

# Instructions for 2023 Utility Allowances

For 2023, each county consists of one 5-page file. Each page corresponds to one of the four different unit types plus an Energy Star certified Larger Apartment Bldg. (5+ units). When determining the utility allowance, choose the appropriate page that corresponds to your unit type. Contact THDA if utility allowances are needed for units with more than 5 bedrooms.

Please denote that for 2023 pdfs, we use a version that matches the actual HUD 52667 form to estimate allowances, but not the actual form. The actual form for this year can be found [here](#). Two lines are missing in these pdfs: Water Heating by Electric – Heat Pump and Heating – Other. Please reference the methodology document for more details.
