

## GC-97 Program Systems Certification

GC-97 HFA Advantage program is a Freddie Mac mortgage back security execution, therefore system requirements and processes are different than THDA's Great Choice mortgage revenue bond program.

I certify the following:

1. I am authorized to execute this certification on behalf of Applicant.
2. I have personal knowledge of the information in this certification.
3. Applicant has the following systems in place to successfully originate GC-97 HFA Advantage program\*:
  - a. Access to assign Loan Product Advisor final Feedback results to THDA at the time of loan submission to THDA. THDA's S/SN 210980
  - b. Access to share appraisal with THDA within Uniform Collateral Data Portal (UCDP) utilizing THDA's aggregator number. THDA's Aggregator ID GVT276
  - c. Access/ability to run Loan Quality Advisor and provide feedback results to THDA within the loan closing package.
4. Applicant understands the following requirements with post-closing\*:
  - a. Loan Closing Advisor Feedback Certificate reflecting successful results submitted with closing package to THDA.
  - b. Universal Loan Dataset Delivery (ULDD) XML data file uploaded to THELMA.
