8.6 What is your process for selecting local administering agencies?

Tennessee's nine human resource agencies were created by Chapter 289 of the Public Acts of 1973, known as the Human Resource Agenc y Act of 1973, and operate under the authority of Tennessee Code Annotated, Title 13, Chapter 26, as amended. This legislation provides a region al system to deliver human resource programs in the state's counties and cities. CAA's were the initiative of the Economic Opportunity Act of 19 64, and there are 20 CAA's in Tennessee. LiheaP is operated by 19 HRA's and CAA's that cover all 95 counties in Tennessee. There are no ov

erlaps in service delivery areas. These were established at the beginning of the LIHEAP program in Tennessee, and have not changed. Agencies receive contracts each year (template attached) with an allocation that is based on a 3 year rolling average of SAIPE data based on poverty. The co ntracts are the same for each agency, but the allocation will be different. Agencies are monitored by THDA, as well as the State Comptroller's Of fice, and are subject to single audit each year. If an agency was found to be non-compliant, were to choose not to participate, closed, or were foun d to be unsuitable to carry out the LIHEAP program, an adjoining agency would be selected to cover the territory. This has not been necessary in Tennessee in the history of the program. Agencies are under contract, and are required to submit an operational plan from a state standard templat e each year. The standard operating procedures LIHEAP Manual states policies and standards for agencies to follow. The Operational Plan Agen cy Specific Questions which demonstrate an understanding of the policies and requirements. 8.7 How many local administering agencies do you use? 19 8.8 Have you changed any local administering agencies in the last year? We do not allow agencies to develop their own policies. Sub-grantees are part of the policy making pro cess. THDA has developed the Operational Plan including Agency Specific Questions (attached) in addition to numbered memorandums (one ex

ample attached) as needed for clarification or changes. The standard operating procedures are designed to document and describe existing policies and expectations while the agency specific questions are designed to demonstrate agency understanding of the policies. The state standard must b e followed, but the agency describes how they comply with the standard in the agency specific questions.

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

Funds are tracked through Edison (state accounting system) and all state and federal accounting rules, regulations, and policies are followe d. In addition, we track LIHEAP expenditures on a spreadsheet by line item to ensure that all caps, both minimum and maximum are met. Invoic es include supporting documentation at client level and above. THDA conducts regular desk reviews of invoices and documentation as well as fiel d montioring visits.

LIHEAP funds that are transferred to Wx are tracked in the same fashion as LIHEAP benefit assistance funds. THDA administers LIHEAP Wx and most of the same agencies operate both programs.

We require all refunds to be sent to to THDA in order to determine the FFY that the funds are tied to. If the funds can be reallocated THD A will reallocate them to the local agency. If the funds are not from the current FFY and can not be obligated THDA will send those funds back to HHS.

All funds are tracked by line item and program component and reviewed on a monthly basis to ensure that expenditures are within their bu dget caps.

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? $\,0\,$

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None. The Fair Hearing State Policy is included in the Standard Operating Procedures which is signed by the sub-grantee's Executive Dire ctor, LIHEAP Program Director, and the Fiscal Director. In addition, sub-grantees must make the fair hearing procedures available to clients. In t he Agency Specific Questions of the Standard Operating Procedures (attached to our plan), agencies describe their procedures. These cannot be di fferent than the state policy as described in the Standard Operating Procedures, but this allows the agency to tell THDA who at the agency is respo nsible and what specific steps they follow to be in line with the policy. Clients can appeal for any reason other than lack of funds. I am attaching one agencies flyer which is posted in their lobbies. It is necessary for agencies to customize these so the client knows who to contact. When we s ay that local contracting agencies shall establish processes and procedures for hearings, we also say that they must, at a minimum, include the stat e requirements. This is so we will know who is responsible. See our policy below which is standard across the state: Each local contracting agenc y shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following r equirements: That a statement regarding the Fair Hearing process be provided on the approval and denial letters. That requests for hearings be m ade in writing, on a specific Fair Hearing form provided by the local contracting agency, with detailed information about the error made by the loc al contracting agency in denying or not acting with reasonable promptness on an individual's claim for LIHEAP assistance; That a copy of the co mpleted form be given to the individual requesting the hearing, with one copy to THDA and a copy retained by the local contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 days from the denial date of LIHEAP assistance or within 30 days f ollowing a submitted application for LIHEAP assistance that has not been acted upon by the local contracting agency; That the local contracting a gency will hold a hearing, in accordance with their policies and procedures, within a reasonable time, from the date of a proper request for a heari ng and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who pro perly apply for LIHEAP assistance shall be informed by the local contracting agency at the time of a denial of their application of the following: 1. the ability to request a hearing; 2. the requirements associated with requesting a hearing; and 3. the ability to be represented by an authorized re presentative, such as legal counsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing. The local contracting agency shall n otify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notificat ion shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above. Individ uals whose claim for LIHEAP assistance is denied and that denial is upheld by the local contracting agency may request a review by the Tennesse e Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (3 0) calendar days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a T HDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made. All re quests to THDA for a review shall include all materials submitted by the individual to claim LIHEAP assistance and all other documentation and compared to the ommunication between the individual claiming LIHEAP assistance and the local contracting agency and shall be submitted to: LIHEAP Progra m Coordinator Tennessee Housing and Development Agency 502 Deaderick Street, 3rd Floor Nashville, TN 37243-0900 (615) 815.2042 SPearson@thda.org

12.4 Describe your fair hearing procedures for households whose applications are denied.

A waiting list will be maintained by the sub-grantee of all LIHEAP applicants denied due to lack of funds. If additional funds become avai lable during the program year, those LIHEAP applicants who were denied due to lack of funds will be re-prioritized and notified of the change, if t here is one. An application could be denied if they are over the income limits for their HH size, if after the client failed to provide necessary docu mentation, a hh has no energy burden, or if a client falsified information. Sub-grantees attempt to gather all needed information, but sometimes cli ents do not respond. The sub grantee sends a letter to the client to show what documentation is needed and then waits a minimum of 10 business d ays before denying the application. The client can re-apply after denied. The fair hearing process which is standard across the state is as follows: Each local contracting agency shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following requirements: That a statement regarding the Fair Hearing process be provided on the approval and denial letters. Tha t requests for hearings be made in writing, on a specific Fair Hearing form provided by the local contracting agency, with detailed information abo ut the error made by the local contracting agency in denying or not acting with reasonable promptness on an individual's claim for LIHEAP assist ance; That a copy of the completed form be given to the individual requesting the hearing, with one copy to THDA and a copy retained by the loc al contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 calendar days from the denial date of L IHEAP assistance or within 30 calendar days following a submitted application for LIHEAP assistance that has not been acted upon by the local c ontracting agency; That the local contracting agency will hold a hearing, in accordance with their policies and procedures, within a reasonable tim e, from the date of a proper request for a hearing and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who properly apply for LIHEAP assistance shall be informed by the local contracting agency at the time of a d enial of their application the following: 1. the ability to request a hearing; 2. the requirements associated with requesting a hearing; and 3. the a bility to be represented by an authorized representative, such as legal counsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the he

aring. The local contracting agency shall notify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above. Individuals whose claim for LIHEAP assistance is denied and that denial is upheld by the local contracting agency may request a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) calendar days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made. All requests to THDA for a review shall include all materials submitted by the individual to claim LIHEAP assistance and all other documentation and communication between the individual claiming LIHEAP assistance and the local contracting agency and shall be submitted to: LIHEAP Program Coordinator Tennessee Housing and Development Agency 502 Deaderick Street, 3rd Floor Nashville, TN 37243-0900 (615) 815.2042 SPearson@thda.org

12.5 When and how are applicants informed of these rights?

Clients are notified of the fair hearing process on their signed application for benefits. We also require notice on approval and denial letter s. In addition offices post the fair hearing/appeal sign in their lobby and common areas where clients are present. Clients that phone in with conc erns are offered the right to appeal by THDA staff. Agencies report that they also do this. Some agencies include a flyer in the client information packet, but this is not a requirement. Some agencies have group sessions with LIHEAP applicants and they discuss the fair hearing process. It is not practical for all agencies to have group sessions with clients. I have attached a sample one agency uses for their poster so you can see the cust omization that takes place. Sub-grantees can never do less than the state policy.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

A client may apply by e-mail, physical mail, in person, through an authorized representative, or at a home visit if the client needs a ssistance. We have instances where a client sends in an application that does not have enough information to determine who is the applic ant, where the applicant lives, etc. In this instance, the client could appeal, but the sub-grantee would offer to help the client to fill out the application, and then process the application. In instances were applications are not acted on a in a timely manner, a client may appeal. I ndividuals whose claims for LIHEAP assistance are denied or are not acted upon with reasonable promptness, except if the denial or lack of reasonable promptness is due to lack of funds, may request a hearing with the local contracting agency. No hearing shall be required if LIHEAP funds are no longer available to the local contracting agency. The standard state policy is as follows: Each local contracting agen cy shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the f ollowing requirements: That requests for hearings be made in writing, on a form provided by the local contracting agency, with specific i nformation about the error made by the local contracting agency in denying or not acting with reasonable promptness on an individual's claim for LIHEAP assistance; That a copy of the completed form be given to the individual requesting the hearing, with one copy to THD A and a copy retained by the local contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 calendar days of the denial of LIHEAP assistance or within 30 calendar days following a claim for LIHEAP assistance that has not bee n acted upon by the local contracting agency; That the local contracting agency will hold a hearing, in accordance with their policies and procedures, within a reasonable time, from the date of a proper request for a hearing and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who properly apply for LIHEAP assistance shall be info rmed by the local contracting agency at the time of a denial of their application of the following: 1. the ability to request a hearing; 2. th e requirements associated with requesting a hearing; and 3. the ability to be represented by an authorized representative, such as legal c ounsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing. The local contracting agency shall notify, in w riting, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance i s approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items state d above. Individuals whose claim for LIHEAP assistance is denied, and that denial is upheld by the local contracting agency, may reque st a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) days of the date of the written notification of the outcome of the hearing conducted by the local contr acting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notificati on of the results have been made. All requests to THDA for a review shall include all materials submitted by the individual to claim LIH EAP assistance and all other documentation and communication between the individual claiming LIHEAP assistance and the local contra cting agency and shall be submitted to: LIHEAP Program Coordinator Tennessee Housing and Development Agency 502 Deaderick Str eet, 3rd Floor Nashville, TN 37243 (615) 815.2042 SPearson@thda.org

12.7 When and how are applicants informed of these rights?

Clients are notified of the fair hearing process on their signed application for benefits. We also require notice on approval and denial letter s. In addition offices post the fair hearing/appeal sign in their lobby and common areas where clients are present. Clients that raise concerns are of fered the right to appeal by THDA staff. Agencies report that they also do this. Some agencies include a flyer in the client information packet, but this is not a requirement. Some agencies have group sessions with LIHEAP applicants and they discuss the fair hearing process. It is not practical a lagencies to have group sessions with clients. I have attached a sample one agency uses for their poster so you can see the customization that takes place. Sub-grantees can never do less than the state policy. Local sub-grantees can develop a process, not a new policy to ensure that fair he arings and appeals are carried out at the local level.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and ther eby the need for energy assistance?

Some agencies offer specific classes to clients to help reduce the energy burden, but we do not collect their attendance data. Energy saver flyers are provided to clients and one on one counseling takes place.

Sub-grantees conduct Assurance 16 activities at their local agency. Examples are as follows:

Provide energy conservation education in the form of Calendars, pamphlets and fact sheets at the time of application intake. This material will encourage energy conservation and provide the Low Income Home Energy Assistance client with the knowledge to reduce their home energy cost.

Provide energy saving videos in lobby while waiting to be assisted and given energy guides. One on one measures will be spoken about to the beneficiary. A survey of this year's beneficiaries to measure the effectiveness of last years measures.

Partner with Green Spaces (local energy efficiency educator) to reduce energy usage. Green Spaces will conduct monthly workshops to those interested in reducing energy costs in their homes.

We are focusing on Financial Case Managment, Energy Conservation Education and Energy Saver Kits.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

This is a line item on the sub-grantee budget. THDA has capped this at 2%, and the agency has to describe their activities in their annual o perational plan. 2% of each agency's allocation does not exceed the 5% allowed by HHS for A16.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

Local subgrantees track the impact in this program year with tracking tools provided by THDA for A16 activities.

13.4 Describe the level ofdirect benefitsprovided to those households in the previous Federal fiscal year.

Clients do not apply for this service, but it is provided. This is why we put 0 in 13.5 and 13.6.

13.5 How many households applied for these services? 0

13.6 How many households received these services? 0

Other - Describe:
Employees are provided with policy manual
Other-Describe: Grantee staff at THDA develop, prepare, and deliver training throughout the year based on needs. In addition, grantee staff prepare and update the operat ional plan and ensure that all needed topics are included. We have implemented an online system and THDA staff have actively participated and have be en trained in the use of the system. Statewide virtual training was held for all agencies by THDA staff. The operational plan was discussed in detail. Fraud, waste and abuse prevention and detection was discussed at length at each training session, and sub-grantees were urge d to share any additional steps they take to prevent fraud, waste and abuse. We provide training as needed, but no less than annually. In the last year we h ave presented at TACAA (Tennessee Association of Community Action Agencies) meeting, performed site visits, conducted one on one meetings with agencies in our offices to go over policies and procedures, and made ourselves available for questions, concerns or comments via e-mail and by p hone.

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP performance measure s. Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

Our online LIHEAP system will collect the data needed for the FY2023 program. Sub-grantees have been working with vendors to obtain client data at application intake. THDA has held vendor meetings and discussions on best practices for collecting the required data. Data is kept at the subgrantee level and reported to the Grantee as needed.

Clients provide a 12 month (if applicable) energy usage history at the time of application. The monthly totals are entered into the statewide system. High energy user, reconnection and disconnection are check boxes in the statewide system for each client. This information will be pulled from the system and reported to OCS annually.

THDA will considered reported Performance Data to determine any changes in benefit levels. We are conducting data analysis to consider possible changes and how they may affect the program.

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

- 1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
- 2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.BrBbr.
- 4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- 6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
- 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled ``Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

- 9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

- (1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;
- (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
- (d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

- 1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later

determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

- 3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- 4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- 5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
- **☑** By checking this box, the prospective primary participant is providing the certification set out above.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

- 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
- 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 3. For grantees other than individuals, Alternate I applies.
- 4. For grantees who are individuals, Alternate II applies.
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
- 8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes:

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:,

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about --
- (1)The dangers of drug abuse in the workplace;
- (2) The grantee's policy of maintaining a drug-free workplace:
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
- (1) Abide by the terms of the statement; and
- (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification

number(s) of each affected grant;

- (f)Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
- (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Assurances

- (1) use the funds available under this title to--
 - (A) conduct outreach activities and provide assistance to low income households in meeting their home energy costs, particularly those with the lowest incomes that pay a high proportion of household income for home energy, consistent with paragraph (5);
 - (B) intervene in energy crisis situations;
 - (C) provide low-cost residential weatherization and other cost-effective energy-related home repair; and
 - (D)plan, develop, and administer the State's program under this title including leveraging programs, and the State agrees not to use such funds for any purposes other than those specified in this title;
- (2) make payments under this title only with respect to--
 - (A) households in which one or more individuals are receiving--
 - (i)assistance under the State program funded under part A of title IV of the Social Security Act;
 - (ii) supplemental security income payments under title XVI of the Social Security Act;
 - (iii) food stamps under the Food Stamp Act of 1977; or
 - (iv) payments under section 415, 521, 541, or 542 of title 38, United States Code, or under section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978; or
 - (B) households with incomes which do not exceed the greater of -
 - (i) an amount equal to 150 percent of the poverty level for such State; or
 - (ii) an amount equal to 60 percent of the State median income;

(except that a State may not exclude a household from eligibility in a fiscal year solely on the basis of household income if such income is less than 110 percent of the poverty level for such State, but the State may give priority to those households with the highest home energy costs or needs in relation to household income.

- (3) conduct outreach activities designed to assure that eligible households, especially households with elderly individuals or disabled individuals, or both, and households with high home energy burdens, are made aware of the assistance available under this title, and any similar energy-related assistance available under subtitle B of title VI (relating to community services block grant program) or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;
- (4) coordinate its activities under this title with similar and related programs administered by the Federal Government and such State, particularly low-income

energy-related programs under subtitle B of title VI (relating to community services block grant program), under the supplemental security income program, under part A of title IV of the Social Security Act, under title XX of the Social Security Act, under the low-income weatherization assistance program under title IV of the Energy Conservation and Production Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

- (5) provide, in a timely manner, that the highest level of assistance will be furnished to those households which have the lowest incomes and the highest energy costs or needs in relation to income, taking into account family size, except that the State may not differentiate in implementing this section between the households described in clauses 2(A) and 2(B) of this subsection;
- (6) to the extent it is necessary to designate local administrative agencies in order to carry out the purposes of this title, to give special consideration, in the designation of such agencies, to any local public or private nonprofit agency which was receiving Federal funds under any low-income energy assistance program or weatherization program under the Economic Opportunity Act of 1964 or any other provision of law on the day before the date of the enactment of this Act, except that -
 - (A) the State shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the State; and
 - (B) if there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, then the State shall give special consideration in the designation of local administrative agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds for the fiscal year preceding the fiscal year for which the determination is made;
- (7) if the State chooses to pay home energy suppliers directly, establish procedures to --
 - (A) notify each participating household of the amount of assistance paid on its behalf:
 - (B) assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment made by the State under this title;
 - (C) assure that the home energy supplier will provide assurances that any agreement entered into with a home energy supplier under this paragraph will contain provisions to assure that no household receiving assistance under this title will be treated adversely because of such assistance under applicable provisions of State law or public regulatory requirements; and
 - (D) ensure that the provision of vendor payments remains at the option of the State in consultation with local grantees and may be contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households, including providing for agreements between suppliers and individuals eligible for benefits under this Act that seek to reduce home energy costs, minimize the risks of home energy crisis, and encourage regular payments by individuals receiving financial assistance for home energy costs;

(8) provide assurances that,

- (A) the State will not exclude households described in clause (2)(B) of this subsection from receiving home energy assistance benefits under clause (2), and
- (B) the State will treat owners and renters equitably under the program assisted under this title;

(9) provide that--

- (A) the State may use for planning and administering the use of funds under this title an amount not to exceed 10 percent of the funds payable to such State under this title for a fiscal year; and
- (B) the State will pay from non-Federal sources the remaining costs of planning and administering the program assisted under this title and will not use Federal funds for such remaining cost (except for the costs of the activities described in paragraph (16));
- (10) provide that such fiscal control and fund accounting procedures will be established as may be necessary to assure the proper disbursal of and accounting for Federal funds paid to the State under this title, including procedures for monitoring the assistance provided under this title, and provide that the State will comply with the provisions of chapter 75 of title 31, United States Code (commonly known as the "Single Audit Act");
- (11) permit and cooperate with Federal investigations undertaken in accordance with section 2608:
- (12) provide for timely and meaningful public participation in the development of the plan described in subsection (c);
- (13) provide an opportunity for a fair administrative hearing to individuals whose claims for assistance under the plan described in subsection (c) are denied or are not acted upon with reasonable promptness; and
- (14) cooperate with the Secretary with respect to data collecting and reporting under section 2610.
- (15) * beginning in fiscal year 1992, provide, in addition to such services as may be offered by State Departments of Public Welfare at the local level, outreach and intake functions for crisis situations and heating and cooling assistance that is administered by additional State and local governmental entities or community-based organizations (such as community action agencies, area agencies on aging and not-for-profit neighborhood-based organizations), and in States where such organizations do not administer functions as of September 30, 1991, preference in awarding grants or contracts for intake services shall be provided to those agencies that administer the low-income weatherization or energy crisis intervention programs.
- * This assurance is applicable only to States, and to territories whose annual regular LIHEAP allotments exceed \$200,000. Neither territories with annual allotments of \$200,000 or less nor Indian tribes/tribal organizations are subject to Assurance 15.
- (16) use up to 5 percent of such funds, at its option, to provide services that encourage and enable households to reduce their home energy needs and

thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors, and report to the Secretary concerning the impact of such activities on the number of households served, the level of direct benefits provided to those households, and the number of households that remain unserved.
