PART I: ALL ALLOCATIONS

Section 1: Introduction and Disclaimers

The Tennessee Housing Development Agency (“THDA”) administers the Low–Income Housing Tax Credit program in Tennessee. The Low–Income Housing Tax Credit (“Housing Credit”) program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended (“Section 42”), to encourage the construction and rehabilitation of rental housing for low–income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan (“QAP”) to define the process by which it will allocate an annual amount of Housing Credit in Tennessee.

This QAP contains uniform resource locators to resources utilized by THDA in the application process, such as the Tennessee Growth Policy Act, Multifamily Tax Subsidy Project Income Limits, Qualified Census Tracts, designations of Difficult to Develop Areas, Fair Housing Act requirements, etc. “**Attachments**” are forms or documents, which must be submitted in the Tennessee Housing Online Management Administration System (“THOMAS”) as part of the Initial Application.

All QAP requirements, Initial Application requirements, and Code requirements must be met. These requirements include, without limitation, all applicable requirements of the THOMAS User Manual and use of all applicable forms and templates from the THOMAS Documents Page.

This QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

When this QAP calls for some THDA action, including but not limited to a determination, adjustment, review, evaluation, or exercise of discretion, all such actions will be at THDA’s sole discretion, whether specifically so stated or not.

No person or entity who submits an Initial Application has any right to an allocation of Housing Credit under this QAP based solely on the score assigned to their Initial Application. THDA decisions are final.

The QAP as Public Policy

The policy surrounding this QAP is to use the Housing Credit allocated to Tennessee to create, maintain, and preserve affordable rental housing for low–income households. Specific objectives of this QAP are to:

- A. Make rental units affordable, in the areas of greatest need, to households with as low an income as possible and for the longest time period possible;
- B. Encourage development of appropriate housing units for persons with special needs, including individuals who are older persons, homeless, or have a disability;
- C. Allocate only the minimum amount of Housing Credit necessary to make a development financially feasible and viable throughout the credit period;
- D. Encourage Qualified Nonprofit Organizations to develop rental housing for low–income households;
- E. Encourage fair distribution of Housing Credit among counties and developers; and
- F. Allocate Housing Credit fairly.

Amendments

THDA may amend any part of this QAP following public notice and approval by the THDA Board of Directors. Such amendment is expressly permitted by this QAP, and the making of such amendment will not require further public hearings or approval by the Governor. THDA, in accordance with Section 42, may impose additional requirements in order to fulfill the objectives of its housing initiatives.

Site Changes

A request for a Site change will only be considered if the original allocation of Housing Credit is returned and a new allocation of Housing Credit is made pursuant to Section 42(m)(1)(A)(iv) of the Code.

Document Review

THDA will review and evaluate only those materials submitted in compliance with the requirements of this QAP. THDA is not responsible for missing, inaccurate, or incomplete documentation. THDA will not evaluate any materials submitted outside the deadlines for submission of such materials and will assume no obligation to request additional information from Applicants for any purpose.

THDA may require additional information and/or documentation if THDA determines that additional information is necessary for clarification and/or explanation. THDA's review of documents submitted with any Initial Application, including Initial Applications or documents submitted in connection with Housing Credit reserved or allocated under this QAP, is for THDA's own purposes and is not for the purpose of advising, certifying, representing, or warranting to others as to the feasibility or viability of any proposed development.

Adverse Action by Local Jurisdiction

If, following the allocation of Housing Credit to a proposed development, the local jurisdiction in which the proposed development is located takes action that THDA, in its sole discretion, determines to be for the primary purpose of preventing the proposed development from satisfying applicable program requirements, THDA may lower the amount of Housing Credit available to that jurisdiction in future Qualified Allocation Plans. Examples include, without limitation, "downzoning", action regarding utilities or utility connections, action regarding required public roads, or action to prevent issuance of Certificates of Occupancy.

No THDA Liability

No member, officer, agent, or employee of THDA shall have any personal liability with respect to any matters arising out of, or in relation to, this QAP, Housing Credit reserved or allocated under this QAP, or the monitoring of Housing Credit Developments.

THDA makes no representations or warranties to applicants, developers, owners, or anyone else as to compliance with Section 42, Treasury regulations, or any other laws or regulations applying to Housing Credit or Housing Credit Developments, or as to the feasibility or viability of any proposed Housing Credit Development.

Enforcement

In the event THDA seeks enforcement of any matter connected with any reservation, allocation, or monitoring of Housing Credit, or any other matter connected with Housing Credit, THDA shall be entitled to recover all damages, costs, expenses and fees, including without limitation, all court costs, all legal fees and expenses, and all staff time, from any party connected to or with any Housing Credit Development.

False Statements

- A. Tennessee Code Annotated, Section 13-23-133, makes it a Class E felony for any person to knowingly make, utter, or publish a false statement of substance or aid or abet another person in making, uttering, or publishing a false statement of substance for the purpose of influencing THDA to allow participation in the Housing Credit Program. Any and all statements contained in any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications, submitted to THDA in connection with any Initial Application, subsequent applications or in connection with Housing Credit reserved, allocated or monitored for compliance under this QAP or otherwise made by an Applicant or other person connected in any way with Housing Credit reserved, allocated or monitored for compliance under this QAP are statements of substance made for the purpose of influencing THDA to allow participation in the Housing Credit Program.

- B. By submitting any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications to THDA in an effort to obtain or maintain Housing Credit, the Applicant and all parties connected with the development proposed in the Initial Application acknowledge and agree (1) they are entering into a contract with THDA; and (2) they intend for THDA to rely on and seek enforcement of all selections or statements (written or oral) made with respect to any reservation, allocation or monitoring of Housing Credit by any and all means available, including, without limitation, specific performance; and (3) they are knowingly making, uttering or publishing or aiding and abetting others in making, uttering or publishing statements of substance for the purpose of influencing THDA to allow participation in the Housing Credit program.

Section 5: Development Team Members and Eligibility Thresholds

THDA prefers Development Teams that have successful experience in Tennessee with the THDA Housing Credit Program. Such experience is evidenced by successful construction, rehabilitation, and placing in service of a recent Housing Credit Development, maintaining a good track record in the on-going operations of the Housing Credit Development, and providing the capacity to sustain the Housing Credit Development in the ever changing regulatory and rental market. Consequently, an Initial Application for Housing Credit is ineligible under this QAP when any member of the Development Team or any individual who is identified in the Initial Application as a member of the Development Team have, with respect to any prior Housing Credit Development, incurred and failed to cure any and all major SAE(s) that have been identified since January 1, 2020 or are otherwise ineligible based on any other event listed under Other Ineligibility (below) as of the Initial Application date.

A. Major SAEs

Major SAEs include, without limitation, situations in which any individual involved in the Initial Application was part of a prior Housing Credit Development to which any of the following apply:

1. The general partner/managing member/sole stockholder being removed from the ownership entity of a prior Housing Credit Development;
2. Returning credits due to the development not being able to meet its targeted placed-in-service deadline and requesting THDA to approve and make an Exchange of Credit Allocation. (No Major SAE will be imposed when THDA determines that an Exchange was necessitated by circumstances beyond the Applicant's anticipation or control);
3. An uncured event of default under the Section 1602 or Tax Credit Assistance Program;
4. A Fair Housing Act violation, which resulted in a finding of discrimination by an adverse final decision from HUD, an equivalent state or local fair housing agency, or a federal or state court;
5. The Housing Credit Development was foreclosed, where such foreclosure occurred after December 31, 2020, including a deed in lieu of foreclosure;
6. Submitting to the IRS an IRS Form 8609 that was not created by THDA in an effort to claim Housing Credit or submitting to the IRS an IRS Form 8609 which has been altered or contains information inconsistent with the IRS Form 8609 created by THDA in an effort to claim Housing Credit; or
7. Failure to meet the federal placed-in-service deadline for a development that received Competitive or Noncompetitive Housing Credit.

B. Other Ineligibility

Housing Credit Initial Applications are ineligible if any of the following apply:

1. Any individual involved in the Initial Application has any one of the following:
 - a. A felony conviction of any type on or after January 1, 2015; or
 - b. A fine, suspension, or debarment involving financial or housing activities on or after January 1, 2020, imposed by any federal agency; or
 - c. A current bankruptcy or a bankruptcy discharged on or after January 1, 2021, or any organization or entity in which the individual had significant control currently is in bankruptcy or had a bankruptcy discharged on or after January 1, 2021; or
 - d. Individual bankruptcy of a member of the board of directors of an entity that is, or is wholly controlled by, a government entity will not be grounds for ineligibility provided that the individual certifies that he/she will not have substantial decision-making authority with regard to the proposed development; or
 - e. Any suspensions of required state licenses (Tennessee or any other state) on or after January 1, 2015.

2. An individual who is a member of the Development Team identified in the Initial Application and who is involved with another Housing Credit Development in Tennessee that has participated in the Qualified Contract Process since January 1, 2023.
3. An individual who is a member of the Development Team identified in the Initial Application and who is involved with a pre-2025 Housing Credit Development with a first allocation of Competitive Housing Credit in Tennessee; prior to THDA issuing IRS Form(s) 8609 for that development.
4. An individual who is a member of the Development Team identified in the Initial Application, where such individual was involved in an application that received a commitment of MTBA during 2024, but such MTBA bonds were not issued and sold by the expiration date (original or extended) of the MTBA Firm Commitment Letter and the MTBA Firm Commitment Letter was not released as described in Section 10-H of the 2024 MTBA Program Description.
5. If any of the following are true regarding an individual who is a member of the Development Team identified in the Initial Application for any development receiving an allocation of Housing Credit after December 31, 2014:
 - a. They were involved in a pre-2025 Housing Credit Development with an accepted Reservation Notice, but the proposed Housing Credit Development failed to meet the federal allocation timeframes and did not obtain a Carryover Allocation Agreement; or
 - b. They were involved in a pre-2025 Housing Credit Development with a fully executed Carryover Allocation Agreement, but the proposed Housing Credit Development failed to meet the federal allocation timeframes and did not obtain IRS Form(s) 8609; or
 - c. They were involved in a pre-2025 Housing Credit Development for which THDA issued IRS Form(s) 8609, but the Housing Credit Development failed to meet the minimum set-aside test for low-income tenants as specified in the LURC by the end of the first year of the Credit Period; or
 - d. They were involved in a pre-2025 Housing Credit Development that THDA determined to be in violation of the requirements of the applicable QAP regarding developer or related party issues; or
 - e. They were involved in a pre-2025 Housing Credit Development that involved a “broker” who did not remain involved in the Initial Application through the closing of permanent financing for the Housing Credit Development; or
 - f. They were involved in a pre-2025 Housing Credit Development that did not meet the requirements of the applicable QAP regarding submission of permanent financing documentation to THDA; or
 - g. They were involved in a pre-2025 Housing Credit Development that involved a “consultant” who was determined to be a signatory of construction financing, permanent financing or equity syndications documents or provided a guaranty in connection with construction financing, permanent financing or equity syndication; or
 - h. They were involved in a pre-2025 MTBA Application that received a firm commitment of bond authority but failed to meet the established deadline for issuance and sale of the bonds. Voluntary withdrawal of a Multifamily Tax Exempt Bond Authority Application in accordance with all applicable program requirements will not cause ineligibility; or
6. The Initial Application is deemed ineligible pursuant to any other provisions of this QAP.
7. An individual involved in the Initial Application was involved with another Housing Credit Development at the time the development was placed in “No Further Monitoring” status by THDA and the project remains in “No Further Monitoring” Status. “No Further Monitoring Status” was a status attributed to Housing Credit Developments that are outside of the Section 42 defined Compliance Period that failed to respond to and/or cure notices for monitoring reviews, submit annual compliance reports, or comply with program requirements for 180 days from the date THDA provided the notice of noncompliance. Ineligibility hereunder continues until the noncompliance is cured or the LURC expires.

8. There is pending or threatened litigation with regard to (i) an entity or individual that is involved in the Initial Application; (ii) an entity or individual that will be involved in the Ownership Entity; or (iii) any other aspect of the proposed project, where THDA determines that the existence of such could be detrimental to the success or feasibility of the project. This does not include cases merely arising from opposition to the development of the Project.

C. Requests for Relief

If an Initial Application is submitted and one or more uncured SAEs is attributable to an individual involved with such application, the Initial Application is subject to disqualification at the determination of the Executive Director, who shall notify the THDA Board of Directors of such action. The THDA Board of Directors retains the authority to revisit such determination.

D. Minor SAEs

Minor SAEs are events that, cumulatively, may affect the eligibility of an Initial Application. Multiple Minor SAEs indicate consistent problems and poor performance in Housing Credit Developments in which members of the Development Team are involved.

Effective January 1, 2020, THDA will track Minor SAEs as they occur in the development and ongoing operations of Housing Credit Developments by Development Team and by individuals identified as members of the relevant Development Team.

As THDA becomes aware of Minor SAEs, THDA will notify the Development Team. The Minor SAE(s) reflected in the notice may or may not be curable. **Cured** Minor SAE(s) under this section reflected in an Evaluation Notice may impact Initial Application scoring for a period of time beginning with the effective date of the notice and ending **the later of:** (i) two years after the effective date of the notice (as applicable) or (ii) when the Minor SAE is cured. **Incurable or uncured** Minor SAE(s) under this section reflected in a notice may impact Initial Application scoring for a period of time beginning with the effective date of the notice and ending two years or five years after the effective date of the notice (as applicable).

Minor SAEs will be counted relative to the Development Team, not individual members. The cumulative total of Minor SAEs will determine the Development Team Track Record points.

Minor SAEs include, without limitation, any of the following that occur with respect to any Housing Credit Development in Tennessee:

1.
 - a. Defaulting on loan payments, unpaid property taxes, or having arrearages of at least three months on any loan for any Housing Credit Development; unpaid property taxes will not constitute a Minor SAE if acceptable evidence of active appeal is provided.

Upon notification, the Housing Credit referred to in the Carryover Allocation Agreement or Section 42(m) Letter are not available for the development and will be made available to other qualified developments.

D. Final Allocation of Housing Credit

THDA will make a final allocation of Housing Credit and will issue IRS Form(s) 8609 after satisfactory review of the Final Application and supporting documents are completed. **The amount of Housing Credit allocated to a development at placed in service may be less than, but will not be more than, the amount reserved in the Reservation Notice, or the amount referenced in the Section 42(m) Letter, or the amount allocated in the Carryover Allocation Agreement. THDA reserves the right to make downward adjustments to the final amount of Housing Credit allocated based on the information submitted, OAP requirements, and Section 42 requirements.**

E. Timely Return of Signed 8609s

Owner must submit its executed 8609s to THDA within 30 calendar days after its first-year tax returns are due to the IRS.

F. Submission of Permanent Financing Documents

THDA must receive a copy of the promissory note and recorded deed of trust for permanent financing of the development in THOMAS within sixty (60) days of the date of recording of the deed of trust. Failure to provide such documentation shall be deemed an event of noncompliance. THDA reserves the right to issue revised IRS Form(s) 8609 following receipt of the promissory note and recorded deed of trust if the terms of the promissory note or deed of trust vary from the terms specified in the Final Application.

Section 10: Compliance Requirements and Monitoring Process

The following compliance requirements and monitoring process apply to all buildings placed in service in Tennessee under this QAP. Owners are responsible for complying or ensuring compliance of the Housing Credit Development with Section 42, relevant regulations, the LURC, and the applicable QAP throughout the term of the LURC. THDA's obligation to monitor the compliance of such does not make THDA or the State of Tennessee liable for an Owner's noncompliance. THDA carries out its monitoring responsibilities in accordance with Section 42, relevant regulations, the applicable QAP and Initial Application submitted thereunder, and the LURC. THDA also relies on guidance from the IRS, including Revenue Procedures, Revenue Rulings, and other similar guidance. The requirements under this Section may be modified as federally required.

- A. Owner's Annual Certification of Compliance ("OAC"). Each year, during the term of the LURC, Owners shall certify, under penalty of perjury, by the deadline established by THDA, that, for all times during the prior calendar year, that the Housing Credit Development was in compliance with Section 42, relevant regulations, the Initial Application, the LURC, and the applicable QAP(s) and that all of the following were true. If the Owner cannot certify to one or more of the above items, a detailed explanation of the situation must be provided to THDA with the OAC.
 1. The units were leased according to the Owner's THDA-approved Affirmatively Furthering Fair Housing ("AFFH") Marketing Plan. All Owners must certify at Initial Application to affirmatively further fair housing through an AFFH Marketing plan, provide the AFFH Marketing Plan as part of the Carryover Allocation Application, and revise it yearly, as needed. The AFFH Marketing Plan must include:
 - a. Owner's analysis to understand the development's housing market demographics for the area;
 - b. Identified impediments to fair housing choice within such area and underserved populations or populations that are least likely to apply to live in the development;
 - c. Marketing efforts Owner has developed to take appropriate actions to overcome the effects of any identified impediments to ensure a diverse applicant pool and resident population. Such marketing efforts should be beyond usual methods of advertising; and
 - d. Owner's plan to maintain records reflecting the analysis and actions under the Affirmative Fair Housing Marketing Plan. The following resources may assist in the development of an Affirmative Fair Housing Marketing Plan:
 - (i) 24 CFR Part 200 Subpart M -- Affirmative Fair Housing Marketing Regulations
 - (ii) <https://www.irs.gov/pub/irs-drop/rr-16-29.pdf>
 - (iii) <https://public-inspection.federalregister.gov/2021-12114.pdf>
 - (iv) 935-2A.PDF (hud.gov)
 2. There were no findings of discrimination under the Fair Housing Act, 42 U.S.C. 3601–3619 for the Housing Credit Development;
 3. The Housing Credit Development met the minimum election set-aside requirements of the appropriately selected test (i.e. 40/60 Test, 20/50 Test, or Average Income Test) consistent with the irrevocable election made at the time of the Initial Application under the relevant QAP;
 4. There was no change in the applicable fraction of any building in the Housing Credit Development or that there was a change and a description, satisfactory to THDA, of that change;
 5. The Owner's files contain annual Household Income Certifications from each low-income household and documentation to support that certification at initial occupancy and at each subsequent year during the term of the LURC;
 6. Proper approval for the applicable utility allowances used to determine rent as outlined in Paragraph M of this Section.

7. THDA's restrictions on rent increases were followed. An Owner may only raise a tenant's amount of rent:
 - a. At lease renewal with a 90-day notice; or
 - b. Mid-lease term, if the HUD-published income limits would raise the amount of rent an Owner is allowed to charge. However, the (i) the lease must allow for such increase mid-term (ii) the tenant must be given a 90-day notice, and (iii) the tenant must be given the opportunity to break the lease and relocate if the household does not agree to the increase in rent.
8. All units in the Housing Credit Development were for use by the general public;
9. Each building in the Housing Credit Development is suitable for occupancy, taking into account NSPIRE standard and local health, safety, and building codes (or other habitability standards) and the state or local government unit responsible for making local, health, safety, or building code inspections did not issue a violation report for any building or low-income unit in the development;
10. There has been no change in the eligible basis of any building in the Housing Credit Development or, if there was a change, the nature of the change;
11. All resident facilities included in the eligible basis of any building in the Housing Credit Development, such as a swimming pool, other recreational facilities, and parking areas, were provided on a comparable basis, without charge, to all residents of the Housing Credit Development;
12. If a low-income unit became vacant during the year, reasonable attempts were made to rent that unit or the next available unit of comparable or smaller size to households having a qualifying income before any units in the Housing Credit Development were rented to households not having a qualifying income and while the unit was vacant, no units of comparable or smaller size were rented to households not having a qualifying income;
13. If the income of a household occupying a low-income unit in the Housing Credit Development increased above the applicable income limit, the next available unit of a comparable or smaller size was rented to a household having a qualifying income;
14. A LURC was in effect, and included a provision that an Owner cannot refuse to lease a unit in the Housing Credit Development to an applicant because the applicant holds a voucher under Section 8 of the United States Housing Act of 1937, 42 U.S.C. 1437f;
15. All low-income units in the Housing Credit Development were used on a non-transient basis, meaning the initial lease term was at least six (6) months, except for transitional housing for the homeless or single-room occupant units rented on a month-by-month basis;
16. If the Owner received Housing Credit from the Non-Profit Set-Aside, the Qualified Non-profit Organization" materially participated (regular, continuous and substantial on-site involvement) in the on-going operation of the development; and
17. All requirements associated with items for which points were taken at the time of Initial Application were met.
18. All required Tenant Notices were provided.
 - a. Owners shall notify every tenant household that if the LURC is terminated due to foreclosure or a qualified contract that, for a period of three years, beginning on the date of the termination, (i) eviction or termination of the tenancy of an existing tenant is prohibited, other than for good cause and (ii) increase in the gross rent is prohibited, except in accordance with Section 42(g); and
 - b. If the LURC is expiring naturally, Owners shall notify tenants of the upcoming expiration one (1) year before such expiration.
19. Owner listed all vacancies for every property they own that receives any type of THDA funding at TNHousingSearch.com.

- B. Physical Reviews and Desk Reviews.
 - 1. THDA must conduct physical, on-site inspections of all buildings in a Housing Credit Development (“Physical Reviews”) and must conduct desk reviews of the low-income certification files of a Housing Credit Development (“Desk Review”) by the end of the second calendar year following the year the last building in a Project is placed in service and then at least once every 3 years thereafter.
 - 2. For each Housing Credit Development that is due to be reviewed in a particular year, THDA must conduct physical reviews for 20% of the low-income units in the Housing Credit Development, rounded up to the nearest whole number of units or the Minimum Unit Sample Size set for Housing Credit Development that is due to be reviewed in a particular year, THDA must also conduct desk reviews for an additional 20% of the low-income units in the Housing Credit Development, rounded up to the nearest whole number of units or the Minimum Unit Sample Size set forth in the table to 26 CFR 1.42-5(c)(2)(iii), whichever is less.
 - 3. The Physical Reviews and Desk Reviews could be conducted on different units and may be conducted on different days or times.
 - 4. Desk Reviews may be performed at THDA’s offices.
 - 5. Owners must have a provision in each lease that allows 24-hour notice to tenants of an upcoming THDA inspection. If an Owner fails to timely notify tenants of an upcoming physical inspection, the inspection must be rescheduled and Owner shall pay a Compliance Reinspection Fee.
- C. Owners shall submit the OAC and required tenant data submission for the Desk Review via THOMAS or THDA’s online system within the timeframe specified by THDA. The Owner must designate an Administrator in THOMAS. This Administrator must be an individual approved by THDA within the Organization Structure and may not be an outside individual.
- D. THDA will provide prompt written notice to an Owner if any of the following occur:
 - 1. THDA does not receive the OAC by the specified deadline.
 - 2. THDA does not receive or is not permitted to inspect household income certifications, supporting documentation, or rent records.
 - 3. THDA does not receive executed 8609s within 30 calendar days of the Owner’s deadline to file its first-year tax return.
 - 4. THDA discovers by inspection, review or in some other manner that the Housing Credit Development is not in compliance with Section 42, the relevant regulations, the LURC, or the applicable QAP.
- E. Owners shall pay fees, as determined by THDA, to cover the administrative expenses of monitoring compliance and other expenses incurred in carrying out its duties as the Housing Credit Agency, including but not limited to, reasonable fees for legal and professional services.
- F. Owners have thirty (30) days to provide missing documentation or to correct noncompliance (the “Correction Period”). The Correction Period begins on the date of THDA’s written notice to the Owner specifying the missing documentation or the noncompliance via regular mail or via e-mailed to the address specified for the Owner or Owner’s contact in the files held by THDA. The Correction Period may be extended up to an additional 150 days for a total Correction Period not to exceed six (6) months upon a showing of good cause by the Owner, all as determined by THDA in its sole discretion. Notwithstanding the foregoing, THDA will not grant extensions for items that are immediate health and safety issues.
- G. Owners must mitigate all emergency health and safety items immediately and file a written report and documentation with THDA proving the items have been mitigated. Owners must provide the

report and documentation of the action taken to complete the mitigation within 3 business days of the emergency instance (the “Health and Safety Correction Period”).

- H. THDA will file an IRS Form 8823, Low–Income Housing Credit Agencies Report of Noncompliance, with the IRS to show noncompliance or failure to certify compliance no later than 45 days after the end of the Correction Period and no earlier than the end of the Correction Period, whether or not the noncompliance or failure to certify compliance is corrected.
- I. THDA has the right to inspect any Housing Credit Development at any time during the term of the LURC, including, but not limited to, on–site inspections and review of all records relating to compliance with, without limitation, Section 42 requirements, Treasury regulations, the applicable QAP, and the LURC. Owner shall promptly deliver copies of household certifications and supporting documentation as may be required by THDA.
- J. Owners shall submit, not less than annually during the term of the LURC, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under Section 8(o) of the United States Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of households residing in the development in a form, with substance, and with timing as THDA may require.
- K. Property Management Certification. Every property management team, whether Owner-managed or not, must receive and maintain a current, valid, certification through the THDA Property Management Compliance Certification Program for the term of the LURC. More information is available here: <https://thda.org/rental-housing-partners/multi-family-developers/housing-credit-compliance>.
- L. Compliance Training for Owners.
 - 1. For Housing Credit Developments involving new construction, Owners and the management entity shall send attendees (at least one representative per entity) to the Owner’s compliance training sessions provided by THDA within the 12 months prior to the issuance of the IRS Form 8609. Only attendees who are listed on the Organization Chart submitted in THOMAS or who are employees of the Owner may meet this requirement.
 - 2. For Housing Credit Developments involving rehabilitation, Owners and the management entities shall send attendees to the Owner’s compliance training sessions provided by THDA prior to the placed-in-service date for the development. Only attendees who are listed on the Organization Chart submitted in THOMAS or who are employees of the Owner may meet this requirement.
 - 3. If there is a change in the ownership entity during the term of the LURC, then the new Owner and management entity shall send attendees to the Owner’s compliance training session as scheduled and provided by THDA. Only attendees who are listed on the Organization Chart submitted in THOMAS or who are employees of the Owner may meet this requirement.
- M. Determination of Utility Allowance. Utility Allowances must be determined in accordance with Treasury Regulation 1.42-10.
 - 1. If the cost of any utility (other than telephone, cable television, or Internet) for a residential rental unit is paid directly by the tenant(s), and not by or through the Owner of the Housing Credit Development, the gross rent for that unit includes the applicable utility allowance determined in accordance with 1.42-10. For purposes of the preceding sentence, if the cost of a particular utility for a residential unit is paid pursuant to an actual-consumption submetering

- arrangement within the meaning of paragraph (e)(1) of 1.42-10, then that cost is treated as being paid directly by the tenant(s) and not by or through the Owner.
2. All Utility Allowances must be rounded up to the nearest whole dollar amount.
 3. Mandatory Utility Allowance Methodologies.
 - a. Rural Housing Service (“RHS”) Assisted Building. If a building receives assistance from the RHS, the applicable utility allowance for all rent-restricted units in the building is the utility allowance determined under the method prescribed by RHS for the building (whether or not the building or its tenants also receive other state or federal assistance).
 - b. Buildings with RHS Assisted Tenants. If any tenant in a building receives RHS rental assistance payments (RHS tenant assistance), the applicable utility allowance for all rent-restricted units in the building (including any units occupied by tenants receiving rental assistance payments from HUD) is the applicable RHS utility allowance.
 - c. Buildings Regulated by HUD. If neither a building nor any tenant in the building receives RHS housing assistance, and the rents and utility allowances of the building are regulated by HUD (HUD-regulated buildings), the applicable utility allowance for all rent-restricted units in the building is the applicable HUD utility allowance.
 - d. Tenants Receiving HUD Rental Assistance. If a [building](#) is neither an RHS-assisted nor a HUD-regulated [building](#), and no tenant in the [building](#) receives RHS tenant assistance, the applicable utility [allowance](#) for any rent-restricted units occupied by tenants receiving HUD rental assistance [payments](#) (HUD tenant assistance) is the applicable [Public](#) Housing Authority (“PHA”) utility [allowance](#) established for the Section 8 Existing Housing Program.
 4. Elective Utility Allowance Methodologies. If none of the above situations apply, an Owner may request to utilize one of the following utility allowance methodologies, however, a **\$200 fee will be charged** to cover THDA’s review for such requests, except for the Applicable PHA Utility Allowance Methodology. Each request must include a cover letter that identifies the development name, TN Number, method requested for each type of utility, and number of units categorized by the type of unit (apartment, townhome, etc.), bedroom sizes (1 bedroom, 2 bedrooms, etc.), square footage of the applicable units, and, if applicable, the proposed estimated rates for those units per type of utility (electric, gas, water, sewer, trash). All required documents must be sent to TNCCompliance@thda.org. No elective methodology, other than the Applicable PHA Utility Allowance, may be elected until at least twelve (12) months’ worth of actual consumption data is available.
 - a. Applicable PHA Utility Allowance. The PHA utility allowance from the local housing authority that administers Section 8 vouchers for the area in which the Housing Credit Development is located. Copies of the PHA utility allowance must be uploaded to THOMAS during the application process and annually. These also may be requested during monitoring reviews. If THDA is the local PHA, the HUD Utility Schedule Model is the method utilized to calculate the estimate and can be found on THDA’s website.
 - b. Utility Company Estimate. Any interested party (including a Housing Credit Development tenant, an Owner, or THDA) may obtain a local utility company estimate for a unit, as outlined below:
 - (i) The estimate must be in writing and outline the estimated cost of that utility for a unit of similar size and construction for the geographic area in which the Housing Credit Development is located.
 - (ii) In the case of deregulated utility services, the interested party is required to obtain an estimate only from one utility company even if multiple companies can provide

the same utility service to a unit. However, the utility company must offer utility services to the building in order for that utility company's rates to be used in calculating utility allowances.

- (iii) The estimate should include all component deregulated charges for providing the utility service.
 - (iv) Unless the parties agree otherwise, costs incurred in obtaining the estimate are borne by the initiating party.
 - (v) The interested party that obtains the local utility company estimate must retain the original and furnish a copy to the Tenant, Owner, and THDA, as applicable.
 - (vi) The Owner must make copies of the estimate available to all tenants in the building.
- c. Agency Estimate.
- (i) THDA will take into account, among other things, local utility rates, property type, climate and degree-day variables by region in Tennessee, taxes and fees on utility charges, building materials, and mechanical systems.
 - (ii) An Owner must provide a completed THDA Utility Allowance Certification Form for each type of utility being considered. Such form will outline all requirements of the Owner in requesting this methodology.
- d. HUD Utility Schedule Model. A building owner may calculate a utility estimate using the “HUD Utility Schedule Model” that can be found on the Low-Income Housing Tax Credits page at <http://www.huduser.org/datasets/lihtc.html> (or successor URL). Utility rates used for the HUD Utility Schedule Model must be no older than the rates in place 60 days prior to the date Owner submits its request to THDA.
- e. Energy Consumption Model. An Owner may calculate utility estimates using an energy and water and sewage consumption and analysis model (energy consumption model).
- (i) The energy consumption model must, at a minimum, take into account specific factors including, but not limited to, unit size, building orientation, design and materials, mechanical systems, appliances, characteristics of the building location, and available historical data.
 - (ii) The utility consumption estimates must be calculated by a properly licensed engineer or other qualified professional. The qualified professional and the building Owner must not be related within the meaning of section 267(b) or 707(b). If a qualified professional is not a properly licensed engineer and if the Owner wants to utilize that qualified professional to calculate utility consumption estimates, then the Owner must obtain approval from THDA.
 - (iii) THDA may approve or disapprove of the energy consumption model or require information before permitting its use.
- f. Additional Requirements.
- (i) The twelve-month data provided to substantiate the proposed estimated utility allowance, must be no older than 60 days prior to THDA’s receipt of the request for the use of a specific methodology.
 - (ii) THDA’s receipt of a request starts a 90-day review period (the 90-day Period’). Such request must include proof that, prior to the submittal of the request to THDA, the Owner provided each tenant with notice of the same proposed estimate it provided to THDA in its request.
 - (iii) THDA will attempt to provide an approval or denial of the request within thirty (30) calendar days of its receipt of the request.

- (iv) Regardless of when THDA completes its review and provides an Owner with an approval letter, the new utility allowance must not be implemented prior to the expiration of the 90-Day Period.
 - (v) THDA may ask for additional information or require that the utility allowance be recalculated to address shortcomings. If deficiencies are identified, they must be resolved before an approval notice will be provided to the Owner.
 - (vi) If THDA's review results in a change to a utility allowance, the new utility allowance must be used to compute gross rents for the very next time rent is due under a lease and tenants must be given notice of such change in the gross rent 30 days prior to such due date.
 - (vii) The year following an approval of a methodology, the Owner shall review the basis on which the utility allowances were established and complete and submit a certification to THDA that the basis has not changed.
 - (viii) Biennially (every other year), the Owner must reapply for an elected methodology following the steps above.
5. Actual-Consumption Submetering Arrangements. Must possess all of the following attributes:
- a. The utility consumed in the unit meets one of the following:
 - (i) The utility is purchased from or through a local utility company by the Owner (or its agent or other party acting on behalf of the Owner); or
 - (ii) The utility is not purchased from or through a local utility company and is produced from a renewable source, as defined at 26 CFR 1.42-10(e)(1)(i)(C) and (D).
 - b. The tenants in the unit are billed for, and pay the Owner (or its agent or other party acting on behalf of the building owner) for, the unit's consumption of the utility.
 - c. The billed amount reflects the unit's actual consumption of the utility. In the case of sewerage charges, however, if the unit's sewerage charges are combined on the bill with water charges and the sewerage charges are determined based on the actual water consumption of the unit, then the bill is treated as reflecting the actual sewerage consumption of the unit; and
 - d. The rate at which the building owner bills for the utility satisfies the following requirements:
 - (i) To the extent that the utility consumed is described in paragraph 5.a.(i) of this section, the utility rate charged to the tenants of the unit does not exceed the rate incurred by the building owner for that utility; and
 - (ii) To the extent that the utility consumed is described in paragraph 5.a.(ii) of this section, the utility rate charged to the tenants of the unit does not exceed the highest rate that the tenants would have paid if they had obtained the utility from a local utility company. In determining whether a rate satisfies the preceding sentence, a building owner may rely on the rates published by local utility companies.
 - e. Administrative fees. If the owner charges a unit's tenants a fee for administering an actual-consumption submetering arrangement, the fee is not considered gross rent for purposes of Section 42(g)(2). The preceding sentence, however, does not apply unless the fee is computed in the same manner for every unit receiving the same submetered utility service, nor does it apply to any amount by which the aggregate monthly fee or fees for all of the unit's utilities under one or more actual-consumption submetering arrangements exceed the greater of—
 - (i) Five dollars per month;
 - (ii) An amount (if any) designated by publication in the Internal Revenue Bulletin (see § 601.601(d)(2)(ii) of Title 26, Chapter I of the Code of Federal Regulations); or
 - (iii) The lesser of— (A) The dollar amount (if any) specifically prescribed under a State or local law; or (B) A maximum amount (if any) designated by publication in the

Internal Revenue Bulletin (see § 601.601(d)(2)(ii) of Title 26, Chapter I of the Code of Federal Regulations).

- N. Record Retention. Owners shall maintain records for each qualified low income building in the Housing Credit Development for each year for the term of the LURC sufficient to meet the requirements of 26 CFR Section 1.42–5(b). Any household records or other records maintained in an electronic format must be accessible to THDA at THDA’s request.
- O. Change in Ownership Entity, General Partner, or Managing Member. In the event of a sale, transfer, or exchange of a Housing Credit Development or any change with respect to the general partner/managing member of the ownership entity (including, without limitation, sale of any or all general partner interests, removal of any general partner/managing member, or admission of any general partner/managing member), the Owner shall:
1. Obtain THDA’s permission before such action occurs;
 2. Complete THDA’s Organizational Breakdown Form;
 3. Provide a new Organizational Chart;
 4. Provide notarized THDA Disclosures Forms for every new individual added to the structure;
 5. THDA may require the proposed new Owner or proposed new general partner/managing member of the ownership entity to meet with THDA staff. This is in addition to the training requirements above;
 6. Depending on the change, attend compliance training. These requirements do not apply when a development is sold following the completion of the QCP when THDA has not identified a purchaser; and
 7. If the change is a change in the Ownership Entity, execute and record an Assignment & Assumption Agreement for the LURC (and all loan documents for TCAP and 1602).
- P. VAWA. The Violence Against Women Reauthorization Act of 2013 (“VAWA”) added the Housing Credit program to the housing programs covered by VAWA. Even though the act stated that nothing in the act shall be construed to disqualify an owner, manager, or other individual from participating in or receiving the benefit of the tax credit program due to noncompliance with VAWA, Owners may face other liability if the project is not in compliance. For example, a violation of VAWA arising from an eviction may violate the good cause eviction requirement or violations may put the tax credits in jeopardy as being seen as a violation of fair housing. VAWA was recently amended under The Violence Against Women Reauthorization Act of 2022. Therefore, Owners should implement the requirements of VAWA, including, but not limited to, providing Form HUD-5380 to all existing tenants, when an applicant is denied admission, when an applicant is admitted, and when a tenant receives any notice of eviction or termination of assistance.

PART II: COMPETITIVE ALLOCATIONS ONLY

Section 11: Limits on Housing Credit Allocations

THDA will only allocate an amount of Housing Credit necessary for the financial feasibility of a development and its viability as a qualified low-income housing development in accordance with Section 42(m)(2). THDA may reject or require modifications to Initial Applications for Housing Credit when THDA determines that the proposed development is not financially feasible or does not need Housing Credit. THDA may also reserve or allocate an amount of Housing Credit less than the amount requested in an Initial Application, in a Carryover Allocation Application, or in a Final Application. THDA's determination under Section 42(m)(2) shall not be construed to be a representation or warranty by THDA as to the financial feasibility, viability, or lack thereof, of any development.

A. Annual Ceiling

The methodology to determine the annual Total Credit Ceiling is contained in Section 42 (h)(3)(C).

B. Set-Asides and Available Housing Credit Amounts

1. Non-Profit Set-Aside – No less than 10% of the **Total Credit Ceiling** will be set aside for allocations to Qualified Nonprofit Organizations. THDA reserves the right to make allocations of Housing Credit to Qualified Nonprofit Organizations as needed to meet the requirements of Section 42(h)(5).
2. Economic Development Area – No more than \$5,400,000.00 of the **Total Credit Ceiling** will be allocated to developments in an Economic Development Area as described in Section 15.
3. Permanent Supportive Housing for Homeless Set-Aside – up to \$1,000,000.00 of the **Total Credit Ceiling** may be allocated to developments supporting homeless populations as described in Section 14 of this QAP.

C. General Priority Categories

1. New Construction – Up to 50% of the **Competitive Credit Ceiling** will be allocated to developments involving new construction using the regional pool methodology described in Section 20.E.4.
2. Existing Multifamily Housing – No more than 25% of the **Competitive Credit Ceiling** will be allocated to developments that include rehabilitation of Existing Multifamily Housing.
3. PHA General Priority Category – No more than 25% of the **Competitive Credit Ceiling** will be allocated to developments involving a PHA that meets the requirements of Section 17 of this QAP.

D. New Construction Regional Pools

1. THDA may allocate Housing Credit to developments proposing new construction from one of the following four regional pools:

E. Incremental Developments

The proposed new units must be located on the same parcel of land with a development that previously received an allocation of Housing Credits, share a common financing plan and use the same Development Team.

Initial Applications proposing Incremental Developments will be reviewed, evaluated, and scored based solely on the costs, characteristics, and other elements of the new housing units added. If an Incremental Development receives an allocation of competitive Housing Credit under this QAP, the development will be subject to the following limitations, based on the cumulative costs of the entire development as proposed:

1. By County
2. By Development
3. By Developer or Related Parties
4. Aggregate Qualified Census Tract
5. Total Development Cost Per Total Unit Limit
6. Second Allocation
7. Financial Feasibility
8. Developer, Consultant, Contractor, Overhead and General Requirements Fees

THDA reserves the right to determine, in its sole discretion, whether an Initial Application proposes an Incremental Development or a Phase 2 Development.

F. Annual Housing Credit Limit

1. Initial Applications are not eligible for annual Housing Credit in excess of \$1,800,000.00.

G. Developer Fees and Consultant Fees Limits

1. The combined total of Developer and Consultant fees that may be included in the determination of the amount of Housing Credit for a particular development cannot exceed 15% of that portion of THDA determined eligible basis attributable to acquisition (before the addition of the developer and consultant fees), and cannot exceed 15% of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the developer and consultant fees). Construction Advisory or Construction Supervision fees listed separately from the maximum allowed Contractor Fees will be considered as a Consultant Fee.
2. If the Developer and contractor are related persons as defined in Section 42(d)(2)(D)(iii), then the combined total of developer fees, consultant fees, and contractor profit, contractor overhead, and general requirements, that may be included in the determination of the amount of Housing Credit for a particular development, cannot exceed 15% of THDA determined eligible basis of that portion of the development attributable to acquisition (before the addition of the fees), and cannot exceed 25% of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the fees).

H. Limit on Contractor Fees, Profit, Overhead and General Requirements

1. The total contractor fees, including contractor profit, contractor overhead and general requirements, shall not exceed 14% of total site work costs plus cost of accessory buildings plus either new building hard costs or rehabilitation hard costs, as determined by THDA, broken down as follows:

Fee Description	Fee Amount
Contractor Profit	<=6 percent
Contractor Overhead	<=2 percent
Contractor General Requirements (including payment and performance bonds)	<=6 percent
Total Contractor Fees	<=14 percent

2. If the Developer and contractor are related persons as defined in Section 42(d)(2)(D)(iii), then the combined total for (i) contractor profit, overhead, and general requirements; (ii) developer fees; and (iii) consultant fees that may be included in the determination of the amount of Housing Credit for a particular development cannot exceed 15% of THDA determined eligible basis on that portion of the development attributable to acquisition (before the addition of the fees), and cannot exceed 25% of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the fees).

I. Basis Boost

A “Basis Boost” of no more than 30% will be available to all applicants and awarded at THDA’s discretion.

J. Applying Limits

In applying the limits specified in this QAP, THDA will consider, without limitation, the physical location of developments; the relationships among Owners, Developers, contractors, Consultants, management agents, other development participants, and Related Parties; the structure of financing; and any other information which THDA, in its sole discretion, may deem necessary.

Section 12: Non-Profit Set-Aside

Section 13: Economic Development Area Set-Aside

- A. The Economic Development Area (“EDA”) Set-Aside is an opportunity for applicants to apply for 9% Housing Credits for certain projects that intend to provide housing in support of and in connection with a significant targeted economic development investment made by the federal government, the state, a local government, or a private foundation.

Under the EDA Set-Aside, THDA will fund a maximum of three (3) new construction projects. If no projects are selected for funding under the EDA Set-Aside, the unused credits will be included in the Competitive Credit Ceiling and allocated consistent with the other applicable sections of the QAP.

To participate in the 2025 EDA Set-Aside, applicants must submit an EDA Set-Aside Proposal by **January 17, 2025.**

As EDA Set-Aside Proposal must intend to provide housing in support of and in connection with a significant targeted economic development investment made by the federal government, the state, a local government, or a private foundation. **Choice Neighborhood Initiative (“CNI”) proposals will be deemed to have met the threshold for a significant targeted economic development investment.**

EDA Set-Aside Proposals must meet all of the following requirements:

1. Contain no more than 10 single-sided, single-spaced pages (including any attachments and exhibits, if any) describing each of the following:
 - a. Each project team member’s track record in Housing Credit Developments and demonstrated capacity to complete financially complex Housing Credit Developments;

No more than three (3) EDA Set-Aside Proposals may be selected to submit a full Initial Application for consideration under the set-aside. **CNI proposals will receive priority consideration for application.** THDA Multifamily Programs staff may select none of the non-CNI EDA Set-Aside Proposals or they may select no more than two non-CNI EDA Set-Aside Proposals. Applicants submitting EDA Set-Aside Proposals that are not selected will not be considered further under this set-aside, but may elect to submit under another set-aside or under one of the General Priority Categories.
3. 2025 EDA Set-Aside Applicants, if any, will be notified by February 17, 2025 as to whether they are invited to submit a full Initial Application by the competitive deadline specified in the

Twinning is an opportunity for applicants to propose a hybrid 9% Housing Credit /tax-exempt bond/4% Housing Credit financing structure for certain projects. Combining 9% credit with 4% credits in certain developments will increase the number of affordable units built, create a more financially sustainable project, and reduce the amount of gap funding needed to proceed. Applicants must propose a financially feasible development and be comprised of a Development Team with the capacity, experience and performance to complete a twinned 9%/4% Housing Credit proposal.

In addition to the required application materials under THOMAS, a Twinned EDA proposal must include a narrative description of no more than 10 single-sided, single-spaced pages (including any attachments and exhibits, if any) describing each of the following:

The county–by–county total of the currently existing affordable housing units in the county, the “pipeline” competitive and noncompetitive Housing Credit units in the county, and existing USDA/RD units is available on the THOMAS Documents Page by following this link: <https://thda.org/pdf/2025-Unduplicated-Units-for-Existing-Scoring-for-Posting.pdf>

Section 20: Initial Application Eligibility and Scoring Review

A. Initial Application Review Process

1. THDA will notify each Applicant when the eligibility determination and scoring of all Initial Applications is complete. THDA will send this notice to the contact person at the address specified in the Initial Application. Failure to receive any notice specified in this QAP will not extend deadlines or modify requirements. All Applicants shall immediately notify THDA at thomas@thda.org of changes in the name and/or address of the contact or alternate person specified in the Initial Application. Such notification by the Applicant will not be deemed to be an amendment to the Initial Application.
2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the Applicant in the Initial Application, then no further action by the Applicant or THDA will be taken. Applicants shall not submit additional items for the purpose of increasing the score in a particular scoring category if the THDA assigned score for the Initial Application is the same as or higher than the score assigned by the Applicant in the Initial Application. The provisions of the Cure Period do not apply.
3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the Applicant in the Initial Application, THDA will provide a Cure Notice.
4. THDA will also provide a Cure Notice if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit; or (ii) developers or Related Parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation.
5. THDA is not responsible for identifying all items for cure. If THDA finds an item that does not meet an eligibility requirement that was not identified for cure, then that item will be evaluated as is and issued a Review Notice and the Applicant may appeal.

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this QAP, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during the cure period which shall begin on the date of the Cure Notice and shall end at the time and date specified in the Cure Notice. The Cure Notice shall specify the means and methods identified issues may be remedied. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the Applicant in the Initial Application.
2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described below is not available to Applicants who do not submit additional documentation, **in THOMAS**, in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).
3. These cure provisions **do not apply** to Initial Applications that are not submitted in accordance with the Initial Application submission requirements of this QAP.
4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into

account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the Applicant in the Initial Application, then no further action by the Applicant or THDA will be taken. The provisions of the Review Appeal Process will not apply.

5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet all of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the Applicant in the Initial Application, THDA will provide a Review Notice. The Review Notice will specify the time period within which a request for review may be made.

C. Review Appeal Process

1. Applicants who receive a Review Notice may submit a request for review. This request for review must be submitted in THOMAS in accordance with the Review Notice and the THOMAS Documents Page. If no written request for review is submitted, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.
2. No additional documentation may be submitted in connection with this request for review. No information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered. Requests for review that were not submitted in accordance with the Review Notice will not be considered.
3. The THDA Board of Directors, or a specially appointed body of its members, will meet in regular or special session in 2025 to evaluate the Initial Application, documentation submitted during the cure period, the Review Notice, the request for review and THDA staff analysis thereof (the "Review Meeting"). Applicants may not provide any further documentation for the Review, regardless of whether the Applicant or a representative thereof is present at the Review Meeting.
4. The THDA Board of Directors or its specially appointed body will consider whether documentation submitted in the Initial Application or as a result of the Cure Notice, taking into account the analysis of THDA staff, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP.
5. **Any contact with THDA Executive Director, any member of the THDA Board or its specially appointed body by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.**
6. Applicants or representatives may contact THDA Multifamily Programs staff regarding procedural matters only between the date of the Review Notice and the date of the Review Meeting, which contact will not constitute grounds for dismissal of a review request. Applicants or representatives may, but are not required to, appear at the Review Meeting. Notice of the decision of the THDA Board of Directors or its specially appointed body will be provided to the contact person specified in an Initial Applicant.
7. The final score for all Initial Applications will be determined after the Review Meeting. The THDA Board of Directors will not consider requests to review decisions. All decisions of the THDA Board of Directors or its specially appointed body are final. No matters with respect to eligibility or scoring under will be considered after the adjournment of the Review Meeting.

D. Final Scoring

After the completion of the cure period and completion of the review process, the final score for each Initial Application will be determined by THDA. The Final Notice process is described in the THOMAS Documents Page.

E. Application of Various Limits and Final Ranking Process

Following the final scoring of each Initial Application, THDA will make reservations of Housing Credit to eligible Initial Applications based on final score, the amount of Housing Credit determined by THDA to be appropriate, and the application of all requirements, priorities, and limits contained in this QAP, including as specified below, in the following order:

1. Non-Profit Set-Aside – Initial Applications must be eligible for this set-aside under Section 12 of this QAP.
 - a. Highest ranking eligible Initial Application proposing new construction.
 - b. Highest ranking eligible Initial Application proposing rehabilitation of Existing Multifamily Housing.
 - c. The next highest ranking eligible Initial Application(s) proposing new construction, if needed to reserve the full amount of the Non-Profit Set-Aside. If there are not enough Housing Credit remaining in the Non-Profit Set-Aside to reserve the full amount requested by this eligible Initial Application, additional Housing Credit will be added to this set-aside to make a full reservation.
2. Economic Development Area Set-Aside - Eligible Initial Applications as described in Section 13 of this QAP.
3. Permanent Supportive Housing for the Homeless Set-Aside – Eligible Initial Applications as described in Section 14 of this QAP.
4. New Construction Regional Pools and all remaining New Construction
 - a. All eligible New Construction Initial Applications under Section 15 of this QAP will be ranked in descending order, regardless of which regional pool they fall under in Map 11-1.
 - b. THDA will award credits as follows until insufficient credits remain to award to the next highest scoring application.
 - (i) THDA will make the first award to the highest scoring application, regardless of which regional pool it is in.
 1. Whichever regional pool this awarded application is in is ineligible for any further awards until an award has been made to each of the remaining regional pools with submitted applications.
 2. If credits remain, move to step (ii).
 - (ii) THDA will make the next award to the next highest scoring application that is not in the same regional pool as b.(i).
 1. Whichever regional pool receives this award is ineligible for any further awards until an award has been made to each of the remaining regional pools with submitted applications.
 2. If credits remain, move to step (iii).
 - (iii) THDA will make the next award to the next highest scoring application that is not in the same regional pool as b.(i) and (ii).
 1. Whichever regional pool receives this award is ineligible for any further awards until an award has been made to the remaining regional pool, if it has a submitted application.
 2. If credits remain, move to step (iv).
 - (iv) THDA will award credits to the highest scoring application in the remaining pool, if there was an application submitted in that pool.
 - (v) After credits are awarded in all pools in which an application has been submitted, the remaining applications in all pools become eligible again.
 - (vi) Repeat steps (i) through (iv) until insufficient credits remain to award the next highest scoring applications.
 - c. If the Housing Credit remaining is likely to exceed 1 percent of the total Housing Credit available for reservation, any remaining Housing Credit **may** be offered as a partial

reservation to the next highest ranking eligible Initial Application proposing new construction, taking into account all applicable priorities and limits, until the Housing Credit is accepted. Acceptance of a partial reservation according to this provision would not classify a development as an “existing” Initial Application in subsequent years, but any limitation on Housing Credit per development in subsequent years would apply to any such partial reservation.

5. Existing Multifamily Housing
 - a. Eligible Initial Applications as described in Section 16 of this QAP.
 - b. Highest ranking eligible Initial Application.
 - c. THDA will continue down the ranking of eligible Initial Applications for Existing Multifamily Housing until the last full reservation can be made. After the last full reservation is made, any remaining Housing Credit remaining will roll into New Construction.
6. PHA General Priority Category
 - a. Eligible Initial Applications as described in Section 17 of this QAP.
 - b. THDA will continue down the ranking of eligible Initial Applications in this set–aside until the last full reservation can be made. After the last full reservation is made, any remaining Housing Credit remaining will roll into Existing Multifamily Housing.

F. Tie Breaker

1. In the event of a scoring tie between two or more Initial Applications proposing new construction at the cutoff for receipt of a Reservation Notice, the tie shall be broken by giving priority to the proposed new construction development in the Initial Application requesting the least amount of Housing Credit per Housing Credit unit.

Developments financed with tax-exempt bonds issued as a result of an award of MTBA may be eligible for allocations of Noncompetitive Housing Credit outside of the competitive process described in this QAP. The annual Noncompetitive Housing Credit will be determined by THDA in connection with the Initial Application evaluation of financial feasibility. These developments must meet the following conditions:

On that date, the outstanding principal amount of tax-exempt bonds originally issued using an award of MTBA must meet the requirements of Section 42(h)(4). Either bond counsel or a certified public accountant licensed in Tennessee must certify to THDA that this financing requirement is met.

In determining the initial amount of Noncompetitive Housing Credit to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application as determined to be reasonable by THDA. Allocations are subject to Section 42(m)(2) and this QAP. Any allocation of Noncompetitive Housing Credit will not count against the limits on Housing Credit by county, developer and related parties as specified in this QAP.
