STUDENT APPLICATION

The Tennessee Housing Conference (TNHC), hosted by the Tennessee Housing Development Agency (THDA), is Tennessee's largest and most comprehensive affordable housing event. The conference provides innovative educational sessions led by local, state and national experts in housing, finance and development. The conference offers an opportunity to network and connect with Tennessee's affordable housing providers, funders, lenders, realtors, nonprofits, public officials and learn about resources to improve affordable housing opportunities in Tennessee's communities. For details about the Tennessee Housing Conference, please visit: https://thda.org/tennessee-housing-conference.

The sponsors of the TNHC 2022 Conference have generously made funds available for scholarships to allow college students (undergraduate and graduate) to attend. Student scholarships are intended for college students who are majoring in or interested in a career working in the delivery of housing or sheltering services, construction or design, community or economic development or other fields related to sustaining safe, healthy and affordable communities. *Scholarships will cover the cost of the conference registration and may include a one or two night hotel accommodation (dependent upon the distance traveled).*

This is a **competitive** application process and all requested information must be submitted to be eligible for the scholarship. To apply for the conference scholarship, you must:

1. Complete the application;
2. Complete a statement of interest/need (not to exceed one page) that details how attendance at the TNHC conference will benefit your current studies or future career plans.

The deadline for the receipt of applications is 11:59 p.m. on **Friday, October 29, 2021**. Applications should be completed, signed, scanned and emailed to TNHC@thda.org. Please include "TNHC Student Scholarship Application" in the subject line of the email.
