation Notice and will be made available to other qualified developments. Deadlines specified in the Reservation Notice are the dates upon which Housing Credit is deemed recaptured by THDA unless the conditions related to each deadline have been met on or before such deadline or unless an extension has been granted.
2. Housing Credit made available through a Reservation Notice may be voluntarily returned. Any such return means Housing Credit is not available for the development referenced in the Reservation Notice.
3. Any Housing Credit recaptured either by cancellation of a Reservation Notice or voluntarily returned will be reserved to the fullest extent practical to other qualified Initial Applications for Housing Credit as provided in this QAP.

Section 15: Carryover Allocation Process

A. Qualifying for a Carryover Allocation

An applicant with a Reservation Notice for a development that will not place in service by December 31 of the year in which the Reservation Notice was issued may be eligible for a Carryover Allocation of Housing Credit (“Carryover Allocation”). In order to qualify for a Carryover Allocation, the ownership entity identified in the Initial Application must have ownership of the property identified in the Initial Application and must have incurred costs of at least 10 percent of the reasonably expected basis in the development by the date specified in the Carryover Allocation Agreement.

B. THOMAS Carryover Allocation Application Submission Requirements

1. To obtain a Carryover Allocation Agreement, a completed Carryover Allocation Application must be submitted in THOMAS by the date specified by THDA. The THOMAS User Manual specifies the required information and any additional documentation to be submitted.
2. The owner must execute a Carryover Allocation Agreement and return the executed Carryover Allocation Agreement to THDA no later than the date specified in the Carryover Allocation Agreement.
3. The owner must submit (through THOMAS) equity syndication closing documentation and, if applicable, construction financing closing documentation.
4. The owner must submit the Cost Certification for the 10 Percent Test in THOMAS no later than the date specified in the Carryover Allocation Agreement.
5. If available, a recorded warranty deed showing ownership by the ownership entity identified in the Initial Application, or a fully executed 50-year ground lease (subject to the provisions of this QAP) showing the ownership entity identified in the Initial Application as the lessee, a copy of recorded warranty deed or ground lease, as applicable, must be submitted.
6. If a PILOT agreement is available, a copy of the PILOT agreement must be submitted.

C. Carryover Allocation Application Review Process

During the review of the Carryover Allocation Application, THDA will issue Evaluation Notices to request additional documentation and/or information for purposes of clarifying eligibility, scoring and financial feasibility. Evaluation Notices will be issued in the following manner:

Table 15–1: Schedule of Evaluation Notices and Deadlines	
Evaluation Notice	Deadline for Response
First	5 business days from the date of the Evaluation Notice
Second	2 business days from the date of the Evaluation Notice
Final	1 business day from the date of the Evaluation Notice

THDA will not issue a Carryover Allocation Agreement if the conditions contained in Evaluation Notices issued in connection with the Carryover Allocation Application are not fully satisfied. Deadlines specified in the Final Evaluation Notice are the dates upon which Housing Credit may be recaptured by THDA if the conditions related to the deadline have not been met. Upon

notification, the Housing Credit referred to in the Reservation Notice is not available for the development and will be made available to other qualified developments.

D. Housing Credit Available

The amount of Housing Credit reflected in a Carryover Allocation Agreement will be determined by THDA in connection with an evaluation at the time a Carryover Allocation is requested. The amount of Housing Credit may be less than, but will not be more than, the Housing Credit amount in the Reservation Notice.

E. Status Reports

Following execution of a Carryover Allocation Agreement, THDA may request status reports outlining progress towards completion by dates, in a form and with substance all as specified by THDA in its sole discretion.

F. Recapture of Housing Credit During Carryover Period

1. THDA will cancel a Carryover Allocation Agreement if there is a failure to fully satisfy conditions imposed in connection with the Carryover Allocation Agreement by the deadlines specified by THDA. When so cancelled, the Housing Credit referred to in the Carryover Allocation Agreement is not available for the development specified in the Carryover Allocation Agreement and will be made available to other qualified developments. Deadlines specified in the Carryover Allocation Agreement are the dates upon which Housing Credit is deemed recaptured by THDA if the conditions related to each deadline have not been met on or before such deadlines or unless an extension has been granted. .
2. Housing Credit allocated through a Carryover Allocation Agreement may be voluntarily returned by the owner. Upon return, the Housing Credit referred to in the Carryover Allocation Agreement is not available for the development specified in the Carryover Allocation Agreement.
3. Any Housing Credit recaptured either by cancellation of a Carryover Allocation Agreement or by voluntary return by the owner will be made available as follows:
 - a. Any Housing Credit returned before October 1, 2021 will be reserved to other qualified 2021 Initial Applications for Housing Credit as provided in this QAP.
 - b. Any Housing Credit returned on or after October 1, 2021 will be available in 2022.

Section 16: Construction Review Process

A. Construction Overview

THDA will conduct a preconstruction meeting with the ownership entity, developer, architect, and general contractor after closing of the equity syndication and construction financing. Documentation in a form and with substance specified by THDA must be uploaded into THOMAS. Guidance may be found on the THOMAS Documents Page. The architectural drawings and specifications, as approved by the syndicator and lender, shall be submitted into THOMAS within five (5) days after closing. If rehabilitation of Existing Multifamily Housing or adaptive reuse is proposed, the scope of work must also be submitted in THOMAS within five (5) days after closing. The scheduling of the preconstruction meeting shall not take place until the information is submitted to THDA using THOMAS. **THDA does not approve or provide any representations or warranties in connection with architectural drawings or specifications or other documents submitted in connection with the construction review process described in this Section.**

B. Preconstruction Meeting

The purpose of the preconstruction meeting is to outline basic responsibilities and duties of the various parties throughout the construction process in relation to the Housing Credit Program.

1. For developers with no previous Housing Credit program experience, a full preconstruction meeting must take place.
2. Developers with previous Housing Credit program experience may request a limited preconstruction meeting.
3. THDA shall determine, in its sole discretion, whether the preconstruction meeting will be full or limited.

Preconstruction meeting scheduling should not delay construction progress.

C. Construction Inspections and Reporting

After the preconstruction meeting has been conducted, construction reporting and periodic construction site visits by THDA are required.

1. The following required documents shall be submitted in THOMAS prior to construction site visits:
 - a. Executed Notice to Proceed
 - b. Building Permits (if not required, the applicable local official must submit a letter verifying that building permits are not required).
 - c. Construction Schedule with anticipated benchmarks
2. During the construction process, THDA will inspect the work progress monthly, or as otherwise determined by THDA to be necessary, and conduct periodic site inspections for compliance with THDA requirements based on the Percentage of Construction Complete as reported in THOMAS.
3. Monthly executed draw packages and quarterly construction progress reports are required and shall be submitted in THOMAS.

4. Updated construction schedule and scope of work shall be submitted based on the Schedule of Evaluation Notices and Deadlines if requested by THDA:

Table 16-1: Schedule of Evaluation Notices and Deadlines	
Evaluation Notice	Deadline for Response

2. Certificate of substantial completion issued by the architect; and
3. Certificate of Occupancy for each building (if not required, applicable local official must submit a letter verifying this information), and
4. Final Draw Package.

E. Final Construction Inspection

Once construction is 100% complete, all documents have been submitted in THOMAS, and all threshold requirements in the QAP and items selected for points in the Initial Application are complete, a final construction inspection shall be conducted to determine compliance with THDA requirements and UPCS.

Section 17: Final or Placed in Service Process

A. Timeframes for Final Application Submission

After all units in a development are placed in service, the completion of construction documentation shall be submitted into THOMAS. THDA will then schedule the final construction inspection referenced in Section 16-E.

B. THOMAS Final Application Submission Requirements

Following notice from THDA regarding a satisfactory final construction inspection, a Final Application may be submitted through THOMAS. THDA maintains an open cycle for the submission of Final Applications in THOMAS. The Final Application must be entered into THOMAS with required supporting documents. The THOMAS User Manual contains more information on the Final Application requirements and documents.

C. Final Application Review Process

During the review of the Final Application, THDA will issue Evaluation Notices that may request additional documentation and/or information for purposes of clarification of eligibility, scoring and financial feasibility. Evaluation Notices will be issued in the following manner:

Table 17-1: Schedule of Evaluation Notices and Deadlines	
Evaluation Notice	Deadline for Response
1	5 business days
2	2 business days
Final	1 business day

THDA will not issue IRS Form(s) 8609 if all conditions contained in Evaluation Notices are not fully satisfied. The deadline specified in the final Evaluation Notice is the date upon which Housing Credit may be recaptured by THDA if the conditions related to the deadline are not met. Upon notification, the Housing Credit referred to in the Carryover Allocation Agreement are not available for the development and will be made available to other qualified developments.

D. Final Allocation of Housing Credit

THDA will make a final allocation of Housing Credit and will issue IRS Form(s) 8609 after satisfactory review of the Final Application and supporting documents are completed. **The amount of Housing Credit allocated to a development at placed in service may be less than, but will not be more than, the amount reserved in the Reservation Notice or the amount allocated in the Carryover Allocation Agreement. THDA reserves the right to make downward adjustments to the final amount of Housing Credit allocated based on the information submitted, QAP requirements, and Section 42 requirements.**

E. Submission of Permanent Financing Documents

1. THDA must receive a copy of the promissory note and recorded deed of trust for permanent financing of the development in THOMAS within sixty (60) days of the date of recording of the deed of trust. Failure to provide such documentation shall be deemed an event of noncompliance. THDA reserves the right to issue revised IRS Form(s) 8609 following receipt of the promissory note and recorded deed of trust if the terms of the promissory note or deed of trust vary from the terms specified in the Final Application.

Section 18: Compliance and Development Stabilization Process

The following compliance monitoring procedures and requirements apply to all buildings placed in service in Tennessee:

- A. Each year, during the term of the LURC, Owners shall certify, under penalty of perjury, by the deadline established by THDA, that, for all times during the prior calendar year, all of the following were true (“Owner’s Annual Certification of Compliance”):
1. The Housing Credit development met the minimum election set-aside requirements of the appropriately selected test (i.e. 40/60 Test, 20/50 Test, or 60 Percent Income Averaging Test) consistent with the irrevocable election made at the time of the Initial Application under the relevant QAP;
 2. There was no change in the applicable fraction of any building in the Housing Credit development or that there was a change and a description, satisfactory to THDA, of that change;
 3. The Owner’s files contain annual Household Income Certifications from each low-income household and documentation to support that certification at initial occupancy and at each subsequent year during the term of the LURC;
 4. Proper approval for the applicable utility allowances used to determine rent as outlined in 26 C.F.R. Section 1.42-10 and THDA policy.
 5. All units in the Housing Credit development were for use by the general public;

Section 19: Noncompetitive Housing Credit Allocated to Developments Financed with Tax Exempt Bonds

A. Allocation Requirements

Developments financed with tax-exempt bonds issued as a result of an award of MTBA may be eligible for allocations of Noncompetitive Housing Credit outside of the competitive process described in this QAP. These developments must meet the following conditions:

1. Applicants applying for Noncompetitive Housing Credit and MTBA must demonstrate that a minimum of 50% of the outstanding principal amount of tax-exempt bonds originally issued using an award of MTBA remain outstanding as of the placed in service date for the development. On that date, the outstanding principal amount of tax-exempt bonds originally issued using an award of MTBA must meet the requirements of Section 42(h)(4). Either bond counsel or a certified public accountant licensed in Tennessee must certify to THDA that this financing requirement is met.
2. Applicants applying for MTBA in THOMAS are deemed to be simultaneously applying for Noncompetitive Housing Credit in THOMAS. THDA will determine the amount of Noncompetitive Housing Credit to be allocated and will issue a Firm 42(m) Letter or a Conditional 42(m) Letter. In determining the initial amount of Noncompetitive Housing Credit to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application as determined to be reasonable by THDA. Allocations are subject to Section 42(m)(2) and this QAP. Any allocation of Noncompetitive Housing Credit will not count against the limits on Housing Credit by county, developer and related parties as specified in this QAP.
3. Applicants applying for MTBA and Noncompetitive Housing Credit are subject to the requirements in the 2021 MTBA Program Description and in this Section 19.
4. In addition, applicants applying for MTBA and Noncompetitive Housing Credit are subject to all applicable requirements of this QAP as determined by THDA, including, without limitation, determinations of eligibility as described in Section 1 of this QAP, fees described in Section 5 of this QAP, the construction review process requirements found in Section 16 of this QAP, the compliance requirements found in Section 18 of this QAP, and the application procedures found in Sections 4, 17, and 18 of this QAP.
5. If an Initial Application for Competitive Housing Credit and an application for MTBA and Noncompetitive Housing Credit for the same development is submitted, the Initial Application for Competitive Housing Credit will be deemed ineligible for further consideration, see Section 12 of the 2021 MTBA Program Description.

B. Development Limits

The maximum amount of annual Noncompetitive Housing Credit that may be allocated to a single development is three million dollars (\$3,000,000). In making this determination, THDA will consider the physical location of the development; the relationships among owners, developers, management agents, and other Development Team members; the structure of financing; and any other information which might clarify whether applications reflect a single development or multiple developments.

An applicant may submit a written request for an exception to the maximum Noncompetitive Housing Credit limit. The written request must include sufficient supporting documentation and information to substantiate the additional Noncompetitive Housing Credit as determined by THDA, in its sole discretion. Only one (1) written request for an exception to the maximum Noncompetitive Housing Credit limit per application may be submitted. If an exception to the amount of MTBA that may be awarded is also needed, then both exceptions must be included in one request. Multiple requests will not be considered.

C. Total Development Cost Limits

Total Development Cost limits as specified in Table 3–2 in Section 3–G of this QAP will be applied to all proposed developments requesting Noncompetitive Housing Credits at the time of Initial Application. The cost of issuance and any deferred portion of the developer fee over 15% will be excluded from these costs.
