In addition to discussing the resources made available to the State of Tennessee in FY 2019-20 through the five formula programs, this document reports the performance of the State of Tennessee in meeting objectives and action steps contained in the 2015-19 Consolidated Plan and assesses the state's overall performance in meeting affordable housing, community development, and fair housing goals.

While THDA has been designated as the lead agency for Tennessee's consolidated planning requirements, all of the administering agencies of the five formula grant programs participate in the development of the CAPER and administration of their respective programs. The FY 2019-20 CAPER represents the cooperation of these agencies to further affordable housing and community development in Tennessee. In addition, the plan is developed in consultation with the citizens of our state. The draft plan is made available for review and public comment according to the guidelines outlined in the Citizen's Participation Plan. *Note: Not all program achievements may correlate to that year's expenditures; notably, HOME and HTF allow multi-year projects.
