

# Instructions for 2018 Utility Allowances

For 2018, each county consists of one 5-page file. Each page corresponds to one of the four different unit types plus an Energy Star certified Larger Apartment Bldg. (5+ units). When determining the utility allowance, choose the appropriate page that corresponds to your unit type. Contact THDA if utility allowances are needed for units with more than 5 bedrooms.

## Page 1 – Single Family House
