Section 1: 2022 Multifamily Tax-Exempt Bond Authority Overview

The Tennessee Housing Development Agency (“THDA”) is making private activity bond authority available to local issuers to finance multifamily housing units in Tennessee under 26 U.S.C. § 142(d) of the Internal Revenue Code (“Section 142”). The private activity bond authority can be used only for tax-exempt Private Activity Bonds issued to finance qualified residential rental projects through new construction of multifamily rental units, conversion of existing properties to multifamily rental units through Adaptive Reuse/Conversion, or acquisition and rehabilitation of Existing Multifamily Housing, hereinafter referred to as Multifamily Tax-Exempt Bond Authority (“MTBA”).

THDA anticipates two funding rounds as described in Table 6-1 in Section 6.C. THDA will notify program participants by email and information posted to THDA’s website. No applications submitted under this MTBA Program Description will have priority or be considered under any future MTBA Program Description.

Whenever a local jurisdiction takes action that THDA determines to be for the primary purpose of preventing proposed MTBA developments from satisfying applicable program requirements, THDA may lower the amount of MTBA available to that jurisdiction in future MTBA Program Descriptions. Examples include, without limitation, “downzoning”, action restricting utilities or utility connections, action regarding required public roads, or action to preventing issuance of Certificates of Occupancy.

Applicants must apply for MTBA through THDA’s online system, the Tennessee Housing Online Management Application System. Applicants applying for MTBA in THOMAS are deemed to be simultaneously applying for Noncompetitive Low-Income Housing Credits (“Housing Credit”) under 26 U.S.C. § 42 of the Internal Revenue Code (“Section 42”) and must meet the requirements found in the THOMAS User Manual and use the documents found on the THOMAS Documents Page. All MTBA Program Description requirements, application requirements, and Code requirements must be met. If there is any inconsistency or conflict among the requirements, the most stringent of the requirements will apply, as determined by THDA.

G. Release of Commitments and Refund of Incentive Fee

If recipients of Conditional Commitment Letters or Firm Commitment Letters release the MTBA allocated to them before the deadline in the Firm Commitment Letter when bonds will not be sold using the MTBA, THDA will refund a percentage of the Incentive Fee to support the earliest release of the committed MTBA. Voluntary withdrawal of a MTBA Commitment Letter in accordance with all applicable program requirements will not cause ineligibility as described in Section 3 of this MTBA Program Description, but will affect scoring as described in 8.C.2 of this MTBA Program Description.

2. If the bonds are not issued and sold by the expiration date (original or extended) of the Firm Commitment Letter, and the Firm Commitment Letter has not been released as described in Section 11-H, and no extension has been requested or granted as described in Section 11-H, THDA will **RETAIN** the **FULL** amount of the Incentive Fee and a MTBA application for the development may not be resubmitted in 2022.
3. If the bonds are issued and sold, but the development is not placed in service, THDA will **RETAIN** the **FULL** amount of the Incentive Fee.

J. Monitoring Fee

Developments that receive MTBA and Noncompetitive Housing Credits are subject to all monitoring fees set out in Section 5 of the QAP.

K. Modification Fee

Developments that receive MTBA and Noncompetitive Housing Credits and request modification are subject to Modification Fees as set out in Section 5 of the QAP. Payment of this fee does not guarantee approval of proposed changes or modifications.

L. Extension Fee

Developments that receive MTBA and Noncompetitive Housing Credits and request an extension are subject to Extension Fees as set out in Section 5 of the QAP. Payment of this fee does not guarantee approval of an extension.

M. Requests for Refunds

If the applicant is eligible for any refund as described in Section 11-G or Section 11-H above, the applicant must submit a written request for a refund. The written request for a refund must be submitted no later than 1 year after the issuance date reflected on IRS Form(s) 8609. If the last day to submit a written request for a refund is not a THDA business day (e.g. weekend or holiday), the deadline will be the following THDA business day.

Section 12: Noncompetitive Housing Credits

- A. THDA will determine eligibility for Noncompetitive Housing Credits and the amount of Noncompetitive Housing Credit to be allocated to a development, up to the maximum amount permissible with MTBA financing. Any development seeking Noncompetitive Housing Credits must apply for and is subject to the applicable QAP in the same calendar year in which MTBA is committed. An application for Noncompetitive Housing Credits is subject to eligibility and threshold requirements as well as fees, including monitoring fees, found in the applicable QAP. **Receipt of a Firm Commitment Letter does not guarantee receipt of Noncompetitive Housing Credits.**
- B. If an Initial Application for Competitive Housing Credits and an application for MTBA and Noncompetitive Housing Credits are submitted for the same development, the Initial Application for Competitive Housing Credits will be deemed ineligible.
- C. The maximum obtainable rents supported by the Market Study must be proposed for the proposed development and must support reasonable operating expenses and maximum mortgage debt service prior to Noncompetitive Housing Credits filling any financial “gaps”. This may require additional financing from other sources over and above the maximum amount of MTBA or Noncompetitive Housing Credit committed to the development by THDA.

Section 13: Controlling Document

Although there is one application for MTBA and Noncompetitive Housing Credits; the MTBA Program Description applies to the MTBA and the 2022 QAP applies to the Noncompetitive Housing Credits.
