

In the opinion of Bond Counsel, under existing federal laws and assuming continuing compliance by THDA with federal tax law requirements, interest on the Issue 2017-1 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that interest on the Issue 2017-1 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Internal Revenue Code of 1986 as amended (the "Code"). In addition, Bond Counsel is of the opinion that, under existing laws of the State of Tennessee, the interest on the Issue 2017-1 Bonds is exempt from the income tax imposed by the State of Tennessee on interest income; however, the Issue 2017-1 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee. See "TAX MATTERS" herein.

OFFICIAL STATEMENT
TENNESSEE HOUSING DEVELOPMENT AGENCY
Residential Finance Program Bonds
\$100,000,000 Issue 2017-1 (Non-AMT)[†]

INTRODUCTION

This Official Statement (the “Official Statement”) provides certain information in connection with the issuance by the Tennessee Housing Development Agency (“THDA”) of its Residential Finance Program Bonds, Issue 2017-1 in the aggregate principal amount of \$100,000,000 (the “Issue 2017-1 Bonds” or the “Offered Bonds”).

THDA is authorized to issue and sell its bonds and to conduct its other activities by Tennessee Code Annotated Sections 13-23-101 et seq., as amended (the “Act”). The issuance and sale of the Offered Bonds is authorized by the General Residential Finance Program Bond Resolution, adopted by THDA on January 29, 2013, as amended and supplemented (the “General Resolution”) and by a Resolution adopted by THDA on January 24, 2017, as amended and supplemented by the Bond Finance Committee of THDA (the “Bond Finance Committee”) on February 22, 2017 (the “Issue 2017-1 Supplemental Resolution”). The General Resolution and the Issue 2017-1 Supplemental Resolution are herein collectively referred to as the “Resolution.”

The Act requires submission to the Bond Finance Committee of THDA, which consists of the Chairman of THDA and the Comptroller of the Treasury of the State of Tennessee, the Secretary of State of the State of Tennessee, the State Treasurer of the State of Tennessee, and the Commissioner of Finance and Administration of the State of Tennessee, of a plan of financing pertaining to the sale of any bonds or notes by THDA and to request that the Bond Finance Committee sell such bonds or notes on behalf of THDA, under the terms and conditions set forth in the Act. The Bond Finance Committee approved the plan of financing with respect to Issue 2017-1 Bonds on January 23, 2017.

The Act does not permit THDA to have outstanding bonds and notes in an aggregate principal amount exceeding \$2,930,000,000, excluding bonds and notes which have been refunded. As of December 31, 2016 (unaudited), Bonds in the aggregate principal amount of \$1,084,495,000 were outstanding under the General Resolution, bonds in the aggregate principal amount of \$349,195,000 were outstanding under THDA’s Housing Finance Program Resolution (the “2009 General Resolution”), and bonds in the aggregate principal amount of \$453,210,000 were outstanding under THDA’s Homeownership Program Resolution (the “1985 General Resolution”). As of December 31, 2016, no bonds were outstanding under THDA’s Housing Bond Resolution (Mortgage Finance Program) (the “1974 General Resolution”). All assets under the 1974 General Resolution have been transferred to the General Resolution. For more information see “Other Financings – Housing Bond Resolution (Mortgage Finance Program)” in Appendix E.

Bonds issued under the General Resolution, including the Offered Bonds, are and will be special limited obligations of THDA, payable solely from the revenues and assets of THDA pledged under the General Resolution for the payment of the principal and redemption price thereof and the interest thereon, including the Bond Reserve Fund established pursuant to the General Resolution, as more fully described herein under the caption “SECURITY AND SOURCES OF PAYMENT OF BONDS”. All bonds issued under the General Resolution, including the Offered Bonds, are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the Offered Bonds, are sometimes referred to herein as the “Bonds”. The security interest created by the pledge of the General Resolution is governed by Tennessee Code Annotated Sections 9-22-101 et seq., as amended, relating to the perfection, priority and enforcement of public pledges and liens (the “Public Pledge Act”). Security interests governed under the Public Pledge Act are expressly exempt from Tennessee’s codification of Article 9 of the Uniform Commercial Code.

[†]Interest on the Issue 2017-1 Bonds is not included in corporations’ calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

The revenues and assets of THDA pledged under the General Resolution are not pledged as security for bonds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. The revenues and assets of THDA pledged under the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution, respectively, are not pledged as security for Bonds issued under the General Resolution including the Offered Bonds. See Appendix E for descriptions of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution.

THDA may, in the future, elect to issue bonds under the General Resolution or under the 1974 General Resolution, the 1985 General Resolution and/or the 2009 General Resolution. No assurances can be given as to whether THDA may elect to issue bonds under any one of the referenced general resolutions in the future or which of the referenced general resolutions may be selected. Any mortgage loans and investments financed with the proceeds of any new bonds issued under any of the referenced general resolutions, except for the General Resolution, and the revenues therefrom will not be pledged to the payment of Bonds under the General Resolution, including the Offered Bonds.

THDA has no taxing power. The Bonds are not a debt, liability or obligation of the State or of any political subdivision thereof except THDA. Neither the full faith and credit nor the taxing power of the State, or of any other political subdivision thereof is pledged for the payment of principal or interest on the Bonds.

THDA expects that the proceeds of the Issue 2017-1 Bonds will be used to: (i) finance first lien single-family Program Loans (or participations therein) for single-family, owner-occupied housing (one to four dwelling units); (ii) pay capitalized interest, if any; (iii) pay Costs of Issuance, Underwriters' Fees and other transaction costs; and (iv) make a deposit to the Bond Reserve Fund, if required. See "APPLICATION OF BOND PROCEEDS." The terms and conditions of Program Loans, including Program Loans financed with amounts made available by the issuance of the Offered Bonds, are described herein under the caption "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" and in Appendix G. In addition, mortgage loans previously allocated to certain bonds no longer outstanding under the 1985 General Resolution in an expected aggregate outstanding amount of approximately \$19,971,211 will be transferred to the General Resolution (the "Allocated Program Loans") for cash flow purposes. See "DESCRIPTION OF THE ALLOCATED PROGRAM LOANS" for more information about the Allocated Program Loans.

As used herein, the term "Program Loans" refers to all mortgage loans (including participations therein) financed under the General Resolution, including the Allocated Program Loans and mortgage loans (including participations therein) to be financed with proceeds of the Offered Bonds, and the phrase "Program Loans allocable to (or allocated to) the Offered Bonds" shall include the Allocated Program Loans as well as any new Program Loans (including participations therein) financed with the proceeds of the Offered Bonds.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the then existing Program Loan Procedures of THDA. The current Program Loan Procedures are described or otherwise referred to in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-1 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple in real property located in the State. THDA does not intend to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance. While the Issue 2017-1 Supplemental Resolution provides that all Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Currently, THDA's Program Loan portfolio under the General Resolution includes only first-lien, fixed-interest rate, single-family Program Loans with equal monthly installments of principal and interest. As of December 31, 2016 (unaudited), 11,663 Program Loans were outstanding under the General Resolution having an aggregate outstanding principal balance of approximately \$1,102,041,600. Based on the outstanding principal balance of Program Loans as of December 31, 2016, approximately 84.81% were FHA insured, approximately 2.10% were VA guaranteed, approximately 6.23% were insured by private mortgage insurance companies, approximately 4.57% were guaranteed by United States Department of Agriculture, Rural Development ("USDA/RD"), and approximately 2.29% were uninsured (i.e. Program Loans for which the borrower has at least a 22% equity interest in the residence on the date of closing, or at least a 25% equity interest in the residence on the date of closing for Program Loans closed prior to July 29, 1999, or Program Loans which were privately insured at the time of closing but have since met the requirements of the Homeowner Protection Act of 1998 for termination of private mortgage insurance). See "RESIDENTIAL FINANCE PROGRAM LOANS – Residential Finance Program Portfolio Data" and Appendix B under the heading "Private Mortgage Insurance Programs".

U.S. Bank National Association (the "Trustee") is trustee and paying agent for all Bonds issued under the General Resolution.

A brief description of the Offered Bonds, THDA and its Program Loans follows, together with summaries of the terms of the Bonds, and certain provisions of the Act, the General Resolution, the Issue 2017-1 Supplemental Resolution and other activities of THDA. Such summaries do not purport to be complete and all such summaries and references to the Act and the Issue 2017-1 Supplemental Resolution are qualified in their entirety by reference to each such document, copies of which are available from THDA or the Trustee. The General Resolution is attached hereto as Appendix D "2013 GENERAL RESOLUTION". Certain capitalized terms utilized herein are defined in Appendix D hereto.

FIRST, if principal prepayments on the Program Loans allocable to the Offered Bonds are equal to or less than 400% PSA (as defined below under "ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds"), as determined by THDA, then available Excess 2017-1 Principal Payments shall first be applied to redeem PAC Bonds up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds and, subject to the application of the 10-year rule as described below under the heading "*–Mandatory Redemption – 10 Year Rule,*" the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, other than the PAC Bonds; and

SECOND, if principal prepayments on the Program Loans allocable to the Offered Bonds are in excess of 400% PSA, as determined by THDA, then available Excess 2017-1 Principal Payments up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds shall first be applied to redeem PAC Bonds and,

subject to the application of the 10-year rule as described below under the heading “*Mandatory Redemption – 10 Year Rule*,” the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, including the PAC Bonds (any such remainder used to redeem PAC Bonds being an “Excess Principal PAC Bond Redemption”); provided, however, that (i) the source of an Excess Principal PAC Bond Redemption is restricted to that portion of the available Excess 2017-1 Principal Payments which is in excess of 400% PSA and (ii) the principal amount of an Excess Principal PAC Bond Redemption may not be an amount in excess of the then Outstanding PAC Bonds’ proportionate amount of all Issue 2017-1 Bonds then Outstanding.

“Excess 2017-1 Principal Payments” means, as of any date of computation, 100% of all regularly scheduled principal payments and prepayments on Program Loans allocable to the Offered Bonds to the extent such regularly scheduled principal payments and prepayments are not required to make regularly scheduled principal payments, including Sinking Fund Payments, on the Offered Bonds.

“Planned Amortization Amount” means the dollar amount for each Interest Payment Date set forth below. The Planned Amortization Amount represents the cumulative principal amount of the Issue 2017-1 PAC Bonds assumed to be redeemed from Excess 2017-1 Principal Payments as of a particular Interest Payment Date based on receipt of principal prepayments at a 100% PSA prepayment rate for Program Loans allocable to the Offered Bonds. See “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds” for a description of PSA prepayment rates.

The Planned Amortization Amounts for the Issue 2017-1 PAC Bonds (which assumes the full origination of Program Loans with proceeds allocable to the Offered Bonds in accordance with the expected schedule for such origination, the allocation of the Allocated Program Loans to the Offered Bonds in an aggregate principal amount of approximately \$19,971,211 with an approximate weighted average maturity of 260 months, and receipt of principal prepayments on the Program Loans allocable to the Offered Bonds at a rate equal to 100% of the PSA prepayment rate), as of each payment date are set forth below:

Each Planned Amortization Amount, as set forth in the table above, is subject to proportionate reduction to the extent the PAC Bonds are redeemed from amounts on deposit in the Issue 2017-1 Bonds Subaccount of the Loan Fund not applied to finance Program Loans.

For a description of the impact on the weighted average life of the PAC Bonds on the receipt of prepayments on the Program Loans allocable to the Offered Bonds at various speeds, see “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds.”

Special Optional Redemption of the Offered Bonds, including Cross Calls The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part, at any time prior to maturity, in accordance with the provisions of the Resolution, and in an amount equal to amounts available for such purposes from (i) proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans as described below under the heading “DESCRIPTION OF OFFERED BONDS – Redemption of Offered Bonds from Unexpended Proceeds”; (ii) except as otherwise described under the headings “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and “ – Mandatory Redemption – 10 Year Rule”, repayments and prepayments of Program Loans allocated to the Offered Bonds in excess of regularly scheduled debt service payments on the Offered Bonds; (iii) repayments and prepayments of Program Loans financed with the proceeds of any other Bonds issued under the Resolution, subject to limitations contained in the Internal Revenue Code of 1986, as amended (the, “Code”), (iv) other amounts on deposit in the Revenue Fund of the Resolution in excess of the amounts then required for the payment of Debt Service and Program Expenses, and (v) amounts on deposit in the Bond Reserve Fund in excess of the Bond Reserve Fund Requirement; provided, however, that PAC Bonds (a) are only subject to redemption under clause (ii) above as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and (b) shall not be subject to redemption as described in clauses (iii), (iv) and (v) above if such redemption would cause amortization of the PAC Bond to exceed the Planned Amortization Amount shown above in the PAC Bonds Amortization Schedule. The Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D “2013 GENERAL RESOLUTION”), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans.

The date of redemption shall be determined by the Trustee upon the direction of THDA, subject to the provisions of and in accordance with the Resolution. The Offered Bonds to be so redeemed shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the redemption date, if applicable; provided, however, that the redemption price of the PAC Bonds in the event of a redemption described in clause (i) of the preceding paragraph shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be so redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amount of all Offered Bonds then Outstanding in the event of a redemption pursuant to clause (i) of the preceding paragraph.. See “ASSUMPTIONS REGARDING OFFERED BONDS – Prepayments” and “ASSUMPTIONS REGARDING OFFERED BONDS – THDA Redemption Practices”.

Mandatory Redemption – 10 Year Rule. To the extent not required to make regularly scheduled principal payments on the Offered Bonds (including Sinking Fund Payments) or otherwise required to be applied to the redemption of the PAC Bonds, repayments and prepayments of principal of the Program Loans or portions thereof financed with proceeds of the Offered Bonds shall be applied to redeem Offered Bonds in such principal amounts as are required to satisfy the requirements of the Code. This requirement does not apply to the Allocated Program Loans. The redemption price of Offered Bonds to be so redeemed shall be 100% of the principal amount thereof plus interest accrued to the date of redemption, if applicable. Subject to the redemption procedures under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” the Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may be redeemed in an amount that exceeds the Planned Amortization Amount shown above in the PAC Bonds Planned Amortization Schedule only if there are no other Offered Bonds outstanding.

THDA will, to the extent required by the Code, redeem Offered Bonds from prepayments and repayments on the Program Loans (or portions thereof) financed with proceeds of the Offered Bonds in accordance with the following approximate 10 year rule percentages to the extent such amounts are not otherwise applied to pay maturing principal on the Offered Bonds, to redeem Offered Bonds from Sinking Fund Payments or to redeem PAC Bonds:

<u>Commencement Date</u>	<u>% Prepayments and Repayments Applied to Payment or Redemption</u>
March 30, 2017	0%
March 30, 2027	100%

THDA will redeem the Offered Bonds in accordance with this schedule to the extent required to comply with the Code. THDA reserves the right to modify this schedule at any time to the extent the Code permits or requires such modification.

Redemption of Offered Bonds from Unexpended Proceeds. The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part on any date, from proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans (or participations therein). In addition, the Offered Bonds are subject to mandatory redemption on December 1, 2017, in the event and to the extent that there are unexpended proceeds of the Offered Bonds on deposit in the Issue 2017-1 Bonds Subaccount of the Loan Fund on November 1, 2017, provided that such redemption date may be extended, at the option of THDA, and subject to the satisfaction of the conditions set forth in the Issue 2017-1 Supplemental Resolution, including without limitation, provision of a Projected Cash Flow Statement.

Notwithstanding any extension of the redemption date described above, in order to satisfy requirements of the Code, the Offered Bonds are subject to mandatory redemption on September 1, 2020, to the extent any amounts remain on deposit in the Issue 2017-1 Bonds Subaccount of the Loan Fund on August 1, 2020.

Offered Bonds to be redeemed from the unexpended proceeds shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the date of redemption, if applicable; provided, however, that the redemption price of the PAC Bonds shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amounts of all Offered Bonds then Outstanding.

Selection By Lot

If less than all of the Issue 2017-1 Bonds of like series and maturity are to be redeemed, the particular Issue 2017-1 Bonds of such series and maturity to be redeemed shall be selected by lot in accordance with the General Resolution.

Notice of Redemption

When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds and when redemption of Bonds is required by the Resolution, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth, in summary terms, the conditions precedent to such redemption and that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

SECURITY AND SOURCES OF PAYMENT OF BONDS

Security of Bonds and Sources of Payment

The Bonds are special limited obligations of THDA payable solely from the revenues and assets of THDA pledged under the General Resolution. Subject only to the provisions of the General Resolution permitting the application of certain monies for the purposes and under the terms set forth therein, and to the payment to the Trustee and the Paying Agents and depositories of compensation for their services and expenses, such Bonds are secured equally and ratably by a pledge of the following:

(a) Revenues, which include scheduled, delinquent and advance payments of principal of and interest on Program Loans made pursuant to the General Resolution (less the amount thereof retained by the servicers as compensation for services rendered in connection with the Program Loans and for other payments, including those for guaranty or insurance of Program Loans and for taxes, assessments and insurance premiums) and the net income, if any, derived by THDA from premises owned by THDA as a result of action taken in the event of a default on a Program Loan;

(b) Non-Mortgage Receipts, which includes all interest earned or gain realized in excess of losses from investment of the amount in any Fund or Account established under the General Resolution;

(c) All Funds and Accounts created by the General Resolution, including the Bond Reserve Fund, and monies and securities therein (see Appendix D "2013 GENERAL RESOLUTION"); and

(d) All right, title and interest of THDA in and to the Program Loans made or purchased pursuant to the General Resolution.

THDA has no taxing power. The Bonds do not constitute a debt, liability or obligation of the State or any other political subdivision thereof (except THDA). Neither the full faith and credit nor taxing power of the State or of any other political subdivision thereof is pledged for the payment of the principal of, redemption price or interest on the Bonds. The Bonds are payable solely from the funds provided therefor pursuant to the General Resolution.

Bond Reserve Fund

The Act authorizes THDA to establish one or more reserve funds. THDA has established a Bond Reserve Fund for the Bonds and the General Resolution provides that THDA may not issue any Bond unless the amount in the Bond Reserve Fund is at least equal to the "Bond Reserve Fund Requirement." The Bond Reserve Fund Requirement is the greater of (i) an amount equal to the aggregate of the respective amounts for each series of Bonds established in the Supplemental Resolution authorizing such series or (ii) an amount equal to 3% of the sum of (A) the then current balance of Program Loans (other than Program Loans underlying Program Securities) and (B) any other amount on deposit in the Loan Fund which has not been designated to provide for the payment of Costs of Issuance, capitalized interest or the purchase of Program Securities. On the date of issuance of the Offered Bonds, the Bond Reserve Fund will contain

an amount at least equal to the Bond Reserve Fund Requirement. The Resolution requires that if, on any Interest Payment Date or Redemption Date, there is not a sufficient amount available in the Revenue Fund and the Redemption Fund, if applicable, to provide for interest or principal and sinking fund installments maturing and becoming due on the Bonds, the Trustee must transfer the amount of the deficiency from the Bond Reserve Fund to the extent necessary to make good the deficiency.

Additional Bonds

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds, when issued, shall, with the Offered Bonds and other outstanding bonds, be entitled to the equal benefit, protection, and security of the provisions, covenants and agreements of the General Resolution, except as otherwise described herein.

ASSUMPTIONS REGARDING OFFERED BONDS

General

The General Resolution requires THDA to file Projected Cash Flow Statements with the Trustee periodically in connection with various actions THDA may take pursuant to the General Resolution including, without limitation, the issuance of Bonds. (See Appendix D "2013 GENERAL RESOLUTION" for a description of Projected Cash Flow Statements and the circumstances under which they are required.) A Projected Cash Flow Statement meets the requirements of the General Resolution if it shows that sufficient amounts will be available under the General Resolution to pay Debt Service on Bonds Outstanding under the General Resolution, including the Offered Bonds, and Program Expenses and that the amount of all assets held under the General Resolution equals or exceeds the total liability of all Bonds Outstanding under the General Resolution. In connection with the preparation of Projected Cash Flow Statements, THDA makes certain assumptions concerning revenues derived from Program Loans, Program Expenses, rate and amount of prepayments, earnings on investments, rate of origination of Program Loans, and Bond redemptions.

It is a condition to the issuance of the Offered Bonds that THDA shall have prepared and filed a Projected Cash Flow Statement (the "Projected Cash Flow Statement"). The Projected Cash Flow Statement will be based, among other assumptions, on the assumptions that (i) Allocated Program Loans in the aggregate principal amount of approximately \$19,971,211, with a weighted average maturity of approximately 260 months and a weighted average interest rate of approximately 6.35%, will be allocated to the Offered Bonds and (ii) THDA originates approximately \$100,000,000 of thirty year Program Loans (or participations therein) bearing interest at a weighted average interest rate of approximately 4.24%. The Projected Cash Flow Statement shall evidence that, upon the issuance of the Offered Bonds, sufficient amounts will be available under the General Resolution to pay Debt Service for all Bonds Outstanding, including the Offered Bonds. THDA believes the assumptions to be used in connection with the preparation of the Projected Cash Flow Statement are reasonable. THDA cannot, however, guarantee that actual results will not vary materially from such assumptions. If subsequent events do not correspond to such assumptions, the amount of Revenues available to make payments of principal and interest on the Bonds, including the Offered Bonds, when scheduled, may be adversely affected and the expected life of the Offered Bonds may be affected.

Payments of Principal and Interest on the Bonds

The Projected Cash Flow Statement assumes that payments of principal and interest on the Offered Bonds will be made, when scheduled, from scheduled payments and prepayments of principal and interest on the Program Loans (or portions thereof) allocable to the Offered Bonds and from other moneys available under the Resolution including, without limitation, income expected to be derived from the investment of monies in the funds and accounts established under the Resolution. For purposes of preparing the Projected Cash Flow Statement, it has been assumed that scheduled payments of principal and interest on the Program Loans will be received 29 days from the date on which they are due. Such sources of available monies may be insufficient to make such payments in the event that (i) regularly scheduled payments on Program Loans are not made on a timely basis in accordance with their terms, (ii) THDA incurs uninsured losses in connection with the foreclosure of Program Loans or insured losses which the insurer does not pay, (iii) THDA is not able to finance Program Loans in accordance with its expectations, (iv) actual investment rates on Investment Securities are less than those assumed, or (v) prepayments are not received as anticipated to the extent the Projected Cash Flow Statement was based on an assumed level of prepayments.

Program Loans

Certain moneys made available from the issuance of the Offered Bonds will be deposited in the Issue 2017-1 Bond Subaccount of the Loan Fund and will be used to continue THDA's program of financing Program Loans for single

family, owner occupied residential housing for low and moderate income persons and families. Although THDA may use amounts made available as a result of the issuance of Offered Bonds to finance Great Choice Program Loans, New Start Program Loans, and Homeownership for the Brave Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans. In addition, THDA may use amounts made available from the issuance of the Offered Bonds to finance Program Loans on a blended basis with proceeds of other bonds of THDA, including participation interests bearing interest at 0% in order to satisfy mortgage yield limitations of the Code. See “RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans” for descriptions of the various Program Loan products and Appendix G “RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES” for more information about specific program requirements.

Program Loans are made on a continuing, first-come, first served basis by Originating Agents approved by THDA. The Projected Cash Flow Statement assumes that Program Loans (or participations therein) financed with the proceeds of the Issue 2017-1 Bonds will be first-lien, thirty-year, fixed-rate mortgages, with equal monthly installments of principal and interest bearing interest at a weighted average of 4.24% and that Program Loans purchased by THDA from Originating Agents will be purchased at par.

THDA's general policy is to maintain a steadily available supply of funds to finance program loans at competitive interest rates. THDA generally establishes interest rates for its program loans in connection with the sale of bonds by taking into account the maximum permitted interest rate under the Code and the spread between that rate and the then prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. THDA prefers to maintain the same interest rates throughout the period of origination of program loans for each issue of bonds; however, THDA regularly reviews these interest rates in light of market conditions and retains the flexibility to modify its interest rates to meet changing needs and conditions. No assumptions can be made regarding the length of time an interest rate set by THDA will remain available or what effect a particular interest rate will have on the origination of Program Loans.

Nonorigination of Program Loans

While THDA retains the flexibility to modify the interest rates at which Program Loans are offered, there are circumstances under which these interest rates may not be competitive with prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. Under these circumstances, it will be more difficult for THDA to originate Program Loans. The ability of THDA to finance Program Loans on a blended basis with proceeds of other bonds of THDA or otherwise may also be affected by the availability of residences that meet THDA's acquisition cost limits and the willingness of potential borrowers to assume potential federal recapture tax liability. Although THDA expects that all lendable proceeds available from the Issue 2017-1 Bonds will be used to finance Program Loans, no assurance can be given whether this will occur or the speed at which this may occur.

The last transaction that resulted in an unexpended proceeds redemption was THDA's Homeownership Program Bonds, Issue 1996-3 under the 1985 General Resolution. Notwithstanding past performance, no assurances can be given that proceeds from Issue 2017-1 Bonds will be fully expended for Program Loans.

THDA began committing Program Loans against the expected proceeds from the Offered Bonds on December 2, 2016. As of February 13, 2017, THDA has committed a total principal amount of approximately \$43,100,000 of Program Loans, all of which are Great Choice Program Loans and Homeownership for the Brave Program Loans, that will be allocated to the Offered Bonds. See “RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans”. Assuming successful pricing and closing of the Offered Bonds, THDA expects to reimburse itself on the day of closing for all Program Loans previously purchased, if any.

Changes in Federal or State Law

Legislation affecting the Offered Bonds and THDA's single family mortgage loans may be considered and enacted by the United States Congress or the Tennessee General Assembly. No assurance can be given that the consideration or enactment of any such legislation will not have an adverse effect on the value of, the timing or amount of payments of, or the security for the Offered Bonds or other risks.

In recent years a number of financial institutions and related entities have announced large losses as a result of their mortgage activities and the increasing number of defaults and foreclosures on such mortgages. The United States Congress has passed the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and may pass additional consumer protection and bankruptcy legislation, as a result of the adverse effects of the mortgage situation on individuals and families in the United States. Likewise, the Tennessee General Assembly may enact consumer protection legislation relating to mortgage loan origination and servicing. The Dodd-Frank Act has not,

to date, had a material adverse effect on THDA's single family mortgage program, including its ability to originate new single family mortgage loans, to collect payments under single family mortgage loans and to foreclose on property securing single family mortgage loans; however, additional legislation, if enacted, or regulations, if promulgated to effectuate the purposes of the Dodd-Frank Act or other state or federal regulations, could have an adverse effect on THDA's activities.

A number of state regulatory authorities have taken action in recent years against certain loan originators and servicers for alleged violations of state laws. Certain of those actions prohibit those servicers from pursuing foreclosure actions. In response to alleged abusive lending and servicing practices, the State of Tennessee could enact legislation or implement regulatory requirements that impose limitations on the ability of mortgage loan servicers to take actions (such as pursuing foreclosures) that may be essential to service and preserve the value of the single-family loans. Any such limitations that applied to the THDA's single-family loans could adversely affect the THDA's ability to collect amounts due on such loans and could impair the value of such loans.

Prepayments

THDA, from time to time, receives monies from (i) partial or complete prepayment of Program Loans (which is permitted, without penalty) or (ii) termination of Program Loans prior to their respective final payment date due to default, sale, condemnation or casualty loss. In addition, the Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D "2013 GENERAL RESOLUTION"), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans. The rate at which such prepayments, if any, of Program Loans (including Allocated Program Loans) will be received by THDA cannot be predicted. The actual rate of such prepayments may be influenced by a variety of economic, social and other factors, including proposed legislative and regulatory changes and there is no reliable basis for predicting the actual average life of the Program Loans. Consequently, THDA makes no assumptions or representations as to the factors that will affect the rate of prepayments, if any, or the relative importance of such factors and their potential impact on the actual average life of Program Loans and the expected life of the Offered Bonds. To the extent THDA is required or elects to redeem the Offered Bonds, it is probable that the Offered Bonds will have a shorter life than their stated maturity.

Subject to the requirements of the General Resolution, the resolutions to be adopted in connection with other series of Bonds under the General Resolution and the Code, such prepayments may (i) be required to pay regularly scheduled debt service to the extent a series of the Bonds was based upon an assumed prepayment level; (ii) be used to redeem Bonds of the related series; (iii) be used to redeem Bonds of any series; or (iv) be recycled into additional Program Loans. Further, prepayments attributable to the Program Loans financed with the proceeds of the Offered Bonds, or other Bonds, or portions thereof, may or will be applied to redeem Offered Bonds as described herein under "DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds," "- Special Optional Redemption of the Offered Bonds, including Cross Calls" and "- Mandatory Redemption – 10-Year Rule".

THDA Redemption Practices

The Resolution specifies, and the resolutions to be adopted in connection with other series of Bonds under the General Resolution will specify, when THDA is required to redeem Bonds and when THDA may elect to redeem Bonds. See "DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds."

To the extent THDA has discretion to redeem Bonds and select the maturities and series to be redeemed, THDA's general redemption policy had been to first redeem those Bonds bearing the highest interest rate; however, due to universal cap implications and economic decisions by THDA, THDA's current general redemption policy is to call term bonds on a pro-rata basis within bond issues or to redeem the highest coupon serial bonds where doing so would reduce debt service requirements under the Resolution when possible. Adherence to either policy may be affected by a series of factors including, but not limited to, (i) certain restrictions or limitations imposed by the Code including, but not limited to, 10-year rule requirements and universal cap considerations; (ii) certain limitations or restrictions imposed by the Resolution and/or resolutions adopted in connection with other series of Bonds under the General Resolution including, but not limited to, redemption provisions; (iii) economic considerations; (iv) cash flow requirements; and (v) the amount of prepayments and other monies available to THDA for optional redemption of Bonds.

These factors are regularly considered in determining which Bonds may be selected for redemption. No assumptions or representations can be made as to how or which of these factors or whether any other factors will affect THDA's determination, from time to time, regarding particular Bonds selected for redemption.

Payment of Program Expenses

The General Resolution authorizes payment of all Program Expenses from the Debt Service and Expense Account of the Revenue Fund established under the Resolution, so long as the Debt Service and Expense Account and the Bond Reserve Fund contain amounts sufficient to meet the requirements of the General Resolution. See Appendix D “2013 GENERAL RESOLUTION” for a description of Program Expenses. THDA expects to use funds on deposit in the Debt Service and Expense Account of the Revenue Fund to pay Costs of Issuance, Underwriters’ fees, initial Trustee’s fees, and other similar costs associated with the Offered Bonds and may continue to do so in connection with future Bond issues or may pay such costs and fees from Bond proceeds in future transactions. In addition, THDA expects to pay certain Program Expenses, including ongoing Trustee’s fees, servicing fees, foreclosure fees and expenses and other similar costs, from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from other THDA bond resolutions and from other resources available to THDA. No assurances can be provided that THDA will not withdraw funds from the General Resolution in the future to pay all Program Expenses or other operating and administrative costs and expenses. For more information about the payment of Program Expenses and other operating and administrative costs of THDA, see “THDA – THDA Funds”. THDA does not currently receive funds from the State of Tennessee for operating and administrative costs and expenses.

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions.

Investment Assumptions

Estimated available investment income attributable to the Offered Bonds is calculated assuming that (i) existing Investment Securities in the Revenue Fund and the Bond Reserve Fund pay scheduled interest and principal payments until the earlier of their call date or maturity date; (ii) proceeds of Investment Securities and other receipts in the Revenue Fund are invested at 0% per annum; and (iii) funds on deposit in the Issue 2017-1 Bond Subaccount of the Loan Fund prior to origination of Program Loans, are invested at a rate of 0% per annum.

There can be no assurance that the Investment Securities will provide the investment income projected. If THDA experiences losses or delays in payments on the Investment Securities, there may be insufficient funds to make payments of principal and interest on the Offered Bonds when scheduled.

Average Life of PAC Bonds

The term “weighted average life” refers to the average amount of time that will elapse from the date of issuance of a security until each dollar of principal of such security will be repaid to the investor. The weighted average life of the PAC Bonds will be influenced by the rate at which principal of the Program Loans allocated to the Offered Bonds is repaid. Principal payments of Program Loans may be in the form of scheduled amortization or prepayments (for this purpose, the term “prepayment” includes prepayments and liquidations due to default or other dispositions of the Program Loans, including payments on FHA mortgage insurance, VA guarantees, and private mortgage insurance policies). Prepayments on mortgage loans are commonly measured by a prepayment standard or model. The model used in the following discussion is the Securities Industry and Financial Markets Association (formerly known as the Public Security Association (“PSA”)) prepayment standard or model (commonly referred to as the “PSA Prepayment Model”).

The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of a pool of mortgage loans, beginning at the inception of each mortgage loan. The PSA Prepayment Model starts with 0.2% annualized prepayment rate in the first month, increases the prepayment rate by 0.2% in each succeeding month until the thirtieth month (when a 6.0% annualized prepayment rate is reached) and then assumes a constant prepayment rate of 6.0% per annum of the unpaid principal balance for the remaining life of the mortgage loans.

Prepayment speeds are commonly referred to as a percentage of the PSA Prepayment Model. For instance, “0% PSA” assumes no prepayments of principal on the Program Loans. “25% PSA” assumes the principal of Program Loans will prepay one-quarter as fast as the prepayments rates for 100% of the PSA Prepayment Model. “50% PSA” assumes the principal of Program Loans will prepay one-half as fast as the prepayments rates for 100% of the PSA Prepayment Model. “75% PSA” assumes the principal of Program Loans will prepay three-quarters as fast as the prepayments rates for 100% of the PSA Prepayment Model. “100% PSA” assumes the principal of Program Loans will prepay as fast as the prepayments rates for 100% of the PSA Prepayment Model. “150% PSA” assumes the principal

of Program Loans will prepay at a rate 1.50 times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “200% PSA” assumes the principal of Program Loans will prepay at a rate twice as fast as the prepayments rates for 100% of the PSA Prepayment Model. “300% PSA” assumes the principal of Program Loans will prepay at a rate three times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “400% PSA” assumes the principal of Program Loans will prepay at a rate four times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “500% PSA” assumes the principal of Program Loans will prepay at a rate five times as fast as the prepayments rates for 100% of the PSA Prepayment Model.

There is no assurance, however, that prepayments of the principal on Program Loans will conform to any particular level of the PSA Prepayment Model. The rate of principal payment on pools of mortgage loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage loan interest rates, the rate at which homeowners sell their homes or default on their mortgage loans and changes in mortgagors’ housing needs, job transfers, unemployment and mortgagors’ net equity in the mortgage properties. In general, if prevailing interest rates fall significantly, the Program Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on the Program Loans. As homeowners move or default on their mortgage loans, the houses are generally sold and the mortgage loan prepaid, although under certain circumstances, the mortgage loans may be assumed by a new buyer. Because of the foregoing influences upon prepayments and since the rate of prepayment of principal of Bonds will depend on the rate of repayment (including prepayments) of the Program Loans, the full repayment of any Bonds is likely to occur earlier, and could occur significantly earlier, than its stated maturity.

The Program Loans allocable to the Offered Bonds may be terminated prior to final maturity as a result of prepayment, default, sale, condemnation, casualty loss or noncompliance. In addition, matters discussed under “Changes in Federal or State Law” above could have an effect on terminations. Consequently, it is impossible to predict the timing of the repayment of principal of the Program Loans allocable to the Offered Bonds and hence the weighted average life of the PAC Bonds. THDA has provided for the redemption of the PAC Bonds as described under the heading “DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds—Special Mandatory Redemption of PAC Bonds”, and the weighted average lives of the PAC Bonds set forth below have been calculated based upon various assumptions, including assumptions that (i) 100% of the money deposited in the Issue 2017-1 Bond Subaccount of the Loan Fund is applied to finance Program Loans, (ii) approximately \$19,971,211 of Allocated Program Loans with an approximate weighted average maturity of 260 months and an approximate weighted average interest rate of 6.35% will be allocated to the Offered Bonds, (iii) Excess 2017-1 Principal Payments will be used to redeem PAC Bonds only on Interest Payment Dates, and (iv) the PAC Bonds will be redeemed only in the related Planned Amortization Amounts as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds” and will not otherwise be redeemed in whole or in part. There can be no assurance that such assumptions will in fact prove accurate. For certain information regarding Allocated Program Loans see “DESCRIPTION OF ALLOCATED PROGRAM LOANS” herein.

THDA began committing Program Loans against the expected lendable proceeds from the Offered Bonds on December 2, 2016, and as of February 13, 2017, THDA has committed a total principal amount of approximately \$43,100,000 of Program Loans that will be allocated to the Offered Bonds, all of which are Great Choice Program Loans or Homeownership for the Brave Program Loans. THDA expects to reimburse itself for the full original principal amount of the Program Loans purchased as of the day of closing, if any.

RESIDENTIAL FINANCE PROGRAM LOANS

Description of Residential Finance Program Loans

General

THDA generally offers a primary loan program and may, from time to time, offer certain special loan programs. THDA Household Income Limits and THDA Acquisition Cost Limits for all loan programs are set in compliance with Code requirements. Household Income Limits and Acquisition Cost Limits may be further restricted for certain special loan programs. The current THDA Acquisition Cost Limits range from \$250,000 to \$375,000 depending on geographic location. The THDA Household Income Limits range from \$56,100 to \$95,900 depending on household size and geographic location. See Appendix G for a description of Residential Finance Program Loan Procedures related to Code requirements.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-1 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple estate in real property located in the State. THDA does not expect to use lendable proceeds of the Offered Bonds to purchase participations in Program Loans insured by private mortgage insurance. While the Issue 2017-1 Supplemental Resolution provides that all participations in Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Since June 15, 2015, THDA has applied underwriting standards for Program Loans made after that date that, among other things include a minimum credit score of 640 for all borrowers and a required monthly debt to income ratio that does not exceed 45%. Program Loans financed prior to such date, including the Allocated Program Loans, were underwritten under different underwriting standards. THDA may, from time to time, initiate certain special limited programs for which some of these requirements may be waived.

On or before September 30, 2013, the THDA primary loan program included Great Rate loans, Great Advantage loans, Great Start loans and Homeownership for the Brave loans, all as described below. Allocated Program Loans financed prior to September 30, 2013, are Great Rate, Great Advantage, Great Start or Homeownership for the Brave Program Loans. On and after October 1, 2013, the THDA primary loan program includes Great Choice Program Loans and Homeownership for the Brave Program Loans, all as described below.

On or before September 30, 2013, THDA provided downpayment and closing cost assistance in the form of a grant that was available in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made. On and after October 1, 2013, THDA provided downpayment and closing cost assistance in the form of Great Choice Plus Program Loans as described below.

Great Choice Program Loans

Since October 1, 2013, THDA has made Great Choice Program Loans available to eligible borrowers. Great Choice Program Loans are thirty year, fixed interest rate loans, fully amortized with full documentation and secured by a first lien on the property purchased. The interest rate for Great Choice Program Loans is set at a rate which results in the yield on such Program Loans not in excess of 1.125% above the yield on the related issue of bonds. The current interest rate for Great Choice Program Loans is 4.375%.

See Appendix B for a summary of the mortgage insurance or guarantee programs applicable to these Program Loans.

Great Choice Plus Loans

Since October 1, 2013, THDA has made Great Choice Plus loans available to eligible borrowers. Great Choice Plus loans are loans for downpayment and closing cost assistance and are available at the election of eligible borrowers in connection with Great Choice Program Loans. From October 1, 2013, to September 30, 2014, they were ten year, 0% interest rate loans in a principal amount equal to 4% of the purchase price of the property purchased. From October 1, 2014, to September 30, 2016, Great Choice Plus Loans were 0% interest, deferred, forgivable second lien loans with a fifteen year term. During the first ten years of the term, no monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. From years eleven through fifteen, each Great Choice Plus loan will be forgiven at twenty percent per year and the amount due on sale will be reduced by the forgiven amount. Great Choice Plus loans are secured by a second lien on the property purchased, are due on sale and are not assumable.

For applications received on or after October 3, 2016, Great Choice Plus Loans will be thirty year 0% interest rate second lien loans in a principal amount up to 5% of the purchase price of the property purchased. No monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. The full original amount will be forgiven at the end of the thirty year term.

At the election of THDA, Great Choice Plus loans may be financed with proceeds of Bonds issued under the Resolution or from other resources available to THDA, including, without limitation, excess funds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. To date, all Great Choice Plus loans have been financed with other resources available to THDA and will not be funded with the proceeds of the Offered Bonds. No assurance can be provided, however, that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Great Choice Plus loans with the proceeds of such Bonds. In the event proceeds of future series of Bonds are used to fund Great Choice Plus loans, such loans will constitute Program Loans, will be subject to the lien of the General Resolution and will be a portion of the sources of payment of and security for the Bonds.

New Start Program Loans

New Start Loan Program Loans are designed to promote the construction of new homes for very low-income Tennesseans. New Start Loan Program Loans are delivered through non-profit organizations with established programs for the construction of single family housing for low and very low income households. The non-profit organization selects the homebuyer, determines eligibility, constructs the home, provides homebuyer education, originates, processes, closes and services the New Start Program Loan. New Start Program Loans are serviced by the Federation of Appalachian Housing Enterprises, Inc., as of January 1, 2015. New Start Program Loans have loan terms up to thirty years and are secured by a first lien on the property purchased. A 0% interest rate is available to borrowers who have a maximum family income of 60% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. As of December 1, 2016, the maximum loan amount was increased to \$123,750 for Maury, Williamson, Davidson, Rutherford, Wilson and Sumner Counties. An interest rate equal to one-half of the current interest rate for Great Choice Program Loans is available to borrowers who have a maximum family income of 70% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. All other THDA Program Loan requirements remain applicable.

As of December 31, 2016 (unaudited), 110 New Start Program Loans, with an aggregate principal balance of approximately \$5,483,690, were outstanding under the General Resolution. Although THDA may use amounts made available as a result of the issuance of the Offered Bonds to finance New Start Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans.

Homeownership for the Brave

Homeownership for the Brave Program Loans are available to eligible borrowers at a ½-percentage point reduction on the otherwise applicable loan program. Active and retired members of the military and reservists (180 days active duty) and spouses, and surviving spouses of qualified veterans are all eligible to receive this reduction.

As of December 31, 2016 (unaudited), 216 Homeownership for the Brave Program Loans, with an aggregate principal balance of approximately \$24,415,681, were outstanding under the General Resolution. Eligible borrowers will also be eligible for Great Choice Plus loans. THDA may continue to finance Homeownership for the Brave Loans, from time to time, from the proceeds of the Offered Bonds as well as from the proceeds of other Bonds.

Disaster Relief and Economic Recovery Mortgage Program

THDA made Disaster Relief and Economic Recovery Mortgage Program Loans from funds available under the 1974 General Resolution. In connection with Issue 2013-1 Bonds issued under the General Resolution, certain of these Disaster Relief and Economic Recovery Program Loans became transferred program loans allocable to the Issue 2013-1 Bonds under the General Resolution.

As of December 31, 2016 (unaudited), 194 Disaster Relief Program Loans, with an aggregate principal balance of approximately \$11,445,392, were outstanding under the General Resolution. THDA no longer makes loans of this type.

Great Rate/Great Advantage/Great Start Program Loans

Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were available to qualified borrowers prior to October 1, 2013. Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were thirty year, fixed interest rate loans, fully amortized, with full documentation, and secured by a first lien on the property purchased. Interest rates for each type of Program Loan were established at rates which resulted in a blended yield on such Program Loans not in excess of 1.125% above the yield on the related issue of Bonds. THDA also provided downpayment and closing cost assistance in the form of a grant in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made.

As of December 31, 2016, 2,602 Great Rate, 101 Great Advantage, and 1,761 Great Start Program Loans, with an aggregate principal balance of approximately \$380,089,794, were outstanding under the General Resolution.

Although Allocated Program Loans include Great Rate or Great Start Program Loans, THDA no longer makes loans of this type.

Residential Finance Program Portfolio Data

As of December 31, 2016 (unaudited), 11,663 Program Loans for single family owner-occupied housing having an aggregate outstanding principal amount of approximately \$1,102,041,600 were outstanding under the General Resolution. These Program Loans had an approximate remaining weighted average maturity of 307.43 months and an approximate weighted average interest rate of 4.45%.

Privately Insured Program Loans

Since January 2, 2009, THDA has not purchased conventional, privately insured loans because no private mortgage insurers, since January 2, 2009, have or have had ratings of at least 'AA' by Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc. ("S&P"). Should any private mortgage insurers regain a rating of at least 'AA' from S&P, THDA will reconsider whether to resume purchasing conventional loans. Notwithstanding the foregoing, certain Program Loans allocated to Bonds under the General Resolution, either upon their direct transfer to the General Resolution or upon the refunding of other THDA obligations are privately insured and are shown under the heading "Privately Insured" in the chart above.

Each private mortgage insurer insuring conventional, privately insured Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least 'AA' by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least 'AA' by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

Delinquency and Foreclosure Process

For all Program Loans, THDA tracks (i) exceptions to normal, expected monthly payments; (ii) individual Program Loan balances; and (iii) remittances based on automated data received directly from its Servicers. THDA uses this data to calculate delinquency rates and foreclosures. Those Program Loans for which two payment dates have passed with no payment received by the last business day of the month in which the second payment was due are

considered 60 to 89 days past due. Those Program Loans for which three or more payment dates have passed with no payments received by the last business day of the month in which the third payment was due are considered 90 or more days past due. The status of Program Loans to borrowers who are in bankruptcy is fixed beginning at the time bankruptcy proceedings commenced. The definitions used by THDA to calculate delinquency rates and foreclosure rates are consistent with those used by the Mortgage Bankers Association of America ("MBA").

The financial institutions who service Program Loans manage delinquencies by working with borrowers in an attempt to avoid defaults and by sending payment requests to borrowers who are delinquent. THDA supports counseling programs for delinquent as well as prospective borrowers. These counseling services are provided by lenders, non-profit organizations and social service agencies located throughout the State. DESCRIPTION OF THE ALLOCATED PROGRAM LOANS

General

As of December 31, 2016, the Allocated Program Loans have an approximate weighted average maturity of 263 months and a weighted average interest rate of 6.35% per annum. Average prepayment rate information for the Allocated Program Loans is discussed in “DESCRIPTION OF THE ALLOCATED PROGRAM LOANS – Prepayment Experience of Allocated Program Loans” below. The Allocated Program Loans initially were financed with proceeds of THDA’s Homeownership Program Bonds, Issue 2008-3, issued pursuant to the 1985 General Resolution (the “2008-3 Bonds”) which 2008-3 Bonds are no longer outstanding. It is anticipated that the characteristics of the pool of Allocated Program Loans will be substantially similar to the loans described below (such information below is as of December 31, 2016; the Allocated Program Loans will not be allocable to the Offered Bonds until March 30, 2017, and Allocated Program Loan characteristics may change from December 31, 2016, to March 30, 2017).

Privately Insured Allocated Program Loans

Each private mortgage insurer insuring conventional, privately insured THDA Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least ‘AA’ by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured THDA Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least ‘AA’ by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

THDA

Purpose and Organization

THDA is a body, politic and corporate, and a political subdivision and instrumentality of the State. THDA was established in 1973 by the Act for the purpose, among other things, of raising funds through the issuance of its bonds and notes to assure a steady flow of production of new housing units for lower and moderate income persons and families. To carry out its public purposes, THDA has various powers under the Act including, without limitation, powers relating to the issuance of bonds or notes and the financing of residential housing in the State.

In accordance with Tennessee law, state entities, including THDA, are subject to periodic review by the General Assembly to evaluate the necessity for their continued existence. THDA's existence has been continued until June 30, 2018.

Under the Act, THDA may have bonds and notes outstanding in an aggregate principal amount not exceeding \$2,930,000,000. As of December 31, 2016 (unaudited), THDA has bonds and notes outstanding in an aggregate principal amount of \$1,886,900,000, calculated in accordance with the Act.

Board of Directors

THDA is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of THDA. The Act provides that six board members be appointed by the Governor from among the following groups: retail building material supply, manufactured housing, home building, mortgage banking, licensed real estate brokers, local public housing authority, local government and qualifying non-profits. Any change in the status or profession of an appointed board member does not affect the position or term of that board member. The Executive Director of THDA serves as Secretary to the board.

Board members (other than *ex officio* members and the federally required resident member) are appointed for four year terms, serve until their successors are duly appointed and qualified, and receive no compensation except for reimbursement of expenses. Certain board members may be affiliated with institutions which may originate or service Program Loans on behalf of THDA. One of the appointed board members is designated by the Governor to serve as Chairman. THDA Funds

Statutorily Created Funds

In 1988, the General Assembly of the State of Tennessee (the "State") amended the Act to provide, among other things, for the creation of the Housing Program Fund and the Assets Fund, which funds are financially separate from the General Resolution and all of the other general bond resolutions and mortgage loan programs of THDA.

The Housing Program Fund is the vehicle used by THDA to fund non-mortgage programs not otherwise funded through federal programs. Essentially, all revenues of THDA derived from sources other than the General Resolution or other bond resolutions are deposited into the Housing Program Fund. Amounts in the Housing Program Fund currently include investment income from the Housing Program Fund, federal funds received by THDA for the administration of federal programs, and fees charged by THDA in connection with its non-mortgage programs. Amounts in the Housing Program Fund are not pledged as security for the Offered Bonds.

The Assets Fund is a segregated fund of THDA that originally contained assets transferred in 1989 from the 1974 General Resolution in accordance with its terms, together with related investment earnings, but which presently has a balance of \$0. Amounts in the Assets Fund, if any, are not pledged as security for the Offered Bonds.

Prior Transfers from THDA

The Constitution of the State requires, for current operations, that expenditures for any fiscal year not exceed the State's revenues and reserves, including the proceeds of any debt obligations, for that year. When faced with budget deficits in the past, the State has called upon THDA and its resources, together with resources of other departments, agencies and organizations in state government, to provide funds to the State General Fund to balance the State budget. The following is a description of these occurrences in relationship to THDA.

As of June 30, 1995, \$15,000,000 in THDA's Housing Program Reserve Fund was transferred to the State General Fund to assist in balancing the State budget for fiscal year 1994-1995.

As of June 30, 1998, \$43,000,000 was transferred from THDA to the State General Fund to assist in balancing the State budget for fiscal year 1997-1998. The \$43,000,000 transferred from THDA to the State General Fund came from the following resources of THDA: (i) \$15,459,157 from state tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. In addition, in conjunction with the transfer from the Housing Program Reserve Fund described in clause (ii), the Housing Program Reserve Fund was statutorily abolished.

Amendments to the Act in 1999 and in 2000, temporarily, then permanently, redirected to the State General Fund, all tax revenue previously directed by the Act to THDA for the HOUSE Program, a grant program no longer administered by THDA. As a result of the permanent redirection of these state tax revenues, no state tax revenues currently are appropriated to THDA.

As of June 30, 2002, \$35,367,449.26 was transferred from THDA's Assets Fund to the State General Fund to assist in balancing the State budget for fiscal year 2001-2002. The remaining balance of the Assets Fund, approximately \$1,387,000 of mortgage loans, was not required to be liquidated and the proceeds transferred. THDA subsequently transferred these mortgage loans to the General Fund of the Housing Bond Resolution (Mortgage Finance Program) which reduced the balance in the Assets Fund to \$0.

No additional resources of THDA have been redirected or transferred to the State General Fund to close out any fiscal year since the fiscal year ending June 30, 2002.

Notwithstanding the foregoing, if projected State budget needs outstrip actual or projected revenues, the State may seek additional sources of funds or seek to realize program savings through reductions or more efficient delivery of services; however, THDA cannot predict whether or not this will occur or, if it does, what actions may be proposed or eventually taken and what effect, if any, such actions may have on THDA. If action is taken to redirect or transfer THDA resources to the State General Fund, such amounts could include THDA resources that are not pledged to any bonds of THDA, as well as any available excess revenues eligible for withdrawal under THDA bond resolutions, including the General Resolution. No assurance can be made that the current ratings on the Bonds or other bonds of THDA can be maintained in the event funds are withdrawn from THDA bond resolutions, including the General Resolution.

Payment of THDA Operating Expenses, Including Program Expenses

THDA currently receives no funds from the State of Tennessee for operating and administrative expenses. THDA is authorized to pay all operating and administrative expenses, including certain Program Expenses of the General Housing Finance Program, with funds available therefor from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. THDA may pay certain expenses, such as Costs of Issuance, Underwriter's fees, initial Trustee's fees, and other similar costs from amounts on deposit in the Debt Service and Expense Account of the Revenue Fund. THDA currently expects to continue to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees, and other similar costs from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. From this combination of resources, THDA believes it will have sufficient resources to pay Program Expenses and other THDA operating and administrative costs and expenses. Certain actions by the General Assembly of the State of Tennessee may affect future payment of operating and administrative expenses. Regardless of THDA's best efforts and in the event of additional transfers to the State, however, THDA could become reliant on State appropriations for the funding of THDA operations. No assurances can be given as to the amount of appropriation that may be available at any time.

Tennessee Consolidated Retirement System

General Information

THDA employees are authorized to participate in the Tennessee Consolidated Retirement System ("TCRS"), a defined benefit pension plan, pursuant to Tennessee Code Annotated Section 13-23-115(21). The general administration and responsibility for the proper operation of TCRS are vested in a twenty member Board of Trustees. The Treasury Department, a constitutional office in the legislative branch of state government, is responsible for the administration of TCRS, including the investment of assets in the plan, in accordance with state statute and in accordance with the policies, rules, and regulations established by the Board of Trustees.

The TCRS covers three large groups of public employees; (1) state employees (including THDA employees) and higher education employees; (2) teachers; and (3) employees of certain local governments. There are 58,683 active members in TCRS in the state and higher education employee group at June 30, 2016. This total includes 230 employees of THDA who are members of TCRS.

The State of Tennessee is ultimately responsible for the financial obligation of the benefits provided by TCRS to state employees (including THDA employees) and higher education employees to the extent such obligations are not covered by employee contributions and investment earnings. The obligation is funded by employer contributions as determined by an actuarial valuation.

By statute, an actuarial valuation of TCRS is to be conducted at least once in each two year period. The purpose of the actuarial valuation is to determine the financial position of the plan and to determine the appropriate employer contribution rate called "actuarially determined contributions (ADC)". Beginning June 30, 2015, the funding policy adopted by the TCRS Board of Trustees provides for an actuarial valuation to be conducted as of June 30 of each year. Previously, actuarial valuations were conducted every other year.

The most recent actuarial valuation completed as of June 30, 2015 established the employer contribution rates for the period July 1, 2016 through June 30, 2017. The recently completed June 30, 2016, actuarial valuation will establish employer contribution rates for the period July 1, 2017 through June 30, 2018. The July 1, 2013 actuarial valuation established the employer contribution rates for the two year period beginning July 1, 2014 and ending June 30, 2016.

Retirement Plan for Employees Hired Prior to July 1, 2014 ("Closed State and Higher Education Employee Pension Plan")

Employees hired prior to July 1, 2014 participate in a defined benefit plan as a condition of employment. The benefit accrual formula is 1.575% under the Closed State and Higher Education Employee Pension Plan. Eligibility to retire is age 60 or 30 years of service. Vesting is 5 years. Employees do not contribute to the plan. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

Retirement Plan for Employees Hired on or after July 1, 2014 ("State and Higher Education Employee Retirement Plan")

As authorized by Public Chapter 259, Acts of 2013, employees first hired on or after July 1, 2014, participate in a retirement plan consisting of a defined benefit plan and a defined contribution plan. Employees contribute at 5% of salary to the defined benefit plan. Employees also contribute 2% of salary to the defined contribution plan unless the employee opts out of making such contribution. The total employer cost for the two plans will be limited to 9% of salary with 4% targeted to the defined benefit plan (minimum set by statute) and 5% to the defined contribution plan.

The benefit accrual formula under the State and Higher Education Employee Retirement Plan will be 1%. Eligibility to retire is age 65 or the rule of 90 (where age and service equals 90) under the plan. Vesting is 5 years. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

The defined benefit component of the State and Higher Education Employee Retirement Plan has automatic cost controls and automatic controls over unfunded accrued liability. Within the retirement plan, there is a stabilization reserve created for any employer contributions that exceed the ADC that will be utilized to control cost and unfunded liabilities. The automatic controls are based on the results of the actuarial valuation. Control features include utilizing funds in the stabilization reserve (if any), limiting retiree cost of living adjustments, shifting future employer contributions from the defined contribution plan to the defined benefit plan, requiring additional employee contributions, and adjusting

benefit accruals. The control features only apply to the State and Higher Education Employee Retirement Plan and do not apply to the Closed State and Higher Education Employee Pension Plan.

Actuarial Data for Retirement Plan for Employees Hired Prior to July 1, 2014

For employees hired prior to July 1, 2014, state agencies contribute to TCRS 15.03% of salary for the period July 1, 2014 through June 30, 2016 while employees do not contribute to the plan. The July 1, 2013 actuarial valuation established the 15.03% employer contribution rate for this period. The June 30, 2015 actuarial valuation established the employer contribution rate of 15.02% that is applicable for the period July 1, 2016 through June 30, 2017.

An actuarial valuation was performed as of June 30, 2015 to determine the TCRS financial position in order to provide information related to new Governmental Accounting Standards Board (GASB) pronouncements. At June 30, 2016 (measurement date of June 30, 2015), the net pension liability for the state and higher education employee group based on the market value of assets was \$1.3 billion, resulting in a plan fiduciary net position as a percentage of total pension liability of 91.26%.

Actuarial Data for Retirement Plan for Employees Hired on or after July 1, 2014

For employees hired on or after July 1, 2014, the overall 4% employer contribution rate to TCRS for the period July 1, 2014 - June 30, 2016, consists of 3.87% for general employees, with the employer rate for judicial and public safety employees being higher at 7.00% and 4.62%, respectively. The employer contribution rate for general employees of 3.87% consists of 2.00% for the ADC and 1.87% for the stabilization reserve.

An actuarial valuation at June 30, 2015 established that the employer overall rate will remain at the minimum statutory level of 4%. For the period July 1, 2016 - June 30, 2017, the employer rate for general employees will be 3.94% while the employer rate for judicial and public safety employees will be 6.27% and 4.69%, respectively. The employer contribution rate for general employees of 3.94% consists of 1.13% for the ADC and 2.81% for the stabilization reserve.

THDA Employer Contributions to TCRS

For THDA, the employer contribution rate for employees hired before July 1, 2014, stated as a percentage of salary, is as follows: 15.03% for the period beginning July 1, 2014, and ending June 30, 2016, based on the actuarial valuation performed as of July 1, 2013 and 15.02% for the period beginning July 1, 2016, and ending June 30, 2017, based on the actuarial evaluation performed as of July 1, 2015. For employees first hired after June 30, 2014, the employer rate is 8.87% for fiscal year ending June 30, 2016, and 8.94% for fiscal year ending June 30, 2017 (combined rate for defined benefit plan and defined contribution plan).

THDA's actual and estimated contributions to TCRS are reflected in the following table:

Fiscal Year ended June 30	Employer Contribution Rate	Total Salary of THDA Employees	THDA Employer Contributions to TCRS	Percentage of THDA Budget
2017 ⁽¹⁾	15.02/9% ⁽²⁾	\$16,398,800 ⁽¹⁾⁽³⁾	\$2,340,940	2.03%

2007	13.58	8,644,241	1,175,459	0.96

(1) Estimated

(2) Varies depending on plan the employee is enrolled in.

(3) The increase in "Total Salary of THDA Employees" from the actual amount for the fiscal year ending June 30, 2016, to the estimated amount for the fiscal year ending June 30, 2017, is due to the additional salaries for approximately thirty-eight (38) positions THDA expects to fill in connection with the servicing activities THDA expects to undertake later in 2017.

For the fiscal year ending June 30, 2016, the salary of THDA employees totaled \$11,965,554, which represents 0.45% of the \$2.677 billion of salary for all state and higher education employees in TCRS.

It is anticipated that there will be upward pressure on the employer contribution rate in the Closed State and Higher Education Employee Pension Plan in future actuarial valuations as deferred investment losses that have been actuarially smoothed are recognized over the next ten years as well as a continuing low earnings environment.

Defined Contribution Program

Defined Contribution Plan for employees hired prior to July 1, 2014

A voluntary defined contribution plan is provided to state employees and higher education employees giving them the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Defined Contribution Plan for employees hired on or after July 1, 2014

A defined contribution plan for state employees and higher education employees entering service on or after July 1, 2014, is a component of the State and Higher Education Employee Retirement Plan. By statute, employer contributions are made at the rate of 5% of salary to the 401(k) plan. However, employer contributions may be reduced as part of the cost controls and unfunded liability controls as previously described in the defined benefit plan component of the State and Higher Education Employee Retirement Plan. Upon employment, employees are automatically enrolled to contribute 2% of salary to the defined contribution plan but employees may elect to increase or decrease the employee contributions at any time.

General Information about the 401(k) and 457 Defined Contribution Plans

The state provides an additional voluntary defined contribution plan to give state employees and higher education employees the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Employee contribution limits to the 401(k) and 457 plans are established by federal statute. In the 401(k) plan, available to state and higher education employees in both the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan, voluntary employee contributions are matched by employer contributions up to a maximum of \$50 per month. Employer contributions are subject to the funding being appropriated in the budget each fiscal year; otherwise, no match will be made by THDA.

Employees are immediately vested in employee and employer contributions. Employees can choose to invest employer and employee contributions among a variety of investment products.

For the fiscal year ended June 30, 2016, 173 THDA employees made contributions to the 401(k) plan and 10 THDA employees made contributions to the 457 plan. THDA made employer contributions to the 401(k) plan that totaled \$86,335 while THDA employees contributed a total of \$243,815 to the 401(k) plan and the 457 plan.

Other Post-Employment Benefits

Certain other GASB Statements (nos. 43 and 45) provide accounting and financial reporting requirements for retiree healthcare plans and employer participants, commonly known as Other Post-Employment Benefits ("OPEB"). To date, the State has reported OPEB costs in the aggregate for all State employees. The State received an actuarial study as of July 1, 2015, that includes OPEB costs attributable to the State and, separately, for certain of its component units (including THDA) that are required to participate in the State's retirement and benefit plans. The study, which used a projected unit credit actuarial cost method, indicates that for the fiscal year ended June 30, 2016, the total unfunded actuarial liability of THDA is approximately \$2,923,000 and the annual required contribution for THDA is approximately \$341,000. The annual required contribution consists of the normal cost (the portion of the actuarial present value of OPEB benefits which is allocated to a valuation year by the actuarial cost method) and an amortization of the unfunded actuarial liability. The report may be reviewed at <http://www.tennessee.gov/finance/act/OPEB.html>. The State is not currently funding any actuarially determined OPEB liability, and will continue to use pay-as-you-go funding of actual costs of OPEB liabilities incurred for the fiscal year. The State will charge THDA for these actual costs allocable to THDA's employees, but not for any actuarially determined OPEB liability. The State has the flexibility to adjust the

various plan options on an annual basis, and will continue to analyze the cost of the choices available to current employees and retirees and the cost of the choices on the employees, retirees and the State's cash flow to manage these expenditures going forward.

General Resolution Requirements

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions. In addition, certain tests must also be met prior to any withdrawal of funds under the lien of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution. THDA funds which are not pledged under the referenced Resolutions can be removed without meeting such tests.

Absence of Interest Rate Swap Transactions

THDA has never entered into an interest rate swap transaction and no such transaction is currently anticipated by THDA.

TAX MATTERS

THDA has included provisions in the Resolution, the Guide for Originating Agents issued by THDA and other relevant documents and has established procedures, including receipt of certain affidavits and warranties from Originating Agents and borrowers (the "Program Documents") in order to assure compliance with the Program Loan eligibility requirements and other requirements which must be met subsequent to the issuance of the Offered Bonds. Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with applicable federal tax law and, for such purpose, to adopt and maintain appropriate procedures. THDA believes that the procedures and documentation requirements established for the purpose of fulfilling this covenant are sufficient to assure that the proceeds of the Offered Bonds will be applied in accordance with the requirements of applicable federal tax law so as to assure that interest on the Offered Bonds will not be included in the gross income of the owners thereof for federal income tax purposes.

Opinion of Bond Counsel

In the opinion of Bond Counsel, interest on the Offered Bonds will be excluded from gross income for federal income tax purposes under existing laws as enacted and construed on the date of the issuance of the Offered Bonds, assuming the accuracy of the certifications of THDA and continuing compliance by THDA with the requirements of the federal tax laws. Bond Counsel is also of the opinion that interest on the Issue 2017-1 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

Ownership of the Offered Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income", taxpayers who may be deemed to have incurred or continued debt to purchase or carry the Offered Bonds and taxpayers otherwise eligible to claim the earned income credit. Bond Counsel expresses no opinion as to such collateral tax consequences.

Certain recipients of interest on the Offered Bonds may be subject to backup withholding under Section 3406 of the Code, unless the recipient of interest furnishes its taxpayer identification number with the payor of the interest or is otherwise exempt from backup withholding tax.

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Offered Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Offered Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Offered Bonds or the market value thereof would be impacted thereby. Purchasers of the Offered Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions to be expressed by Bond Counsel will be based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of

issuance and delivery of the Offered Bonds and Bond Counsel will express no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

In the opinion of Bond Counsel, under the laws of the State of Tennessee as enacted and construed on the date of issuance of the Offered Bonds, as applicable, interest on the Offered Bonds is exempt from income tax imposed by the State of Tennessee on interest income; however, the Offered Bonds and interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee.

An amount equal to the excess of the issue price of an Offered Bond sold at a premium (a "Premium Bond") over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

LEGAL INVESTMENT

The Act provides that the bonds of THDA are securities in which all public officers and bodies of the State and all municipal subdivisions, all insurance companies and associations and other persons carrying on insurance business, all banks, bankers, trust companies, including savings and loan associations, building and loan associations, investment banking companies and other persons carrying on an investment banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are now or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest in the bonds of THDA with funds, including capital, in their own control or belonging to them.

RATINGS

Moody's Investors Service, Inc. ("Moody's") has assigned the Offered Bonds a rating of 'Aa1' and Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLP business ("S&P") has assigned the Offered Bonds a rating of 'AA+'. Such ratings reflect only the views of the respective rating agency and an explanation of the criteria for and the significance of such ratings may be obtained from Moody's and Standard & Poor's. THDA has furnished to Moody's and Standard & Poor's certain information and materials with respect to the Offered Bonds. Generally, rating agencies base their ratings on such information and materials, and on investigations, studies and assumptions made by the rating agencies. There is no assurance that the ratings will continue for any given period of time or that the ratings will not be revised or withdrawn entirely by these rating agencies, if in the judgment of the rating agency, circumstances so warrant. A downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Offered Bonds.

Due to the ongoing uncertainty regarding the economy of the United States of America (including, without limitation, matters such as the current and future political uncertainty regarding the United States debt limit), obligations, such as the Offered Bonds, issued by state and local governments, and instrumentalities thereof, could be subject to a rating downgrade. Additionally, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations, including the Offered Bonds. When certain automatic spending cuts are imposed on the federal government as a result of actions taken or not taken by the federal government (commonly referred to as a sequester) or when the federal government fails to pass certain spending authorizations prior to certain deadlines, resulting in a cessation of various governmental functions and operations (commonly referred to as a government shutdown), there may not be any immediate direct adverse impact on FHA, VA, RD or THDA. No assurance can be given, however, that a sequester or a government shutdown that lasts an extended period of time would continue to have no direct adverse impact upon the United States housing industry in general or THDA in particular.

CONTINUING DISCLOSURE

Secondary Market Disclosure

THDA is currently disseminating and presently intends to continue to disseminate information relating to its various single-family mortgage revenue bonds in accordance with the quarterly secondary market disclosure project sponsored by the National Council of State Housing Agencies. THDA has filed quarterly reports, beginning with the quarter ending June 30, 1994, with each then nationally recognized municipal securities information repository. THDA also expects that its official statements, which contain audited financial information about THDA, with respect to bonds issued under the General Resolution, the 1985 General Resolution, and the 2009 General Resolution will be filed with the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access (EMMA) system if and when bonds are so issued. It is the present intent of THDA to continue making voluntary secondary market disclosure as described above.

Continuing Disclosure Undertaking

In order to comply with the requirements of Rule 15c2-12 (the "Rule") under the Securities Exchange Act of 1934, THDA, in the Issue 2017-1 Supplemental Resolution for the benefit of the Beneficial Owners of the Issue 2017-1 Bonds, agrees to file:

(a) With the MSRB, within 210 days after the end of each THDA fiscal year, a copy of its annual financial statements, prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standard Board, as described in "FINANCIAL STATEMENTS" below, and an annual update of the type of information in this Official Statement (i) of the nature disclosed under "RESIDENTIAL FINANCE PROGRAM BONDS," and "RESIDENTIAL FINANCE PROGRAM LOANS" including, without limitation, information with respect to the outstanding balances of Program Loans, by mortgage type, and delinquency information, (ii) contained in Appendix E hereto and (iii) regarding annual required contributions for employee pension plan and other post-employment benefits to the extent not included in annual financial statements (collectively, "Annual Financial Information"). If unaudited financial statements are provided as part of the Annual Financial Information by the above date, then THDA shall provide, when and if available, a copy of THDA's audited financial statements to the MSRB;

(b) In a timely manner, not in excess of 10 business days after the occurrence of the event, with the MRSB and the Trustee, notice of the occurrence of any of the following events (if applicable) with respect to the Offered Bonds: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserve funds reflecting financial difficulties; (iv) unscheduled draws on any credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service (the "IRS") of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Offered Bonds, or other material events affecting the tax status of the Offered Bonds; (vii) modifications to rights of holders of the Offered Bonds, if material; (viii) bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Offered Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of THDA (which event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for THDA in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of THDA, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of THDA); (xiii) the consummation of a merger, consolidation, or acquisition involving THDA or the sale of all or substantially all of the assets of THDA, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(c) In a timely manner, to (i) the MRSB and (ii) the Trustee, notice of a failure by THDA to provide the Annual Financial Information set forth in (a) above within the time limit specified above.

THDA may amend the Issue 2017-1 Supplemental Resolution, with respect to the above agreements, without the consent of the Beneficial Owners of the applicable Issue of Offered Bonds (except to the extent required under clause (4)(ii) below), if all of the following conditions are satisfied: (1) such amendment is made in connection with a

change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of THDA or the type of business conducted thereby; (2) these agreements as so amended would have complied with the requirements of the Rule as of the date of the Issue 2017-1 Supplemental Resolution, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; (3) THDA shall have delivered to the Trustee an opinion of counsel, addressed to THDA and the Trustee, to the same effect as set forth in clause (2) above; (4) either (i) THDA shall deliver to the Trustee an opinion of or determination by a person unaffiliated with THDA (which may include the Trustee or bond counsel), acceptable to THDA and the Trustee, addressed to THDA and the Trustee, to the effect that the amendment does not materially impair the interests of the holders of the Offered Bonds, or (ii) the holders of the Offered Bonds consent to the amendment pursuant to the same procedures as are required for amendments to the General Resolution with consent of the holders of Offered Bonds pursuant to the General Resolution as in effect on the date of the Issue 2017-1 Supplemental Resolution, and (5) THDA shall have delivered copies of such opinion(s) and the amendment to the MRSB.

THDA acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit for the Beneficial Owners of the Offered Bonds whether or not the Rule applies to such Bonds. Breach of this undertaking will not be a default under the Resolution but this undertaking may be enforced by any Beneficial Owner of the Offered Bonds exclusively by an action for specific performance. This undertaking shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this undertaking shall be instituted in a court of competent jurisdiction in the State.

ABSENCE OF MATERIAL LITIGATION

At the time of delivery of and payment for the Offered Bonds, a certificate of THDA and an opinion of counsel will be furnished, dated the date of delivery, to the effect that there is no controversy or litigation of any nature at such time pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Offered Bonds, or in any way contesting or affecting the validity of the Offered Bonds or any proceedings of THDA taken with respect to the issuance or sale thereof or the pledge or application of any moneys or security provided for the payment of the Offered Bonds or the existence or powers of THDA.

Independent Auditor's Report

The Honorable Bill Haslam, Governor
Members of the General Assembly
Members of the Board of Directors
Mr. Ralph Perrey, Executive Director

Report on the Financial Statements

We have audited the accompanying financial statements of the Tennessee Housing Development Agency, a component unit of the State of Tennessee, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Tennessee Housing Development Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Tennessee statutes, in addition to audit responsibilities, entrust certain other responsibilities to the Comptroller of the Treasury. Those responsibilities include serving as a member of the board of directors of Tennessee Housing Development Agency. We do not believe that the Comptroller's service in this capacity affected our ability to conduct an independent audit of the Tennessee Housing Development Agency.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tennessee Housing Development Agency as of June 30, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of proportionate share of net pension asset for the State and Higher Education Retirement Plan, the schedule of proportionate share of net pension liability for the Closed State and Higher Education Pension Plan, the schedule of contributions to the State and Higher Education Employee Retirement Plan, the schedule of contributions to the Closed State and Higher Education Employee Pension Plan, and the other postemployment benefits schedule of funding progress, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the agency's basic financial statements. The accompanying financial information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2016, on our consideration of the agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the agency's internal control over financial reporting and compliance.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2016

This section of the Tennessee Housing Development Agency's (THDA) annual financial statements presents management's discussion and analysis of THDA's financial performance for the year ended June 30, 2016, with comparative information presented for the fiscal year ended June 30, 2015. This information is being presented to provide additional information regarding the activities of THDA and to meet the financial reporting and disclosure requirements of the Governmental Accounting Standards Board (GASB) Statement Number 34, *Basic Financial Statements -- and Management's Discussion and Analysis -- for State and Local Governments*. This section should be read in conjunction with the Independent Auditor's Report and the audited financial statements and accompanying notes.

INTRODUCTION – THE TENNESSEE HOUSING DEVELOPMENT AGENCY

The mission statement of THDA is "Leading Tennessee Home by creating safe, sound, affordable housing opportunities." THDA's goal is to provide housing assistance to those in need by offering a variety of housing-related programs. One of the primary ways THDA assists Tennesseans is by offering mortgages for first-time homebuyers at below conventional market interest rates. At the close of fiscal year 2016, THDA has originated over 115,000 single-family mortgage loans in its 43-year history, and serves as the master servicer for all active mortgages it funds. In addition to helping homebuyers, THDA administers Section 8 rental assistance programs, including the tenant-based Housing Choice Voucher (HCV) program in approximately 74 of Tennessee's 95 counties, as well as the project-based Contract Administration program for approximately 400 contracts throughout all of Tennessee. THDA also administers grant programs, awarded on a competitive annual cycle, for rehabilitation and new construction of owner-occupied units and small rental projects. THDA is also involved in the development and rehabilitation of multifamily rental housing for low-income families by administering the federal Low-Income Housing Tax Credit, which is a competitive process, and by setting aside a portion of bond authority to be allocated to local issuing authorities for specific multifamily developments.

More recently, THDA has administered programs under the American Recovery and Reinvestment Act of 2009 (ARRA), including the Homeless Prevention and Rapid Re-Housing Program (HPRP), the Tax Credit Assistance Program (TCAP), the Neighborhood Stabilization Program (NSP), and a Low Income Housing Tax Credit exchange program under Section 1602 of the Act.

As established by statute, "The agency shall have a board of directors which shall be responsible for carrying out the powers given to the agency. . ." (*Tennessee Code Annotated 13-23-105*). This board meets regularly on a bi-monthly basis; however, some committees may meet more often as situations dictate.

OVERVIEW OF THE FINANCIAL STATEMENTS

The basic financial statements include statements of net position; statements of revenues, expenses, and changes in net position; and statements of cash flows, as well as notes to the financial statements. The statements of net position provide financial information on the overall financial position of THDA at each year end. The statements of revenues, expenses, and changes in net position summarize the results of operations over the course of each fiscal year. The statements of cash flows provide relevant information about THDA's cash receipts and cash payments during each fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

The notes to the financial statements provide essential information regarding THDA's significant accounting policies, significant account balances and activities, certain material risks, obligations, commitments, contingencies, and subsequent events.

THDA's financial statements are presented using the accrual basis of accounting and the flow of economic resources measurement focus. In addition to the basic financial statements, required and other supplementary information is included.

THDA is also considered to be a discretely presented "component unit" for the State of Tennessee, and therefore, its financial information is reported in the State of Tennessee's government-wide *Comprehensive Annual Financial Report*. 2016 to 2015

- THDA's total net position decreased by \$3.4 million because operating income was less than the amount by which nonoperating expenses exceeded nonoperating revenues.

During FY 2016, single-family mortgage loan originations increased by \$42.7 million, whereas mortgage loan payoffs increased by \$27.4 million and mortgage loan repayments decreased \$2.8 million. In addition, THDA recognized an allowance for future forgiveness of forgivable second mortgages of \$4.9 million for FY 2016.
- Total liabilities decreased \$83.1 million. The decrease is primarily due to a \$72.7 million decrease of bonds payable at June 30, 2016 as compared to June 30, 2015.

Change in net position	<u>\$ (3,475)</u>	<u>\$ (5,728)</u>

2016 to 2015

Total operating revenues decreased \$6.9 million, primarily due to a decrease in mortgage interest income of \$6.8 million. This is due to new mortgage loan originations having lower interest rates than those associated with mortgage loan repayments.

Total operating expenses decreased \$6.3 million. This is primarily due to a bond debt strategy to use mortgage loan prepayments to call bonds on a monthly basis, as well as refunding outstanding bonds with new bonds bearing a lower interest rate.

DEBT ACTIVITY

Bonds outstanding at June 30 were as follows (expressed in thousands):

	<u>2016</u>	<u>2015</u>
Bonds payable	\$1,906,494	\$ 1,979,170

Year Ended June 30, 2016

Total bonds and notes payable decreased \$72.7 million, due primarily to an increase in the redemption of bonds as compared to recent fiscal years. During the fiscal year, THDA issued debt totaling \$306.9 million, with activity arising from two bond issues.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

With interest rates remaining at historically low levels, THDA continued to call bonds with proceeds from mortgage repayments and prepayments. THDA refunded \$67.1 million of outstanding bonds into new bond originations with lower interest rates.

GRANT PROGRAMS

During FY 2007 through FY 2009, the General Assembly appropriated revenue to THDA for grant programs. Likewise, THDA's board of directors allocated additional THDA funds for grants. These funds established a grant program that was titled by the THDA as the "Tennessee Housing Trust Fund."

The four-level model for funding this grant program includes state appropriations, THDA funds, private sector investment, and matching funds from local grantees. The purpose of this grant program is to serve the needs of low and/or very low income, elderly, and special needs Tennesseans. Funding and uses for the Housing Trust Fund are as follows:

CURRENT MORTGAGE PRODUCTS AND ENVIRONMENT

In October of 2013, THDA made a significant change to its mortgage lending program. On October 1, 2013, the *Great Choice* and the *Great Choice Plus* loan programs were introduced and the *Great Rate*, *Great Advantage* and *Great Start* loan programs were eliminated. The *Great Choice* loan program offers THDA the opportunity to offer a more competitive interest rate on its 30 year fixed rate mortgage product while still offering down payment assistance with the addition of the *Great Choice Plus* loan program which is a second mortgage at a 0% interest rate for a term of 10 years. During fiscal year 2015, the *Great Choice Plus* loan product was modified to a forgivable second mortgage, in which 100% of the loan amount must be repaid if the home is sold or the associated first mortgage is refinanced within the first nine years of closing. Beginning in year 10, the loan is forgiven at the rate of 20% per year. The loan is fully forgiven at the end of year 15.

A special interest rate reduction on *Great Choice* loan program has been designated to ensure that qualified service men and women have access to affordable homeownership opportunities. This special offer, referred to as "*Homeownership for the Brave*", provides a 0.5% rate reduction on the current interest rate for *Great Choice* loans. In addition to the rate reduction, "*Homeownership for the Brave*" applicants are eligible for optional down payment and closing cost assistance through the *Great Choice Plus* second mortgage loan at a 0% interest rate.

All loans made or purchased by THDA are fixed-rate mortgages with a maximum loan term of 360 months (30 years), and must conform to insurer / guarantor underwriting guidelines. THDA does not make or purchase adjustable rate mortgages (ARMs), interest-only mortgages, "buy-down" loans, mortgages with a future lump-sum payment due (balloon-type mortgage), or with other similar mortgage terms. THDA does not make or purchase "sub-prime" mortgage loans.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

Single-family mortgage loans purchased by THDA with loan-to-value (LTV) ratios between 78% and 97% must have an acceptable insurer/guarantor, which includes:

- FHA (United States Department of Housing and Urban Development)
- VA (Veterans Administration Guaranty Program)
- USDA/RD (the United States Department of Agriculture - Rural Development, formerly Farmers Home Administration)
- Private mortgage insurance

THDA will accept private mortgage insurance provided from private mortgage insurers, who are licensed by the Tennessee Commissioner of Commerce and Insurance to do business in Tennessee and are rated at least AA by Standard & Poor's Rating Group. THDA will allow privately insured loans underwritten using nationally accepted underwriting guidelines established by Fannie Mae or Freddie Mac. These loans must be approved through an automated underwriting system such as Desktop Underwriter or Loan Prospector with no expanded approvals. Such privately insured mortgage loans may have loan-to-value ratios up to and including 97% of the lesser of the purchase price or the appraised value. Loans with a 78% LTV or lower do not require mortgage insurance. A detailed chart of these mortgage loan products and primary mortgage loan terms may be obtained from THDA's internet site at <https://thda.org/homebuyers/homebuyers>

For the past several years, THDA has closely monitored its loan portfolio for delinquency and foreclosures. This monitoring has included analysis based on loan type (Great Choice, Great Choice Plus, Homeownership for the Brave), insurer/guarantor (FHA, VA, RECD, private mortgage insurer), mortgage loan servicer, down-payment assistance, and other factors as deemed necessary.

As of June 30, 2016, the delinquency and foreclosure rates for its single-family loan portfolio are as follows:

<u>Loan Status</u>	<u>Total Number of Loans Serviced</u>	<u>Number of Loans in Status</u>	<u>Principal Amount</u>	<u>Percentage</u>
60-89 Days Past Due	23,492	508	\$ 39,830,107	2.16%
90+ Days Past Due	23,492	1,503	116,348,733	6.40%
In Foreclosure	23,492	148	12,307,322	0.63%

Note: Percentage is calculated by dividing the "Number of Loans in Status" by the "Total Number of Loans Serviced."

ECONOMIC FACTORS

In accordance with THDA's investment policy, THDA typically invests in short-term and long-term fixed-rate debt securities from federal agencies. As a bench-mark, THDA uses the one-, three-, and five-year Constant Maturity Treasury (CMT) rates as established by the United States Treasury.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

The continuation of relatively low interest rates from a historic perspective increased the likelihood of negative arbitrage, in which the interest rates on THDA's bond issues exceeds the current investment interest rates. THDA monitors prepayments and bond investment yields, and seeks to reduce negative arbitrage by calling bonds with the funds from prepayments.

**TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016**

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Reporting Entity

The Tennessee Housing Development Agency was created by an act of the legislature (Chapter 241, Public Acts, 1973). The act was approved by the Governor on May 14, 1973. The enabling legislation can be found in *Tennessee Code Annotated*, Section 13-23-101 et seq. The purpose of the agency is to improve housing and living conditions for lower- and moderate-income persons and families in Tennessee by making loans and mortgages to qualified sponsors, builders, developers, and purchasers of low- and moderate-income family dwellings.

The agency is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of the Agency. The remaining members are appointed by the Governor, the Speaker of the State Senate, and the Speaker of the State House of Representatives. Board members are to be representatives of the housing, real estate, or home building industries; the mortgage profession; local governments; or one of the three grand divisions of the state, and must be knowledgeable about the problems of inadequate housing conditions in Tennessee. One member of the board is a resident board member as required by Section 505 of the Quality Housing and Work Responsibility Act of 1998 and 24 CFR Part 964, Subpart E. *Tennessee Code Annotated* Section 13-23-101 et seq. was amended to revise the composition of the board of directors, effective July 1, 2013.

In order to accomplish its objectives, the agency is authorized to raise funds through the issuance of bonds and notes. Bonds and notes issued by the agency are not general obligations of the State of Tennessee or any of its political subdivisions, and neither the faith and credit nor the taxing power of the state or any political subdivision is pledged for payment of the principal or interest on such bonds or notes.

The Tennessee Housing Development Agency is a component unit of the State of Tennessee. Although the agency is a separate legal entity, the state appoints a majority of its governing body and approves its operating budget. The agency is discretely presented in the *Tennessee Comprehensive Annual Financial Report*.

b. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Certain accounting policies and procedures are stipulated in the agency's Mortgage Finance Program, Single Family Program, Homeownership Program, Housing Finance Program, and General Residential Finance Program bond resolutions and the Single Family Mortgage Notes trust indenture. The agency follows these procedures in establishing and maintaining the various funds and accounts for its programs. Revenues and expenses applicable to each fund and account are recorded therein.

c. Basis of Accounting and Measurement Focus

The accompanying financial statements have been prepared using the accrual basis of accounting and the flow of economic resources measurement focus. Under this basis, revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cashflows. When both restricted and unrestricted resources are available for use, it is the agency's policy to use the restricted resources first. All significant interfund transactions have been eliminated.

d. Capital Assets

Capital assets, which include furniture and office equipment, are defined by the agency as assets with an initial, individual cost of \$5,000 or more.

Capital assets are depreciated on a straight-line basis over the following estimated useful lives of the assets.

<u>Description</u>	<u>Estimated Life</u>
Furniture	10 years
Computer equipment	3 years

e. Restricted Assets

Restricted assets are comprised of the Debt Service Reserve Funds, Bond Reserve Funds, and Net Pension Assets (see note 6).

The bond resolutions require the agency to establish a Debt Service Reserve Fund or a Bond Reserve Fund for each bond issue. The bond resolutions require that if the Debt Service and Expense Funds or the Revenue Funds of a bond issue are not sufficient to provide for interest or principal and sinking fund requirements of that issue that funds be transferred from the Debt Service Reserve Fund or the Bond Reserve Fund to cover any deficiency.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

f. Deferred Amount on Refundings and Bond Premiums and Discounts

1. Deferred Amounts on Refundings: The agency amortizes the deferred amount on refundings using the straight-line method.
2. Bond Premiums and Discounts: Bond premiums and discounts are deferred and amortized over the life of the bonds using the interest method. Bonds payable are reported net of the applicable unamortized bond premium or discount.

g. Cash and Cash Equivalents

In addition to demand deposits and deposits in the pooled investment fund administered by the State Treasurer, this classification includes short-term investments with original maturities of three months or less from the date of acquisition.

h. Investments

The agency has established guidelines for its funds to meet the requirements of the bond resolutions and to comply with the statutes of the State of Tennessee. Permitted investments include the following: direct obligations of the U.S. Treasury and U.S. Agencies, obligations guaranteed by the U.S., public housing bonds secured by contracts with the U.S., direct and general obligations of the State of Tennessee or obligations guaranteed by the State of Tennessee, obligations of other states or instrumentalities thereof which are rated in either of the two highest rating categories by Moody's Investor Service or Standard & Poor's Corporation, interest bearing time or demand deposits, collateralized certificates of deposit in authorized state depositories, and repurchase agreements collateralized by authorized securities.

Investments are stated at fair value, except for repurchase agreements, which are reported at cost.

i. Accrual of Interest Income

Interest on first mortgage loans receivable and investment securities is credited to income as earned and classified as interest receivable.

j. Mortgages

Mortgages are carried at their original amount less collected principal.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

k. Operating Revenues and Expenses

The agency was created with the authority to issue bonds to the investing public in order to create a flow of private capital through the agency into mortgage loans to certain qualified individuals and qualified housing sponsors. The agency's primary operation is to borrow funds in the bond market and issue those funds to make single-family and multi-family loans. The primary operating revenue is the interest income on outstanding mortgages and the investment income from proceeds of bonds. The primary operating expense of the agency is the interest expense on bonds outstanding. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

l. Allowance for Forgivable Second Mortgages

THDA has offered Down Payment Assistance (DPA) product for several years. Beginning in October 2014, this product changed to a 0% forgivable second mortgage, loan, of which 100% of the original principal amount is repayable to THDA if the loan is repaid within ten years of the origination date. Beginning on the eleventh anniversary of the origination date, 20% of the original principal amount will be forgiven. The amount of forgiveness increases an additional 20% on the loan anniversary thereafter. On the 15th anniversary of the origination date, 100% of the original principal amount becomes forgiven. Because of the likelihood that some amount of the original principal amount will be forgiven in the course of time, an allowance account has been established for those loans that may enter the forgivable period.

m. Pensions

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan in the Tennessee Consolidated Retirement System (TCRS) and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the TCRS. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan. Investments are reported at fair value.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

NOTE 2. DEPOSITS AND INVESTMENTS

a. Deposits

Custodial Credit Risk Custodial credit risk for deposits is the risk that in the event of a bank failure, the agency's deposits may not be returned.

The laws of the State of Tennessee require that collateral be pledged to secure all uninsured deposits. The agency's bond resolutions require deposits to be fully secured.

The agency's deposits are in financial institutions which participate in the bank collateral pool administered by the State Treasurer, except as noted below. The securities pledged to protect these accounts are pledged in the aggregate rather than against each individual account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

At June 30, 2016, the bank balance was \$3,921,135.08. All bank balances at June 30, 2016, were insured, except the Bank of New York Mellon (BNYM) accounts. U.S. Department of the Treasury requires the funds for the Hardest Hit Fund program to be deposited in the BNYM accounts. THDA has no obligation to ensure that the funds in the accounts are collateralized should the amount of money in the account be in excess of the FDIC insurance coverage of \$250,000. THDA will not be responsible for a loss of the funds due to the bank's failure and the lack of adequate collateral. Of the bank balance at June 30, 2016, \$3,307,357.87 was in the BNYM. Of this amount, \$3,057,357.87 exceeded the FDIC insurance coverage. The agency has deposits in the State Pooled Investment Fund administered by the State Treasurer. The fund's investments are measured at amortized cost. The fund is not rated by a nationally recognized statistical rating organization. The fund's investment policy and required risk disclosures are presented in the *State of Tennessee Treasurer's Report*. That report is available on the state's website at www.treasury.tn.gov.

b. Investments

As stated in the agency's investment policy, the "prudent man rule" shall be the standard of prudence used by all officials responsible for the investment of assets. Investments are made as a prudent person would be expected to act in the management of his or her own affairs, with consideration of the safety of capital and the probability of income, and avoidance of speculative investments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The agency's investment policy states that the agency's portfolios will be diversified in order to reduce the risk of loss resulting from concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. The agency may invest 100% of its portfolio in U.S. government securities. A minimum of 5% of the par value of total investments must mature within five years. No more than 50% of the par value of the combined portfolios can be invested in maturities greater than 15 years without approval of the Bond Finance Committee.

Portfolio maturities shall be staggered in a way that avoids undue concentrations of assets in a specific maturity sector. Maturities shall be selected which provide for stability of income and reasonable liquidity. It is the intent of this policy that sufficient investments be scheduled to mature to provide for the required liquidity for debt service and other expenditures per resolution requirements.

Interest Rate Risk Interest Rate Risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment.

Duration is a measure of a debt investment's exposure to fair value changes arising from changing interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price.

	Fair Value	Effective Duration (Years)
U.S. Agency Coupon	\$131,326,153	0.804

Fair Value Measurements THDA implemented GASB Statement 72 *Fair Value Measurement and Application*. GASB 72 was issued to address accounting and financial reporting issues related to fair value measurements. THDA categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. THDA has the following recurring fair value measurements as of June 30, 2016:

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	June 30, 2016

Total debt securities	\$352,708	\$68,451	\$284,257	\$-0-

Assets classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for identical assets as those securities. Assets classified in Level 2 of the fair value hierarchy are valued using prices quoted in active markets for similar assets as those securities. Level 3 valuations are derived from valuation techniques in which significant inputs are unobservable.

The State of Tennessee, by law, requires that the Tennessee Housing Development Agency to participate in the State Pool Investment Fund (SPIF). SPIF values financial instruments at amortized cost. There are no minimum or maximum limitations on withdrawals with the exception of a 24-hour notification period for withdrawals of \$5 million or more.

NOTE 6. PENSION PLANS

a. Closed State and Higher Education Employee Pension Plan

General Information about the Pension Plan

Plan description State employees and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan. This plan is a component of the Public Employee Retirement Plan, an agent, multiple-employer defined benefit pension plan. The Closed State and Higher Education Employee Pension Plan stopped accepting new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, a new agent defined benefit retirement plan, the State and Higher Education Employee Retirement Plan, became effective for state employees and higher education employees hired on or after July 1, 2014.

The TCRS was created by state statute under Title 8, Chapters 34-37, *Tennessee Code Annotated*. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the

plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at www.treasury.tn.gov/tcrs.

Benefits provided Title 8, Chapters 34-37, *Tennessee Code Annotated* establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Closed State and Higher Education Employee Pension Plan are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined using the following formula:

Average of Member's Highest Compensation for 5 Consecutive Years (up to Social Security Integration Level)	x	1.50%	x	Years of Service Credit	x	105%
--	---	-------	---	-------------------------	---	------

Plus:

Average of Member's Highest Compensation for 5 Consecutive Years (over Social Security Integration Level)	x	1.75%	x	Years of Service Credit	x	105%
---	---	-------	---	-------------------------	---	------

A reduced early retirement benefit is available at age 55 and vested. Members are vested with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions Contributions for state employees and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Tennessee Housing Development Agency employees are non-contributory, as are most members in the Closed State and Higher Education Employee Pension Plan. State and higher education agencies make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Closed State and Higher Education

Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the Closed State and Higher Education Employee Pension Plan were \$1,539,003 which is 15.03 percent of covered payroll. The employer rate is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension liability At June 30, 2016, Tennessee Housing Development Agency reported a liability of \$5,428,475 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Tennessee Housing Development Agency's proportion of the net pension liability was based on a projection of Tennessee Housing Development Agency's contributions during the year ended June 30, 2015 to the pension plan relative to the contributions of all participating state and higher education agencies. At the June 30, 2015 measurement date, Tennessee Housing Development Agency's proportion was 0.421046 percent. The proportion measured as of June 30, 2014 was 0.429581

Actuarial assumptions The total pension liability as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Members are entitled to receive unreduced service retirement benefits, which are determined by a formula using the member's highest five consecutive year average compensation by 1.0 percent multiplied by member's years of service credit. A reduced early retirement benefit is available at age 60 with 5 years of service credit or pursuant to the rule of 80 in which the member's age and service credit total 80. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. Moreover, there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions Contributions for state and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. The Tennessee Housing Development Agency makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4 percent for all aggregate employee groups, except for in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the State and Higher Education Employee Retirement Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the State and Higher Education Employee Retirement Plan were \$46,706 which is 2.81 percent of covered payroll. The employer rate is 3.87% of covered payroll except for any salaries derived from Federal funds where the employer rate is 2.00%. The

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment

expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability (asset).

Sensitivity of the proportionate share of net pension liability (asset) to changes in the discount rate The following presents Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) calculated using the discount rate of 7.5 percent, as well as what Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5 percent) than the current rate:

Payable to the Pension Plan

At June 30, 2016, THDA reported a payable of \$13,189 for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2016.

c. Total Defined Benefit Pension Expense

The total pension expense for the year ended June 30, 2016 for both defined benefit pension plans was \$565,523.

NOTE 7. DEFERRED COMPENSATION PLANS

The Tennessee Housing Development Agency, through the State of Tennessee, offers employees two deferred compensation plans, one established pursuant to IRC, Section 457 and the other pursuant to IRC, Section 401(k). The plans are outsourced to third party vendors and the administrative costs assessed by the vendors of these plans are the responsibility of plan participants. Section 401(k) and Section 457 plan assets remain the property of the contributing employees; therefore, they are not presented in the accompanying financial statements. IRC Sections 401(k), and 457 establish participation, contribution, and withdrawal provisions for the plans. Participation in the 457 plan is voluntary for employees. The Tennessee Housing Development Agency provides up to a \$50 monthly employer match for employees who participate in the state's 401(k) plan. Employees hired before July 1, 2014 voluntarily participate in the state's 401(k) plan. Pursuant to Public Chapter No. 259 of *Public Acts of 2013*, employees hired after June 30, 2014, are automatically enrolled in the state's 401(k) plan and contribute 2% of their salary with the employer contributing an additional non-matching 5%. Employees may opt out of the 2% auto enrollment. Such contribution rates may only be amended by the Tennessee General Assembly. There are certain automatic cost controls and unfunded liability controls in the defined benefit plan where the employees participate that may impact the non-matching 5% employer contribution to the 401(k) plan.

Employees are immediately vested in both the employee and employer contributions in both plans. The IRC establishes maximum limits that an employee can contribute to these plans. The employee may increase, decrease, or stop contributions at any time for either plan.

The Tennessee Housing Development Agency recognized a pension expense of \$186,417 for employer contributions.

NOTE 8. PROVISIONS FOR MORTGAGE LOAN LOSSES

Most mortgage loans are insured by the Federal Housing Administration (FHA) or an approved private mortgage insurance company, or are guaranteed by the Department of Veterans Affairs. The agency's board of directors has established a loan loss reserve of \$750,000 as a provision for potential loan losses arising from participation in the Rural Economic and Community Development (RECD) Loan Guarantee Program. An additional \$232,000 was established as a loan loss reserve against potential losses on loans not specifically covered by one of the above programs, and \$500,000 was established as a loan loss reserve for self-insurance of second mortgages.

Since the amount of net position restricted for single-family bond programs exceeds the amounts necessary for these loan loss reserves, it is not necessary to designate unrestricted net position for this purpose.

NOTE 9. INSURANCE-RELATED ACTIVITIES

a. Commercial Insurance

The agency carries commercial insurance for risks of loss related to employee dishonesty; general liability protection; and theft of, damage to, or destruction of real and personal property. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

b. Risk Management Fund

It is the policy of the state not to purchase commercial insurance for the risks associated with casualty losses for general liability, automobile liability, professional medical malpractice, and workers' compensation. The state's management believes it is more economical to manage these risks internally and set aside assets for claim settlement in its internal service fund, the Risk Management Fund. The state purchases commercial insurance for real property and crime and fidelity coverage on the state's officials and employees, and cyber liability coverage. For property coverage, the deductible for an individual state agency is the first \$25,000 of losses. The Risk Management Fund is responsible for property losses for the annual aggregate deductible of \$7.5 million for perils other than earthquakes and flood. Purchased insurance coverage is responsible for losses exceeding the \$7.5 million annual aggregate deductible. For earthquake and flood, there

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

is a deductible of \$10 million per occurrence. The maximum insurance coverage is \$750 million per year for perils other than earthquake and flood. The maximum flood insurance coverage is \$50 million per occurrence, except there is only \$25 million of coverage in flood zones A and V. The maximum earthquake insurance coverage is \$50 million per occurrence. The amounts of settlements have not exceeded insurance coverage for each of the three past fiscal years.

The agency participates in the Risk Management Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on a percentage of the agency's expected loss costs, which include both experience and exposures. This charge considers recent trends in actual claims experience of the state as a whole. An actuarial valuation is performed as of fiscal year-end to determine the fund liability and premium allocation. Information regarding the determination of the claims liabilities and the changes in the balances of the claims liabilities for the year ended June 30, 2016, is presented in the *Tennessee Comprehensive Annual Financial Report*. The CAFR is available on the state's website at www.tn.gov/finance/act/cafr.shtml. Since the agency participates in the Risk Management Fund, it is subject to the liability limitations under the provisions of the Tennessee Claims Commission Act, *Tennessee Code Annotated*, Section 9-8-101 et seq. Liability for negligence of the agency for bodily injury and property damage is limited to \$300,000 per person and \$1,000,000 per occurrence. The limits of liability under workers' compensation are set forth in *Tennessee Code Annotated*, Section 50-6-101 et seq. Claims are paid through the state's Risk Management Fund. At June 30, 2016, the Risk Management Fund held \$142.9 million in cash designated for payment of claims

c. Employee Group Insurance Fund

The state has also set aside assets in the Employee Group Insurance Fund, an internal service fund, to provide a program of health insurance coverage for the employees of the state with the risk retained by the state. The agency participates in the Employee Group Insurance Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on estimates of the ultimate cost of claims, including the cost of claims that have been reported but not settled and of claims that have been incurred but not reported. Employees and providers have 13 months to file medical claims.

NOTE 10. OTHER POSTEMPLOYMENT BENEFITS

Healthcare is the only other postemployment benefit (OPEB) provided to employees. The State of Tennessee administers a group health insurance program which provides postemployment health insurance benefits to eligible THDA retirees. This program includes two plans - the State

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Employee Group Plan and the Medicare Supplement Plan. For accounting purposes, the plans are agent multiple-employer defined benefit OPEB plans. Benefits are established and amended by an insurance committee created by *Tennessee Code Annotated* Section 8-27-201. Prior to reaching the age of 65, members have the option of choosing between the standard or partnership preferred provider organization (PPO) plan for healthcare benefits. Subsequent to age 65, members who are also in the state's retirement system may participate in the Medicare Supplement Plan. That plan does not include pharmacy. Any employee hired on or after July 1, 2015 is not eligible to continue insurance coverage at retirement in either the Employee Group Plan or the Medicare Supplement Plan. The plans are reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

Special Funding Situation - The State of Tennessee is legally responsible for contributions to the Medicare Supplement Plan that covers the retirees of other governmental entities, including the Tennessee Housing Development Agency (see Note 11). The state is the sole contributor for the THDA retirees that participate in the Medicare Supplement Plan and, therefore, is acting as the employer.

Funding Policy - The premium requirements of plan members of the State Employment Group Plan are established and may be amended by the insurance committee. The plans are self-insured and financed on a pay-as-you-go basis with the risk shared equally among the participants. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Administrative costs of the plan are allocated to plan participants. In accordance with Section 8-27-205(b), *Tennessee Code Annotated*, retirees in the State Employee Group Plan who have not reached the age of 65 pay the same base premium as active employees in the plan, adjusted for years of service. Retirees with 30 years of service pay 20% of the total premium. Retirees with 25 but less than 30 years of service pay 30% of the total premium. Retirees with less than 20 years of service pay 40% of the total premium. Retirees 65 years of age or older are provided flat-rate premium subsidies, based on years of service. Retirees with 30 years of service receive \$50 per month; retirees with 25 but less than 30 years of service, \$37.50; and retirees with 15 but less than 20 years of service, \$25.

Actuarial accrued liability (AAL)	\$ 2,923
Actuarial value of plan assets	-0-

Actuarial value of assets as a % of the AAL	0%
Covered payroll (active plan members)	\$ 10,046

Actuarial valuations involve estimates of the value of reported amounts and probability assumptions far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Actuarial Methods and Assumptions Calculations are based on the types of benefits provided under the terms of the substantive plan at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

In the July 1, 2015, actuarial valuation for the Employee Group Plan, the Projected Unit Credit actuarial cost method was used. The actuarial assumptions included a 3.75% investment rate of return (net of administrative expenses) and an annual healthcare cost trend rate of 6.5% initially. The rate decreases to 6% in fiscal year 2016, and then reduces by decrements to an ultimate rate of 4.7% in fiscal year 2050. All rates include a 2.5% inflation assumption. The unfunded actuarial accrued liability is being amortized as a level percentage of payroll on a closed basis over a 30-year period beginning with July 1, 2007. Payroll is assumed to grow at a rate of 3 percent.

NOTE 11. ON-BEHALF PAYMENTS

During the year ended June 30, 2016, the State of Tennessee made payments of \$6,488 on behalf of THDA for retirees participating in the Medicare Supplement Plan. The Medicare Supplement Plan is a postemployment benefit healthcare plan and is discussed further in Note 10. The plan is reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

NOTE 12. PAYMENTS TO PRIMARY GOVERNMENT

From time to time, the State of Tennessee has called upon the agency and its resources, together with resources of other departments, agencies, and organizations in state government, to provide funds to the State General Fund to balance the state budget. The following is a description of these occurrences in relationship to the agency. On June 30, 1995, \$15,000,000 from the agency's Housing Program Reserve Fund was transferred to the State General Fund. On June 30, 1998, \$43,000,000 was transferred from the agency to the State General Fund. The \$43,000,000 transferred from the agency came from the following resources of the agency: (i) \$15,459,157 from tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. On June 30, 2002, a transfer from the agency to the primary government in the

amount of \$35,367,449 was made from the Assets Fund for the sole purpose of meeting the requirements of funding the operations of the primary government for the year ended June 30, 2002.

SUMMARY OF MORTGAGE INSURANCE AND GUARANTEE PROGRAMS**Introduction**

All first lien Program Loans made or purchased by THDA with proceeds of Bonds issued under the General Resolution are expected to be (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, or (b) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who, at the time of closing, have an acceptable equity interest in the property based on the lesser of appraised value or the sale price. However, under the General Resolution, some or all of these requirements may be modified by a Supplemental Resolution with respect to Program Loans financed with the proceeds of Bonds subsequently issued pursuant to such Supplemental Resolution.

Originating Agents are responsible for obtaining Veteran's Administration ("VA") or U.S. Department of Agriculture, Rural Development ("USDA/RD") guarantees, Federal Housing Administration ("FHA") insurance certificates or private mortgage insurance certificates as part of the process of originating and closing THDA Program Loans. Borrowers pay the costs associated with such insurance certificates or guarantees.

The following descriptions of certain mortgage insurance programs and loan guarantee programs are all only brief outlines and do not purport to summarize or describe all provisions of each respective program. For a more complete description of these programs, refer to the contract provisions embodied in FHA, USDA/RD (formerly FmHA) and VA regulations, respectively, and to the regulations, master insurance contracts and other such information from the private mortgage insurance providers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ primarily upon whether the property contains five or more dwelling units or less than five such units and whether the property is designed for occupancy by low and moderate income families.

The National Housing Act of 1934, as amended, imposes a minimum cash requirement for purchase money mortgages of 3.5% of the lesser of appraised value or sales price, resulting in a maximum loan to value percentage of 96.5%.

Under the FHA programs which insure THDA's Program Loans, insurance benefits generally are payable only upon foreclosure (or other acquisition of possession) and conveyance of the property to the United States Department of Housing and Urban Development ("HUD"). The FHA insurance proceeds available under these programs upon conveyance of the property to HUD is equal to 100% of the outstanding principal balance of the Program Loan, plus interest and certain additional costs and expenses.

Under some FHA insurance programs, HUD pays insurance claims in cash unless the mortgage lender specifically requests payment in debentures issued by HUD. Under other programs, HUD, at its option, may pay insurance claims in cash or in such debentures. Currently, HUD makes insurance payments on mortgages covering less than five dwelling units in cash when it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debentures interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the mortgage, whichever rate is higher.

When FHA insurance benefits are paid after foreclosure (or other acquisition of possession) and conveyance, the amount paid is computed as of the date of default by the borrower, as defined in HUD regulations, and the mortgage lender generally is not compensated for mortgage interest accrued and unpaid prior to that date. When FHA insurance benefits are paid under such circumstances, the insurance payment made is generally equal to the unpaid principal amount of the Program Loan, adjusted to reimburse the mortgage lender for certain tax, insurance and similar payments made by it and to deduct certain amounts received or retained by the mortgage lender after default, plus reimbursement not to exceed a specified percentage of the mortgage lender's foreclosure costs as determined by HUD based on certain criteria. The regulations under the FHA insurance programs which insure THDA's Program Loans provide that the insurance payment itself shall bear interest from the date of default to the date of payment of the claim at an interest rate equal to the monthly average yield, for the month in which the default occurred, on United States Treasury securities adjusted to a constant maturity of 10 years.

When any property conveyed to HUD has been damaged by fire, earthquake, flood or tornado, it is generally required, as a condition to payment of an insurance claim, that the property be repaired by the mortgage lender prior to such conveyance or assignment.

To obtain title to and possession of the property upon foreclosure, the Trustee and the Servicer act under the power of sale provisions in the deed of trust, subject to constraints imposed by applicable state law and by HUD. HUD currently requires that, absent the consent of the borrower, at least three full monthly installments be due and unpaid under the deed of trust before the mortgage lender may initiate any action leading to foreclosure under the deed of trust. HUD also requires a face-to-face conference between the mortgage lender and the borrower in an effort to cure the delinquency without foreclosure. In any case, these requirements do not apply where the borrower has voluntarily abandoned the property, in which case, the mortgage lender may immediately initiate foreclosure proceedings (subject to applicable state law notice provisions).

Veterans Administration Guaranty Program

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances, the veteran's spouse or certain qualified reservists) to obtain a Program Loan guaranty from the VA covering the purchase of a one-to-four family dwelling unit at interest rates permitted by the VA. The program has no loan limits, requires no down payment from the purchaser and permits the guaranty of Program Loans of up to thirty years duration. The maximum guaranty that may be issued by the VA under this program is the lesser of the veteran's available entitlement or the statutory maximum guaranty based on date of origination, type of housing unit and loan amount. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage lender will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of a property is greater than the original guaranty, as adjusted. The VA may, at its option, and without regard to the guaranty, make full payment to a mortgage lender of unsatisfied indebtedness on a mortgage upon its assignment to the VA.

United States Department of Agriculture, Rural Development (formerly Farmers Home Administration)

Guaranteed Rural Housing Program

The Cranston-Gonzalez National Affordable Housing Act of 1990 revised and expanded the interest assistance program for guaranteed loans under Section 502 of Title V of the Housing Act of 1949, as amended, by creating the Guaranteed Rural Housing Loan Program. The guaranty covers the lesser of (a) any loss equal to 90% of the original principal amount of the loan or (b) any loss in full up to 35% of the original principal amount of the loan plus any additional loss on the remaining 65% to be shared approximately 85% by USDA/RD and approximately 15% by THDA.

Private Mortgage Insurance Programs

General

Program Loans are permitted under the General Resolution when insured under private mortgage insurance programs as described below.

Private mortgage insurance policies insure against certain losses sustained by reason of default in payments by borrowers. Under most policies, delinquencies must be reported to the insurer within two (2) months of default, and proceedings to recover title must, generally, be commenced within nine (9) months of default. It is standard practice for private mortgage insurers to require that the mortgage lender, prior to presenting a claim under the mortgage insurance policy, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the borrower. When such a claim is presented, the private mortgage insurer will normally retain the option to pay the claim in full and take title to the property and arrange for its sale, or to pay the insured percentage of the claim and allow the insured mortgage lender to retain title to the property. The amount of loss payable generally includes the principal balance due under the mortgage, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced, expenses incurred in the preservation of the insured property, and other expenses necessarily incurred in the recovery proceedings.

Notwithstanding the foregoing, THDA does not expect to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance.

DESCRIPTION OF AGREEMENTS WITH ORIGINATING AGENTS AND SERVICERS**Working Agreements**

THDA has working agreements with each of its Originating Agents (the "Working Agreements"). Under the Working Agreements, THDA reviews and makes or purchases approved Program Loans which have been originated and processed by an Originating Agent.

Each Working Agreement also contains certain representations and warranties by the Originating Agent regarding the Program Loan applications submitted to THDA to the effect that the Originating Agent has no adverse information regarding the credit or reputation of the applicant nor adverse information concerning the real property to be mortgaged that would materially lessen THDA's security or detract from the subsequent marketability of the Program Loan. Each Originating Agent further represents and warrants that it will receive and process for THDA all applications by applicants for Program Loans who qualify as lower and moderate income persons.

The Working Agreement requires that Program Loans meet all requirements contained in THDA's rules and regulations and the O. A. Guide (as defined below). These requirements include, among other things:

- (1) a deed of trust securing the Program Loan in a form approved by THDA which creates a valid first lien or other approved lien on the property;
- (2) for FHA insured or VA or USDA/RD guaranteed Program Loans, all FHA, VA or USDA/RD rules, regulations and requirements must be met;
- (3) evidence of title satisfactory to THDA;
- (4) an original hazard insurance policy, delivered at closing, which covers the property subject to the Program Loan, names THDA as first mortgagee, and is in an amount not less than the greater of 90% of the insurable value of the improvements on the property or the full amount of the Program Loan; and
- (5) such other documents as are necessary to comply with the federal tax code.

Penalties may be imposed on Originating Agents for violating the Working Agreements. At the option of THDA, Originating Agents may also be required to purchase a Program Loan from THDA when there is a violation under the Working Agreement with respect to the Program Loan. THDA may terminate Working Agreements upon notice, with or without cause or, at its election, temporarily suspend Originating Agent's privilege to originate Program Loans as a result of inadequate performance.

Guide for Originating Agents

THDA provides each Originating Agent with a Guide for Originating Agents (the "O. A. Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax code requirements. The O. A. Guide sets forth requirements and procedures for originating, processing and closing Program Loans. The Guide includes a procedural checklist to be followed by the Originating Agent and copies of all THDA forms required in originating, processing and closing Program Loans.

Servicing Agreements

THDA currently has agreements with U.S. Bank and Pinnacle Bank (successor to Magna Bank) (the "Servicers") to service Program Loans (the "Servicing Agreements"). U.S. Bank services approximately 95% of THDA's entire portfolio of mortgage loans made or purchased with bond proceeds. Pinnacle Bank services the remainder. The Servicing Agreements provide for the collection and remittance of Program Loan payments to THDA or a designated depository. Prior to remittance, the Servicer deducts a servicing fee, late charges and amounts to be held in escrow accounts for real property taxes, mortgage and hazard insurance premiums, and assessments. The servicing fee under current Servicing Agreements is 3/8% annually. The Servicer is required to notify THDA in the event of any default on a Program Loan, and the Servicer may conduct foreclosure proceedings with the consent and at the expense of THDA.

The Servicer is required to repurchase any Program Loan from THDA at any time THDA suffers or is threatened with a material loss by reason of the Servicer's failure to perform its obligations under the Servicing Agreement. THDA may also terminate a Servicing Agreement for inadequate performance by the Servicer.

THDA is authorized to service Program Loans but, to date, has not undertaken the servicing function for Program Loans. As set forth under the heading "THDA-Executive Staff Members", THDA hired a Director of Mortgage Servicing in February 2016 and is in the process of developing the infrastructure and staffing necessary for self-servicing of Program Loans. THDA anticipates that it will commence servicing Program Loans in late fall 2016 by bringing in-house the portfolio currently serviced by Pinnacle Bank. THDA anticipates servicing all new production beginning in early 2017. Thereafter, THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

Guide for Servicers

THDA provides each Servicer with a Guide for Servicers (the "Servicer Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax requirements. The Servicer Guide includes substantive servicing requirements, incorporates the limitation on assumption of mortgages contained in the federal tax code, and specifies the procedures to be followed by the Servicer to comply with THDA requirements and the federal tax code. The Servicer Guide also includes a list of the documents that must be maintained by the Servicer, copies of all THDA's servicing and loan assumption forms, together with instructions for their completion and a schedule for the submission of the required forms and reports to THDA.

THDA requires monthly reports from Servicers. Each Servicer's performance is monitored and its servicing record is subject to examination by THDA's staff. Examinations are performed monthly from documentation received from the Servicer.

Special Programs

For certain special programs, THDA may elect to enter into joint agreements for originating and servicing Program Loans made under such special programs. Any such joint agreements are substantially similar to the Working Agreements and Servicing Agreements described hereinabove.

Upon the original delivery of the Bonds or an exchange or transfer of Bonds pursuant to Section 3.5 or Section 3.6 hereof, the Trustee shall note the date of authentication on each Bond to be delivered. Each Bond delivered upon transfer or in exchange for or in lieu of any other Bond shall carry all the right to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 3.2. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Resolution as may be necessary or desirable to comply with custom, or otherwise.

Section 3.3. Interchangeability of Bonds. Section 3.4. Negotiability and Registry. All the Bonds issued under this Resolution shall be negotiable, subject to the provisions for registration, transfer and exchange contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, THDA shall maintain and keep, at the principal or corporate trust office of the Trustee, books for the registration, transfer and exchange of Bonds. So long as any of the Bonds remain Outstanding, THDA shall make all necessary provisions to permit the exchange of Bonds at the corporate trust office of the Trustee.

Section 3.5. Transfer of Bonds.

(A) Except as provided for in Section 3.7 herein, each fully registered Bond shall be transferable only upon the books of THDA, which shall be kept for such purpose at the corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written

Upon the transfer of any such fully registered Bond, THDA shall issue in the name of the transferee a new fully registered Bond or Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(B) THDA and any Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of THDA as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither THDA nor any Fiduciary shall be affected by any notice to the contrary.

Section 3.6. Regulations With Respect to Exchanges and Transfers. Except as provided for in Section 3.6 herein, in all cases in which the privilege of exchanging or transferring Bonds is exercised, THDA shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. For every such exchange or transfer of Bonds, whether temporary or definitive, THDA or the Trustee may make a charge sufficient to reimburse it for any expenses of THDA or the Trustee in connection therewith and for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and, except with respect to the delivery of definitive Bonds in exchange for temporary Bonds or as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such exchange or transfer, which sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. If the Bonds are not registered with a central depository system as provided in Section 3.7, THDA shall not be obliged to make any such exchange or transfer of Bonds (i) during the ten days preceding an Interest Payment Date on such Bonds, (ii) during the ten days preceding the date of the mailing of notice of any proposed redemption of Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. THDA may, by written notice to the Trustee, establish a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, but such record date shall be not more than ten days preceding an Interest Payment Date on such Bonds or, in the case of any proposed redemption of Bonds next preceding the date of the first redemption of Bonds.

Section 3.7. Central Depository System.

(A) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, Bondholder consent, payment and exchange of Bonds, and the giving of notices of Bondholders as required by the provisions of this Resolution, a Supplemental Resolution may provide that all or a portion of Bonds shall be issued as book-entry only Bonds and registered in the name of a central securities depository or its nominee (the "Central Securities Depository"), in which case matters relating to registration, ownership, transfer, consent, payment and exchange of Bonds, and relating to the giving of notices to Bondholders as required by the provisions of this Resolution, shall be governed by the operational arrangements of such Central Securities Depository.

(B) With respect to Bonds registered in the registry books kept by the Trustee in the name of a Central Securities Depository, THDA and the Trustee shall have no responsibility or obligation to any participant or to any beneficial owner. Without limiting the immediately preceding sentence, THDA and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Central Securities Depository or any participant with respect to any ownership interest in the Bonds, (ii) the delivery to any participant, any beneficial owner or any other person other than the Central Securities Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than the Central Securities Depository, of any amount with respect to the principal of or premium, if any or interest on the Bonds. THDA and the Trustee may treat as and deem the Central Securities Depository to be the absolute owner of each Bond, for the purpose of payment of the principal of and premium and interest on such Bond for the purpose of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Central Securities Depository, and all such payments shall be valid and effective to fully satisfy and discharge THDA's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than the Central Securities Depository shall receive an authenticated Bond evidencing the obligation of THDA to make payments of principal of and premium, if any, and interest pursuant to this Resolution. Upon delivery by the Central Securities Depository to the Trustee of written notice to the effect that the Central Securities Depository has determined to substitute a new nominee, and subject to the provisions herein with respect to consents, the words "Central Securities Depository" in this Resolution shall refer to such new nominee of the Central Securities Depository.

(C) Upon receipt by THDA and the Trustee of written notice from the Central Securities Depository to the effect that the Central Securities Depository is unable or unwilling to discharge its responsibilities and no substitute the Central Securities Depository can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of THDA kept by the Trustee in the name of the Central Securities Depository, but may be registered in whatever name or names the beneficial owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(D) In the event THDA determines that it is in the best interests of the beneficial owners that they be able to obtain Bond certificates and subject to the operational arrangements of such Central Securities Depository, THDA may notify the Central Securities Depository and the Trustee, whereupon the Central Securities Depository will notify the participants, of the availability through the Central Securities Depository of Bond certificates. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by the Central Securities Depository and any other Bondowners in appropriate amounts, and whenever the Central Securities Depository requests THDA and the Trustee to do so, the Trustee and THDA will cooperate with the Central Securities Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bond to any Central Securities Depository participant having Bonds credited to its Central Securities Depository account or (ii) to arrange for another Central Securities Depository to maintain custody of certificates evidencing the Bonds.

(E) In connection with any notice of other communication to be provided to Bondholders pursuant to this Resolution by THDA or the Trustee with respect to any consent or other action to be taken by Bondholders, THDA or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Central Securities Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(F) Any transfer of a Bond affected in accordance with this Section 3.7 shall be subject to applicable laws of the State.

Section 3.8. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, THDA shall execute and the Trustee shall authenticate a new Bond of like interest rate, maturity, principal amount and other terms as the Bond so mutilated, destroyed, stolen or lost. In the case of a mutilated Bond, such new Bond shall be delivered only upon surrender and cancellation of such mutilated Bond. In the case of Bonds issued in lieu of and substitution for a Bond which have been destroyed, stolen or lost, such new Bond shall be delivered only upon filing with the Trustee of evidence satisfactory to establish to THDA and the Trustee that such Bond have been destroyed, stolen or lost and to prove the ownership thereof and upon furnishing THDA and the Trustee with indemnity satisfactory to them. The person requesting the authentication and delivery of a new Bond pursuant to this Section shall comply with such other reasonable regulations as THDA and the Trustee may prescribe and pay such expenses as THDA and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be cancelled by it and evidence of such cancellation shall be given to THDA.

Section 3.9. Preparation of Definitive Bonds; Temporary Bonds.

(A) Definitive Bonds shall be typed, lithographed or printed on steel engraved borders; provided, that Bonds which are held by a Central Securities Depository shall be in form acceptable to such Central Securities Depository. Until definitive Bonds are prepared THDA may execute and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bonds are issued, in denominations of \$5,000 or such other denomination as may be authorized for such Bonds or any multiple thereof, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. Upon surrender of such temporary Bonds for exchange and cancellation, THDA at its own expense shall prepare and execute and, without charge to the holder thereof, deliver in exchange therefor, at the corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution.

(B) All temporary Bonds surrendered in exchange for definitive Bonds shall be forthwith cancelled by the Trustee.

Section 3.10. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with

all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be cremated or otherwise destroyed by the Trustee, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its authorized officers describing the Bonds so cremated or otherwise destroyed, and one executed Certificate shall be filed with THDA and the other executed Certificate shall be retained by the Trustee. Notwithstanding the foregoing, Bonds purchased by THDA shall not be cancelled to the extent that upon such purchase THDA shall have delivered to the Trustee (i) a Certificate of an Authorized Officer to the effect that such Bond shall be purchased but not cancelled and (ii) in the event the interest on such Bonds is excludable from gross income for purposes of federal income taxation, a Bond Counsel's Opinion to the effect that the failure to cancel such Bond will not, in and of itself, adversely affect such excludability.

Section 3.11. Execution and Authentication.

(A) After their authorization by a Supplemental Resolution, Bonds of a Series may be executed by or on behalf of THDA and delivered to the Trustee for authentication. The Bonds shall be executed in the name and on behalf of THDA by the manual or facsimile signature of the Chairman, Vice Chairman or Executive Director of THDA and the corporate seal of THDA (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon, and attested by the manual or facsimile signature of any other Authorized Officer, or in such other manner as may be required by law. In case any one or more of the officers or employees who shall have signed or sealed any of the Bonds shall cease to be such officer or employee before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office or be so employed. Any Bonds of a Series may be signed and sealed on behalf of THDA by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or employment by THDA, although the date of the Bonds of such Series such persons may not have been so authorized or have held such office or employment.

(B) The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Resolution authorizing such Bonds, executed manually by the Trustee. No Bond shall be entitled to any right or benefit under this Resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of THDA shall be conclusive evidence that the Bond so authenticated and delivered under this Resolution and that the holder thereof is entitled to the benefits hereof.

ARTICLE IV

APPLICATION OF BOND PROCEEDS AND OTHER AMOUNTS

Section 4.1. Application of Bond Proceeds, Accrued Interest and Premium. The proceeds of sale of any Series of Bonds, other than the proceeds of Refunding Bonds, shall, as soon as practicable upon the delivery thereof by the Trustee pursuant to Section 2.6 be applied as follows:

(1) the amount, if any, necessary to cause the amount on deposit in the Bond Reserve Fund to at least equal the Bond Reserve Fund Requirement immediately following the time of such delivery shall be deposited in the Bond Reserve Fund, together with such additional amount, if any, as may be specified in the Supplemental Resolution authorizing such Series; and

(2) the balance remaining after such deposit has been made shall be applied as specified in the Supplemental Resolution or as provided in a Certificate of an Authorized Officer.

Section 4.2. Application of Amounts in the Loan Fund. No amount in the Loan Fund shall be expended or applied for the purpose of financing Program Loans except upon compliance with the provisions of subsection 5.2(C). In addition, no Program Loan shall be financed unless such Program Loan (i) complies in all respects with the Act in effect on the date of financing and (ii) complies with any additional program covenants or requirements contained in the related Supplemental Resolution.

Section 4.3. Application of Proceeds of Refunding Bonds. The proceeds of the Refunding Bonds of a Series shall be deposited in the Redemption Account or the Debt Service and Expense Account as provided in the Supplemental Resolution authorizing such Bonds.

Section 4.4. Deposits. Except as provided in Sections 2.7 and 12.1 and subject to the right of THDA to direct the deposit of funds, whenever such amounts are not invested in Investment Securities, the Trustee shall, if permitted by law, deposit amounts or cause amounts to be deposited from any Fund held by the Trustee or under its control pursuant to the terms of this Resolution in interest-bearing time deposits or certificates of deposit, or may enter into repurchase agreements or make other similar banking arrangements with itself or a member bank or banks of the Federal Reserve System or a bank, the deposits of which are insured by the Federal Deposit Insurance Corporation or its successor. Each such interest-bearing time deposit, repurchase agreement or certificate of deposit or other similar banking arrangement shall permit the moneys so placed to be available at the times at which moneys are needed by THDA to be expended and, except to the extent that any such deposits shall be insured by the United States of America or the Federal Deposit Insurance Corporation, or its successor, on terms which in the judgment of THDA (as expressed in written instructions to the Trustee) provide reasonable liquidity, all moneys in each such interest-bearing time deposit, certificate of deposit, repurchase agreement or other similar banking arrangement shall be either continuously and fully secured under the laws of the State as determined by Board of Directors of THDA by Investment Securities (or other obligations rated in either of the two highest rating categories by a nationally recognized rating service) having a market value equal at all times to the amount of the interest-bearing time deposit, repurchase agreement, certificate of deposit or other similar banking arrangement. Notwithstanding the foregoing, repurchase agreements and other similar arrangements may also be entered into with government bond dealers reporting to, trading with and recognized as primary dealers by a Federal Reserve Bank and may be entered into with any other person if (i) all amounts payable thereunder, are fully and continuously secured by Investment Securities of the type described in clauses (1) through (6) of the definition thereof in Section 1.2, (ii) the Trustee shall receive confirmation that such securities are being held for the benefit (and subject to the direction) of the Trustee by a national bank or member bank of the Federal Reserve System other than the obligor under such arrangement and (iii) the market value of the Investment Securities being held shall be maintained at a level sufficient to maintain the then current rating on the Bonds by each Rating Agency.

Section 4.5. Investment of Certain Funds.

(A) Subject to the right of THDA to direct the investment or deposit of funds hereunder in accordance with this Section, moneys in any Fund shall be continuously invested and reinvested or deposited and redeposited in the highest yield Investment Securities that may be reasonably known to the Trustee, with a view toward maximizing current return (with proper preservation of principal) and minimizing the instances of uninvested funds. THDA shall consult with the Trustee from time to time as to the investment of amounts in the Funds established or confirmed by this Resolution. THDA may direct the Trustee to, or in the absence of direction, the Trustee shall, invest and reinvest the moneys in any Fund in Investment Securities in accordance with this Section and toward the objective that the maturity date or date of redemption at the option of the holder thereof shall coincide as nearly as practicable with the times at which moneys are needed to be so expended.

(B) Investment Securities purchased as an investment of moneys in any Fund held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund but, except as may be otherwise provided for amounts deposited in the Redemption Fund in connection with the issuance of Refunding Bonds, the income or interest earned and gains realized in excess of losses suffered by a Fund due to the investment thereof shall be deposited as Non-Mortgage Receipts in the Non-Mortgage Receipts Account or shall be credited as Non-Mortgage Receipts to the Non-Mortgage Receipts Account from time to time and reinvested.

(C) The Trustee shall sell at the best price obtainable, or present for redemption or exchange, any Investment Security purchased by it pursuant to this Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund for which such investment was made or whenever, in the discretion of THDA, any such sale or presentment is necessary in compliance with Section 7.9. The Trustee shall advise THDA in writing, on or before the twentieth day of each calendar month, of all investments held for the credit of each Fund in its custody under the provisions of this Resolution as of the end of the preceding month.

Section 4.6. Valuation and Sale of Investments.

(A) In computing the amount in any Fund, obligations purchased as an investment of moneys therein shall be valued at market, except that for purposes of determining the Bond Reserve Fund Requirement, Investment Securities shall be valued at amortized value. Amortized value means par, if the obligation was purchased at par, or, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation after such purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a

premium or adding the amount thus calculated for each interest payment date after such purchase to the purchase price in the case of an obligation purchased at a discount. Valuation shall be made as soon as practicable prior to each Interest Payment Date and at any other time required hereunder, and on any particular date shall not include the amount of interest then earned or accrued to such date on any investment.

(B) Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption, any Investment Security whenever it shall be requested in writing by an Authorized Officer to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund held by it. An Investment Security may be credited on a pro-rata basis to more than one Fund and need not be sold in order to provide for the transfer of amounts from one Fund to another.

ARTICLE V

FUNDS

Section 5.1. Establishment of Funds.

(A) THDA hereby establishes and creates the following special trust funds:

- (1) Loan Fund;
- (2) Revenue Fund; and
- (3) Bond Reserve Fund.

(B) All such Funds shall be held and maintained by the Trustee and shall be identified by THDA and the Trustee according to the designations herein provided in such manner as to distinguish such Funds from the Funds established by THDA for any other of its obligations. All moneys or securities held by the Trustee pursuant to this Resolution shall be held in trust and applied only in accordance with the provisions of this Resolution and the Act.

(C) This Resolution contemplates the establishment of Subaccounts within the Funds created pursuant to this Resolution. In addition to the Subaccounts established hereunder, the Trustee may from time to time, establish, close and reestablish such additional Funds, Accounts or Subaccounts as may be requested by THDA for convenience of administration of the Program and as shall not be inconsistent with the provisions of this Resolution. Notwithstanding anything in this Resolution to the contrary, including Section 2.2 hereof, to the extent provided in a Supplemental Resolution authorizing a Series of Bonds, THDA may cause the Trustee to establish a Subaccount into which the net proceeds of such Series of Bonds shall be deposited, held, applied and invested separate and apart from all other funds on deposit hereunder and such Supplemental Resolution may provide that initial proceeds of such Bonds on deposit therein are pledged solely to certain of the Bonds of such Series.

Section 5.2. Loan Fund.

(A) There shall be deposited from time to time in the Loan Fund any amount required to be deposited therein pursuant to this Resolution and any other amounts determined to be deposited therein from time to time.

(B) Amounts in the Loan Fund shall be expended only (i) to finance Program Loans, in accordance with Section 4.2; (ii) to pay Costs of Issuance; (iii) to make deposits in the Debt Service and Expense Account, representative of capitalized interest, in the manner provided in subsection (D) of this Section; (iv) to redeem Bonds in accordance with subsection (E) of this Section; and (v) to provide amounts for deposit in the Debt Service and Expense Account in accordance with subsection (F) of this Section. All Program Loans financed by application of amounts in the Loan Fund shall be credited to the Loan Fund.

(C) THDA shall maintain accurate records in the office of THDA describing for each Program Loan the amounts applied to the financing of such Program Loan and the persons and dates related to such payments. Upon the direction by THDA to apply amounts on deposit to the financing of Program Loans an Authorized Officer shall certify that, as to the Program Loans expected to be financed (i) the terms of such Program Loans will conform to the description of the Program Loans to be financed from such amount as set forth in the most recent Projected Cash Flow Statement delivered to the Trustee and (ii) such Program Loans will comply with the provisions of Section 4.2. The

Trustee shall pay out and permit the withdrawal of amounts on deposit in the Loan Fund at any time for the purpose of making payments pursuant to this Section only upon receipt of:

(1) a written requisition setting forth the amount to be paid, the person or persons to whom such payment is to be made (which may be or include THDA) and, in reasonable detail, the purpose or purposes of such withdrawal; and

(2) a Certificate of an Authorized Officer identifying such requisition and stating that the amount to be withdrawn from the Loan Fund pursuant to such requisition is a proper charge thereon.

(D) At least one day prior to each Interest Payment Date THDA shall deliver to the Trustee a Certificate of an Authorized Officer setting forth the amount necessary, in the opinion of such Authorized Officer, to pay interest on the Bonds of each Series from the amount on deposit in the Loan Fund, after giving effect to the actual and expected application of amounts therein to the financing of Program Loans as of the date of such Certificate. Upon receipt of such Certificate the Trustee shall transfer the amount so stated for each Series to the Debt Service and Expense Account, but only to the extent that the cumulative amount of such transfers does not exceed for each Series the amount stated as necessary to be reserved in the Loan Fund for the purpose of paying capitalized interest pursuant to the Projected Cash Flow Statement delivered in connection with the delivery of such Series pursuant to subsection 7.11 plus the amount, if any, certified by an Authorized Officer as available for such purpose from amounts originally reserved in the Loan Fund for the payment of capitalized interest and Costs of Issuance with respect to other Series in excess of the amounts actually required therefor.

(E) At any time THDA may direct the Trustee in writing to transfer amounts in the Loan Fund to the Redemption Account or to apply such amounts directly to the redemption, purchase or retirement of Bonds in accordance with their terms and the provisions of Article VI.

(F) THDA may at any time direct the Trustee to transfer amounts in the Loan Fund to the Revenue Fund, but only if there is delivered to the Trustee a Projected Cash Flow Statement showing the amount to be so transferred and that, after giving effect to such transfer, such Statement complies with subsection 7.11(C).

Section 5.3. Revenue Fund.

(A) The Trustee shall establish and create within the Revenue Fund three Accounts into which amounts shall be deposited and from which amounts shall be transferred as provided in this Section. These Accounts shall be designated as the Debt Service and Expense Account, the Redemption Account and the Non-Mortgage Receipts Account. THDA shall cause all Revenues to be deposited promptly with the Trustee (at least monthly) and such amounts shall be deposited in the Debt Service and Expense Account. There shall also be deposited in the Debt Service and Expense Account any other amounts required to be deposited therein pursuant to this Resolution.

(B) The Trustee shall pay out of the Debt Service and Expense Account to the respective Paying Agents for any of the Bonds (i) on or before each Interest Payment Date, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date and (ii) on or before the Redemption Date or date of purchase, the amounts required for the payment of accrued interest on Outstanding Bonds redeemed or purchased for retirement, unless the payment of such accrued interest shall be otherwise provided for, and in each such case, such amounts shall be applied by such Paying Agents to such payments. Upon receipt of appropriate requisitions and certificates reflecting such payment in the form prescribed by subsection 5.2(C), amounts on deposit in the Debt Service and Expense Account may be applied to the payment of accrued interest in connection with the financing of any Program Loan.

(C) Prior to the forty-fifth day preceding the due date of each Sinking Fund Payment, any amount accumulated in the Debt Service and Expense Account up to the unsatisfied balance of such Sinking Fund Payment may, and if so directed in writing by an Authorized Officer of THDA shall, be applied (together with amounts accumulated in the Revenue Fund with respect to interest on the Bonds for which such Sinking Fund Payment was established) by the Trustee as follows:

(1) to the purchase of Bonds of the Series and maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price for such Bonds when such Bonds are redeemable by application of said Sinking Fund Payment plus unpaid interest

accrued to the date of purchase, such purchases to be made in such manner as the Trustee shall determine; or

(2) to the redemption, pursuant to Article VI, of such Bonds if then redeemable by their terms at the Redemption Price referred to in clause (1) hereof.

(D) Upon the purchase or redemption of any Bond pursuant to subsection (C) of this Section, an amount equal to the principal amount of the Bond so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption. The portion of any Sinking Fund Payment remaining after the crediting thereto of any such amounts and of any amounts to be credited thereto as provided in subsection (K) of this Section (or the original amount of any such Sinking Fund Payment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Payment for the purpose of calculating Sinking Fund Payments due on a future date.

(E) As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall proceed to call for redemption pursuant to Section 6.3, on such due date, Bonds of the Series and maturity for which such Sinking Fund Payment was established in such amount as shall be necessary to complete the retirement of a principal amount of the Bonds of such maturity equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Debt Service and Expense Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date. The Trustee shall pay out of the Debt Service and Expense Account to the appropriate Paying Agents on the date preceding each such Redemption Date the amount required for the redemption of the Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(F) Upon delivery by THDA to the Trustee of a Certificate of an Authorized Officer which states the amount then on deposit in the Debt Service and Expense Account, the Trustee shall promptly transfer from the Debt Service and Expense Account an amount equal to the amount stated in such Certificate as follows:

FIRST: From amounts representing principal payments on Program Loans, the amount, if any, as shall be required by the Code to be applied to the redemption of Bonds shall be transferred to the Redemption Account.

SECOND: From the amount, if any, so available after the transfer provided above has been made, the amount, if any, as shall be required to make any arbitrage rebate payment to the United States of America as required by the Code shall be transferred to THDA to be applied to such payment.

THIRD: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, by which the amount on deposit in the Bond Reserve Fund is less than the Bond Reserve Fund Requirement shall be transferred to the Bond Reserve Fund.

FOURTH: From the amount, if any, so available after the transfers provided above have been made, the amount needed to pay reasonable and necessary Program Expenses which are due and owing shall be transferred to THDA, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

FIFTH: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, to be transferred to the Loan Fund shall be so transferred, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

SIXTH: From the amount, if any, so available after any transfers provided for above have been made, the remaining amount may be transferred to the Redemption Account upon the direction of THDA and thereafter applied in accordance with subsection (I) of this Section. If the amount of Program Loans (valued at par) and

Investment Securities held by the Trustee hereunder (other than Investment Securities in the Redemption Account) valued in accordance with this Resolution, is greater than 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, then the amount remaining, up to such excess above the 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, may be withdrawn from the Debt Service and Expense Account at any time during the then current Fiscal Year, upon receipt by the Trustee of a Certificate to such effect from an Authorized Officer of THDA, to be applied to any purpose of THDA consistent with Section 7.9, free and clear of the lien of any pledge of this Resolution, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

(G) Notwithstanding any other provision of this Section, the Trustee may at any time, upon the written direction of an Authorized Officer, (i) make transfers from the Debt Service and Expense Account to the Bond Reserve Fund, or the Redemption Account or (ii) make payments to THDA for the purpose of paying reasonable and necessary Program Expenses for the then current Fiscal Year. No such transfer or payment shall be made, however, unless such withdrawal is in an amount less than or equal to the amount of such withdrawal as set forth in the most recent Projected Cash Flow Statement.

(H) Notwithstanding the provisions of subsection (A) of this Section, no payments shall be required to be made into the Debt Service and Expense Account so long as the amount on deposit therein shall be sufficient to pay all Outstanding Bonds (including the Sinking Fund Payments for the retirement thereof) in accordance with their terms and the Bonds have been defeased in accordance with Section 12.1 hereof; any Revenues thereafter received by THDA may be applied to any corporate purpose of THDA free and clear of the lien of the pledge of this Resolution.

(I) There shall be deposited in the Redemption Account any amounts which are required to be deposited therein pursuant to this Resolution and any other amounts available therefor and determined by THDA to be deposited therein. Subject to the provisions of the respective Series of Bonds and to the provisions of the respective Supplemental Resolutions authorizing the issuance thereof and authorizing the issuance of Refunding Bonds, all amounts deposited in the Redemption Account shall be applied to the payment, purchase or redemption of Bonds, at the earliest practicable Redemption Date. Subject to the provisions of this Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply any amounts deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in this Section and Article VI. Any earnings derived from the investment of amounts deposited in the Redemption Account pursuant to Section 2.7 shall, to the extent required to provide amounts sufficient for the payment or redemption of Bonds in accordance with the conditions for issuance of Refunding Bonds set forth in said Section, be deposited in the Redemption Account. Amounts on deposit in the Redemption Account for the payment, purchase or redemption of any particular Bonds in accordance with the provisions of any Supplemental Resolution authorizing the issuance of Refunding Bonds, including amounts derived from the investment thereof as provided in this subsection, shall be segregated and shall be identified as such on the records of the Trustee.

(J) Except as may be otherwise provided in connection with the issuance of Refunding Bonds, at any time prior to the forty-fifth day upon which Bonds are to be paid or redeemed from such amounts, the Trustee may apply amounts in the Redemption Account to the purchase of any of the Bonds which may be paid or redeemed by application of amounts on deposit therein. THDA may, however, by delivery to the Trustee of written instructions to such effect signed by an Authorized Officer, require or prohibit such purchases in the discretion of THDA. The Trustee shall purchase Bonds at such times, for such prices, in such amounts and in such manner as THDA shall from time to time direct or, in the absence of such direction, as the Trustee may determine in its sole discretion and as may be possible with the amounts then available therefor. The purchase price paid by the Trustee (excluding accrued interest but including any brokerage and other charges) for any Bond purchased shall not exceed the principal amount of such Bond unless such Bond may be redeemed in accordance with this Resolution on any date or dates within thirteen months after such purchase, in which event such purchase price shall not exceed the highest Redemption Price payable on any such date upon the redemption of such Bond. In the event the Trustee is able to purchase Bonds at a price less than the Redemption Price at which such Bonds were to be redeemed, then, upon the payment by the Trustee of the purchase price of such Bonds, the Trustee shall transfer the difference between the amount of such purchase price and the amount of such Redemption Price, and deposit the same in the Debt Service and Expense Account within the Revenue Fund.

(K) Upon the purchase or redemption of Bonds for which Sinking Fund Payments have been established from amounts in the Redemption Account, there shall be credited toward each such Sinking Fund Payment thereafter to become due an amount as nearly as may be practicable in multiples of \$5,000 (or such other denomination as shall be authorized for the related Series of Bonds) bearing the same ratio to such Sinking Fund Payment, as the total principal amount of such Bond so purchased or redeemed bears to the total amount of all such Sinking Fund Payments to be credited. If, however, there shall be filed with the Trustee written instructions of an Authorized Officer specifying a different method for crediting Sinking Fund Payments upon any such purchase or redemption of Bonds, then such Sinking Fund Payments shall be credited as shall be provided in such instructions.

(L) Except as otherwise specifically provided herein, the Trustee shall have no obligation to purchase or attempt to purchase Bonds at a price below the Redemption Price or at any other price and any arm's length purchase by the Trustee shall conclusively be deemed fair and reasonable.

(M) All Non-Mortgage Receipts shall be deposited, promptly upon receipt by the Trustee, in the Non-Mortgage Receipts Account. The Trustee shall maintain records sufficient to determine the average daily balance of the amounts on deposit in the Loan Fund and the Bond Reserve Fund and the Debt Service and Expense Account and Redemption Account in the Revenue Fund (referred to in this Section as the "average daily balance"). If so directed by THDA, the Trustee shall maintain such for each Series of Bonds separately.

(N) Not later than each Interest Payment Date, the Trustee shall transfer from the Non-Mortgage Receipts Account to the Debt Service and Expense Account an amount equal to the lesser of (i) the amount needed to enable the Trustee to pay Debt Service on the Bonds on such Interest Payment Date and (ii) the balance then on deposit in the Non-Mortgage Receipts Account. If at any time the amount available prior to any Interest Payment Date shall be insufficient for the making of the transfers provided by this Subsection, then the Trustee shall make transfers to the Debt Service and Expense Account from the Non-Mortgage Receipts Account from the first available Non-Mortgage Receipts received subsequent to such Interest Payment Date and the amount so transferred shall not reduce the amount required to be transferred prior to the next Interest Payment Date.

(O) Any amount remaining in the Non-Mortgage Receipts Account after the transfer to the Debt Service and Expense Account described in paragraph (N) above shall be transferred, at the direction of an Authorized Officer, to the Loan Fund or the Redemption Account.

Section 5.4. Bond Reserve Fund.

(A) If on any Interest Payment Date or Redemption Date for the Bonds the amount in the Revenue Fund and the Redemption Fund, if applicable, shall be less than the amount required for the payment of the Principal Installments and interest due on the Outstanding Bonds on such date, the Trustee shall apply amounts from the Bond Reserve Fund to the extent necessary to make good the deficiency.

(B) If, concurrently with any allocation from the Revenue Fund pursuant to subsection (B) or (F) or (G) of Section 5.3, the amount on deposit in the Bond Reserve Fund, shall be in excess of the Bond Reserve Fund Requirement, the Trustee may, if so directed in writing by an Authorized Officer of THDA, transfer the amount of such excess to the Redemption Account.

(C) Whenever the amount in the Bond Reserve Fund, together with the amount in the Revenue Fund, is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including the Sinking Fund Payments for the retirement thereof), amounts on deposit in the Revenue Fund shall be transferred to the Bond Reserve Fund. Prior to said transfer all investments held in the Revenue Fund shall be liquidated and any Bonds constituting a part of such Fund shall be deemed paid and cancelled.

(D) It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.1. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity shall be redeemable, upon notice as provided in this Article, at such times, at such Redemption Prices and upon such other terms as may be specified in this Resolution, in the Bonds and in the respective Supplemental Resolutions authorizing the issuance of such Bonds and authorizing the issuance of Refunding Bonds.

Section 6.2. Redemption at the Election or Direction of THDA; Conditional Notice. In the case of any redemption of Bonds otherwise than as provided in Section 6.3, THDA shall give written notice to the Trustee of its election or direction so to redeem, on the Redemption Date, the principal amounts of the Bonds of such Series and maturities to be redeemed (which Redemption Date, Series, maturities and principal amounts thereof to be redeemed shall be determined by THDA in its sole discretion, subject to any limitations with respect thereto as may be provided in a Supplemental Resolution or otherwise contained in or permitted by this Resolution) and of any moneys to be applied to the payment of the Redemption Price. Such notice shall be given at least forty-five days prior to the Redemption Date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 6.5, the Trustee, if it holds the moneys to be applied to the payment of the Redemption Price, or otherwise THDA shall, prior to the Redemption Date, pay to the appropriate Paying Agent or Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agent or Paying Agents, will be sufficient to redeem on the Redemption Date at the Redemption Price thereof all the Bonds to be redeemed; provided, however, that any election or direction to redeem Bonds may be conditional, and THDA may elect or direct that any notice of redemption given pursuant to Section 6.5 shall be made conditional, upon the deposit with the Paying Agent of such sufficient moneys or other conditions. THDA shall promptly notify the Trustee in writing of all such payments made by THDA to a Paying Agent.

Section 6.3. Redemption Otherwise Than at THDA's Election or Direction. Whenever by the terms of this Resolution, the Trustee is required to redeem Bonds otherwise than at the election or direction of THDA, and subject to and in accordance with the terms of this Article and, to the extent applicable, Article V, the Trustee shall select the Redemption Date of the Bonds to be redeemed, give the notice of redemption and pay the Redemption Price to the appropriate Paying Agents.

Section 6.4. Selection of Bonds to be Redeemed. In the event of redemption of less than all the Outstanding Bonds of like Series, interest rate and maturity, the Trustee shall assign to each such Outstanding fully registered Bond a distinctive number for each \$5,000 of the principal amount thereof so as to distinguish each such \$5,000 from each other portion of the Bonds subject to such redemption. The Trustee shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds bearing the numbers so selected; but only so much of the principal amount of each such fully registered Bond of a denomination or more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding. In the case of Appreciation Bonds, in the event that the Compounded Amount of any such Bond shall be less than \$5,000, the Trustee shall assign a number to such Bond as if the Bond had a principal amount equal to \$5,000 for purposes of this Section. If a Supplemental Resolution provides for a minimum denomination larger (or smaller) than \$5,000, all references in this Section to \$5,000 shall be deemed to refer to such larger (or smaller) minimum denomination. Notwithstanding the foregoing, Bonds that are held by a Central Securities Depository (or beneficial ownership interests in Bonds registered in the name of a Central Securities Depository or its nominee) shall be selected for redemption in accordance with the operational arrangements of such Central Securities Depository.

Section 6.5. Notice of Redemption. When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds pursuant to Section 6.2 and when redemption of Bonds is required by this Resolution pursuant to Section 6.3, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the Series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth in summary terms, the conditions precedent to such redemption and

that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository as provided in Section 3.7 hereof) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

Section 6.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 6.5 and assuming that all conditions precedent have been satisfied, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, together with, in the case of portions of Bonds, a written instrument of exchange duly executed by the registered owner or his duly authorized attorney. If there shall be drawn for redemption less than the entire principal amount of a Bond, THDA shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered at the option of the holder, Bonds of like Series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then, from and after the Redemption Date interest on the Bonds or portions thereof of such Series and maturities so called for redemption shall cease to accrue and become payable.

If any notice of redemption pursuant to Section 6.5 is given specifying that the redemption of the Bonds so called for redemption is made conditional upon the deposit of sufficient moneys to pay the Redemption Price therefor on the Redemption Date and if such moneys sufficient to pay the Redemption Price and accrued interest have not been made available by THDA to the Trustee or the appropriate Paying Agent or Paying Agents on the Redemption Date, such notice of redemption shall be cancelled and be without effect and the Bonds so called for redemption and subject to such conditional redemption notice shall continue to remain Outstanding. The Trustee shall, within two business days after the proposed Redemption Date, give notice, in the manner in which the notice of redemption was given, that such conditions were not satisfied.

ARTICLE VII PARTICULAR COVENANTS

THDA covenants and agrees with the Trustee and the holders of the Bonds as follows:

Section 7.1. Performance. THDA shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of THDA under the provisions of the Act and this Resolution in accordance with the terms of such provisions.

Section 7.5. Extension of Payment of Bonds. THDA shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any interest thereon and in the event that the maturity of any of the Bonds or the time for payment of interest thereon shall be extended, such Bonds, shall not be entitled to the benefit of this Resolution or to any payment out of the Funds established pursuant to this Resolution, including the investments, if any, thereof, or out of any assets or revenues pledged hereunder prior to benefits accorded to or the payment of the principal of all Bonds the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extension. Nothing herein shall be deemed to limit the right of THDA to issue Refunding Bonds and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 7.6. Offices for Servicing Bonds. THDA shall at all times maintain an office or agency where Bonds may be presented for registration, transfer or exchange, and where notices, presentations and demands upon THDA in respect of the Bonds or of this Resolution may be served. The Trustee shall maintain such office or agency for the registration, transfer or exchange of Bonds and for the service of such notices, presentations and demands upon THDA. THDA may appoint one or more additional or other Paying Agents as its respective agents to maintain such offices or agencies for the payment of the Bonds of any particular Series and maturity.

Section 7.7. Further Assurance. At any and all times THDA shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and assets hereby pledged or assigned, or intended so to be, or which THDA may become bound to pledge or assign.

Section 7.8. Waiver of Laws. Section 7.9. Tax Covenants.

(A) Subject to subsection (C) of this Section, THDA shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the Bonds shall, for the purposes of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation.

(B) THDA shall not permit at any time or times any of the proceeds of the Bonds or any other funds of THDA to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 148(a) of the Code.

(C) Notwithstanding the foregoing, THDA hereby reserves right to elect to issue Bonds the interest on which is not exempt from federal income taxation, if such election is made prior to the issuance of such Bonds, and the covenants contained in this Section shall not apply to such Bonds.

Section 7.10. Accounts and Reports.

(A) THDA shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all of its transactions relating to the Program Loans and all Funds established by this Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the holders of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) THDA shall annually, within 210 days after the close of each Fiscal Year, file with the Trustee a copy of the financial statements of THDA for such Fiscal Year, setting forth in reasonable detail:

(1) the balance sheet for THDA and its programs, showing the assets and liabilities of the Program at the end of such Fiscal Year;

The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of THDA at the end of the Fiscal Year, the results of its operations and the changes in financial position for the period examined, in conformity with generally accepted accounting principles.

(C) If at any time during any Fiscal Year there shall have occurred an Event of Default, then THDA shall file with the Trustee, within forty-five days after the close of such Fiscal Year, a special report accompanied by an Accountant's Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Fund hereunder.

(D) Any such financial statements may be presented on a consolidated or combined basis with other reports of THDA, but only to the extent that such basis of reporting shall be consistent with that required under subsection (B) of this Section.

(E) A copy of each annual Projected Cash Flow Statement prepared in accordance with Section 7.11 hereof and any special report filed pursuant to subsection (C) of this Section and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by THDA to each Bondholder who shall have filed his name and address with THDA for such purposes.

Section 7.11. Periodic Delivery of Projected Cash Flow Statement.

(A) THDA shall file a Projected Cash Flow Statement with the Trustee (i) whenever Bonds are issued pursuant to Section 2.6, (ii) on or within thirty (30) days after THDA's filing of its financial statements as provided in Section 7.10(B), if a Projected Cash Flow Statement has not been filed within the prior year and (iii) at such other times as required by this Resolution or as may be required by a Supplemental Resolution.

(B) A Projected Cash Flow Statement shall set forth projected Revenues, Program Expenses and interest payments and Principal Installments for each year during which Bonds will be Outstanding based upon the reasonable expectations of THDA at the time such Certificate is filed. The listing of Revenues from Program Loans and Investment Securities shall be supported by a schedule identifying the Program Loans and Investment Securities by maturity and interest rate, including Program Loans expected to be financed with amounts in the Loan Fund.

(C) A Projected Cash Flow Statement shall be considered to comply with this subsection if such Statement shows that (i) the estimated Revenues for each annual period in which Bonds will be Outstanding, together with any amount scheduled to be withdrawn from the Bond Reserve Fund (and permitted to be so withdrawn pursuant to this Resolution), will be sufficient for the payment of the estimated Debt Service and Program Expenses for such annual period, and (ii) the total assets (consisting of cash and investments, valued as provided herein, and the principal balance of Program Loans) held hereunder equal to or exceed the total liabilities of all Bonds Outstanding hereunder for each such annual period.

Section 7.12. The Program.

(A) THDA shall from time to time with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of this Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the Program,

(B) Whenever necessary in order to protect and enforce the interests and security of the holders of the Bonds, THDA shall commence foreclosure or pursue other appropriate remedies with respect to any Program Loan which is in default. In the event that THDA shall, in its discretion, determine such action to be in the best interests of the holders of the Bonds, THDA may bid for and purchase the premises covered by any such Program Loan at any foreclosure sale thereof and may otherwise take possession of or acquire such premises.

(C) THDA may at any time sell, assign or otherwise dispose of a Program Loan (or the premises to which such Program Loan related) or a Program Security:

(1) in the case of a Program Loan, in the event that payment under such Program Loan is delinquent more than ninety days or, at any time, in order to realize the benefits of insurance with respect to such Program Loan or premises;

(2) in order to obtain funds to provide for the redemption or purchase of an amount of Bonds the debt service on which is equivalent to the payments on the Program Loan; or

(3) a Projected Cash Flow Statement shall be filed with the Trustee which gives effect to the proposed sale thereof and complies with the conditions set forth in subsection 7.11(C).

Section 7.13. Personnel and Servicing of Programs.

(A) THDA shall at all times appoint, retain and employ competent personnel for the purpose of carrying out its respective programs under the Act and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by THDA shall be qualified for their respective positions.

(B) THDA may pay to any agency, municipality, political subdivision or governmental instrumentality of the State such amounts as are necessary to reimburse such agency, municipality, political subdivision or governmental instrumentality of the State for the reasonable costs of any services performed for THDA.

(C) THDA shall duly and properly service all Program Loans and enforce the payment and collection of all payments of principal and interest and all Escrow Payments or shall cause such servicing and/or enforcing to be done by a servicer evidencing, in the judgment of THDA, the capability and experience necessary to adequately service Program Loans. Each such servicer shall enter into a servicing agreement providing that:

(1) all amounts received by such servicer, except as compensation for its services, shall be promptly transferred to the Trustee subject to and in accordance with the provisions of this Resolution;

(2) such servicer shall at all times remain qualified to act as such pursuant to such standards as THDA shall prescribe from time to time and shall determine to be reasonable to maintain the security for the Bonds;

(3) such servicer shall agree to maintain servicing facilities that are staffed with trained personnel to adequately service Program Loans in accordance with standards normally employed by private institutional mortgage investors, as determined in THDA's sole discretion, and shall maintain individual files for each Program Loan serviced pursuant to the servicing agreement and provide regular reports to THDA as to collections and delinquencies with respect to all Program Loans serviced by such servicer.

Section 7.14. Issuance of Additional Obligations.

(A) THDA shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which, except as provided in Section 5.1(C) hereof, will be secured by a superior or equal charge and lien on the revenues and assets pledged hereunder, except that additional Series of Bonds may be issued from time to time subsequent to the issuance of the initial Series of Bonds under this Resolution on a parity with the Bonds of such initial Series of Bonds and secured, except as provided in Section 5.1(C) hereof, by an equal charge and lien on the revenues and assets pledged hereunder and payable equally therefrom for one or more of the purposes set forth in Section 2.4.

(B) No additional Series of Bonds shall be issued subsequent to the issuance of the initial Series of Bonds under this Resolution unless an Authorized Officer shall have certified that:

(1) the principal amount of the additional Bonds then to be issued, together with the principal amount of the Bonds, notes and other obligations theretofore issued pursuant to the Act, will not exceed in aggregate principal amount any limitation thereon imposed by law;

(2) upon the issuance and delivery of such additional Bonds, the amount credited to the Bond Reserve Fund is at least equal to the Bond Reserve Fund Requirement, as valued not more than five (5) Business Days prior to the date of issuance of such additional Bonds;

(3) the provisions of Section 2.6 or, in the case of Refunding Bonds, Section 2.7 shall have been complied with as of the date of delivery of such Series;

(4) except in the case of Refunding Bonds, at the time of issuance of such additional Bonds, THDA shall not be in default in the performance of any of the covenants, conditions, agreements or provisions contained in this Resolution; and

(5) upon the issuance of such Series and application of the proceeds thereof in accordance with Article IV hereof, the amount of Program Loans and Investment Securities credited to all Funds and Accounts hereunder, other than the Redemption Account, when valued in accordance with this Resolution, will be equal to the principal amount of Outstanding Bonds, including the Bonds thereupon being issued.

(C) THDA hereby expressly reserves the right to enter into or adopt one or more additional indentures or resolutions for its purposes, including the purposes of the Program, and reserves the right to issue other obligations for such purposes.

Section 7.15. Bond Reserve Fund.

(A) THDA shall at all times maintain the Bond Reserve Fund created and established by Section 5.1 and do and perform or cause to be done and performed each and every act and thing with respect to the Bond Reserve Fund provided to be done or performed by or on behalf of THDA or the Trustee or the Paying Agents under the terms and provisions of Article V hereof. It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

(B) Notwithstanding any other provisions of this Resolution the Trustee shall not permit amounts to be withdrawn from the Bond Reserve Fund other than pursuant to subsection 5.4(A) unless there shall have been filed with the Trustee a Certificate of an Authorized Officer stating that such amounts are not required to be retained therein to provide funds for the payment of Principal Installments or interest on Outstanding Bonds when due.

Section 7.16. Assignment of Program Loans Upon Default. Upon the happening of an Event of Default specified in Section 10.2 and at the written request of the Trustee or of the holders of not less than 25% in principal amount of the Outstanding Bonds, THDA shall deliver the Program Loans to the Trustee and take any other steps requested by the Trustee or such Bondholders in order to further effectuate the assignment of all of the Program Loans to the Trustee. If, however, the Trustee and the Bondholders are restored to their positions in accordance with Section 10.4, the Trustee shall assign such Program Loans back to THDA.

ARTICLE VIII
SUPPLEMENTAL RESOLUTIONS

Section 8.1. Supplemental Resolutions Effective Upon Filing With the Trustee. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of THDA may be adopted, which, upon the filing with the Trustee of a copy thereof certified by an Authorized Officer, shall be fully effective in accordance with its terms:

- (1) to close this Resolution against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Resolution on the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;
- (2) to add to the covenants and agreements of THDA in this Resolution other covenants and agreements to be observed by THDA which are not contrary to or inconsistent with this Resolution as theretofore in effect;
- (3) to add to the limitations and restrictions in this Resolution other limitations and restrictions to be observed by THDA which are not contrary to or inconsistent with this Resolution as thereupon in effect;
- (4) to surrender any right, power or privilege reserved to or conferred upon THDA by the terms of this Resolution, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of THDA contained in this Resolution;
- (5) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of the Revenues and Non-Mortgage Receipts or of any other revenues or assets;
- (6) to accommodate the conversion of the Program to the purchase of Program Securities in addition to or in lieu of Program Loans;
- (7) to modify any of the provisions of this Resolution in any respect whatever, but only if either (i) such modification shall not materially adversely affect the interest of the Bondholders (as to any change relating to security for the Bonds, evidence that such change, at the time of such change, will not, in and of itself, impair, or cause the Bonds to fail to retain, the then-existing rating(s) assigned to them by the Rating Agencies, shall constitute sufficient evidence that such change does not materially adversely affect the interest of the Bondholders) or (ii) such modification shall be, and be expressed to be, effective only after all Bonds Outstanding at the date of the adoption of such Supplemental Resolution shall cease to be Outstanding; or and, with respect to (ii) above, such modification is disclosed in any offering documents of THDA for Bonds issued subsequent to the date of adoption of the Supplemental Resolution; or
- (8) to authorize the issuance of additional Series of Bonds and to prescribe the terms and conditions thereof and any additional terms and conditions upon which such Bonds may be issued.

Section 8.2. Supplemental Resolutions Effective Upon Consent of Trustee.

(A) For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer, and (ii) the filing with the Trustee and THDA of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

- (1) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or
- (2) to insert such provisions clarifying matters or questions arising under this Resolution as are necessary or desirable and are not contrary to or inconsistent with this Resolution as theretofore in effect; or
- (3) to provide for additional duties of the Trustee in connection with the Program Loans.

(B) Any such Supplemental Resolution may also contain one or more of the purposes specified in Section 8.1, and in that event, the consent of the Trustee required by this Section shall be applicable only to those provisions of such Supplemental Resolution as shall contain one or more of the purposes set forth in subsection (A) of this Section.

Section 8.3. Supplemental Resolutions Effective Upon Consent of Bondholders. At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by Bondholders in accordance with and subject to the provisions of Article IX. Any such Supplemental Resolution shall become fully effective in accordance with its terms upon the filing with the Trustee a copy thereof certified by an Authorized Officer and upon compliance with the provisions of Article IX.

Section 8.4. General Provisions.

(A) This Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article IX. Nothing in this Article or Article IX contained shall affect or limit the right or obligation of THDA to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.7 or the right or obligation of THDA to execute and deliver to any Fiduciary any instrument which is to be delivered to said Fiduciary pursuant to this Resolution.

(B) Any Supplemental Resolution permitted or authorized by Section 8.1 or 8.2 may be adopted by THDA without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution filed with the Trustee shall be accompanied by a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Resolution, is authorized or permitted by this Resolution, and is valid and binding upon THDA.

(C) The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Section 8.1, 8.2 or 8.3 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel (which may be a Bond Counsel's Opinion) that such Supplemental Resolution is authorized or permitted by the provisions of this Resolution.

(D) No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

ARTICLE IX AMENDMENTS

Section 9.1. Mailing and Publication of Notice of Amendment. Any provision in this Article for the mailing of a notice to Bondholders shall be fully complied with if it is mailed postage prepaid (i) to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of THDA and (ii) to the Trustee.

Section 9.2. Powers of Amendment. Any modification of or amendment to this Resolution and of the rights and obligations of THDA and of the holders of the Bonds hereunder, in any particular, may be made by a Supplemental Resolution, but only, in the event such Supplemental Resolution shall be adopted pursuant to Section 8.3, with the written consent given as provided in Section 9.3, (i) of the holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the holders of at least two-thirds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the holders of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given. If any such modification or amendment will not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, however, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its

written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Resolution if the same adversely affects or diminishes the rights of the holders of Bonds of such Series. The Trustee may in its sole discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on THDA and all holders of Bonds.

Section 9.3. Consent of Bondholders.

(A) A copy of any Supplemental Resolution making a modification or amendment which is not permitted by the provisions of Section 8.1 or 8.2 (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed, by first class mail postage prepaid, by THDA to the holders of any registered Bond. Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of holders of the percentages of Outstanding Bonds specified in Section 9.2 and (b) a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted by THDA in accordance with the provisions of this Resolution, is authorized or permitted hereby and is valid and binding upon THDA and enforceable in accordance with its terms.

(B) The consent of a Bondholder to any modification or amendment shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.14. A Certificate by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with such Section 11.14 shall be conclusive that the consents have been given by the holders of the Bonds described in such Certificate of the Trustee. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof) unless such consent is revoked in writing by the holder of such Bonds giving such consent or a subsequent holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 11.14. The fact that a consent has not been revoked may likewise be proved by a Certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee.

(C) At any time after the holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with THDA and the Trustee a written statement that the holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by THDA on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required percentages of Bonds and will be effective as provided in this Section shall be given to Bondholders by THDA by mailing such notice to the Bondholders, first class mail, postage prepaid, (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as provided in this Section). THDA shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon THDA, the Fiduciaries and the holders of all Bonds at the expiration of forty days after the filing with the Trustee of the proof of the first mailing of the notice of such consent, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty day period, except that any Fiduciary and THDA during such forty day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 9.4. Modifications by Unanimous Consent. The terms and provisions of this Resolution and the rights and obligations of THDA and of the holders of the Bonds hereunder may be modified or amended in any respect upon the adoption and filing by THDA of a Supplemental Resolution and the consent of the holders of all the Bonds then Outstanding, such consent to be given as provided in Section 9.3, but no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders. No notice of any such modification or amendment to Bondholders either by mailing or publication shall be required.

Section 9.5. Exclusion of Bonds. Bonds owned or held by or for the account of THDA shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and THDA shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, THDA shall furnish the Trustee a Certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.6. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as provided in Article VIII or this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by THDA and the Trustee as to such action, and in that case upon demand of the holder of any Outstanding Bond at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If THDA or the Trustee shall so determine, new Bonds modified to conform to such action in the opinion of the Trustee and THDA shall be prepared, executed, authenticated and delivered, and upon demand of the holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity, then Outstanding, upon surrender of such Bonds. All Bonds surrendered in such an exchange shall be cancelled by the Trustee.

ARTICLE X

DEFAULTS AND REMEDIES

Section 10.1. Events of Default. Each of the following events is hereby declared an "Event of Default":

(1) payment of the principal of or Redemption Price, if any, on any Bond when and as the same shall become due, whether at maturity or upon call for redemption or otherwise shall not be made when and as the same shall become due; or

(2) payment of any installment of interest on any of the Bonds shall not be made within thirty days after the same shall become due; or

(3) THDA shall fail or refuse to comply with the provisions of this Resolution, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in any Supplemental Resolution or the Bonds, and such failure, refusal or default shall continue for a period of forty-five days after written notice thereof by the Trustee or the holders of not less than 5% in principal amount of the Outstanding Bonds.

Section 10.2. Remedies.

(A) Upon the happening and continuance of any Event of Default specified in paragraphs (1) and (2) of Section 10.1 the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in paragraph (3) of Section 10.1 the Trustee may proceed, and upon the written request of the holders of not less than 25% in principal amount of the Outstanding Bonds (75% with respect to acceleration of the Bonds pursuant to clause (5) below) shall proceed, in its own name, subject to the provisions of Section 11.3, to protect and enforce the rights of the Bondholders by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including the right to require THDA to receive and collect Revenues and Non-Mortgage Receipts adequate to carry out the covenants and agreements as to, and the assignment of, the Program Loans and to require THDA to carry out any other covenants or agreements with Bondholders and to perform its duties under the Act;

(2) by bringing suit upon the Bonds;

(3) by action or suit in equity, to require THDA to account as if it were the trustee of an express trust for holders of the Bonds;

(4) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds;

(5) by declaring all Bonds due and payable, and if all defaults shall be cured, then, with the written consent of the holders of not less than 25% in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(6) in the event that all Bonds are declared due and payable, by selling Program Loans and Investment Securities.

(B) In the enforcement of any rights and remedies under this Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due and unpaid from THDA for principal, Redemption Price, interest or otherwise, under any provisions of this Resolution or a Supplemental Resolution or of the Bonds, with interest on overdue payments at the rate of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings thereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce a judgment or decree against THDA for any portion of such amounts remaining unpaid, with interest, costs and expenses (including without limitation pre-trial, trial and appellate attorney fees), and to collect from any moneys available for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(C) Upon the occurrence of any Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Resolution, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and Non-Mortgage Receipts and of the assets of THDA relating to the Program, pending such proceedings, with such powers as the court making such appointment shall confer.

(D) Except upon the occurrence and during the continuance of an Event of Default hereunder, THDA hereby expressly reserves and retains the privilege to receive and, subject to the terms and provisions of this Resolution, to keep or dispose of, claim, bring suit upon or otherwise exercise, enforce or realize upon its rights and interest in and to the Program Loans and the proceeds and collections therefrom, and neither the Trustee nor any Bondholder shall in any manner be or be deemed to be an indispensable party to the exercise of any such privilege, claim or suit.

Section 10.3. Priority of Payments After Default.

(A) In the event that upon the happening and continuance of any Event of Default the funds held by the Trustee and Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and this Article, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the holders of the Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under this Resolution, shall be applied, subject to Section 10.11, hereof as follows:

(1) Unless the principal of all of the Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds shall become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of

principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(B) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatsoever to THDA, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 10.4. Termination of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case THDA, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 10.5. Bondholders' Direction of Proceedings. Anything in this Resolution to the contrary notwithstanding, the holders of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Resolution, and that the Trustee shall have the right to decline to follow such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction

Section 10.6. Limitation on Rights of Bondholders.

(A) No holder of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law hereunder, or for the protection or enforcement of any right under this Resolution unless such holder shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the holders of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under this Resolution or for any other remedy hereunder or by law. It is understood and intended that no one or more holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder or under law with respect to the Bonds or this Resolution, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of the Outstanding Bonds. Nothing contained in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on his Bonds, or the obligation of THDA to pay the principal of and interest on each Bond issued hereunder to the holder thereof at the time and place in said Bond expressed.

(B) Anything to the contrary notwithstanding contained in this Section, or any other provision of this Resolution, each holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Resolution or any Supplemental Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party

litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs including reasonable pre-trial, trial and appellate attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least 25% in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of any Bond on or after the respective due date thereof expressed in such Bond.

Section 10.7. Possession of Bonds by Trustee Not Required. All rights of action under this Resolution or under any of the Bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the holders of such Bonds, subject to the provisions of this Resolution.

Section 10.8. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 10.9. No Waiver of Default. No delay or omission of the Trustee or of any holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein and every power and remedy given by this Resolution to the Trustee and the holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 10.10. Notice of Event of Default. The Trustee shall give to the Bondholders notice of each Event of Default hereunder known to the Trustee within ninety days after actual knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided, that, except in the case of default in the payment of the principal of or Redemption Price, if any, or interest on any of the Bonds, or in the making of any payment required to be made into the Loan Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Bondholders. Each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof: (i) to all registered holders of Bonds, as the names and addresses of such holders appear upon the books for registration and transfer of Bonds as kept by the Trustee and, (ii) to such other persons as is required by law.

ARTICLE XI CONCERNING THE FIDUCIARIES

Section 11.1. Appointment and Acceptance of Duties of Trustee.

(A) The Bond Finance Committee of THDA has been delegated the responsibility for choosing the initial Trustee pursuant to this Resolution. The Trustee shall signify its acceptance of the duties and obligations of the Trustee by executing a written acceptance of its obligations under this Resolution.

(B) The Trustee is hereby vested with all of the rights, powers and duties of a Trustee permitted to be appointed by Bondholders pursuant to the Act and the right of Bondholders to appoint a trustee pursuant to the Act is hereby abrogated as permitted by the Act.

Section 11.2. Appointment and Acceptance of Duties of Paying Agents.

(A) THDA shall appoint one or more Paying Agents for the Bonds of each Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 11.13 for a successor Paying Agent. The Trustee is hereby appointed as a Paying Agent.

(B) Each Paying Agent (other than the Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by a written instrument of acceptance executed and delivered to THDA and the Trustee.

(C) The principal or corporate trust offices of the Paying Agents are hereby designated as the respective agencies of THDA for the payment of the Bonds.

Section 11.3. Responsibility of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of THDA and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or in respect of the security afforded by this Resolution, and no Fiduciary shall incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representations contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof or the application of any moneys paid to THDA. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any one of the others.

Section 11.4. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may be of counsel to THDA, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any Fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate signed by an Authorized Officer, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Resolution upon the faith thereof, but in its sole discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Neither the Trustee nor any successor Trustee shall be liable to THDA, the holders of any of the Bonds or any other person for any act or omission done or omitted to be done by such Trustee in reliance upon any instruction, direction or certification received by the Trustee pursuant to this Resolution or for any act or omission done or omitted in good faith and without willful or reckless misconduct. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by THDA to any Fiduciary shall be sufficiently executed if executed in the name of THDA by an Authorized Officer.

Section 11.5. Compensation. THDA shall pay to each Fiduciary from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees (whether or not litigation ensued and, if so, fees on trial and any appeal therefrom) and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and each Fiduciary shall have a lien therefor on any and all funds at any time held by it under this Resolution. THDA further agrees to indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default.

Section 11.6. Permitted Acts and Functions. Any Fiduciary may become the owner of any Bonds issued hereunder with the same rights it would have if it were not a Fiduciary. Any Fiduciary may permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Bonds then Outstanding. Any Fiduciary may participate as a lender under the Program and may sell Program Loans to THDA. Except as otherwise provided by THDA, no Fiduciary may act as an underwriter with respect to the issuance of any Bonds.

Section 11.7. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty days' written notice to THDA, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 11.9, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 11.8. Removal of Trustee. The Trustee shall be removed by THDA if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and THDA and signed by the holders of a majority

in principal amount of the Bonds then Outstanding or their attorney-in-fact duly authorized, excluding any Bonds held by or for the account of THDA. THDA may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of THDA by filing with the Trustee an instrument signed by an Authorized Officer.

Section 11.9. Appointment of Successor Trustee.

(A) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, THDA covenants and agrees that it will thereupon appoint a successor Trustee.

(B) If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five days after the Trustee shall have given to THDA written notice, as provided in Section 11.7, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a trust company or bank having the powers of a trust company within or outside the State, having a capital, surplus and undivided profits aggregating at least \$100,000,000 if there be such a trust company or bank willing and able to accept the office on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

Section 11.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to THDA, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the request of THDA, or of its successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from THDA be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by THDA. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee. Upon the effectiveness of the resignation or removal of the Trustee, such Trustee's authority to act pursuant to this Resolution shall terminate and such Trustee shall have no further responsibility or liability whatsoever for performance of this Resolution as Trustee.

Section 11.11. Merger, Consolidation or Sale. Any company into which any Fiduciary or its trust department may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to such Fiduciary under Section 11.9 or Section 11.13 and shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 11.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Resolution provided that the certificate of authentication of the Trustee shall have.

Section 11.13. Resignation or Removal of the Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty days' written notice to THDA and Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent, and the Trustee and signed by an Authorized Officer. Any successor Paying Agent shall be appointed by THDA and (subject to the requirements of Section 7.6) shall be a trust company or bank having the powers of a trust company, having a capital and surplus aggregating at least \$25,000,000, and willing and able to accept the office of Paying Agent, on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed.

Section 11.14. Evidence of Signatures of Bondholders and Ownership of Bonds.

(A) Any request, consent or other instrument which this Resolution may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of this Resolution (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its sole discretion require further or other proof in cases where it deems the same desirable:

(1) the fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the Certificate, which need not be acknowledged or verified, of an officer of a bank or trust company, financial institution or other member of the National Association of Securities Dealers, Inc. satisfactory to the Trustee, or of any notary public or other officer authorized to take acknowledgements of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary; and

(2) the amount of Bonds transferable by delivery held by any person executing such request or other instrument as a Bondholder, and the numbers and other identification thereof, and the date of his holding such Bonds, may be proved by a Certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by an officer of a trust company, bank, financial institution or other depository or member of the National Association of Securities Dealers, Inc. wherever situated, showing that at the date therein mentioned such person exhibited to such officer or had on deposit with such depository the Bonds described in such Certificate. Continued ownership after the date stated in such Certificate may be proved by the presentation of such Certificate if the Certificate contains a statement by such officer that the depository held the Bonds therein referred to on the date of the Certificate and that they will not be surrendered without the surrender of the Certificate to the depository, except with the consent of the Trustee, and a Certificate of the Trustee, which need not be acknowledged or verified, that such consent has not been given.

(B) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(C) Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by THDA or any Fiduciary in accordance therewith.

Section 11.15. Preservation and Inspection of Documents. All documents received by a Fiduciary under the provisions of this Resolution or any Supplemental Resolution (or microfilm, microcard or similar photographic or scanned reproduction thereof) shall be retained in its possession and shall be subject at all reasonable times to the inspection of THDA, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

ARTICLE XII
DEFEASANCE
MISCELLANEOUS PROVISIONS

Section 12.1. Defeasance.

(A) If THDA shall pay or cause to be paid to the holders of the Bonds, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of any Revenues and other moneys, securities, funds and property hereby pledged and all other rights granted hereby shall be discharged and satisfied. In such event, the Trustee shall, upon the request of THDA, execute and deliver to THDA all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to THDA all moneys or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption. If THDA shall pay or cause to be paid, or there shall otherwise be paid, to the holders of any Outstanding Bonds of a particular Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, such Bonds shall cease to be entitled to any lien, benefit or security hereunder and all covenants, agreements and obligations of THDA to the holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(B) Bonds and interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Fiduciaries (through deposit by THDA of funds for such payment or redemption or otherwise) shall, at the maturity or upon the date upon which such Bonds have been duly called for redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section. Outstanding Bonds of any Series shall, prior to the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section if (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, THDA shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article VI notice of redemption on said date of such Bonds, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if any, of and interest due and to become due on such Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be, and (iii) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty days, THDA shall have given the Trustee in form satisfactory to it irrevocable instructions to mail a notice to the holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the principal or Redemption Price, if any, on such Bonds. Neither Investment Securities or moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if any, of and interest on such Bonds; but any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if any, and interest to become due on such Bonds on and prior to such Redemption Date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to THDA, as received by the Trustee, free and clear of any trust, lien or pledge. For the purposes of this Section, Investment Securities mean and include only direct and general obligations of the State or obligations guaranteed by the State or such obligations as are described in clause (1) of the definition of Investment Securities herein.

(C) If, through the deposit of moneys by THDA or otherwise, the Fiduciaries shall hold, pursuant to this Resolution, moneys sufficient to pay the principal and interest to maturity on all Outstanding Bonds, or in the case of Bonds in respect of which THDA shall have taken all action necessary to redeem prior to maturity, sufficient to pay the Redemption Price and interest to such Redemption Date, then at the request of THDA all moneys held by any Paying Agent shall be paid over to the Trustee and, together with other moneys held by it hereunder, shall be held by the Trustee for the payment or the redemption of such Outstanding Bonds. If all or a portion of the moneys made available to pay the principal of and interest on Outstanding Bonds at maturity or prior redemption shall have been derived from the issuance of refunding obligations of THDA, upon the written direction of THDA, the Fiduciaries shall reallocate or transfer all moneys, securities, Program Loans or Program Securities as shall be required by operation of the transferred proceeds provisions of the Code.

(D) Anything in this Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of the principal of or interest on any Bonds which remain unclaimed for five years (or such other period of time required by abandoned property laws of the State) after the date when all of such principal or interest, as the case may be, have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for five years (or such other period of time required by abandoned property laws of the State) after the date of deposit of such moneys if deposited with the Fiduciary after the said date when all of the Bonds became due and payable, shall, to the extent required by State law, be paid by the Fiduciary to the State Treasurer or other appropriate official free from trust, and otherwise at the written request of THDA, be repaid by the Fiduciary to THDA, as its absolute property and free from trust, and, in either such case, the Fiduciary shall thereupon be released and discharged.

Section 12.2. Notice by Electronic Means. Any notice, direction or other communication given hereunder from THDA to the Rating Agencies or any Fiduciary or from any Fiduciary to THDA or the Rating Agencies, may be given by sending it via e-mail or other electronic means in lieu of regular mail. In the case of e-mail or other electronic means, valid notice shall only have been deemed to have been given when an electronic confirmation or delivery has been obtained by the sender at the e-mail or other electronic address provided by each party, as updated from time to time. Any e-mail communication shall be deemed to have been validly and effectively given on the date of such communication, if such date is a business day and such delivery was made prior to 4:00 p.m., Central Time, and otherwise on the next business day.

Section 12.3. Notices to Rating Agencies. To the extent not otherwise provided herein, the Trustee shall provide written notice to the Rating Agencies of any of the following occurrences: (i) the defeasance or discharge of this Resolution within the meaning of Section 12.1 hereof, (ii) the downgrade of the provider of any Investment Security described in paragraph (3) or (7) of the definition thereof below the rating requirement included in such paragraphs and the substitution of any provider thereof; (iii) the resignation or removal of the Trustee, (iv) the appointment of a successor Trustee, and (v) any amendment of this Resolution or any Supplemental Resolution.

Section 12.4. No Recourse Under Resolution or on Bonds. All covenants, stipulations, promises, agreements and obligations of THDA contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of THDA and not of any officer or employee of THDA in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Resolution against any member, officer or employee of THDA or any natural person executing the Bonds.

Section 12.5. Security Instrument. A certified copy of this Resolution, delivered to and accepted by the Trustee, shall constitute a security agreement pursuant to and for all purposes of the Uniform Commercial Code of the State of Tennessee.

Section 12.6. Effective Date. This Resolution shall take effect immediately.

(1) Bond yield.

As of December 31, 2016, 7,053 mortgage loans in the approximate aggregate principal amount of \$412,674,551 were outstanding under the 1985 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1985 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1985 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1985 General Resolution.

Housing Bond Resolution (Mortgage Finance Program)(the “1974 General Resolution”)

All bonds then outstanding under the 1974 General Resolution were refunded by the Issue 2013-1 Bonds issued under the General Resolution. All assets, including mortgage loans purchased with bond proceeds, cash, and investments valued as of June 30, 2014, then remaining under the 1974 General Resolution were transferred to the General Resolution.

THDA may, in the future, elect to issue new bonds under the 1974 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1974 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1974 General Resolution.

Mortgage Credit Certificates

THDA has established a mortgage credit certificate program that began on June 1, 2016. The mortgage credit certificate may provide assistance to a maximum of approximately \$217,900,000 in aggregate principal amount of single family mortgage loans by the program end date of December 31, 2017. To be eligible for the mortgage credit certificate program, loans must close prior to the program end date and such loans may not be funded with proceeds of qualified mortgage bonds such as the Issue 2017-1 Bonds. While it is possible that the availability of the mortgage credit certificate program will reduce demand for THDA Great Start or Great Start Plus loans, THDA has established its mortgage credit certificate program with requirements designed to help mitigate such an impact.

Other Information

The State Treasurer is the treasurer of THDA and is the custodian of the assets of THDA, except for those assets required to be in the custody of the Trustee pursuant to the provisions of the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt. The Board of Directors of THDA has adopted an investment policy for THDA assets, other than its mortgage assets (the “non-mortgage assets”). These non-mortgage assets are invested only in investments authorized by the Act, THDA’s investment policy, the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt, and by the Treasurer. The Treasurer has delegated all duties and responsibilities in connection with THDA’s investment of THDA non-mortgage assets to the Executive Director of THDA.

BOOK-ENTRY-ONLY SYSTEM

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THDA BELIEVES TO BE RELIABLE, BUT THDA TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THDA NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC DIRECT OR INDIRECT PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (1) SENDING TRANSACTION STATEMENTS; (2) MAINTAINING, SUPERVISING OR REVIEWING, OR THE ACCURACY OF, ANY RECORDS MAINTAINED BY DTC OR ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS; (3) PAYMENT OR THE TIMELINESS OF PAYMENT BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNER, OF ANY AMOUNT DUE IN RESPECT OF THE PRINCIPAL OF OR REDEMPTION PREMIUM, IF ANY, OR INTEREST ON BONDS; (4) DELIVERY OR TIMELY DELIVERY BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNERS, OF ANY NOTICE (INCLUDING NOTICE OF REDEMPTION) OR OTHER COMMUNICATION WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS OR OWNERS OF BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF BONDS; OR (6) ANY ACTION TAKEN BY DTC OR ITS NOMINEE AS THE REGISTERED OWNER OF BONDS.

NEITHER THDA, NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT, NOR ANY UNDERWRITER (OTHER THAN IN ITS CAPACITY, IF ANY, AS DIRECT DTC PARTICIPANTS OR INDIRECT DTC PARTICIPANTS), WILL HAVE ANY OBLIGATION TO THE DIRECT DTC PARTICIPANTS OR THE INDIRECT DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO DTC'S PROCEDURES OR ANY PROCEDURES OR ARRANGEMENTS BETWEEN DIRECT DTC PARTICIPANTS, INDIRECT DTC PARTICIPANTS AND THE PERSONS FOR WHOM THEY ACT RELATING TO THE MAKING OF ANY DEMAND BY CEDE & CO. AS THE REGISTERED OWNER OF BONDS, THE ADHERENCE TO SUCH PROCEDURES OR ARRANGEMENTS OR THE EFFECTIVENESS OF ANY ACTION TAKEN PURSUANT TO SUCH PROCEDURES OR ARRANGEMENTS.

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC.
2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants

acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.
6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to THDA as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Trustee on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, or the Trustee or THDA, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Trustee or THDA. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.
10. THDA may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered.

RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES**General**

The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. No assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described below. The Issue 2017-1 Supplemental Resolution provides that the Program Loans to be financed with proceeds of Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple or leasehold estate in real property located in the State.

Income and Acquisition Cost Limits

THDA limits the maximum gross annual household income for eligible borrowers and the maximum acquisition cost for homes financed by Program Loans in accordance with Section 143 of the Internal Revenue Code of 1986, as amended, and applicable regulations promulgated thereunder (the "Code"). The limits vary from county to county and are periodically adjusted.

THDA's current income limits range from \$56,100 to \$95,900 depending on household size and geographic location. THDA's income limits are equal to or less than the safe-harbor income limits established under the Code.

THDA's acquisition cost limits are either within the safe-harbor limitations established under the Code or are established, based on procedures in the Code, using THDA's actual data which justifies a higher limit. THDA's current maximum acquisition cost limits range from \$250,000 to \$375,000 depending on geographic location. THDA acquisition cost limits are equal to or less than the safe-harbor acquisition cost limits established under the Code.

THDA has in the past and may, at any time, further restrict or otherwise modify income and acquisition cost limits for certain specialized Program Loans THDA may elect to finance.

Loan Origination

THDA's Program Loans are originated by certain financial institutions located throughout the State who are approved by THDA to originate Program Loans in its behalf ("Originating Agents"). THDA may purchase Program Loans once they are closed by the Originating Agent or THDA may offer funds to Originating Agents on a "first-come, first-serve" basis prior to the closings of Program Loans. Originating Agents may charge borrowers a fee, up to 2% of the Program Loan amount, for originating Program Loans. The Originating Agents who may originate Program Loans from Bond proceeds include mortgage banking firms, commercial banks, and credit unions. The lendable proceeds of the Bonds are made available throughout the State. See Appendix C for a description of THDA's Working Agreement with Originating Agents and Guide for Originating Agents.

THDA will set aside a portion of the lendable proceeds of an issue of Bonds to make Targeted Area loans for one year as necessary to comply with Section 143(j) of the Code. In the event any of the amounts so reserved by THDA for Targeted Areas remain at the end of the time period specified by the Code, THDA will offer such funds to its Originating Agents on a "first-come, first-serve" basis.

Requirements Imposed by the Code

Interest on the Bonds is not included in gross income of the owners thereof for federal income tax purposes only if certain requirements are met, including (i) eligibility requirements for Program Loans and borrowers (see "Mortgage Eligibility Requirements" below), (ii) yield and investment requirements (see "Requirements Related to Arbitrage" below), and (iii) certain other requirements related to the Bonds and the use of proceeds of the Bonds, that are also imposed by the Code.

Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to assure that the interest on the Bonds is not included in the gross income of the owners thereof for federal income tax purposes. In addition, covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with federal tax law and for such purpose, to adopt and maintain appropriate procedures. To comply with these covenants, THDA periodically reviews and modifies its procedures for Originating Agents and Servicers to the extent necessary to operate its single-family mortgage programs in compliance with federal tax law and has established procedures under which such requirements can be met. Such procedures include monitoring the Program Loan applications to be financed with Bond proceeds to ensure compliance with applicable acquisition cost and income limitations. THDA believes that the procedures established are sufficient to ensure that the Bonds will satisfy the requirements of the Code. In the opinion of Bond Counsel, the Guide for Originating Agents, the Guide for Servicers and the Resolution establish procedures under which, if followed, the requirements of applicable federal tax law can be met.

Mortgage Eligibility Requirements -- The Code requires that Program Loans financed with the proceeds of the Bonds meet certain mortgage eligibility requirements. THDA must, among other things, reasonably expect at the time each Program Loan is made that the borrower will make the residence financed by the Program Loan the borrower's principal residence within a reasonable time after the financing is provided. Under the procedures which THDA has established, the borrower must certify, at the closing of the Program Loan, that the borrower intends to make the financed residence the borrower's principal residence within sixty days, which is within the period considered reasonable under the Code.

In general, except with respect to Program Loans made in Targeted Areas and Program Loans made to qualified veterans, borrowers are not permitted to have had a present ownership interest in their principal residence during the three-year period prior to the date on which the Program Loan is closed. THDA will, in cases where the prior ownership limitation applies, require the borrower (i) to provide the most recent federal income tax return and (ii) to certify at the closing of the Program Loan that the borrower has not had a present ownership interest in a principal residence within the preceding three years. In addition, THDA will obtain credit reports for each borrower to determine prior ownership of a principal residence by the borrower.

THDA has established maximum acquisition costs for residences financed with proceeds of Bonds and maximum household income limits, all as permitted by the Code. From time to time, THDA may revise the maximum acquisition cost and the income limits, but in no event will THDA's acquisition cost limits or income limits exceed limits established as permitted under the Code. THDA requires the borrower to certify household income in connection with applying the income limits and requires the borrower and the seller to certify the acquisition cost of the financed residence. In addition, the Originating Agent is required to review the affidavits of the borrower and the seller and to determine that the Code requirements with respect to acquisition cost limits and income limits are met.

An existing Program Loan or any other existing loan may not be acquired or replaced with proceeds of a Program Loan except for certain initial temporary financing not exceeding a term of 24 months. THDA requires a borrower to certify, at the closing of a Program Loan, that the proceeds of the Program Loan will not be used to acquire or replace an existing loan. In addition, the Originating Agent is required to review the borrower's federal income tax returns for the preceding year (unless the borrower is not required to file such returns) and a credit report prior to closing to determine if the borrower has any outstanding loans which may have been acquired or replaced with proceeds of the Program Loan.

Program Loans cannot be assumed unless the principal residence, prior home ownership, income and acquisition cost requirements are met at the time of assumption. THDA requires that each of its Program Loans have a "due on sale" clause so that THDA may accelerate the Program Loan if it is assumed and all such requirements are not met. The FHA and VA allow a "due on sale" clause in their respective guaranteed Program Loan programs, provided that the borrower is fully informed and consents in writing to such requirements.

Under the Code, an issue of Bonds is treated as meeting the mortgage eligibility requirements if (i) the issuer in good faith attempted to meet all of the mortgage eligibility requirements before the mortgages were executed, (ii) any failure to comply with the mortgage eligibility requirements is corrected within a reasonable period after such failure is first discovered, and (iii) 95% or more of the lendable proceeds of the issue used to make Program Loans was devoted to finance residences which met all such mortgage eligibility requirements at the time the loans were executed or assumed. In determining whether 95% of the proceeds have been so used, THDA relies on an affidavit of the borrower (the "Borrower Affidavit") and of the seller (the "Seller Affidavit") and on examination of copies of the borrower's most recent federal income tax return, together with credit reports and other relevant documentation.

Requirements Related to Arbitrage -- The Code imposes certain arbitrage requirements in connection with Program Loans financed with the proceeds of Bonds. Generally, the yield on Program Loans financed with lendable proceeds of an issue of Bonds may not exceed the yield on such Bonds by more than 1 1/8% and the amount of funds held in certain accounts for such Bonds invested at a yield greater than the yield on such Bonds may not exceed 150% of the current year's debt service on such Bonds.

The Code also requires THDA to periodically rebate to the United States Treasury certain investment earnings on non-mortgage investments to the extent such investment earnings exceed the amount that would have been earned on such investments if those investments were earning a return equal to the yield on the Bonds. THDA has established accounting procedures to determine the amount of such excess investment earnings.

Public Hearing and Approval Requirement -- The Code requires that qualified mortgage bonds be approved prior to issuance by the applicable elected official of the appropriate governmental unit, as specified by statute, after a public hearing held following reasonable public notice or by a voter referendum. THDA has adopted procedures to give public notice, to conduct public hearings, and to obtain approval from the Governor of the State to ensure compliance with the Code.

Reporting Requirement -- The Code requires the issuer of tax-exempt qualified mortgage bonds to submit to the IRS certain information with respect to the issuer and the particular issue, based on information and reasonable expectations determined as of the date of issue. In addition, each issuer must submit to the IRS a yearly report containing information with regard to the beneficiaries of the proceeds of Program Loans. THDA intends to file for each issue of tax-exempt mortgage bonds it issues, and for each year in which proceeds of any issue of tax-exempt qualified mortgage bonds are used to provide Program Loans, the information and reports required.

Certification Requirement -- The Code requires that the aggregate amount of all private activity bonds issued each year in Tennessee be within the volume limitation imposed on the principal amount of tax-exempt mortgage bonds which may be issued in Tennessee for that year. To meet this requirement, THDA requests a certification from an appropriate State official that an issue of tax-exempt qualified mortgage bonds is within the volume limitation and files such certification with the IRS or takes alternative action to satisfy this certification requirement.

Targeted Area Requirements -- THDA makes lendable proceeds of Bonds in amounts and for time periods as specified in the Code, available for financing qualified Program Loans for residences in Targeted Areas. Targeted Areas are those census tracts in the State in which seventy percent or more of the families have an income which is eighty percent or less of the statewide median family income or those areas of economic distress designated by the State and approved by the Secretaries of Housing and Urban Development and the Treasury under criteria specified in the Code. THDA has designated certain areas of the State as being in economic distress and such designation has been approved by HUD and the Treasury.

Monitoring for Compliance with the Mortgage Eligibility and Arbitrage Requirements -- Under the procedures which THDA has established to comply with the Code, Originating Agents are responsible for reviewing each Program Loan application and the accompanying documentation, including the Application Affidavit and the Seller Affidavit, for compliance with the Code. Originating Agents are required to take normal and appropriate measures to verify the information given, either independently or concurrently with credit review, when applicable. Originating Agents must cross-check all documentation to ensure that the information presented is complete and consistent. Originating Agents give warranties as to each Program Loan delivered to THDA that, among other things, each Program Loan is in compliance with the Code.

Prior to issuing a commitment to finance a Program Loan and again prior to financing a Program Loan, THDA reviews the Program Loan application submitted by the Originating Agent, which includes the borrower's application, the Application Affidavit, the Seller Affidavit, and the borrower's federal income tax returns, for compliance with the

Code. To the extent that these provisions are not complied with, the Originating Agent is contacted to provide additional explanation or documentation to enable THDA to make a determination regarding the status of the Program Loan application. If the Originating Agent does not comply with requests from THDA to correct or complete documentation for any Program Loan or if the Originating Agent fails to comply with the Guide for Originating Agents (which failure is determined in the sole discretion of THDA without regard as to whether the Originating Agent may be at fault), or if the Originating Agent violates any other agreement with THDA, the Originating Agent is required to repurchase the Program Loan.

Loan Servicing

THDA has agreements with qualified financial institutions to service THDA Program Loans ("Servicers"). Originating Agents, who also qualify as Servicers, may service the Program Loans they originate. If an Originating Agent declines to service these Program Loans, the Originating Agent, with the approval of THDA, may choose another Servicer to do so. Servicers may be mortgage banking firms or commercial banks. A Servicer may transfer any or all of the Program Loans it services to another approved Servicer, with prior THDA approval. THDA Servicers currently are U.S. Bank and Pinnacle Bank (successor to Magna Bank).

THDA is authorized to service Program Loans but, to date, has not undertaken the servicing function for Program Loans. As set forth under the heading "THDA-Executive Staff Members", THDA hired a Director of Mortgage Servicing in February 2016 and is in the process of developing the infrastructure and staffing necessary for self-servicing of Program Loans. THDA anticipates that it will commence servicing Program Loans in late fall 2016 by bringing in-house the portfolio currently serviced by Pinnacle Bank. THDA anticipates servicing all new production beginning in early 2017. Thereafter, THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

THDA requires regular reports from Servicers updating the total number of Program Loans serviced and providing certain information for each Program Loan including, without limitation, delinquency and foreclosure data. THDA's agreements with Servicers (the "Servicing Agreements") provide for the collection and remittance of Program Loan payments to THDA or a designated depository. The Servicers' records relating to serviced Program Loans are subject to examination by THDA's Single Family and Internal Audit Divisions.

THDA provides each Servicer with a Guide for Servicers which sets forth complete requirements and procedures for servicing Program Loans. THDA may terminate any Servicing Agreement when there is inadequate performance by the Servicer. THDA may also require that a Servicer purchase any Program Loan from THDA at any time THDA suffers or is threatened with a material loss by reason of a Servicer's failure to perform its obligations with respect to the Program Loans under the Servicing Agreement. For information about Servicing Agreements and substantive requirements relating to servicing Program Loans, see Appendix C.

Tennessee Housing Development Agency
Residential Finance Program Bonds
\$100,000,000 Issue 2017-1 (Non-AMT)

Ladies and Gentlemen:

We have examined a record of proceedings related to the issuance and sale of \$100,000,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-1 (Non-AMT) (the "Issue 2017-1 Bonds") of the Tennessee Housing Development Agency ("THDA"), a body politic and corporate, constituting a political subdivision and instrumentality of the State of Tennessee (the "State"), organized and existing under the Tennessee Housing Development Agency Act, constituting Chapter 23 of Title 13 of the Tennessee Code Annotated, as amended (the "Act"), and other laws of the State. Capitalized terms used herein and not defined shall have the meanings set forth in the General Resolution (as hereinafter defined).

The Issue 2017-1 Bonds were authorized to be issued pursuant to the Act, the General Residential Finance Program Bond Resolution of THDA, adopted January 29, 2013, as amended and supplemented (the "General Resolution") and by a Resolution adopted by THDA on January 24, 2017, as amended and supplemented by a resolution of the Bond Finance Committee of THDA adopted on February 22, 2017 (together, the "Supplemental Resolution," and, together with the General Resolution, the "Resolution").

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds are and, when issued, shall, with the Issue 2017-1 Bonds (collectively, the "Residential Finance Program Bonds") be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Resolution.

The Issue 2017-1 Bonds mature in the years and in the respective principal amounts, bear interest at the respective rates and are otherwise as described in the Supplemental Resolution. The Issue 2017-1 Bonds are being issued to refund certain outstanding obligations of THDA and to make funds available to make or purchase Program Loans, as defined in the General Resolution, in accordance with the program of THDA permitted under the Resolution (the "Program").

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the delivery of the Issue 2017-1 Bonds in order that interest on the Issue 2017-1 Bonds be excluded from gross income for purposes of federal income taxation. We have examined the Resolution and other relevant single family housing program documents which set forth such various federal tax law requirements which must be met by THDA. THDA has covenanted in the Resolution to comply with such requirements of federal tax law and for such purpose, to adopt and maintain appropriate procedures.

Based upon the foregoing we are of the opinion that:

1. Under the Constitution and laws of the State, THDA has lawful power and authority, among other things, to carry out the Program, to provide funds therefor by the adoption of the Resolution and the issuance and sale of the Issue 2017-1 Bonds and to perform its obligations under the terms and conditions of the Resolution, including the financing of single family mortgage loans and collecting and enforcing the collection of revenues and prepayments as covenanted in the Resolution.

2. The Resolution has been duly adopted by THDA and is valid and binding upon THDA.

3. The Issue 2017-1 Bonds are valid and legally binding special, limited obligations of THDA and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

4. The Resolution creates, for the benefit of the holders of the Residential Finance Program Bonds, including the Issue 2017-1 Bonds, the valid pledge of and lien on revenues, as defined in the Resolution, and moneys and securities held or set aside or to be held or set aside in the Funds and Accounts established thereunder, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

5. Pursuant to the Resolution, THDA has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to make or purchase mortgage loans under the Program with the proceeds of the Issue 2017-1 Bonds, to do all acts and things necessary to receive and collect revenues and, when applicable, prepayments.

6. The Issue 2017-1 Bonds do not constitute a debt or liability or obligation of the State or a pledge of its full faith and credit or of its taxing power and are payable solely from the funds provided therefor pursuant to the Resolution and the Act.

7. Under existing federal laws as presently enacted and construed and assuming continuing compliance by THDA with the covenants concerning federal tax described above, (i) interest on the Issue 2017-1 Bonds is excluded from gross income of the owners thereof for federal income tax purposes; (ii) interest on the Issue 2017-1 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and (iii) interest on the Issue 2017-1 Bonds will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

8. Under the laws of the State as enacted and construed on the date hereof, the interest on the Issue 2017-1 Bonds is exempt from the income tax imposed by the State on interest income; however, the Issue 2017-1 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State.

In addition to the opinions set forth in paragraph (7) above, certain individual owners of the Issue 2017-1 Bonds may have to take interest on such Issue 2017-1 Bonds into account for the purpose of calculating the amount of social security or railroad retirement benefits includible in gross income of such owners for federal income tax purposes. All owners of the Issue 2017-1 Bonds (including, but not limited to, insurance companies, financial institutions, S corporations and United States branches of foreign corporations) should consult their tax advisors concerning the effects of these and other applicable provisions of the Code on their individual tax liabilities. The extent of certain indirect tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the Resolution and the Issue 2017-1 Bonds may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

We express no opinion herein as to the adequacy or accuracy of the Official Statement pertaining to the issuance of the Issue 2017-1 Bonds.

Very truly yours,

In the opinion of Bond Counsel, under existing federal laws and assuming continuing compliance by THDA with federal tax law requirements, interest on the Issue 2017-2 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that (i) interest on the Issue 2017-2A Bonds will be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations, and (ii) interest on the Issue 2017-2B Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Internal Revenue Code of 1986 as amended (the "Code"). In addition, Bond Counsel is of the opinion that, under existing laws of the State of Tennessee, the interest on the Issue 2017-2 Bonds is exempt from the income tax imposed by the State of Tennessee on interest income; however, the Issue 2017-2 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee. See "TAX MATTERS" herein.

Residential Finance Program Bonds
\$23,110,000 Issue 2017-2A (AMT)
\$151,890,000 Issue 2017-2B (Non-AMT)[†]

INTRODUCTION

This Official Statement (the “Official Statement”) provides certain information in connection with the issuance by the Tennessee Housing Development Agency (“THDA”) of its Residential Finance Program Bonds, Issue 2017-2A in the aggregate principal amount of \$23,110,000 (the “Issue 2017-2A Bonds”), and Issue 2017-2B in the aggregate principal amount of \$151,890,000 (the “Issue 2017-2B Bonds” and, together with the Issue 2017-2A Bonds, the “Issue 2017-2 Bonds” or the “Offered Bonds”).

THDA is authorized to issue and sell its bonds and to conduct its other activities by Tennessee Code Annotated Sections 13-23-101 et seq., as amended (the “Act”). The issuance and sale of the Offered Bonds is authorized by the General Residential Finance Program Bond Resolution, adopted by THDA on January 29, 2013, as amended and supplemented (the “General Resolution”) and by a Resolution adopted by THDA on March 28, 2017, as amended and supplemented by the Bond Finance Committee of THDA (the “Bond Finance Committee”) on May 17, 2017 (the “Issue 2017-2 Supplemental Resolution”). The General Resolution and the Issue 2017-2 Supplemental Resolution are herein collectively referred to as the “Resolution.”

The Act requires submission to the Bond Finance Committee of THDA, which consists of the Chairman of THDA and the Comptroller of the Treasury of the State of Tennessee, the Secretary of State of the State of Tennessee, the State Treasurer of the State of Tennessee, and the Commissioner of Finance and Administration of the State of Tennessee, of a plan of financing pertaining to the sale of any bonds or notes by THDA and to request that the Bond Finance Committee sell such bonds or notes on behalf of THDA, under the terms and conditions set forth in the Act. The Bond Finance Committee approved the plan of financing with respect to Issue 2017-2 Bonds on March 27, 2017.

The Act does not permit THDA to have outstanding bonds and notes in an aggregate principal amount exceeding \$2,930,000,000, excluding bonds and notes which have been refunded. As of March 31, 2017 (unaudited), Bonds in the aggregate principal amount of \$1,153,580,000 were outstanding under the General Resolution, bonds in the aggregate principal amount of \$331,675,000 were outstanding under THDA’s Housing Finance Program Resolution (the “2009 General Resolution”), and bonds in the aggregate principal amount of \$343,525,000 were outstanding under THDA’s Homeownership Program Resolution (the “1985 General Resolution”). As of March 31, 2017, no bonds were outstanding under THDA’s Housing Bond Resolution (Mortgage Finance Program) (the “1974 General Resolution”). All assets under the 1974 General Resolution have been transferred to the General Resolution. For more information see “Other Financings—Housing Bond Resolution (Mortgage Finance Program)” in Appendix E.

Bonds issued under the General Resolution, including the Offered Bonds, are and will be special limited obligations of THDA, payable solely from the revenues and assets of THDA pledged under the General Resolution for the payment of the principal and redemption price thereof and the interest thereon, including the Bond Reserve Fund established pursuant to the General Resolution, as more fully described herein under the caption “SECURITY AND SOURCES OF PAYMENT OF BONDS”. All bonds issued under the General Resolution, including the Offered Bonds, are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the Offered Bonds, are sometimes referred to herein as the “Bonds”. The security interest created by the pledge of the General Resolution is governed by Tennessee Code Annotated Sections 9-22-101 et seq., as amended, relating to the perfection, priority and enforcement of public pledges and liens (the “Public Pledge Act”). Security interests governed under the Public Pledge Act are expressly exempt from Tennessee’s codification of Article 9 of the Uniform Commercial Code.

[†]Interest on the Issue 2017-2B Bonds is not included in corporations’ calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

The revenues and assets of THDA pledged under the General Resolution are not pledged as security for bonds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. The revenues and assets of THDA pledged under the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution, respectively, are not pledged as security for Bonds issued under the General Resolution including the Offered Bonds. See Appendix E for descriptions of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution.

THDA may, in the future, elect to issue bonds under the General Resolution or under the 1974 General Resolution, the 1985 General Resolution and/or the 2009 General Resolution. No assurances can be given as to whether THDA may elect to issue bonds under any one of the referenced general resolutions in the future or which of the referenced general resolutions may be selected. Any mortgage loans and investments financed with the proceeds of any new bonds issued under any of the referenced general resolutions, except for the General Resolution, and the revenues therefrom will not be pledged to the payment of Bonds under the General Resolution, including the Offered Bonds.

THDA has no taxing power. The Bonds are not a debt, liability or obligation of the State or of any political subdivision thereof except THDA. Neither the full faith and credit nor the taxing power of the State, or of any other political subdivision thereof is pledged for the payment of principal or interest on the Bonds.

THDA expects to use the proceeds from the issuance of the Issue 2017-2A Bonds to (i) refund all Issue 2007-4 Bonds issued and outstanding under the 1985 General Resolution (the "Prior Bonds"), (ii) make a deposit to the Bond Reserve Fund and (iii) pay Costs of Issuance, Underwriters' Fees and other transaction costs. As a result of the refunding, mortgage loans previously allocable to the Prior Bonds in an expected aggregate outstanding amount of approximately \$39,168,290 will be allocated to the Offered Bonds (the "Transferred Program Loans"). See "DESCRIPTION OF THE TRANSFERRED PROGRAM LOANS" for information about the Transferred Program Loans. In addition, other investments allocable to the Prior Bonds in the projected amount of approximately \$1,402,454 will be transferred to accounts established for the Offered Bonds under the General Resolution (the "Transferred Investments"). It is anticipated that the Prior Bonds will be redeemed prior to maturity on July 1, 2017, at the applicable redemption prices thereof plus accrued interest. No assurance can be provided that the Prior Bonds will actually be refunded.

THDA expects that the proceeds of the Issue 2017-2B Bonds will be used to: (i) finance first lien single-family Program Loans (or participations therein) for single-family, owner-occupied housing (one to four dwelling units); (ii) pay capitalized interest, if any; (iii) pay Costs of Issuance, Underwriters' Fees and other transaction costs; and (iv) make a deposit to the Bond Reserve Fund, if required. See "APPLICATION OF BOND PROCEEDS." The terms and conditions of Program Loans, including Program Loans financed with amounts made available by the issuance of the Offered Bonds, are described herein under the caption "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" and in Appendix G.

As used herein, the term "Program Loans" refers to all mortgage loans (including participations therein) financed under the General Resolution, including the Transferred Program Loans and mortgage loans (including participations therein) to be financed with proceeds of the Offered Bonds, and the phrase "Program Loans allocable to (or allocated to) the Offered Bonds" shall include the Transferred Program Loans as well as any new Program Loans (including participations therein) financed with the proceeds of the Offered Bonds.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the then existing Program Loan Procedures of THDA. The current Program Loan Procedures are described or otherwise referred to in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-2 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property

based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple in real property located in the State. THDA does not intend to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance. While the Issue 2017-2 Supplemental Resolution provides that all Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Currently, THDA's Program Loan portfolio under the General Resolution includes only first-lien, fixed-interest rate, single-family Program Loans with equal monthly installments of principal and interest. As of March 31, 2017 (unaudited), 12,152 Program Loans were outstanding under the General Resolution having an aggregate outstanding principal balance of approximately \$1,155,767,174. Based on the outstanding principal balance of Program Loans as of March 31, 2017, approximately 85.82% were FHA insured, approximately 1.97% were VA guaranteed, approximately 5.68% were insured by private mortgage insurance companies, approximately 4.40% were guaranteed by United States Department of Agriculture, Rural Development ("USDA/RD"), and approximately 2.12% were uninsured (i.e. Program Loans for which the borrower has at least a 22% equity interest in the residence on the date of closing, or at least a 25% equity interest in the residence on the date of closing for Program Loans closed prior to July 29, 1999, or Program Loans which were privately insured at the time of closing but have since met the requirements of the Homeowner Protection Act of 1998 for termination of private mortgage insurance). See "RESIDENTIAL FINANCE PROGRAM LOANS – Residential Finance Program Portfolio Data" and Appendix B under the heading "Private Mortgage Insurance Programs".

U.S. Bank National Association (the "Trustee") is trustee and paying agent for all Bonds issued under the General Resolution.

A brief description of the Offered Bonds, THDA and its Program Loans follows, together with summaries of the terms of the Bonds, and certain provisions of the Act, the General Resolution, the Issue 2017-2 Supplemental Resolution and other activities of THDA. Such summaries do not purport to be complete and all such summaries and references to the Act and the Issue 2017-2 Supplemental Resolution are qualified in their entirety by reference to each such document, copies of which are available from THDA or the Trustee. The General Resolution is attached hereto as Appendix D "2013 GENERAL RESOLUTION". Certain capitalized terms utilized herein are defined in Appendix D hereto.

Optional Redemption. Except as otherwise described in the follow paragraph, the Issue 2017-2 Bonds maturing on and after January 1, 2027, are subject to redemption at the option of THDA prior to their respective maturities, either as a whole or in part, at any time, on or after July 1, 2026, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest to the date of redemption.

The Issue 2017-2A Bonds maturing January 1, 2042 (the "Issue 2017-2A PAC Bonds") and the Issue 2017-2B Bonds maturing January 1, 2042 (the "Issue 2017-2B PAC Bonds" and, together with the Issue 2017-2A PAC Bonds, the "PAC Bonds") are subject to redemption at the option of THDA prior to their maturity, either as a whole or in part, at any time on or after July 1, 2026, at the Redemption Prices set forth below (expressed as a percentage of the principal amount to be redeemed) plus accrued interest to the date of redemption:

<u>Redemption Period</u>	<u>2017-2A PAC Bonds Redemption Price</u>	<u>2017-2B PAC Bonds Redemption Price</u>
July 1, 2026 to December 31, 2026	101.664%	101.781%
January 1, 2027 to June 30, 2027	101.291	101.380
July 1, 2027 to December 31, 2027	100.896	100.956
January 1, 2028 and Thereafter	100.000	100.000

Special Mandatory Redemption of PAC Bonds. The PAC Bonds are subject to redemption prior to their maturity, in whole or in part at a redemption price of 100% of the principal amount of such PAC Bonds to be redeemed, plus interest accrued to the date of redemption, from amounts transferred to the Redemption Account representing Excess 2017-2 Principal Payments (as defined below). Any Excess 2017-2 Principal Payments so deposited in the Redemption Account shall be applied to the redemption of PAC Bonds on any Interest Payment Date commencing January 1, 2018; provided, however, PAC Bonds may be redeemed between Interest Payment Dates on the first Business Day of any month for which adequate notice of redemption may be given.

While any PAC Bonds remain Outstanding, Excess 2017-2 Principal Payments shall be used as follows:

FIRST, if principal prepayments on the Program Loans allocable to the Offered Bonds are equal to or less than 400% PSA (as defined below under "ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds"), as determined by THDA, then available Excess 2017-2 Principal Payments shall first be applied to redeem PAC Bonds on a pro rata basis up to an amount correlating to the Planned Amortization Amount (as defined below) for the related PAC Bonds and, subject to the application of the 10-year rule as described below under the heading "*Mandatory Redemption – 10 Year Rule*," the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, other than the PAC Bonds; and

SECOND, if principal prepayments on the Program Loans allocable to the Offered Bonds are in excess of 400% PSA, as determined by THDA, then available Excess 2017-2 Principal Payments up to an amount correlating to the Planned Amortization Amount (as defined below) for the related PAC Bonds shall first be applied to redeem PAC Bonds on a pro rata basis and, subject to the application of the 10-year rule as described below under the heading "*Mandatory Redemption – 10 Year Rule*," the remainder may be applied to any purpose permissible under the Resolution, including

to redeem any Bonds issued under the Resolution, including the PAC Bonds (any such remainder used to redeem PAC Bonds being an “Excess Principal PAC Bond Redemption”); provided, however, that (i) the source of an Excess Principal PAC Bond Redemption is restricted to that portion of the available Excess 2017-2 Principal Payments which is in excess of 400% PSA, (ii) the principal amount of an Excess Principal PAC Bond Redemption may not be an amount in excess of the then Outstanding PAC Bonds’ proportionate amount of all Issue 2017-2 Bonds then Outstanding, and (iii) the PAC Bonds shall be redeemed on a pro rata basis.

“Excess 2017-2 Principal Payments” means, as of any date of computation, 100% of all regularly scheduled principal payments and prepayments on Program Loans allocable to the Offered Bonds to the extent such regularly scheduled principal payments and prepayments are not required to make regularly scheduled principal payments, including Sinking Fund Payments, on the Offered Bonds.

“Planned Amortization Amount” means the dollar amount applicable to each PAC Bond for each Interest Payment Date set forth below. The Planned Amortization Amount represents the cumulative principal amount of the Issue 2017-2A PAC Bonds and Issue 2017-2B PAC Bonds, respectively, assumed to be redeemed from Excess 2017-2 Principal Payments as of a particular Interest Payment Date based on receipt of principal prepayments at a 100% PSA prepayment rate for Program Loans allocable to the Offered Bonds. See “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds” for a description of PSA prepayment rates.

The Planned Amortization Amounts for the Issue 2017-2A PAC Bonds and Issue 2017-2B PAC Bonds (which assumes the full origination of Program Loans with proceeds allocable to the Offered Bonds in accordance with the expected schedule for such origination, the allocation of the Transferred Program Loans to the Offered Bonds in an aggregate principal amount of approximately \$39,168,290 with an approximate weighted average maturity of 247 months, and receipt of principal prepayments on the Program Loans allocable to the Offered Bonds at a rate equal to 100% of the PSA prepayment rate), as of each payment date are set forth below:

Each Planned Amortization Amount, as set forth in the table above, is subject to proportionate reduction to the extent the related PAC Bonds are redeemed from amounts on deposit in the Issue 2017-2 Bonds Subaccount of the Loan Fund not applied to finance Program Loans.

For a description of the impact on the weighted average life of the PAC Bonds on the receipt of prepayments on the Program Loans allocable to the Offered Bonds at various speeds, see “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds.”

Special Optional Redemption of the Offered Bonds, including Cross Calls The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part, at any time prior to maturity, in accordance with the provisions of the Resolution, and in an amount equal to amounts available for such purposes from (i) proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans as described below under the heading “DESCRIPTION OF OFFERED BONDS – Redemption of Offered Bonds from Unexpended Proceeds”; (ii) except as otherwise described under the headings “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and “– Mandatory Redemption – 10 Year Rule”, repayments and prepayments of Program Loans allocated to the Offered Bonds in excess of regularly scheduled debt service payments on the Offered Bonds; (iii) repayments and prepayments of Program Loans financed with the proceeds of any other Bonds issued under the Resolution, subject to limitations contained in the Internal Revenue Code of 1986, as amended (the, “Code”), (iv) other amounts on deposit in the Revenue Fund of the Resolution in excess of the amounts then required for the payment of Debt Service and Program Expenses, and (v) amounts on deposit in the Bond Reserve Fund in excess of the Bond Reserve Fund Requirement; provided, however, that PAC Bonds (a) are only subject to redemption under clause (ii) above as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, (b) shall not be subject to redemption as described in clauses (iii), (iv) and (v) above if such redemption would cause amortization of the PAC Bond to exceed the related Planned Amortization Amount shown above in the PAC Bonds Amortization Schedules and (c) shall be redeemed on a pro rata basis to the extent of any such special optional redemption. The Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D “2013 GENERAL RESOLUTION”), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans.

The date of redemption shall be determined by the Trustee upon the direction of THDA, subject to the provisions of and in accordance with the Resolution. The Offered Bonds to be so redeemed shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the redemption date, if applicable; provided, however, that the redemption price of the PAC Bonds in the event of a redemption described in clause (i) of the preceding paragraph shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be so redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amount of all Offered Bonds then Outstanding in the event of a redemption pursuant to clause (i) of the preceding paragraph and, to the extent PAC Bonds are redeemed pursuant to any special optional redemption, the PAC Bonds shall be redeemed on a pro rata basis. See “ASSUMPTIONS REGARDING OFFERED BONDS – Prepayments” and “ASSUMPTIONS REGARDING OFFERED BONDS – THDA Redemption Practices”.

Mandatory Redemption – 10 Year Rule. To the extent not required to make regularly scheduled principal payments on the Offered Bonds (including Sinking Fund Payments) or otherwise required to be applied to the redemption of the PAC Bonds, repayments and prepayments of principal of the Program Loans or portions thereof allocable to the Offered Bonds shall be applied to redeem Offered Bonds in such principal amounts as are required to satisfy the requirements of the Code. The redemption price of Offered Bonds to be so redeemed shall be 100% of the principal amount thereof plus interest accrued to the date of redemption, if applicable. Subject to the redemption procedures under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” the Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may be redeemed in an amount that exceeds the related Planned Amortization Amount shown above in the PAC Bonds Planned Amortization Schedules only if there are no other Offered Bonds outstanding and if the PAC Bonds are to be redeemed pursuant to this paragraph, the PAC Bonds shall be redeemed on a pro rata basis.

THDA will, to the extent required by the Code, redeem Offered Bonds from prepayments and repayments on the Program Loans (or portions thereof) allocable to the Offered Bonds in accordance with the following approximate 10 year rule percentages to the extent such amounts are not otherwise applied to pay maturing principal on the Offered Bonds, to redeem Offered Bonds from Sinking Fund Payments or to redeem PAC Bonds:

<u>Commencement Date</u>	<u>% Prepayments and Repayments Applied to Payment or Redemption</u>
June 27, 2017	17.51 %
October 30, 2017	20.50
June 27, 2027	100.00 %

THDA will redeem the Offered Bonds in accordance with this schedule to the extent required to comply with the Code. THDA reserves the right to modify this schedule at any time to the extent the Code permits or requires such modification.

Redemption of Offered Bonds from Unexpended Proceeds. The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part on any date, from proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans (or participations therein). In addition, the Offered Bonds are subject to mandatory redemption on April 1, 2018, in the event and to the extent that there are unexpended proceeds of the Offered Bonds on deposit in the Issue 2017-2 Bonds Subaccount of the Loan Fund on March 1, 2018, provided that such redemption date may be extended, at the option of THDA, and subject to the satisfaction of the conditions set forth in the Issue 2017-2 Supplemental Resolution, including without limitation, provision of a Projected Cash Flow Statement.

Notwithstanding any extension of the redemption date described above, in order to satisfy requirements of the Code, the Offered Bonds are subject to mandatory redemption on December 1, 2020, to the extent any amounts remain on deposit in the Issue 2017-2 Bonds Subaccount of the Loan Fund on November 1, 2020.

Offered Bonds to be redeemed from the unexpended proceeds shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the date of redemption, if applicable; provided, however, that the redemption price of the PAC Bonds shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amounts of all Offered Bonds then Outstanding and, to the extent PAC Bonds are redeemed, the PAC Bonds shall be redeemed on a pro rata basis.

Selection By Lot

If less than all of the Issue 2017-2 Bonds of like series and maturity are to be redeemed, the particular Issue 2017-2 Bonds of such series and maturity to be redeemed shall be selected by lot in accordance with the General Resolution.

Notice of Redemption

When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds and when redemption of Bonds is required by the Resolution, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth, in summary terms, the conditions precedent to such redemption and that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest

accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

SECURITY AND SOURCES OF PAYMENT OF BONDS

Security of Bonds and Sources of Payment

The Bonds are special limited obligations of THDA payable solely from the revenues and assets of THDA pledged under the General Resolution. Subject only to the provisions of the General Resolution permitting the application of certain monies for the purposes and under the terms set forth therein, and to the payment to the Trustee and the Paying Agents and depositories of compensation for their services and expenses, such Bonds are secured equally and ratably by a pledge of the following:

(a) Revenues, which include scheduled, delinquent and advance payments of principal of and interest on Program Loans made pursuant to the General Resolution (less the amount thereof retained by the servicers as compensation for services rendered in connection with the Program Loans and for other payments, including those for guaranty or insurance of Program Loans and for taxes, assessments and insurance premiums) and the net income, if any, derived by THDA from premises owned by THDA as a result of action taken in the event of a default on a Program Loan;

(b) Non-Mortgage Receipts, which includes all interest earned or gain realized in excess of losses from investment of the amount in any Fund or Account established under the General Resolution;

(c) All Funds and Accounts created by the General Resolution, including the Bond Reserve Fund, and monies and securities therein (see Appendix D "2013 GENERAL RESOLUTION"); and

(d) All right, title and interest of THDA in and to the Program Loans made or purchased pursuant to the General Resolution.

THDA has no taxing power. The Bonds do not constitute a debt, liability or obligation of the State or any other political subdivision thereof (except THDA). Neither the full faith and credit nor taxing power of the State or of any other political subdivision thereof is pledged for the payment of the principal of, redemption price or interest on the Bonds. The Bonds are payable solely from the funds provided therefor pursuant to the General Resolution.

Bond Reserve Fund

The Act authorizes THDA to establish one or more reserve funds. THDA has established a Bond Reserve Fund for the Bonds and the General Resolution provides that THDA may not issue any Bond unless the amount in the Bond Reserve Fund is at least equal to the "Bond Reserve Fund Requirement." The Bond Reserve Fund Requirement is the greater of (i) an amount equal to the aggregate of the respective amounts for each series of Bonds established in the Supplemental Resolution authorizing such series or (ii) an amount equal to 3% of the sum of (A) the then current balance of Program Loans (other than Program Loans underlying Program Securities) and (B) any other amount on deposit in the Loan Fund which has not been designated to provide for the payment of Costs of Issuance, capitalized interest or the purchase of Program Securities. On the date of issuance of the Offered Bonds, the Bond Reserve Fund will contain an amount at least equal to the Bond Reserve Fund Requirement. The Resolution requires that if, on any Interest Payment Date or Redemption Date, there is not a sufficient amount available in the Revenue Fund and the Redemption Fund, if applicable, to provide for interest or principal and sinking fund installments maturing and becoming due on the Bonds, the Trustee must transfer the amount of the deficiency from the Bond Reserve Fund to the extent necessary to make good the deficiency.

Additional Bonds

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds, when issued, shall, with the Offered Bonds and other outstanding bonds, be entitled to the equal benefit, protection, and security of the provisions, covenants and agreements of the General Resolution, except as otherwise described herein.

ASSUMPTIONS REGARDING OFFERED BONDS

General

The General Resolution requires THDA to file Projected Cash Flow Statements with the Trustee periodically in connection with various actions THDA may take pursuant to the General Resolution including, without limitation, the issuance of Bonds. (See Appendix D "2013 GENERAL RESOLUTION" for a description of Projected Cash Flow Statements and the circumstances under which they are required.) A Projected Cash Flow Statement meets the requirements of the General Resolution if it shows that sufficient amounts will be available under the General Resolution to pay Debt Service on Bonds Outstanding under the General Resolution, including the Offered Bonds, and Program Expenses and that the amount of all assets held under the General Resolution equals or exceeds the total liability of all Bonds Outstanding under the General Resolution. In connection with the preparation of Projected Cash Flow Statements, THDA makes certain assumptions concerning revenues derived from Program Loans, Program Expenses, rate and amount of prepayments, earnings on investments, rate of origination of Program Loans, and Bond redemptions.

It is a condition to the issuance of the Offered Bonds that THDA shall have prepared and filed a Projected Cash Flow Statement (the "Projected Cash Flow Statement"). The Projected Cash Flow Statement will be based, among other assumptions, on the assumptions that (i) Transferred Program Loans in the aggregate principal amount of approximately \$39,168,290, with a weighted average maturity of approximately 247 months and a weighted average interest rate of approximately 5.76%, will be allocated to the Offered Bonds and (ii) THDA originates approximately \$151,890,000 of thirty year Program Loans (or participations therein) bearing interest at a weighted average interest rate of approximately 4.61%. The Projected Cash Flow Statement shall evidence that, upon the issuance of the Offered Bonds, sufficient amounts will be available under the General Resolution to pay Debt Service for all Bonds Outstanding, including the Offered Bonds. THDA believes the assumptions to be used in connection with the preparation of the Projected Cash Flow Statement are reasonable. THDA cannot, however, guarantee that actual results will not vary materially from such assumptions. If subsequent events do not correspond to such assumptions, the amount of Revenues available to make payments of principal and interest on the Bonds, including the Offered Bonds, when scheduled, may be adversely affected and the expected life of the Offered Bonds may be affected.

Payments of Principal and Interest on the Bonds

The Projected Cash Flow Statement assumes that payments of principal and interest on the Offered Bonds will be made, when scheduled, from scheduled payments and prepayments of principal and interest on the Program Loans (or portions thereof) allocable to the Offered Bonds and from other moneys available under the Resolution including, without limitation, income expected to be derived from the investment of monies in the funds and accounts established under the Resolution. For purposes of preparing the Projected Cash Flow Statement, it has been assumed that scheduled payments of principal and interest on the Program Loans will be received 29 days from the date on which they are due. Such sources of available monies may be insufficient to make such payments in the event that (i) regularly scheduled payments on Program Loans are not made on a timely basis in accordance with their terms, (ii) THDA incurs uninsured losses in connection with the foreclosure of Program Loans or insured losses which the insurer does not pay, (iii) THDA is not able to finance Program Loans in accordance with its expectations, (iv) actual investment rates on Investment Securities are less than those assumed, or (v) prepayments are not received as anticipated to the extent the Projected Cash Flow Statement was based on an assumed level of prepayments.

Program Loans

Certain moneys made available from the issuance of the Offered Bonds will be deposited in the Issue 2017-2 Bond Subaccount of the Loan Fund and will be used to continue THDA's program of financing Program Loans for single family, owner occupied residential housing for low and moderate income persons and families. Although THDA may use amounts made available as a result of the issuance of Offered Bonds to finance Great Choice Program Loans, New Start Program Loans, and Homeownership for the Brave Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans. In addition, THDA may use amounts made available from the issuance of the Offered Bonds to finance Program Loans on a blended basis with proceeds of other bonds of THDA, including participation interests bearing interest at 0% in order to satisfy mortgage yield limitations of the Code. See "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" for descriptions of the various Program Loan products and Appendix G "RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES" for more information about specific program requirements.

Program Loans are made on a continuing, first-come, first served basis by Originating Agents approved by THDA. The Projected Cash Flow Statement assumes that Program Loans (or participations therein) financed with the proceeds of the Issue 2017-2B Bonds will be first-lien, thirty-year, fixed-rate mortgages, with equal monthly installments of principal and interest bearing interest at a weighted average of 4.61% and that Program Loans purchased by THDA from Originating Agents will be purchased at par.

THDA's general policy is to maintain a steadily available supply of funds to finance program loans at competitive interest rates. THDA generally establishes interest rates for its program loans in connection with the sale of bonds by taking into account the maximum permitted interest rate under the Code and the spread between that rate and the then prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. THDA prefers to maintain the same interest rates throughout the period of origination of program loans for each issue of bonds; however, THDA regularly reviews these interest rates in light of market conditions and retains the flexibility to modify its interest rates to meet changing needs and conditions. No assumptions can be made regarding the length of time an interest rate set by THDA will remain available or what effect a particular interest rate will have on the origination of Program Loans.

Nonorigination of Program Loans

While THDA retains the flexibility to modify the interest rates at which Program Loans are offered, there are circumstances under which these interest rates may not be competitive with prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. Under these circumstances, it will be more difficult for THDA to originate Program Loans. The ability of THDA to finance Program Loans on a blended basis with proceeds of other bonds of THDA or otherwise may also be affected by the availability of residences that meet THDA's acquisition cost limits and the willingness of potential borrowers to assume potential federal recapture tax liability. Although THDA expects that all lendable proceeds available from the Issue 2017-2B Bonds will be used to finance Program Loans, no assurance can be given whether this will occur or the speed at which this may occur.

The last transaction that resulted in an unexpended proceeds redemption was THDA's Homeownership Program Bonds, Issue 1996-3 under the 1985 General Resolution. Notwithstanding past performance, no assurances can be given that proceeds from Issue 2017-2B Bonds will be fully expended for Program Loans.

THDA began committing Program Loans against the expected proceeds from the Offered Bonds on April 17, 2017. As of May 8, 2017, THDA has committed a total principal amount of approximately \$23,256,490 of Program Loans, all of which are Great Choice Program Loans and Homeownership for the Brave Program Loans, that will be allocated to the Offered Bonds. See "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans". Assuming successful pricing and closing of the Offered Bonds, THDA expects to reimburse itself on the day of closing for all Program Loans previously purchased, if any.

Changes in Federal or State Law

Legislation affecting the Offered Bonds and THDA's single family mortgage loans may be considered and enacted by the United States Congress or the Tennessee General Assembly. No assurance can be given that the consideration or enactment of any such legislation will not have an adverse effect on the value of, the timing or amount of payments of, or the security for the Offered Bonds or other risks.

In recent years a number of financial institutions and related entities have announced large losses as a result of their mortgage activities and the increasing number of defaults and foreclosures on such mortgages. The United States Congress has passed the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), and may pass additional consumer protection and bankruptcy legislation, as a result of the adverse effects of the mortgage situation on individuals and families in the United States. Likewise, the Tennessee General Assembly may enact consumer protection legislation relating to mortgage loan origination and servicing. The Dodd-Frank Act has not, to date, had a material adverse effect on THDA's single family mortgage program, including its ability to originate new single family mortgage loans, to collect payments under single family mortgage loans and to foreclose on property securing single family mortgage loans; however, additional legislation, if enacted, or regulations, if promulgated to effectuate the purposes of the Dodd-Frank Act or other state or federal regulations, could have an adverse effect on THDA's activities.

A number of state regulatory authorities have taken action in recent years against certain loan originators and servicers for alleged violations of state laws. Certain of those actions prohibit those servicers from pursuing foreclosure actions. In response to alleged abusive lending and servicing practices, the State of Tennessee could enact legislation or implement regulatory requirements that impose limitations on the ability of mortgage loan servicers to take actions (such as pursuing foreclosures) that may be essential to service and preserve the value of the single-family loans. Any such limitations that applied to the THDA's single-family loans could adversely affect the THDA's ability to collect amounts due on such loans and could impair the value of such loans.

Prepayments

THDA, from time to time, receives monies from (i) partial or complete prepayment of Program Loans (which is permitted, without penalty) or (ii) termination of Program Loans prior to their respective final payment date due to default, sale, condemnation or casualty loss. In addition, the Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D "2013 GENERAL RESOLUTION"), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans. The rate at which such prepayments, if any, of Program Loans (including Transferred Program Loans) will be received by THDA cannot be predicted. The actual rate of such prepayments may be influenced by a variety of economic, social and other factors, including proposed legislative and regulatory changes and there is no reliable basis for predicting the actual average life of the Program Loans. Consequently, THDA makes no assumptions or representations as to the factors that will affect the rate of prepayments, if any, or the relative importance of such factors and their potential impact on the actual average life of Program Loans and the expected life of the Offered Bonds. To the extent THDA is required or elects to redeem the Offered Bonds, it is probable that the Offered Bonds will have a shorter life than their stated maturity.

Subject to the requirements of the General Resolution, the resolutions to be adopted in connection with other series of Bonds under the General Resolution and the Code, such prepayments may (i) be required to pay regularly scheduled debt service to the extent a series of the Bonds was based upon an assumed prepayment level; (ii) be used to redeem Bonds of the related series; (iii) be used to redeem Bonds of any series; or (iv) be recycled into additional Program Loans. Further, prepayments attributable to the Program Loans financed with the proceeds of the Offered Bonds, or other Bonds, or portions thereof, may or will be applied to redeem Offered Bonds as described herein under

“DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” “- Special Optional Redemption of the Offered Bonds, including Cross Calls” and “- Mandatory Redemption – 10-Year Rule”.

THDA Redemption Practices

The Resolution specifies, and the resolutions to be adopted in connection with other series of Bonds under the General Resolution will specify, when THDA is required to redeem Bonds and when THDA may elect to redeem Bonds. See “DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds.”

To the extent THDA has discretion to redeem Bonds and select the maturities and series to be redeemed, THDA's general redemption policy had been to first redeem those Bonds bearing the highest interest rate; however, due to universal cap implications and economic decisions by THDA, THDA's current general redemption policy is to call term bonds on a pro-rata basis within bond issues or to redeem the highest coupon serial bonds where doing so would reduce debt service requirements under the Resolution when possible. Adherence to either policy may be affected by a series of factors including, but not limited to, (i) certain restrictions or limitations imposed by the Code including, but not limited to, 10-year rule requirements and universal cap considerations; (ii) certain limitations or restrictions imposed by the Resolution and/or resolutions adopted in connection with other series of Bonds under the General Resolution including, but not limited to, redemption provisions; (iii) economic considerations; (iv) cash flow requirements; and (v) the amount of prepayments and other monies available to THDA for optional redemption of Bonds.

These factors are regularly considered in determining which Bonds may be selected for redemption. No assumptions or representations can be made as to how or which of these factors or whether any other factors will affect THDA's determination, from time to time, regarding particular Bonds selected for redemption.

Payment of Program Expenses

The General Resolution authorizes payment of all Program Expenses from the Debt Service and Expense Account of the Revenue Fund established under the Resolution, so long as the Debt Service and Expense Account and the Bond Reserve Fund contain amounts sufficient to meet the requirements of the General Resolution. See Appendix D “2013 GENERAL RESOLUTION” for a description of Program Expenses. THDA expects to use funds on deposit in the Debt Service and Expense Account of the Revenue Fund to pay Costs of Issuance, Underwriters' fees, initial Trustee's fees, and other similar costs associated with the Offered Bonds and may continue to do so in connection with future Bond issues or may pay such costs and fees from Bond proceeds in future transactions. In addition, THDA expects to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees and expenses and other similar costs, from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from other THDA bond resolutions and from other resources available to THDA. No assurances can be provided that THDA will not withdraw funds from the General Resolution in the future to pay all Program Expenses or other operating and administrative costs and expenses. For more information about the payment of Program Expenses and other operating and administrative costs of THDA, see “THDA – THDA Funds”. THDA does not currently receive funds from the State of Tennessee for operating and administrative costs and expenses.

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions.

Investment Assumptions

Estimated available investment income attributable to the Offered Bonds is calculated assuming that (i) existing Investment Securities in the Revenue Fund and the Bond Reserve Fund pay scheduled interest and principal payments until the earlier of their call date or maturity date; (ii) proceeds of Investment Securities and other receipts in the Revenue Fund are invested at 0% per annum; and (iii) funds on deposit in the Issue 2017-2 Bond Subaccount of the Loan Fund prior to origination of Program Loans, are invested at a rate of 0% per annum.

There can be no assurance that the Investment Securities will provide the investment income projected. If THDA experiences losses or delays in payments on the Investment Securities, there may be insufficient funds to make payments of principal and interest on the Offered Bonds when scheduled.

Average Life of PAC Bonds

The term “weighted average life” refers to the average amount of time that will elapse from the date of issuance of a security until each dollar of principal of such security will be repaid to the investor. The weighted average life of the PAC Bonds will be influenced by the rate at which principal of the Program Loans allocated to the Offered Bonds is repaid. Principal payments of Program Loans may be in the form of scheduled amortization or prepayments (for this purpose, the term “prepayment” includes prepayments and liquidations due to default or other dispositions of the Program Loans, including payments on FHA mortgage insurance, VA guarantees, and private mortgage insurance policies). Prepayments on mortgage loans are commonly measured by a prepayment standard or model. The model used in the following discussion is the Securities Industry and Financial Markets Association (formerly known as the Public Security Association (“PSA”)) prepayment standard or model (commonly referred to as the “PSA Prepayment Model”).

The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of a pool of mortgage loans, beginning at the inception of each mortgage loan. The PSA Prepayment Model starts with 0.2% annualized prepayment rate in the first month, increases the prepayment rate by 0.2% in each succeeding month until the thirtieth month (when a 6.0% annualized prepayment rate is reached) and then assumes a constant prepayment rate of 6.0% per annum of the unpaid principal balance for the remaining life of the mortgage loans.

Prepayment speeds are commonly referred to as a percentage of the PSA Prepayment Model. For instance, “0% PSA” assumes no prepayments of principal on the Program Loans. “25% PSA” assumes the principal of Program Loans will prepay one-quarter as fast as the prepayments rates for 100% of the PSA Prepayment Model. “50% PSA” assumes the principal of Program Loans will prepay one-half as fast as the prepayments rates for 100% of the PSA Prepayment Model. “75% PSA” assumes the principal of Program Loans will prepay three-quarters as fast as the prepayments rates for 100% of the PSA Prepayment Model. “100% PSA” assumes the principal of Program Loans will prepay as fast as the prepayments rates for 100% of the PSA Prepayment Model. “200% PSA” assumes the principal of Program Loans will prepay at a rate twice as fast as the prepayments rates for 100% of the PSA Prepayment Model. “300% PSA” assumes the principal of Program Loans will prepay at a rate three times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “400% PSA” assumes the principal of Program Loans will prepay at a rate four times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “500% PSA” assumes the principal of Program Loans will prepay at a rate five times as fast as the prepayments rates for 100% of the PSA Prepayment Model.

There is no assurance, however, that prepayments of the principal on Program Loans will conform to any particular level of the PSA Prepayment Model. The rate of principal payment on pools of mortgage loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage loan interest rates, the rate at which homeowners sell their homes or default on their mortgage loans and changes in mortgagors’ housing needs, job transfers, unemployment and mortgagors’ net equity in the mortgage properties. In general, if prevailing interest rates fall significantly, the Program Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on the Program Loans. As homeowners move or default on their mortgage loans, the houses are generally sold and the mortgage loan prepaid, although under certain circumstances, the mortgage loans may be assumed by a new buyer. Because of the foregoing influences upon prepayments and since the rate of prepayment of principal of Bonds will depend on the rate of repayment (including prepayments) of the Program Loans, the full repayment of any Bonds is likely to occur earlier, and could occur significantly earlier, than its stated maturity.

The Program Loans allocable to the Offered Bonds may be terminated prior to final maturity as a result of prepayment, default, sale, condemnation, casualty loss or noncompliance. In addition, matters discussed under “Changes in Federal or State Law” above could have an effect on terminations. Consequently, it is impossible to predict the timing of the repayment of principal of the Program Loans allocable to the Offered Bonds and hence the weighted average life of the PAC Bonds. THDA has provided for the redemption of the PAC Bonds as described under the heading “DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds—Special Mandatory Redemption of PAC Bonds”, and the weighted average lives of the PAC Bonds set forth below have been calculated based upon various assumptions, including assumptions that (i) 100% of the money deposited in the Issue 2017-2 Bond Subaccount of the Loan Fund is applied to finance Program Loans, (ii) approximately \$39,168,290 of Transferred Program Loans with an approximate weighted average maturity of 247 months and an approximate weighted average interest rate of

5.76% will be allocated to the Offered Bonds, (iii) Excess 2017-2 Principal Payments will be used to redeem PAC Bonds only on Interest Payment Dates, and (iv) the PAC Bonds will be redeemed only in the related Planned Amortization Amounts as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds” and will not otherwise be redeemed in whole or in part. There can be no assurance that such assumptions will in fact prove accurate. For certain information regarding Transferred Program Loans see “DESCRIPTION OF TRANSFERRED PROGRAM LOANS” herein.

THDA began committing Program Loans against the expected lendable proceeds from the Offered Bonds on April 17, 2017, and as of May 8, 2017, THDA has committed a total principal amount of approximately \$23,256,490 of Program Loans that will be allocated to the Offered Bonds, all of which are Great Choice Program Loans or Homeownership for the Brave Program Loans. THDA expects to reimburse itself for the full original principal amount of the Program Loans purchased as of the day of closing, if any.

RESIDENTIAL FINANCE PROGRAM LOANS

Description of Residential Finance Program Loans

General

THDA generally offers a primary loan program and may, from time to time, offer certain special loan programs. THDA Household Income Limits and THDA Acquisition Cost Limits for all loan programs are set in compliance with Code requirements. Household Income Limits and Acquisition Cost Limits may be further restricted for certain special loan programs. The current THDA Acquisition Cost Limits range from \$250,000 to \$375,000 depending on geographic location. The THDA Household Income Limits range from \$56,100 to \$95,900 depending on household size and geographic location. See Appendix G for a description of Residential Finance Program Loan Procedures related to Code requirements.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-2 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple

estate in real property located in the State. THDA does not expect to use lendable proceeds of the Offered Bonds to purchase participations in Program Loans insured by private mortgage insurance. While the Issue 2017-2 Supplemental Resolution provides that Program Loans, or participations therein, to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Since June 15, 2015, THDA has applied underwriting standards for Program Loans made after that date that, among other things include a minimum credit score of 640 for all borrowers and a required monthly debt to income ratio that does not exceed 45%. Program Loans financed prior to such date, including the Transferred Program Loans, were underwritten under different underwriting standards. THDA may, from time to time, initiate certain special limited programs for which some of these requirements may be waived.

On or before September 30, 2013, the THDA primary loan program included Great Rate loans, Great Advantage loans, Great Start loans and Homeownership for the Brave loans, all as described below. Transferred Program Loans financed prior to September 30, 2013, are Great Rate, Great Advantage, Great Start or Homeownership for the Brave Program Loans. On and after October 1, 2013, the THDA primary loan program includes Great Choice Program Loans and Homeownership for the Brave Program Loans, all as described below.

On or before September 30, 2013, THDA provided downpayment and closing cost assistance in the form of a grant that was available in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made. On and after October 1, 2013, THDA provided downpayment and closing cost assistance in the form of Great Choice Plus Program Loans as described below.

Great Choice Program Loans

Since October 1, 2013, THDA has made Great Choice Program Loans available to eligible borrowers. Great Choice Program Loans are thirty year, fixed interest rate loans, fully amortized with full documentation and secured by a first lien on the property purchased. The interest rate for Great Choice Program Loans is set at a rate which results in the yield on such Program Loans not in excess of 1.125% above the yield on the related issue of bonds. The current interest rate for Great Choice Program Loans is 4.625%.

See Appendix B for a summary of the mortgage insurance or guarantee programs applicable to these Program Loans.

Great Choice Plus Loans

Since October 1, 2013, THDA has made Great Choice Plus loans available to eligible borrowers. Great Choice Plus loans are loans for downpayment and closing cost assistance and are available at the election of eligible borrowers in connection with Great Choice Program Loans. From October 1, 2013, to September 30, 2014, they were ten year, 0% interest rate loans in a principal amount equal to 4% of the purchase price of the property purchased. From October 1, 2014, to September 30, 2016, Great Choice Plus Loans were 0% interest, deferred, forgivable second lien loans with a fifteen year term. During the first ten years of the term, no monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. From years eleven through fifteen, each Great Choice Plus loan will be forgiven at twenty percent per year and the amount due on sale will be reduced by the forgiven amount. Great Choice Plus loans are secured by a second lien on the property purchased, are due on sale and are not assumable.

Since October 3, 2016, Great Choice Plus Loans are thirty year 0% interest rate second lien loans in a principal amount up to 5% of the purchase price of the property purchased. No monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. The full original principal amount will be forgiven at the end of the thirty year term.

At the election of THDA, Great Choice Plus loans may be financed with proceeds of Bonds issued under the Resolution or from other resources available to THDA, including, without limitation, excess funds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. To date, all Great Choice Plus loans have been financed with other resources available to THDA. THDA does not expect that Great Choice Plus loans will be funded with the proceeds of the Offered Bonds. No assurance can be provided, however, that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Great Choice Plus loans with the proceeds of such Bonds. In the event proceeds of future series of Bonds are used to fund Great Choice Plus loans,

such loans will constitute Program Loans, will be subject to the lien of the General Resolution and will be a portion of the sources of payment of and security for the Bonds.

New Start Program Loans

New Start Loan Program Loans are designed to promote the construction of new homes for very low-income Tennesseans. New Start Loan Program Loans are delivered through non-profit organizations with established programs for the construction of single family housing for low and very low income households. The non-profit organization selects the homebuyer, determines eligibility, constructs the home, provides homebuyer education, originates, processes, closes and services the New Start Program Loan. New Start Program Loans are serviced by the Federation of Appalachian Housing Enterprises, Inc., as of January 1, 2015. New Start Program Loans have loan terms up to thirty years and are secured by a first lien on the property purchased. A 0% interest rate is available to borrowers who have a maximum family income of 60% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. As of December 1, 2016, the maximum loan amount was increased to \$123,750 for Maury, Williamson, Davidson, Rutherford, Wilson and Sumner Counties. An interest rate equal to one-half of the current interest rate for Great Choice Program Loans is available to borrowers who have a maximum family income of 70% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. All other THDA Program Loan requirements remain applicable.

As of March 31, 2017 (unaudited), 109 New Start Program Loans, with an aggregate principal balance of approximately \$5,339,302, were outstanding under the General Resolution. Although THDA may use amounts made available as a result of the issuance of the Offered Bonds to finance New Start Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans.

Homeownership for the Brave

Homeownership for the Brave Program Loans are available to eligible borrowers at a ½-percentage point reduction on the otherwise applicable loan program. Active and retired members of the military and reservists (180 days active duty) and spouses, and surviving spouses of qualified veterans are all eligible to receive this reduction.

As of March 31, 2017 (unaudited), 221 Homeownership for the Brave Program Loans, with an aggregate principal balance of approximately \$24,511,328, were outstanding under the General Resolution. Eligible borrowers will also be eligible for Great Choice Plus loans. THDA may continue to finance Homeownership for the Brave Loans, from time to time, from the proceeds of the Offered Bonds as well as from the proceeds of other Bonds.

Disaster Relief and Economic Recovery Mortgage Program

THDA made Disaster Relief and Economic Recovery Mortgage Program Loans from funds available under the 1974 General Resolution. In connection with Issue 2013-1 Bonds issued under the General Resolution, certain of these Disaster Relief and Economic Recovery Program Loans became transferred program loans allocable to the Issue 2013-1 Bonds under the General Resolution.

As of March 31, 2017 (unaudited), 189 Disaster Relief Program Loans, with an aggregate principal balance of approximately \$10,987,645, were outstanding under the General Resolution. THDA no longer makes loans of this type.

Great Rate/Great Advantage/Great Start Program Loans

Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were available to qualified borrowers prior to October 1, 2013. Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were thirty year, fixed interest rate loans, fully amortized, with full documentation, and secured by a first lien on the property purchased. Interest rates for each type of Program Loan were established at rates which resulted in a blended yield on such Program Loans not in excess of 1.125% above the yield on the related issue of Bonds. THDA also provided downpayment and closing cost assistance in the form of a grant in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made.

As of March 31, 2017 (unaudited), 2,622 Great Rate, 116 Great Advantage, and 1,818 Great Start Program Loans, with an aggregate principal balance of approximately \$382,243,239, were outstanding under the General Resolution.

Although Transferred Program Loans include Great Rate or Great Start Program Loans, THDA no longer makes loans of this type.

Residential Finance Program Portfolio Data

General

As of March 31, 2017 (unaudited), 12,152 Program Loans for single family owner-occupied housing having an aggregate outstanding principal amount of approximately \$1,155,767,174 were outstanding under the General Resolution. These Program Loans had an approximate remaining weighted average maturity of 306.91 months and an approximate weighted average interest rate of 4.46%.

Tables under this heading, "Residential Finance Program Portfolio Data", do not include data about Transferred Program Loans. For more information about Transferred Program Loans see "DESCRIPTION OF THE TRANSFERRED PROGRAM LOANS".

Privately Insured Program Loans

Since January 2, 2009, THDA has not purchased conventional, privately insured loans because no private mortgage insurers, since January 2, 2009, have or have had ratings of at least 'AA' by Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc. ("S&P"). Should any private mortgage insurers regain a rating of at least 'AA' from S&P, THDA will reconsider whether to resume purchasing conventional loans. Notwithstanding the foregoing, certain Program Loans allocated to Bonds under the General Resolution, either upon their direct transfer to the General Resolution or upon the refunding of other THDA obligations, are privately insured and are shown under the heading "Privately Insured" in the chart above.

Each private mortgage insurer insuring conventional, privately insured Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least 'AA' by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least 'AA' by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make

timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

As of March 31, 2017 (unaudited), 786⁽¹⁾ privately insured Program Loans having an aggregate balance of approximately \$65,681,395 were outstanding under the General Resolution. As of March 31, 2017 (unaudited), THDA had the following information regarding the private mortgage insurers for 711 of these privately insured Program Loans:

Delinquency and Foreclosure Process

For all Program Loans, THDA tracks (i) exceptions to normal, expected monthly payments; (ii) individual Program Loan balances; and (iii) remittances based on automated data received directly from its Servicers. THDA uses this data to calculate delinquency rates and foreclosures. Those Program Loans for which two payment dates have passed with no payment received by the last business day of the month in which the second payment was due are

considered 60 to 89 days past due. Those Program Loans for which three or more payment dates have passed with no payments received by the last business day of the month in which the third payment was due are considered 90 or more days past due. The status of Program Loans to borrowers who are in bankruptcy is fixed beginning at the time bankruptcy proceedings commenced. The definitions used by THDA to calculate delinquency rates and foreclosure rates are consistent with those used by the Mortgage Bankers Association of America ("MBA").

The financial institutions who service Program Loans manage delinquencies by working with borrowers in an attempt to avoid defaults and by sending payment requests to borrowers who are delinquent. THDA supports counseling programs for delinquent as well as prospective borrowers. These counseling services are provided by lenders, non-profit organizations and social service agencies located throughout the State. THDA maintains an inventory of housing counseling services, reviews materials used, and encourages grant recipients to provide counseling.

Privately Insured Transferred Program Loans

Each private mortgage insurer insuring conventional, privately insured THDA Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least ‘AA’ by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured THDA Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least ‘AA’ by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

THDA

Purpose and Organization

THDA is a body, politic and corporate, and a political subdivision and instrumentality of the State. THDA was established in 1973 by the Act for the purpose, among other things, of raising funds through the issuance of its bonds and notes to assure a steady flow of production of new housing units for lower and moderate income persons and families. To carry out its public purposes, THDA has various powers under the Act including, without limitation, powers relating to the issuance of bonds or notes and the financing of residential housing in the State.

In accordance with Tennessee law, state entities, including THDA, are subject to periodic review by the General Assembly to evaluate the necessity for their continued existence. THDA's existence has been continued until June 30, 2018.

Under the Act, THDA may have bonds and notes outstanding in an aggregate principal amount not exceeding \$2,930,000,000. As of March 31, 2017 (unaudited), THDA has bonds and notes outstanding in an aggregate principal amount of \$1,828,780,000, calculated in accordance with the Act.

Board of Directors

THDA is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of THDA. The Act provides that six board members be appointed by the Governor from among the following groups: retail building material supply, manufactured housing, home building, mortgage banking, licensed real estate brokers, local public housing authority, local government and qualifying non-profits. The Act also provides for a board member to be appointed by the Speaker of the State Senate, a board member to be appointed by the Speaker of the State House of Representatives, one at-large board member appointed by the Governor who is knowledgeable about the problems of inadequate housing conditions in Tennessee and any board members as may be required by applicable federal law or regulation. Any change in the status or profession of an appointed board member does not affect the position or term of that board member. The Executive Director of THDA serves as Secretary to the board.

Board members (other than *ex officio* members and the federally required resident member) are appointed for four year terms, serve until their successors are duly appointed and qualified, and receive no compensation except for reimbursement of expenses. Certain board members may be affiliated with institutions which may originate or service Program Loans on behalf of THDA. One of the appointed board members is designated by the Governor to serve as Chairman. The Chairman's term extends until the earlier of the date of expiration of his or her term or a date six months after expiration of the term of the Governor designating such Chairman.

THDA Funds

Statutorily Created Funds

In 1988, the General Assembly of the State of Tennessee (the "State") amended the Act to provide, among other things, for the creation of the Housing Program Fund and the Assets Fund, which funds are financially separate from the General Resolution and all of the other general bond resolutions and mortgage loan programs of THDA.

The Housing Program Fund is the vehicle used by THDA to fund non-mortgage programs not otherwise funded through federal programs. Essentially, all revenues of THDA derived from sources other than the General Resolution or other bond resolutions are deposited into the Housing Program Fund. Amounts in the Housing Program Fund currently include investment income from the Housing Program Fund, federal funds received by THDA for the administration of federal programs, and fees charged by THDA in connection with its non-mortgage programs. Amounts in the Housing Program Fund are not pledged as security for the Offered Bonds.

The Assets Fund is a segregated fund of THDA that originally contained assets transferred in 1989 from the 1974 General Resolution in accordance with its terms, together with related investment earnings, but which presently has a balance of \$0. Amounts in the Assets Fund, if any, are not pledged as security for the Offered Bonds.

Prior Transfers from THDA

The Constitution of the State requires, for current operations, that expenditures for any fiscal year not exceed the State's revenues and reserves, including the proceeds of any debt obligations, for that year. When faced with budget deficits in the past, the State has called upon THDA and its resources, together with resources of other departments, agencies and organizations in state government, to provide funds to the State General Fund to balance the State budget. The following is a description of these occurrences in relationship to THDA.

As of June 30, 1995, \$15,000,000 in THDA's Housing Program Reserve Fund was transferred to the State General Fund to assist in balancing the State budget for fiscal year 1994-1995.

As of June 30, 1998, \$43,000,000 was transferred from THDA to the State General Fund to assist in balancing the State budget for fiscal year 1997-1998. The \$43,000,000 transferred from THDA to the State General Fund came from the following resources of THDA: (i) \$15,459,157 from state tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. In addition, in conjunction with the transfer from the Housing Program Reserve Fund described in clause (ii), the Housing Program Reserve Fund was statutorily abolished.

Amendments to the Act in 1999 and in 2000, temporarily, then permanently, redirected to the State General Fund, all tax revenue previously directed by the Act to THDA for the HOUSE Program, a grant program no longer administered by THDA. As a result of the permanent redirection of these state tax revenues, no state tax revenues currently are appropriated to THDA.

As of June 30, 2002, \$35,367,449.26 was transferred from THDA's Assets Fund to the State General Fund to assist in balancing the State budget for fiscal year 2001-2002. The remaining balance of the Assets Fund, approximately \$1,387,000 of mortgage loans, was not required to be liquidated and the proceeds transferred. THDA subsequently transferred these mortgage loans to the General Fund of the Housing Bond Resolution (Mortgage Finance Program) which reduced the balance in the Assets Fund to \$0.

No additional resources of THDA have been redirected or transferred to the State General Fund to close out any fiscal year since the fiscal year ending June 30, 2002.

Notwithstanding the foregoing, if projected State budget needs outstrip actual or projected revenues, the State may seek additional sources of funds or seek to realize program savings through reductions or more efficient delivery of services; however, THDA cannot predict whether or not this will occur or, if it does, what actions may be proposed or eventually taken and what effect, if any, such actions may have on THDA. If action is taken to redirect or transfer THDA resources to the State General Fund, such amounts could include THDA resources that are not pledged to any bonds of THDA, as well as any available excess revenues eligible for withdrawal under THDA bond resolutions, including the General Resolution. No assurance can be made that the current ratings on the Bonds or other bonds of THDA can be maintained in the event funds are withdrawn from THDA bond resolutions, including the General Resolution.

Payment of THDA Operating Expenses, Including Program Expenses

THDA currently receives no funds from the State of Tennessee for operating and administrative expenses. THDA is authorized to pay all operating and administrative expenses, including certain Program Expenses of the General Housing Finance Program, with funds available therefor from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. THDA may pay certain expenses, such as Costs of Issuance, Underwriter's fees, initial Trustee's fees, and other similar costs from amounts on deposit in the Debt Service and Expense Account of the Revenue Fund. THDA currently expects to continue to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees, and other similar costs from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. From this combination of resources, THDA believes it will have sufficient resources to pay Program Expenses and other THDA operating and administrative costs and expenses. Certain actions by the General Assembly of the State of Tennessee may affect future payment of operating and administrative expenses. Regardless of THDA's best efforts and in the event of additional transfers to the State, however, THDA could become reliant on State appropriations for the funding of THDA operations. No assurances can be given as to the amount of appropriation that may be available at any time.

Tennessee Consolidated Retirement System

General Information

THDA employees are authorized to participate in the Tennessee Consolidated Retirement System ("TCRS"), a defined benefit pension plan, pursuant to Tennessee Code Annotated Section 13-23-115(21). The general administration and responsibility for the proper operation of TCRS are vested in a twenty member Board of Trustees. The Treasury Department, a constitutional office in the legislative branch of state government, is responsible for the administration of TCRS, including the investment of assets in the plan, in accordance with state statute and in accordance with the policies, rules, and regulations established by the Board of Trustees.

The TCRS covers three large groups of public employees; (1) state employees (including THDA employees) and higher education employees; (2) teachers; and (3) employees of certain local governments. There are 58,683 active members in TCRS in the state and higher education employee group at June 30, 2016. This total includes 229 employees of THDA who are members of TCRS.

The State of Tennessee is ultimately responsible for the financial obligation of the benefits provided by TCRS to state employees (including THDA employees) and higher education employees to the extent such obligations are not covered by employee contributions and investment earnings. The obligation is funded by employer contributions as determined by an actuarial valuation.

By statute, an actuarial valuation of TCRS is to be conducted at least once in each two year period. The purpose of the actuarial valuation is to determine the financial position of the plan and to determine the appropriate employer contribution rate called "actuarially determined contributions (ADC)". Beginning June 30, 2015, the funding policy adopted by the TCRS Board of Trustees provides for an actuarial valuation to be conducted as of June 30 of each year. Previously, actuarial valuations were conducted every other year.

Retirement Plan for Employees Hired Prior to July 1, 2014 ("Closed State and Higher Education Employee Pension Plan")

Employees hired prior to July 1, 2014 participate in a defined benefit plan as a condition of employment. The benefit accrual formula is 1.575% under the Closed State and Higher Education Employee Pension Plan. Eligibility to retire is age 60 or 30 years of service. Vesting is 5 years. Employees do not contribute to the plan. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

Retirement Plan for Employees Hired on or after July 1, 2014 ("State and Higher Education Employee Retirement Plan")

As authorized by Public Chapter 259, Acts of 2013, employees first hired on or after July 1, 2014, participate in a retirement plan consisting of a defined benefit plan and a defined contribution plan. Employees contribute at 5% of salary to the defined benefit plan. Employees also contribute 2% of salary to the defined contribution plan unless the employee opts out of making such contribution. The total employer cost for the two plans will be limited to 9% of salary with 4% targeted to the defined benefit plan (minimum set by statute) and 5% to the defined contribution plan.

The benefit accrual formula under the State and Higher Education Employee Retirement Plan will be 1%. Eligibility to retire is age 65 or the rule of 90 (where age and service equals 90) under the plan. Vesting is 5 years. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

The defined benefit component of the State and Higher Education Employee Retirement Plan has automatic cost controls and automatic controls over unfunded accrued liability. Within the retirement plan, there is a stabilization reserve created for any employer contributions that exceed the ADC that will be utilized to control cost and unfunded liabilities. The automatic controls are based on the results of the actuarial valuation. Control features include utilizing funds in the stabilization reserve (if any), limiting retiree cost of living adjustments, shifting future employer contributions from the defined contribution plan to the defined benefit plan, requiring additional employee contributions, and adjusting benefit accruals. The control features only apply to the State and Higher Education Employee Retirement Plan and do not apply to the Closed State and Higher Education Employee Pension Plan.

Actuarial Data for Retirement Plan for Employees Hired Prior to July 1, 2014

For employees hired prior to July 1, 2014, state agencies contribute to TCRS 15.03% of salary for the period July 1, 2014 through June 30, 2016, based on the July 1, 2013 actuarial valuation. The June 30, 2015 actuarial valuation established the employer contribution rate of 15.02% that is applicable for the period July 1, 2016 through June 30, 2017. The recently completed June 30, 2016 actuarial valuation will establish employer contribution rates for the period July 1, 2017 through June 30, 2018. General state employees do not contribute to this plan.

An actuarial valuation was performed as of June 30, 2016 to determine the TCRS financial position in order to provide information related to Governmental Accounting Standards Board (GASB) pronouncements. At June 30, 2016 (measurement date of June 30, 2015), the net pension liability for the state and higher education employee group based on the market value of assets was \$1.3 billion, resulting in a plan fiduciary net position as a percentage of total pension liability of 91.26%.

Actuarial Data for Retirement Plan for Employees Hired on or after July 1, 2014

For employees hired on or after July 1, 2014, the overall 4% employer contribution rate to TCRS for the period July 1, 2014 through June 30, 2016, consists of 3.87% for general employees, with the employer rate for judicial and public safety employees being higher at 7.00% and 4.62%, respectively. The employer contribution rate for general employees of 3.87% consists of 2.00% for the ADC and 1.87% for the stabilization reserve.

An actuarial valuation at June 30, 2015 established that the employer overall rate will remain at the minimum statutory level of 4%. For the period July 1, 2016 through June 30, 2017, the employer rate for general employees will be 3.94% while the employer rate for judicial and public safety employees will be 6.27% and 4.69%, respectively. The employer contribution rate for general employees of 3.94% consists of 1.13% for the ADC and 2.81% for the stabilization reserve.

THDA Employer Contributions to TCRS

For THDA, the employer contribution rate for employees hired before July 1, 2014, stated as a percentage of salary, is as follows: 15.03% for the period beginning July 1, 2014 through June 30, 2016 and 15.02% for the period beginning July 1, 2016 through June 30, 2017. For employees first hired after June 30, 2014, the employer rate is 8.87% for fiscal year ending June 30, 2016 and 8.94% for fiscal year ending June 30, 2017 (combined rate for defined benefit plan and defined contribution plan).

THDA's actual and estimated contributions to TCRS are reflected in the following table:

Fiscal Year ended June 30	Employer Contribution Rate	Total Salary of THDA Employees	THDA Employer Contributions to TCRS	Percentage of THDA Budget
2017 ⁽¹⁾	15.02/9% ⁽²⁾	\$16,398,800 ⁽¹⁾⁽³⁾	\$2,340,940	2.03%
2016	15.03/9% ⁽²⁾	11,965,554	1,581,407	1.30
2015	15.03/9% ⁽²⁾	11,569,902	1,673,881	1.19
2014	15.03/9% ⁽²⁾	11,721,300	1,761,711	1.19
2013	15.03	11,315,872	1,692,847	1.26
2012	14.91	11,005,204	1,632,095	1.36
2011	14.91	10,593,944	1,585,654	1.25
2010	13.02	9,956,646	1,295,272	1.03
2009	13.02	9,267,262	1,201,303	0.98
2008	13.66	9,602,067	1,297,298	1.02

(1) Estimated

(2) Varies depending on plan the employee is enrolled in.

(3) The increase in "Total Salary of THDA Employees" from the actual amount for the fiscal year ending June 30, 2016, to the estimated amount for the fiscal year ending June 30, 2017, is due to the additional salaries for approximately thirty-eight (38) positions THDA expects to fill in connection with the servicing activities THDA expects to undertake later in 2017.

For the fiscal year ending June 30, 2016, the salary of THDA employees totaled \$11,965,554, which represents 0.45% of the \$2.677 billion of salary for all state and higher education employees in TCRS.

It is anticipated that there will be upward pressure on the employer contribution rate in the Closed State and Higher Education Employee Pension Plan in future actuarial valuations as deferred investment losses that have been actuarially smoothed are recognized over the next ten years as well as a continuing low earnings environment.

Defined Contribution Program

Defined Contribution Plan for employees hired prior to July 1, 2014

A voluntary defined contribution plan is provided to state employees and higher education employees giving them the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Defined Contribution Plan for employees hired on or after July 1, 2014

A defined contribution plan for state employees and higher education employees entering service on or after July 1, 2014, is a component of the State and Higher Education Employee Retirement Plan. By statute, employer contributions are made at the rate of 5% of salary to the 401(k) plan. However, employer contributions may be reduced as part of the cost controls and unfunded liability controls as previously described in the defined benefit plan component of the State and Higher Education Employee Retirement Plan. Upon employment, employees are automatically enrolled to contribute 2% of salary to the defined contribution plan but employees may elect to increase or decrease the employee contributions at any time.

General Information about the 401(k) and 457 Defined Contribution Plans

The state provides additional voluntary defined contribution plans to give state employees and higher education employees the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Employee contribution limits to the 401(k) and 457 plans are established by federal statute. In the 401(k) plan, available to state and higher education employees in both the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan, voluntary employee contributions are matched by employer contributions up to a maximum of \$50 per month. Employer contributions are subject to the funding being appropriated in the budget each fiscal year; otherwise, no match will be made by THDA.

Employees are immediately vested in employee and employer contributions. Employees can choose to invest employer and employee contributions among a variety of investment products.

For the fiscal year ended June 30, 2016, 173 THDA employees made contributions to the 401(k) plan and 10 THDA employees made contributions to the 457 plan. THDA made employer contributions to the 401(k) plan that totaled \$86,335 while THDA employees contributed a total of \$243,815 to the 401(k) plan and the 457 plan.

Other Post-Employment Benefits

Certain other GASB Statements (nos. 43 and 45) provide accounting and financial reporting requirements for retiree healthcare plans and employer participants, commonly known as Other Post-Employment Benefits ("OPEB"). To date, the State has reported OPEB costs in the aggregate for all State employees. The State received an actuarial study as of July 1, 2015, that includes OPEB costs attributable to the State and, separately, for certain of its component units (including THDA) that are required to participate in the State's retirement and benefit plans. The study, which used a projected unit credit actuarial cost method, indicates that for the fiscal year ended June 30, 2016, the total unfunded actuarial liability of THDA is approximately \$2,923,000 and the annual required contribution for THDA is approximately \$341,000. The annual required contribution consists of the normal cost (the portion of the actuarial present value of OPEB benefits which is allocated to a valuation year by the actuarial cost method) and an amortization of the unfunded actuarial liability. The report may be reviewed at <http://www.tennessee.gov/finance/act/OPEB.html>. The State is not currently funding any actuarially determined OPEB liability, and will continue to use pay-as-you-go funding of actual costs of OPEB liabilities incurred for the fiscal year. The State will charge THDA for these actual costs allocable to THDA's employees, but not for any actuarially determined OPEB liability. The State has the flexibility to adjust the various plan options on an annual basis, and will continue to analyze the cost of the choices available to current employees and retirees and the cost of the choices on the employees, retirees and the State's cash flow to manage these expenditures going forward.

General Resolution Requirements

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions. In addition, certain tests must also be met prior to any withdrawal of funds under the lien of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution. THDA funds which are not pledged under the referenced Resolutions can be removed without meeting such tests.

Absence of Interest Rate Swap Transactions

THDA has never entered into an interest rate swap transaction and no such transaction is currently anticipated by THDA.

TAX MATTERS

THDA has included provisions in the Resolution, the Guide for Originating Agents issued by THDA and other relevant documents and has established procedures, including receipt of certain affidavits and warranties from Originating Agents and borrowers (the "Program Documents") in order to assure compliance with the Program Loan eligibility requirements and other requirements which must be met subsequent to the issuance of the Offered Bonds. Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with applicable federal tax law and, for such purpose, to adopt and maintain appropriate procedures. THDA believes that the procedures and documentation requirements established for the purpose of fulfilling this covenant are sufficient to assure that the proceeds of the Offered Bonds will be applied in accordance with the requirements of applicable federal tax law so as to assure that interest on the Offered Bonds will not be included in the gross income of the owners thereof for federal income tax purposes.

Opinion of Bond Counsel

In the opinion of Bond Counsel, interest on the Offered Bonds will be excluded from gross income for federal income tax purposes under existing laws as enacted and construed on the date of the issuance of the Offered Bonds, assuming the accuracy of the certifications of THDA and continuing compliance by THDA with the requirements of the federal tax laws. Bond Counsel is also of the opinion that (i) interest on the Issue 2017-2A Bonds will be treated as a preference item for purposes of calculating the alternative minimum tax imposed on individuals and corporations and (ii) interest on the Issue 2017-2B Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

Ownership of the Offered Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income", taxpayers who may be deemed to have incurred or continued debt to purchase or carry the Offered Bonds and taxpayers otherwise eligible to claim the earned income credit. Bond Counsel expresses no opinion as to such collateral tax consequences.

Certain recipients of interest on the Offered Bonds may be subject to backup withholding under Section 3406 of the Code, unless the recipient of interest furnishes its taxpayer identification number with the payor of the interest or is otherwise exempt from backup withholding tax.

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Offered Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Offered Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Offered Bonds or the market value thereof would be impacted thereby. Purchasers of the Offered Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions to be expressed by Bond Counsel will be based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Offered Bonds and Bond Counsel will express no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

In the opinion of Bond Counsel, under the laws of the State of Tennessee as enacted and construed on the date of issuance of the Offered Bonds, as applicable, interest on the Offered Bonds is exempt from income tax imposed by the State of Tennessee on interest income; however, the Offered Bonds and interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee.

An amount equal to the excess of the issue price of an Offered Bond sold at a premium (a "Premium Bond") over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

LEGAL INVESTMENT

The Act provides that the bonds of THDA are securities in which all public officers and bodies of the State and all municipal subdivisions, all insurance companies and associations and other persons carrying on insurance business, all banks, bankers, trust companies, including savings and loan associations, building and loan associations, investment banking companies and other persons carrying on an investment banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are now or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest in the bonds of THDA with funds, including capital, in their own control or belonging to them.

RATINGS

Moody's Investors Service, Inc. ("Moody's") has assigned the Offered Bonds a rating of 'Aa1' and Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLP business ("S&P") has assigned the Offered Bonds a rating of 'AA+'. Such ratings reflect only the views of the respective rating agency and an explanation of the criteria for and the significance of such ratings may be obtained from Moody's and Standard & Poor's. THDA has furnished to Moody's and Standard & Poor's certain information and materials with respect to the Offered Bonds. Generally, rating agencies base their ratings on such information and materials, and on investigations, studies and assumptions made by the rating agencies. There is no assurance that the ratings will continue for any given period of time or that the ratings will not be revised or withdrawn entirely by these rating agencies, if in the judgment of the rating agency, circumstances so warrant. A downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Offered Bonds.

Due to the ongoing uncertainty regarding the economy of the United States of America (including, without limitation, matters such as the current and future political uncertainty regarding the United States debt limit), obligations, such as the Offered Bonds, issued by state and local governments, and instrumentalities thereof, could be subject to a rating downgrade. Additionally, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations, including the Offered Bonds. When certain automatic spending cuts are imposed on the federal government as a result of actions taken or not taken by the federal government (commonly referred to as a sequester) or when the federal government fails to pass certain spending authorizations prior to certain deadlines, resulting in a cessation of various governmental functions and operations (commonly referred to as a government shutdown), there may not be any immediate direct adverse impact on FHA, VA, RD or THDA. No assurance can be given, however, that a sequester or a government shutdown that lasts an extended period of time would continue to have no direct adverse impact upon the United States housing industry in general or THDA in particular.

CONTINUING DISCLOSURE

Secondary Market Disclosure

THDA is currently disseminating and presently intends to continue to disseminate information relating to its various single-family mortgage revenue bonds in accordance with the quarterly secondary market disclosure project sponsored by the National Council of State Housing Agencies. THDA has filed quarterly reports, beginning with the quarter ending June 30, 1994, with each then nationally recognized municipal securities information repository. THDA also expects that its official statements, which contain audited financial information about THDA, with respect to bonds issued under the General Resolution, the 1985 General Resolution, and the 2009 General Resolution will be filed with the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access (EMMA) system if and when bonds are so issued. It is the present intent of THDA to continue making voluntary secondary market disclosure as described above.

Continuing Disclosure Undertaking

In order to comply with the requirements of Rule 15c2-12 (the "Rule") under the Securities Exchange Act of 1934, THDA, in the Issue 2017-2 Supplemental Resolution for the benefit of the Beneficial Owners of the Issue 2017-2 Bonds, agrees to file:

If unaudited financial statements are provided as part of the Annual Financial Information by the above date, then THDA shall provide, when and if available, a copy of THDA's audited financial statements to the MSRB;

(b) In a timely manner, not in excess of 10 business days after the occurrence of the event, with the MRSB and the Trustee, notice of the occurrence of any of the following events (if applicable) with respect to the Offered Bonds: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserve funds reflecting financial difficulties; (iv) unscheduled draws on any credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service (the "IRS") of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Offered Bonds, or other material events affecting the tax status of the Offered Bonds; (vii) modifications to rights of holders of the Offered Bonds, if material; (viii) bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Offered Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of THDA (which event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for THDA in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of THDA, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of THDA); (xiii) the consummation of a merger, consolidation, or acquisition involving THDA or the sale of all or substantially all of the assets of THDA, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(c) In a timely manner, to (i) the MRSB and (ii) the Trustee, notice of a failure by THDA to provide the Annual Financial Information set forth in (a) above within the time limit specified above.

THDA may amend the Issue 2017-2 Supplemental Resolution, with respect to the above agreements, without the consent of the Beneficial Owners of the applicable Issue of Offered Bonds (except to the extent required under clause (4)(ii) below), if all of the following conditions are satisfied: (1) such amendment is made in connection with a

change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of THDA or the type of business conducted thereby; (2) these agreements as so amended would have complied with the requirements of the Rule as of the date of the Issue 2017-2 Supplemental Resolution, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; (3) THDA shall have delivered to the Trustee an opinion of counsel, addressed to THDA and the Trustee, to the same effect as set forth in clause (2) above; (4) either (i) THDA shall deliver to the Trustee an opinion of or determination by a person unaffiliated with THDA (which may include the Trustee or bond counsel), acceptable to THDA and the Trustee, addressed to THDA and the Trustee, to the effect that the amendment does not materially impair the interests of the holders of the Offered Bonds, or (ii) the holders of the Offered Bonds consent to the amendment pursuant to the same procedures as are required for amendments to the General Resolution with consent of the holders of Offered Bonds pursuant to the General Resolution as in effect on the date of the Issue 2017-2 Supplemental Resolution, and (5) THDA shall have delivered copies of such opinion(s) and the amendment to the MRSB.

THDA's obligations under these agreements as set forth in the Issue 2017-2 Supplemental Resolution terminate upon a legal defeasance pursuant to the General Resolution, prior redemption or payment in full of all of the Offered Bonds. THDA shall give notice of any such termination to the MSRB.

THDA acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit for the Beneficial Owners of the Offered Bonds whether or not the Rule applies to such Bonds. Breach of this undertaking will not be a default under the Resolution but this undertaking may be enforced by any Beneficial Owner of the Offered Bonds exclusively by an action for specific performance. This undertaking shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this undertaking shall be instituted in a court of competent jurisdiction in the State.

Independent Auditor's Report

The Honorable Bill Haslam, Governor
Members of the General Assembly
Members of the Board of Directors
Mr. Ralph Perrey, Executive Director

Report on the Financial Statements

We have audited the accompanying financial statements of the Tennessee Housing Development Agency, a component unit of the State of Tennessee, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Tennessee Housing Development Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Tennessee statutes, in addition to audit responsibilities, entrust certain other responsibilities to the Comptroller of the Treasury. Those responsibilities include serving as a member of the board of directors of Tennessee Housing Development Agency. We do not believe that the Comptroller's service in this capacity affected our ability to conduct an independent audit of the Tennessee Housing Development Agency.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tennessee Housing Development Agency as of June 30, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of proportionate share of net pension asset for the State and Higher Education Retirement Plan, the schedule of proportionate share of net pension liability for the Closed State and Higher Education Pension Plan, the schedule of contributions to the State and Higher Education Employee Retirement Plan, the schedule of contributions to the Closed State and Higher Education Employee Pension Plan, and the other postemployment benefits schedule of funding progress, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the agency's basic financial statements. The accompanying financial information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2016, on our consideration of the agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the agency's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2016

This section of the Tennessee Housing Development Agency's (THDA) annual financial statements presents management's discussion and analysis of THDA's financial performance for the year ended June 30, 2016, with comparative information presented for the fiscal year ended June 30, 2015. This information is being presented to provide additional information regarding the activities of THDA and to meet the financial reporting and disclosure requirements of the Governmental Accounting Standards Board (GASB) Statement Number 34, *Basic Financial Statements -- and Management's Discussion and Analysis -- for State and Local Governments*. This section should be read in conjunction with the Independent Auditor's Report and the audited financial statements and accompanying notes.

INTRODUCTION – THE TENNESSEE HOUSING DEVELOPMENT AGENCY

The mission statement of THDA is "Leading Tennessee Home by creating safe, sound, affordable housing opportunities." THDA's goal is to provide housing assistance to those in need by offering a variety of housing-related programs. One of the primary ways THDA assists Tennesseans is by offering mortgages for first-time homebuyers at below conventional market interest rates. At the close of fiscal year 2016, THDA has originated over 115,000 single-family mortgage loans in its 43-year history, and serves as the master servicer for all active mortgages it funds. In addition to helping homebuyers, THDA administers Section 8 rental assistance programs, including the tenant-based Housing Choice Voucher (HCV) program in approximately 74 of Tennessee's 95 counties, as well as the project-based Contract Administration program for approximately 400 contracts throughout all of Tennessee. THDA also administers grant programs, awarded on a competitive annual cycle, for rehabilitation and new construction of owner-occupied units and small rental projects. THDA is also involved in the development and rehabilitation of multifamily rental housing for low-income families by administering the federal Low-Income Housing Tax Credit, which is a competitive process, and by setting aside a portion of bond authority to be allocated to local issuing authorities for specific multifamily developments.

More recently, THDA has administered programs under the American Recovery and Reinvestment Act of 2009 (ARRA), including the Homeless Prevention and Rapid Re-Housing Program (HPRP), the Tax Credit Assistance Program (TCAP), the Neighborhood Stabilization Program (NSP), and a Low Income Housing Tax Credit exchange program under Section 1602 of the Act.

As established by statute, "The agency shall have a board of directors which shall be responsible for carrying out the powers given to the agency. . ." (*Tennessee Code Annotated 13-23-105*). This board meets regularly on a bi-monthly basis; however, some committees may meet more often as situations dictate.

OVERVIEW OF THE FINANCIAL STATEMENTS

The basic financial statements include statements of net position; statements of revenues, expenses, and changes in net position; and statements of cash flows, as well as notes to the financial statements. The statements of net position provide financial information on the overall financial position of THDA at each year end. The statements of revenues, expenses, and changes in net position summarize the results of operations over the course of each fiscal year. The statements of cash flows provide relevant information about THDA's cash receipts and cash payments during each fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

The notes to the financial statements provide essential information regarding THDA's significant accounting policies, significant account balances and activities, certain material risks, obligations, commitments, contingencies, and subsequent events.

THDA's financial statements are presented using the accrual basis of accounting and the flow of economic resources measurement focus. In addition to the basic financial statements, required and other supplementary information is included.

THDA is also considered to be a discretely presented "component unit" for the State of Tennessee, and therefore, its financial information is reported in the State of Tennessee's government-wide *Comprehensive Annual Financial Report*. During FY 2016, single-family mortgage loan originations increased by \$42.7 million, whereas mortgage loan payoffs increased by \$27.4 million and mortgage loan repayments decreased \$2.8 million. In addition, THDA recognized an allowance for future forgiveness of forgivable second mortgages of \$4.9 million for FY 2016.

2016 to 2015

Total operating revenues decreased \$6.9 million, primarily due to a decrease in mortgage interest income of \$6.8 million. This is due to new mortgage loan originations having lower interest rates than those associated with mortgage loan repayments.

Total operating expenses decreased \$6.3 million. This is primarily due to a bond debt strategy to use mortgage loan prepayments to call bonds on a monthly basis, as well as refunding outstanding bonds with new bonds bearing a lower interest rate.

DEBT ACTIVITY

Bonds outstanding at June 30 were as follows (expressed in thousands):

	<u>2016</u>	<u>2015</u>
Bonds payable	\$1,906,494	\$ 1,979,170

Year Ended June 30, 2016

Total bonds and notes payable decreased \$72.7 million, due primarily to an increase in the redemption of bonds as compared to recent fiscal years. During the fiscal year, THDA issued debt totaling \$306.9 million, with activity arising from two bond issues.

GRANT PROGRAMS

During FY 2007 through FY 2009, the General Assembly appropriated revenue to THDA for grant programs. Likewise, THDA's board of directors allocated additional THDA funds for grants. These funds established a grant program that was titled by the THDA as the "Tennessee Housing Trust Fund."

The four-level model for funding this grant program includes state appropriations, THDA funds, private sector investment, and matching funds from local grantees. The purpose of this grant program is to serve the needs of low and/or very low income, elderly, and special needs Tennesseans. Funding and uses for the Housing Trust Fund are as follows:

CURRENT MORTGAGE PRODUCTS AND ENVIRONMENT

In October of 2013, THDA made a significant change to its mortgage lending program. On October 1, 2013, the *Great Choice* and the *Great Choice Plus* loan programs were introduced and the *Great Rate*, *Great Advantage* and *Great Start* loan programs were eliminated. The *Great Choice* loan program offers THDA the opportunity to offer a more competitive interest rate on its 30 year fixed rate mortgage product while still offering down payment assistance with the addition of the *Great Choice Plus* loan program which is a second mortgage at a 0% interest rate for a term of 10 years. During fiscal year 2015, the *Great Choice Plus* loan product was modified to a forgivable second mortgage, in which 100% of the loan amount must be repaid if the home is sold or the associated first mortgage is refinanced within the first nine years of closing. Beginning in year 10, the loan is forgiven at the rate of 20% per year. The loan is fully forgiven at the end of year 15.

A special interest rate reduction on *Great Choice* loan program has been designated to ensure that qualified service men and women have access to affordable homeownership opportunities. This special offer, referred to as "*Homeownership for the Brave*", provides a 0.5% rate reduction on the current interest rate for *Great Choice* loans. In addition to the rate reduction, "*Homeownership for the Brave*" applicants are eligible for optional down payment and closing cost assistance through the *Great Choice Plus* second mortgage loan at a 0% interest rate.

All loans made or purchased by THDA are fixed-rate mortgages with a maximum loan term of 360 months (30 years), and must conform to insurer / guarantor underwriting guidelines. THDA does not make or purchase adjustable rate mortgages (ARMs), interest-only mortgages, "buy-down" loans, mortgages with a future lump-sum payment due (balloon-type mortgage), or with other similar mortgage terms. THDA does not make or purchase "sub-prime" mortgage loans.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

Single-family mortgage loans purchased by THDA with loan-to-value (LTV) ratios between 78% and 97% must have an acceptable insurer/guarantor, which includes:

- FHA (United States Department of Housing and Urban Development)
- VA (Veterans Administration Guaranty Program)
- USDA/RD (the United States Department of Agriculture - Rural Development, formerly Farmers Home Administration)
- Private mortgage insurance

THDA will accept private mortgage insurance provided from private mortgage insurers, who are licensed by the Tennessee Commissioner of Commerce and Insurance to do business in Tennessee and are rated at least AA by Standard & Poor's Rating Group. THDA will allow privately insured loans underwritten using nationally accepted underwriting guidelines established by Fannie Mae or Freddie Mac. These loans must be approved through an automated underwriting system such as Desktop Underwriter or Loan Prospector with no expanded approvals. Such privately insured mortgage loans may have loan-to-value ratios up to and including 97% of the lesser of the purchase price or the appraised value. Loans with a 78% LTV or lower do not require mortgage insurance. A detailed chart of these mortgage loan products and primary mortgage loan terms may be obtained from THDA's internet site at <https://thda.org/homebuyers/homebuyers>

For the past several years, THDA has closely monitored its loan portfolio for delinquency and foreclosures. This monitoring has included analysis based on loan type (Great Choice, Great Choice Plus, Homeownership for the Brave), insurer/guarantor (FHA, VA, RECD, private mortgage insurer), mortgage loan servicer, down-payment assistance, and other factors as deemed necessary.

As of June 30, 2016, the delinquency and foreclosure rates for its single-family loan portfolio are as follows:

<u>Loan Status</u>	<u>Total Number of Loans Serviced</u>	<u>Number of Loans in Status</u>	<u>Principal Amount</u>	<u>Percentage</u>
60-89 Days Past Due	23,492	508	\$ 39,830,107	2.16%
90+ Days Past Due	23,492	1,503	116,348,733	6.40%
In Foreclosure	23,492	148	12,307,322	0.63%

Note: Percentage is calculated by dividing the "Number of Loans in Status" by the "Total Number of Loans Serviced."

ECONOMIC FACTORS

In accordance with THDA's investment policy, THDA typically invests in short-term and long-term fixed-rate debt securities from federal agencies. As a bench-mark, THDA uses the one-, three-, and five-year Constant Maturity Treasury (CMT) rates as established by the United States Treasury.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

The continuation of relatively low interest rates from a historic perspective increased the likelihood of negative arbitrage, in which the interest rates on THDA's bond issues exceeds the current investment interest rates. THDA monitors prepayments and bond investment yields, and seeks to reduce negative arbitrage by calling bonds with the funds from prepayments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Reporting Entity

The Tennessee Housing Development Agency was created by an act of the legislature (Chapter 241, Public Acts, 1973). The act was approved by the Governor on May 14, 1973. The enabling legislation can be found in *Tennessee Code Annotated*, Section 13-23-101 et seq. The purpose of the agency is to improve housing and living conditions for lower- and moderate-income persons and families in Tennessee by making loans and mortgages to qualified sponsors, builders, developers, and purchasers of low- and moderate-income family dwellings.

The agency is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of the Agency. The remaining members are appointed by the Governor, the Speaker of the State Senate, and the Speaker of the State House of Representatives. Board members are to be representatives of the housing, real estate, or home building industries; the mortgage profession; local governments; or one of the three grand divisions of the state, and must be knowledgeable about the problems of inadequate housing conditions in Tennessee. One member of the board is a resident board member as required by Section 505 of the Quality Housing and Work Responsibility Act of 1998 and 24 CFR Part 964, Subpart E. *Tennessee Code Annotated* Section 13-23-101 et seq. was amended to revise the composition of the board of directors, effective July 1, 2013.

In order to accomplish its objectives, the agency is authorized to raise funds through the issuance of bonds and notes. Bonds and notes issued by the agency are not general obligations of the State of Tennessee or any of its political subdivisions, and neither the faith and credit nor the taxing power of the state or any political subdivision is pledged for payment of the principal or interest on such bonds or notes.

The Tennessee Housing Development Agency is a component unit of the State of Tennessee. Although the agency is a separate legal entity, the state appoints a majority of its governing body and approves its operating budget. The agency is discretely presented in the *Tennessee Comprehensive Annual Financial Report*.

b. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Certain accounting policies and procedures are stipulated in the agency's Mortgage Finance Program, Single Family Program, Homeownership Program, Housing Finance Program, and General Residential Finance Program bond resolutions and the Single Family Mortgage Notes trust indenture. The agency follows these procedures in establishing and maintaining the various funds and accounts for its programs. Revenues and expenses applicable to each fund and account are recorded therein.

c. Basis of Accounting and Measurement Focus

The accompanying financial statements have been prepared using the accrual basis of accounting and the flow of economic resources measurement focus. Under this basis, revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cashflows. When both restricted and unrestricted resources are available for use, it is the agency's policy to use the restricted resources first. All significant interfund transactions have been eliminated.

d. Capital Assets

Capital assets, which include furniture and office equipment, are defined by the agency as assets with an initial, individual cost of \$5,000 or more.

Capital assets are depreciated on a straight-line basis over the following estimated useful lives of the assets.

<u>Description</u>	<u>Estimated Life</u>
Furniture	10 years
Computer equipment	3 years

e. Restricted Assets

Restricted assets are comprised of the Debt Service Reserve Funds, Bond Reserve Funds, and Net Pension Assets (see note 6).

The bond resolutions require the agency to establish a Debt Service Reserve Fund or a Bond Reserve Fund for each bond issue. The bond resolutions require that if the Debt Service and Expense Funds or the Revenue Funds of a bond issue are not sufficient to provide for interest or principal and sinking fund requirements of that issue that funds be transferred from the Debt Service Reserve Fund or the Bond Reserve Fund to cover any deficiency.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

f. Deferred Amount on Refundings and Bond Premiums and Discounts

1. Deferred Amounts on Refundings: The agency amortizes the deferred amount on refundings using the straight-line method.
2. Bond Premiums and Discounts: Bond premiums and discounts are deferred and amortized over the life of the bonds using the interest method. Bonds payable are reported net of the applicable unamortized bond premium or discount.

g. Cash and Cash Equivalents

In addition to demand deposits and deposits in the pooled investment fund administered by the State Treasurer, this classification includes short-term investments with original maturities of three months or less from the date of acquisition.

h. Investments

The agency has established guidelines for its funds to meet the requirements of the bond resolutions and to comply with the statutes of the State of Tennessee. Permitted investments include the following: direct obligations of the U.S. Treasury and U.S. Agencies, obligations guaranteed by the U.S., public housing bonds secured by contracts with the U.S., direct and general obligations of the State of Tennessee or obligations guaranteed by the State of Tennessee, obligations of other states or instrumentalities thereof which are rated in either of the two highest rating categories by Moody's Investor Service or Standard & Poor's Corporation, interest bearing time or demand deposits, collateralized certificates of deposit in authorized state depositories, and repurchase agreements collateralized by authorized securities.

Investments are stated at fair value, except for repurchase agreements, which are reported at cost.

i. Accrual of Interest Income

Interest on first mortgage loans receivable and investment securities is credited to income as earned and classified as interest receivable.

j. Mortgages

Mortgages are carried at their original amount less collected principal.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

k. Operating Revenues and Expenses

The agency was created with the authority to issue bonds to the investing public in order to create a flow of private capital through the agency into mortgage loans to certain qualified individuals and qualified housing sponsors. The agency's primary operation is to borrow funds in the bond market and issue those funds to make single-family and multi-family loans. The primary operating revenue is the interest income on outstanding mortgages and the investment income from proceeds of bonds. The primary operating expense of the agency is the interest expense on bonds outstanding. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

l. Allowance for Forgivable Second Mortgages

THDA has offered Down Payment Assistance (DPA) product for several years. Beginning in October 2014, this product changed to a 0% forgivable second mortgage, loan, of which 100% of the original principal amount is repayable to THDA if the loan is repaid within ten years of the origination date. Beginning on the eleventh anniversary of the origination date, 20% of the original principal amount will be forgiven. The amount of forgiveness increases an additional 20% on the loan anniversary thereafter. On the 15th anniversary of the origination date, 100% of the original principal amount becomes forgiven. Because of the likelihood that some amount of the original principal amount will be forgiven in the course of time, an allowance account has been established for those loans that may enter the forgivable period.

m. Pensions

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan in the Tennessee Consolidated Retirement System (TCRS) and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the TCRS. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan. Investments are reported at fair value.

**TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016**

NOTE 2. DEPOSITS AND INVESTMENTS

a. Deposits

Custodial Credit Risk Custodial credit risk for deposits is the risk that in the event of a bank failure, the agency's deposits may not be returned.

The laws of the State of Tennessee require that collateral be pledged to secure all uninsured deposits. The agency's bond resolutions require deposits to be fully secured.

The agency's deposits are in financial institutions which participate in the bank collateral pool administered by the State Treasurer, except as noted below. The securities pledged to protect these accounts are pledged in the aggregate rather than against each individual account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

At June 30, 2016, the bank balance was \$3,921,135.08. All bank balances at June 30, 2016, were insured, except the Bank of New York Mellon (BNYM) accounts. U.S. Department of the Treasury requires the funds for the Hardest Hit Fund program to be deposited in the BNYM accounts. THDA has no obligation to ensure that the funds in the accounts are collateralized should the amount of money in the account be in excess of the FDIC insurance coverage of \$250,000. THDA will not be responsible for a loss of the funds due to the bank's failure and the lack of adequate collateral. Of the bank balance at June 30, 2016, \$3,307,357.87 was in the BNYM. Of this amount, \$3,057,357.87 exceeded the FDIC insurance coverage. The agency has deposits in the State Pooled Investment Fund administered by the State Treasurer. The fund's investments are measured at amortized cost. The fund is not rated by a nationally recognized statistical rating organization. The fund's investment policy and required risk disclosures are presented in the *State of Tennessee Treasurer's Report*. That report is available on the state's website at www.treasury.tn.gov.

b. Investments

As stated in the agency's investment policy, the "prudent man rule" shall be the standard of prudence used by all officials responsible for the investment of assets. Investments are made as a prudent person would be expected to act in the management of his or her own affairs, with consideration of the safety of capital and the probability of income, and avoidance of speculative investments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The agency's investment policy states that the agency's portfolios will be diversified in order to reduce the risk of loss resulting from concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. The agency may invest 100% of its portfolio in U.S. government securities. A minimum of 5% of the par value of total investments must mature within five years. No more than 50% of the par value of the combined portfolios can be invested in maturities greater than 15 years without approval of the Bond Finance Committee.

Portfolio maturities shall be staggered in a way that avoids undue concentrations of assets in a specific maturity sector. Maturities shall be selected which provide for stability of income and reasonable liquidity. It is the intent of this policy that sufficient investments be scheduled to mature to provide for the required liquidity for debt service and other expenditures per resolution requirements.

Interest Rate Risk Interest Rate Risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment.

Duration is a measure of a debt investment's exposure to fair value changes arising from changing interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price.

GASB 72 was issued to address accounting and financial reporting issues related to fair value measurements. THDA categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. THDA has the following recurring fair value measurements as of June 30, 2016:

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	June 30, 2016

Total debt securities	\$352,708	\$68,451	\$284,257	\$-0-

Assets classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for identical assets as those securities. The State of Tennessee, by law, requires that the Tennessee Housing Development Agency to participate in the State Pool Investment Fund (SPIF). SPIF values financial instruments at amortized cost. There are no minimum or maximum limitations on withdrawals with the exception of a 24-hour notification period for withdrawals of \$5 million or more.

During fiscal year 2016, Tennessee Housing Development Agency modified the presentation of certain mortgage loans. NOTE 6. PENSION PLANS

a. Closed State and Higher Education Employee Pension Plan

General Information about the Pension Plan

Plan description State employees and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan. This plan is a component of the Public Employee Retirement Plan, an agent, multiple-employer defined benefit pension plan. The Closed State and Higher Education Employee Pension Plan stopped accepting new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, a new agent defined benefit retirement plan, the State and Higher Education Employee Retirement Plan, became effective for state employees and higher education employees hired on or after July 1, 2014.

The TCRS was created by state statute under Title 8, Chapters 34-37, *Tennessee Code Annotated*. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the

plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at www.treasury.tn.gov/tcrs.

Benefits provided Title 8, Chapters 34-37, *Tennessee Code Annotated* establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Closed State and Higher Education Employee Pension Plan are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined using the following formula:

Average of Member's Highest Compensation for 5 Consecutive Years (up to Social Security Integration Level)	x	1.50%	x	Years of Service Credit	x	105%
---	---	-------	---	----------------------------------	---	------

Plus:

Average of Member's Highest Compensation for 5 Consecutive Years (over Social Security Integration Level)	x	1.75%	x	Years of Service Credit	x	105%
--	---	-------	---	----------------------------------	---	------

A reduced early retirement benefit is available at age 55 and vested. Members are vested with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions Contributions for state employees and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Tennessee Housing Development Agency employees are non-contributory, as are most members in the Closed State and Higher Education Employee Pension Plan. State and higher education agencies make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Closed State and Higher Education

Employee Pension Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the Closed State and Higher Education Employee Pension Plan were \$1,539,003 which is 15.03 percent of covered payroll. The employer rate is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension liability At June 30, 2016, Tennessee Housing Development Agency reported a liability of \$5,428,475 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Tennessee Housing Development Agency's proportion of the net pension liability was based on a projection of Tennessee Housing Development Agency's contributions during the year ended June 30, 2015 to the pension plan relative to the contributions of all participating state and higher education agencies. At the June 30, 2015 measurement date, Tennessee Housing Development Agency's proportion was 0.421046 percent. The proportion measured as of June 30, 2014 was 0.429581

Pension expense For the year ended June 30, 2016, Tennessee Housing Development Agency recognized a pension expense of \$554,977. Allocated pension expense was \$583,722 before being reduced by \$28,745 due to a change in proportionate share.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Actuarial assumptions The total pension liability as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

b. State and Higher Education Employee Retirement Plan

General Information about the Pension Plan

Plan description State and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan, an agent plan within the Public Employee Retirement Plan administered by the TCRS. TCRS is a multiple-employer pension plan. The Closed State and Higher Education Employee Pension Plan was closed effective June 30, 2014 and covers employees hired before July 1, 2014. Employees hired after June 30, 2014 are provided with pensions through a legally separate plan referred to as the State and Higher Education Employee Retirement Plan, an agent plan within the Public Employee Retirement Plan administered by the TCRS. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Benefits provided Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the State and Higher Education Employee Retirement Plan are eligible to retire at age 65 with 5 years of service credit or pursuant to the rule of 90 in which the member's age and service credit total 90. Members are entitled to receive unreduced service retirement benefits, which are determined by a formula using the member's highest five consecutive year average compensation by 1.0 percent multiplied by member's years of service credit. A reduced early retirement benefit is available at age 60 with 5 years of service credit or pursuant to the rule of 80 in which the member's age and service credit total 80. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest. Under the State and Higher Education Employee Retirement Plan, benefit terms and conditions, including COLA, can be adjusted on a prospective basis. Moreover, there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions Contributions for state and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. The Tennessee Housing Development Agency makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4 percent for all aggregate employee groups, except for in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the State and Higher Education Employee Retirement Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the State and Higher Education Employee Retirement Plan were \$46,706 which is 2.81 percent of covered payroll. The employer rate is 3.87% of covered payroll except for any salaries derived from Federal funds where the employer rate is 2.00%. The

employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension asset At June 30, 2016, Tennessee Housing Development Agency reported an asset of \$12,713 for its proportionate share of the net pension asset. The net pension asset was measured as of June 30, 2015, and the total pension asset used to calculate the net pension asset was determined by an actuarial valuation as of that date. Tennessee Housing Development Agency's proportion of the net pension asset was based on a projection of Tennessee Housing Development Agency's contributions during the year ended June 30, 2015 to the pension plan relative to the contributions of all participating state and higher education agencies. At the June 30, 2015 measurement date, Tennessee Housing Development Agency's proportion was 0.457171 percent, representing the first time presentation of this proportion.

Pension expense For the year ended June 30, 2016, Tennessee Housing Development Agency (THDA) recognized a pension expense of \$10,546.

Deferred outflows of resources and deferred inflows of resources For the year ended June 30, 2016, Tennessee Housing Development Agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ —	\$ 4,730
Net difference between projected and actual earnings on pension plan investments	737	—
Tennessee Housing Development Agency's contributions subsequent to the measurement date of June 30, 2015	46,706	—
Total	<u>\$ 47,443</u>	<u>\$ 4,730</u>

Deferred outflows of resources, resulting from Tennessee Housing Development Agency's employer contributions of \$46,706 subsequent to the measurement date will be recognized as a decrease in net pension liability in the year ended June 30, 2017. Other

amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30:

2017	\$	(407)
2018		(407)
2019		(407)
2020		(407)
2021		(591)
Thereafter		(1,774)

In the table above, positive amounts will increase pension expense, while negative amounts will decrease pension expense.

Actuarial assumptions The total pension asset as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability (asset).

Sensitivity of the proportionate share of net pension liability (asset) to changes in the discount rate The following presents Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) calculated using the discount rate of 7.5 percent, as well as what Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5 percent) than the current rate:

Payable to the Pension Plan

At June 30, 2016, THDA reported a payable of \$13,189 for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2016.

c. Total Defined Benefit Pension Expense

The total pension expense for the year ended June 30, 2016 for both defined benefit pension plans was \$565,523.

NOTE 7. DEFERRED COMPENSATION PLANS

The Tennessee Housing Development Agency, through the State of Tennessee, offers employees two deferred compensation plans, one established pursuant to IRC, Section 457 and the other pursuant to IRC, Section 401(k). The plans are outsourced to third party vendors and the administrative costs assessed by the vendors of these plans are the responsibility of plan participants. Section 401(k) and Section 457 plan assets remain the property of the contributing employees; therefore, they are not presented in the accompanying financial statements. IRC Sections 401(k), and 457 establish participation, contribution, and withdrawal provisions for the plans. Participation in the 457 plan is voluntary for employees. The Tennessee Housing Development Agency provides up to a \$50 monthly employer match for employees who participate in the state's 401(k) plan. Employees hired before July 1, 2014 voluntarily participate in the state's 401(k) plan. Pursuant to Public Chapter No. 259 of *Public Acts of 2013*, employees hired after June 30, 2014, are automatically enrolled in the state's 401(k) plan and contribute 2% of their salary with the employer contributing an additional non-matching 5%. Employees may opt out of the 2% auto enrollment. Such contribution rates may only be amended by the Tennessee General Assembly. There are certain automatic cost controls and unfunded liability controls in the defined benefit plan where the employees participate that may impact the non-matching 5% employer contribution to the 401(k) plan.

Employees are immediately vested in both the employee and employer contributions in both plans. The IRC establishes maximum limits that an employee can contribute to these plans. The employee may increase, decrease, or stop contributions at any time for either plan.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The Tennessee Housing Development Agency recognized a pension expense of \$186,417 for employer contributions.

NOTE 8. PROVISIONS FOR MORTGAGE LOAN LOSSES

Most mortgage loans are insured by the Federal Housing Administration (FHA) or an approved private mortgage insurance company, or are guaranteed by the Department of Veterans Affairs. The agency's board of directors has established a loan loss reserve of \$750,000 as a provision for potential loan losses arising from participation in the Rural Economic and Community Development (RECD) Loan Guarantee Program. An additional \$232,000 was established as a loan loss reserve against potential losses on loans not specifically covered by one of the above programs, and \$500,000 was established as a loan loss reserve for self-insurance of second mortgages.

Since the amount of net position restricted for single-family bond programs exceeds the amounts necessary for these loan loss reserves, it is not necessary to designate unrestricted net position for this purpose.

NOTE 9. INSURANCE-RELATED ACTIVITIES

a. Commercial Insurance

The agency carries commercial insurance for risks of loss related to employee dishonesty; general liability protection; and theft of, damage to, or destruction of real and personal property. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

b. Risk Management Fund

It is the policy of the state not to purchase commercial insurance for the risks associated with casualty losses for general liability, automobile liability, professional medical malpractice, and workers' compensation. The state's management believes it is more economical to manage these risks internally and set aside assets for claim settlement in its internal service fund, the Risk Management Fund. The state purchases commercial insurance for real property and crime and fidelity coverage on the state's officials and employees, and cyber liability coverage. For property coverage, the deductible for an individual state agency is the first \$25,000 of losses. The Risk Management Fund is responsible for property losses for the annual aggregate deductible of \$7.5 million for perils other than earthquakes and flood. Purchased insurance coverage is responsible for losses exceeding the \$7.5 million annual aggregate deductible. For earthquake and flood, there

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

is a deductible of \$10 million per occurrence. The maximum insurance coverage is \$750 million per year for perils other than earthquake and flood. The maximum flood insurance coverage is \$50 million per occurrence, except there is only \$25 million of coverage in flood zones A and V. The maximum earthquake insurance coverage is \$50 million per occurrence. The amounts of settlements have not exceeded insurance coverage for each of the three past fiscal years.

The agency participates in the Risk Management Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on a percentage of the agency's expected loss costs, which include both experience and exposures. This charge considers recent trends in actual claims experience of the state as a whole. An actuarial valuation is performed as of fiscal year-end to determine the fund liability and premium allocation. Information regarding the determination of the claims liabilities and the changes in the balances of the claims liabilities for the year ended June 30, 2016, is presented in the *Tennessee Comprehensive Annual Financial Report*. The CAFR is available on the state's website at www.tn.gov/finance/act/cafr.shtml. Since the agency participates in the Risk Management Fund, it is subject to the liability limitations under the provisions of the Tennessee Claims Commission Act, *Tennessee Code Annotated*, Section 9-8-101 et seq. Liability for negligence of the agency for bodily injury and property damage is limited to \$300,000 per person and \$1,000,000 per occurrence. The limits of liability under workers' compensation are set forth in *Tennessee Code Annotated*, Section 50-6-101 et seq. Claims are paid through the state's Risk Management Fund. At June 30, 2016, the Risk Management Fund held \$142.9 million in cash designated for payment of claims

c. Employee Group Insurance Fund

The state has also set aside assets in the Employee Group Insurance Fund, an internal service fund, to provide a program of health insurance coverage for the employees of the state with the risk retained by the state. The agency participates in the Employee Group Insurance Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on estimates of the ultimate cost of claims, including the cost of claims that have been reported but not settled and of claims that have been incurred but not reported. Employees and providers have 13 months to file medical claims.

NOTE 10. OTHER POSTEMPLOYMENT BENEFITS

Healthcare is the only other postemployment benefit (OPEB) provided to employees. The State of Tennessee administers a group health insurance program which provides postemployment health insurance benefits to eligible THDA retirees. This program includes two plans - the State

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Employee Group Plan and the Medicare Supplement Plan. For accounting purposes, the plans are agent multiple-employer defined benefit OPEB plans. Benefits are established and amended by an insurance committee created by *Tennessee Code Annotated* Section 8-27-201. Prior to reaching the age of 65, members have the option of choosing between the standard or partnership preferred provider organization (PPO) plan for healthcare benefits. Subsequent to age 65, members who are also in the state's retirement system may participate in the Medicare Supplement Plan. That plan does not include pharmacy. Any employee hired on or after July 1, 2015 is not eligible to continue insurance coverage at retirement in either the Employee Group Plan or the Medicare Supplement Plan. The plans are reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

Special Funding Situation - The State of Tennessee is legally responsible for contributions to the Medicare Supplement Plan that covers the retirees of other governmental entities, including the Tennessee Housing Development Agency (see Note 11). The state is the sole contributor for the THDA retirees that participate in the Medicare Supplement Plan and, therefore, is acting as the employer.

Funding Policy - The premium requirements of plan members of the State Employment Group Plan are established and may be amended by the insurance committee. The plans are self-insured and financed on a pay-as-you-go basis with the risk shared equally among the participants. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Administrative costs of the plan are allocated to plan participants. In accordance with Section 8-27-205(b), *Tennessee Code Annotated*, retirees in the State Employee Group Plan who have not reached the age of 65 pay the same base premium as active employees in the plan, adjusted for years of service. Retirees with 30 years of service pay 20% of the total premium. Retirees with 25 but less than 30 years of service pay 30% of the total premium. Retirees with less than 20 years of service pay 40% of the total premium. Retirees 65 years of age or older are provided flat-rate premium subsidies, based on years of service. Retirees with 30 years of service receive \$50 per month; retirees with 25 but less than 30 years of service, \$37.50; and retirees with 15 but less than 20 years of service, \$25.

Actuarial accrued liability (AAL)	\$ 2,923
Actuarial value of plan assets	-0-

Actuarial value of assets as a % of the AAL	0%

Actuarial valuations involve estimates of the value of reported amounts and probability assumptions far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Actuarial Methods and Assumptions Calculations are based on the types of benefits provided under the terms of the substantive plan at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

In the July 1, 2015, actuarial valuation for the Employee Group Plan, the Projected Unit Credit actuarial cost method was used. The actuarial assumptions included a 3.75% investment rate of return (net of administrative expenses) and an annual healthcare cost trend rate of 6.5% initially. The rate decreases to 6% in fiscal year 2016, and then reduces by decrements to an ultimate rate of 4.7% in fiscal year 2050. All rates include a 2.5% inflation assumption. The unfunded actuarial accrued liability is being amortized as a level percentage of payroll on a closed basis over a 30-year period beginning with July 1, 2007. Payroll is assumed to grow at a rate of 3 percent.

NOTE 11. ON-BEHALF PAYMENTS

During the year ended June 30, 2016, the State of Tennessee made payments of \$6,488 on behalf of THDA for retirees participating in the Medicare Supplement Plan. The Medicare Supplement Plan is a postemployment benefit healthcare plan and is discussed further in Note 10. The plan is reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

NOTE 12. PAYMENTS TO PRIMARY GOVERNMENT

From time to time, the State of Tennessee has called upon the agency and its resources, together with resources of other departments, agencies, and organizations in state government, to provide funds to the State General Fund to balance the state budget. The following is a description of these occurrences in relationship to the agency. On June 30, 1995, \$15,000,000 from the agency's Housing Program Reserve Fund was transferred to the State General Fund. On June 30, 1998, \$43,000,000 was transferred from the agency to the State General Fund. The \$43,000,000 transferred from the agency came from the following resources of the agency: (i) \$15,459,157 from tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. On June 30, 2002, a transfer from the agency to the primary government in the

amount of \$35,367,449 was made from the Assets Fund for the sole purpose of meeting the requirements of funding the operations of the primary government for the year ended June 30, 2002.

SUMMARY OF MORTGAGE INSURANCE AND GUARANTEE PROGRAMS**Introduction**

All first lien Program Loans made or purchased by THDA with proceeds of Bonds issued under the General Resolution are expected to be (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, or (b) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who, at the time of closing, have an acceptable equity interest in the property based on the lesser of appraised value or the sale price. However, under the General Resolution, some or all of these requirements may be modified by a Supplemental Resolution with respect to Program Loans financed with the proceeds of Bonds subsequently issued pursuant to such Supplemental Resolution.

Originating Agents are responsible for obtaining Veteran's Administration ("VA") or U.S. Department of Agriculture, Rural Development ("USDA/RD") guarantees, Federal Housing Administration ("FHA") insurance certificates or private mortgage insurance certificates as part of the process of originating and closing THDA Program Loans. Borrowers pay the costs associated with such insurance certificates or guarantees.

The following descriptions of certain mortgage insurance programs and loan guarantee programs are all only brief outlines and do not purport to summarize or describe all provisions of each respective program. For a more complete description of these programs, refer to the contract provisions embodied in FHA, USDA/RD (formerly FmHA) and VA regulations, respectively, and to the regulations, master insurance contracts and other such information from the private mortgage insurance providers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ primarily upon whether the property contains five or more dwelling units or less than five such units and whether the property is designed for occupancy by low and moderate income families.

The National Housing Act of 1934, as amended, imposes a minimum cash requirement for purchase money mortgages of 3.5% of the lesser of appraised value or sales price, resulting in a maximum loan to value percentage of 96.5%.

Under the FHA programs which insure THDA's Program Loans, insurance benefits generally are payable only upon foreclosure (or other acquisition of possession) and conveyance of the property to the United States Department of Housing and Urban Development ("HUD"). The FHA insurance proceeds available under these programs upon conveyance of the property to HUD is equal to 100% of the outstanding principal balance of the Program Loan, plus interest and certain additional costs and expenses.

Under some FHA insurance programs, HUD pays insurance claims in cash unless the mortgage lender specifically requests payment in debentures issued by HUD. Under other programs, HUD, at its option, may pay insurance claims in cash or in such debentures. Currently, HUD makes insurance payments on mortgages covering less than five dwelling units in cash when it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debentures interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the mortgage, whichever rate is higher.

When FHA insurance benefits are paid after foreclosure (or other acquisition of possession) and conveyance, the amount paid is computed as of the date of default by the borrower, as defined in HUD regulations, and the mortgage lender generally is not compensated for mortgage interest accrued and unpaid prior to that date. When FHA insurance benefits are paid under such circumstances, the insurance payment made is generally equal to the unpaid principal amount of the Program Loan, adjusted to reimburse the mortgage lender for certain tax, insurance and similar payments made by it and to deduct certain amounts received or retained by the mortgage lender after default, plus reimbursement not to exceed a specified percentage of the mortgage lender's foreclosure costs as determined by HUD based on certain criteria. The regulations under the FHA insurance programs which insure THDA's Program Loans provide that the insurance payment itself shall bear interest from the date of default to the date of payment of the claim at an interest rate equal to the monthly average yield, for the month in which the default occurred, on United States Treasury securities adjusted to a constant maturity of 10 years.

When any property conveyed to HUD has been damaged by fire, earthquake, flood or tornado, it is generally required, as a condition to payment of an insurance claim, that the property be repaired by the mortgage lender prior to such conveyance or assignment.

To obtain title to and possession of the property upon foreclosure, the Trustee and the Servicer act under the power of sale provisions in the deed of trust, subject to constraints imposed by applicable state law and by HUD. HUD currently requires that, absent the consent of the borrower, at least three full monthly installments be due and unpaid under the deed of trust before the mortgage lender may initiate any action leading to foreclosure under the deed of trust. HUD also requires a face-to-face conference between the mortgage lender and the borrower in an effort to cure the delinquency without foreclosure. In any case, these requirements do not apply where the borrower has voluntarily abandoned the property, in which case, the mortgage lender may immediately initiate foreclosure proceedings (subject to applicable state law notice provisions).

Veterans Administration Guaranty Program

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances, the veteran's spouse or certain qualified reservists) to obtain a Program Loan guaranty from the VA covering the purchase of a one-to-four family dwelling unit at interest rates permitted by the VA. The program has no loan limits, requires no down payment from the purchaser and permits the guaranty of Program Loans of up to thirty years duration. The maximum guaranty that may be issued by the VA under this program is the lesser of the veteran's available entitlement or the statutory maximum guaranty based on date of origination, type of housing unit and loan amount. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage lender will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of a property is greater than the original guaranty, as adjusted. The VA may, at its option, and without regard to the guaranty, make full payment to a mortgage lender of unsatisfied indebtedness on a mortgage upon its assignment to the VA.

United States Department of Agriculture, Rural Development (formerly Farmers Home Administration)

Guaranteed Rural Housing Program

The Cranston-Gonzalez National Affordable Housing Act of 1990 revised and expanded the interest assistance program for guaranteed loans under Section 502 of Title V of the Housing Act of 1949, as amended, by creating the Guaranteed Rural Housing Loan Program. The guaranty covers the lesser of (a) any loss equal to 90% of the original principal amount of the loan or (b) any loss in full up to 35% of the original principal amount of the loan plus any additional loss on the remaining 65% to be shared approximately 85% by USDA/RD and approximately 15% by THDA.

Private Mortgage Insurance Programs

General

Program Loans are permitted under the General Resolution when insured under private mortgage insurance programs as described below.

Private mortgage insurance policies insure against certain losses sustained by reason of default in payments by borrowers. Under most policies, delinquencies must be reported to the insurer within two (2) months of default, and proceedings to recover title must, generally, be commenced within nine (9) months of default. It is standard practice for private mortgage insurers to require that the mortgage lender, prior to presenting a claim under the mortgage insurance policy, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the borrower. When such a claim is presented, the private mortgage insurer will normally retain the option to pay the claim in full and take title to the property and arrange for its sale, or to pay the insured percentage of the claim and allow the insured mortgage lender to retain title to the property. The amount of loss payable generally includes the principal balance due under the mortgage, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced, expenses incurred in the preservation of the insured property, and other expenses necessarily incurred in the recovery proceedings.

Notwithstanding the foregoing, THDA does not expect to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance.

DESCRIPTION OF AGREEMENTS WITH ORIGINATING AGENTS AND SERVICERS**Working Agreements**

THDA has working agreements with each of its Originating Agents (the "Working Agreements"). Under the Working Agreements, THDA reviews and makes or purchases approved Program Loans which have been originated and processed by an Originating Agent.

Each Working Agreement also contains certain representations and warranties by the Originating Agent regarding the Program Loan applications submitted to THDA to the effect that the Originating Agent has no adverse information regarding the credit or reputation of the applicant nor adverse information concerning the real property to be mortgaged that would materially lessen THDA's security or detract from the subsequent marketability of the Program Loan. Each Originating Agent further represents and warrants that it will receive and process for THDA all applications by applicants for Program Loans who qualify as lower and moderate income persons.

The Working Agreement requires that Program Loans meet all requirements contained in THDA's rules and regulations and the O. A. Guide (as defined below). These requirements include, among other things:

- (1) a deed of trust securing the Program Loan in a form approved by THDA which creates a valid first lien or other approved lien on the property;
- (2) for FHA insured or VA or USDA/RD guaranteed Program Loans, all FHA, VA or USDA/RD rules, regulations and requirements must be met;
- (3) evidence of title satisfactory to THDA;
- (4) an original hazard insurance policy, delivered at closing, which covers the property subject to the Program Loan, names THDA as first mortgagee, and is in an amount not less than the greater of 90% of the insurable value of the improvements on the property or the full amount of the Program Loan; and
- (5) such other documents as are necessary to comply with the federal tax code.

Penalties may be imposed on Originating Agents for violating the Working Agreements. At the option of THDA, Originating Agents may also be required to purchase a Program Loan from THDA when there is a violation under the Working Agreement with respect to the Program Loan. THDA may terminate Working Agreements upon notice, with or without cause or, at its election, temporarily suspend Originating Agent's privilege to originate Program Loans as a result of inadequate performance.

Guide for Originating Agents

THDA provides each Originating Agent with a Guide for Originating Agents (the "O. A. Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax code requirements. The O. A. Guide sets forth requirements and procedures for originating, processing and closing Program Loans. The Guide includes a procedural checklist to be followed by the Originating Agent and copies of all THDA forms required in originating, processing and closing Program Loans.

Servicing Agreements

THDA currently has an agreement with U.S. Bank (the "Servicer") to service Program Loans (the "Servicing Agreement"). U.S. Bank services approximately 93% of THDA's entire portfolio of mortgage loans made or purchased with bond proceeds. The Servicing Agreement provides for the collection and remittance of Program Loan payments to THDA or a designated depository. Prior to remittance, the Servicer deducts a servicing fee, late charges and amounts to be held in escrow accounts for real property taxes, mortgage and hazard insurance premiums, and assessments. The servicing fee under the current Servicing Agreement is 3/8% annually. The Servicer is required to notify THDA in the event of any default on a Program Loan, and the Servicer may conduct foreclosure proceedings with the consent and at the expense of THDA. The Servicer is required to repurchase any Program Loan from THDA at any time THDA

suffers or is threatened with a material loss by reason of the Servicer's failure to perform its obligations under the Servicing Agreement. THDA may also terminate a Servicing Agreement for inadequate performance by the Servicer.

THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. THDA anticipates servicing all new production beginning later in 2017. Thereafter, THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

Guide for Servicers

THDA provides each Servicer with a Guide for Servicers (the "Servicer Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax requirements. The Servicer Guide includes substantive servicing requirements, incorporates the limitation on assumption of mortgages contained in the federal tax code, and specifies the procedures to be followed by the Servicer to comply with THDA requirements and the federal tax code. The Servicer Guide also includes a list of the documents that must be maintained by the Servicer, copies of all THDA's servicing and loan assumption forms, together with instructions for their completion and a schedule for the submission of the required forms and reports to THDA.

THDA requires monthly reports from Servicers. Each Servicer's performance is monitored and its servicing record is subject to examination by THDA's staff. Examinations are performed monthly from documentation received from the Servicer.

Special Programs

For certain special programs, THDA may elect to enter into joint agreements for originating and servicing Program Loans made under such special programs. Any such joint agreements are substantially similar to the Working Agreements and Servicing Agreements described hereinabove.

(A) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, Bondholder consent, payment and exchange of Bonds, and the giving of notices of Bondholders as required by the provisions of this Resolution, a Supplemental Resolution may provide that all or a portion of Bonds shall be issued as book-entry only Bonds and registered in the name of a central securities depository or its nominee (the "Central Securities Depository"), in which case matters relating to registration, ownership, transfer, consent, payment and exchange of Bonds, and relating to the giving of notices to Bondholders as required by the provisions of this Resolution, shall be governed by the operational arrangements of such Central Securities Depository.

(B) With respect to Bonds registered in the registry books kept by the Trustee in the name of a Central Securities Depository, THDA and the Trustee shall have no responsibility or obligation to any participant or to any beneficial owner. Without limiting the immediately preceding sentence, THDA and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Central Securities Depository or any participant with respect to any ownership interest in the Bonds, (ii) the delivery to any participant, any beneficial owner or any other person other than the Central Securities Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than the Central Securities Depository, of any amount with respect to the principal of or premium, if any or interest on the Bonds. THDA and the Trustee may treat as and deem the Central Securities Depository to be the absolute owner of each Bond, for the purpose of payment of the principal of and premium and interest on such Bond for the purpose of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Central Securities Depository, and all such payments shall be valid and effective to fully satisfy and discharge THDA's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than the Central Securities Depository shall receive an authenticated Bond evidencing the obligation of THDA to make payments of principal of and premium, if any, and interest pursuant to this Resolution. Upon delivery by the Central Securities Depository to the Trustee of written notice to the effect that the Central Securities Depository has determined to substitute a new nominee, and subject to the provisions herein with respect to consents, the words "Central Securities Depository" in this Resolution shall refer to such new nominee of the Central Securities Depository.

(C) Upon receipt by THDA and the Trustee of written notice from the Central Securities Depository to the effect that the Central Securities Depository is unable or unwilling to discharge its responsibilities and no substitute the Central Securities Depository can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of THDA kept by the Trustee in the name of the Central Securities Depository, but may be registered in whatever name or names the beneficial owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(D) In the event THDA determines that it is in the best interests of the beneficial owners that they be able to obtain Bond certificates and subject to the operational arrangements of such Central Securities Depository, THDA may notify the Central Securities Depository and the Trustee, whereupon the Central Securities Depository will notify the participants, of the availability through the Central Securities Depository of Bond certificates. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by the Central Securities Depository and any other Bondowners in appropriate amounts, and whenever the Central Securities Depository requests THDA and the Trustee to do so, the Trustee and THDA will cooperate with the Central Securities Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bond to any Central Securities Depository participant having Bonds credited to its Central Securities Depository account or (ii) to arrange for another Central Securities Depository to maintain custody of certificates evidencing the Bonds.

(E) In connection with any notice of other communication to be provided to Bondholders pursuant to this Resolution by THDA or the Trustee with respect to any consent or other action to be taken by Bondholders, THDA or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Central Securities Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(F) Any transfer of a Bond affected in accordance with this Section 3.7 shall be subject to applicable laws of the State.

Section 3.8. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, THDA shall execute and the Trustee shall authenticate a new Bond of like interest rate, maturity, principal amount and other terms as the Bond so mutilated, destroyed, stolen or lost. In the case of a mutilated Bond, such new Bond shall be delivered only upon surrender and cancellation of such mutilated Bond. In the case of Bonds issued in lieu of and substitution for a Bond which have been destroyed, stolen or lost, such new Bond shall be delivered only upon filing with the Trustee of evidence satisfactory to establish to THDA and the Trustee that such Bond have been destroyed, stolen or lost and to prove the ownership thereof and upon furnishing THDA and the Trustee with indemnity satisfactory to them. The person requesting the authentication and delivery of a new Bond pursuant to this Section shall comply with such other reasonable regulations as THDA and the Trustee may prescribe and pay such expenses as THDA and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be cancelled by it and evidence of such cancellation shall be given to THDA.

Section 3.9. Preparation of Definitive Bonds; Temporary Bonds.

(A) Definitive Bonds shall be typed, lithographed or printed on steel engraved borders; provided, that Bonds which are held by a Central Securities Depository shall be in form acceptable to such Central Securities Depository. Until definitive Bonds are prepared THDA may execute and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bonds are issued, in denominations of \$5,000 or such other denomination as may be authorized for such Bonds or any multiple thereof, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. Upon surrender of such temporary Bonds for exchange and cancellation, THDA at its own expense shall prepare and execute and, without charge to the holder thereof, deliver in exchange therefor, at the corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution.

(B) All temporary Bonds surrendered in exchange for definitive Bonds shall be forthwith cancelled by the Trustee.

Section 3.10. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with

all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be cremated or otherwise destroyed by the Trustee, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its authorized officers describing the Bonds so cremated or otherwise destroyed, and one executed Certificate shall be filed with THDA and the other executed Certificate shall be retained by the Trustee. Notwithstanding the foregoing, Bonds purchased by THDA shall not be cancelled to the extent that upon such purchase THDA shall have delivered to the Trustee (i) a Certificate of an Authorized Officer to the effect that such Bond shall be purchased but not cancelled and (ii) in the event the interest on such Bonds is excludable from gross income for purposes of federal income taxation, a Bond Counsel's Opinion to the effect that the failure to cancel such Bond will not, in and of itself, adversely affect such excludability.

Section 3.11. Execution and Authentication.

(A) After their authorization by a Supplemental Resolution, Bonds of a Series may be executed by or on behalf of THDA and delivered to the Trustee for authentication. The Bonds shall be executed in the name and on behalf of THDA by the manual or facsimile signature of the Chairman, Vice Chairman or Executive Director of THDA and the corporate seal of THDA (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon, and attested by the manual or facsimile signature of any other Authorized Officer, or in such other manner as may be required by law. In case any one or more of the officers or employees who shall have signed or sealed any of the Bonds shall cease to be such officer or employee before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office or be so employed. Any Bonds of a Series may be signed and sealed on behalf of THDA by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or employment by THDA, although the date of the Bonds of such Series such persons may not have been so authorized or have held such office or employment.

(B) The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Resolution authorizing such Bonds, executed manually by the Trustee. No Bond shall be entitled to any right or benefit under this Resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of THDA shall be conclusive evidence that the Bond so authenticated and delivered under this Resolution and that the holder thereof is entitled to the benefits hereof.

ARTICLE IV

APPLICATION OF BOND PROCEEDS AND OTHER AMOUNTS

Section 4.1. Application of Bond Proceeds, Accrued Interest and Premium. The proceeds of sale of any Series of Bonds, other than the proceeds of Refunding Bonds, shall, as soon as practicable upon the delivery thereof by the Trustee pursuant to Section 2.6 be applied as follows:

(1) the amount, if any, necessary to cause the amount on deposit in the Bond Reserve Fund to at least equal the Bond Reserve Fund Requirement immediately following the time of such delivery shall be deposited in the Bond Reserve Fund, together with such additional amount, if any, as may be specified in the Supplemental Resolution authorizing such Series; and

(2) the balance remaining after such deposit has been made shall be applied as specified in the Supplemental Resolution or as provided in a Certificate of an Authorized Officer.

Section 4.2. Application of Amounts in the Loan Fund. No amount in the Loan Fund shall be expended or applied for the purpose of financing Program Loans except upon compliance with the provisions of subsection 5.2(C). In addition, no Program Loan shall be financed unless such Program Loan (i) complies in all respects with the Act in effect on the date of financing and (ii) complies with any additional program covenants or requirements contained in the related Supplemental Resolution.

Section 4.3. Application of Proceeds of Refunding Bonds. The proceeds of the Refunding Bonds of a Series shall be deposited in the Redemption Account or the Debt Service and Expense Account as provided in the Supplemental Resolution authorizing such Bonds.

Section 4.4. Deposits. Except as provided in Sections 2.7 and 12.1 and subject to the right of THDA to direct the deposit of funds, whenever such amounts are not invested in Investment Securities, the Trustee shall, if permitted by law, deposit amounts or cause amounts to be deposited from any Fund held by the Trustee or under its control pursuant to the terms of this Resolution in interest-bearing time deposits or certificates of deposit, or may enter into repurchase agreements or make other similar banking arrangements with itself or a member bank or banks of the Federal Reserve System or a bank, the deposits of which are insured by the Federal Deposit Insurance Corporation or its successor. Each such interest-bearing time deposit, repurchase agreement or certificate of deposit or other similar banking arrangement shall permit the moneys so placed to be available at the times at which moneys are needed by THDA to be expended and, except to the extent that any such deposits shall be insured by the United States of America or the Federal Deposit Insurance Corporation, or its successor, on terms which in the judgment of THDA (as expressed in written instructions to the Trustee) provide reasonable liquidity, all moneys in each such interest-bearing time deposit, certificate of deposit, repurchase agreement or other similar banking arrangement shall be either continuously and fully secured under the laws of the State as determined by Board of Directors of THDA by Investment Securities (or other obligations rated in either of the two highest rating categories by a nationally recognized rating service) having a market value equal at all times to the amount of the interest-bearing time deposit, repurchase agreement, certificate of deposit or other similar banking arrangement. Notwithstanding the foregoing, repurchase agreements and other similar arrangements may also be entered into with government bond dealers reporting to, trading with and recognized as primary dealers by a Federal Reserve Bank and may be entered into with any other person if (i) all amounts payable thereunder, are fully and continuously secured by Investment Securities of the type described in clauses (1) through (6) of the definition thereof in Section 1.2, (ii) the Trustee shall receive confirmation that such securities are being held for the benefit (and subject to the direction) of the Trustee by a national bank or member bank of the Federal Reserve System other than the obligor under such arrangement and (iii) the market value of the Investment Securities being held shall be maintained at a level sufficient to maintain the then current rating on the Bonds by each Rating Agency.

Section 4.5. Investment of Certain Funds.

(A) Subject to the right of THDA to direct the investment or deposit of funds hereunder in accordance with this Section, moneys in any Fund shall be continuously invested and reinvested or deposited and redeposited in the highest yield Investment Securities that may be reasonably known to the Trustee, with a view toward maximizing current return (with proper preservation of principal) and minimizing the instances of uninvested funds. THDA shall consult with the Trustee from time to time as to the investment of amounts in the Funds established or confirmed by this Resolution. THDA may direct the Trustee to, or in the absence of direction, the Trustee shall, invest and reinvest the moneys in any Fund in Investment Securities in accordance with this Section and toward the objective that the maturity date or date of redemption at the option of the holder thereof shall coincide as nearly as practicable with the times at which moneys are needed to be so expended.

(B) Investment Securities purchased as an investment of moneys in any Fund held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund but, except as may be otherwise provided for amounts deposited in the Redemption Fund in connection with the issuance of Refunding Bonds, the income or interest earned and gains realized in excess of losses suffered by a Fund due to the investment thereof shall be deposited as Non-Mortgage Receipts in the Non-Mortgage Receipts Account or shall be credited as Non-Mortgage Receipts to the Non-Mortgage Receipts Account from time to time and reinvested.

(C) The Trustee shall sell at the best price obtainable, or present for redemption or exchange, any Investment Security purchased by it pursuant to this Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund for which such investment was made or whenever, in the discretion of THDA, any such sale or presentment is necessary in compliance with Section 7.9. The Trustee shall advise THDA in writing, on or before the twentieth day of each calendar month, of all investments held for the credit of each Fund in its custody under the provisions of this Resolution as of the end of the preceding month.

Section 4.6. Valuation and Sale of Investments.

(A) In computing the amount in any Fund, obligations purchased as an investment of moneys therein shall be valued at market, except that for purposes of determining the Bond Reserve Fund Requirement, Investment Securities shall be valued at amortized value. Amortized value means par, if the obligation was purchased at par, or, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation after such purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a

premium or adding the amount thus calculated for each interest payment date after such purchase to the purchase price in the case of an obligation purchased at a discount. Valuation shall be made as soon as practicable prior to each Interest Payment Date and at any other time required hereunder, and on any particular date shall not include the amount of interest then earned or accrued to such date on any investment.

(B) Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption, any Investment Security whenever it shall be requested in writing by an Authorized Officer to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund held by it. An Investment Security may be credited on a pro-rata basis to more than one Fund and need not be sold in order to provide for the transfer of amounts from one Fund to another.

ARTICLE V

FUNDS

Section 5.1. Establishment of Funds.

(A) THDA hereby establishes and creates the following special trust funds:

- (1) Loan Fund;
- (2) Revenue Fund; and
- (3) Bond Reserve Fund.

(B) All such Funds shall be held and maintained by the Trustee and shall be identified by THDA and the Trustee according to the designations herein provided in such manner as to distinguish such Funds from the Funds established by THDA for any other of its obligations. All moneys or securities held by the Trustee pursuant to this Resolution shall be held in trust and applied only in accordance with the provisions of this Resolution and the Act.

(C) This Resolution contemplates the establishment of Subaccounts within the Funds created pursuant to this Resolution. In addition to the Subaccounts established hereunder, the Trustee may from time to time, establish, close and reestablish such additional Funds, Accounts or Subaccounts as may be requested by THDA for convenience of administration of the Program and as shall not be inconsistent with the provisions of this Resolution. Notwithstanding anything in this Resolution to the contrary, including Section 2.2 hereof, to the extent provided in a Supplemental Resolution authorizing a Series of Bonds, THDA may cause the Trustee to establish a Subaccount into which the net proceeds of such Series of Bonds shall be deposited, held, applied and invested separate and apart from all other funds on deposit hereunder and such Supplemental Resolution may provide that initial proceeds of such Bonds on deposit therein are pledged solely to certain of the Bonds of such Series.

Section 5.2. Loan Fund.

(A) There shall be deposited from time to time in the Loan Fund any amount required to be deposited therein pursuant to this Resolution and any other amounts determined to be deposited therein from time to time.

(B) Amounts in the Loan Fund shall be expended only (i) to finance Program Loans, in accordance with Section 4.2; (ii) to pay Costs of Issuance; (iii) to make deposits in the Debt Service and Expense Account, representative of capitalized interest, in the manner provided in subsection (D) of this Section; (iv) to redeem Bonds in accordance with subsection (E) of this Section; and (v) to provide amounts for deposit in the Debt Service and Expense Account in accordance with subsection (F) of this Section. All Program Loans financed by application of amounts in the Loan Fund shall be credited to the Loan Fund.

(C) THDA shall maintain accurate records in the office of THDA describing for each Program Loan the amounts applied to the financing of such Program Loan and the persons and dates related to such payments. Upon the direction by THDA to apply amounts on deposit to the financing of Program Loans an Authorized Officer shall certify that, as to the Program Loans expected to be financed (i) the terms of such Program Loans will conform to the description of the Program Loans to be financed from such amount as set forth in the most recent Projected Cash Flow Statement delivered to the Trustee and (ii) such Program Loans will comply with the provisions of Section 4.2. The

Trustee shall pay out and permit the withdrawal of amounts on deposit in the Loan Fund at any time for the purpose of making payments pursuant to this Section only upon receipt of:

(1) a written requisition setting forth the amount to be paid, the person or persons to whom such payment is to be made (which may be or include THDA) and, in reasonable detail, the purpose or purposes of such withdrawal; and

(2) a Certificate of an Authorized Officer identifying such requisition and stating that the amount to be withdrawn from the Loan Fund pursuant to such requisition is a proper charge thereon.

(D) At least one day prior to each Interest Payment Date THDA shall deliver to the Trustee a Certificate of an Authorized Officer setting forth the amount necessary, in the opinion of such Authorized Officer, to pay interest on the Bonds of each Series from the amount on deposit in the Loan Fund, after giving effect to the actual and expected application of amounts therein to the financing of Program Loans as of the date of such Certificate. Upon receipt of such Certificate the Trustee shall transfer the amount so stated for each Series to the Debt Service and Expense Account, but only to the extent that the cumulative amount of such transfers does not exceed for each Series the amount stated as necessary to be reserved in the Loan Fund for the purpose of paying capitalized interest pursuant to the Projected Cash Flow Statement delivered in connection with the delivery of such Series pursuant to subsection 7.11 plus the amount, if any, certified by an Authorized Officer as available for such purpose from amounts originally reserved in the Loan Fund for the payment of capitalized interest and Costs of Issuance with respect to other Series in excess of the amounts actually required therefor.

(E) At any time THDA may direct the Trustee in writing to transfer amounts in the Loan Fund to the Redemption Account or to apply such amounts directly to the redemption, purchase or retirement of Bonds in accordance with their terms and the provisions of Article VI.

(F) THDA may at any time direct the Trustee to transfer amounts in the Loan Fund to the Revenue Fund, but only if there is delivered to the Trustee a Projected Cash Flow Statement showing the amount to be so transferred and that, after giving effect to such transfer, such Statement complies with subsection 7.11(C).

Section 5.3. Revenue Fund.

(A) The Trustee shall establish and create within the Revenue Fund three Accounts into which amounts shall be deposited and from which amounts shall be transferred as provided in this Section. These Accounts shall be designated as the Debt Service and Expense Account, the Redemption Account and the Non-Mortgage Receipts Account. THDA shall cause all Revenues to be deposited promptly with the Trustee (at least monthly) and such amounts shall be deposited in the Debt Service and Expense Account. There shall also be deposited in the Debt Service and Expense Account any other amounts required to be deposited therein pursuant to this Resolution.

(B) The Trustee shall pay out of the Debt Service and Expense Account to the respective Paying Agents for any of the Bonds (i) on or before each Interest Payment Date, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date and (ii) on or before the Redemption Date or date of purchase, the amounts required for the payment of accrued interest on Outstanding Bonds redeemed or purchased for retirement, unless the payment of such accrued interest shall be otherwise provided for, and in each such case, such amounts shall be applied by such Paying Agents to such payments. Upon receipt of appropriate requisitions and certificates reflecting such payment in the form prescribed by subsection 5.2(C), amounts on deposit in the Debt Service and Expense Account may be applied to the payment of accrued interest in connection with the financing of any Program Loan.

(C) Prior to the forty-fifth day preceding the due date of each Sinking Fund Payment, any amount accumulated in the Debt Service and Expense Account up to the unsatisfied balance of such Sinking Fund Payment may, and if so directed in writing by an Authorized Officer of THDA shall, be applied (together with amounts accumulated in the Revenue Fund with respect to interest on the Bonds for which such Sinking Fund Payment was established) by the Trustee as follows:

(1) to the purchase of Bonds of the Series and maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price for such Bonds when such Bonds are redeemable by application of said Sinking Fund Payment plus unpaid interest

accrued to the date of purchase, such purchases to be made in such manner as the Trustee shall determine; or

(2) to the redemption, pursuant to Article VI, of such Bonds if then redeemable by their terms at the Redemption Price referred to in clause (1) hereof.

(D) Upon the purchase or redemption of any Bond pursuant to subsection (C) of this Section, an amount equal to the principal amount of the Bond so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption. The portion of any Sinking Fund Payment remaining after the crediting thereto of any such amounts and of any amounts to be credited thereto as provided in subsection (K) of this Section (or the original amount of any such Sinking Fund Payment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Payment for the purpose of calculating Sinking Fund Payments due on a future date.

(E) As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall proceed to call for redemption pursuant to Section 6.3, on such due date, Bonds of the Series and maturity for which such Sinking Fund Payment was established in such amount as shall be necessary to complete the retirement of a principal amount of the Bonds of such maturity equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Debt Service and Expense Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date. The Trustee shall pay out of the Debt Service and Expense Account to the appropriate Paying Agents on the date preceding each such Redemption Date the amount required for the redemption of the Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(F) Upon delivery by THDA to the Trustee of a Certificate of an Authorized Officer which states the amount then on deposit in the Debt Service and Expense Account, the Trustee shall promptly transfer from the Debt Service and Expense Account an amount equal to the amount stated in such Certificate as follows:

FIRST: From amounts representing principal payments on Program Loans, the amount, if any, as shall be required by the Code to be applied to the redemption of Bonds shall be transferred to the Redemption Account.

SECOND: From the amount, if any, so available after the transfer provided above has been made, the amount, if any, as shall be required to make any arbitrage rebate payment to the United States of America as required by the Code shall be transferred to THDA to be applied to such payment.

THIRD: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, by which the amount on deposit in the Bond Reserve Fund is less than the Bond Reserve Fund Requirement shall be transferred to the Bond Reserve Fund.

FOURTH: From the amount, if any, so available after the transfers provided above have been made, the amount needed to pay reasonable and necessary Program Expenses which are due and owing shall be transferred to THDA, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

FIFTH: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, to be transferred to the Loan Fund shall be so transferred, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

SIXTH: From the amount, if any, so available after any transfers provided for above have been made, the remaining amount may be transferred to the Redemption Account upon the direction of THDA and thereafter applied in accordance with subsection (I) of this Section. If the amount of Program Loans (valued at par) and

Investment Securities held by the Trustee hereunder (other than Investment Securities in the Redemption Account) valued in accordance with this Resolution, is greater than 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, then the amount remaining, up to such excess above the 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, may be withdrawn from the Debt Service and Expense Account at any time during the then current Fiscal Year, upon receipt by the Trustee of a Certificate to such effect from an Authorized Officer of THDA, to be applied to any purpose of THDA consistent with Section 7.9, free and clear of the lien of any pledge of this Resolution, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

(G) Notwithstanding any other provision of this Section, the Trustee may at any time, upon the written direction of an Authorized Officer, (i) make transfers from the Debt Service and Expense Account to the Bond Reserve Fund, or the Redemption Account or (ii) make payments to THDA for the purpose of paying reasonable and necessary Program Expenses for the then current Fiscal Year. No such transfer or payment shall be made, however, unless such withdrawal is in an amount less than or equal to the amount of such withdrawal as set forth in the most recent Projected Cash Flow Statement.

(H) Notwithstanding the provisions of subsection (A) of this Section, no payments shall be required to be made into the Debt Service and Expense Account so long as the amount on deposit therein shall be sufficient to pay all Outstanding Bonds (including the Sinking Fund Payments for the retirement thereof) in accordance with their terms and the Bonds have been defeased in accordance with Section 12.1 hereof; any Revenues thereafter received by THDA may be applied to any corporate purpose of THDA free and clear of the lien of the pledge of this Resolution.

(I) There shall be deposited in the Redemption Account any amounts which are required to be deposited therein pursuant to this Resolution and any other amounts available therefor and determined by THDA to be deposited therein. Subject to the provisions of the respective Series of Bonds and to the provisions of the respective Supplemental Resolutions authorizing the issuance thereof and authorizing the issuance of Refunding Bonds, all amounts deposited in the Redemption Account shall be applied to the payment, purchase or redemption of Bonds, at the earliest practicable Redemption Date. Subject to the provisions of this Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply any amounts deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in this Section and Article VI. Any earnings derived from the investment of amounts deposited in the Redemption Account pursuant to Section 2.7 shall, to the extent required to provide amounts sufficient for the payment or redemption of Bonds in accordance with the conditions for issuance of Refunding Bonds set forth in said Section, be deposited in the Redemption Account. Amounts on deposit in the Redemption Account for the payment, purchase or redemption of any particular Bonds in accordance with the provisions of any Supplemental Resolution authorizing the issuance of Refunding Bonds, including amounts derived from the investment thereof as provided in this subsection, shall be segregated and shall be identified as such on the records of the Trustee.

(J) Except as may be otherwise provided in connection with the issuance of Refunding Bonds, at any time prior to the forty-fifth day upon which Bonds are to be paid or redeemed from such amounts, the Trustee may apply amounts in the Redemption Account to the purchase of any of the Bonds which may be paid or redeemed by application of amounts on deposit therein. THDA may, however, by delivery to the Trustee of written instructions to such effect signed by an Authorized Officer, require or prohibit such purchases in the discretion of THDA. The Trustee shall purchase Bonds at such times, for such prices, in such amounts and in such manner as THDA shall from time to time direct or, in the absence of such direction, as the Trustee may determine in its sole discretion and as may be possible with the amounts then available therefor. The purchase price paid by the Trustee (excluding accrued interest but including any brokerage and other charges) for any Bond purchased shall not exceed the principal amount of such Bond unless such Bond may be redeemed in accordance with this Resolution on any date or dates within thirteen months after such purchase, in which event such purchase price shall not exceed the highest Redemption Price payable on any such date upon the redemption of such Bond. In the event the Trustee is able to purchase Bonds at a price less than the Redemption Price at which such Bonds were to be redeemed, then, upon the payment by the Trustee of the purchase price of such Bonds, the Trustee shall transfer the difference between the amount of such purchase price and the amount of such Redemption Price, and deposit the same in the Debt Service and Expense Account within the Revenue Fund.

(K) Upon the purchase or redemption of Bonds for which Sinking Fund Payments have been established from amounts in the Redemption Account, there shall be credited toward each such Sinking Fund Payment thereafter to become due an amount as nearly as may be practicable in multiples of \$5,000 (or such other denomination as shall be authorized for the related Series of Bonds) bearing the same ratio to such Sinking Fund Payment, as the total principal amount of such Bond so purchased or redeemed bears to the total amount of all such Sinking Fund Payments to be credited. If, however, there shall be filed with the Trustee written instructions of an Authorized Officer specifying a different method for crediting Sinking Fund Payments upon any such purchase or redemption of Bonds, then such Sinking Fund Payments shall be credited as shall be provided in such instructions.

(L) Except as otherwise specifically provided herein, the Trustee shall have no obligation to purchase or attempt to purchase Bonds at a price below the Redemption Price or at any other price and any arm's length purchase by the Trustee shall conclusively be deemed fair and reasonable.

(M) All Non-Mortgage Receipts shall be deposited, promptly upon receipt by the Trustee, in the Non-Mortgage Receipts Account. The Trustee shall maintain records sufficient to determine the average daily balance of the amounts on deposit in the Loan Fund and the Bond Reserve Fund and the Debt Service and Expense Account and Redemption Account in the Revenue Fund (referred to in this Section as the "average daily balance"). If so directed by THDA, the Trustee shall maintain such for each Series of Bonds separately.

(N) Not later than each Interest Payment Date, the Trustee shall transfer from the Non-Mortgage Receipts Account to the Debt Service and Expense Account an amount equal to the lesser of (i) the amount needed to enable the Trustee to pay Debt Service on the Bonds on such Interest Payment Date and (ii) the balance then on deposit in the Non-Mortgage Receipts Account. If at any time the amount available prior to any Interest Payment Date shall be insufficient for the making of the transfers provided by this Subsection, then the Trustee shall make transfers to the Debt Service and Expense Account from the Non-Mortgage Receipts Account from the first available Non-Mortgage Receipts received subsequent to such Interest Payment Date and the amount so transferred shall not reduce the amount required to be transferred prior to the next Interest Payment Date.

(O) Any amount remaining in the Non-Mortgage Receipts Account after the transfer to the Debt Service and Expense Account described in paragraph (N) above shall be transferred, at the direction of an Authorized Officer, to the Loan Fund or the Redemption Account.

Section 5.4. Bond Reserve Fund.

(A) If on any Interest Payment Date or Redemption Date for the Bonds the amount in the Revenue Fund and the Redemption Fund, if applicable, shall be less than the amount required for the payment of the Principal Installments and interest due on the Outstanding Bonds on such date, the Trustee shall apply amounts from the Bond Reserve Fund to the extent necessary to make good the deficiency.

(B) If, concurrently with any allocation from the Revenue Fund pursuant to subsection (B) or (F) or (G) of Section 5.3, the amount on deposit in the Bond Reserve Fund, shall be in excess of the Bond Reserve Fund Requirement, the Trustee may, if so directed in writing by an Authorized Officer of THDA, transfer the amount of such excess to the Redemption Account.

(C) Whenever the amount in the Bond Reserve Fund, together with the amount in the Revenue Fund, is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including the Sinking Fund Payments for the retirement thereof), amounts on deposit in the Revenue Fund shall be transferred to the Bond Reserve Fund. Prior to said transfer all investments held in the Revenue Fund shall be liquidated and any Bonds constituting a part of such Fund shall be deemed paid and cancelled.

(D) It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.1. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity shall be redeemable, upon notice as provided in this Article, at such times, at such Redemption Prices and upon such other terms as may be specified in this Resolution, in the Bonds and in the respective Supplemental Resolutions authorizing the issuance of such Bonds and authorizing the issuance of Refunding Bonds.

Section 6.2. Redemption at the Election or Direction of THDA; Conditional Notice. In the case of any redemption of Bonds otherwise than as provided in Section 6.3, THDA shall give written notice to the Trustee of its election or direction so to redeem, on the Redemption Date, the principal amounts of the Bonds of such Series and maturities to be redeemed (which Redemption Date, Series, maturities and principal amounts thereof to be redeemed shall be determined by THDA in its sole discretion, subject to any limitations with respect thereto as may be provided in a Supplemental Resolution or otherwise contained in or permitted by this Resolution) and of any moneys to be applied to the payment of the Redemption Price. Such notice shall be given at least forty-five days prior to the Redemption Date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 6.5, the Trustee, if it holds the moneys to be applied to the payment of the Redemption Price, or otherwise THDA shall, prior to the Redemption Date, pay to the appropriate Paying Agent or Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agent or Paying Agents, will be sufficient to redeem on the Redemption Date at the Redemption Price thereof all the Bonds to be redeemed; provided, however, that any election or direction to redeem Bonds may be conditional, and THDA may elect or direct that any notice of redemption given pursuant to Section 6.5 shall be made conditional, upon the deposit with the Paying Agent of such sufficient moneys or other conditions. THDA shall promptly notify the Trustee in writing of all such payments made by THDA to a Paying Agent.

Section 6.3. Redemption Otherwise Than at THDA's Election or Direction. Whenever by the terms of this Resolution, the Trustee is required to redeem Bonds otherwise than at the election or direction of THDA, and subject to and in accordance with the terms of this Article and, to the extent applicable, Article V, the Trustee shall select the Redemption Date of the Bonds to be redeemed, give the notice of redemption and pay the Redemption Price to the appropriate Paying Agents.

Section 6.4. Selection of Bonds to be Redeemed. In the event of redemption of less than all the Outstanding Bonds of like Series, interest rate and maturity, the Trustee shall assign to each such Outstanding fully registered Bond a distinctive number for each \$5,000 of the principal amount thereof so as to distinguish each such \$5,000 from each other portion of the Bonds subject to such redemption. The Trustee shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds bearing the numbers so selected; but only so much of the principal amount of each such fully registered Bond of a denomination or more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding. In the case of Appreciation Bonds, in the event that the Compounded Amount of any such Bond shall be less than \$5,000, the Trustee shall assign a number to such Bond as if the Bond had a principal amount equal to \$5,000 for purposes of this Section. If a Supplemental Resolution provides for a minimum denomination larger (or smaller) than \$5,000, all references in this Section to \$5,000 shall be deemed to refer to such larger (or smaller) minimum denomination. Notwithstanding the foregoing, Bonds that are held by a Central Securities Depository (or beneficial ownership interests in Bonds registered in the name of a Central Securities Depository or its nominee) shall be selected for redemption in accordance with the operational arrangements of such Central Securities Depository.

Section 6.5. Notice of Redemption. When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds pursuant to Section 6.2 and when redemption of Bonds is required by this Resolution pursuant to Section 6.3, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the Series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth in summary terms, the conditions precedent to such redemption and

that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository as provided in Section 3.7 hereof) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

Section 6.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 6.5 and assuming that all conditions precedent have been satisfied, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, together with, in the case of portions of Bonds, a written instrument of exchange duly executed by the registered owner or his duly authorized attorney. If there shall be drawn for redemption less than the entire principal amount of a Bond, THDA shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered at the option of the holder, Bonds of like Series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then, from and after the Redemption Date interest on the Bonds or portions thereof of such Series and maturities so called for redemption shall cease to accrue and become payable.

If any notice of redemption pursuant to Section 6.5 is given specifying that the redemption of the Bonds so called for redemption is made conditional upon the deposit of sufficient moneys to pay the Redemption Price therefor on the Redemption Date and if such moneys sufficient to pay the Redemption Price and accrued interest have not been made available by THDA to the Trustee or the appropriate Paying Agent or Paying Agents on the Redemption Date, such notice of redemption shall be cancelled and be without effect and the Bonds so called for redemption and subject to such conditional redemption notice shall continue to remain Outstanding. The Trustee shall, within two business days after the proposed Redemption Date, give notice, in the manner in which the notice of redemption was given, that such conditions were not satisfied.

ARTICLE VII PARTICULAR COVENANTS

THDA covenants and agrees with the Trustee and the holders of the Bonds as follows:

Section 7.1. Performance. THDA shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of THDA under the provisions of the Act and this Resolution in accordance with the terms of such provisions.

Section 7.2. Compliance With Conditions Precedent. The assets and revenues so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon, or with respect thereto prior to, or of equal rank with, the pledge created hereby, and all corporate or other action on the part of THDA to that end has been and will be duly and validly taken. The Bonds and the provisions

of this Resolution are and will be the valid and legally enforceable obligations of THDA in accordance with their terms and the terms of this Resolution. Section 7.4. Payment of Bonds. Section 7.5. Extension of Payment of Bonds. THDA shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any interest thereon and in the event that the maturity of any of the Bonds or the time for payment of interest thereon shall be extended, such Bonds, shall not be entitled to the benefit of this Resolution or to any payment out of the Funds established pursuant to this Resolution, including the investments, if any, thereof, or out of any assets or revenues pledged hereunder prior to benefits accorded to or the payment of the principal of all Bonds the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extension. Nothing herein shall be deemed to limit the right of THDA to issue Refunding Bonds and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 7.6. Offices for Servicing Bonds. THDA shall at all times maintain an office or agency where Bonds may be presented for registration, transfer or exchange, and where notices, presentations and demands upon THDA in respect of the Bonds or of this Resolution may be served. The Trustee shall maintain such office or agency for the registration, transfer or exchange of Bonds and for the service of such notices, presentations and demands upon THDA. THDA may appoint one or more additional or other Paying Agents as its respective agents to maintain such offices or agencies for the payment of the Bonds of any particular Series and maturity.

Section 7.7. Further Assurance. At any and all times THDA shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and assets hereby pledged or assigned, or intended so to be, or which THDA may become bound to pledge or assign.

Section 7.8. Waiver of Laws. THDA shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of any stay or extension of law not or at any time hereafter in force which may affect the covenants and agreements contained in this Resolution or in the Bonds and all benefit or advantage of any such law or laws is hereby expressly waived by THDA.

Section 7.9. Tax Covenants.

(A) Subject to subsection (C) of this Section, THDA shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the Bonds shall, for the purposes of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation.

(B) THDA shall not permit at any time or times any of the proceeds of the Bonds or any other funds of THDA to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 148(a) of the Code.

(C) Notwithstanding the foregoing, THDA hereby reserves right to elect to issue Bonds the interest on which is not exempt from federal income taxation, if such election is made prior to the issuance of such Bonds, and the covenants contained in this Section shall not apply to such Bonds.

Section 7.10. Accounts and Reports.

(A) THDA shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all of its transactions relating to the Program Loans and all Funds established by this Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the holders of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) THDA shall annually, within 210 days after the close of each Fiscal Year, file with the Trustee a copy of the financial statements of THDA for such Fiscal Year, setting forth in reasonable detail:

(1) the balance sheet for THDA and its programs, showing the assets and liabilities of the Program at the end of such Fiscal Year;

(2) a statement of THDA's revenues and expenses in accordance with the categories or classifications established by THDA for its operating and program purposes and showing the revenues and expenses of the Program during such Fiscal Year; and

(3) a statement of changes in financial position, including changes in financial position of the Program, as of the end of such Fiscal Year.

The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of THDA at the end of the Fiscal Year, the results of its operations and the changes in financial position for the period examined, in conformity with generally accepted accounting principles.

(C) If at any time during any Fiscal Year there shall have occurred an Event of Default, then THDA shall file with the Trustee, within forty-five days after the close of such Fiscal Year, a special report accompanied by an Accountant's Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Fund hereunder.

(D) Any such financial statements may be presented on a consolidated or combined basis with other reports of THDA, but only to the extent that such basis of reporting shall be consistent with that required under subsection (B) of this Section.

(E) A copy of each annual Projected Cash Flow Statement prepared in accordance with Section 7.11 hereof and any special report filed pursuant to subsection (C) of this Section and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by THDA to each Bondholder who shall have filed his name and address with THDA for such purposes.

Section 7.11. Periodic Delivery of Projected Cash Flow Statement.

(A) THDA shall file a Projected Cash Flow Statement with the Trustee (i) whenever Bonds are issued pursuant to Section 2.6, (ii) on or within thirty (30) days after THDA's filing of its financial statements as provided in Section 7.10(B), if a Projected Cash Flow Statement has not been filed within the prior year and (iii) at such other times as required by this Resolution or as may be required by a Supplemental Resolution.

(B) A Projected Cash Flow Statement shall set forth projected Revenues, Program Expenses and interest payments and Principal Installments for each year during which Bonds will be Outstanding based upon the reasonable expectations of THDA at the time such Certificate is filed. A Projected Cash Flow Statement shall set forth the assumptions upon which the estimates therein are based, which assumptions shall be based upon THDA's reasonable expectations at the time such Projected Cash Flow Statement is filed. The listing of Revenues from Program Loans and Investment Securities shall be supported by a schedule identifying the Program Loans and Investment Securities by maturity and interest rate, including Program Loans expected to be financed with amounts in the Loan Fund.

(C) A Projected Cash Flow Statement shall be considered to comply with this subsection if such Statement shows that (i) the estimated Revenues for each annual period in which Bonds will be Outstanding, together with any amount scheduled to be withdrawn from the Bond Reserve Fund (and permitted to be so withdrawn pursuant to this Resolution), will be sufficient for the payment of the estimated Debt Service and Program Expenses for such annual period, and (ii) the total assets (consisting of cash and investments, valued as provided herein, and the principal balance of Program Loans) held hereunder equal to or exceed the total liabilities of all Bonds Outstanding hereunder for each such annual period.

Section 7.12. The Program.

(A) THDA shall from time to time with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of this Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the Program,

(B) Whenever necessary in order to protect and enforce the interests and security of the holders of the Bonds, THDA shall commence foreclosure or pursue other appropriate remedies with respect to any Program Loan which is in default. In the event that THDA shall, in its discretion, determine such action to be in the best interests of the holders of the Bonds, THDA may bid for and purchase the premises covered by any such Program Loan at any foreclosure sale thereof and may otherwise take possession of or acquire such premises.

(C) THDA may at any time sell, assign or otherwise dispose of a Program Loan (or the premises to which such Program Loan related) or a Program Security:

(1) in the case of a Program Loan, in the event that payment under such Program Loan is delinquent more than ninety days or, at any time, in order to realize the benefits of insurance with respect to such Program Loan or premises;

(2) in order to obtain funds to provide for the redemption or purchase of an amount of Bonds the debt service on which is equivalent to the payments on the Program Loan; or

(3) a Projected Cash Flow Statement shall be filed with the Trustee which gives effect to the proposed sale thereof and complies with the conditions set forth in subsection 7.11(C).

Section 7.13. Personnel and Servicing of Programs.

(A) THDA shall at all times appoint, retain and employ competent personnel for the purpose of carrying out its respective programs under the Act and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by THDA shall be qualified for their respective positions.

(B) THDA may pay to any agency, municipality, political subdivision or governmental instrumentality of the State such amounts as are necessary to reimburse such agency, municipality, political subdivision or governmental instrumentality of the State for the reasonable costs of any services performed for THDA.

(C) THDA shall duly and properly service all Program Loans and enforce the payment and collection of all payments of principal and interest and all Escrow Payments or shall cause such servicing and/or enforcing to be done by a servicer evidencing, in the judgment of THDA, the capability and experience necessary to adequately service Program Loans. Each such servicer shall enter into a servicing agreement providing that:

(1) all amounts received by such servicer, except as compensation for its services, shall be promptly transferred to the Trustee subject to and in accordance with the provisions of this Resolution;

(2) such servicer shall at all times remain qualified to act as such pursuant to such standards as THDA shall prescribe from time to time and shall determine to be reasonable to maintain the security for the Bonds;

(3) such servicer shall agree to maintain servicing facilities that are staffed with trained personnel to adequately service Program Loans in accordance with standards normally employed by private institutional mortgage investors, as determined in THDA's sole discretion, and shall maintain individual files for each Program Loan serviced pursuant to the servicing agreement and provide regular reports to THDA as to collections and delinquencies with respect to all Program Loans serviced by such servicer.

Section 7.14. Issuance of Additional Obligations.

(A) THDA shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which, except as provided in Section 5.1(C) hereof, will be secured by a superior or equal charge and lien on the revenues and assets pledged hereunder, except that additional Series of Bonds may be issued from time to time subsequent to the issuance of the initial Series of Bonds under this Resolution on a parity with the Bonds of such initial Series of Bonds and secured, except as provided in Section 5.1(C) hereof, by an equal charge and lien on the revenues and assets pledged hereunder and payable equally therefrom for one or more of the purposes set forth in Section 2.4.

(B) No additional Series of Bonds shall be issued subsequent to the issuance of the initial Series of Bonds under this Resolution unless an Authorized Officer shall have certified that:

(1) the principal amount of the additional Bonds then to be issued, together with the principal amount of the Bonds, notes and other obligations theretofore issued pursuant to the Act, will not exceed in aggregate principal amount any limitation thereon imposed by law;

(2) upon the issuance and delivery of such additional Bonds, the amount credited to the Bond Reserve Fund is at least equal to the Bond Reserve Fund Requirement, as valued not more than five (5) Business Days prior to the date of issuance of such additional Bonds;

(3) the provisions of Section 2.6 or, in the case of Refunding Bonds, Section 2.7 shall have been complied with as of the date of delivery of such Series;

(4) except in the case of Refunding Bonds, at the time of issuance of such additional Bonds, THDA shall not be in default in the performance of any of the covenants, conditions, agreements or provisions contained in this Resolution; and

(5) upon the issuance of such Series and application of the proceeds thereof in accordance with Article IV hereof, the amount of Program Loans and Investment Securities credited to all Funds and Accounts hereunder, other than the Redemption Account, when valued in accordance with this Resolution, will be equal to the principal amount of Outstanding Bonds, including the Bonds thereupon being issued.

(C) THDA hereby expressly reserves the right to enter into or adopt one or more additional indentures or resolutions for its purposes, including the purposes of the Program, and reserves the right to issue other obligations for such purposes.

Section 7.15. Bond Reserve Fund.

(A) THDA shall at all times maintain the Bond Reserve Fund created and established by Section 5.1 and do and perform or cause to be done and performed each and every act and thing with respect to the Bond Reserve Fund provided to be done or performed by or on behalf of THDA or the Trustee or the Paying Agents under the terms and provisions of Article V hereof. It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

(B) Notwithstanding any other provisions of this Resolution the Trustee shall not permit amounts to be withdrawn from the Bond Reserve Fund other than pursuant to subsection 5.4(A) unless there shall have been filed with the Trustee a Certificate of an Authorized Officer stating that such amounts are not required to be retained therein to provide funds for the payment of Principal Installments or interest on Outstanding Bonds when due.

Section 7.16. Assignment of Program Loans Upon Default. Upon the happening of an Event of Default specified in Section 10.2 and at the written request of the Trustee or of the holders of not less than 25% in principal amount of the Outstanding Bonds, THDA shall deliver the Program Loans to the Trustee and take any other steps requested by the Trustee or such Bondholders in order to further effectuate the assignment of all of the Program Loans to the Trustee. If, however, the Trustee and the Bondholders are restored to their positions in accordance with Section 10.4, the Trustee shall assign such Program Loans back to THDA.

ARTICLE VIII
SUPPLEMENTAL RESOLUTIONS

Section 8.1. Supplemental Resolutions Effective Upon Filing With the Trustee. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of THDA may be adopted, which, upon the filing with the Trustee of a copy thereof certified by an Authorized Officer, shall be fully effective in accordance with its terms:

- (1) to close this Resolution against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Resolution on the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;
- (2) to add to the covenants and agreements of THDA in this Resolution other covenants and agreements to be observed by THDA which are not contrary to or inconsistent with this Resolution as theretofore in effect;
- (3) to add to the limitations and restrictions in this Resolution other limitations and restrictions to be observed by THDA which are not contrary to or inconsistent with this Resolution as thereupon in effect;
- (4) to surrender any right, power or privilege reserved to or conferred upon THDA by the terms of this Resolution, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of THDA contained in this Resolution;

- (6) to accommodate the conversion of the Program to the purchase of Program Securities in addition to or in lieu of Program Loans;
- (7) to modify any of the provisions of this Resolution in any respect whatever, but only if either (i) such modification shall not materially adversely affect the interest of the Bondholders (as to any change relating to security for the Bonds, evidence that such change, at the time of such change, will not, in and of itself, impair, or cause the Bonds to fail to retain, the then-existing rating(s) assigned to them by the Rating Agencies, shall constitute sufficient evidence that such change does not materially adversely affect the interest of the Bondholders) or (ii) such modification shall be, and be expressed to be, effective only after all Bonds Outstanding at the date of the adoption of such Supplemental Resolution shall cease to be Outstanding; or and, with respect to (ii) above, such modification is disclosed in any offering documents of THDA for Bonds issued subsequent to the date of adoption of the Supplemental Resolution; or
- (8) to authorize the issuance of additional Series of Bonds and to prescribe the terms and conditions thereof and any additional terms and conditions upon which such Bonds may be issued.

Section 8.2. Supplemental Resolutions Effective Upon Consent of Trustee.

(A) For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer, and (ii) the filing with the Trustee and THDA of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

- (1) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or
- (2) to insert such provisions clarifying matters or questions arising under this Resolution as are necessary or desirable and are not contrary to or inconsistent with this Resolution as theretofore in effect; or
- (3) to provide for additional duties of the Trustee in connection with the Program Loans.

(B) Any such Supplemental Resolution may also contain one or more of the purposes specified in Section 8.1, and in that event, the consent of the Trustee required by this Section shall be applicable only to those provisions of such Supplemental Resolution as shall contain one or more of the purposes set forth in subsection (A) of this Section.

Section 8.3. Supplemental Resolutions Effective Upon Consent of Bondholders. At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by Bondholders in accordance with and subject to the provisions of Article IX. Any such Supplemental Resolution shall become fully effective in accordance with its terms upon the filing with the Trustee a copy thereof certified by an Authorized Officer and upon compliance with the provisions of Article IX.

Section 8.4. General Provisions.

(A) This Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article IX. Nothing in this Article or Article IX contained shall affect or limit the right or obligation of THDA to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.7 or the right or obligation of THDA to execute and deliver to any Fiduciary any instrument which is to be delivered to said Fiduciary pursuant to this Resolution.

(B) Any Supplemental Resolution permitted or authorized by Section 8.1 or 8.2 may be adopted by THDA without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution filed with the Trustee shall be accompanied by a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Resolution, is authorized or permitted by this Resolution, and is valid and binding upon THDA.

(C) The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Section 8.1, 8.2 or 8.3 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel (which may be a Bond Counsel's Opinion) that such Supplemental Resolution is authorized or permitted by the provisions of this Resolution.

(D) No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

ARTICLE IX AMENDMENTS

Section 9.1. Mailing and Publication of Notice of Amendment. Any provision in this Article for the mailing of a notice to Bondholders shall be fully complied with if it is mailed postage prepaid (i) to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of THDA and (ii) to the Trustee.

Section 9.2. Powers of Amendment. Any modification of or amendment to this Resolution and of the rights and obligations of THDA and of the holders of the Bonds hereunder, in any particular, may be made by a Supplemental Resolution, but only, in the event such Supplemental Resolution shall be adopted pursuant to Section 8.3, with the written consent given as provided in Section 9.3, (i) of the holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the holders of at least two-thirds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the holders of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given. If any such modification or amendment will not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, however, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its

written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Resolution if the same adversely affects or diminishes the rights of the holders of Bonds of such Series. The Trustee may in its sole discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on THDA and all holders of Bonds.

Section 9.3. Consent of Bondholders.

(A) A copy of any Supplemental Resolution making a modification or amendment which is not permitted by the provisions of Section 8.1 or 8.2 (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed, by first class mail postage prepaid, by THDA to the holders of any registered Bond. Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of holders of the percentages of Outstanding Bonds specified in Section 9.2 and (b) a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted by THDA in accordance with the provisions of this Resolution, is authorized or permitted hereby and is valid and binding upon THDA and enforceable in accordance with its terms.

(B) The consent of a Bondholder to any modification or amendment shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.14. A Certificate by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with such Section 11.14 shall be conclusive that the consents have been given by the holders of the Bonds described in such Certificate of the Trustee. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof) unless such consent is revoked in writing by the holder of such Bonds giving such consent or a subsequent holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 11.14. The fact that a consent has not been revoked may likewise be proved by a Certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee.

(C) At any time after the holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with THDA and the Trustee a written statement that the holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by THDA on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required percentages of Bonds and will be effective as provided in this Section shall be given to Bondholders by THDA by mailing such notice to the Bondholders, first class mail, postage prepaid, (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as provided in this Section). THDA shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon THDA, the Fiduciaries and the holders of all Bonds at the expiration of forty days after the filing with the Trustee of the proof of the first mailing of the notice of such consent, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty day period, except that any Fiduciary and THDA during such forty day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 9.4. Modifications by Unanimous Consent. The terms and provisions of this Resolution and the rights and obligations of THDA and of the holders of the Bonds hereunder may be modified or amended in any respect upon the adoption and filing by THDA of a Supplemental Resolution and the consent of the holders of all the Bonds then Outstanding, such consent to be given as provided in Section 9.3, but no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders. No notice of any such modification or amendment to Bondholders either by mailing or publication shall be required.

Section 9.5. Exclusion of Bonds. Bonds owned or held by or for the account of THDA shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and THDA shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, THDA shall furnish the Trustee a Certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.6. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as provided in Article VIII or this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by THDA and the Trustee as to such action, and in that case upon demand of the holder of any Outstanding Bond at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If THDA or the Trustee shall so determine, new Bonds modified to conform to such action in the opinion of the Trustee and THDA shall be prepared, executed, authenticated and delivered, and upon demand of the holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity, then Outstanding, upon surrender of such Bonds. All Bonds surrendered in such an exchange shall be cancelled by the Trustee.

ARTICLE X

DEFAULTS AND REMEDIES

Section 10.1. Events of Default. Each of the following events is hereby declared an "Event of Default":

(1) payment of the principal of or Redemption Price, if any, on any Bond when and as the same shall become due, whether at maturity or upon call for redemption or otherwise shall not be made when and as the same shall become due; or

(2) payment of any installment of interest on any of the Bonds shall not be made within thirty days after the same shall become due; or

(3) THDA shall fail or refuse to comply with the provisions of this Resolution, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in any Supplemental Resolution or the Bonds, and such failure, refusal or default shall continue for a period of forty-five days after written notice thereof by the Trustee or the holders of not less than 5% in principal amount of the Outstanding Bonds.

Section 10.2. Remedies.

(A) Upon the happening and continuance of any Event of Default specified in paragraphs (1) and (2) of Section 10.1 the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in paragraph (3) of Section 10.1 the Trustee may proceed, and upon the written request of the holders of not less than 25% in principal amount of the Outstanding Bonds (75% with respect to acceleration of the Bonds pursuant to clause (5) below) shall proceed, in its own name, subject to the provisions of Section 11.3, to protect and enforce the rights of the Bondholders by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including the right to require THDA to receive and collect Revenues and Non-Mortgage Receipts adequate to carry out the covenants and agreements as to, and the assignment of, the Program Loans and to require THDA to carry out any other covenants or agreements with Bondholders and to perform its duties under the Act;

(2) by bringing suit upon the Bonds;

(3) by action or suit in equity, to require THDA to account as if it were the trustee of an express trust for holders of the Bonds;

(4) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds;

(5) by declaring all Bonds due and payable, and if all defaults shall be cured, then, with the written consent of the holders of not less than 25% in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(6) in the event that all Bonds are declared due and payable, by selling Program Loans and Investment Securities.

(B) In the enforcement of any rights and remedies under this Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due and unpaid from THDA for principal, Redemption Price, interest or otherwise, under any provisions of this Resolution or a Supplemental Resolution or of the Bonds, with interest on overdue payments at the rate of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings thereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce a judgment or decree against THDA for any portion of such amounts remaining unpaid, with interest, costs and expenses (including without limitation pre-trial, trial and appellate attorney fees), and to collect from any moneys available for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(C) Upon the occurrence of any Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Resolution, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and Non-Mortgage Receipts and of the assets of THDA relating to the Program, pending such proceedings, with such powers as the court making such appointment shall confer.

(D) Except upon the occurrence and during the continuance of an Event of Default hereunder, THDA hereby expressly reserves and retains the privilege to receive and, subject to the terms and provisions of this Resolution, to keep or dispose of, claim, bring suit upon or otherwise exercise, enforce or realize upon its rights and interest in and to the Program Loans and the proceeds and collections therefrom, and neither the Trustee nor any Bondholder shall in any manner be or be deemed to be an indispensable party to the exercise of any such privilege, claim or suit.

Section 10.3. Priority of Payments After Default.

(A) In the event that upon the happening and continuance of any Event of Default the funds held by the Trustee and Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and this Article, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the holders of the Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under this Resolution, shall be applied, subject to Section 10.11, hereof as follows:

(1) Unless the principal of all of the Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds shall become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of

principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(B) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatsoever to THDA, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 10.4. Termination of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case THDA, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 10.5. Bondholders' Direction of Proceedings. Anything in this Resolution to the contrary notwithstanding, the holders of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Resolution, and that the Trustee shall have the right to decline to follow such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction

Section 10.6. Limitation on Rights of Bondholders.

(A) No holder of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law hereunder, or for the protection or enforcement of any right under this Resolution unless such holder shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the holders of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under this Resolution or for any other remedy hereunder or by law. It is understood and intended that no one or more holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder or under law with respect to the Bonds or this Resolution, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of the Outstanding Bonds. Nothing contained in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on his Bonds, or the obligation of THDA to pay the principal of and interest on each Bond issued hereunder to the holder thereof at the time and place in said Bond expressed.

(B) Anything to the contrary notwithstanding contained in this Section, or any other provision of this Resolution, each holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Resolution or any Supplemental Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party

litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs including reasonable pre-trial, trial and appellate attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least 25% in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of any Bond on or after the respective due date thereof expressed in such Bond.

Section 10.7. Possession of Bonds by Trustee Not Required. All rights of action under this Resolution or under any of the Bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the holders of such Bonds, subject to the provisions of this Resolution.

Section 10.8. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 10.9. No Waiver of Default. No delay or omission of the Trustee or of any holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein and every power and remedy given by this Resolution to the Trustee and the holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 10.10. Notice of Event of Default. The Trustee shall give to the Bondholders notice of each Event of Default hereunder known to the Trustee within ninety days after actual knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided, that, except in the case of default in the payment of the principal of or Redemption Price, if any, or interest on any of the Bonds, or in the making of any payment required to be made into the Loan Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Bondholders. Each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof: (i) to all registered holders of Bonds, as the names and addresses of such holders appear upon the books for registration and transfer of Bonds as kept by the Trustee and, (ii) to such other persons as is required by law.

ARTICLE XI CONCERNING THE FIDUCIARIES

Section 11.1. Appointment and Acceptance of Duties of Trustee.

(A) The Bond Finance Committee of THDA has been delegated the responsibility for choosing the initial Trustee pursuant to this Resolution. The Trustee shall signify its acceptance of the duties and obligations of the Trustee by executing a written acceptance of its obligations under this Resolution.

(B) The Trustee is hereby vested with all of the rights, powers and duties of a Trustee permitted to be appointed by Bondholders pursuant to the Act and the right of Bondholders to appoint a trustee pursuant to the Act is hereby abrogated as permitted by the Act.

Section 11.2. Appointment and Acceptance of Duties of Paying Agents.

(A) THDA shall appoint one or more Paying Agents for the Bonds of each Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 11.13 for a successor Paying Agent. The Trustee is hereby appointed as a Paying Agent.

(B) Each Paying Agent (other than the Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by a written instrument of acceptance executed and delivered to THDA and the Trustee.

(C) The principal or corporate trust offices of the Paying Agents are hereby designated as the respective agencies of THDA for the payment of the Bonds.

Section 11.3. Responsibility of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of THDA and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or in respect of the security afforded by this Resolution, and no Fiduciary shall incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representations contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof or the application of any moneys paid to THDA. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any one of the others.

Section 11.4. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may be of counsel to THDA, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any Fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate signed by an Authorized Officer, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Resolution upon the faith thereof, but in its sole discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Neither the Trustee nor any successor Trustee shall be liable to THDA, the holders of any of the Bonds or any other person for any act or omission done or omitted to be done by such Trustee in reliance upon any instruction, direction or certification received by the Trustee pursuant to this Resolution or for any act or omission done or omitted in good faith and without willful or reckless misconduct. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by THDA to any Fiduciary shall be sufficiently executed if executed in the name of THDA by an Authorized Officer.

Section 11.5. Compensation. THDA shall pay to each Fiduciary from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees (whether or not litigation ensued and, if so, fees on trial and any appeal therefrom) and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and each Fiduciary shall have a lien therefor on any and all funds at any time held by it under this Resolution. THDA further agrees to indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default.

Section 11.6. Permitted Acts and Functions. Any Fiduciary may become the owner of any Bonds issued hereunder with the same rights it would have if it were not a Fiduciary. Any Fiduciary may permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Bonds then Outstanding. Any Fiduciary may participate as a lender under the Program and may sell Program Loans to THDA. Except as otherwise provided by THDA, no Fiduciary may act as an underwriter with respect to the issuance of any Bonds.

Section 11.7. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty days' written notice to THDA, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 11.9, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 11.8. Removal of Trustee. The Trustee shall be removed by THDA if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and THDA and signed by the holders of a majority

in principal amount of the Bonds then Outstanding or their attorney-in-fact duly authorized, excluding any Bonds held by or for the account of THDA. THDA may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of THDA by filing with the Trustee an instrument signed by an Authorized Officer.

Section 11.9. Appointment of Successor Trustee.

(A) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, THDA covenants and agrees that it will thereupon appoint a successor Trustee.

(B) If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five days after the Trustee shall have given to THDA written notice, as provided in Section 11.7, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a trust company or bank having the powers of a trust company within or outside the State, having a capital, surplus and undivided profits aggregating at least \$100,000,000 if there be such a trust company or bank willing and able to accept the office on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

Section 11.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to THDA, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the request of THDA, or of its successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from THDA be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by THDA. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee. Upon the effectiveness of the resignation or removal of the Trustee, such Trustee's authority to act pursuant to this Resolution shall terminate and such Trustee shall have no further responsibility or liability whatsoever for performance of this Resolution as Trustee.

Section 11.11. Merger, Consolidation or Sale. Any company into which any Fiduciary or its trust department may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to such Fiduciary under Section 11.9 or Section 11.13 and shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 11.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Resolution provided that the certificate of authentication of the Trustee shall have.

Section 11.13. Resignation or Removal of the Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty days' written notice to THDA and Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent, and the Trustee and signed by an Authorized Officer. Any successor Paying Agent shall be appointed by THDA and (subject to the requirements of Section 7.6) shall be a trust company or bank having the powers of a trust company, having a capital and surplus aggregating at least \$25,000,000, and willing and able to accept the office of Paying Agent, on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed.

Section 11.14. Evidence of Signatures of Bondholders and Ownership of Bonds.

(A) Any request, consent or other instrument which this Resolution may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of this Resolution (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its sole discretion require further or other proof in cases where it deems the same desirable:

(1) the fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the Certificate, which need not be acknowledged or verified, of an officer of a bank or trust company, financial institution or other member of the National Association of Securities Dealers, Inc. satisfactory to the Trustee, or of any notary public or other officer authorized to take acknowledgements of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary; and

(2) the amount of Bonds transferable by delivery held by any person executing such request or other instrument as a Bondholder, and the numbers and other identification thereof, and the date of his holding such Bonds, may be proved by a Certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by an officer of a trust company, bank, financial institution or other depository or member of the National Association of Securities Dealers, Inc. wherever situated, showing that at the date therein mentioned such person exhibited to such officer or had on deposit with such depository the Bonds described in such Certificate. Continued ownership after the date stated in such Certificate may be proved by the presentation of such Certificate if the Certificate contains a statement by such officer that the depository held the Bonds therein referred to on the date of the Certificate and that they will not be surrendered without the surrender of the Certificate to the depository, except with the consent of the Trustee, and a Certificate of the Trustee, which need not be acknowledged or verified, that such consent has not been given.

(B) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(C) Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by THDA or any Fiduciary in accordance therewith.

Section 11.15. Preservation and Inspection of Documents. All documents received by a Fiduciary under the provisions of this Resolution or any Supplemental Resolution (or microfilm, microcard or similar photographic or scanned reproduction thereof) shall be retained in its possession and shall be subject at all reasonable times to the inspection of THDA, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

ARTICLE XII
DEFEASANCE
MISCELLANEOUS PROVISIONS

Section 12.1. Defeasance.

(A) If THDA shall pay or cause to be paid to the holders of the Bonds, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of any Revenues and other moneys, securities, funds and property hereby pledged and all other rights granted hereby shall be discharged and satisfied. In such event, the Trustee shall, upon the request of THDA, execute and deliver to THDA all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to THDA all moneys or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption. If THDA shall pay or cause to be paid, or there shall otherwise be paid, to the holders of any Outstanding Bonds of a particular Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, such Bonds shall cease to be entitled to any lien, benefit or security hereunder and all covenants, agreements and obligations of THDA to the holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(B) Bonds and interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Fiduciaries (through deposit by THDA of funds for such payment or redemption or otherwise) shall, at the maturity or upon the date upon which such Bonds have been duly called for redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section. Outstanding Bonds of any Series shall, prior to the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section if (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, THDA shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article VI notice of redemption on said date of such Bonds, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if any, of and interest due and to become due on such Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be, and (iii) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty days, THDA shall have given the Trustee in form satisfactory to it irrevocable instructions to mail a notice to the holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the principal or Redemption Price, if any, on such Bonds. Neither Investment Securities or moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if any, of and interest on such Bonds; but any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if any, and interest to become due on such Bonds on and prior to such Redemption Date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to THDA, as received by the Trustee, free and clear of any trust, lien or pledge. For the purposes of this Section, Investment Securities mean and include only direct and general obligations of the State or obligations guaranteed by the State or such obligations as are described in clause (1) of the definition of Investment Securities herein.

(C) If, through the deposit of moneys by THDA or otherwise, the Fiduciaries shall hold, pursuant to this Resolution, moneys sufficient to pay the principal and interest to maturity on all Outstanding Bonds, or in the case of Bonds in respect of which THDA shall have taken all action necessary to redeem prior to maturity, sufficient to pay the Redemption Price and interest to such Redemption Date, then at the request of THDA all moneys held by any Paying Agent shall be paid over to the Trustee and, together with other moneys held by it hereunder, shall be held by the Trustee for the payment or the redemption of such Outstanding Bonds. If all or a portion of the moneys made available to pay the principal of and interest on Outstanding Bonds at maturity or prior redemption shall have been derived from the issuance of refunding obligations of THDA, upon the written direction of THDA, the Fiduciaries shall reallocate or transfer all moneys, securities, Program Loans or Program Securities as shall be required by operation of the transferred proceeds provisions of the Code.

(D) Anything in this Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of the principal of or interest on any Bonds which remain unclaimed for five years (or such other period of time required by abandoned property laws of the State) after the date when all of such principal or interest, as the case may be, have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for five years (or such other period of time required by abandoned property laws of the State) after the date of deposit of such moneys if deposited with the Fiduciary after the said date when all of the Bonds became due and payable, shall, to the extent required by State law, be paid by the Fiduciary to the State Treasurer or other appropriate official free from trust, and otherwise at the written request of THDA, be repaid by the Fiduciary to THDA, as its absolute property and free from trust, and, in either such case, the Fiduciary shall thereupon be released and discharged.

Section 12.2. Notice by Electronic Means. Any notice, direction or other communication given hereunder from THDA to the Rating Agencies or any Fiduciary or from any Fiduciary to THDA or the Rating Agencies, may be given by sending it via e-mail or other electronic means in lieu of regular mail. In the case of e-mail or other electronic means, valid notice shall only have been deemed to have been given when an electronic confirmation or delivery has been obtained by the sender at the e-mail or other electronic address provided by each party, as updated from time to time. Any e-mail communication shall be deemed to have been validly and effectively given on the date of such communication, if such date is a business day and such delivery was made prior to 4:00 p.m., Central Time, and otherwise on the next business day.

Section 12.3. Notices to Rating Agencies. To the extent not otherwise provided herein, the Trustee shall provide written notice to the Rating Agencies of any of the following occurrences: (i) the defeasance or discharge of this Resolution within the meaning of Section 12.1 hereof, (ii) the downgrade of the provider of any Investment Security described in paragraph (3) or (7) of the definition thereof below the rating requirement included in such paragraphs and the substitution of any provider thereof; (iii) the resignation or removal of the Trustee, (iv) the appointment of a successor Trustee, and (v) any amendment of this Resolution or any Supplemental Resolution.

Section 12.4. No Recourse Under Resolution or on Bonds. All covenants, stipulations, promises, agreements and obligations of THDA contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of THDA and not of any officer or employee of THDA in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Resolution against any member, officer or employee of THDA or any natural person executing the Bonds.

Section 12.5. Security Instrument. A certified copy of this Resolution, delivered to and accepted by the Trustee, shall constitute a security agreement pursuant to and for all purposes of the Uniform Commercial Code of the State of Tennessee.

Section 12.6. Effective Date. This Resolution shall take effect immediately.

(1) Bond yield.

As of March 31, 2017 (unaudited), 6,615 mortgage loans in the approximate aggregate principal amount of \$377,322,488 were outstanding under the 1985 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1985 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1985 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1985 General Resolution.

Housing Bond Resolution (Mortgage Finance Program)(the “1974 General Resolution”)

All bonds then outstanding under the 1974 General Resolution were refunded by the Issue 2013-1 Bonds issued under the General Resolution. All assets, including mortgage loans purchased with bond proceeds, cash, and investments valued as of June 30, 2014, then remaining under the 1974 General Resolution were transferred to the General Resolution.

THDA may, in the future, elect to issue new bonds under the 1974 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1974 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1974 General Resolution.

Mortgage Credit Certificates

THDA has established a mortgage credit certificate program that began on June 1, 2016. THDA established eligibility requirements for the mortgage credit certificate program and loans assisted with a mortgage credit certificate may not be funded with proceeds of qualified mortgage bonds such as the Issue 2017-2 Bonds. While it is possible that the availability of the mortgage credit certificate program will reduce demand for THDA Great Start or Great Start Plus loans, THDA has established its mortgage credit certificate program with requirements designed to help mitigate such an impact.

Other Information

The State Treasurer is the treasurer of THDA and is the custodian of the assets of THDA, except for those assets required to be in the custody of the Trustee pursuant to the provisions of the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt. The Board of Directors of THDA has adopted an investment policy for THDA assets, other than its mortgage assets (the “non-mortgage assets”). These non-mortgage assets are invested only in investments authorized by the Act, THDA’s investment policy, the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt, and by the Treasurer. The Treasurer has delegated all duties and responsibilities in connection with THDA’s investment of THDA non-mortgage assets to the Executive Director of THDA.

BOOK-ENTRY-ONLY SYSTEM

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THDA BELIEVES TO BE RELIABLE, BUT THDA TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THDA NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC DIRECT OR INDIRECT PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (1) SENDING TRANSACTION STATEMENTS; (2) MAINTAINING, SUPERVISING OR REVIEWING, OR THE ACCURACY OF, ANY RECORDS MAINTAINED BY DTC OR ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS; (3) PAYMENT OR THE TIMELINESS OF PAYMENT BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNER, OF ANY AMOUNT DUE IN RESPECT OF THE PRINCIPAL OF OR REDEMPTION PREMIUM, IF ANY, OR INTEREST ON BONDS; (4) DELIVERY OR TIMELY DELIVERY BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNERS, OF ANY NOTICE (INCLUDING NOTICE OF REDEMPTION) OR OTHER COMMUNICATION WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS OR OWNERS OF BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF BONDS; OR (6) ANY ACTION TAKEN BY DTC OR ITS NOMINEE AS THE REGISTERED OWNER OF BONDS.

NEITHER THDA, NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT, NOR ANY UNDERWRITER (OTHER THAN IN ITS CAPACITY, IF ANY, AS DIRECT DTC PARTICIPANTS OR INDIRECT DTC PARTICIPANTS), WILL HAVE ANY OBLIGATION TO THE DIRECT DTC PARTICIPANTS OR THE INDIRECT DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO DTC'S PROCEDURES OR ANY PROCEDURES OR ARRANGEMENTS BETWEEN DIRECT DTC PARTICIPANTS, INDIRECT DTC PARTICIPANTS AND THE PERSONS FOR WHOM THEY ACT RELATING TO THE MAKING OF ANY DEMAND BY CEDE & CO. AS THE REGISTERED OWNER OF BONDS, THE ADHERENCE TO SUCH PROCEDURES OR ARRANGEMENTS OR THE EFFECTIVENESS OF ANY ACTION TAKEN PURSUANT TO SUCH PROCEDURES OR ARRANGEMENTS.

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC.
2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants

acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.
6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to THDA as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Trustee on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, or the Trustee or THDA, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Trustee or THDA. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.
10. THDA may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered.

RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES**General**

The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. No assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described below. The Issue 2017-2 Supplemental Resolution provides that the Program Loans to be financed with proceeds of Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple or leasehold estate in real property located in the State.

Income and Acquisition Cost Limits

THDA limits the maximum gross annual household income for eligible borrowers and the maximum acquisition cost for homes financed by Program Loans in accordance with Section 143 of the Internal Revenue Code of 1986, as amended, and applicable regulations promulgated thereunder (the "Code"). The limits vary from county to county and are periodically adjusted.

THDA's current income limits range from \$56,100 to \$95,900 depending on household size and geographic location. THDA's income limits are equal to or less than the safe-harbor income limits established under the Code.

THDA's acquisition cost limits are either within the safe-harbor limitations established under the Code or are established, based on procedures in the Code, using THDA's actual data which justifies a higher limit. THDA's current maximum acquisition cost limits range from \$250,000 to \$375,000 depending on geographic location. THDA acquisition cost limits are equal to or less than the safe-harbor acquisition cost limits established under the Code.

THDA has in the past and may, at any time, further restrict or otherwise modify income and acquisition cost limits for certain specialized Program Loans THDA may elect to finance.

Loan Origination

THDA's Program Loans are originated by certain financial institutions located throughout the State who are approved by THDA to originate Program Loans in its behalf ("Originating Agents"). THDA may purchase Program Loans once they are closed by the Originating Agent or THDA may offer funds to Originating Agents on a "first-come, first-serve" basis prior to the closings of Program Loans. Originating Agents may charge borrowers a fee, up to 2% of the Program Loan amount, for originating Program Loans. The Originating Agents who may originate Program Loans from Bond proceeds include mortgage banking firms, commercial banks, and credit unions. The lendable proceeds of the Bonds are made available throughout the State. See Appendix C for a description of THDA's Working Agreement with Originating Agents and Guide for Originating Agents.

THDA will set aside a portion of the lendable proceeds of an issue of Bonds to make Targeted Area loans for one year as necessary to comply with Section 143(j) of the Code. In the event any of the amounts so reserved by THDA for Targeted Areas remain at the end of the time period specified by the Code, THDA will offer such funds to its Originating Agents on a "first-come, first-serve" basis.

Requirements Imposed by the Code

Interest on the Bonds is not included in gross income of the owners thereof for federal income tax purposes only if certain requirements are met, including (i) eligibility requirements for Program Loans and borrowers (see "Mortgage Eligibility Requirements" below), (ii) yield and investment requirements (see "Requirements Related to Arbitrage" below), and (iii) certain other requirements related to the Bonds and the use of proceeds of the Bonds, that are also imposed by the Code.

Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to assure that the interest on the Bonds is not included in the gross income of the owners thereof for federal income tax purposes. In addition, covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with federal tax law and for such purpose, to adopt and maintain appropriate procedures. To comply with these covenants, THDA periodically reviews and modifies its procedures for Originating Agents and Servicers to the extent necessary to operate its single-family mortgage programs in compliance with federal tax law and has established procedures under which such requirements can be met. Such procedures include monitoring the Program Loan applications to be financed with Bond proceeds to ensure compliance with applicable acquisition cost and income limitations. THDA believes that the procedures established are sufficient to ensure that the Bonds will satisfy the requirements of the Code. In the opinion of Bond Counsel, the Guide for Originating Agents, the Guide for Servicers and the Resolution establish procedures under which, if followed, the requirements of applicable federal tax law can be met.

Mortgage Eligibility Requirements -- The Code requires that Program Loans financed with the proceeds of the Bonds meet certain mortgage eligibility requirements. THDA must, among other things, reasonably expect at the time each Program Loan is made that the borrower will make the residence financed by the Program Loan the borrower's principal residence within a reasonable time after the financing is provided. Under the procedures which THDA has established, the borrower must certify, at the closing of the Program Loan, that the borrower intends to make the financed residence the borrower's principal residence within sixty days, which is within the period considered reasonable under the Code.

In general, except with respect to Program Loans made in Targeted Areas and Program Loans made to qualified veterans, borrowers are not permitted to have had a present ownership interest in their principal residence during the three-year period prior to the date on which the Program Loan is closed. THDA will, in cases where the prior ownership limitation applies, require the borrower (i) to provide the most recent federal income tax return and (ii) to certify at the closing of the Program Loan that the borrower has not had a present ownership interest in a principal residence within the preceding three years. In addition, THDA will obtain credit reports for each borrower to determine prior ownership of a principal residence by the borrower.

THDA has established maximum acquisition costs for residences financed with proceeds of Bonds and maximum household income limits, all as permitted by the Code. From time to time, THDA may revise the maximum acquisition cost and the income limits, but in no event will THDA's acquisition cost limits or income limits exceed limits established as permitted under the Code. THDA requires the borrower to certify household income in connection with applying the income limits and requires the borrower and the seller to certify the acquisition cost of the financed residence. In addition, the Originating Agent is required to review the affidavits of the borrower and the seller and to determine that the Code requirements with respect to acquisition cost limits and income limits are met.

An existing Program Loan or any other existing loan may not be acquired or replaced with proceeds of a Program Loan except for certain initial temporary financing not exceeding a term of 24 months. THDA requires a borrower to certify, at the closing of a Program Loan, that the proceeds of the Program Loan will not be used to acquire or replace an existing loan. In addition, the Originating Agent is required to review the borrower's federal income tax returns for the preceding year (unless the borrower is not required to file such returns) and a credit report prior to closing to determine if the borrower has any outstanding loans which may have been acquired or replaced with proceeds of the Program Loan.

Program Loans cannot be assumed unless the principal residence, prior home ownership, income and acquisition cost requirements are met at the time of assumption. THDA requires that each of its Program Loans have a "due on sale" clause so that THDA may accelerate the Program Loan if it is assumed and all such requirements are not met. The FHA and VA allow a "due on sale" clause in their respective guaranteed Program Loan programs, provided that the borrower is fully informed and consents in writing to such requirements.

Under the Code, an issue of Bonds is treated as meeting the mortgage eligibility requirements if (i) the issuer in good faith attempted to meet all of the mortgage eligibility requirements before the mortgages were executed, (ii) any failure to comply with the mortgage eligibility requirements is corrected within a reasonable period after such failure is first discovered, and (iii) 95% or more of the lendable proceeds of the issue used to make Program Loans was devoted to finance residences which met all such mortgage eligibility requirements at the time the loans were executed or assumed. In determining whether 95% of the proceeds have been so used, THDA relies on an affidavit of the borrower (the "Borrower Affidavit") and of the seller (the "Seller Affidavit") and on examination of copies of the borrower's most recent federal income tax return, together with credit reports and other relevant documentation.

Requirements Related to Arbitrage -- The Code imposes certain arbitrage requirements in connection with Program Loans financed with the proceeds of Bonds. Generally, the yield on Program Loans financed with lendable proceeds of an issue of Bonds may not exceed the yield on such Bonds by more than 1 1/8% and the amount of funds held in certain accounts for such Bonds invested at a yield greater than the yield on such Bonds may not exceed 150% of the current year's debt service on such Bonds.

The Code also requires THDA to periodically rebate to the United States Treasury certain investment earnings on non-mortgage investments to the extent such investment earnings exceed the amount that would have been earned on such investments if those investments were earning a return equal to the yield on the Bonds. THDA has established accounting procedures to determine the amount of such excess investment earnings.

Public Hearing and Approval Requirement -- The Code requires that qualified mortgage bonds be approved prior to issuance by the applicable elected official of the appropriate governmental unit, as specified by statute, after a public hearing held following reasonable public notice or by a voter referendum. THDA has adopted procedures to give public notice, to conduct public hearings, and to obtain approval from the Governor of the State to ensure compliance with the Code.

Reporting Requirement -- The Code requires the issuer of tax-exempt qualified mortgage bonds to submit to the IRS certain information with respect to the issuer and the particular issue, based on information and reasonable expectations determined as of the date of issue. In addition, each issuer must submit to the IRS a yearly report containing information with regard to the beneficiaries of the proceeds of Program Loans. THDA intends to file for each issue of tax-exempt mortgage bonds it issues, and for each year in which proceeds of any issue of tax-exempt qualified mortgage bonds are used to provide Program Loans, the information and reports required.

Certification Requirement -- The Code requires that the aggregate amount of all private activity bonds issued each year in Tennessee be within the volume limitation imposed on the principal amount of tax-exempt mortgage bonds which may be issued in Tennessee for that year. To meet this requirement, THDA requests a certification from an appropriate State official that an issue of tax-exempt qualified mortgage bonds is within the volume limitation and files such certification with the IRS or takes alternative action to satisfy this certification requirement.

Targeted Area Requirements -- THDA makes lendable proceeds of Bonds in amounts and for time periods as specified in the Code, available for financing qualified Program Loans for residences in Targeted Areas. Targeted Areas are those census tracts in the State in which seventy percent or more of the families have an income which is eighty percent or less of the statewide median family income or those areas of economic distress designated by the State and approved by the Secretaries of Housing and Urban Development and the Treasury under criteria specified in the Code. THDA has designated certain areas of the State as being in economic distress and such designation has been approved by HUD and the Treasury.

Monitoring for Compliance with the Mortgage Eligibility and Arbitrage Requirements -- Under the procedures which THDA has established to comply with the Code, Originating Agents are responsible for reviewing each Program Loan application and the accompanying documentation, including the Application Affidavit and the Seller Affidavit, for compliance with the Code. Originating Agents are required to take normal and appropriate measures to verify the information given, either independently or concurrently with credit review, when applicable. Originating Agents must cross-check all documentation to ensure that the information presented is complete and consistent. Originating Agents give warranties as to each Program Loan delivered to THDA that, among other things, each Program Loan is in compliance with the Code.

Prior to issuing a commitment to finance a Program Loan and again prior to financing a Program Loan, THDA reviews the Program Loan application submitted by the Originating Agent, which includes the borrower's application, the Application Affidavit, the Seller Affidavit, and the borrower's federal income tax returns, for compliance with the

Code. To the extent that these provisions are not complied with, the Originating Agent is contacted to provide additional explanation or documentation to enable THDA to make a determination regarding the status of the Program Loan application. If the Originating Agent does not comply with requests from THDA to correct or complete documentation for any Program Loan or if the Originating Agent fails to comply with the Guide for Originating Agents (which failure is determined in the sole discretion of THDA without regard as to whether the Originating Agent may be at fault), or if the Originating Agent violates any other agreement with THDA, the Originating Agent is required to repurchase the Program Loan.

Loan Servicing

U.S. Bank currently services approximately 93% of THDA's mortgage loan portfolio. THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. THDA anticipates servicing all new production beginning later in 2017. Thereafter, THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

THDA requires regular reports from Servicers updating the total number of Program Loans serviced and providing certain information for each Program Loan including, without limitation, delinquency and foreclosure data. THDA's agreements with Servicers (the "Servicing Agreements") provide for the collection and remittance of Program Loan payments to THDA or a designated depository. The Servicers' records relating to serviced Program Loans are subject to examination by THDA's Single Family and Internal Audit Divisions.

THDA provides each Servicer with a Guide for Servicers which sets forth complete requirements and procedures for servicing Program Loans. THDA may terminate any Servicing Agreement when there is inadequate performance by the Servicer. THDA may also require that a Servicer purchase any Program Loan from THDA at any time THDA suffers or is threatened with a material loss by reason of a Servicer's failure to perform its obligations with respect to the Program Loans under the Servicing Agreement. For information about Servicing Agreements and substantive requirements relating to servicing Program Loans, see Appendix C.

Residential Finance Program Bonds
\$23,110,000 Issue 2017-2A (AMT)
\$151,890,000 Issue 2017-2B (Non-AMT)

Ladies and Gentlemen:

We have examined a record of proceedings related to the issuance and sale of \$23,110,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-2A (AMT) (the "Issue 2017-2A Bonds"), and \$151,890,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-2B (Non-AMT) (the "Issue 2017-2B Bonds" and, together with the Issue 2017-2A Bonds, the "Issue 2017-2 Bonds") of the Tennessee Housing Development Agency ("THDA"), a body politic and corporate, constituting a political subdivision and instrumentality of the State of Tennessee (the "State"), organized and existing under the Tennessee Housing Development Agency Act, constituting Chapter 23 of Title 13 of the Tennessee Code Annotated, as amended (the "Act"), and other laws of the State. Capitalized terms used herein and not defined shall have the meanings set forth in the General Resolution (as hereinafter defined).

The Issue 2017-2 Bonds were authorized to be issued pursuant to the Act, the General Residential Finance Program Bond Resolution of THDA, adopted January 29, 2013, as amended and supplemented (the "General Resolution") and by a Resolution adopted by THDA on March 28, 2017, as amended and supplemented by a resolution of the Bond Finance Committee of THDA adopted on May 17, 2017 (together, the "Supplemental Resolution," and, together with the General Resolution, the "Resolution").

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds are and, when issued, shall, with the Issue 2017-2 Bonds (collectively, the "Residential Finance Program Bonds") be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Resolution.

The Issue 2017-2 Bonds mature in the years and in the respective principal amounts, bear interest at the respective rates and are otherwise as described in the Supplemental Resolution. The Issue 2017-2 Bonds are being issued to refund certain outstanding obligations of THDA and to make funds available to make or purchase Program Loans, as defined in the General Resolution, in accordance with the program of THDA permitted under the Resolution (the "Program").

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the delivery of the Issue 2017-2 Bonds in order that interest on the Issue 2017-2 Bonds be excluded from gross income for purposes of federal income taxation. We have examined the Resolution and other relevant single family housing program documents which set forth such various federal tax law requirements which must be met by THDA. THDA has covenanted in the Resolution to comply with such requirements of federal tax law and for such purpose, to adopt and maintain appropriate procedures.

Based upon the foregoing we are of the opinion that:

1. Under the Constitution and laws of the State, THDA has lawful power and authority, among other things, to carry out the Program, to provide funds therefor by the adoption of the Resolution and the issuance and sale of the Issue 2017-2 Bonds and to perform its obligations under the terms and conditions of the Resolution, including the financing of single family mortgage loans and collecting and enforcing the collection of revenues and prepayments as covenanted in the Resolution.

2. The Resolution has been duly adopted by THDA and is valid and binding upon THDA.
3. The Issue 2017-2 Bonds are valid and legally binding special, limited obligations of THDA and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.
4. The Resolution creates, for the benefit of the holders of the Residential Finance Program Bonds, including the Issue 2017-2 Bonds, the valid pledge of and lien on revenues, as defined in the Resolution, and moneys and securities held or set aside or to be held or set aside in the Funds and Accounts established thereunder, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.
5. Pursuant to the Resolution, THDA has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to make or purchase mortgage loans under the Program with the proceeds of the Issue 2017-2 Bonds, to do all acts and things necessary to receive and collect revenues and, when applicable, prepayments.
6. The Issue 2017-2 Bonds do not constitute a debt or liability or obligation of the State or a pledge of its full faith and credit or of its taxing power and are payable solely from the funds provided therefor pursuant to the Resolution and the Act.
7. Under existing federal laws as presently enacted and construed and assuming continuing compliance by THDA with the covenants concerning federal tax described above, (i) interest on the Issue 2017-2 Bonds is excluded from gross income of the owners thereof for federal income tax purposes; (ii) interest on the Issue 2017-2A Bonds will be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and (iii) interest on the Issue 2017-2B Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.
8. Under the laws of the State as enacted and construed on the date hereof, the interest on the Issue 2017-2 Bonds is exempt from the income tax imposed by the State on interest income; however, the Issue 2017-2 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State.

In addition to the opinions set forth in paragraph (7) above, certain individual owners of the Issue 2017-2 Bonds may have to take interest on such Issue 2017-2 Bonds into account for the purpose of calculating the amount of social security or railroad retirement benefits includible in gross income of such owners for federal income tax purposes. All owners of the Issue 2017-2 Bonds (including, but not limited to, insurance companies, financial institutions, S corporations and United States branches of foreign corporations) should consult their tax advisors concerning the effects of these and other applicable provisions of the Code on their individual tax liabilities. The extent of certain indirect tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the Resolution and the Issue 2017-2 Bonds may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

We express no opinion herein as to the adequacy or accuracy of the Official Statement pertaining to the issuance of the Issue 2017-2 Bonds.

Very truly yours,

In the opinion of Bond Counsel, under existing federal laws and assuming continuing compliance by THDA with federal tax law requirements, interest on the Issue 2017-3 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that interest on the Issue 2017-3 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Internal Revenue Code of 1986 as amended (the "Code"). In addition, Bond Counsel is of the opinion that, under existing laws of the State of Tennessee, the interest on the Issue 2017-3 Bonds is exempt from the income tax imposed by the State of Tennessee on interest income; however, the Issue 2017-3 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee. See "TAX MATTERS" herein.

OFFICIAL STATEMENT
TENNESSEE HOUSING DEVELOPMENT AGENCY
Residential Finance Program Bonds
\$99,900,000 Issue 2017-3 (Non-AMT)

INTRODUCTION

This Official Statement (the “Official Statement”) provides certain information in connection with the issuance by the Tennessee Housing Development Agency (“THDA”) of its Residential Finance Program Bonds, Issue 2017-3 in the aggregate principal amount of \$99,900,000 (the “Issue 2017-3 Bonds” or the “Offered Bonds”).

THDA is authorized to issue and sell its bonds and to conduct its other activities by Tennessee Code Annotated Sections 13-23-101 et seq., as amended (the “Act”). The issuance and sale of the Offered Bonds is authorized by the General Residential Finance Program Bond Resolution, adopted by THDA on January 29, 2013, as amended and supplemented (the “General Resolution”) and by a Resolution adopted by THDA on July 25, 2017, as amended and supplemented by the Bond Finance Committee of THDA (the “Bond Finance Committee”) on August 23, 2017 (the “Issue 2017-3 Supplemental Resolution”). The General Resolution and the Issue 2017-3 Supplemental Resolution are herein collectively referred to as the “Resolution.”

The Act requires submission to the Bond Finance Committee of THDA, which consists of the Chairman of THDA and the Comptroller of the Treasury of the State of Tennessee, the Secretary of State of the State of Tennessee, the State Treasurer of the State of Tennessee, and the Commissioner of Finance and Administration of the State of Tennessee, of a plan of financing pertaining to the sale of any bonds or notes by THDA and to request that the Bond Finance Committee sell such bonds or notes on behalf of THDA, under the terms and conditions set forth in the Act. The Bond Finance Committee approved the plan of financing with respect to Issue 2017-3 Bonds on July 24, 2017.

The Act does not permit THDA to have outstanding bonds and notes in an aggregate principal amount exceeding \$2,930,000,000, excluding bonds and notes which have been refunded. As of June 30, 2017 (unaudited), Bonds in the aggregate principal amount of \$1,302,500,000 were outstanding under the General Resolution, bonds in the aggregate principal amount of \$318,215,000 were outstanding under THDA’s Housing Finance Program Resolution (the “2009 General Resolution”), and bonds in the aggregate principal amount of \$323,335,000 were outstanding under THDA’s Homeownership Program Resolution (the “1985 General Resolution”). No bonds are outstanding under THDA’s Housing Bond Resolution (Mortgage Finance Program) (the “1974 General Resolution”). For more information see “Other Financings—Housing Bond Resolution (Mortgage Finance Program)” in Appendix E.

Bonds issued under the General Resolution, including the Offered Bonds, are and will be special limited obligations of THDA, payable solely from the revenues and assets of THDA pledged under the General Resolution for the payment of the principal and redemption price thereof and the interest thereon, including the Bond Reserve Fund established pursuant to the General Resolution, as more fully described herein under the caption “SECURITY AND SOURCES OF PAYMENT OF BONDS”. All bonds issued under the General Resolution, including the Offered Bonds, are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the Offered Bonds, are sometimes referred to herein as the “Bonds”. The security interest created by the pledge of the General Resolution is governed by Tennessee Code Annotated Sections 9-22-101 et seq., as amended, relating to the perfection, priority and enforcement of public pledges and liens (the “Public Pledge Act”). Security interests governed under the Public Pledge Act are expressly exempt from Tennessee’s codification of Article 9 of the Uniform Commercial Code.

The revenues and assets of THDA pledged under the General Resolution are not pledged as security for bonds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. The revenues and assets of THDA pledged under the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution, respectively, are not pledged as security for Bonds issued under the General Resolution including the Offered Bonds. See Appendix E for descriptions of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution.

THDA may, in the future, elect to issue bonds under the General Resolution or under the 1974 General Resolution, the 1985 General Resolution and/or the 2009 General Resolution. No assurances can be given as to whether THDA may elect to issue bonds under any one of the referenced general resolutions in the future or which of

the referenced general resolutions may be selected. Any mortgage loans and investments financed with the proceeds of any new bonds issued under any of the referenced general resolutions, except for the General Resolution, and the revenues therefrom will not be pledged to the payment of Bonds under the General Resolution, including the Offered Bonds.

THDA has no taxing power. The Bonds are not a debt, liability or obligation of the State or of any political subdivision thereof except THDA. Neither the full faith and credit nor the taxing power of the State, or of any other political subdivision thereof is pledged for the payment of principal or interest on the Bonds.

THDA expects that the proceeds of the Issue 2017-3 Bonds will be used to: (i) finance first lien single-family Program Loans (or participations therein) for single-family, owner-occupied housing (one to four dwelling units); (ii) pay capitalized interest, if any; (iii) pay Costs of Issuance, Underwriters' Fees and other transaction costs; and (iv) make a deposit to the Bond Reserve Fund, if required. See "APPLICATION OF BOND PROCEEDS." The terms and conditions of Program Loans, including Program Loans financed with amounts made available by the issuance of the Offered Bonds, are described herein under the caption "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" and in Appendix G.

As used herein, the term "Program Loans" refers to all mortgage loans (including participations therein) financed under the General Resolution and mortgage loans (including participations therein) to be financed with proceeds of the Offered Bonds, and the phrase "Program Loans allocable to (or allocated to) the Offered Bonds" refers to any new Program Loans (including participations therein) financed with the proceeds of the Offered Bonds.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the then existing Program Loan Procedures of THDA. The current Program Loan Procedures are described or otherwise referred to in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-3 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple in real property located in the State. THDA does not intend to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance. While the Issue 2017-3 Supplemental Resolution provides that all Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Currently, THDA's Program Loan portfolio under the General Resolution includes only first-lien, fixed-interest rate, single-family Program Loans with equal monthly installments of principal and interest. As of June 30, 2017 (unaudited), 13,081 Program Loans were outstanding under the General Resolution having an aggregate outstanding principal balance of approximately \$1,255,951,946. Based on the outstanding principal balance of Program Loans as of June 30, 2017, approximately 84.96% were FHA insured, approximately 1.92% were VA guaranteed, approximately 6.68% were insured by private mortgage insurance companies, approximately 4.31% were guaranteed by United States Department of Agriculture, Rural Development ("USDA/RD"), and approximately 2.13% were uninsured (i.e. Program Loans for which the borrower has at least a 22% equity interest in the residence on the date of closing, or at least a 25% equity interest in the residence on the date of closing for Program Loans closed prior to July 29, 1999, or Program Loans which were privately insured at the time of closing but have since met the requirements of the Homeowner Protection Act of 1998 for termination of private mortgage insurance). See "RESIDENTIAL FINANCE PROGRAM LOANS – Residential Finance Program Portfolio Data" and Appendix B under the heading "Private Mortgage Insurance Programs".

U.S. Bank National Association (the "Trustee") is trustee and paying agent for all Bonds issued under the General Resolution.

A brief description of the Offered Bonds, THDA and its Program Loans follows, together with summaries of the terms of the Bonds, and certain provisions of the Act, the General Resolution, the Issue 2017-3 Supplemental Resolution and other activities of THDA. Such summaries do not purport to be complete and all such summaries and references to the Act and the Issue 2017-3 Supplemental Resolution are qualified in their entirety by reference to each such document, copies of which are available from THDA or the Trustee. The General Resolution is attached hereto as Appendix D "2013 GENERAL RESOLUTION". Certain capitalized terms utilized herein are defined in Appendix D hereto.

Optional Redemption. Except as otherwise described in the follow paragraph, the Issue 2017-3 Bonds maturing on and after July 1, 2027, are subject to redemption at the option of THDA prior to their respective maturities, either as a whole or in part, at any time, on or after January 1, 2027, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest to the date of redemption.

Special Mandatory Redemption of PAC Bonds. The PAC Bonds are subject to redemption prior to their maturity, in whole or in part at a redemption price of 100% of the principal amount of such PAC Bonds to be redeemed, plus interest accrued to the date of redemption, from amounts transferred to the Redemption Account representing Excess 2017-3 Principal Payments (as defined below). Any Excess 2017-3 Principal Payments so deposited in the Redemption Account shall be applied to the redemption of PAC Bonds on any Interest Payment Date commencing January 1, 2018; provided, however, PAC Bonds may be redeemed between Interest Payment Dates on the first Business Day of any month for which adequate notice of redemption may be given.

While any PAC Bonds remain Outstanding, Excess 2017-3 Principal Payments shall be used as follows:

FIRST, if principal prepayments on the Program Loans allocable to the Offered Bonds are equal to or less than 400% PSA (as defined below under “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds”), as determined by THDA, then available Excess 2017-3 Principal Payments shall first be applied to redeem PAC Bonds up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds and, subject to the application of the 10-year rule as described below under the heading “–Mandatory Redemption – 10 Year Rule,” the

remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, other than the PAC Bonds; and

SECOND, if principal prepayments on the Program Loans allocable to the Offered Bonds are in excess of 400% PSA, as determined by THDA, then available Excess 2017-3 Principal Payments up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds shall first be applied to redeem PAC Bonds and, subject to the application of the 10-year rule as described below under the heading “*Mandatory Redemption – 10 Year Rule*,” the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, including the PAC Bonds (any such remainder used to redeem PAC Bonds being an “Excess Principal PAC Bond Redemption”); provided, however, that (i) the source of an Excess Principal PAC Bond Redemption is restricted to that portion of the available Excess 2017-3 Principal Payments which is in excess of 400% PSA, and (ii) the principal amount of an Excess Principal PAC Bond Redemption may not be an amount in excess of the then Outstanding PAC Bonds’ proportionate amount of all Issue 2017-3 Bonds then Outstanding.

“Excess 2017-3 Principal Payments” means, as of any date of computation, 100% of all regularly scheduled principal payments and prepayments on Program Loans allocable to the Offered Bonds to the extent such regularly scheduled principal payments and prepayments are not required to make regularly scheduled principal payments, including Sinking Fund Payments, on the Offered Bonds.

“Planned Amortization Amount” means the dollar amount for each Interest Payment Date set forth below. The Planned Amortization Amount represents the cumulative principal amount of the PAC Bonds assumed to be redeemed from Excess 2017-3 Principal Payments as of a particular Interest Payment Date based on receipt of principal prepayments at a 100% PSA prepayment rate for Program Loans allocable to the Offered Bonds. See “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds” for a description of PSA prepayment rates.

The Planned Amortization Amounts for the PAC Bonds (which assumes the full origination of Program Loans with proceeds allocable to the Offered Bonds in accordance with the expected schedule for such origination and receipt of principal prepayments on the Program Loans allocable to the Offered Bonds at a rate equal to 100% of the PSA prepayment rate), as of each payment date are set forth below:

PAC Bonds Planned Amortization Schedule

July 1, 2019	3,170,000
January 1, 2020	5,310,000

January 1, 2025	29,140,000
July 1, 2025	30,975,000
January 1, 2026	32,710,000
July 1, 2026	34,350,000
January 1, 2027	35,250,000

Each Planned Amortization Amount, as set forth in the table above, is subject to proportionate reduction to the extent the PAC Bonds are redeemed from amounts on deposit in the Issue 2017-3 Bonds Subaccount of the Loan Fund not applied to finance Program Loans.

For a description of the impact on the weighted average life of the PAC Bonds on the receipt of prepayments on the Program Loans allocable to the Offered Bonds at various speeds, see “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds.”

Special Optional Redemption of the Offered Bonds, including Cross Calls The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part, at any time prior to maturity, in accordance with the provisions of the Resolution, and in an amount equal to amounts available for such purposes from (i) proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans as described below under the heading “DESCRIPTION OF OFFERED BONDS – Redemption of Offered Bonds from Unexpended Proceeds”; (ii) except as otherwise described under the headings “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and “– Mandatory Redemption – 10 Year Rule”, repayments and prepayments of Program Loans allocated to the Offered Bonds in excess of regularly scheduled debt service payments on the Offered Bonds; (iii) repayments and prepayments of Program Loans financed with the proceeds of any other Bonds issued under the Resolution, subject to limitations contained in the Internal Revenue Code of 1986, as amended (the, “Code”), (iv) other amounts on deposit in the Revenue Fund of the Resolution in excess of the amounts then required for the payment of Debt Service and Program Expenses, and (v) amounts on deposit in the Bond Reserve Fund in excess of the Bond Reserve Fund Requirement; provided, however, that PAC Bonds (a) are only subject to redemption under clause (ii) above as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and (b) shall not be subject to redemption as described in clauses (iii), (iv) and (v) above if such redemption would cause amortization of the PAC Bond to exceed the related Planned Amortization Amount shown above in the PAC Bonds Amortization Schedule. The Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D “2013 GENERAL RESOLUTION”), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans.

The date of redemption shall be determined by the Trustee upon the direction of THDA, subject to the provisions of and in accordance with the Resolution. The Offered Bonds to be so redeemed shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the redemption date, if applicable; provided, however, that the redemption price of the PAC Bonds in the event of a redemption described in clause (i) of the preceding paragraph shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be so redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amount of all Offered Bonds then Outstanding in the event of a redemption pursuant to clause (i) of the preceding paragraph. See “ASSUMPTIONS REGARDING OFFERED BONDS – Prepayments” and “ASSUMPTIONS REGARDING OFFERED BONDS – THDA Redemption Practices”.

Mandatory Redemption – 10 Year Rule. To the extent not required to make regularly scheduled principal payments on the Offered Bonds (including Sinking Fund Payments) or otherwise required to be applied to the redemption of the PAC Bonds, repayments and prepayments of principal of the Program Loans or portions thereof financed with proceeds of the Offered Bonds shall be applied to redeem Offered Bonds in such principal amounts as are required to satisfy the requirements of the Code. The redemption price of Offered Bonds to be so redeemed shall be 100% of the principal amount thereof plus interest accrued to the date of redemption, if applicable. Subject to the redemption procedures under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” the Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may be redeemed in an amount that exceeds the related Planned Amortization Amount shown above in the PAC Bonds Planned Amortization Schedule only if there are no other Offered Bonds outstanding.

THDA will, to the extent required by the Code, redeem Offered Bonds from prepayments and repayments on the Program Loans or portions thereof financed with proceeds of the Offered Bonds in accordance with the following approximate 10 year rule percentages to the extent such amounts are not otherwise applied to pay maturing principal on the Offered Bonds, to redeem Offered Bonds from Sinking Fund Payments or to redeem PAC Bonds:

<u>Commencement Date</u>	<u>% Prepayments and Repayments Applied to Payment or Redemption</u>
September 28, 2017	0.00 %
September 28, 2027	100.00 %

THDA will redeem the Offered Bonds in accordance with this schedule to the extent required to comply with the Code. THDA reserves the right to modify this schedule at any time to the extent the Code permits or requires such modification.

Redemption of Offered Bonds from Unexpended Proceeds. The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part on any date, from proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans (or participations therein). In addition, the Offered Bonds are subject to mandatory redemption on July 1, 2018, in the event and to the extent that there are unexpended proceeds of the Offered Bonds on deposit in the Issue 2017-3 Bonds Subaccount of the Loan Fund on June 1, 2018, provided that such redemption date may be extended, at the option of THDA, and subject to the satisfaction of the conditions set forth in the Issue 2017-3 Supplemental Resolution, including without limitation, provision of a Projected Cash Flow Statement.

Notwithstanding any extension of the redemption date described above, in order to satisfy requirements of the Code, the Offered Bonds are subject to mandatory redemption on March 1, 2021, to the extent any amounts remain on deposit in the Issue 2017-3 Bonds Subaccount of the Loan Fund on February 1, 2021.

Offered Bonds to be redeemed from the unexpended proceeds shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the date of redemption, if applicable; provided, however, that the redemption price of the PAC Bonds and the Issue 2017-3 Bonds maturing on July 1, 2042 (the "2042 Term Bond") shall be the issue price thereof (par plus initial premium) plus accrued interest to the redemption date. The Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amounts of all Offered Bonds then Outstanding.

Selection By Lot

If less than all of the Issue 2017-3 Bonds of like series and maturity are to be redeemed, the particular Issue 2017-3 Bonds of such series and maturity to be redeemed shall be selected by lot in accordance with the General Resolution.

Notice of Redemption

When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds and when redemption of Bonds is required by the Resolution, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth, in summary terms, the conditions precedent to such redemption and that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

SECURITY AND SOURCES OF PAYMENT OF BONDS

Security of Bonds and Sources of Payment

The Bonds are special limited obligations of THDA payable solely from the revenues and assets of THDA pledged under the General Resolution. Subject only to the provisions of the General Resolution permitting the application of certain monies for the purposes and under the terms set forth therein, and to the payment to the Trustee and the Paying Agents and depositories of compensation for their services and expenses, such Bonds are secured equally and ratably by a pledge of the following:

(a) Revenues, which include scheduled, delinquent and advance payments of principal of and interest on Program Loans made pursuant to the General Resolution (less the amount thereof retained by the servicers as compensation for services rendered in connection with the Program Loans and for other payments, including those for guaranty or insurance of Program Loans and for taxes, assessments and insurance premiums) and the net income, if any, derived by THDA from premises owned by THDA as a result of action taken in the event of a default on a Program Loan;

(b) Non-Mortgage Receipts, which includes all interest earned or gain realized in excess of losses from investment of the amount in any Fund or Account established under the General Resolution;

(c) All Funds and Accounts created by the General Resolution, including the Bond Reserve Fund, and monies and securities therein (see Appendix D "2013 GENERAL RESOLUTION"); and

(d) All right, title and interest of THDA in and to the Program Loans made or purchased pursuant to the General Resolution.

THDA has no taxing power. The Bonds do not constitute a debt, liability or obligation of the State or any other political subdivision thereof (except THDA). Neither the full faith and credit nor taxing power of the State or of any other political subdivision thereof is pledged for the payment of the principal of, redemption price or interest on the Bonds. The Bonds are payable solely from the funds provided therefor pursuant to the General Resolution.

Bond Reserve Fund

The Act authorizes THDA to establish one or more reserve funds. THDA has established a Bond Reserve Fund for the Bonds and the General Resolution provides that THDA may not issue any Bond unless the amount in the Bond Reserve Fund is at least equal to the "Bond Reserve Fund Requirement." The Bond Reserve Fund Requirement is the greater of (i) an amount equal to the aggregate of the respective amounts for each series of Bonds established in the Supplemental Resolution authorizing such series or (ii) an amount equal to 3% of the sum of (A) the then current balance of Program Loans (other than Program Loans underlying Program Securities) and (B) any other amount on deposit in the Loan Fund which has not been designated to provide for the payment of Costs of Issuance, capitalized interest or the purchase of Program Securities. On the date of issuance of the Offered Bonds, the Bond Reserve Fund will contain an amount at least equal to the Bond Reserve Fund Requirement. The Resolution requires that if, on any Interest Payment Date or Redemption Date, there is not a sufficient amount available in the Revenue Fund and the Redemption Fund, if applicable, to provide for interest or principal and sinking fund installments maturing and becoming due on the

Bonds, the Trustee must transfer the amount of the deficiency from the Bond Reserve Fund to the extent necessary to make good the deficiency.

Additional Bonds

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds, when issued, shall, with the Offered Bonds and other outstanding bonds, be entitled to the equal benefit, protection, and security of the provisions, covenants and agreements of the General Resolution, except as otherwise described herein.

ASSUMPTIONS REGARDING OFFERED BONDS

General

The General Resolution requires THDA to file Projected Cash Flow Statements with the Trustee periodically in connection with various actions THDA may take pursuant to the General Resolution including, without limitation, the issuance of Bonds. (See Appendix D "2013 GENERAL RESOLUTION" for a description of Projected Cash Flow Statements and the circumstances under which they are required.) A Projected Cash Flow Statement meets the requirements of the General Resolution if it shows that sufficient amounts will be available under the General Resolution to pay Debt Service on Bonds Outstanding under the General Resolution, including the Offered Bonds, and Program Expenses and that the amount of all assets held under the General Resolution equals or exceeds the total liability of all Bonds Outstanding under the General Resolution. In connection with the preparation of Projected Cash Flow Statements, THDA makes certain assumptions concerning revenues derived from Program Loans, Program Expenses, rate and amount of prepayments, earnings on investments, rate of origination of Program Loans, and Bond redemptions.

It is a condition to the issuance of the Offered Bonds that THDA shall have prepared and filed a Projected Cash Flow Statement (the "Projected Cash Flow Statement"). The Projected Cash Flow Statement will be based, among other assumptions, on the assumptions that THDA originates approximately \$99,900,000 of thirty year Program Loans (or participations therein) bearing interest at a weighted average interest rate of approximately 4.61%. The Projected Cash Flow Statement shall evidence that, upon the issuance of the Offered Bonds, sufficient amounts will be available under the General Resolution to pay Debt Service for all Bonds Outstanding, including the Offered Bonds. THDA believes the assumptions to be used in connection with the preparation of the Projected Cash Flow Statement are reasonable. THDA cannot, however, guarantee that actual results will not vary materially from such assumptions. If subsequent events do not correspond to such assumptions, the amount of Revenues available to make payments of principal and interest on the Bonds, including the Offered Bonds, when scheduled, may be adversely affected and the expected life of the Offered Bonds may be affected.

Payments of Principal and Interest on the Bonds

The Projected Cash Flow Statement assumes that payments of principal and interest on the Offered Bonds will be made, when scheduled, from scheduled payments and prepayments of principal and interest on the Program Loans (or portions thereof) allocable to the Offered Bonds and from other moneys available under the Resolution including, without limitation, income expected to be derived from the investment of monies in the funds and accounts established under the Resolution. For purposes of preparing the Projected Cash Flow Statement, it has been assumed that scheduled payments of principal and interest on the Program Loans will be received 29 days from the date on which they are due. Such sources of available monies may be insufficient to make such payments in the event that (i) regularly scheduled payments on Program Loans are not made on a timely basis in accordance with their terms, (ii) THDA incurs uninsured losses in connection with the foreclosure of Program Loans or insured losses which the insurer does not pay, (iii) THDA is not able to finance Program Loans in accordance with its expectations, (iv) actual investment rates on Investment Securities are less than those assumed, or (v) prepayments are not received as anticipated to the extent the Projected Cash Flow Statement was based on an assumed level of prepayments.

Program Loans

Certain moneys made available from the issuance of the Offered Bonds will be deposited in the Issue 2017-3 Bond Subaccount of the Loan Fund and will be used to continue THDA's program of financing Program Loans for single family, owner occupied residential housing for low and moderate income persons and families. Although THDA may use amounts made available as a result of the issuance of Offered Bonds to finance Great Choice Program Loans, New Start Program Loans, and Homeownership for the Brave Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans. In addition, THDA may use amounts made available from the issuance of the Offered Bonds to finance Program Loans on a blended basis with proceeds of other bonds of THDA,

including participation interests bearing interest at 0% in order to satisfy mortgage yield limitations of the Code. See “RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans” for descriptions of the various Program Loan products and Appendix G “RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES” for more information about specific program requirements.

Program Loans are made on a continuing, first-come, first served basis by Originating Agents approved by THDA. The Projected Cash Flow Statement assumes that Program Loans (or participations therein) financed with the proceeds of the Issue 2017-3 Bonds will be first-lien, thirty-year, fixed-rate mortgages, with equal monthly installments of principal and interest bearing interest at a weighted average of 4.61% and that Program Loans purchased by THDA from Originating Agents will be purchased at par.

THDA's general policy is to maintain a steadily available supply of funds to finance program loans at competitive interest rates. THDA generally establishes interest rates for its program loans in connection with the sale of bonds by taking into account the maximum permitted interest rate under the Code and the spread between that rate and the then prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. THDA prefers to maintain the same interest rates throughout the period of origination of program loans for each issue of bonds; however, THDA regularly reviews these interest rates in light of market conditions and retains the flexibility to modify its interest rates to meet changing needs and conditions. No assumptions can be made regarding the length of time an interest rate set by THDA will remain available or what effect a particular interest rate will have on the origination of Program Loans.

Nonorigination of Program Loans

While THDA retains the flexibility to modify the interest rates at which Program Loans are offered, there are circumstances under which these interest rates may not be competitive with prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. Under these circumstances, it will be more difficult for THDA to originate Program Loans. The ability of THDA to finance Program Loans on a blended basis with proceeds of other bonds of THDA or otherwise may also be affected by the availability of residences that meet THDA's acquisition cost limits and the willingness of potential borrowers to assume potential federal recapture tax liability. Although THDA expects that all lendable proceeds available from the Issue 2017-3 Bonds will be used to finance Program Loans, no assurance can be given whether this will occur or the speed at which this may occur.

The last transaction that resulted in an unexpended proceeds redemption was THDA's Homeownership Program Bonds, Issue 1996-3 under the 1985 General Resolution. Notwithstanding past performance, no assurances can be given that proceeds from Issue 2017-3 Bonds will be fully expended for Program Loans.

THDA began committing Program Loans against the expected proceeds from the Offered Bonds on July 26, 2017. As of August 14, 2017, THDA has committed a total principal amount of approximately \$14,418,000 of Program Loans, all of which are Great Choice Program Loans and Homeownership for the Brave Program Loans, that will be allocated to the Offered Bonds. See “RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans”. Assuming successful pricing and closing of the Offered Bonds, THDA expects to reimburse itself on the day of closing for all Program Loans previously purchased, if any.

Changes in Federal or State Law

Legislation affecting the Offered Bonds and THDA's single family mortgage loans may be considered and enacted by the United States Congress or the Tennessee General Assembly. No assurance can be given that the consideration or enactment of any such legislation will not have an adverse effect on the value of, the timing or amount of payments of, or the security for the Offered Bonds or other risks.

In recent years a number of financial institutions and related entities have announced large losses as a result of their mortgage activities and the increasing number of defaults and foreclosures on such mortgages. The United States Congress has passed the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and may pass additional legislation impacting the origination and servicing of mortgage loans. Likewise, the Tennessee General Assembly may enact legislation relating to mortgage loan origination and servicing. The Dodd-Frank Act has not, to date, had a material adverse effect on THDA's single family mortgage program, including its ability to originate new single family mortgage loans, to collect payments under single family mortgage loans and to foreclose on property securing single family mortgage loans; however, additional legislation, if enacted, or regulations, if promulgated to effectuate the purposes of the Dodd-Frank Act or other state or federal regulations, could have an adverse effect on THDA's activities.

A number of state regulatory authorities have taken action in recent years against certain loan originators and servicers for alleged violations of state laws. Certain of those actions prohibit those servicers from pursuing foreclosure actions. In response to alleged abusive lending and servicing practices, the State of Tennessee could enact legislation or implement regulatory requirements that impose limitations on the ability of mortgage loan servicers to take actions (such as pursuing foreclosures) that may be essential to service and preserve the value of the single-family loans. Any such limitations that applied to the THDA's single-family loans could adversely affect the THDA's ability to collect amounts due on such loans and could impair the value of such loans.

Prepayments

THDA, from time to time, receives monies from (i) partial or complete prepayment of Program Loans (which is permitted, without penalty) or (ii) termination of Program Loans prior to their respective final payment date due to default, sale, condemnation or casualty loss. In addition, the Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D "2013 GENERAL RESOLUTION"), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans. The rate at which such prepayments, if any, of Program Loans will be received by THDA cannot be predicted. The actual rate of such prepayments may be influenced by a variety of economic, social and other factors, including proposed legislative and regulatory changes and there is no reliable basis for predicting the actual average life of the Program Loans. Consequently, THDA makes no assumptions or representations as to the factors that will affect the rate of prepayments, if any, or the relative importance of such factors and their potential impact on the actual average life of Program Loans and the expected life of the Offered Bonds. To the extent THDA is required or elects to redeem the Offered Bonds, it is probable that the Offered Bonds will have a shorter life than their stated maturity.

Subject to the requirements of the General Resolution, the resolutions to be adopted in connection with other series of Bonds under the General Resolution and the Code, such prepayments may (i) be required to pay regularly scheduled debt service to the extent a series of the Bonds was based upon an assumed prepayment level; (ii) be used to redeem Bonds of the related series; (iii) be used to redeem Bonds of any series; or (iv) be recycled into additional Program Loans. Further, prepayments attributable to the Program Loans financed with the proceeds of the Offered Bonds, or other Bonds, or portions thereof, may or will be applied to redeem Offered Bonds as described herein under "DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds," "- Special Optional Redemption of the Offered Bonds, including Cross Calls" and "- Mandatory Redemption – 10-Year Rule".

THDA Redemption Practices

The Resolution specifies, and the resolutions to be adopted in connection with other series of Bonds under the General Resolution will specify, when THDA is required to redeem Bonds and when THDA may elect to redeem Bonds. See "DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds."

To the extent THDA has discretion to redeem Bonds and select the maturities and series to be redeemed, THDA's general redemption policy had been to first redeem those Bonds bearing the highest interest rate; however, due to universal cap implications and economic decisions by THDA, THDA's current general redemption policy is to call term bonds on a pro-rata basis within bond issues or to redeem the highest coupon serial bonds where doing so would reduce debt service requirements under the Resolution when possible. Adherence to either policy may be affected by a series of factors including, but not limited to, (i) certain restrictions or limitations imposed by the Code including, but not limited to, 10-year rule requirements and universal cap considerations; (ii) certain limitations or restrictions imposed by the Resolution and/or resolutions adopted in connection with other series of Bonds under the General Resolution including, but not limited to, redemption provisions; (iii) economic considerations; (iv) cash flow requirements; and (v) the amount of prepayments and other monies available to THDA for optional redemption of Bonds.

These factors are regularly considered in determining which Bonds may be selected for redemption. No assumptions or representations can be made as to how or which of these factors or whether any other factors will affect THDA's determination, from time to time, regarding particular Bonds selected for redemption.

Payment of Program Expenses

The General Resolution authorizes payment of all Program Expenses from the Debt Service and Expense Account of the Revenue Fund established under the Resolution, so long as the Debt Service and Expense Account and the Bond Reserve Fund contain amounts sufficient to meet the requirements of the General Resolution. See Appendix D "2013 GENERAL RESOLUTION" for a description of Program Expenses. THDA expects to use funds on deposit in the

Debt Service and Expense Account of the Revenue Fund to pay Costs of Issuance, Underwriters' fees, initial Trustee's fees, and other similar costs associated with the Offered Bonds and may continue to do so in connection with future Bond issues or may pay such costs and fees from Bond proceeds in future transactions. In addition, THDA expects to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees and expenses and other similar costs, from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from other THDA bond resolutions and from other resources available to THDA. No assurances can be provided that THDA will not withdraw funds from the General Resolution in the future to pay all Program Expenses or other operating and administrative costs and expenses. For more information about the payment of Program Expenses and other operating and administrative costs of THDA, see "THDA – THDA Funds". THDA does not currently receive funds from the State of Tennessee for operating and administrative costs and expenses.

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions.

Investment Assumptions

Estimated available investment income attributable to the Offered Bonds is calculated assuming that (i) existing Investment Securities in the Revenue Fund and the Bond Reserve Fund pay scheduled interest and principal payments until the earlier of their call date or maturity date; (ii) proceeds of Investment Securities and other receipts in the Revenue Fund are invested at 0% per annum; and (iii) funds on deposit in the Issue 2017-3 Bond Subaccount of the Loan Fund prior to origination of Program Loans, are invested at a rate of 0% per annum.

There can be no assurance that the Investment Securities will provide the investment income projected. If THDA experiences losses or delays in payments on the Investment Securities, there may be insufficient funds to make payments of principal and interest on the Offered Bonds when scheduled.

Average Life of PAC Bonds

The term "weighted average life" refers to the average amount of time that will elapse from the date of issuance of a security until each dollar of principal of such security will be repaid to the investor. The weighted average life of the PAC Bonds will be influenced by the rate at which principal of the Program Loans allocated to the Offered Bonds is repaid. Principal payments of Program Loans may be in the form of scheduled amortization or prepayments (for this purpose, the term "prepayment" includes prepayments and liquidations due to default or other dispositions of the Program Loans, including payments on FHA mortgage insurance, VA guarantees, and private mortgage insurance policies). Prepayments on mortgage loans are commonly measured by a prepayment standard or model. The model used in the following discussion is the Securities Industry and Financial Markets Association (formerly known as the Public Security Association ("PSA")) prepayment standard or model (commonly referred to as the "PSA Prepayment Model").

The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of a pool of mortgage loans, beginning at the inception of each mortgage loan. The PSA Prepayment Model starts with 0.2% annualized prepayment rate in the first month, increases the prepayment rate by 0.2% in each succeeding month until the thirtieth month (when a 6.0% annualized prepayment rate is reached) and then assumes a constant prepayment rate of 6.0% per annum of the unpaid principal balance for the remaining life of the mortgage loans.

Prepayment speeds are commonly referred to as a percentage of the PSA Prepayment Model. For instance, "0% PSA" assumes no prepayments of principal on the Program Loans. "25% PSA" assumes the principal of Program Loans will prepay one-quarter as fast as the prepayments rates for 100% of the PSA Prepayment Model. "50% PSA" assumes the principal of Program Loans will prepay one-half as fast as the prepayments rates for 100% of the PSA Prepayment Model. "75% PSA" assumes the principal of Program Loans will prepay three-quarters as fast as the prepayments rates for 100% of the PSA Prepayment Model. "100% PSA" assumes the principal of Program Loans will prepay as fast as the prepayments rates for 100% of the PSA Prepayment Model. "200% PSA" assumes the principal of Program Loans will prepay at a rate twice as fast as the prepayments rates for 100% of the PSA Prepayment Model. "300% PSA" assumes the principal of Program Loans will prepay at a rate three times as fast as the prepayments rates for 100% of the PSA Prepayment Model. "400% PSA" assumes the principal of Program Loans will prepay at a rate four times as fast as the prepayments rates for 100% of the PSA Prepayment Model. "500% PSA" assumes the principal of Program Loans will prepay at a rate five times as fast as the prepayments rates for 100% of the PSA Prepayment Model.

There is no assurance, however, that prepayments of the principal on Program Loans will conform to any particular level of the PSA Prepayment Model. The rate of principal payment on pools of mortgage loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage loan interest rates, the rate at which homeowners sell their homes or default on their mortgage loans and changes in mortgagors' housing needs, job transfers, unemployment and mortgagors' net equity in the mortgage properties. In general, if prevailing interest rates fall significantly, the Program Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on the Program Loans. As homeowners move or default on their mortgage loans, the houses are generally sold and the mortgage loan prepaid, although under certain circumstances, the mortgage loans may be assumed by a new buyer. Because of the foregoing influences upon prepayments and since the rate of prepayment of principal of Bonds will depend on the rate of repayment (including prepayments) of the Program Loans, the full repayment of any Bonds is likely to occur earlier, and could occur significantly earlier, than its stated maturity.

The Program Loans allocable to the Offered Bonds may be terminated prior to final maturity as a result of prepayment, default, sale, condemnation, casualty loss or noncompliance. In addition, matters discussed under "Changes in Federal or State Law" above could have an effect on terminations. Consequently, it is impossible to predict the timing of the repayment of principal of the Program Loans allocable to the Offered Bonds and hence the weighted average life of the PAC Bonds. THDA has provided for the redemption of the PAC Bonds as described under the heading "DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds—Special Mandatory Redemption of PAC Bonds", and the weighted average lives of the PAC Bonds set forth below have been calculated based upon various assumptions, including assumptions that (i) 100% of the money deposited in the Issue 2017-3 Bond Subaccount of the Loan Fund is applied to finance Program Loans, (ii) Excess 2017-3 Principal Payments will be used to redeem PAC Bonds only on Interest Payment Dates, and (iii) the PAC Bonds will be redeemed only in the Planned Amortization Amounts as described under the heading "DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds" and will not otherwise be redeemed in whole or in part. There can be no assurance that such assumptions will in fact prove accurate.

THDA began committing Program Loans against the expected lendable proceeds from the Offered Bonds on July 26, 2017, and as of August 14, 2017, THDA has committed a total principal amount of approximately \$14,418,000 of Program Loans that will be allocated to the Offered Bonds, all of which are Great Choice Program Loans or Homeownership for the Brave Program Loans. THDA expects to reimburse itself for the full original principal amount of the Program Loans purchased as of the day of closing, if any.

RESIDENTIAL FINANCE PROGRAM LOANS

Description of Residential Finance Program Loans

General

THDA generally offers a primary loan program and may, from time to time, offer certain special loan programs. THDA Household Income Limits and THDA Acquisition Cost Limits for all loan programs are set in compliance with Code requirements. Household Income Limits and Acquisition Cost Limits may be further restricted for certain special loan programs. The current THDA Acquisition Cost Limits range from \$250,000 to \$375,000 depending on geographic location. The THDA Household Income Limits range from \$57,480 to \$96,180 depending on household size and geographic location. See Appendix G for a description of Residential Finance Program Loan Procedures related to Code requirements.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-3 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple estate in real property located in the State. THDA does not expect to use lendable proceeds of the Offered Bonds to purchase participations in Program Loans insured by private mortgage insurance. While the Issue 2017-3 Supplemental Resolution provides that Program Loans, or participations therein, to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Since June 15, 2015, THDA has applied underwriting standards for Program Loans made after that date that, among other things include a minimum credit score of 640 for all borrowers and a required monthly debt to income ratio that does not exceed 45%. Program Loans financed prior to such date were underwritten under different underwriting standards. THDA may, from time to time, initiate certain special limited programs for which some of these requirements may be waived.

On or before September 30, 2013, the THDA primary loan program included Great Rate loans, Great Advantage loans, Great Start loans and Homeownership for the Brave loans, all as described below. Since October 1, 2013, the THDA primary loan program has included Great Choice Program Loans and Homeownership for the Brave Program Loans, all as described below.

On or before September 30, 2013, THDA provided downpayment and closing cost assistance in the form of a grant that was available in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made. Since October 1, 2013, THDA has provided downpayment and closing cost assistance in the form of Great Choice Plus Program Loans as described below. As of March 1, 2017, THDA began providing additional downpayment and closing cost assistance through its Hardest Hit Fund Down Payment Assistance program as described below.

Great Choice Program Loans

Since October 1, 2013, THDA has made Great Choice Program Loans available to eligible borrowers. Great Choice Program Loans are thirty year, fixed interest rate loans, fully amortized with full documentation and secured by a first lien on the property purchased. The interest rate for Great Choice Program Loans is set at a rate which results in the yield on such Program Loans not in excess of 1.125% above the yield on the related issue of bonds. The current interest rate for Great Choice Program Loans is 4.625%.

See Appendix B for a summary of the mortgage insurance or guarantee programs applicable to these Program Loans.

Great Choice Plus Loans

Since October 1, 2013, THDA has made Great Choice Plus loans available to eligible borrowers. Great Choice Plus loans are loans for downpayment and closing cost assistance and are available at the election of eligible borrowers in connection with Great Choice Program Loans. From October 1, 2013, to September 30, 2014, they were ten year, 0% interest rate loans in a principal amount equal to 4% of the purchase price of the property purchased. From October 1, 2014, to September 30, 2016, Great Choice Plus Loans were 0% interest, deferred, forgivable second lien loans with a fifteen year term. During the first ten years of the term, no monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. From years eleven through fifteen, each Great Choice Plus loan will be forgiven at twenty percent per year and the amount due on sale will be reduced by the forgiven amount. Great Choice Plus loans are secured by a second lien on the property purchased, are due on sale and are not assumable.

Since October 3, 2016, Great Choice Plus Loans are thirty year 0% interest rate second lien loans in a principal amount up to 5% of the purchase price of the property purchased. No monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. The full original principal amount will be forgiven at the end of the thirty year term.

At the election of THDA, Great Choice Plus loans may be financed with proceeds of Bonds issued under the Resolution or from other resources available to THDA, including, without limitation, excess funds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. To date, all Great Choice Plus loans have been financed with other resources available to THDA. THDA does not expect that Great Choice Plus loans will be funded with the proceeds of the Offered Bonds. No assurance can be provided, however, that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Great Choice Plus loans with the proceeds of such Bonds. In the event proceeds of future series of Bonds are used to fund Great Choice Plus loans, such loans will constitute Program Loans, will be subject to the lien of the General Resolution and will be a portion of the sources of payment of and security for the Bonds.

Hardest Hit Fund Down Payment Assistance

In March 2017, THDA began providing \$15,000 in downpayment assistance from the fifth round of federal Hardest Hit Fund funding ("HHF-DPA") to eligible borrowers who qualify for THDA Great Choice loans and who are purchasing existing homes in one of fifty-five zip codes in thirty Tennessee counties. HHF-DPA is secured by a second deed of trust for a ten year term. HHF-DPA does not bear interest, and there are no monthly payments, but it is due on sale. HHF-DPA is forgiven at 20% per year in years six through ten. A THDA approved Homebuyer Education course is also required.

New Start Program Loans

New Start Loan Program Loans are designed to promote the construction of new homes for very low-income Tennesseans. New Start Loan Program Loans are delivered through non-profit organizations with established programs for the construction of single family housing for low and very low income households. The non-profit organization selects the homebuyer, determines eligibility, constructs the home, provides homebuyer education, originates, processes, closes and services the New Start Program Loan. New Start Program Loans are serviced by the Federation of Appalachian Housing Enterprises, Inc., as of January 1, 2015. New Start Program Loans have loan terms up to thirty years and are secured by a first lien on the property purchased. A 0% interest rate is available to borrowers who have a maximum family income of 60% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. As of December 1, 2016, the maximum loan amount was increased to \$123,750 for Maury, Williamson, Davidson, Rutherford, Wilson and Sumner Counties. An interest rate equal to one-half of the current interest rate for Great Choice Program Loans is available to borrowers who have a maximum family income of 70% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. All other THDA Program Loan requirements remain applicable.

As of June 30, 2017 (unaudited), 116 New Start Program Loans, with an aggregate principal balance of approximately \$5,705,222, were outstanding under the General Resolution. Although THDA may use amounts made

available as a result of the issuance of the Offered Bonds to finance New Start Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans.

Homeownership for the Brave

Homeownership for the Brave Program Loans are available to eligible borrowers at a ½-percentage point reduction on the otherwise applicable loan program. Active and retired members of the military and reservists (180 days active duty) and spouses, and surviving spouses of qualified veterans are all eligible to receive this reduction.

As of June 30, 2017 (unaudited), 222 Homeownership for the Brave Program Loans, with an aggregate principal balance of approximately \$24,988,334, were outstanding under the General Resolution. Eligible borrowers will also be eligible for Great Choice Plus loans. THDA may continue to finance Homeownership for the Brave Loans, from time to time, from the proceeds of the Offered Bonds as well as from the proceeds of other Bonds.

Disaster Relief and Economic Recovery Mortgage Program

THDA made Disaster Relief and Economic Recovery Mortgage Program Loans from funds available under the 1974 General Resolution. In connection with Issue 2013-1 Bonds issued under the General Resolution, certain of these Disaster Relief and Economic Recovery Program Loans became transferred program loans allocable to the Issue 2013-1 Bonds under the General Resolution.

As of June 30, 2017 (unaudited), 179 Disaster Relief Program Loans, with an aggregate principal balance of approximately \$10,218,047, were outstanding under the General Resolution. THDA no longer makes loans of this type.

Great Rate/Great Advantage/Great Start Program Loans

Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were available to qualified borrowers prior to October 1, 2013. Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were thirty year, fixed interest rate loans, fully amortized, with full documentation, and secured by a first lien on the property purchased. Interest rates for each type of Program Loan were established at rates which resulted in a blended yield on such Program Loans not in excess of 1.125% above the yield on the related issue of Bonds. THDA also provided downpayment and closing cost assistance in the form of a grant in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made.

As of June 30, 2017 (unaudited), 2,878 Great Rate, 135 Great Advantage, and 1,810 Great Start Program Loans, with an aggregate principal balance of approximately \$401,714,083, were outstanding under the General Resolution.

Residential Finance Program Portfolio Data

General

As of June 30, 2017 (unaudited), 13,081 Program Loans for single family owner-occupied housing having an aggregate outstanding principal amount of approximately \$1,255,951,946 were outstanding under the General Resolution. These Program Loans had an approximate remaining weighted average maturity of 307.10 months and an approximate weighted average interest rate of 4.50%.

Privately Insured Program Loans

Since January 2, 2009, THDA has not purchased conventional, privately insured loans because no private mortgage insurers, since January 2, 2009, have or have had ratings of at least 'AA' by Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc. ("S&P"). Should any private mortgage insurers regain a rating of at least 'AA' from S&P, THDA will reconsider whether to resume purchasing conventional loans. Notwithstanding the foregoing, certain Program Loans allocated to Bonds under the General Resolution, either upon their direct transfer to the General Resolution or upon the refunding of other THDA obligations, are privately insured and are shown under the heading "Privately Insured" in the chart above.

Each private mortgage insurer insuring conventional, privately insured Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least 'AA' by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least 'AA' by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

Delinquency and Foreclosure Process

For all Program Loans, THDA tracks (i) exceptions to normal, expected monthly payments; (ii) individual Program Loan balances; and (iii) remittances based on automated data received directly from its Servicers. THDA uses this data to calculate delinquency rates and foreclosures. Those Program Loans for which two payment dates have

passed with no payment received by the last business day of the month in which the second payment was due are considered 60 to 89 days past due. Those Program Loans for which three or more payment dates have passed with no payments received by the last business day of the month in which the third payment was due are considered 90 or more days past due. The status of Program Loans to borrowers who are in bankruptcy is fixed beginning at the time bankruptcy proceedings commenced. The definitions used by THDA to calculate delinquency rates and foreclosure rates are consistent with those used by the Mortgage Bankers Association of America ("MBA").

The financial institutions who service Program Loans manage delinquencies by working with borrowers in an attempt to avoid defaults and by sending payment requests to borrowers who are delinquent. THDA supports counseling programs for delinquent as well as prospective borrowers. These counseling services are provided by lenders, non-profit organizations and social service agencies located throughout the State. THDA maintains an inventory of housing counseling services, reviews materials used, and encourages grant recipients to provide counseling.

THDA

Purpose and Organization

THDA is a body, politic and corporate, and a political subdivision and instrumentality of the State. THDA was established in 1973 by the Act for the purpose, among other things, of raising funds through the issuance of its bonds and notes to assure a steady flow of production of new housing units for lower and moderate income persons and families. To carry out its public purposes, THDA has various powers under the Act including, without limitation, powers relating to the issuance of bonds or notes and the financing of residential housing in the State.

In accordance with Tennessee law, state entities, including THDA, are subject to periodic review by the General Assembly to evaluate the necessity for their continued existence. THDA's existence has been continued until June 30, 2018.

Under the Act, THDA may have bonds and notes outstanding in an aggregate principal amount not exceeding \$2,930,000,000. As of June 30, 2017 (unaudited), THDA has bonds and notes outstanding in an aggregate principal amount of \$1,944,050,000, calculated in accordance with the Act.

Board of Directors

THDA is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of THDA. The Act provides that six board members be appointed by the Governor from among the following groups: retail building material supply, manufactured housing, home building, mortgage banking, licensed real estate brokers, local public housing authority, local government and qualifying non-profits. The Act also provides for a board member to be appointed by the Speaker of the State Senate, a board member to be appointed by the Speaker of the State House of Representatives, one at-large board member appointed by the Governor who is knowledgeable about the problems of inadequate housing conditions in Tennessee and any board members as may be required by applicable federal law or regulation. Any change in the status or profession of an appointed board member does not affect the position or term of that board member. The Executive Director of THDA serves as Secretary to the board.

Board members (other than *ex officio* members and the federally required resident member) are appointed for four year terms, serve until their successors are duly appointed and qualified, and receive no compensation except for reimbursement of expenses. Certain board members may be affiliated with institutions which may originate or service Program Loans on behalf of THDA. One of the appointed board members is designated by the Governor to serve as Chairman. The Chairman's term extends until the earlier of the date of expiration of his or her term or a date six months after expiration of the term of the Governor designating such Chairman.

THDA Funds

Statutorily Created Funds

In 1988, the General Assembly of the State of Tennessee (the "State") amended the Act to provide, among other things, for the creation of the Housing Program Fund and the Assets Fund, which funds are financially separate from the General Resolution and all of the other general bond resolutions and mortgage loan programs of THDA.

The Housing Program Fund is the vehicle used by THDA to fund non-mortgage programs not otherwise funded through federal programs. Essentially, all revenues of THDA derived from sources other than the General Resolution or other bond resolutions are deposited into the Housing Program Fund. Amounts in the Housing Program Fund currently include investment income from the Housing Program Fund, federal funds received by THDA for the administration of federal programs, and fees charged by THDA in connection with its non-mortgage programs. Amounts in the Housing Program Fund are not pledged as security for the Offered Bonds.

The Assets Fund is a segregated fund of THDA that originally contained assets transferred in 1989 from the 1974 General Resolution in accordance with its terms, together with related investment earnings, but which presently has a balance of \$0. Amounts in the Assets Fund, if any, are not pledged as security for the Offered Bonds.

Prior Transfers from THDA

The Constitution of the State requires, for current operations, that expenditures for any fiscal year not exceed the State's revenues and reserves, including the proceeds of any debt obligations, for that year. When faced with budget deficits in the past, the State has called upon THDA and its resources, together with resources of other departments, agencies and organizations in state government, to provide funds to the State General Fund to balance the State budget. The following is a description of these occurrences in relationship to THDA.

As of June 30, 1995, \$15,000,000 in THDA's Housing Program Reserve Fund was transferred to the State General Fund to assist in balancing the State budget for fiscal year 1994-1995.

As of June 30, 1998, \$43,000,000 was transferred from THDA to the State General Fund to assist in balancing the State budget for fiscal year 1997-1998. The \$43,000,000 transferred from THDA to the State General Fund came from the following resources of THDA: (i) \$15,459,157 from state tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. In addition, in conjunction with the transfer from the Housing Program Reserve Fund described in clause (ii), the Housing Program Reserve Fund was statutorily abolished.

Amendments to the Act in 1999 and in 2000, temporarily, then permanently, redirected to the State General Fund, all tax revenue previously directed by the Act to THDA for the HOUSE Program, a grant program no longer administered by THDA. As a result of the permanent redirection of these state tax revenues, no state tax revenues currently are appropriated to THDA.

As of June 30, 2002, \$35,367,449.26 was transferred from THDA's Assets Fund to the State General Fund to assist in balancing the State budget for fiscal year 2001-2002. The remaining balance of the Assets Fund, approximately \$1,387,000 of mortgage loans, was not required to be liquidated and the proceeds transferred. THDA subsequently transferred these mortgage loans to the General Fund of the Housing Bond Resolution (Mortgage Finance Program) which reduced the balance in the Assets Fund to \$0.

No additional resources of THDA have been redirected or transferred to the State General Fund to close out any fiscal year since the fiscal year ending June 30, 2002.

Notwithstanding the foregoing, if projected State budget needs outstrip actual or projected revenues, the State may seek additional sources of funds or seek to realize program savings through reductions or more efficient delivery of services; however, THDA cannot predict whether or not this will occur or, if it does, what actions may be proposed or eventually taken and what effect, if any, such actions may have on THDA. If action is taken to redirect or transfer THDA resources to the State General Fund, such amounts could include THDA resources that are not pledged to any bonds of THDA, as well as any available excess revenues eligible for withdrawal under THDA bond resolutions, including the General Resolution. No assurance can be made that the current ratings on the Bonds or other bonds of THDA can be maintained in the event funds are withdrawn from THDA bond resolutions, including the General Resolution.

Payment of THDA Operating Expenses, Including Program Expenses

THDA currently receives no funds from the State of Tennessee for operating and administrative expenses. THDA is authorized to pay all operating and administrative expenses, including certain Program Expenses of the General Housing Finance Program, with funds available therefor from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. THDA may pay certain expenses, such as Costs of Issuance, Underwriter's fees, initial Trustee's fees, and other similar costs from amounts on deposit in the Debt Service and Expense Account of the Revenue Fund. THDA currently expects to continue to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees, and other similar costs from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. From this combination of resources, THDA believes it will have sufficient resources to pay Program Expenses and other THDA operating and administrative costs and expenses. Certain actions by the General Assembly of the State of Tennessee may affect future payment of operating and administrative expenses. Regardless of THDA's best efforts and in the event of additional transfers to the State, however, THDA could become reliant on State appropriations for the funding of THDA operations. No assurances can be given as to the amount of appropriation that may be available at any time.

Tennessee Consolidated Retirement System

General Information

THDA employees are authorized to participate in the Tennessee Consolidated Retirement System ("TCRS"), a defined benefit pension plan, pursuant to Tennessee Code Annotated Section 13-23-115(21). The general administration and responsibility for the proper operation of TCRS are vested in a twenty member Board of Trustees. The Treasury Department, a constitutional office in the legislative branch of state government, is responsible for the administration of TCRS, including the investment of assets in the plan, in accordance with state statute and in accordance with the policies, rules, and regulations established by the Board of Trustees.

The TCRS covers three large groups of public employees; (1) state employees (including THDA employees) and higher education employees; (2) teachers; and (3) employees of certain local governments. There are 58,683 active members in TCRS in the state and higher education employee group at June 30, 2016. This total includes 237 employees of THDA who are members of TCRS.

The State of Tennessee is ultimately responsible for the financial obligation of the benefits provided by TCRS to state employees (including THDA employees) and higher education employees to the extent such obligations are not covered by employee contributions and investment earnings. The obligation is funded by employer contributions as determined by an actuarial valuation.

By statute, an actuarial valuation of TCRS is to be conducted at least once in each two year period. The purpose of the actuarial valuation is to determine the financial position of the plan and to determine the appropriate employer contribution rate called "actuarially determined contributions (ADC)". Beginning June 30, 2015, the funding policy adopted by the TCRS Board of Trustees provides for an actuarial valuation to be conducted as of June 30 of each year. Previously, actuarial valuations were conducted every other year.

Retirement Plan for Employees Hired Prior to July 1, 2014 ("Closed State and Higher Education Employee Pension Plan")

Employees hired prior to July 1, 2014 participate in a defined benefit plan as a condition of employment. The benefit accrual formula is 1.575% under the Closed State and Higher Education Employee Pension Plan. Eligibility to retire is age 60 or 30 years of service. Vesting is 5 years. Employees do not contribute to the plan. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

Retirement Plan for Employees Hired on or after July 1, 2014 ("State and Higher Education Employee Retirement Plan")

As authorized by Public Chapter 259, Acts of 2013, employees first hired on or after July 1, 2014, participate in a retirement plan consisting of a defined benefit plan and a defined contribution plan. Employees contribute at 5% of salary to the defined benefit plan. Employees also contribute 2% of salary to the defined contribution plan unless the employee opts out of making such contribution. The total employer cost for the two plans will be limited to 9% of salary with 4% targeted to the defined benefit plan (minimum set by statute) and 5% to the defined contribution plan.

The benefit accrual formula under the State and Higher Education Employee Retirement Plan will be 1%. Eligibility to retire is age 65 or the rule of 90 (where age and service equals 90) under the plan. Vesting is 5 years. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

The defined benefit component of the State and Higher Education Employee Retirement Plan has automatic cost controls and automatic controls over unfunded accrued liability. Within the retirement plan, there is a stabilization reserve created for any employer contributions that exceed the ADC that will be utilized to control cost and unfunded liabilities. The automatic controls are based on the results of the actuarial valuation. Control features include utilizing funds in the stabilization reserve (if any), limiting retiree cost of living adjustments, shifting future employer contributions from the defined contribution plan to the defined benefit plan, requiring additional employee contributions, and adjusting benefit accruals. The control features only apply to the State and Higher Education Employee Retirement Plan and do not apply to the Closed State and Higher Education Employee Pension Plan.

Actuarial Data for Retirement Plan for Employees Hired Prior to July 1, 2014

For employees hired prior to July 1, 2014, state agencies contribute to TCRS 15.03% of salary for the period July 1, 2014 through June 30, 2016, based on the July 1, 2013 actuarial valuation. The June 30, 2015 actuarial valuation established the employer contribution rate of 15.02% that is applicable for the period July 1, 2016 through June 30, 2017. The recently completed June 30, 2016 actuarial valuation will establish employer contribution rates for the period July 1, 2017 through June 30, 2018. General state employees do not contribute to this plan.

An actuarial valuation was performed as of June 30, 2016 to determine the TCRS financial position in order to provide information related to Governmental Accounting Standards Board (GASB) pronouncements. At June 30, 2016 (measurement date of June 30, 2015), the net pension liability for the state and higher education employee group based on the market value of assets was \$1.3 billion, resulting in a plan fiduciary net position as a percentage of total pension liability of 91.26%.

Actuarial Data for Retirement Plan for Employees Hired on or after July 1, 2014

For employees hired on or after July 1, 2014, the overall 4% employer contribution rate to TCRS for the period July 1, 2014 through June 30, 2016, consists of 3.87% for general employees, with the employer rate for judicial and public safety employees being higher at 7.00% and 4.62%, respectively. The employer contribution rate for general employees of 3.87% consists of 2.00% for the ADC and 1.87% for the stabilization reserve.

An actuarial valuation at June 30, 2015 established that the employer overall rate will remain at the minimum statutory level of 4%. For the period July 1, 2016 through June 30, 2017, the employer rate for general employees will be 3.94% while the employer rate for judicial and public safety employees will be 6.27% and 4.69%, respectively. The employer contribution rate for general employees of 3.94% consists of 1.13% for the ADC and 2.81% for the stabilization reserve.

THDA Employer Contributions to TCRS

For THDA, the employer contribution rate for employees hired before July 1, 2014, stated as a percentage of salary, is as follows: 15.03% for the period beginning July 1, 2014 through June 30, 2016 and 15.02% for the period beginning July 1, 2016 through June 30, 2017. For employees first hired after June 30, 2014, the employer rate is 8.87% for fiscal year ending June 30, 2016 and 8.94% for fiscal year ending June 30, 2017 (combined rate for defined benefit plan and defined contribution plan).

THDA's actual and estimated contributions to TCRS are reflected in the following table:

Fiscal Year ended June 30	Employer Contribution Rate	Total Salary of THDA Employees	THDA Employer Contributions to TCRS	Percentage of THDA Budget
2017 ⁽¹⁾	15.02/9% ⁽²⁾	\$16,398,800 ⁽¹⁾⁽³⁾	\$2,340,940	2.03%
2016	15.03/9 ⁽²⁾	11,965,554	1,581,407	1.30
2015	15.03/9 ⁽²⁾	11,569,902	1,673,881	1.19
2014	15.03/9 ⁽²⁾	11,721,300	1,761,711	1.19
2013	15.03	11,315,872	1,692,847	1.26
2012	14.91	11,005,204	1,632,095	1.36
2011	14.91	10,593,944	1,585,654	1.25
2010	13.02	9,956,646	1,295,272	1.03
2009	13.02	9,267,262	1,201,303	0.98
2008	13.66	9,602,067	1,297,298	1.02

(1) Estimated

(2) Varies depending on plan the employee is enrolled in.

(3) The increase in "Total Salary of THDA Employees" from the actual amount for the fiscal year ending June 30, 2016, to the estimated amount for the fiscal year ending June 30, 2017, is due to the additional salaries for approximately thirty-eight (38) positions THDA expects to fill in connection with the servicing activities THDA expects to undertake later in 2017.

For the fiscal year ending June 30, 2016, the salary of THDA employees totaled \$11,965,554, which represents 0.45% of the \$2.677 billion of salary for all state and higher education employees in TCRS.

It is anticipated that there will be upward pressure on the employer contribution rate in the Closed State and Higher Education Employee Pension Plan in future actuarial valuations as deferred investment losses that have been actuarially smoothed are recognized over the next ten years as well as a continuing low earnings environment.

Defined Contribution Program

Defined Contribution Plan for employees hired prior to July 1, 2014

A voluntary defined contribution plan is provided to state employees and higher education employees giving them the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Defined Contribution Plan for employees hired on or after July 1, 2014

A defined contribution plan for state employees and higher education employees entering service on or after July 1, 2014, is a component of the State and Higher Education Employee Retirement Plan. By statute, employer contributions are made at the rate of 5% of salary to the 401(k) plan. However, employer contributions may be reduced as part of the cost controls and unfunded liability controls as previously described in the defined benefit plan component of the State and Higher Education Employee Retirement Plan. Upon employment, employees are automatically enrolled to contribute 2% of salary to the defined contribution plan but employees may elect to increase or decrease the employee contributions at any time.

General Information about the 401(k) and 457 Defined Contribution Plans

The state provides additional voluntary defined contribution plans to give state employees and higher education employees the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Employee contribution limits to the 401(k) and 457 plans are established by federal statute. In the 401(k) plan, available to state and higher education employees in both the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan, voluntary employee contributions are matched by employer contributions up to a maximum of \$50 per month. Employer contributions are subject to the funding being appropriated in the budget each fiscal year; otherwise, no match will be made by THDA.

Employees are immediately vested in employee and employer contributions. Employees can choose to invest employer and employee contributions among a variety of investment products.

For the fiscal year ended June 30, 2016, 173 THDA employees made contributions to the 401(k) plan and 10 THDA employees made contributions to the 457 plan. THDA made employer contributions to the 401(k) plan that totaled \$86,335 while THDA employees contributed a total of \$243,815 to the 401(k) plan and the 457 plan.

Other Post-Employment Benefits

Certain other GASB Statements (nos. 43 and 45) provide accounting and financial reporting requirements for retiree healthcare plans and employer participants, commonly known as Other Post-Employment Benefits ("OPEB"). To date, the State has reported OPEB costs in the aggregate for all State employees. The State received an actuarial study as of July 1, 2015, that includes OPEB costs attributable to the State and, separately, for certain of its component units (including THDA) that are required to participate in the State's retirement and benefit plans. The study, which used a projected unit credit actuarial cost method, indicates that for the fiscal year ended June 30, 2017, the total unfunded actuarial liability of THDA is approximately \$2,923,000 and the annual required contribution for THDA is approximately \$353,000. The annual required contribution consists of the normal cost (the portion of the actuarial present value of OPEB benefits which is allocated to a valuation year by the actuarial cost method) and an amortization of the unfunded actuarial liability. The report may be reviewed at <http://www.tn.gov/finance/article/fa-accfin-opeb>. The State did not pre-fund any actuarially determined OPEB liability, and continued to use pay-as-you-go funding of actual costs of OPEB liabilities incurred for fiscal year ended June 30, 2017. The State charged THDA for these actual costs allocable to THDA's employees, but not for any actuarially determined OPEB liability. The State has the flexibility to adjust the various plan options on an annual basis, and will continue to analyze the cost of the choices available to current employees and retirees and the cost of the choices on the employees, retirees and the State's cash flow to manage these expenditures going forward.

General Resolution Requirements

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions. In addition, certain tests must also be met prior to any withdrawal of funds under the lien of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution. THDA funds which are not pledged under the referenced Resolutions can be removed without meeting such tests.

Absence of Interest Rate Swap Transactions

THDA has never entered into an interest rate swap transaction and no such transaction is currently anticipated by THDA.

TAX MATTERS

THDA has included provisions in the Resolution, the Guide for Originating Agents issued by THDA and other relevant documents and has established procedures, including receipt of certain affidavits and warranties from Originating Agents and borrowers (the "Program Documents") in order to assure compliance with the Program Loan eligibility requirements and other requirements which must be met subsequent to the issuance of the Offered Bonds. Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with applicable federal tax law and, for such purpose, to adopt and maintain appropriate procedures. THDA believes that the procedures and documentation requirements established for the purpose of fulfilling this covenant are sufficient to assure that the proceeds of the Offered Bonds will be applied in accordance with the requirements of applicable federal tax law so as to assure that interest on the Offered Bonds will not be included in the gross income of the owners thereof for federal income tax purposes.

Opinion of Bond Counsel

In the opinion of Bond Counsel, interest on the Offered Bonds will be excluded from gross income for federal income tax purposes under existing laws as enacted and construed on the date of the issuance of the Offered Bonds, assuming the accuracy of the certifications of THDA and continuing compliance by THDA with the requirements of the federal tax laws. Bond Counsel is also of the opinion that interest on the Issue 2017-3Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

Ownership of the Offered Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income", taxpayers who may be deemed to have incurred or continued debt to purchase or carry the Offered Bonds and taxpayers otherwise eligible to claim the earned income credit. Bond Counsel expresses no opinion as to such collateral tax consequences.

Certain recipients of interest on the Offered Bonds may be subject to backup withholding under Section 3406 of the Code, unless the recipient of interest furnishes its taxpayer identification number with the payor of the interest or is otherwise exempt from backup withholding tax.

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Offered Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Offered Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Offered Bonds or the market value thereof would be impacted thereby. Purchasers of the Offered Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions to be expressed by Bond Counsel will be based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Offered Bonds and Bond Counsel will express no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

In the opinion of Bond Counsel, under the laws of the State of Tennessee as enacted and construed on the date of issuance of the Offered Bonds, as applicable, interest on the Offered Bonds is exempt from income tax imposed by the State of Tennessee on interest income; however, the Offered Bonds and interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee.

An amount equal to the excess of the issue price of an Offered Bond sold at a premium (a "Premium Bond") over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or otherwise prevent beneficial owners of the Issue 2017-3 Bonds from realizing the full current benefit of the tax status of such interest, or adversely affect the market value of the Issue 2017-3 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Issue 2017-3 Bonds. Purchasers of the Issue 2017-3 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Issue 2017-3 Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed legislation, regulatory initiatives or litigation.

LEGAL INVESTMENT

The Act provides that the bonds of THDA are securities in which all public officers and bodies of the State and all municipal subdivisions, all insurance companies and associations and other persons carrying on insurance business, all banks, bankers, trust companies, including savings and loan associations, building and loan associations, investment banking companies and other persons carrying on an investment banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are now or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest in the bonds of THDA with funds, including capital, in their own control or belonging to them.

RATINGS

Moody's Investors Service, Inc. ("Moody's") has assigned the Offered Bonds a rating of 'Aa1' and that Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLP business ("S&P") has assigned the Offered Bonds a rating of 'AA+'. Such ratings reflect only the views of the respective rating agency and an explanation of the criteria for and the significance of such ratings may be obtained from Moody's and Standard & Poor's. THDA has furnished to Moody's and Standard & Poor's certain information and materials with respect to the Offered Bonds. Generally, rating agencies base their ratings on such information and materials, and on investigations, studies and assumptions made by the rating agencies. There is no assurance that the ratings will continue for any given period of time or that the ratings will not be revised or withdrawn entirely by these rating agencies, if in the judgment of the rating agency, circumstances so warrant. A downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Offered Bonds.

Due to the ongoing uncertainty regarding the economy of the United States of America (including, without limitation, matters such as the current and future political uncertainty regarding the United States debt limit), obligations, such as the Offered Bonds, issued by state and local governments, and instrumentalities thereof, could be subject to a rating downgrade. Additionally, if a significant default or other financial crisis should occur in the affairs of the United

States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations, including the Offered Bonds. When certain automatic spending cuts are imposed on the federal government as a result of actions taken or not taken by the federal government (commonly referred to as a sequester) or when the federal government fails to pass certain spending authorizations prior to certain deadlines, resulting in a cessation of various governmental functions and operations (commonly referred to as a government shutdown), there may not be any immediate direct adverse impact on FHA, VA, RD or THDA. No assurance can be given, however, that a sequester or a government shutdown that lasts an extended period of time would continue to have no direct adverse impact upon the United States housing industry in general or THDA in particular.

CONTINUING DISCLOSURE

Secondary Market Disclosure

THDA is currently disseminating and presently intends to continue to disseminate information relating to its various single-family mortgage revenue bonds in accordance with the quarterly secondary market disclosure project sponsored by the National Council of State Housing Agencies. THDA has filed quarterly reports, beginning with the quarter ending June 30, 1994, with each then nationally recognized municipal securities information repository. THDA also expects that its official statements, which contain audited financial information about THDA, with respect to bonds issued under the General Resolution, the 1985 General Resolution, and the 2009 General Resolution will be filed with the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access (EMMA) system if and when bonds are so issued. It is the present intent of THDA to continue making voluntary secondary market disclosure as described above.

Continuing Disclosure Undertaking

In order to comply with the requirements of Rule 15c2-12 (the "Rule") under the Securities Exchange Act of 1934, THDA, in the Issue 2017-3 Supplemental Resolution for the benefit of the Beneficial Owners of the Issue 2017-3 Bonds, agrees to file:

(a) With the MSRB, within 210 days after the end of each THDA fiscal year, a copy of its annual financial statements, prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standard Board, as described in "FINANCIAL STATEMENTS" below, and an annual update of the type of information in this Official Statement (i) of the nature disclosed under "RESIDENTIAL FINANCE PROGRAM BONDS," and "RESIDENTIAL FINANCE PROGRAM LOANS" including, without limitation, information with respect to the outstanding balances of Program Loans, by mortgage type, and delinquency information, (ii) contained in Appendix E hereto and (iii) regarding annual required contributions for employee pension plan and other post-employment benefits to the extent not included in annual financial statements (collectively, "Annual Financial Information"). If unaudited financial statements are provided as part of the Annual Financial Information by the above date, then THDA shall provide, when and if available, a copy of THDA's audited financial statements to the MSRB;

(b) In a timely manner, not in excess of 10 business days after the occurrence of the event, with the MSRB and the Trustee, notice of the occurrence of any of the following events (if applicable) with respect to the Offered Bonds: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserve funds reflecting financial difficulties; (iv) unscheduled draws on any credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service (the "IRS") of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Offered Bonds, or other material events affecting the tax status of the Offered Bonds; (vii) modifications to rights of holders of the Offered Bonds, if material; (viii) bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Offered Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of THDA (which event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for THDA in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of THDA, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of THDA); (xiii) the consummation of a merger, consolidation, or acquisition involving THDA or the sale of all or substantially all of the assets of THDA, other than in the ordinary course of business, the entry into a definitive

agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(c) In a timely manner, to (i) the MRSB and (ii) the Trustee, notice of a failure by THDA to provide the Annual Financial Information set forth in (a) above within the time limit specified above.

THDA may amend the Issue 2017-3 Supplemental Resolution, with respect to the above agreements, without the consent of the Beneficial Owners of the applicable Issue of Offered Bonds (except to the extent required under clause (4)(ii) below), if all of the following conditions are satisfied: (1) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of THDA or the type of business conducted thereby; (2) these agreements as so amended would have complied with the requirements of the Rule as of the date of the Issue 2017-3 Supplemental Resolution, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; (3) THDA shall have delivered to the Trustee an opinion of counsel, addressed to THDA and the Trustee, to the same effect as set forth in clause (2) above; (4) either (i) THDA shall deliver to the Trustee an opinion of or determination by a person unaffiliated with THDA (which may include the Trustee or bond counsel), acceptable to THDA and the Trustee, addressed to THDA and the Trustee, to the effect that the amendment does not materially impair the interests of the holders of the Offered Bonds, or (ii) the holders of the Offered Bonds consent to the amendment pursuant to the same procedures as are required for amendments to the General Resolution with consent of the holders of Offered Bonds pursuant to the General Resolution as in effect on the date of the Issue 2017-3 Supplemental Resolution, and (5) THDA shall have delivered copies of such opinion(s) and the amendment to the MRSB.

THDA's obligations under these agreements as set forth in the Issue 2017-3 Supplemental Resolution terminate upon a legal defeasance pursuant to the General Resolution, prior redemption or payment in full of all of the Offered Bonds. THDA shall give notice of any such termination to the MRSB.

THDA acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit for the Beneficial Owners of the Offered Bonds whether or not the Rule applies to such Bonds. Breach of this undertaking will not be a default under the Resolution but this undertaking may be enforced by any Beneficial Owner of the Offered Bonds exclusively by an action for specific performance. This undertaking shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this undertaking shall be instituted in a court of competent jurisdiction in the State.

ABSENCE OF MATERIAL LITIGATION

At the time of delivery of and payment for the Offered Bonds, a certificate of THDA and an opinion of counsel will be furnished, dated the date of delivery, to the effect that there is no controversy or litigation of any nature at such time pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Offered Bonds, or in any way contesting or affecting the validity of the Offered Bonds or any proceedings of THDA taken with respect to the issuance or sale thereof or the pledge or application of any moneys or security provided for the payment of the Offered Bonds or the existence or powers of THDA.

The issuance of the Offered Bonds is subject to the delivery of the legal opinion of Kutak Rock LLP, Atlanta, Georgia, Bond Counsel with respect to legal matters incident to the authorization, issuance, sale, and delivery of the Offered Bonds in substantially the form attached hereto as Appendix H. Certain legal matters will be passed upon for THDA by its Chief Legal Counsel, Lynn E. Miller, and for the Underwriters by Hawkins Delafield & Wood LLP, New York, New York.

Independent Auditor's Report

The Honorable Bill Haslam, Governor
Members of the General Assembly
Members of the Board of Directors
Mr. Ralph Perrey, Executive Director

Report on the Financial Statements

We have audited the accompanying financial statements of the Tennessee Housing Development Agency, a component unit of the State of Tennessee, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Tennessee Housing Development Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Tennessee statutes, in addition to audit responsibilities, entrust certain other responsibilities to the Comptroller of the Treasury. Those responsibilities include serving as a member of the board of directors of Tennessee Housing Development Agency. We do not believe that the Comptroller's service in this capacity affected our ability to conduct an independent audit of the Tennessee Housing Development Agency.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tennessee Housing Development Agency as of June 30, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of proportionate share of net pension asset for the State and Higher Education Retirement Plan, the schedule of proportionate share of net pension liability for the Closed State and Higher Education Pension Plan, the schedule of contributions to the State and Higher Education Employee Retirement Plan, the schedule of contributions to the Closed State and Higher Education Employee Pension Plan, and the other postemployment benefits schedule of funding progress, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the agency's basic financial statements. The accompanying financial information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2016, on our consideration of the agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the agency's internal control over financial reporting and compliance.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2016

This section of the Tennessee Housing Development Agency's (THDA) annual financial statements presents management's discussion and analysis of THDA's financial performance for the year ended June 30, 2016, with comparative information presented for the fiscal year ended June 30, 2015. This information is being presented to provide additional information regarding the activities of THDA and to meet the financial reporting and disclosure requirements of the Governmental Accounting Standards Board (GASB) Statement Number 34, *Basic Financial Statements -- and Management's Discussion and Analysis -- for State and Local Governments*. This section should be read in conjunction with the Independent Auditor's Report and the audited financial statements and accompanying notes.

INTRODUCTION – THE TENNESSEE HOUSING DEVELOPMENT AGENCY

The mission statement of THDA is "Leading Tennessee Home by creating safe, sound, affordable housing opportunities." THDA's goal is to provide housing assistance to those in need by offering a variety of housing-related programs. One of the primary ways THDA assists Tennesseans is by offering mortgages for first-time homebuyers at below conventional market interest rates. At the close of fiscal year 2016, THDA has originated over 115,000 single-family mortgage loans in its 43-year history, and serves as the master servicer for all active mortgages it funds. In addition to helping homebuyers, THDA administers Section 8 rental assistance programs, including the tenant-based Housing Choice Voucher (HCV) program in approximately 74 of Tennessee's 95 counties, as well as the project-based Contract Administration program for approximately 400 contracts throughout all of Tennessee. THDA also administers grant programs, awarded on a competitive annual cycle, for rehabilitation and new construction of owner-occupied units and small rental projects. THDA is also involved in the development and rehabilitation of multifamily rental housing for low-income families by administering the federal Low-Income Housing Tax Credit, which is a competitive process, and by setting aside a portion of bond authority to be allocated to local issuing authorities for specific multifamily developments.

More recently, THDA has administered programs under the American Recovery and Reinvestment Act of 2009 (ARRA), including the Homeless Prevention and Rapid Re-Housing Program (HPRP), the Tax Credit Assistance Program (TCAP), the Neighborhood Stabilization Program (NSP), and a Low Income Housing Tax Credit exchange program under Section 1602 of the Act.

As established by statute, "The agency shall have a board of directors which shall be responsible for carrying out the powers given to the agency. . ." (*Tennessee Code Annotated 13-23-105*). This board meets regularly on a bi-monthly basis; however, some committees may meet more often as situations dictate.

OVERVIEW OF THE FINANCIAL STATEMENTS

The basic financial statements include statements of net position; statements of revenues, expenses, and changes in net position; and statements of cash flows, as well as notes to the financial statements. The statements of net position provide financial information on the overall financial position of THDA at each year end. The statements of revenues, expenses, and changes in net position summarize the results of operations over the course of each fiscal year. The statements of cash flows provide relevant information about THDA's cash receipts and cash payments during each fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

The notes to the financial statements provide essential information regarding THDA's significant accounting policies, significant account balances and activities, certain material risks, obligations, commitments, contingencies, and subsequent events.

THDA's financial statements are presented using the accrual basis of accounting and the flow of economic resources measurement focus. In addition to the basic financial statements, required and other supplementary information is included.

THDA is also considered to be a discretely presented "component unit" for the State of Tennessee, and therefore, its financial information is reported in the State of Tennessee's government-wide *Comprehensive Annual Financial Report*. 2016 to 2015

- THDA's total net position decreased by \$3.4 million because operating income was less than the amount by which nonoperating expenses exceeded nonoperating revenues.
- First and Second mortgage loans (net of allowance for forgivable second mortgages) receivable decreased by \$10.8 million. During FY 2016, single-family mortgage loan originations increased by \$42.7 million, whereas mortgage loan payoffs increased by \$27.4 million and mortgage loan repayments decreased \$2.8 million. In addition, THDA recognized an allowance for future forgiveness of forgivable second mortgages of \$4.9 million for FY 2016.
- Total liabilities decreased \$83.1 million. The decrease is primarily due to a \$72.7 million decrease of bonds payable at June 30, 2016 as compared to June 30, 2015.

Change in net position	<u>\$ (3,475)</u>	<u>\$ (5,728)</u>

2016 to 2015

Total operating revenues decreased \$6.9 million, primarily due to a decrease in mortgage interest income of \$6.8 million. This is due to new mortgage loan originations having lower interest rates than those associated with mortgage loan repayments.

Total operating expenses decreased \$6.3 million. This is primarily due to a bond debt strategy to use mortgage loan prepayments to call bonds on a monthly basis, as well as refunding outstanding bonds with new bonds bearing a lower interest rate.

DEBT ACTIVITY

Bonds outstanding at June 30 were as follows (expressed in thousands):

	<u>2016</u>	<u>2015</u>
Bonds payable	\$1,906,494	\$ 1,979,170

Year Ended June 30, 2016

Total bonds and notes payable decreased \$72.7 million, due primarily to an increase in the redemption of bonds as compared to recent fiscal years. During the fiscal year, THDA issued debt totaling \$306.9 million, with activity arising from two bond issues.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

With interest rates remaining at historically low levels, THDA continued to call bonds with proceeds from mortgage repayments and prepayments. THDA refunded \$67.1 million of outstanding bonds into new bond originations with lower interest rates.

Bond Ratings

For bonds issued under the Homeownership Program Bonds, Moody's Investor Service, Inc. (Moody's) has assigned THDA's bonds a rating of Aa1, and Standard & Poor's Ratings Services (S&P), a division of the The McGraw-Hill Companies, Inc. has assigned THDA's bonds a rating of AA+.

For bonds issued under the Housing Finance Program Bonds, Moody's has assigned THDA's bonds a rating of Aa2. These bonds are not rated by S&P.

For bonds issued under the Residential Finance Program Bonds, Moody's has assigned THDA's bonds a rating of Aa1 and S&P has assigned THDA's bonds a rating of AA+.

There were no revisions to THDA's bond ratings during FY 2016 or FY 2015.

Debt Limits

In accordance with *Tennessee Code Annotated*, 13-23-121, THDA operates under a "debt ceiling" of \$2,930,000,000.

GRANT PROGRAMS

During FY 2007 through FY 2009, the General Assembly appropriated revenue to THDA for grant programs. Likewise, THDA's board of directors allocated additional THDA funds for grants. These funds established a grant program that was titled by the THDA as the "Tennessee Housing Trust Fund."

The four-level model for funding this grant program includes state appropriations, THDA funds, private sector investment, and matching funds from local grantees. The purpose of this grant program is to serve the needs of low and/or very low income, elderly, and special needs Tennesseans. Funding and uses for the Housing Trust Fund are as follows:

CURRENT MORTGAGE PRODUCTS AND ENVIRONMENT

In October of 2013, THDA made a significant change to its mortgage lending program. On October 1, 2013, the *Great Choice* and the *Great Choice Plus* loan programs were introduced and the *Great Rate*, *Great Advantage* and *Great Start* loan programs were eliminated. The *Great Choice* loan program offers THDA the opportunity to offer a more competitive interest rate on its 30 year fixed rate mortgage product while still offering down payment assistance with the addition of the *Great Choice Plus* loan program which is a second mortgage at a 0% interest rate for a term of 10 years. During fiscal year 2015, the *Great Choice Plus* loan product was modified to a forgivable second mortgage, in which 100% of the loan amount must be repaid if the home is sold or the associated first mortgage is refinanced within the first nine years of closing. Beginning in year 10, the loan is forgiven at the rate of 20% per year. The loan is fully forgiven at the end of year 15.

A special interest rate reduction on *Great Choice* loan program has been designated to ensure that qualified service men and women have access to affordable homeownership opportunities. This special offer, referred to as "*Homeownership for the Brave*", provides a 0.5% rate reduction on the current interest rate for *Great Choice* loans. In addition to the rate reduction, "*Homeownership for the Brave*" applicants are eligible for optional down payment and closing cost assistance through the *Great Choice Plus* second mortgage loan at a 0% interest rate.

All loans made or purchased by THDA are fixed-rate mortgages with a maximum loan term of 360 months (30 years), and must conform to insurer / guarantor underwriting guidelines. THDA does not make or purchase adjustable rate mortgages (ARMs), interest-only mortgages, "buy-down" loans, mortgages with a future lump-sum payment due (balloon-type mortgage), or with other similar mortgage terms. THDA does not make or purchase "sub-prime" mortgage loans.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

Single-family mortgage loans purchased by THDA with loan-to-value (LTV) ratios between 78% and 97% must have an acceptable insurer/guarantor, which includes:

- FHA (United States Department of Housing and Urban Development)
- VA (Veterans Administration Guaranty Program)
- USDA/RD (the United States Department of Agriculture - Rural Development, formerly Farmers Home Administration)
- Private mortgage insurance

THDA will accept private mortgage insurance provided from private mortgage insurers, who are licensed by the Tennessee Commissioner of Commerce and Insurance to do business in Tennessee and are rated at least AA by Standard & Poor's Rating Group. THDA will allow privately insured loans underwritten using nationally accepted underwriting guidelines established by Fannie Mae or Freddie Mac. These loans must be approved through an automated underwriting system such as Desktop Underwriter or Loan Prospector with no expanded approvals. Such privately insured mortgage loans may have loan-to-value ratios up to and including 97% of the lesser of the purchase price or the appraised value. Loans with a 78% LTV or lower do not require mortgage insurance. A detailed chart of these mortgage loan products and primary mortgage loan terms may be obtained from THDA's internet site at <https://thda.org/homebuyers/homebuyers>

For the past several years, THDA has closely monitored its loan portfolio for delinquency and foreclosures. This monitoring has included analysis based on loan type (Great Choice, Great Choice Plus, Homeownership for the Brave), insurer/guarantor (FHA, VA, RECD, private mortgage insurer), mortgage loan servicer, down-payment assistance, and other factors as deemed necessary.

As of June 30, 2016, the delinquency and foreclosure rates for its single-family loan portfolio are as follows:

<u>Loan Status</u>	<u>Total Number of Loans Serviced</u>	<u>Number of Loans in Status</u>	<u>Principal Amount</u>	<u>Percentage</u>
60-89 Days Past Due	23,492	508	\$ 39,830,107	2.16%
90+ Days Past Due	23,492	1,503	116,348,733	6.40%
In Foreclosure	23,492	148	12,307,322	0.63%

Note: Percentage is calculated by dividing the "Number of Loans in Status" by the "Total Number of Loans Serviced."

ECONOMIC FACTORS

In accordance with THDA's investment policy, THDA typically invests in short-term and long-term fixed-rate debt securities from federal agencies. As a bench-mark, THDA uses the one-, three-, and five-year Constant Maturity Treasury (CMT) rates as established by the United States Treasury.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

The continuation of relatively low interest rates from a historic perspective increased the likelihood of negative arbitrage, in which the interest rates on THDA's bond issues exceeds the current investment interest rates. THDA monitors prepayments and bond investment yields, and seeks to reduce negative arbitrage by calling bonds with the funds from prepayments.

**TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016**

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Reporting Entity

The Tennessee Housing Development Agency was created by an act of the legislature (Chapter 241, Public Acts, 1973). The act was approved by the Governor on May 14, 1973. The enabling legislation can be found in *Tennessee Code Annotated*, Section 13-23-101 et seq. The purpose of the agency is to improve housing and living conditions for lower- and moderate-income persons and families in Tennessee by making loans and mortgages to qualified sponsors, builders, developers, and purchasers of low- and moderate-income family dwellings.

The agency is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of the Agency. The remaining members are appointed by the Governor, the Speaker of the State Senate, and the Speaker of the State House of Representatives. Board members are to be representatives of the housing, real estate, or home building industries; the mortgage profession; local governments; or one of the three grand divisions of the state, and must be knowledgeable about the problems of inadequate housing conditions in Tennessee. One member of the board is a resident board member as required by Section 505 of the Quality Housing and Work Responsibility Act of 1998 and 24 CFR Part 964, Subpart E. *Tennessee Code Annotated* Section 13-23-101 et seq. was amended to revise the composition of the board of directors, effective July 1, 2013.

In order to accomplish its objectives, the agency is authorized to raise funds through the issuance of bonds and notes. Bonds and notes issued by the agency are not general obligations of the State of Tennessee or any of its political subdivisions, and neither the faith and credit nor the taxing power of the state or any political subdivision is pledged for payment of the principal or interest on such bonds or notes.

The Tennessee Housing Development Agency is a component unit of the State of Tennessee. Although the agency is a separate legal entity, the state appoints a majority of its governing body and approves its operating budget. The agency is discretely presented in the *Tennessee Comprehensive Annual Financial Report*.

b. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Certain accounting policies and procedures are stipulated in the agency's Mortgage Finance Program, Single Family Program, Homeownership Program, Housing Finance Program, and General Residential Finance Program bond resolutions and the Single Family Mortgage Notes trust indenture. The agency follows these procedures in establishing and maintaining the various funds and accounts for its programs. Revenues and expenses applicable to each fund and account are recorded therein.

c. Basis of Accounting and Measurement Focus

The accompanying financial statements have been prepared using the accrual basis of accounting and the flow of economic resources measurement focus. Under this basis, revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cashflows. When both restricted and unrestricted resources are available for use, it is the agency's policy to use the restricted resources first. All significant interfund transactions have been eliminated.

d. Capital Assets

Capital assets, which include furniture and office equipment, are defined by the agency as assets with an initial, individual cost of \$5,000 or more.

Capital assets are depreciated on a straight-line basis over the following estimated useful lives of the assets.

<u>Description</u>	<u>Estimated Life</u>
Furniture	10 years
Computer equipment	3 years

e. Restricted Assets

Restricted assets are comprised of the Debt Service Reserve Funds, Bond Reserve Funds, and Net Pension Assets (see note 6).

The bond resolutions require the agency to establish a Debt Service Reserve Fund or a Bond Reserve Fund for each bond issue. The bond resolutions require that if the Debt Service and Expense Funds or the Revenue Funds of a bond issue are not sufficient to provide for interest or principal and sinking fund requirements of that issue that funds be transferred from the Debt Service Reserve Fund or the Bond Reserve Fund to cover any deficiency.

f. Deferred Amount on Refundings and Bond Premiums and Discounts

1. Deferred Amounts on Refundings: The agency amortizes the deferred amount on refundings using the straight-line method.
2. Bond Premiums and Discounts: Bond premiums and discounts are deferred and amortized over the life of the bonds using the interest method. Bonds payable are reported net of the applicable unamortized bond premium or discount.

g. Cash and Cash Equivalents

In addition to demand deposits and deposits in the pooled investment fund administered by the State Treasurer, this classification includes short-term investments with original maturities of three months or less from the date of acquisition.

h. Investments

The agency has established guidelines for its funds to meet the requirements of the bond resolutions and to comply with the statutes of the State of Tennessee. Permitted investments include the following: direct obligations of the U.S. Treasury and U.S. Agencies, obligations guaranteed by the U.S., public housing bonds secured by contracts with the U.S., direct and general obligations of the State of Tennessee or obligations guaranteed by the State of Tennessee, obligations of other states or instrumentalities thereof which are rated in either of the two highest rating categories by Moody's Investor Service or Standard & Poor's Corporation, interest bearing time or demand deposits, collateralized certificates of deposit in authorized state depositories, and repurchase agreements collateralized by authorized securities.

Investments are stated at fair value, except for repurchase agreements, which are reported at cost.

i. Accrual of Interest Income

Interest on first mortgage loans receivable and investment securities is credited to income as earned and classified as interest receivable.

j. Mortgages

Mortgages are carried at their original amount less collected principal.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

k. Operating Revenues and Expenses

The agency was created with the authority to issue bonds to the investing public in order to create a flow of private capital through the agency into mortgage loans to certain qualified individuals and qualified housing sponsors. The agency's primary operation is to borrow funds in the bond market and issue those funds to make single-family and multi-family loans. The primary operating revenue is the interest income on outstanding mortgages and the investment income from proceeds of bonds. The primary operating expense of the agency is the interest expense on bonds outstanding. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

l. Allowance for Forgivable Second Mortgages

THDA has offered Down Payment Assistance (DPA) product for several years. Beginning in October 2014, this product changed to a 0% forgivable second mortgage, loan, of which 100% of the original principal amount is repayable to THDA if the loan is repaid within ten years of the origination date. Beginning on the eleventh anniversary of the origination date, 20% of the original principal amount will be forgiven. The amount of forgiveness increases an additional 20% on the loan anniversary thereafter. On the 15th anniversary of the origination date, 100% of the original principal amount becomes forgiven. Because of the likelihood that some amount of the original principal amount will be forgiven in the course of time, an allowance account has been established for those loans that may enter the forgivable period.

m. Pensions

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan in the Tennessee Consolidated Retirement System (TCRS) and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the TCRS. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan. Investments are reported at fair value.

NOTE 2. DEPOSITS AND INVESTMENTS

a. Deposits

Custodial Credit Risk Custodial credit risk for deposits is the risk that in the event of a bank failure, the agency's deposits may not be returned.

The laws of the State of Tennessee require that collateral be pledged to secure all uninsured deposits. The agency's bond resolutions require deposits to be fully secured.

The agency's deposits are in financial institutions which participate in the bank collateral pool administered by the State Treasurer, except as noted below. The securities pledged to protect these accounts are pledged in the aggregate rather than against each individual account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

At June 30, 2016, the bank balance was \$3,921,135.08. All bank balances at June 30, 2016, were insured, except the Bank of New York Mellon (BNYM) accounts. U.S. Department of the Treasury requires the funds for the Hardest Hit Fund program to be deposited in the BNYM accounts. THDA has no obligation to ensure that the funds in the accounts are collateralized should the amount of money in the account be in excess of the FDIC insurance coverage of \$250,000. THDA will not be responsible for a loss of the funds due to the bank's failure and the lack of adequate collateral. Of the bank balance at June 30, 2016, \$3,307,357.87 was in the BNYM. Of this amount, \$3,057,357.87 exceeded the FDIC insurance coverage. The agency has deposits in the State Pooled Investment Fund administered by the State Treasurer. The fund's investments are measured at amortized cost. The fund is not rated by a nationally recognized statistical rating organization. The fund's investment policy and required risk disclosures are presented in the *State of Tennessee Treasurer's Report*. That report is available on the state's website at www.treasury.tn.gov.

b. Investments

As stated in the agency's investment policy, the "prudent man rule" shall be the standard of prudence used by all officials responsible for the investment of assets. Investments are made as a prudent person would be expected to act in the management of his or her own affairs, with consideration of the safety of capital and the probability of income, and avoidance of speculative investments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The agency's investment policy states that the agency's portfolios will be diversified in order to reduce the risk of loss resulting from concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. The agency may invest 100% of its portfolio in U.S. government securities. A minimum of 5% of the par value of total investments must mature within five years. No more than 50% of the par value of the combined portfolios can be invested in maturities greater than 15 years without approval of the Bond Finance Committee.

Portfolio maturities shall be staggered in a way that avoids undue concentrations of assets in a specific maturity sector. Maturities shall be selected which provide for stability of income and reasonable liquidity. It is the intent of this policy that sufficient investments be scheduled to mature to provide for the required liquidity for debt service and other expenditures per resolution requirements.

Interest Rate Risk Interest Rate Risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment.

Duration is a measure of a debt investment's exposure to fair value changes arising from changing interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price.

Investment Type	June 30, 2016	
	Fair Value	Effective Duration (Years)
U.S. Agency Coupon	\$131,326,153	0.804

Fair Value Measurements THDA implemented GASB Statement 72 *Fair Value Measurement and Application*. GASB 72 was issued to address accounting and financial reporting issues related to fair value measurements. THDA categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. THDA has the following recurring fair value measurements as of June 30, 2016:

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total debt securities	\$352,708	\$68,451	\$284,257	\$-0-

Assets classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for identical assets as those securities. Assets classified in Level 2 of the fair value hierarchy are valued using prices quoted in active markets for similar assets as those securities. Level 3 valuations are derived from valuation techniques in which significant inputs are unobservable.

There are no minimum or maximum limitations on withdrawals with the exception of a 24-hour notification period for withdrawals of \$5 million or more.

NOTE 6. PENSION PLANS

a. Closed State and Higher Education Employee Pension Plan

General Information about the Pension Plan

Plan description State employees and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan. This plan is a component of the Public Employee Retirement Plan, an agent, multiple-employer defined benefit pension plan. The Closed State and Higher Education Employee Pension Plan stopped accepting new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, a new agent defined benefit retirement plan, the State and Higher Education Employee Retirement Plan, became effective for state employees and higher education employees hired on or after July 1, 2014.

The TCRS was created by state statute under Title 8, Chapters 34-37, *Tennessee Code Annotated*. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the

plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at www.treasury.tn.gov/tcrs.

Benefits provided Title 8, Chapters 34-37, *Tennessee Code Annotated* establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Closed State and Higher Education Employee Pension Plan are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined using the following formula:

Average of Member's Highest Compensation for 5 Consecutive Years (up to Social Security Integration Level)	x	1.50%	x	Years of Service Credit	x	105%
--	---	-------	---	-------------------------	---	------

Plus:

Average of Member's Highest Compensation for 5 Consecutive Years (over Social Security Integration Level)	x	1.75%	x	Years of Service Credit	x	105%
---	---	-------	---	-------------------------	---	------

A reduced early retirement benefit is available at age 55 and vested. Members are vested with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions Contributions for state employees and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Tennessee Housing Development Agency employees are non-contributory, as are most members in the Closed State and Higher Education Employee Pension Plan. State and higher education agencies make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Closed State and Higher Education

Employee Pension Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the Closed State and Higher Education Employee Pension Plan were \$1,539,003 which is 15.03 percent of covered payroll. The employer rate is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension liability At June 30, 2016, Tennessee Housing Development Agency reported a liability of \$5,428,475 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Tennessee Housing Development Agency's proportion of the net pension liability was based on a projection of Tennessee Housing Development Agency's contributions during the year ended June 30, 2015 to the pension plan relative to the contributions of all participating state and higher education agencies. At the June 30, 2015 measurement date, Tennessee Housing Development Agency's proportion was 0.421046 percent. The proportion measured as of June 30, 2014 was 0.429581

Pension expense For the year ended June 30, 2016, Tennessee Housing Development Agency recognized a pension expense of \$554,977. Allocated pension expense was \$583,722 before being reduced by \$28,745 due to a change in proportionate share.

Actuarial assumptions The total pension liability as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%

U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

b. State and Higher Education Employee Retirement Plan

General Information about the Pension Plan

Plan description State and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan, an agent plan within the Public Employee Retirement Plan administered by the TCRS. TCRS is a multiple-employer pension plan. The Closed State and Higher Education Employee Pension Plan was closed effective June 30, 2014 and covers employees hired before July 1, 2014. Employees hired after June 30, 2014 are provided with pensions through a legally separate plan referred to as the State and Higher Education Employee Retirement Plan, an agent plan within the Public Employee Retirement Plan administered by the TCRS. Benefits provided Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the State and Higher Education Employee Retirement Plan are eligible to retire at age 65 with 5 years of service credit or pursuant to the rule of 90 in which the member's age and service credit total 90. Members are entitled to receive unreduced service retirement benefits, which are determined by a formula using the member's highest five consecutive year average compensation by 1.0 percent multiplied by member's years of service credit. A reduced early retirement benefit is available at age 60 with 5 years of service credit or pursuant to the rule of 80 in which the member's age and service credit total 80. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest. Under the State and Higher Education Employee Retirement Plan, benefit terms and conditions, including COLA, can be adjusted on a prospective basis. Moreover, there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions Contributions for state and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. The Tennessee Housing Development Agency makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4 percent for all aggregate employee groups, except for in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the State and Higher Education Employee Retirement Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the State and Higher Education Employee Retirement Plan were \$46,706 which is 2.81 percent of covered payroll. The employer rate is 3.87% of covered payroll except for any salaries derived from Federal funds where the employer rate is 2.00%. The

employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension asset At June 30, 2016, Tennessee Housing Development Agency reported an asset of \$12,713 for its proportionate share of the net pension asset. The net pension asset was measured as of June 30, 2015, and the total pension asset used to calculate the net pension asset was determined by an actuarial valuation as of that date. NOTE 7. DEFERRED COMPENSATION PLANS

The Tennessee Housing Development Agency, through the State of Tennessee, offers employees two deferred compensation plans, one established pursuant to IRC, Section 457 and the other pursuant to IRC, Section 401(k). The plans are outsourced to third party vendors and the administrative costs assessed by the vendors of these plans are the responsibility of plan participants. Section 401(k) and Section 457 plan assets remain the property of the contributing employees; therefore, they are not presented in the accompanying financial statements. IRC Sections 401(k), and 457 establish participation, contribution, and withdrawal provisions for the plans. Participation in the 457 plan is voluntary for employees. The Tennessee Housing Development Agency provides up to a \$50 monthly employer match for employees who participate in the state's 401(k) plan. Employees hired before July 1, 2014 voluntarily participate in the state's 401(k) plan. Pursuant to Public Chapter No. 259 of *Public Acts of 2013*, employees hired after June 30, 2014, are automatically enrolled in the state's 401(k) plan and contribute 2% of their salary with the employer contributing an additional non-matching 5%. Employees may opt out of the 2% auto enrollment. Such contribution rates may only be amended by the Tennessee General Assembly. There are certain automatic cost controls and unfunded liability controls in the defined benefit plan where the employees participate that may impact the non-matching 5% employer contribution to the 401(k) plan.

Employees are immediately vested in both the employee and employer contributions in both plans. The IRC establishes maximum limits that an employee can contribute to these plans. The employee may increase, decrease, or stop contributions at any time for either plan.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The Tennessee Housing Development Agency recognized a pension expense of \$186,417 for employer contributions.

NOTE 8. PROVISIONS FOR MORTGAGE LOAN LOSSES

Most mortgage loans are insured by the Federal Housing Administration (FHA) or an approved private mortgage insurance company, or are guaranteed by the Department of Veterans Affairs. The agency's board of directors has established a loan loss reserve of \$750,000 as a provision for potential loan losses arising from participation in the Rural Economic and Community Development (RECD) Loan Guarantee Program. An additional \$232,000 was established as a loan loss reserve against potential losses on loans not specifically covered by one of the above programs, and \$500,000 was established as a loan loss reserve for self-insurance of second mortgages.

Since the amount of net position restricted for single-family bond programs exceeds the amounts necessary for these loan loss reserves, it is not necessary to designate unrestricted net position for this purpose.

NOTE 9. INSURANCE-RELATED ACTIVITIES

a. Commercial Insurance

The agency carries commercial insurance for risks of loss related to employee dishonesty; general liability protection; and theft of, damage to, or destruction of real and personal property. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

b. Risk Management Fund

It is the policy of the state not to purchase commercial insurance for the risks associated with casualty losses for general liability, automobile liability, professional medical malpractice, and workers' compensation. The state's management believes it is more economical to manage these risks internally and set aside assets for claim settlement in its internal service fund, the Risk Management Fund. The state purchases commercial insurance for real property and crime and fidelity coverage on the state's officials and employees, and cyber liability coverage. For property coverage, the deductible for an individual state agency is the first \$25,000 of losses. The Risk Management Fund is responsible for property losses for the annual aggregate deductible of \$7.5 million for perils other than earthquakes and flood. Purchased insurance coverage is responsible for losses exceeding the \$7.5 million annual aggregate deductible. For earthquake and flood, there

is a deductible of \$10 million per occurrence. The maximum insurance coverage is \$750 million per year for perils other than earthquake and flood. The maximum flood insurance coverage is \$50 million per occurrence, except there is only \$25 million of coverage in flood zones A and V. The maximum earthquake insurance coverage is \$50 million per occurrence. The amounts of settlements have not exceeded insurance coverage for each of the three past fiscal years.

The agency participates in the Risk Management Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on a percentage of the agency's expected loss costs, which include both experience and exposures. This charge considers recent trends in actual claims experience of the state as a whole. An actuarial valuation is performed as of fiscal year-end to determine the fund liability and premium allocation. Information regarding the determination of the claims liabilities and the changes in the balances of the claims liabilities for the year ended June 30, 2016, is presented in the *Tennessee Comprehensive Annual Financial Report*. The CAFR is available on the state's website at www.tn.gov/finance/act/cafr.shtml. Since the agency participates in the Risk Management Fund, it is subject to the liability limitations under the provisions of the Tennessee Claims Commission Act, *Tennessee Code Annotated*, Section 9-8-101 et seq. Liability for negligence of the agency for bodily injury and property damage is limited to \$300,000 per person and \$1,000,000 per occurrence. The limits of liability under workers' compensation are set forth in *Tennessee Code Annotated*, Section 50-6-101 et seq. Claims are paid through the state's Risk Management Fund. At June 30, 2016, the Risk Management Fund held \$142.9 million in cash designated for payment of claims

c. Employee Group Insurance Fund

The state has also set aside assets in the Employee Group Insurance Fund, an internal service fund, to provide a program of health insurance coverage for the employees of the state with the risk retained by the state. The agency participates in the Employee Group Insurance Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on estimates of the ultimate cost of claims, including the cost of claims that have been reported but not settled and of claims that have been incurred but not reported. Employees and providers have 13 months to file medical claims.

NOTE 10. OTHER POSTEMPLOYMENT BENEFITS

Healthcare is the only other postemployment benefit (OPEB) provided to employees. The State of Tennessee administers a group health insurance program which provides postemployment health insurance benefits to eligible THDA retirees. This program includes two plans - the State

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Employee Group Plan and the Medicare Supplement Plan. For accounting purposes, the plans are agent multiple-employer defined benefit OPEB plans. Benefits are established and amended by an insurance committee created by *Tennessee Code Annotated* Section 8-27-201. Prior to reaching the age of 65, members have the option of choosing between the standard or partnership preferred provider organization (PPO) plan for healthcare benefits. Subsequent to age 65, members who are also in the state's retirement system may participate in the Medicare Supplement Plan. That plan does not include pharmacy. Any employee hired on or after July 1, 2015 is not eligible to continue insurance coverage at retirement in either the Employee Group Plan or the Medicare Supplement Plan. The plans are reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

Special Funding Situation - The State of Tennessee is legally responsible for contributions to the Medicare Supplement Plan that covers the retirees of other governmental entities, including the Tennessee Housing Development Agency (see Note 11). The state is the sole contributor for the THDA retirees that participate in the Medicare Supplement Plan and, therefore, is acting as the employer.

Funding Policy - The premium requirements of plan members of the State Employment Group Plan are established and may be amended by the insurance committee. The plans are self-insured and financed on a pay-as-you-go basis with the risk shared equally among the participants. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Administrative costs of the plan are allocated to plan participants. In accordance with Section 8-27-205(b), *Tennessee Code Annotated*, retirees in the State Employee Group Plan who have not reached the age of 65 pay the same base premium as active employees in the plan, adjusted for years of service. Retirees with 30 years of service pay 20% of the total premium. Retirees with 25 but less than 30 years of service pay 30% of the total premium. Retirees with less than 20 years of service pay 40% of the total premium. Retirees 65 years of age or older are provided flat-rate premium subsidies, based on years of service. Retirees with 30 years of service receive \$50 per month; retirees with 25 but less than 30 years of service, \$37.50; and retirees with 15 but less than 20 years of service, \$25.

Funded Status and Funding Progress The funded status of THDA's portion of the State Employee Group Plan as of July 1, 2015, was as follows (thousands):

Actuarial valuation date	7/01/2015
Actuarial accrued liability (AAL)	\$ 2,923
Actuarial value of plan assets	-0-
Unfunded actuarial accrued liability (UAAL)	\$ 2,923
Actuarial value of assets as a % of the AAL	0%
Covered payroll (active plan members)	\$ 10,046
UAAL as a percentage of covered payroll	29%

Actuarial valuations involve estimates of the value of reported amounts and probability assumptions far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the

TENNESSEE HOUSING DEVELOPMENT AGENCY

actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Actuarial Methods and Assumptions Calculations are based on the types of benefits provided under the terms of the substantive plan at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

In the July 1, 2015, actuarial valuation for the Employee Group Plan, the Projected Unit Credit actuarial cost method was used. The actuarial assumptions included a 3.75% investment rate of return (net of administrative expenses) and an annual healthcare cost trend rate of 6.5% initially. The rate decreases to 6% in fiscal year 2016, and then reduces by decrements to an ultimate rate of 4.7% in fiscal year 2050. All rates include a 2.5% inflation assumption. The unfunded actuarial accrued liability is being amortized as a level percentage of payroll on a closed basis over a 30-year period beginning with July 1, 2007. Payroll is assumed to grow at a rate of 3 percent.

NOTE 11. ON-BEHALF PAYMENTS

During the year ended June 30, 2016, the State of Tennessee made payments of \$6,488 on behalf of THDA for retirees participating in the Medicare Supplement Plan. The Medicare Supplement Plan is a postemployment benefit healthcare plan and is discussed further in Note 10. The plan is reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

NOTE 12. PAYMENTS TO PRIMARY GOVERNMENT

From time to time, the State of Tennessee has called upon the agency and its resources, together with resources of other departments, agencies, and organizations in state government, to provide funds to the State General Fund to balance the state budget. The following is a description of these occurrences in relationship to the agency. On June 30, 1995, \$15,000,000 from the agency's Housing Program Reserve Fund was transferred to the State General Fund. On June 30, 1998, \$43,000,000 was transferred from the agency to the State General Fund. The \$43,000,000 transferred from the agency came from the following resources of the agency: (i) \$15,459,157 from tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. On June 30, 2002, a transfer from the agency to the primary government in the

amount of \$35,367,449 was made from the Assets Fund for the sole purpose of meeting the requirements of funding the operations of the primary government for the year ended June 30, 2002.

SUMMARY OF MORTGAGE INSURANCE AND GUARANTEE PROGRAMS**Introduction**

All first lien Program Loans made or purchased by THDA with proceeds of Bonds issued under the General Resolution are expected to be (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, or (b) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who, at the time of closing, have an acceptable equity interest in the property based on the lesser of appraised value or the sale price. However, under the General Resolution, some or all of these requirements may be modified by a Supplemental Resolution with respect to Program Loans financed with the proceeds of Bonds subsequently issued pursuant to such Supplemental Resolution.

Originating Agents are responsible for obtaining Veteran's Administration ("VA") or U.S. Department of Agriculture, Rural Development ("USDA/RD") guarantees, Federal Housing Administration ("FHA") insurance certificates or private mortgage insurance certificates as part of the process of originating and closing THDA Program Loans. Borrowers pay the costs associated with such insurance certificates or guarantees.

The following descriptions of certain mortgage insurance programs and loan guarantee programs are all only brief outlines and do not purport to summarize or describe all provisions of each respective program. For a more complete description of these programs, refer to the contract provisions embodied in FHA, USDA/RD (formerly FmHA) and VA regulations, respectively, and to the regulations, master insurance contracts and other such information from the private mortgage insurance providers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ primarily upon whether the property contains five or more dwelling units or less than five such units and whether the property is designed for occupancy by low and moderate income families.

The National Housing Act of 1934, as amended, imposes a minimum cash requirement for purchase money mortgages of 3.5% of the lesser of appraised value or sales price, resulting in a maximum loan to value percentage of 96.5%.

Under the FHA programs which insure THDA's Program Loans, insurance benefits generally are payable only upon foreclosure (or other acquisition of possession) and conveyance of the property to the United States Department of Housing and Urban Development ("HUD"). The FHA insurance proceeds available under these programs upon conveyance of the property to HUD is equal to 100% of the outstanding principal balance of the Program Loan, plus interest and certain additional costs and expenses.

Under some FHA insurance programs, HUD pays insurance claims in cash unless the mortgage lender specifically requests payment in debentures issued by HUD. Under other programs, HUD, at its option, may pay insurance claims in cash or in such debentures. Currently, HUD makes insurance payments on mortgages covering less than five dwelling units in cash when it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debentures interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the mortgage, whichever rate is higher.

When FHA insurance benefits are paid after foreclosure (or other acquisition of possession) and conveyance, the amount paid is computed as of the date of default by the borrower, as defined in HUD regulations, and the mortgage lender generally is not compensated for mortgage interest accrued and unpaid prior to that date. When FHA insurance benefits are paid under such circumstances, the insurance payment made is generally equal to the unpaid principal amount of the Program Loan, adjusted to reimburse the mortgage lender for certain tax, insurance and similar payments made by it and to deduct certain amounts received or retained by the mortgage lender after default, plus reimbursement not to exceed a specified percentage of the mortgage lender's foreclosure costs as determined by HUD based on certain criteria. The regulations under the FHA insurance programs which insure THDA's Program Loans provide that the insurance payment itself shall bear interest from the date of default to the date of payment of the claim at an interest rate equal to the monthly average yield, for the month in which the default occurred, on United States Treasury securities adjusted to a constant maturity of 10 years.

When any property conveyed to HUD has been damaged by fire, earthquake, flood or tornado, it is generally required, as a condition to payment of an insurance claim, that the property be repaired by the mortgage lender prior to such conveyance or assignment.

To obtain title to and possession of the property upon foreclosure, the Trustee and the Servicer act under the power of sale provisions in the deed of trust, subject to constraints imposed by applicable state law and by HUD. HUD currently requires that, absent the consent of the borrower, at least three full monthly installments be due and unpaid under the deed of trust before the mortgage lender may initiate any action leading to foreclosure under the deed of trust. HUD also requires a face-to-face conference between the mortgage lender and the borrower in an effort to cure the delinquency without foreclosure. In any case, these requirements do not apply where the borrower has voluntarily abandoned the property, in which case, the mortgage lender may immediately initiate foreclosure proceedings (subject to applicable state law notice provisions).

Veterans Administration Guaranty Program

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances, the veteran's spouse or certain qualified reservists) to obtain a Program Loan guaranty from the VA covering the purchase of a one-to-four family dwelling unit at interest rates permitted by the VA. The program has no loan limits, requires no down payment from the purchaser and permits the guaranty of Program Loans of up to thirty years duration. The maximum guaranty that may be issued by the VA under this program is the lesser of the veteran's available entitlement or the statutory maximum guaranty based on date of origination, type of housing unit and loan amount. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage lender will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of a property is greater than the original guaranty, as adjusted. The VA may, at its option, and without regard to the guaranty, make full payment to a mortgage lender of unsatisfied indebtedness on a mortgage upon its assignment to the VA.

United States Department of Agriculture, Rural Development (formerly Farmers Home Administration)

Guaranteed Rural Housing Program

The Cranston-Gonzalez National Affordable Housing Act of 1990 revised and expanded the interest assistance program for guaranteed loans under Section 502 of Title V of the Housing Act of 1949, as amended, by creating the Guaranteed Rural Housing Loan Program. The guaranty covers the lesser of (a) any loss equal to 90% of the original principal amount of the loan or (b) any loss in full up to 35% of the original principal amount of the loan plus any additional loss on the remaining 65% to be shared approximately 85% by USDA/RD and approximately 15% by THDA.

Private Mortgage Insurance Programs

General

Program Loans are permitted under the General Resolution when insured under private mortgage insurance programs as described below.

Private mortgage insurance policies insure against certain losses sustained by reason of default in payments by borrowers. Under most policies, delinquencies must be reported to the insurer within two (2) months of default, and proceedings to recover title must, generally, be commenced within nine (9) months of default. It is standard practice for private mortgage insurers to require that the mortgage lender, prior to presenting a claim under the mortgage insurance policy, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the borrower. When such a claim is presented, the private mortgage insurer will normally retain the option to pay the claim in full and take title to the property and arrange for its sale, or to pay the insured percentage of the claim and allow the insured mortgage lender to retain title to the property. The amount of loss payable generally includes the principal balance due under the mortgage, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced, expenses incurred in the preservation of the insured property, and other expenses necessarily incurred in the recovery proceedings.

Notwithstanding the foregoing, THDA does not expect to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance.

DESCRIPTION OF AGREEMENTS WITH ORIGINATING AGENTS AND SERVICERS**Working Agreements**

THDA has working agreements with each of its Originating Agents (the "Working Agreements"). Under the Working Agreements, THDA reviews and makes or purchases approved Program Loans which have been originated and processed by an Originating Agent.

Each Working Agreement also contains certain representations and warranties by the Originating Agent regarding the Program Loan applications submitted to THDA to the effect that the Originating Agent has no adverse information regarding the credit or reputation of the applicant nor adverse information concerning the real property to be mortgaged that would materially lessen THDA's security or detract from the subsequent marketability of the Program Loan. Each Originating Agent further represents and warrants that it will receive and process for THDA all applications by applicants for Program Loans who qualify as lower and moderate income persons.

The Working Agreement requires that Program Loans meet all requirements contained in THDA's rules and regulations and the O. A. Guide (as defined below). These requirements include, among other things:

- (1) a deed of trust securing the Program Loan in a form approved by THDA which creates a valid first lien or other approved lien on the property;
- (2) for FHA insured or VA or USDA/RD guaranteed Program Loans, all FHA, VA or USDA/RD rules, regulations and requirements must be met;
- (3) evidence of title satisfactory to THDA;
- (4) an original hazard insurance policy, delivered at closing, which covers the property subject to the Program Loan, names THDA as first mortgagee, and is in an amount not less than the greater of 90% of the insurable value of the improvements on the property or the full amount of the Program Loan; and
- (5) such other documents as are necessary to comply with the federal tax code.

Penalties may be imposed on Originating Agents for violating the Working Agreements. At the option of THDA, Originating Agents may also be required to purchase a Program Loan from THDA when there is a violation under the Working Agreement with respect to the Program Loan. THDA may terminate Working Agreements upon notice, with or without cause or, at its election, temporarily suspend Originating Agent's privilege to originate Program Loans as a result of inadequate performance.

Guide for Originating Agents

THDA provides each Originating Agent with a Guide for Originating Agents (the "O. A. Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax code requirements. The O. A. Guide sets forth requirements and procedures for originating, processing and closing Program Loans. The Guide includes a procedural checklist to be followed by the Originating Agent and copies of all THDA forms required in originating, processing and closing Program Loans.

Servicing Agreements

THDA currently has an agreement with U.S. Bank (the "Servicer") to service Program Loans (the "Servicing Agreement"). U.S. Bank services approximately 90% of THDA's entire portfolio of mortgage loans made or purchased with bond proceeds. The Servicing Agreement provides for the collection and remittance of Program Loan payments to THDA or a designated depository. Prior to remittance, the Servicer deducts a servicing fee, late charges and amounts to be held in escrow accounts for real property taxes, mortgage and hazard insurance premiums, and assessments. The servicing fee under the current Servicing Agreement is 3/8% annually. The Servicer is required to notify THDA in the event of any default on a Program Loan, and the Servicer may conduct foreclosure proceedings with the consent and at the expense of THDA. The Servicer is required to repurchase any Program Loan from THDA at any time THDA

suffers or is threatened with a material loss by reason of the Servicer's failure to perform its obligations under the Servicing Agreement. THDA may also terminate a Servicing Agreement for inadequate performance by the Servicer.

THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. THDA began servicing new production loans from its largest Originating Agent on June 1, 2017. THDA provided notice to all Originating Agents about delivering new THDA loans to VMLS for servicing in accordance with a schedule that THDA anticipates will result in all new THDA loans being serviced by THDA on or about April 1, 2018. THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

Guide for Servicers

THDA provides each Servicer with a Guide for Servicers (the "Servicer Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax requirements. The Servicer Guide includes substantive servicing requirements, incorporates the limitation on assumption of mortgages contained in the federal tax code, and specifies the procedures to be followed by the Servicer to comply with THDA requirements and the federal tax code. The Servicer Guide also includes a list of the documents that must be maintained by the Servicer, copies of all THDA's servicing and loan assumption forms, together with instructions for their completion and a schedule for the submission of the required forms and reports to THDA.

THDA requires monthly reports from Servicers. Each Servicer's performance is monitored and its servicing record is subject to examination by THDA's staff. Examinations are performed monthly from documentation received from the Servicer.

Special Programs

For certain special programs, THDA may elect to enter into joint agreements for originating and servicing Program Loans made under such special programs. Any such joint agreements are substantially similar to the Working Agreements and Servicing Agreements described hereinabove.

The provisions of this Resolution shall be deemed to be and shall constitute a contract among THDA, the Trustee and the holders from time to time of the Bonds. The pledges and assignments made hereby and the provisions, covenants and agreements herein set forth to be performed by or on behalf of THDA shall be for the equal benefit, protection and security of the holders of any and all of such Bonds, each of which, regardless of the time or times of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in this Resolution.

Section 2.3. Obligation of Bonds.

(A) This Resolution creates an issue of Bonds of THDA and creates a continuing pledge and lien to secure the full and final payment of the principal and Redemption Price of and interest on such Bonds, including any Sinking Fund Payments for the retirement thereof. The Bonds shall be special, limited obligations of THDA payable solely from the revenues and assets pledged therefor pursuant to this Resolution. The Bonds shall not be deemed to constitute a debt, liability, or obligation of the State or of any other political subdivision thereof, and neither the full faith and credit, nor the taxing power of the State or any political subdivision thereof, is pledged to the payment of the principal of or the interest on the Bonds. The Bonds shall contain on their face a statement that THDA shall not be obligated to pay the Bonds, nor the interest thereon, except from the revenues or assets pledged by THDA therefor and that neither the full faith and credit, nor the taxing power of the State or of any political subdivision thereof, is pledged to the payment of the principal of or the interest on the Bonds.

In addition, subject to the provisions of subsection 10.2(D), THDA hereby pledges and assigns, to secure the payment of the Bonds, all right, title and interest of THDA in and to the Program Loans, including any extensions and renewals thereof. To the fullest extent provided by the Act and other applicable laws, the money and property hereby pledged shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act and such lien shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise, irrespective of whether such parties have notice hereof.

Section 2.4. Authorization of Bonds. In order to provide sufficient funds for the operation of the Program or for the refunding of Bonds, bonds of THDA are hereby authorized to be issued from time to time hereunder in one or more Series without limitation as to amount except as may be provided by law. No Bonds shall be issued unless they are part of an issue described in a Supplemental Resolution and until the conditions contained in Section 2.6 or, in the case of Refunding Bonds, Section 2.7 are satisfied.

Section 2.5. Issuance and Delivery of Bonds. After their authorization by THDA, Bonds of a Series may be executed by or on behalf of THDA and delivered to the Trustee for authentication and, upon compliance by THDA with the requirements of Section 2.6 and, in the case of Refunding Bonds, Section 2.7, the Trustee shall thereupon authenticate and deliver such Bonds to or upon the order of THDA.

Section 2.6. Conditions Precedent to Delivery of Bonds. The Bonds of each Series shall be executed by THDA for issuance and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered to THDA or upon its order, but only upon the receipt by the Trustee of:

(i) provisions for the time, place and manner of such sale of such Bonds, as provided in the Act;

it purports to create of the Revenues and of moneys and securities or deposit in any of the Funds established hereunder, including the investments, if any, thereof, subject to the application thereof to the purposes and on the conditions permitted by this Resolution; and (iv) upon the execution, authentication and delivery thereof, such Bonds will have been duly and validly authorized and issued in accordance with the constitution and statutes of the State, including the Act as amended to the date of such Opinion, and in accordance with this Resolution;

(7) such further documents and moneys as are required by the provisions of Article VIII or any Supplemental Resolution entered into pursuant to Article VIII.

Section 2.7. Conditions Precedent to Delivery of Refunding Bonds.

(A) In addition to the requirements of Section 2.6, Refunding Bonds of any Series shall be authenticated by the Trustee only upon the receipt by the Trustee of:

(1) irrevocable instructions to the Trustee to give due notice of the payment or redemption of all the obligations to be refunded (which may include Bonds, or bonds or other obligations of THDA issued pursuant to THDA resolutions other than the Resolution) and the payment or redemption dates, if any, upon which such obligations are to be paid or redeemed;

(2) if the obligations to be refunded are to be redeemed subsequent to the next succeeding ninety days, irrevocable instructions to the Trustee to give, in accordance with the appropriate resolution of THDA which authorized the issuance of such obligations, notice of the redemption of such obligations on a specified date prior to their redemption date; and

(3) either (i) moneys (which may include all or a portion of the proceeds of the Refunding Bonds to be issued) in an amount sufficient to effect payment or redemption at the applicable redemption price of the obligations to be refunded, together with accrued interest on such obligations to the due date or redemption date, or (ii) Investment Securities as described in subsection (B) of Section 12.1 (or, as applicable, such other investments as required by the appropriate resolution of THDA which authorized the issuance of such obligations to cause such obligations to be similarly defeased), the principal of and interest on which when due (without reinvestment thereof), together with the moneys (which may include all or a portion of the proceeds of the Refunding Bonds to be issued), if any, contemporaneously deposited with the Trustee, will be sufficient to pay when due the applicable principal or redemption price of the obligations to be refunded, together with accrued interest on such obligations to the redemption dates or dates of maturity thereof, which moneys or appropriate investments shall be held by the Trustee or any one or more of the Paying Agents in the Redemption Fund, or, as applicable, by the Trustee under the resolution of THDA which authorized the issuance of such obligations.

(B) To the extent the obligations being refunded are Bonds issued hereunder, except as provided in Section 12.1 or paragraph 10.2(A)(6), neither Investment Securities nor moneys deposited with the Trustee pursuant to paragraph (A)(3) of this Section or principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than the payment of the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the Redemption Date, and any cash received from such principal or interest payments, if not then needed for such purpose, shall, to the extent practicable, be reinvested in such Investment Securities as are described in subsection 12.1(B) maturing at times and in amounts sufficient to pay when due the

principal or applicable Redemption Price of such Bonds, together with such accrued interest. Nothing in this Section, however, is intended to restrict the use of amounts received on account of any portion of the principal or interest on any Investment Securities deposited pursuant to subsection (A) above which are in excess of the amounts required to be so deposited in order to provide moneys sufficient to pay when due the applicable principal or Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds and, to the extent such Bonds have been deemed to have been paid within the meaning of Section 12.01, such amounts may be pledged by THDA and withdrawn by THDA as received and applied to any purpose of THDA, free and clear of the lien of this Resolution.

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.1. Medium of Payment, Denomination, Maturities, Form and Date.

(A) The Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(B) Except as may otherwise be provided in a Supplemental Resolution, all Bonds shall be in the denomination of \$5,000 each or in denominations of any whole multiple thereof.

(C) Except as may otherwise be provided in a Supplemental Resolution, the date upon which any Principal Installment with respect to a Series of Bonds is payable shall be the first day of any January or July. Except as may otherwise be provided in a Supplemental Resolution, interest on each Bond shall be payable semiannually on the first day of any January or July commencing, with respect to any Series of Bonds, on the January 1 or July 1 set forth in the Supplemental Resolution adopted in connection with the issuance of such Series.

(D) Bonds shall be issued in fully registered form, without coupons.

(E) All Bonds shall bear interest from their date unless another date for the accrual of interest thereon is specified in such Bond. Interest may be made payable at a final or variable rate, based on the principal amount of the Bond (including the Compounded Amount from time to time), or upon any other amount specified in the Bond or incorporated therein by reference. Upon the original delivery of the Bonds or an exchange or transfer of Bonds pursuant to Section 3.5 or Section 3.6 hereof, the Trustee shall note the date of authentication on each Bond to be delivered. Each Bond delivered upon transfer or in exchange for or in lieu of any other Bond shall carry all the right to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 3.2. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Resolution as may be necessary or desirable to comply with custom, or otherwise.

Section 3.3. Interchangeability of Bonds. Upon surrender thereof at the principal or corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his duly authorized attorney, Bonds may at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Trustee may make as provided in Section 3.6, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and interest rate of any of the authorized denominations.

Section 3.4. Negotiability and Registry. All the Bonds issued under this Resolution shall be negotiable, subject to the provisions for registration, transfer and exchange contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, THDA shall maintain and keep, at the principal or corporate trust office of the Trustee, books for the registration, transfer and exchange of Bonds. So long as any of the Bonds remain Outstanding, THDA shall make all necessary provisions to permit the exchange of Bonds at the corporate trust office of the Trustee.

Section 3.5. Transfer of Bonds.

(A) Except as provided for in Section 3.7 herein, each fully registered Bond shall be transferable only upon the books of THDA, which shall be kept for such purpose at the corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written

instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such fully registered Bond, THDA shall issue in the name of the transferee a new fully registered Bond or Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(B) THDA and any Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of THDA as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither THDA nor any Fiduciary shall be affected by any notice to the contrary.

Section 3.6. Regulations With Respect to Exchanges and Transfers. Except as provided for in Section 3.6 herein, in all cases in which the privilege of exchanging or transferring Bonds is exercised, THDA shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. For every such exchange or transfer of Bonds, whether temporary or definitive, THDA or the Trustee may make a charge sufficient to reimburse it for any expenses of THDA or the Trustee in connection therewith and for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and, except with respect to the delivery of definitive Bonds in exchange for temporary Bonds or as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such exchange or transfer, which sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. If the Bonds are not registered with a central depository system as provided in Section 3.7, THDA shall not be obliged to make any such exchange or transfer of Bonds (i) during the ten days preceding an Interest Payment Date on such Bonds, (ii) during the ten days preceding the date of the mailing of notice of any proposed redemption of Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. THDA may, by written notice to the Trustee, establish a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, but such record date shall be not more than ten days preceding an Interest Payment Date on such Bonds or, in the case of any proposed redemption of Bonds next preceding the date of the first redemption of Bonds.

Section 3.7. Central Depository System.

(A) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, Bondholder consent, payment and exchange of Bonds, and the giving of notices of Bondholders as required by the provisions of this Resolution, a Supplemental Resolution may provide that all or a portion of Bonds shall be issued as book-entry only Bonds and registered in the name of a central securities depository or its nominee (the "Central Securities Depository"), in which case matters relating to registration, ownership, transfer, consent, payment and exchange of Bonds, and relating to the giving of notices to Bondholders as required by the provisions of this Resolution, shall be governed by the operational arrangements of such Central Securities Depository.

(B) With respect to Bonds registered in the registry books kept by the Trustee in the name of a Central Securities Depository, THDA and the Trustee shall have no responsibility or obligation to any participant or to any beneficial owner. Without limiting the immediately preceding sentence, THDA and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Central Securities Depository or any participant with respect to any ownership interest in the Bonds, (ii) the delivery to any participant, any beneficial owner or any other person other than the Central Securities Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than the Central Securities Depository, of any amount with respect to the principal of or premium, if any or interest on the Bonds. THDA and the Trustee may treat as and deem the Central Securities Depository to be the absolute owner of each Bond, for the purpose of payment of the principal of and premium and interest on such Bond for the purpose of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Central Securities Depository, and all such payments shall be valid and effective to fully satisfy and discharge THDA's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than the Central Securities Depository shall receive an authenticated Bond evidencing the obligation of THDA to make payments of principal of and premium, if any, and interest pursuant to this Resolution. Upon delivery by the Central Securities Depository to the Trustee of written notice to the effect that the Central Securities Depository has determined to substitute a new nominee, and subject to the provisions herein with respect to consents, the words "Central Securities Depository" in this Resolution shall refer to such new nominee of the Central Securities Depository.

(C) Upon receipt by THDA and the Trustee of written notice from the Central Securities Depository to the effect that the Central Securities Depository is unable or unwilling to discharge its responsibilities and no substitute the Central Securities Depository can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of THDA kept by the Trustee in the name of the Central Securities Depository, but may be registered in whatever name or names the beneficial owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(D) In the event THDA determines that it is in the best interests of the beneficial owners that they be able to obtain Bond certificates and subject to the operational arrangements of such Central Securities Depository, THDA may notify the Central Securities Depository and the Trustee, whereupon the Central Securities Depository will notify the participants, of the availability through the Central Securities Depository of Bond certificates. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by the Central Securities Depository and any other Bondowners in appropriate amounts, and whenever the Central Securities Depository requests THDA and the Trustee to do so, the Trustee and THDA will cooperate with the Central Securities Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bond to any Central Securities Depository participant having Bonds credited to its Central Securities Depository account or (ii) to arrange for another Central Securities Depository to maintain custody of certificates evidencing the Bonds.

(E) In connection with any notice of other communication to be provided to Bondholders pursuant to this Resolution by THDA or the Trustee with respect to any consent or other action to be taken by Bondholders, THDA or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Central Securities Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(F) Any transfer of a Bond affected in accordance with this Section 3.7 shall be subject to applicable laws of the State.

Section 3.8. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, THDA shall execute and the Trustee shall authenticate a new Bond of like interest rate, maturity, principal amount and other terms as the Bond so mutilated, destroyed, stolen or lost. In the case of a mutilated Bond, such new Bond shall be delivered only upon surrender and cancellation of such mutilated Bond. In the case of Bonds issued in lieu of and substitution for a Bond which have been destroyed, stolen or lost, such new Bond shall be delivered only upon filing with the Trustee of evidence satisfactory to establish to THDA and the Trustee that such Bond have been destroyed, stolen or lost and to prove the ownership thereof and upon furnishing THDA and the Trustee with indemnity satisfactory to them. The person requesting the authentication and delivery of a new Bond pursuant to this Section shall comply with such other reasonable regulations as THDA and the Trustee may prescribe and pay such expenses as THDA and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be cancelled by it and evidence of such cancellation shall be given to THDA.

Section 3.9. Preparation of Definitive Bonds; Temporary Bonds.

(A) Definitive Bonds shall be typed, lithographed or printed on steel engraved borders; provided, that Bonds which are held by a Central Securities Depository shall be in form acceptable to such Central Securities Depository. Until definitive Bonds are prepared THDA may execute and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bonds are issued, in denominations of \$5,000 or such other denomination as may be authorized for such Bonds or any multiple thereof, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. Upon surrender of such temporary Bonds for exchange and cancellation, THDA at its own expense shall prepare and execute and, without charge to the holder thereof, deliver in exchange therefor, at the corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution.

(B) All temporary Bonds surrendered in exchange for definitive Bonds shall be forthwith cancelled by the Trustee.

Section 3.10. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with

all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be cremated or otherwise destroyed by the Trustee, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its authorized officers describing the Bonds so cremated or otherwise destroyed, and one executed Certificate shall be filed with THDA and the other executed Certificate shall be retained by the Trustee. Notwithstanding the foregoing, Bonds purchased by THDA shall not be cancelled to the extent that upon such purchase THDA shall have delivered to the Trustee (i) a Certificate of an Authorized Officer to the effect that such Bond shall be purchased but not cancelled and (ii) in the event the interest on such Bonds is excludable from gross income for purposes of federal income taxation, a Bond Counsel's Opinion to the effect that the failure to cancel such Bond will not, in and of itself, adversely affect such excludability.

Section 3.11. Execution and Authentication.

(A) After their authorization by a Supplemental Resolution, Bonds of a Series may be executed by or on behalf of THDA and delivered to the Trustee for authentication. The Bonds shall be executed in the name and on behalf of THDA by the manual or facsimile signature of the Chairman, Vice Chairman or Executive Director of THDA and the corporate seal of THDA (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon, and attested by the manual or facsimile signature of any other Authorized Officer, or in such other manner as may be required by law. In case any one or more of the officers or employees who shall have signed or sealed any of the Bonds shall cease to be such officer or employee before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office or be so employed. Any Bonds of a Series may be signed and sealed on behalf of THDA by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or employment by THDA, although the date of the Bonds of such Series such persons may not have been so authorized or have held such office or employment.

(B) The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Resolution authorizing such Bonds, executed manually by the Trustee. No Bond shall be entitled to any right or benefit under this Resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of THDA shall be conclusive evidence that the Bond so authenticated and delivered under this Resolution and that the holder thereof is entitled to the benefits hereof.

ARTICLE IV

APPLICATION OF BOND PROCEEDS AND OTHER AMOUNTS

Section 4.1. Application of Bond Proceeds, Accrued Interest and Premium. The proceeds of sale of any Series of Bonds, other than the proceeds of Refunding Bonds, shall, as soon as practicable upon the delivery thereof by the Trustee pursuant to Section 2.6 be applied as follows:

(1) the amount, if any, necessary to cause the amount on deposit in the Bond Reserve Fund to at least equal the Bond Reserve Fund Requirement immediately following the time of such delivery shall be deposited in the Bond Reserve Fund, together with such additional amount, if any, as may be specified in the Supplemental Resolution authorizing such Series; and

(2) the balance remaining after such deposit has been made shall be applied as specified in the Supplemental Resolution or as provided in a Certificate of an Authorized Officer.

Section 4.2. Application of Amounts in the Loan Fund. No amount in the Loan Fund shall be expended or applied for the purpose of financing Program Loans except upon compliance with the provisions of subsection 5.2(C). In addition, no Program Loan shall be financed unless such Program Loan (i) complies in all respects with the Act in effect on the date of financing and (ii) complies with any additional program covenants or requirements contained in the related Supplemental Resolution.

Section 4.3. Application of Proceeds of Refunding Bonds. The proceeds of the Refunding Bonds of a Series shall be deposited in the Redemption Account or the Debt Service and Expense Account as provided in the Supplemental Resolution authorizing such Bonds.

Section 4.4. Deposits. Except as provided in Sections 2.7 and 12.1 and subject to the right of THDA to direct the deposit of funds, whenever such amounts are not invested in Investment Securities, the Trustee shall, if permitted by law, deposit amounts or cause amounts to be deposited from any Fund held by the Trustee or under its control pursuant to the terms of this Resolution in interest-bearing time deposits or certificates of deposit, or may enter into repurchase agreements or make other similar banking arrangements with itself or a member bank or banks of the Federal Reserve System or a bank, the deposits of which are insured by the Federal Deposit Insurance Corporation or its successor. Each such interest-bearing time deposit, repurchase agreement or certificate of deposit or other similar banking arrangement shall permit the moneys so placed to be available at the times at which moneys are needed by THDA to be expended and, except to the extent that any such deposits shall be insured by the United States of America or the Federal Deposit Insurance Corporation, or its successor, on terms which in the judgment of THDA (as expressed in written instructions to the Trustee) provide reasonable liquidity, all moneys in each such interest-bearing time deposit, certificate of deposit, repurchase agreement or other similar banking arrangement shall be either continuously and fully secured under the laws of the State as determined by Board of Directors of THDA by Investment Securities (or other obligations rated in either of the two highest rating categories by a nationally recognized rating service) having a market value equal at all times to the amount of the interest-bearing time deposit, repurchase agreement, certificate of deposit or other similar banking arrangement. Notwithstanding the foregoing, repurchase agreements and other similar arrangements may also be entered into with government bond dealers reporting to, trading with and recognized as primary dealers by a Federal Reserve Bank and may be entered into with any other person if (i) all amounts payable thereunder, are fully and continuously secured by Investment Securities of the type described in clauses (1) through (6) of the definition thereof in Section 1.2, (ii) the Trustee shall receive confirmation that such securities are being held for the benefit (and subject to the direction) of the Trustee by a national bank or member bank of the Federal Reserve System other than the obligor under such arrangement and (iii) the market value of the Investment Securities being held shall be maintained at a level sufficient to maintain the then current rating on the Bonds by each Rating Agency.

Section 4.5. Investment of Certain Funds.

(A) Subject to the right of THDA to direct the investment or deposit of funds hereunder in accordance with this Section, moneys in any Fund shall be continuously invested and reinvested or deposited and redeposited in the highest yield Investment Securities that may be reasonably known to the Trustee, with a view toward maximizing current return (with proper preservation of principal) and minimizing the instances of uninvested funds. THDA shall consult with the Trustee from time to time as to the investment of amounts in the Funds established or confirmed by this Resolution. THDA may direct the Trustee to, or in the absence of direction, the Trustee shall, invest and reinvest the moneys in any Fund in Investment Securities in accordance with this Section and toward the objective that the maturity date or date of redemption at the option of the holder thereof shall coincide as nearly as practicable with the times at which moneys are needed to be so expended.

(B) Investment Securities purchased as an investment of moneys in any Fund held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund but, except as may be otherwise provided for amounts deposited in the Redemption Fund in connection with the issuance of Refunding Bonds, the income or interest earned and gains realized in excess of losses suffered by a Fund due to the investment thereof shall be deposited as Non-Mortgage Receipts in the Non-Mortgage Receipts Account or shall be credited as Non-Mortgage Receipts to the Non-Mortgage Receipts Account from time to time and reinvested.

(C) The Trustee shall sell at the best price obtainable, or present for redemption or exchange, any Investment Security purchased by it pursuant to this Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund for which such investment was made or whenever, in the discretion of THDA, any such sale or presentment is necessary in compliance with Section 7.9. The Trustee shall advise THDA in writing, on or before the twentieth day of each calendar month, of all investments held for the credit of each Fund in its custody under the provisions of this Resolution as of the end of the preceding month.

Section 4.6. Valuation and Sale of Investments.

(A) In computing the amount in any Fund, obligations purchased as an investment of moneys therein shall be valued at market, except that for purposes of determining the Bond Reserve Fund Requirement, Investment Securities shall be valued at amortized value. Amortized value means par, if the obligation was purchased at par, or, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation after such purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a

premium or adding the amount thus calculated for each interest payment date after such purchase to the purchase price in the case of an obligation purchased at a discount. Valuation shall be made as soon as practicable prior to each Interest Payment Date and at any other time required hereunder, and on any particular date shall not include the amount of interest then earned or accrued to such date on any investment.

(B) Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption, any Investment Security whenever it shall be requested in writing by an Authorized Officer to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund held by it. An Investment Security may be credited on a pro-rata basis to more than one Fund and need not be sold in order to provide for the transfer of amounts from one Fund to another.

ARTICLE V

FUNDS

Section 5.1. Establishment of Funds.

(A) THDA hereby establishes and creates the following special trust funds:

- (1) Loan Fund;
- (2) Revenue Fund; and
- (3) Bond Reserve Fund.

(B) All such Funds shall be held and maintained by the Trustee and shall be identified by THDA and the Trustee according to the designations herein provided in such manner as to distinguish such Funds from the Funds established by THDA for any other of its obligations. All moneys or securities held by the Trustee pursuant to this Resolution shall be held in trust and applied only in accordance with the provisions of this Resolution and the Act.

(C) This Resolution contemplates the establishment of Subaccounts within the Funds created pursuant to this Resolution. In addition to the Subaccounts established hereunder, the Trustee may from time to time, establish, close and reestablish such additional Funds, Accounts or Subaccounts as may be requested by THDA for convenience of administration of the Program and as shall not be inconsistent with the provisions of this Resolution. Notwithstanding anything in this Resolution to the contrary, including Section 2.2 hereof, to the extent provided in a Supplemental Resolution authorizing a Series of Bonds, THDA may cause the Trustee to establish a Subaccount into which the net proceeds of such Series of Bonds shall be deposited, held, applied and invested separate and apart from all other funds on deposit hereunder and such Supplemental Resolution may provide that initial proceeds of such Bonds on deposit therein are pledged solely to certain of the Bonds of such Series.

Section 5.2. Loan Fund.

(A) There shall be deposited from time to time in the Loan Fund any amount required to be deposited therein pursuant to this Resolution and any other amounts determined to be deposited therein from time to time.

(B) Amounts in the Loan Fund shall be expended only (i) to finance Program Loans, in accordance with Section 4.2; (ii) to pay Costs of Issuance; (iii) to make deposits in the Debt Service and Expense Account, representative of capitalized interest, in the manner provided in subsection (D) of this Section; (iv) to redeem Bonds in accordance with subsection (E) of this Section; and (v) to provide amounts for deposit in the Debt Service and Expense Account in accordance with subsection (F) of this Section. All Program Loans financed by application of amounts in the Loan Fund shall be credited to the Loan Fund.

(C) THDA shall maintain accurate records in the office of THDA describing for each Program Loan the amounts applied to the financing of such Program Loan and the persons and dates related to such payments. Upon the direction by THDA to apply amounts on deposit to the financing of Program Loans an Authorized Officer shall certify that, as to the Program Loans expected to be financed (i) the terms of such Program Loans will conform to the description of the Program Loans to be financed from such amount as set forth in the most recent Projected Cash Flow Statement delivered to the Trustee and (ii) such Program Loans will comply with the provisions of Section 4.2. The

Trustee shall pay out and permit the withdrawal of amounts on deposit in the Loan Fund at any time for the purpose of making payments pursuant to this Section only upon receipt of:

(1) a written requisition setting forth the amount to be paid, the person or persons to whom such payment is to be made (which may be or include THDA) and, in reasonable detail, the purpose or purposes of such withdrawal; and

(2) a Certificate of an Authorized Officer identifying such requisition and stating that the amount to be withdrawn from the Loan Fund pursuant to such requisition is a proper charge thereon.

(D) At least one day prior to each Interest Payment Date THDA shall deliver to the Trustee a Certificate of an Authorized Officer setting forth the amount necessary, in the opinion of such Authorized Officer, to pay interest on the Bonds of each Series from the amount on deposit in the Loan Fund, after giving effect to the actual and expected application of amounts therein to the financing of Program Loans as of the date of such Certificate. Upon receipt of such Certificate the Trustee shall transfer the amount so stated for each Series to the Debt Service and Expense Account, but only to the extent that the cumulative amount of such transfers does not exceed for each Series the amount stated as necessary to be reserved in the Loan Fund for the purpose of paying capitalized interest pursuant to the Projected Cash Flow Statement delivered in connection with the delivery of such Series pursuant to subsection 7.11 plus the amount, if any, certified by an Authorized Officer as available for such purpose from amounts originally reserved in the Loan Fund for the payment of capitalized interest and Costs of Issuance with respect to other Series in excess of the amounts actually required therefor.

(E) At any time THDA may direct the Trustee in writing to transfer amounts in the Loan Fund to the Redemption Account or to apply such amounts directly to the redemption, purchase or retirement of Bonds in accordance with their terms and the provisions of Article VI.

(F) THDA may at any time direct the Trustee to transfer amounts in the Loan Fund to the Revenue Fund, but only if there is delivered to the Trustee a Projected Cash Flow Statement showing the amount to be so transferred and that, after giving effect to such transfer, such Statement complies with subsection 7.11(C).

Section 5.3. Revenue Fund.

(A) The Trustee shall establish and create within the Revenue Fund three Accounts into which amounts shall be deposited and from which amounts shall be transferred as provided in this Section. These Accounts shall be designated as the Debt Service and Expense Account, the Redemption Account and the Non-Mortgage Receipts Account. THDA shall cause all Revenues to be deposited promptly with the Trustee (at least monthly) and such amounts shall be deposited in the Debt Service and Expense Account. There shall also be deposited in the Debt Service and Expense Account any other amounts required to be deposited therein pursuant to this Resolution.

(B) The Trustee shall pay out of the Debt Service and Expense Account to the respective Paying Agents for any of the Bonds (i) on or before each Interest Payment Date, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date and (ii) on or before the Redemption Date or date of purchase, the amounts required for the payment of accrued interest on Outstanding Bonds redeemed or purchased for retirement, unless the payment of such accrued interest shall be otherwise provided for, and in each such case, such amounts shall be applied by such Paying Agents to such payments. Upon receipt of appropriate requisitions and certificates reflecting such payment in the form prescribed by subsection 5.2(C), amounts on deposit in the Debt Service and Expense Account may be applied to the payment of accrued interest in connection with the financing of any Program Loan.

(C) Prior to the forty-fifth day preceding the due date of each Sinking Fund Payment, any amount accumulated in the Debt Service and Expense Account up to the unsatisfied balance of such Sinking Fund Payment may, and if so directed in writing by an Authorized Officer of THDA shall, be applied (together with amounts accumulated in the Revenue Fund with respect to interest on the Bonds for which such Sinking Fund Payment was established) by the Trustee as follows:

(1) to the purchase of Bonds of the Series and maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price for such Bonds when such Bonds are redeemable by application of said Sinking Fund Payment plus unpaid interest

accrued to the date of purchase, such purchases to be made in such manner as the Trustee shall determine; or

(2) to the redemption, pursuant to Article VI, of such Bonds if then redeemable by their terms at the Redemption Price referred to in clause (1) hereof.

(D) Upon the purchase or redemption of any Bond pursuant to subsection (C) of this Section, an amount equal to the principal amount of the Bond so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption. The portion of any Sinking Fund Payment remaining after the crediting thereto of any such amounts and of any amounts to be credited thereto as provided in subsection (K) of this Section (or the original amount of any such Sinking Fund Payment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Payment for the purpose of calculating Sinking Fund Payments due on a future date.

(E) As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall proceed to call for redemption pursuant to Section 6.3, on such due date, Bonds of the Series and maturity for which such Sinking Fund Payment was established in such amount as shall be necessary to complete the retirement of a principal amount of the Bonds of such maturity equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Debt Service and Expense Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date. The Trustee shall pay out of the Debt Service and Expense Account to the appropriate Paying Agents on the date preceding each such Redemption Date the amount required for the redemption of the Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(F) Upon delivery by THDA to the Trustee of a Certificate of an Authorized Officer which states the amount then on deposit in the Debt Service and Expense Account, the Trustee shall promptly transfer from the Debt Service and Expense Account an amount equal to the amount stated in such Certificate as follows:

FIRST: From amounts representing principal payments on Program Loans, the amount, if any, as shall be required by the Code to be applied to the redemption of Bonds shall be transferred to the Redemption Account.

SECOND: From the amount, if any, so available after the transfer provided above has been made, the amount, if any, as shall be required to make any arbitrage rebate payment to the United States of America as required by the Code shall be transferred to THDA to be applied to such payment.

THIRD: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, by which the amount on deposit in the Bond Reserve Fund is less than the Bond Reserve Fund Requirement shall be transferred to the Bond Reserve Fund.

FOURTH: From the amount, if any, so available after the transfers provided above have been made, the amount needed to pay reasonable and necessary Program Expenses which are due and owing shall be transferred to THDA, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

FIFTH: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, to be transferred to the Loan Fund shall be so transferred, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

SIXTH: From the amount, if any, so available after any transfers provided for above have been made, the remaining amount may be transferred to the Redemption Account upon the direction of THDA and thereafter applied in accordance with subsection (I) of this Section. If the amount of Program Loans (valued at par) and

Investment Securities held by the Trustee hereunder (other than Investment Securities in the Redemption Account) valued in accordance with this Resolution, is greater than 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, then the amount remaining, up to such excess above the 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, may be withdrawn from the Debt Service and Expense Account at any time during the then current Fiscal Year, upon receipt by the Trustee of a Certificate to such effect from an Authorized Officer of THDA, to be applied to any purpose of THDA consistent with Section 7.9, free and clear of the lien of any pledge of this Resolution, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

(G) Notwithstanding any other provision of this Section, the Trustee may at any time, upon the written direction of an Authorized Officer, (i) make transfers from the Debt Service and Expense Account to the Bond Reserve Fund, or the Redemption Account or (ii) make payments to THDA for the purpose of paying reasonable and necessary Program Expenses for the then current Fiscal Year. No such transfer or payment shall be made, however, unless such withdrawal is in an amount less than or equal to the amount of such withdrawal as set forth in the most recent Projected Cash Flow Statement.

(H) Notwithstanding the provisions of subsection (A) of this Section, no payments shall be required to be made into the Debt Service and Expense Account so long as the amount on deposit therein shall be sufficient to pay all Outstanding Bonds (including the Sinking Fund Payments for the retirement thereof) in accordance with their terms and the Bonds have been defeased in accordance with Section 12.1 hereof; any Revenues thereafter received by THDA may be applied to any corporate purpose of THDA free and clear of the lien of the pledge of this Resolution.

(I) There shall be deposited in the Redemption Account any amounts which are required to be deposited therein pursuant to this Resolution and any other amounts available therefor and determined by THDA to be deposited therein. Subject to the provisions of the respective Series of Bonds and to the provisions of the respective Supplemental Resolutions authorizing the issuance thereof and authorizing the issuance of Refunding Bonds, all amounts deposited in the Redemption Account shall be applied to the payment, purchase or redemption of Bonds, at the earliest practicable Redemption Date. Subject to the provisions of this Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply any amounts deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in this Section and Article VI. Any earnings derived from the investment of amounts deposited in the Redemption Account pursuant to Section 2.7 shall, to the extent required to provide amounts sufficient for the payment or redemption of Bonds in accordance with the conditions for issuance of Refunding Bonds set forth in said Section, be deposited in the Redemption Account. Amounts on deposit in the Redemption Account for the payment, purchase or redemption of any particular Bonds in accordance with the provisions of any Supplemental Resolution authorizing the issuance of Refunding Bonds, including amounts derived from the investment thereof as provided in this subsection, shall be segregated and shall be identified as such on the records of the Trustee.

(J) Except as may be otherwise provided in connection with the issuance of Refunding Bonds, at any time prior to the forty-fifth day upon which Bonds are to be paid or redeemed from such amounts, the Trustee may apply amounts in the Redemption Account to the purchase of any of the Bonds which may be paid or redeemed by application of amounts on deposit therein. THDA may, however, by delivery to the Trustee of written instructions to such effect signed by an Authorized Officer, require or prohibit such purchases in the discretion of THDA. The Trustee shall purchase Bonds at such times, for such prices, in such amounts and in such manner as THDA shall from time to time direct or, in the absence of such direction, as the Trustee may determine in its sole discretion and as may be possible with the amounts then available therefor. The purchase price paid by the Trustee (excluding accrued interest but including any brokerage and other charges) for any Bond purchased shall not exceed the principal amount of such Bond unless such Bond may be redeemed in accordance with this Resolution on any date or dates within thirteen months after such purchase, in which event such purchase price shall not exceed the highest Redemption Price payable on any such date upon the redemption of such Bond. In the event the Trustee is able to purchase Bonds at a price less than the Redemption Price at which such Bonds were to be redeemed, then, upon the payment by the Trustee of the purchase price of such Bonds, the Trustee shall transfer the difference between the amount of such purchase price and the amount of such Redemption Price, and deposit the same in the Debt Service and Expense Account within the Revenue Fund.

(K) Upon the purchase or redemption of Bonds for which Sinking Fund Payments have been established from amounts in the Redemption Account, there shall be credited toward each such Sinking Fund Payment thereafter to become due an amount as nearly as may be practicable in multiples of \$5,000 (or such other denomination as shall be authorized for the related Series of Bonds) bearing the same ratio to such Sinking Fund Payment, as the total principal amount of such Bond so purchased or redeemed bears to the total amount of all such Sinking Fund Payments to be credited. If, however, there shall be filed with the Trustee written instructions of an Authorized Officer specifying a different method for crediting Sinking Fund Payments upon any such purchase or redemption of Bonds, then such Sinking Fund Payments shall be credited as shall be provided in such instructions.

(L) Except as otherwise specifically provided herein, the Trustee shall have no obligation to purchase or attempt to purchase Bonds at a price below the Redemption Price or at any other price and any arm's length purchase by the Trustee shall conclusively be deemed fair and reasonable.

(M) All Non-Mortgage Receipts shall be deposited, promptly upon receipt by the Trustee, in the Non-Mortgage Receipts Account. The Trustee shall maintain records sufficient to determine the average daily balance of the amounts on deposit in the Loan Fund and the Bond Reserve Fund and the Debt Service and Expense Account and Redemption Account in the Revenue Fund (referred to in this Section as the "average daily balance"). If so directed by THDA, the Trustee shall maintain such for each Series of Bonds separately.

(N) Not later than each Interest Payment Date, the Trustee shall transfer from the Non-Mortgage Receipts Account to the Debt Service and Expense Account an amount equal to the lesser of (i) the amount needed to enable the Trustee to pay Debt Service on the Bonds on such Interest Payment Date and (ii) the balance then on deposit in the Non-Mortgage Receipts Account. If at any time the amount available prior to any Interest Payment Date shall be insufficient for the making of the transfers provided by this Subsection, then the Trustee shall make transfers to the Debt Service and Expense Account from the Non-Mortgage Receipts Account from the first available Non-Mortgage Receipts received subsequent to such Interest Payment Date and the amount so transferred shall not reduce the amount required to be transferred prior to the next Interest Payment Date.

(O) Any amount remaining in the Non-Mortgage Receipts Account after the transfer to the Debt Service and Expense Account described in paragraph (N) above shall be transferred, at the direction of an Authorized Officer, to the Loan Fund or the Redemption Account.

Section 5.4. Bond Reserve Fund.

(A) If on any Interest Payment Date or Redemption Date for the Bonds the amount in the Revenue Fund and the Redemption Fund, if applicable, shall be less than the amount required for the payment of the Principal Installments and interest due on the Outstanding Bonds on such date, the Trustee shall apply amounts from the Bond Reserve Fund to the extent necessary to make good the deficiency.

(B) If, concurrently with any allocation from the Revenue Fund pursuant to subsection (B) or (F) or (G) of Section 5.3, the amount on deposit in the Bond Reserve Fund, shall be in excess of the Bond Reserve Fund Requirement, the Trustee may, if so directed in writing by an Authorized Officer of THDA, transfer the amount of such excess to the Redemption Account.

(C) Whenever the amount in the Bond Reserve Fund, together with the amount in the Revenue Fund, is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including the Sinking Fund Payments for the retirement thereof), amounts on deposit in the Revenue Fund shall be transferred to the Bond Reserve Fund. Prior to said transfer all investments held in the Revenue Fund shall be liquidated and any Bonds constituting a part of such Fund shall be deemed paid and cancelled.

(D) It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.1. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity shall be redeemable, upon notice as provided in this Article, at such times, at such Redemption Prices and upon such other terms as may be specified in this Resolution, in the Bonds and in the respective Supplemental Resolutions authorizing the issuance of such Bonds and authorizing the issuance of Refunding Bonds.

Section 6.2. Redemption at the Election or Direction of THDA; Conditional Notice. In the case of any redemption of Bonds otherwise than as provided in Section 6.3, THDA shall give written notice to the Trustee of its election or direction so to redeem, on the Redemption Date, the principal amounts of the Bonds of such Series and maturities to be redeemed (which Redemption Date, Series, maturities and principal amounts thereof to be redeemed shall be determined by THDA in its sole discretion, subject to any limitations with respect thereto as may be provided in a Supplemental Resolution or otherwise contained in or permitted by this Resolution) and of any moneys to be applied to the payment of the Redemption Price. Such notice shall be given at least forty-five days prior to the Redemption Date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 6.5, the Trustee, if it holds the moneys to be applied to the payment of the Redemption Price, or otherwise THDA shall, prior to the Redemption Date, pay to the appropriate Paying Agent or Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agent or Paying Agents, will be sufficient to redeem on the Redemption Date at the Redemption Price thereof all the Bonds to be redeemed; provided, however, that any election or direction to redeem Bonds may be conditional, and THDA may elect or direct that any notice of redemption given pursuant to Section 6.5 shall be made conditional, upon the deposit with the Paying Agent of such sufficient moneys or other conditions. THDA shall promptly notify the Trustee in writing of all such payments made by THDA to a Paying Agent.

Section 6.3. Redemption Otherwise Than at THDA's Election or Direction. Whenever by the terms of this Resolution, the Trustee is required to redeem Bonds otherwise than at the election or direction of THDA, and subject to and in accordance with the terms of this Article and, to the extent applicable, Article V, the Trustee shall select the Redemption Date of the Bonds to be redeemed, give the notice of redemption and pay the Redemption Price to the appropriate Paying Agents.

Section 6.4. Selection of Bonds to be Redeemed. In the event of redemption of less than all the Outstanding Bonds of like Series, interest rate and maturity, the Trustee shall assign to each such Outstanding fully registered Bond a distinctive number for each \$5,000 of the principal amount thereof so as to distinguish each such \$5,000 from each other portion of the Bonds subject to such redemption. The Trustee shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds bearing the numbers so selected; but only so much of the principal amount of each such fully registered Bond of a denomination or more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding. In the case of Appreciation Bonds, in the event that the Compounded Amount of any such Bond shall be less than \$5,000, the Trustee shall assign a number to such Bond as if the Bond had a principal amount equal to \$5,000 for purposes of this Section. If a Supplemental Resolution provides for a minimum denomination larger (or smaller) than \$5,000, all references in this Section to \$5,000 shall be deemed to refer to such larger (or smaller) minimum denomination. Notwithstanding the foregoing, Bonds that are held by a Central Securities Depository (or beneficial ownership interests in Bonds registered in the name of a Central Securities Depository or its nominee) shall be selected for redemption in accordance with the operational arrangements of such Central Securities Depository.

Section 6.5. Notice of Redemption. When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds pursuant to Section 6.2 and when redemption of Bonds is required by this Resolution pursuant to Section 6.3, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the Series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth in summary terms, the conditions precedent to such redemption and

that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository as provided in Section 3.7 hereof) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

Section 6.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 6.5 and assuming that all conditions precedent have been satisfied, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, together with, in the case of portions of Bonds, a written instrument of exchange duly executed by the registered owner or his duly authorized attorney. If there shall be drawn for redemption less than the entire principal amount of a Bond, THDA shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered at the option of the holder, Bonds of like Series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then, from and after the Redemption Date interest on the Bonds or portions thereof of such Series and maturities so called for redemption shall cease to accrue and become payable.

If any notice of redemption pursuant to Section 6.5 is given specifying that the redemption of the Bonds so called for redemption is made conditional upon the deposit of sufficient moneys to pay the Redemption Price therefor on the Redemption Date and if such moneys sufficient to pay the Redemption Price and accrued interest have not been made available by THDA to the Trustee or the appropriate Paying Agent or Paying Agents on the Redemption Date, such notice of redemption shall be cancelled and be without effect and the Bonds so called for redemption and subject to such conditional redemption notice shall continue to remain Outstanding. The Trustee shall, within two business days after the proposed Redemption Date, give notice, in the manner in which the notice of redemption was given, that such conditions were not satisfied.

(B) THDA shall not permit at any time or times any of the proceeds of the Bonds or any other funds of THDA to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 148(a) of the Code.

(C) Notwithstanding the foregoing, THDA hereby reserves right to elect to issue Bonds the interest on which is not exempt from federal income taxation, if such election is made prior to the issuance of such Bonds, and the covenants contained in this Section shall not apply to such Bonds.

(D) Any such financial statements may be presented on a consolidated or combined basis with other reports of THDA, but only to the extent that such basis of reporting shall be consistent with that required under subsection (B) of this Section.

(E) A copy of each annual Projected Cash Flow Statement prepared in accordance with Section 7.11 hereof and any special report filed pursuant to subsection (C) of this Section and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by THDA to each Bondholder who shall have filed his name and address with THDA for such purposes.

(C) A Projected Cash Flow Statement shall be considered to comply with this subsection if such Statement shows that (i) the estimated Revenues for each annual period in which Bonds will be Outstanding, together with any amount scheduled to be withdrawn from the Bond Reserve Fund (and permitted to be so withdrawn pursuant to this Resolution), will be sufficient for the payment of the estimated Debt Service and Program Expenses for such annual period, and (ii) the total assets (consisting of cash and investments, valued as provided herein, and the principal balance of Program Loans) held hereunder equal to or exceed the total liabilities of all Bonds Outstanding hereunder for each such annual period.

(B) Whenever necessary in order to protect and enforce the interests and security of the holders of the Bonds, THDA shall commence foreclosure or pursue other appropriate remedies with respect to any Program Loan which is in default. In the event that THDA shall, in its discretion, determine such action to be in the best interests of the holders of the Bonds, THDA may bid for and purchase the premises covered by any such Program Loan at any foreclosure sale thereof and may otherwise take possession of or acquire such premises.

(C) THDA may at any time sell, assign or otherwise dispose of a Program Loan (or the premises to which such Program Loan related) or a Program Security:

(1) in the case of a Program Loan, in the event that payment under such Program Loan is delinquent more than ninety days or, at any time, in order to realize the benefits of insurance with respect to such Program Loan or premises;

(2) in order to obtain funds to provide for the redemption or purchase of an amount of Bonds the debt service on which is equivalent to the payments on the Program Loan; or

(3) a Projected Cash Flow Statement shall be filed with the Trustee which gives effect to the proposed sale thereof and complies with the conditions set forth in subsection 7.11(C).

Section 7.13. Personnel and Servicing of Programs.

(A) THDA shall at all times appoint, retain and employ competent personnel for the purpose of carrying out its respective programs under the Act and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by THDA shall be qualified for their respective positions.

(B) THDA may pay to any agency, municipality, political subdivision or governmental instrumentality of the State such amounts as are necessary to reimburse such agency, municipality, political subdivision or governmental instrumentality of the State for the reasonable costs of any services performed for THDA.

(C) THDA shall duly and properly service all Program Loans and enforce the payment and collection of all payments of principal and interest and all Escrow Payments or shall cause such servicing and/or enforcing to be done by a servicer evidencing, in the judgment of THDA, the capability and experience necessary to adequately service Program Loans. Each such servicer shall enter into a servicing agreement providing that:

(1) all amounts received by such servicer, except as compensation for its services, shall be promptly transferred to the Trustee subject to and in accordance with the provisions of this Resolution;

(2) such servicer shall at all times remain qualified to act as such pursuant to such standards as THDA shall prescribe from time to time and shall determine to be reasonable to maintain the security for the Bonds;

(3) such servicer shall agree to maintain servicing facilities that are staffed with trained personnel to adequately service Program Loans in accordance with standards normally employed by private institutional mortgage investors, as determined in THDA's sole discretion, and shall maintain individual files for each Program Loan serviced pursuant to the servicing agreement and provide regular reports to THDA as to collections and delinquencies with respect to all Program Loans serviced by such servicer.

Section 7.14. Issuance of Additional Obligations.

(A) THDA shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which, except as provided in Section 5.1(C) hereof, will be secured by a superior or equal charge and lien on the revenues and assets pledged hereunder, except that additional Series of Bonds may be issued from time to time subsequent to the issuance of the initial Series of Bonds under this Resolution on a parity with the Bonds of such initial Series of Bonds and secured, except as provided in Section 5.1(C) hereof, by an equal charge and lien on the revenues and assets pledged hereunder and payable equally therefrom for one or more of the purposes set forth in Section 2.4.

(B) No additional Series of Bonds shall be issued subsequent to the issuance of the initial Series of Bonds under this Resolution unless an Authorized Officer shall have certified that:

(1) the principal amount of the additional Bonds then to be issued, together with the principal amount of the Bonds, notes and other obligations theretofore issued pursuant to the Act, will not exceed in aggregate principal amount any limitation thereon imposed by law;

(2) upon the issuance and delivery of such additional Bonds, the amount credited to the Bond Reserve Fund is at least equal to the Bond Reserve Fund Requirement, as valued not more than five (5) Business Days prior to the date of issuance of such additional Bonds;

(3) the provisions of Section 2.6 or, in the case of Refunding Bonds, Section 2.7 shall have been complied with as of the date of delivery of such Series;

(4) except in the case of Refunding Bonds, at the time of issuance of such additional Bonds, THDA shall not be in default in the performance of any of the covenants, conditions, agreements or provisions contained in this Resolution; and

(5) upon the issuance of such Series and application of the proceeds thereof in accordance with Article IV hereof, the amount of Program Loans and Investment Securities credited to all Funds and Accounts hereunder, other than the Redemption Account, when valued in accordance with this Resolution, will be equal to the principal amount of Outstanding Bonds, including the Bonds thereupon being issued.

(C) THDA hereby expressly reserves the right to enter into or adopt one or more additional indentures or resolutions for its purposes, including the purposes of the Program, and reserves the right to issue other obligations for such purposes.

Section 7.15. Bond Reserve Fund.

(A) THDA shall at all times maintain the Bond Reserve Fund created and established by Section 5.1 and do and perform or cause to be done and performed each and every act and thing with respect to the Bond Reserve Fund provided to be done or performed by or on behalf of THDA or the Trustee or the Paying Agents under the terms and provisions of Article V hereof. It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

(B) Notwithstanding any other provisions of this Resolution the Trustee shall not permit amounts to be withdrawn from the Bond Reserve Fund other than pursuant to subsection 5.4(A) unless there shall have been filed with the Trustee a Certificate of an Authorized Officer stating that such amounts are not required to be retained therein to provide funds for the payment of Principal Installments or interest on Outstanding Bonds when due.

Section 7.16. Assignment of Program Loans Upon Default. Upon the happening of an Event of Default specified in Section 10.2 and at the written request of the Trustee or of the holders of not less than 25% in principal amount of the Outstanding Bonds, THDA shall deliver the Program Loans to the Trustee and take any other steps requested by the Trustee or such Bondholders in order to further effectuate the assignment of all of the Program Loans to the Trustee. If, however, the Trustee and the Bondholders are restored to their positions in accordance with Section 10.4, the Trustee shall assign such Program Loans back to THDA.

ARTICLE VIII
SUPPLEMENTAL RESOLUTIONS

Section 8.1. Supplemental Resolutions Effective Upon Filing With the Trustee. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of THDA may be adopted, which, upon the filing with the Trustee of a copy thereof certified by an Authorized Officer, shall be fully effective in accordance with its terms:

- (1) to close this Resolution against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Resolution on the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;
- (2) to add to the covenants and agreements of THDA in this Resolution other covenants and agreements to be observed by THDA which are not contrary to or inconsistent with this Resolution as theretofore in effect;
- (3) to add to the limitations and restrictions in this Resolution other limitations and restrictions to be observed by THDA which are not contrary to or inconsistent with this Resolution as thereupon in effect;
- (4) to surrender any right, power or privilege reserved to or conferred upon THDA by the terms of this Resolution, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of THDA contained in this Resolution;
- (5) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of the Revenues and Non-Mortgage Receipts or of any other revenues or assets;
- (6) to accommodate the conversion of the Program to the purchase of Program Securities in addition to or in lieu of Program Loans;
- (7) to modify any of the provisions of this Resolution in any respect whatever, but only if either (i) such modification shall not materially adversely affect the interest of the Bondholders (as to any change relating to security for the Bonds, evidence that such change, at the time of such change, will not, in and of itself, impair, or cause the Bonds to fail to retain, the then-existing rating(s) assigned to them by the Rating Agencies, shall constitute sufficient evidence that such change does not materially adversely affect the interest of the Bondholders) or (ii) such modification shall be, and be expressed to be, effective only after all Bonds Outstanding at the date of the adoption of such Supplemental Resolution shall cease to be Outstanding; or and, with respect to (ii) above, such modification is disclosed in any offering documents of THDA for Bonds issued subsequent to the date of adoption of the Supplemental Resolution; or
- (8) to authorize the issuance of additional Series of Bonds and to prescribe the terms and conditions thereof and any additional terms and conditions upon which such Bonds may be issued.

Section 8.2. Supplemental Resolutions Effective Upon Consent of Trustee.

(A) For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer, and (ii) the filing with the Trustee and THDA of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

- (1) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or
- (2) to insert such provisions clarifying matters or questions arising under this Resolution as are necessary or desirable and are not contrary to or inconsistent with this Resolution as theretofore in effect; or
- (3) to provide for additional duties of the Trustee in connection with the Program Loans.

(B) Any such Supplemental Resolution may also contain one or more of the purposes specified in Section 8.1, and in that event, the consent of the Trustee required by this Section shall be applicable only to those provisions of such Supplemental Resolution as shall contain one or more of the purposes set forth in subsection (A) of this Section.

Section 8.3. Supplemental Resolutions Effective Upon Consent of Bondholders. At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by Bondholders in accordance with and subject to the provisions of Article IX. Any such Supplemental Resolution shall become fully effective in accordance with its terms upon the filing with the Trustee a copy thereof certified by an Authorized Officer and upon compliance with the provisions of Article IX.

Section 8.4. General Provisions.

(A) This Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article IX. Nothing in this Article or Article IX contained shall affect or limit the right or obligation of THDA to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.7 or the right or obligation of THDA to execute and deliver to any Fiduciary any instrument which is to be delivered to said Fiduciary pursuant to this Resolution.

(B) Any Supplemental Resolution permitted or authorized by Section 8.1 or 8.2 may be adopted by THDA without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution filed with the Trustee shall be accompanied by a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Resolution, is authorized or permitted by this Resolution, and is valid and binding upon THDA.

(C) The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Section 8.1, 8.2 or 8.3 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel (which may be a Bond Counsel's Opinion) that such Supplemental Resolution is authorized or permitted by the provisions of this Resolution.

(D) No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

ARTICLE IX AMENDMENTS

Section 9.1. Mailing and Publication of Notice of Amendment. Any provision in this Article for the mailing of a notice to Bondholders shall be fully complied with if it is mailed postage prepaid (i) to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of THDA and (ii) to the Trustee.

Section 9.2. Powers of Amendment. Any modification of or amendment to this Resolution and of the rights and obligations of THDA and of the holders of the Bonds hereunder, in any particular, may be made by a Supplemental Resolution, but only, in the event such Supplemental Resolution shall be adopted pursuant to Section 8.3, with the written consent given as provided in Section 9.3, (i) of the holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the holders of at least two-thirds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the holders of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given. If any such modification or amendment will not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, however, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its

written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Resolution if the same adversely affects or diminishes the rights of the holders of Bonds of such Series. The Trustee may in its sole discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on THDA and all holders of Bonds.

Section 9.3. Consent of Bondholders.

(A) A copy of any Supplemental Resolution making a modification or amendment which is not permitted by the provisions of Section 8.1 or 8.2 (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed, by first class mail postage prepaid, by THDA to the holders of any registered Bond. Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of holders of the percentages of Outstanding Bonds specified in Section 9.2 and (b) a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted by THDA in accordance with the provisions of this Resolution, is authorized or permitted hereby and is valid and binding upon THDA and enforceable in accordance with its terms.

(B) The consent of a Bondholder to any modification or amendment shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.14. A Certificate by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with such Section 11.14 shall be conclusive that the consents have been given by the holders of the Bonds described in such Certificate of the Trustee. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof) unless such consent is revoked in writing by the holder of such Bonds giving such consent or a subsequent holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 11.14. The fact that a consent has not been revoked may likewise be proved by a Certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee.

(C) At any time after the holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with THDA and the Trustee a written statement that the holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by THDA on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required percentages of Bonds and will be effective as provided in this Section shall be given to Bondholders by THDA by mailing such notice to the Bondholders, first class mail, postage prepaid, (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as provided in this Section). THDA shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon THDA, the Fiduciaries and the holders of all Bonds at the expiration of forty days after the filing with the Trustee of the proof of the first mailing of the notice of such consent, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty day period, except that any Fiduciary and THDA during such forty day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 9.4. Modifications by Unanimous Consent. The terms and provisions of this Resolution and the rights and obligations of THDA and of the holders of the Bonds hereunder may be modified or amended in any respect upon the adoption and filing by THDA of a Supplemental Resolution and the consent of the holders of all the Bonds then Outstanding, such consent to be given as provided in Section 9.3, but no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders. No notice of any such modification or amendment to Bondholders either by mailing or publication shall be required.

Section 9.5. Exclusion of Bonds. Bonds owned or held by or for the account of THDA shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and THDA shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, THDA shall furnish the Trustee a Certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.6. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as provided in Article VIII or this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by THDA and the Trustee as to such action, and in that case upon demand of the holder of any Outstanding Bond at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If THDA or the Trustee shall so determine, new Bonds modified to conform to such action in the opinion of the Trustee and THDA shall be prepared, executed, authenticated and delivered, and upon demand of the holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity, then Outstanding, upon surrender of such Bonds. All Bonds surrendered in such an exchange shall be cancelled by the Trustee.

ARTICLE X

Section 10.2. Remedies.

(A) Upon the happening and continuance of any Event of Default specified in paragraphs (1) and (2) of Section 10.1 the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in paragraph (3) of Section 10.1 the Trustee may proceed, and upon the written request of the holders of not less than 25% in principal amount of the Outstanding Bonds (75% with respect to acceleration of the Bonds pursuant to clause (5) below) shall proceed, in its own name, subject to the provisions of Section 11.3, to protect and enforce the rights of the Bondholders by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

- (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including the right to require THDA to receive and collect Revenues and Non-Mortgage Receipts adequate to carry out the covenants and agreements as to, and the assignment of, the Program Loans and to require THDA to carry out any other covenants or agreements with Bondholders and to perform its duties under the Act;
- (2) by bringing suit upon the Bonds;
- (3) by action or suit in equity, to require THDA to account as if it were the trustee of an express trust for holders of the Bonds;

(4) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds;

(5) by declaring all Bonds due and payable, and if all defaults shall be cured, then, with the written consent of the holders of not less than 25% in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(6) in the event that all Bonds are declared due and payable, by selling Program Loans and Investment Securities.

(B) In the enforcement of any rights and remedies under this Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due and unpaid from THDA for principal, Redemption Price, interest or otherwise, under any provisions of this Resolution or a Supplemental Resolution or of the Bonds, with interest on overdue payments at the rate of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings thereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce a judgment or decree against THDA for any portion of such amounts remaining unpaid, with interest, costs and expenses (including without limitation pre-trial, trial and appellate attorney fees), and to collect from any moneys available for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(C) Upon the occurrence of any Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Resolution, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and Non-Mortgage Receipts and of the assets of THDA relating to the Program, pending such proceedings, with such powers as the court making such appointment shall confer.

(D) Except upon the occurrence and during the continuance of an Event of Default hereunder, THDA hereby expressly reserves and retains the privilege to receive and, subject to the terms and provisions of this Resolution, to keep or dispose of, claim, bring suit upon or otherwise exercise, enforce or realize upon its rights and interest in and to the Program Loans and the proceeds and collections therefrom, and neither the Trustee nor any Bondholder shall in any manner be or be deemed to be an indispensable party to the exercise of any such privilege, claim or suit.

Section 10.3. Priority of Payments After Default.

(A) In the event that upon the happening and continuance of any Event of Default the funds held by the Trustee and Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and this Article, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the holders of the Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under this Resolution, shall be applied, subject to Section 10.11, hereof as follows:

(1) Unless the principal of all of the Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds shall become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of

principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(B) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatsoever to THDA, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 10.4. Termination of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case THDA, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 10.5. Bondholders' Direction of Proceedings. Anything in this Resolution to the contrary notwithstanding, the holders of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Resolution, and that the Trustee shall have the right to decline to follow such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction

Section 10.6. Limitation on Rights of Bondholders.

(A) No holder of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law hereunder, or for the protection or enforcement of any right under this Resolution unless such holder shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the holders of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under this Resolution or for any other remedy hereunder or by law. It is understood and intended that no one or more holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder or under law with respect to the Bonds or this Resolution, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of the Outstanding Bonds. Nothing contained in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on his Bonds, or the obligation of THDA to pay the principal of and interest on each Bond issued hereunder to the holder thereof at the time and place in said Bond expressed.

(B) Anything to the contrary notwithstanding contained in this Section, or any other provision of this Resolution, each holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Resolution or any Supplemental Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party

litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs including reasonable pre-trial, trial and appellate attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least 25% in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of any Bond on or after the respective due date thereof expressed in such Bond.

Section 10.7. Possession of Bonds by Trustee Not Required. All rights of action under this Resolution or under any of the Bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the holders of such Bonds, subject to the provisions of this Resolution.

Section 10.8. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 10.9. No Waiver of Default. No delay or omission of the Trustee or of any holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein and every power and remedy given by this Resolution to the Trustee and the holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 10.10. Notice of Event of Default. The Trustee shall give to the Bondholders notice of each Event of Default hereunder known to the Trustee within ninety days after actual knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided, that, except in the case of default in the payment of the principal of or Redemption Price, if any, or interest on any of the Bonds, or in the making of any payment required to be made into the Loan Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Bondholders. Each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof: (i) to all registered holders of Bonds, as the names and addresses of such holders appear upon the books for registration and transfer of Bonds as kept by the Trustee and, (ii) to such other persons as is required by law.

ARTICLE XI CONCERNING THE FIDUCIARIES

Section 11.1. Appointment and Acceptance of Duties of Trustee.

(A) The Bond Finance Committee of THDA has been delegated the responsibility for choosing the initial Trustee pursuant to this Resolution. The Trustee shall signify its acceptance of the duties and obligations of the Trustee by executing a written acceptance of its obligations under this Resolution.

(B) The Trustee is hereby vested with all of the rights, powers and duties of a Trustee permitted to be appointed by Bondholders pursuant to the Act and the right of Bondholders to appoint a trustee pursuant to the Act is hereby abrogated as permitted by the Act.

Section 11.2. Appointment and Acceptance of Duties of Paying Agents.

(A) THDA shall appoint one or more Paying Agents for the Bonds of each Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 11.13 for a successor Paying Agent. The Trustee is hereby appointed as a Paying Agent.

(B) Each Paying Agent (other than the Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by a written instrument of acceptance executed and delivered to THDA and the Trustee.

(C) The principal or corporate trust offices of the Paying Agents are hereby designated as the respective agencies of THDA for the payment of the Bonds.

Section 11.3. Responsibility of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of THDA and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or in respect of the security afforded by this Resolution, and no Fiduciary shall incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representations contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof or the application of any moneys paid to THDA. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any one of the others.

Section 11.4. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may be of counsel to THDA, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any Fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate signed by an Authorized Officer, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Resolution upon the faith thereof, but in its sole discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Neither the Trustee nor any successor Trustee shall be liable to THDA, the holders of any of the Bonds or any other person for any act or omission done or omitted to be done by such Trustee in reliance upon any instruction, direction or certification received by the Trustee pursuant to this Resolution or for any act or omission done or omitted in good faith and without willful or reckless misconduct. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by THDA to any Fiduciary shall be sufficiently executed if executed in the name of THDA by an Authorized Officer.

Section 11.5. Compensation. THDA shall pay to each Fiduciary from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees (whether or not litigation ensued and, if so, fees on trial and any appeal therefrom) and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and each Fiduciary shall have a lien therefor on any and all funds at any time held by it under this Resolution. THDA further agrees to indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default.

Section 11.6. Permitted Acts and Functions. Any Fiduciary may become the owner of any Bonds issued hereunder with the same rights it would have if it were not a Fiduciary. Any Fiduciary may permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Bonds then Outstanding. Any Fiduciary may participate as a lender under the Program and may sell Program Loans to THDA. Except as otherwise provided by THDA, no Fiduciary may act as an underwriter with respect to the issuance of any Bonds.

Section 11.7. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty days' written notice to THDA, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 11.9, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 11.8. Removal of Trustee. The Trustee shall be removed by THDA if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and THDA and signed by the holders of a majority

in principal amount of the Bonds then Outstanding or their attorney-in-fact duly authorized, excluding any Bonds held by or for the account of THDA. THDA may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of THDA by filing with the Trustee an instrument signed by an Authorized Officer.

Section 11.9. Appointment of Successor Trustee.

(A) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, THDA covenants and agrees that it will thereupon appoint a successor Trustee.

(B) If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five days after the Trustee shall have given to THDA written notice, as provided in Section 11.7, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a trust company or bank having the powers of a trust company within or outside the State, having a capital, surplus and undivided profits aggregating at least \$100,000,000 if there be such a trust company or bank willing and able to accept the office on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

Section 11.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to THDA, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the request of THDA, or of its successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from THDA be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by THDA. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee. Upon the effectiveness of the resignation or removal of the Trustee, such Trustee's authority to act pursuant to this Resolution shall terminate and such Trustee shall have no further responsibility or liability whatsoever for performance of this Resolution as Trustee.

Section 11.11. Merger, Consolidation or Sale. Any company into which any Fiduciary or its trust department may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to such Fiduciary under Section 11.9 or Section 11.13 and shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 11.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Resolution provided that the certificate of authentication of the Trustee shall have.

Section 11.13. Resignation or Removal of the Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty days' written notice to THDA and Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent, and the Trustee and signed by an Authorized Officer. Any successor Paying Agent shall be appointed by THDA and (subject to the requirements of Section 7.6) shall be a trust company or bank having the powers of a trust company, having a capital and surplus aggregating at least \$25,000,000, and willing and able to accept the office of Paying Agent, on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed.

Section 11.14. Evidence of Signatures of Bondholders and Ownership of Bonds.

(A) Any request, consent or other instrument which this Resolution may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of this Resolution (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its sole discretion require further or other proof in cases where it deems the same desirable:

(1) the fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the Certificate, which need not be acknowledged or verified, of an officer of a bank or trust company, financial institution or other member of the National Association of Securities Dealers, Inc. satisfactory to the Trustee, or of any notary public or other officer authorized to take acknowledgements of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary; and

(2) the amount of Bonds transferable by delivery held by any person executing such request or other instrument as a Bondholder, and the numbers and other identification thereof, and the date of his holding such Bonds, may be proved by a Certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by an officer of a trust company, bank, financial institution or other depository or member of the National Association of Securities Dealers, Inc. wherever situated, showing that at the date therein mentioned such person exhibited to such officer or had on deposit with such depository the Bonds described in such Certificate. Continued ownership after the date stated in such Certificate may be proved by the presentation of such Certificate if the Certificate contains a statement by such officer that the depository held the Bonds therein referred to on the date of the Certificate and that they will not be surrendered without the surrender of the Certificate to the depository, except with the consent of the Trustee, and a Certificate of the Trustee, which need not be acknowledged or verified, that such consent has not been given.

(B) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(C) Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by THDA or any Fiduciary in accordance therewith.

Section 11.15. Preservation and Inspection of Documents. All documents received by a Fiduciary under the provisions of this Resolution or any Supplemental Resolution (or microfilm, microcard or similar photographic or scanned reproduction thereof) shall be retained in its possession and shall be subject at all reasonable times to the inspection of THDA, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

ARTICLE XII
DEFEASANCE
MISCELLANEOUS PROVISIONS

Section 12.1. Defeasance.

(A) If THDA shall pay or cause to be paid to the holders of the Bonds, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of any Revenues and other moneys, securities, funds and property hereby pledged and all other rights granted hereby shall be discharged and satisfied. In such event, the Trustee shall, upon the request of THDA, execute and deliver to THDA all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to THDA all moneys or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption. If THDA shall pay or cause to be paid, or there shall otherwise be paid, to the holders of any Outstanding Bonds of a particular Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, such Bonds shall cease to be entitled to any lien, benefit or security hereunder and all covenants, agreements and obligations of THDA to the holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(B) Bonds and interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Fiduciaries (through deposit by THDA of funds for such payment or redemption or otherwise) shall, at the maturity or upon the date upon which such Bonds have been duly called for redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section. Outstanding Bonds of any Series shall, prior to the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section if (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, THDA shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article VI notice of redemption on said date of such Bonds, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if any, of and interest due and to become due on such Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be, and (iii) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty days, THDA shall have given the Trustee in form satisfactory to it irrevocable instructions to mail a notice to the holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the principal or Redemption Price, if any, on such Bonds. Neither Investment Securities or moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if any, of and interest on such Bonds; but any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if any, and interest to become due on such Bonds on and prior to such Redemption Date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to THDA, as received by the Trustee, free and clear of any trust, lien or pledge. For the purposes of this Section, Investment Securities mean and include only direct and general obligations of the State or obligations guaranteed by the State or such obligations as are described in clause (1) of the definition of Investment Securities herein.

(C) If, through the deposit of moneys by THDA or otherwise, the Fiduciaries shall hold, pursuant to this Resolution, moneys sufficient to pay the principal and interest to maturity on all Outstanding Bonds, or in the case of Bonds in respect of which THDA shall have taken all action necessary to redeem prior to maturity, sufficient to pay the Redemption Price and interest to such Redemption Date, then at the request of THDA all moneys held by any Paying Agent shall be paid over to the Trustee and, together with other moneys held by it hereunder, shall be held by the Trustee for the payment or the redemption of such Outstanding Bonds. If all or a portion of the moneys made available to pay the principal of and interest on Outstanding Bonds at maturity or prior redemption shall have been derived from the issuance of refunding obligations of THDA, upon the written direction of THDA, the Fiduciaries shall reallocate or transfer all moneys, securities, Program Loans or Program Securities as shall be required by operation of the transferred proceeds provisions of the Code.

(D) Anything in this Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of the principal of or interest on any Bonds which remain unclaimed for five years (or such other period of time required by abandoned property laws of the State) after the date when all of such principal or interest, as the case may be, have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for five years (or such other period of time required by abandoned property laws of the State) after the date of deposit of such moneys if deposited with the Fiduciary after the said date when all of the Bonds became due and payable, shall, to the extent required by State law, be paid by the Fiduciary to the State Treasurer or other appropriate official free from trust, and otherwise at the written request of THDA, be repaid by the Fiduciary to THDA, as its absolute property and free from trust, and, in either such case, the Fiduciary shall thereupon be released and discharged.

Section 12.2. Notice by Electronic Means. Any notice, direction or other communication given hereunder from THDA to the Rating Agencies or any Fiduciary or from any Fiduciary to THDA or the Rating Agencies, may be given by sending it via e-mail or other electronic means in lieu of regular mail. In the case of e-mail or other electronic means, valid notice shall only have been deemed to have been given when an electronic confirmation or delivery has been obtained by the sender at the e-mail or other electronic address provided by each party, as updated from time to time. Any e-mail communication shall be deemed to have been validly and effectively given on the date of such communication, if such date is a business day and such delivery was made prior to 4:00 p.m., Central Time, and otherwise on the next business day.

Section 12.3. Notices to Rating Agencies. To the extent not otherwise provided herein, the Trustee shall provide written notice to the Rating Agencies of any of the following occurrences: (i) the defeasance or discharge of this Resolution within the meaning of Section 12.1 hereof, (ii) the downgrade of the provider of any Investment Security described in paragraph (3) or (7) of the definition thereof below the rating requirement included in such paragraphs and the substitution of any provider thereof; (iii) the resignation or removal of the Trustee, (iv) the appointment of a successor Trustee, and (v) any amendment of this Resolution or any Supplemental Resolution.

Section 12.4. No Recourse Under Resolution or on Bonds. All covenants, stipulations, promises, agreements and obligations of THDA contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of THDA and not of any officer or employee of THDA in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Resolution against any member, officer or employee of THDA or any natural person executing the Bonds.

Section 12.5. Security Instrument. A certified copy of this Resolution, delivered to and accepted by the Trustee, shall constitute a security agreement pursuant to and for all purposes of the Uniform Commercial Code of the State of Tennessee.

Section 12.6. Effective Date. This Resolution shall take effect immediately.

THDA may, in the future, elect to issue new bonds under the 2009 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 2009 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for the general purposes of THDA only as provided in the 2009 General Resolution.

As of June 30, 2017 (unaudited), 5,952 mortgage loans in the approximate aggregate principal amount of \$321,766,061 were outstanding under the 1985 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1985 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1985 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1985 General Resolution.

Housing Bond Resolution (Mortgage Finance Program)(the “1974 General Resolution”)

All bonds then outstanding under the 1974 General Resolution were refunded by the Issue 2013-1 Bonds issued under the General Resolution. All assets relating to bond proceeds, including mortgage loans, cash, and investments valued as of June 30, 2014, then remaining under the 1974 General Resolution were transferred to the General Resolution. Certain assets and investments not related to bond proceeds remain in the General Fund of the 1974 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1974 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1974 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1974 General Resolution.

Mortgage Credit Certificates

THDA has established a mortgage credit certificate program that began on June 1, 2016. THDA established eligibility requirements for the mortgage credit certificate program and loans assisted with a mortgage credit certificate may not be funded with proceeds of qualified mortgage bonds such as the Issue 2017-3 Bonds. While it is possible that the availability of the mortgage credit certificate program will reduce demand for THDA Great Start or Great Start Plus loans, THDA has established its mortgage credit certificate program with requirements designed to help mitigate such an impact.

Other Information

The State Treasurer is the treasurer of THDA and is the custodian of the assets of THDA, except for those assets required to be in the custody of the Trustee pursuant to the provisions of the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt. The Board of Directors of THDA has adopted an investment policy for THDA assets, other than its mortgage assets (the “non-mortgage assets”). These non-mortgage assets are invested only in investments authorized by the Act, THDA’s investment policy, the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt, and by the Treasurer. The Treasurer has delegated all duties and responsibilities in connection with THDA’s investment of THDA non-mortgage assets to the Executive Director of THDA.

BOOK-ENTRY-ONLY SYSTEM

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THDA BELIEVES TO BE RELIABLE, BUT THDA TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THDA NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC DIRECT OR INDIRECT PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (1) SENDING TRANSACTION STATEMENTS; (2) MAINTAINING, SUPERVISING OR REVIEWING, OR THE ACCURACY OF, ANY RECORDS MAINTAINED BY DTC OR ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS; (3) PAYMENT OR THE TIMELINESS OF PAYMENT BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNER, OF ANY AMOUNT DUE IN RESPECT OF THE PRINCIPAL OF OR REDEMPTION PREMIUM, IF ANY, OR INTEREST ON BONDS; (4) DELIVERY OR TIMELY DELIVERY BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNERS, OF ANY NOTICE (INCLUDING NOTICE OF REDEMPTION) OR OTHER COMMUNICATION WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS OR OWNERS OF BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF BONDS; OR (6) ANY ACTION TAKEN BY DTC OR ITS NOMINEE AS THE REGISTERED OWNER OF BONDS.

NEITHER THDA, NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT, NOR ANY UNDERWRITER (OTHER THAN IN ITS CAPACITY, IF ANY, AS DIRECT DTC PARTICIPANTS OR INDIRECT DTC PARTICIPANTS), WILL HAVE ANY OBLIGATION TO THE DIRECT DTC PARTICIPANTS OR THE INDIRECT DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO DTC'S PROCEDURES OR ANY PROCEDURES OR ARRANGEMENTS BETWEEN DIRECT DTC PARTICIPANTS, INDIRECT DTC PARTICIPANTS AND THE PERSONS FOR WHOM THEY ACT RELATING TO THE MAKING OF ANY DEMAND BY CEDE & CO. AS THE REGISTERED OWNER OF BONDS, THE ADHERENCE TO SUCH PROCEDURES OR ARRANGEMENTS OR THE EFFECTIVENESS OF ANY ACTION TAKEN PURSUANT TO SUCH PROCEDURES OR ARRANGEMENTS.

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC.
2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants

acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.
6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to THDA as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Trustee on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, or the Trustee or THDA, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Trustee or THDA. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.
10. THDA may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered.

RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES**General**

The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. No assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described below. The Issue 2017-3 Supplemental Resolution provides that the Program Loans to be financed with proceeds of Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple or leasehold estate in real property located in the State.

Income and Acquisition Cost Limits

THDA limits the maximum gross annual household income for eligible borrowers and the maximum acquisition cost for homes financed by Program Loans in accordance with Section 143 of the Internal Revenue Code of 1986, as amended, and applicable regulations promulgated thereunder (the "Code"). The limits vary from county to county and are periodically adjusted.

THDA's current income limits range from \$57,480 to \$96,180 depending on household size and geographic location. THDA's income limits are equal to or less than the safe-harbor income limits established under the Code.

THDA's acquisition cost limits are either within the safe-harbor limitations established under the Code or are established, based on procedures in the Code, using THDA's actual data which justifies a higher limit. THDA's current maximum acquisition cost limits range from \$250,000 to \$375,000 depending on geographic location. THDA acquisition cost limits are equal to or less than the safe-harbor acquisition cost limits established under the Code.

THDA has in the past and may, at any time, further restrict or otherwise modify income and acquisition cost limits for certain specialized Program Loans THDA may elect to finance.

Loan Origination

THDA's Program Loans are originated by certain financial institutions located throughout the State who are approved by THDA to originate Program Loans in its behalf ("Originating Agents"). THDA may purchase Program Loans once they are closed by the Originating Agent or THDA may offer funds to Originating Agents on a "first-come, first-serve" basis prior to the closings of Program Loans. Originating Agents may charge borrowers a fee, up to 2% of the Program Loan amount, for originating Program Loans. The Originating Agents who may originate Program Loans from Bond proceeds include mortgage banking firms, commercial banks, and credit unions. The lendable proceeds of the Bonds are made available throughout the State. See Appendix C for a description of THDA's Working Agreement with Originating Agents and Guide for Originating Agents.

THDA will set aside a portion of the lendable proceeds of an issue of Bonds to make Targeted Area loans for one year as necessary to comply with Section 143(j) of the Code. In the event any of the amounts so reserved by THDA for Targeted Areas remain at the end of the time period specified by the Code, THDA will offer such funds to its Originating Agents on a "first-come, first-serve" basis.

Requirements Imposed by the Code

Interest on the Bonds is not included in gross income of the owners thereof for federal income tax purposes only if certain requirements are met, including (i) eligibility requirements for Program Loans and borrowers (see "Mortgage Eligibility Requirements" below), (ii) yield and investment requirements (see "Requirements Related to Arbitrage" below), and (iii) certain other requirements related to the Bonds and the use of proceeds of the Bonds, that are also imposed by the Code.

Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to assure that the interest on the Bonds is not included in the gross income of the owners thereof for federal income tax purposes. In addition, covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with federal tax law and for such purpose, to adopt and maintain appropriate procedures. To comply with these covenants, THDA periodically reviews and modifies its procedures for Originating Agents and Servicers to the extent necessary to operate its single-family mortgage programs in compliance with federal tax law and has established procedures under which such requirements can be met. Such procedures include monitoring the Program Loan applications to be financed with Bond proceeds to ensure compliance with applicable acquisition cost and income limitations. THDA believes that the procedures established are sufficient to ensure that the Bonds will satisfy the requirements of the Code. In the opinion of Bond Counsel, the Guide for Originating Agents, the Guide for Servicers and the Resolution establish procedures under which, if followed, the requirements of applicable federal tax law can be met.

Mortgage Eligibility Requirements -- The Code requires that Program Loans financed with the proceeds of the Bonds meet certain mortgage eligibility requirements. THDA must, among other things, reasonably expect at the time each Program Loan is made that the borrower will make the residence financed by the Program Loan the borrower's principal residence within a reasonable time after the financing is provided. Under the procedures which THDA has established, the borrower must certify, at the closing of the Program Loan, that the borrower intends to make the financed residence the borrower's principal residence within sixty days, which is within the period considered reasonable under the Code.

In general, except with respect to Program Loans made in Targeted Areas and Program Loans made to qualified veterans, borrowers are not permitted to have had a present ownership interest in their principal residence during the three-year period prior to the date on which the Program Loan is closed. THDA will, in cases where the prior ownership limitation applies, require the borrower (i) to provide the most recent federal income tax return and (ii) to certify at the closing of the Program Loan that the borrower has not had a present ownership interest in a principal residence within the preceding three years. In addition, THDA will obtain credit reports for each borrower to determine prior ownership of a principal residence by the borrower.

THDA has established maximum acquisition costs for residences financed with proceeds of Bonds and maximum household income limits, all as permitted by the Code. From time to time, THDA may revise the maximum acquisition cost and the income limits, but in no event will THDA's acquisition cost limits or income limits exceed limits established as permitted under the Code. THDA requires the borrower to certify household income in connection with applying the income limits and requires the borrower and the seller to certify the acquisition cost of the financed residence. In addition, the Originating Agent is required to review the affidavits of the borrower and the seller and to determine that the Code requirements with respect to acquisition cost limits and income limits are met.

An existing Program Loan or any other existing loan may not be acquired or replaced with proceeds of a Program Loan except for certain initial temporary financing not exceeding a term of 24 months. THDA requires a borrower to certify, at the closing of a Program Loan, that the proceeds of the Program Loan will not be used to acquire or replace an existing loan. In addition, the Originating Agent is required to review the borrower's federal income tax returns for the preceding year (unless the borrower is not required to file such returns) and a credit report prior to closing to determine if the borrower has any outstanding loans which may have been acquired or replaced with proceeds of the Program Loan.

Program Loans cannot be assumed unless the principal residence, prior home ownership, income and acquisition cost requirements are met at the time of assumption. THDA requires that each of its Program Loans have a "due on sale" clause so that THDA may accelerate the Program Loan if it is assumed and all such requirements are not met. The FHA and VA allow a "due on sale" clause in their respective guaranteed Program Loan programs, provided that the borrower is fully informed and consents in writing to such requirements.

Under the Code, an issue of Bonds is treated as meeting the mortgage eligibility requirements if (i) the issuer in good faith attempted to meet all of the mortgage eligibility requirements before the mortgages were executed, (ii) any failure to comply with the mortgage eligibility requirements is corrected within a reasonable period after such failure is first discovered, and (iii) 95% or more of the lendable proceeds of the issue used to make Program Loans was devoted to finance residences which met all such mortgage eligibility requirements at the time the loans were executed or assumed. In determining whether 95% of the proceeds have been so used, THDA relies on an affidavit of the borrower (the "Borrower Affidavit") and of the seller (the "Seller Affidavit") and on examination of copies of the borrower's most recent federal income tax return, together with credit reports and other relevant documentation.

Requirements Related to Arbitrage -- The Code imposes certain arbitrage requirements in connection with Program Loans financed with the proceeds of Bonds. Generally, the yield on Program Loans financed with lendable proceeds of an issue of Bonds may not exceed the yield on such Bonds by more than 1 1/8% and the amount of funds held in certain accounts for such Bonds invested at a yield greater than the yield on such Bonds may not exceed 150% of the current year's debt service on such Bonds.

The Code also requires THDA to periodically rebate to the United States Treasury certain investment earnings on non-mortgage investments to the extent such investment earnings exceed the amount that would have been earned on such investments if those investments were earning a return equal to the yield on the Bonds. THDA has established accounting procedures to determine the amount of such excess investment earnings.

Public Hearing and Approval Requirement -- The Code requires that qualified mortgage bonds be approved prior to issuance by the applicable elected official of the appropriate governmental unit, as specified by statute, after a public hearing held following reasonable public notice or by a voter referendum. THDA has adopted procedures to give public notice, to conduct public hearings, and to obtain approval from the Governor of the State to ensure compliance with the Code.

Reporting Requirement -- The Code requires the issuer of tax-exempt qualified mortgage bonds to submit to the IRS certain information with respect to the issuer and the particular issue, based on information and reasonable expectations determined as of the date of issue. In addition, each issuer must submit to the IRS a yearly report containing information with regard to the beneficiaries of the proceeds of Program Loans. THDA intends to file for each issue of tax-exempt mortgage bonds it issues, and for each year in which proceeds of any issue of tax-exempt qualified mortgage bonds are used to provide Program Loans, the information and reports required.

Certification Requirement -- The Code requires that the aggregate amount of all private activity bonds issued each year in Tennessee be within the volume limitation imposed on the principal amount of tax-exempt mortgage bonds which may be issued in Tennessee for that year. To meet this requirement, THDA requests a certification from an appropriate State official that an issue of tax-exempt qualified mortgage bonds is within the volume limitation and files such certification with the IRS or takes alternative action to satisfy this certification requirement.

Targeted Area Requirements -- THDA makes lendable proceeds of Bonds in amounts and for time periods as specified in the Code, available for financing qualified Program Loans for residences in Targeted Areas. Targeted Areas are those census tracts in the State in which seventy percent or more of the families have an income which is eighty percent or less of the statewide median family income or those areas of economic distress designated by the State and approved by the Secretaries of Housing and Urban Development and the Treasury under criteria specified in the Code. THDA has designated certain areas of the State as being in economic distress and such designation has been approved by HUD and the Treasury.

Monitoring for Compliance with the Mortgage Eligibility and Arbitrage Requirements -- Under the procedures which THDA has established to comply with the Code, Originating Agents are responsible for reviewing each Program Loan application and the accompanying documentation, including the Application Affidavit and the Seller Affidavit, for compliance with the Code. Originating Agents are required to take normal and appropriate measures to verify the information given, either independently or concurrently with credit review, when applicable. Originating Agents must cross-check all documentation to ensure that the information presented is complete and consistent. Originating Agents give warranties as to each Program Loan delivered to THDA that, among other things, each Program Loan is in compliance with the Code.

Prior to issuing a commitment to finance a Program Loan and again prior to financing a Program Loan, THDA reviews the Program Loan application submitted by the Originating Agent, which includes the borrower's application, the Application Affidavit, the Seller Affidavit, and the borrower's federal income tax returns, for compliance with the

Code. To the extent that these provisions are not complied with, the Originating Agent is contacted to provide additional explanation or documentation to enable THDA to make a determination regarding the status of the Program Loan application. If the Originating Agent does not comply with requests from THDA to correct or complete documentation for any Program Loan or if the Originating Agent fails to comply with the Guide for Originating Agents (which failure is determined in the sole discretion of THDA without regard as to whether the Originating Agent may be at fault), or if the Originating Agent violates any other agreement with THDA, the Originating Agent is required to repurchase the Program Loan.

Loan Servicing

U.S. Bank currently services approximately 90% of THDA's mortgage loan portfolio. THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. THDA began servicing new production loans from its largest Originating Agent on June 1, 2017. THDA provided notice to all Originating Agents about delivering new THDA loans to VMLS for servicing in accordance with a schedule that THDA anticipates will result in all new THDA loans being serviced by THDA on or about April 1, 2018. THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

THDA requires regular reports from Servicers updating the total number of Program Loans serviced and providing certain information for each Program Loan including, without limitation, delinquency and foreclosure data. THDA's agreements with Servicers (the "Servicing Agreements") provide for the collection and remittance of Program Loan payments to THDA or a designated depository. The Servicers' records relating to serviced Program Loans are subject to examination by THDA's Single Family and Internal Audit Divisions.

THDA provides each Servicer with a Guide for Servicers which sets forth complete requirements and procedures for servicing Program Loans. THDA may terminate any Servicing Agreement when there is inadequate performance by the Servicer. THDA may also require that a Servicer purchase any Program Loan from THDA at any time THDA suffers or is threatened with a material loss by reason of a Servicer's failure to perform its obligations with respect to the Program Loans under the Servicing Agreement. For information about Servicing Agreements and substantive requirements relating to servicing Program Loans, see Appendix C.

Residential Finance Program Bonds
\$99,900,000 Issue 2017-3 (Non-AMT)

Ladies and Gentlemen:

We have examined a record of proceedings related to the issuance and sale of \$99,900,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-3 (Non-AMT) (the "Issue 2017-3 Bonds") of the Tennessee Housing Development Agency ("THDA"), a body politic and corporate, constituting a political subdivision and instrumentality of the State of Tennessee (the "State"), organized and existing under the Tennessee Housing Development Agency Act, constituting Chapter 23 of Title 13 of the Tennessee Code Annotated, as amended (the "Act"), and other laws of the State. Capitalized terms used herein and not defined shall have the meanings set forth in the General Resolution (as hereinafter defined).

The Issue 2017-3 Bonds were authorized to be issued pursuant to the Act, the General Residential Finance Program Bond Resolution of THDA, adopted January 29, 2013, as amended and supplemented (the "General Resolution") and by a Resolution adopted by THDA on July 25, 2017, as amended and supplemented by a resolution of the Bond Finance Committee of THDA adopted on August 23, 2017 (together, the "Supplemental Resolution," and together with the General Resolution, the "Resolution").

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds are and, when issued, shall, with the Issue 2017-3 Bonds (collectively, the "Residential Finance Program Bonds") be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Resolution.

The Issue 2017-3 Bonds mature in the years and in the respective principal amounts, bear interest at the respective rates and are otherwise as described in the Supplemental Resolution. The Issue 2017-3 Bonds are being issued to make funds available to make or purchase Program Loans, as defined in the General Resolution, in accordance with the program of THDA permitted under the Resolution (the "Program").

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the delivery of the Issue 2017-3 Bonds in order that interest on the Issue 2017-3 Bonds be excluded from gross income for purposes of federal income taxation. We have examined the Resolution and other relevant single family housing program documents which set forth such various federal tax law requirements which must be met by THDA. THDA has covenanted in the Resolution to comply with such requirements of federal tax law and for such purpose, to adopt and maintain appropriate procedures.

Based upon the foregoing we are of the opinion that:

1. Under the Constitution and laws of the State, THDA has lawful power and authority, among other things, to carry out the Program, to provide funds therefor by the adoption of the Resolution and the issuance and sale of the Issue 2017-3 Bonds and to perform its obligations under the terms and conditions of the Resolution, including the financing of single family mortgage loans and collecting and enforcing the collection of revenues and prepayments as covenanted in the Resolution.
2. The Resolution has been duly adopted by THDA and is valid and binding upon THDA.

3. The Issue 2017-3 Bonds are valid and legally binding special, limited obligations of THDA and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

4. The Resolution creates, for the benefit of the holders of the Residential Finance Program Bonds, including the Issue 2017-3 Bonds, the valid pledge of and lien on revenues, as defined in the Resolution, and moneys and securities held or set aside or to be held or set aside in the Funds and Accounts established thereunder, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

5. Pursuant to the Resolution, THDA has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to make or purchase mortgage loans under the Program with the proceeds of the Issue 2017-3 Bonds, to do all acts and things necessary to receive and collect revenues and, when applicable, prepayments.

6. The Issue 2017-3 Bonds do not constitute a debt or liability or obligation of the State or a pledge of its full faith and credit or of its taxing power and are payable solely from the funds provided therefor pursuant to the Resolution and the Act.

7. Under existing federal laws as presently enacted and construed and assuming continuing compliance by THDA with the covenants concerning federal tax described above, (i) interest on the Issue 2017-3 Bonds is excluded from gross income of the owners thereof for federal income tax purposes; (ii) interest on the Issue 2017-3 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations and (iii) interest on the Issue 2017-3 Bonds will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

8. Under the laws of the State as enacted and construed on the date hereof, the interest on the Issue 2017-3 Bonds is exempt from the income tax imposed by the State on interest income; however, the Issue 2017-3 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State.

In addition to the opinions set forth in paragraph (7) above, certain individual owners of the Issue 2017-3 Bonds may have to take interest on such Issue 2017-3 Bonds into account for the purpose of calculating the amount of social security or railroad retirement benefits includible in gross income of such owners for federal income tax purposes. All owners of the Issue 2017-3 Bonds (including, but not limited to, insurance companies, financial institutions, S corporations and United States branches of foreign corporations) should consult their tax advisors concerning the effects of these and other applicable provisions of the Code on their individual tax liabilities. The extent of certain indirect tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the Resolution and the Issue 2017-3 Bonds may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

We express no opinion herein as to the adequacy or accuracy of the Official Statement pertaining to the issuance of the Issue 2017-3 Bonds.

Very truly yours,

Official Statement Dated November 8, 2017
Relating to

TENNESSEE HOUSING DEVELOPMENT AGENCY

Residential Finance Program Bonds
\$11,460,000 Issue 2017-4A (Non-AMT)
\$88,440,000 Issue 2017-4B (Non-AMT)

The Official Statement dated November 8, 2017 (the “Official Statement”) relating to the above-referenced Bonds is hereby amended to add the following as the eighth paragraph under “INTRODUCTION”:

“THDA is considering the issuance of additional series of tax-exempt Bonds prior to December 31, 2017 under the General Resolution on a parity with the Offered Bonds. Such Bonds are expected to be sold via a direct purchase private placement, to bear interest at variable rates and to be collateralized by a segregated Bond proceeds account and invested in permitted investments as allowed under the authorizing resolution until remarketed. The aggregate principal amount of any additional series of Bonds issued is not expected to exceed \$750 million.”

Please affix this Supplement to the Official Statement that you have in your possession and forward this Supplement to any party to whom you delivered a copy of the Official Statement.

In the opinion of Bond Counsel, under existing federal laws and assuming continuing compliance by THDA with federal tax law requirements, interest on the Issue 2017-4 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that (i) interest on the Issue 2017-4 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations, (ii) interest on the Issue 2017-4A Bonds will be included in corporations' calculations of adjusted current earnings and the alternative minimum tax provisions of the Internal Revenue Code of 1986 as amended (the "Code"), and (iii) interest on the Issue 2017-4B Bonds will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code. In addition, Bond Counsel is of the opinion that, under existing laws of the State of Tennessee, the interest on the Issue 2017-4 Bonds is exempt from the income tax imposed by the State of Tennessee on interest income; however, the Issue 2017-4 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee. See "TAX MATTERS" herein.

THDA has no taxing power. The Offered Bonds are not a debt, liability or obligation of the State of Tennessee (the "State") or any political subdivision thereof except THDA. Neither the full faith and credit nor the taxing power of the State, or of any other political subdivision thereof, are pledged for the payment of the principal of or interest on the Offered Bonds.

Residential Finance Program Bonds
\$11,460,000 Issue 2017-4A (Non-AMT)
\$88,440,000 Issue 2017-4B (Non-AMT)[†]

INTRODUCTION

This Official Statement (the “Official Statement”) provides certain information in connection with the issuance by the Tennessee Housing Development Agency (“THDA”) of its Residential Finance Program Bonds, Issue 2017-4A in the aggregate principal amount of \$11,460,000 (the “Issue 2017-4A Bonds”), and Issue 2017-4B in the aggregate principal amount of \$88,440,000 (the “Issue 2017-4B Bonds” and, together with the Issue 2017-4A Bonds, the “Issue 2017-4 Bonds” or the “Offered Bonds”).

THDA is authorized to issue and sell its bonds and to conduct its other activities by Tennessee Code Annotated Sections 13-23-101 et seq., as amended (the “Act”). The issuance and sale of the Offered Bonds is authorized by the General Residential Finance Program Bond Resolution, adopted by THDA on January 29, 2013, as amended and supplemented (the “General Resolution”) and by a Resolution adopted by THDA on September 26, 2017, as amended and supplemented by the Bond Finance Committee of THDA (the “Bond Finance Committee”) on November 8, 2017 (the “Issue 2017-4 Supplemental Resolution”). The General Resolution and the Issue 2017-4 Supplemental Resolution are herein collectively referred to as the “Resolution.”

The Act requires submission to the Bond Finance Committee of THDA, which consists of the Chairman of THDA and the Comptroller of the Treasury of the State of Tennessee, the Secretary of State of the State of Tennessee, the State Treasurer of the State of Tennessee, and the Commissioner of Finance and Administration of the State of Tennessee, of a plan of financing pertaining to the sale of any bonds or notes by THDA and to request that the Bond Finance Committee sell such bonds or notes on behalf of THDA, under the terms and conditions set forth in the Act. The Bond Finance Committee approved the plan of financing with respect to Issue 2017-4 Bonds on September 22, 2017.

The Act does not permit THDA to have outstanding bonds and notes in an aggregate principal amount exceeding \$2,930,000,000, excluding bonds and notes which have been refunded. As of September 30, 2017 (unaudited), Bonds in the aggregate principal amount of \$1,358,730,000 were outstanding under the General Resolution, bonds in the aggregate principal amount of \$303,545,000 were outstanding under THDA’s Housing Finance Program Resolution (the “2009 General Resolution”), and bonds in the aggregate principal amount of \$272,385,000 were outstanding under THDA’s Homeownership Program Resolution (the “1985 General Resolution”). No bonds are outstanding under THDA’s Housing Bond Resolution (Mortgage Finance Program) (the “1974 General Resolution”). For more information see “Other Financings—Housing Bond Resolution (Mortgage Finance Program)” in Appendix E.

Bonds issued under the General Resolution, including the Offered Bonds, are and will be special limited obligations of THDA, payable solely from the revenues and assets of THDA pledged under the General Resolution for the payment of the principal and redemption price thereof and the interest thereon, including the Bond Reserve Fund established pursuant to the General Resolution, as more fully described herein under the caption “SECURITY AND SOURCES OF PAYMENT OF BONDS”. All bonds issued under the General Resolution, including the Offered Bonds, are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the Offered Bonds, are sometimes referred to herein as the “Bonds”. The security interest created by the pledge of the General Resolution is governed by Tennessee Code Annotated Sections 9-22-101 et seq., as amended, relating to the perfection, priority and enforcement of public pledges and liens (the “Public Pledge Act”). Security interests governed under the Public Pledge Act are expressly exempt from Tennessee’s codification of Article 9 of the Uniform Commercial Code.

[†]Interest on the Issue 2017-4B Bonds is not included in corporations’ calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

The revenues and assets of THDA pledged under the General Resolution are not pledged as security for bonds under the 1974 General Resolution, the 1985 General Resolution, or the 2009 General Resolution. The revenues and assets of THDA pledged under the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution, respectively, are not pledged as security for Bonds issued under the General Resolution including the Offered Bonds. See Appendix E for descriptions of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution.

THDA may, in the future, elect to issue bonds under the General Resolution or under the 1974 General Resolution, the 1985 General Resolution and/or the 2009 General Resolution. No assurances can be given as to whether THDA may elect to issue bonds under any one of the referenced general resolutions in the future or which of the referenced general resolutions may be selected. Any mortgage loans and investments financed with the proceeds of any new bonds issued under any of the referenced general resolutions, except for the General Resolution, and the revenues therefrom will not be pledged to the payment of Bonds under the General Resolution, including the Offered Bonds.

THDA has no taxing power. The Bonds are not a debt, liability or obligation of the State or of any political subdivision thereof except THDA. Neither the full faith and credit nor the taxing power of the State, or of any other political subdivision thereof is pledged for the payment of principal or interest on the Bonds.

THDA expects to use the proceeds from the issuance of the Issue 2017-4A Bonds to refund all Issue 2008-1 Bonds issued and outstanding under the 1985 General Resolution (the "Prior Bonds"). As a result of the refunding, mortgage loans previously allocable to the Prior Bonds in an expected aggregate outstanding amount of approximately \$12,349,104 will be allocated to the Offered Bonds (the "Transferred Program Loans"). See "DESCRIPTION OF THE TRANSFERRED PROGRAM LOANS" for information about the Transferred Program Loans. In addition, other investments allocable to the Prior Bonds in the projected amount of approximately \$599,833 will be transferred to accounts established for the Offered Bonds under the General Resolution (the "Transferred Investments"). It is anticipated that the Prior Bonds will be redeemed prior to maturity on January 1, 2018, at the applicable redemption prices thereof plus accrued interest. No assurance can be provided that the Prior Bonds will actually be refunded.

THDA expects that the proceeds of the Issue 2017-4B Bonds will be used to: (i) finance first lien single-family Program Loans (or participations therein) for single-family, owner-occupied housing (one to four dwelling units); (ii) pay capitalized interest, if any; (iii) pay Costs of Issuance, Underwriters' Fees and other transaction costs; and (iv) make a deposit to the Bond Reserve Fund, if required. See "APPLICATION OF BOND PROCEEDS." The terms and conditions of Program Loans, including Program Loans financed with amounts made available by the issuance of the Offered Bonds, are described herein under the caption "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" and in Appendix G.

As used herein, the term "Program Loans" refers to all mortgage loans (including participations therein) financed under the General Resolution, including the Transferred Program Loans and mortgage loans (including participations therein) to be financed with proceeds of the Offered Bonds, and the phrase "Program Loans allocable to (or allocated to) the Offered Bonds" refers to the Transferred Program Loans as well as new Program Loans (including participations therein) to be financed with the proceeds of the Offered Bonds.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the then existing Program Loan Procedures of THDA. The current Program Loan Procedures are described or otherwise referred to in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-4 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple in real property located in the State. THDA does not intend to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance. While the Issue 2017-4 Supplemental Resolution provides that all Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Program Loans secured

by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Currently, THDA's Program Loan portfolio under the General Resolution includes only first-lien, fixed-interest rate, single-family Program Loans with equal monthly installments of principal and interest. As of September 30, 2017 (unaudited), 13,562 Program Loans were outstanding under the General Resolution having an aggregate outstanding principal balance of approximately \$1,317,066,223. Based on the outstanding principal balance of Program Loans as of September 30, 2017 (unaudited), approximately 85.95% were FHA insured, approximately 1.86% were VA guaranteed, approximately 5.94% were insured by private mortgage insurance companies, approximately 4.17% were guaranteed by United States Department of Agriculture, Rural Development ("USDA/RD"), and approximately 2.08% were uninsured (i.e. Program Loans for which the borrower has at least a 22% equity interest in the residence on the date of closing, or at least a 25% equity interest in the residence on the date of closing for Program Loans closed prior to July 29, 1999, or Program Loans which were privately insured at the time of closing but have since met the requirements of the Homeowner Protection Act of 1998 for termination of private mortgage insurance). See "RESIDENTIAL FINANCE PROGRAM LOANS – Residential Finance Program Portfolio Data" and Appendix B under the heading "Private Mortgage Insurance Programs".

U.S. Bank National Association (the "Trustee") is trustee and paying agent for all Bonds issued under the General Resolution.

A brief description of the Offered Bonds, THDA and its Program Loans follows, together with summaries of the terms of the Bonds, and certain provisions of the Act, the General Resolution, the Issue 2017-4 Supplemental Resolution and other activities of THDA. Such summaries do not purport to be complete and all such summaries and references to the Act and the Issue 2017-4 Supplemental Resolution are qualified in their entirety by reference to each such document, copies of which are available from THDA or the Trustee. The General Resolution is attached hereto as Appendix D "2013 GENERAL RESOLUTION". Certain capitalized terms utilized herein are defined in Appendix D hereto.

DESCRIPTION OF OFFERED BONDS

General

The Offered Bonds will be issued only as fully registered bonds without coupons in denominations of \$5,000 principal amount and any integral multiple thereof and will be available in book-entry only form. Purchasers of Offered Bonds will not receive certificates representing their interest in the Offered Bonds. See Appendix F "BOOK-ENTRY-ONLY SYSTEM" for a description of the DTC book-entry only system.

The Offered Bonds will mature on the dates and bear interest from the date of delivery at the rates indicated on the inside front cover page of this Official Statement. Optional Redemption. The Issue 2017-4 Bonds maturing on and after July 1, 2027, are subject to redemption at the option of THDA prior to their respective maturities, either as a whole or in part, at any time, on or after January 1, 2027, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest to the date of redemption.

Special Mandatory Redemption of PAC Bonds. The PAC Bonds are subject to redemption prior to their maturity, in whole or in part at a redemption price of 100% of the principal amount of such PAC Bonds to be redeemed, plus interest accrued to the date of redemption, from amounts transferred to the Redemption Account representing Excess 2017-4 Principal Payments (as defined below). Any Excess 2017-4 Principal Payments so deposited in the Redemption Account shall be applied to the redemption of PAC Bonds on any Interest Payment Date commencing July 1, 2018; provided, however, PAC Bonds may be redeemed between Interest Payment Dates on the first Business Day of any month for which adequate notice of redemption may be given.

While any PAC Bonds remain Outstanding, Excess 2017-4 Principal Payments shall be used as follows:

FIRST, if principal prepayments on the Program Loans allocable to the Offered Bonds are equal to or less than 400% PSA (as defined below under “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds”), as determined by THDA, then available Excess 2017-4 Principal Payments shall first be applied to redeem PAC Bonds up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds and, subject to the application of the 10-year rule as described below under the heading “–Mandatory Redemption – 10 Year Rule,” the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, other than the PAC Bonds; and

SECOND, if principal prepayments on the Program Loans allocable to the Offered Bonds are in excess of 400% PSA, as determined by THDA, then available Excess 2017-4 Principal Payments up to an amount correlating to the Planned Amortization Amount (as defined below) for the PAC Bonds shall first be applied to redeem PAC Bonds and, subject to the application of the 10-year rule as described below under the heading “–Mandatory Redemption – 10 Year Rule,” the remainder may be applied to any purpose permissible under the Resolution, including to redeem any Bonds issued under the Resolution, including the PAC Bonds (any such remainder used to redeem PAC Bonds being an “Excess Principal PAC Bond Redemption”); provided, however, that (i) the source of an Excess Principal PAC Bond Redemption is restricted to that portion of the available Excess 2017-4 Principal Payments which is in excess of 400% PSA, and (ii) the principal amount of an Excess Principal PAC Bond Redemption may not be an amount in excess of the then Outstanding PAC Bonds’ proportionate amount of all Issue 2017-4 Bonds then Outstanding.

“Excess 2017-4 Principal Payments” means, as of any date of computation, 100% of all regularly scheduled principal payments and prepayments on Program Loans allocable to the Offered Bonds to the extent such regularly scheduled principal payments and prepayments are not required to make regularly scheduled principal payments, including Sinking Fund Payments, on the Offered Bonds.

“Planned Amortization Amount” means the dollar amount applicable to the PAC Bonds for each Interest Payment Date set forth below. The Planned Amortization Amount represents the cumulative principal amount of the PAC Bonds assumed to be redeemed from Excess 2017-4 Principal Payments as of a particular Interest Payment Date based on receipt of principal prepayments at a 100% PSA prepayment rate for Program Loans allocable to the Offered Bonds. See “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds” for a description of PSA prepayment rates.

For a description of the impact on the weighted average life of the PAC Bonds on the receipt of prepayments on the Program Loans allocable to the Offered Bonds at various speeds, see “ASSUMPTIONS REGARDING OFFERED BONDS – Average Life of PAC Bonds.”

Special Optional Redemption of the Offered Bonds, including Cross Calls The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part, at any time prior to maturity, in accordance with the provisions of the Resolution, and in an amount equal to amounts available for such purposes from (i) proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans as described below under the heading “DESCRIPTION OF OFFERED BONDS – Redemption of Offered Bonds from Unexpended Proceeds”; (ii) except as otherwise described under the headings “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and “– Mandatory Redemption – 10 Year Rule”, repayments and prepayments of Program Loans allocated to the Offered Bonds in excess of regularly scheduled debt service payments on the Offered Bonds; (iii) repayments and prepayments of Program Loans financed with the proceeds of any other Bonds issued under the Resolution, subject to limitations contained in the Internal Revenue Code of 1986, as amended (the, “Code”), (iv) other amounts on deposit in the Revenue Fund of the Resolution in excess of the amounts then required for the payment of Debt Service and Program Expenses, and (v) amounts on deposit in the Bond Reserve Fund in excess of the Bond Reserve Fund Requirement; provided, however, that PAC Bonds (a) are only subject to redemption under clause (ii) above as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds”, and (b) shall not be subject to redemption as described in clauses (iii), (iv) and (v) above if such redemption would cause amortization of the PAC Bonds to exceed the Planned Amortization Amount shown above in the PAC Bonds Amortization Schedule. The Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D “2013 GENERAL RESOLUTION”), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans.

The date of redemption shall be determined by the Trustee upon the direction of THDA, subject to the provisions of and in accordance with the Resolution. The Offered Bonds to be so redeemed shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the redemption date, if applicable; provided, however, that the redemption price of the PAC Bonds and the Issue 2017-4B Bonds maturing on July 1, 2032 (the “2032 Term Bonds”) in the event of a redemption described in clause (i) of the preceding paragraph shall be the issue price thereof (par plus initial premium in the case of the PAC Bonds, and the price as determined by THDA that maintains the original yield to maturity in the case of the 2032 Term Bonds) plus accrued interest to the redemption date. The Offered Bonds to be so redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amount of all Offered Bonds then Outstanding in the event of a redemption pursuant to clause (i) of the preceding paragraph. See “ASSUMPTIONS REGARDING OFFERED BONDS – Prepayments” and “ASSUMPTIONS REGARDING OFFERED BONDS – THDA Redemption Practices”.

Mandatory Redemption – 10 Year Rule. To the extent not required to make regularly scheduled principal payments on the Offered Bonds (including Sinking Fund Payments) or otherwise required to be applied to the redemption of the PAC Bonds, repayments and prepayments of principal of the Program Loans or portions thereof allocable to the Offered Bonds shall be applied to redeem Offered Bonds in such principal amounts as are required to satisfy the requirements of the Code. The redemption price of Offered Bonds to be so redeemed shall be 100% of the principal amount thereof plus interest accrued to the date of redemption, if applicable. Subject to the redemption procedures under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” the Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may be redeemed in an amount that exceeds the related Planned Amortization Amount shown above in the PAC Bonds Planned Amortization Schedule only if there are no other Offered Bonds outstanding.

THDA will, to the extent required by the Code, redeem Offered Bonds from prepayments and repayments on the Program Loans (or portions thereof) allocable to the Offered Bonds in accordance with the following approximate 10 year rule percentages to the extent such amounts are not otherwise applied to pay maturing principal on the Offered Bonds, to redeem Offered Bonds from Sinking Fund Payments or to redeem PAC Bonds:

<u>Commencement Date</u>	<u>% Prepayments and Repayments Applied to Payment or Redemption</u>
December 19, 2017	11.35 %
May 29, 2018	12.25
December 19, 2027	100.00 %

THDA will redeem the Offered Bonds in accordance with this schedule to the extent required to comply with the Code. THDA reserves the right to modify this schedule at any time to the extent the Code permits or requires such modification.

Redemption of Offered Bonds from Unexpended Proceeds. The Offered Bonds are subject to redemption, at the election of THDA, in whole or in part on any date, from proceeds of the Offered Bonds not expected to be applied to the financing of Program Loans (or participations therein). In addition, the Offered Bonds are subject to mandatory redemption on October 1, 2018, in the event and to the extent that there are unexpended proceeds of the Offered Bonds on deposit in the Issue 2017-4 Bonds Subaccount of the Loan Fund on September 1, 2018, provided that such redemption date may be extended, at the option of THDA, and subject to the satisfaction of the conditions set forth in the Issue 2017-4 Supplemental Resolution, including without limitation, provision of a Projected Cash Flow Statement.

Notwithstanding any extension of the redemption date described above, in order to satisfy requirements of the Code, the Offered Bonds are subject to mandatory redemption on June 1, 2021, to the extent any amounts remain on deposit in the Issue 2017-4 Bonds Subaccount of the Loan Fund on May 1, 2021.

Offered Bonds to be redeemed from the unexpended proceeds shall be redeemed at a redemption price of 100% of the principal amount thereof, plus interest accrued to the date of redemption, if applicable; provided, however, that the redemption price of the PAC Bonds and the 2032 Term Bonds shall be the issue price thereof (par plus initial premium in the case of the PAC Bonds, and the price as determined by THDA that maintains the original yield to maturity in the case of the 2032 Term Bonds) plus accrued interest to the redemption date. The Offered Bonds to be redeemed shall be selected by THDA in its sole discretion; provided, however, that the PAC Bonds may not be redeemed in amounts in excess of their proportionate amounts of all Offered Bonds then Outstanding.

Selection By Lot

If less than all of the Issue 2017-4 Bonds of like series and maturity are to be redeemed, the particular Issue 2017-4 Bonds of such series and maturity to be redeemed shall be selected by lot in accordance with the General Resolution.

Notice of Redemption

When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds and when redemption of Bonds is required by the Resolution, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth, in summary terms, the conditions precedent to such redemption and that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

SECURITY AND SOURCES OF PAYMENT OF BONDS

Security of Bonds and Sources of Payment

The Bonds are special limited obligations of THDA payable solely from the revenues and assets of THDA pledged under the General Resolution. Subject only to the provisions of the General Resolution permitting the application of certain monies for the purposes and under the terms set forth therein, and to the payment to the Trustee and the Paying Agents and depositories of compensation for their services and expenses, such Bonds are secured equally and ratably by a pledge of the following:

(a) Revenues, which include scheduled, delinquent and advance payments of principal of and interest on Program Loans made pursuant to the General Resolution (less the amount thereof retained by the servicers as compensation for services rendered in connection with the Program Loans and for other payments, including those for guaranty or insurance of Program Loans and for taxes, assessments and insurance premiums) and the net income, if any, derived by THDA from premises owned by THDA as a result of action taken in the event of a default on a Program Loan;

(b) Non-Mortgage Receipts, which includes all interest earned or gain realized in excess of losses from investment of the amount in any Fund or Account established under the General Resolution;

(c) All Funds and Accounts created by the General Resolution, including the Bond Reserve Fund, and monies and securities therein (see Appendix D “2013 GENERAL RESOLUTION”); and

(d) All right, title and interest of THDA in and to the Program Loans made or purchased pursuant to the General Resolution.

THDA has no taxing power. The Bonds do not constitute a debt, liability or obligation of the State or any other political subdivision thereof (except THDA). Neither the full faith and credit nor taxing power of the State or of any other political subdivision thereof is pledged for the payment of the principal of, redemption price or interest on the Bonds. The Bonds are payable solely from the funds provided therefor pursuant to the General Resolution.

Bond Reserve Fund

The Act authorizes THDA to establish one or more reserve funds. THDA has established a Bond Reserve Fund for the Bonds and the General Resolution provides that THDA may not issue any Bond unless the amount in the Bond Reserve Fund is at least equal to the “Bond Reserve Fund Requirement.” The Bond Reserve Fund Requirement is the greater of (i) an amount equal to the aggregate of the respective amounts for each series of Bonds established in the Supplemental Resolution authorizing such series or (ii) an amount equal to 3% of the sum of (A) the then current balance of Program Loans (other than Program Loans underlying Program Securities) and (B) any other amount on deposit in the Loan Fund which has not been designated to provide for the payment of Costs of Issuance, capitalized interest or the purchase of Program Securities. On the date of issuance of the Offered Bonds, the Bond Reserve Fund will contain an amount at least equal to the Bond Reserve Fund Requirement. The Resolution requires that if, on any Interest Payment Date or Redemption Date, there is not a sufficient amount available in the Revenue Fund and the Redemption Fund, if applicable, to provide for interest or principal and sinking fund installments maturing and becoming due on the Bonds, the Trustee must transfer the amount of the deficiency from the Bond Reserve Fund to the extent necessary to make good the deficiency.

Additional Bonds

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds, when issued, shall, with the Offered Bonds and other outstanding bonds, be entitled to the equal benefit, protection, and security of the provisions, covenants and agreements of the General Resolution, except as otherwise described herein.

ASSUMPTIONS REGARDING OFFERED BONDS

General

The General Resolution requires THDA to file Projected Cash Flow Statements with the Trustee periodically in connection with various actions THDA may take pursuant to the General Resolution including, without limitation, the issuance of Bonds. (See Appendix D “2013 GENERAL RESOLUTION” for a description of Projected Cash Flow Statements and the circumstances under which they are required.) A Projected Cash Flow Statement meets the requirements of the General Resolution if it shows that sufficient amounts will be available under the General Resolution to pay Debt Service on Bonds Outstanding under the General Resolution, including the Offered Bonds, and Program Expenses and that the amount of all assets held under the General Resolution equals or exceeds the total liability of all Bonds Outstanding under the General Resolution. In connection with the preparation of Projected Cash Flow Statements, THDA makes certain assumptions concerning revenues derived from Program Loans, Program Expenses, rate and amount of prepayments, earnings on investments, rate of origination of Program Loans, and Bond redemptions.

It is a condition to the issuance of the Offered Bonds that THDA shall have prepared and filed a Projected Cash Flow Statement (the “Projected Cash Flow Statement”). The Projected Cash Flow Statement will be based, among other

assumptions, on the assumptions that (i) Transferred Program Loans in the aggregate principal amount of approximately \$12,349,104, with a weighted average maturity of approximately 245 months and a weighted average interest rate of approximately 6.03%, will be allocated to the Offered Bonds and (ii) THDA originates approximately \$88,440,000 of thirty year Program Loans (or participations therein) bearing interest at a weighted average interest rate of approximately 4.62%. The Projected Cash Flow Statement shall evidence that, upon the issuance of the Offered Bonds, sufficient amounts will be available under the General Resolution to pay Debt Service for all Bonds Outstanding, including the Offered Bonds. THDA believes the assumptions to be used in connection with the preparation of the Projected Cash Flow Statement are reasonable. THDA cannot, however, guarantee that actual results will not vary materially from such assumptions. If subsequent events do not correspond to such assumptions, the amount of Revenues available to make payments of principal and interest on the Bonds, including the Offered Bonds, when scheduled, may be adversely affected and the expected life of the Offered Bonds may be affected.

Payments of Principal and Interest on the Bonds

The Projected Cash Flow Statement assumes that payments of principal and interest on the Offered Bonds will be made, when scheduled, from scheduled payments and prepayments of principal and interest on the Program Loans (or portions thereof) allocable to the Offered Bonds and from other moneys available under the Resolution including, without limitation, income expected to be derived from the investment of monies in the funds and accounts established under the Resolution. For purposes of preparing the Projected Cash Flow Statement, it has been assumed that scheduled payments of principal and interest on the Program Loans will be received 29 days from the date on which they are due. Such sources of available monies may be insufficient to make such payments in the event that (i) regularly scheduled payments on Program Loans are not made on a timely basis in accordance with their terms, (ii) THDA incurs uninsured losses in connection with the foreclosure of Program Loans or insured losses which the insurer does not pay, (iii) THDA is not able to finance Program Loans in accordance with its expectations, (iv) actual investment rates on Investment Securities are less than those assumed, or (v) prepayments are not received as anticipated to the extent the Projected Cash Flow Statement was based on an assumed level of prepayments.

Program Loans

Certain moneys made available from the issuance of the Offered Bonds will be deposited in the Issue 2017-4 Bond Subaccount of the Loan Fund and will be used to continue THDA's program of financing Program Loans for single family, owner occupied residential housing for low and moderate income persons and families. Although THDA may use amounts made available as a result of the issuance of Offered Bonds to finance Great Choice Program Loans, New Start Program Loans, and Homeownership for the Brave Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans. In addition, THDA may use amounts made available from the issuance of the Offered Bonds to finance Program Loans on a blended basis with proceeds of other bonds of THDA, including participation interests bearing interest at 0% in order to satisfy mortgage yield limitations of the Code. See "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans" for descriptions of the various Program Loan products and Appendix G "RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES" for more information about specific program requirements.

Program Loans are made on a continuing, first-come, first served basis by Originating Agents approved by THDA. The Projected Cash Flow Statement assumes that Program Loans (or participations therein) financed with the proceeds of the Issue 2017-4B Bonds will be first-lien, thirty-year, fixed-rate mortgages, with equal monthly installments of principal and interest bearing interest at a weighted average of 4.62% and that Program Loans purchased by THDA from Originating Agents will be purchased at par.

THDA's general policy is to maintain a steadily available supply of funds to finance program loans at competitive interest rates. THDA generally establishes interest rates for its program loans in connection with the sale of bonds by taking into account the maximum permitted interest rate under the Code and the spread between that rate and the then prevailing home mortgage interest rates offered by mortgage lenders in Tennessee. THDA prefers to maintain the same interest rates throughout the period of origination of program loans for each issue of bonds; however, THDA regularly reviews these interest rates in light of market conditions and retains the flexibility to modify its interest rates to meet changing needs and conditions. No assumptions can be made regarding the length of time an interest rate set by THDA will remain available or what effect a particular interest rate will have on the origination of Program Loans.

Nonorigination of Program Loans

While THDA retains the flexibility to modify the interest rates at which Program Loans are offered, there are circumstances under which these interest rates may not be competitive with prevailing home mortgage interest rates

offered by mortgage lenders in Tennessee. Under these circumstances, it will be more difficult for THDA to originate Program Loans. The ability of THDA to finance Program Loans on a blended basis with proceeds of other bonds of THDA or otherwise may also be affected by the availability of residences that meet THDA's acquisition cost limits and the willingness of potential borrowers to assume potential federal recapture tax liability. Although THDA expects that all lendable proceeds available from the Issue 2017-4B Bonds will be used to finance Program Loans, no assurance can be given whether this will occur or the speed at which this may occur.

The last transaction that resulted in an unexpended proceeds redemption was THDA's Homeownership Program Bonds, Issue 1996-3 under the 1985 General Resolution. Notwithstanding past performance, no assurances can be given that proceeds from Issue 2017-4B Bonds will be fully expended for Program Loans.

THDA began committing Program Loans against the expected proceeds from the Offered Bonds on October 20, 2017. As of October 30, 2017, THDA has committed a total principal amount of approximately \$9,524,000 of Program Loans, all of which are Great Choice Program Loans and Homeownership for the Brave Program Loans, that will be allocated to the Offered Bonds. See "RESIDENTIAL FINANCE PROGRAM LOANS – Description of Residential Finance Program Loans". Assuming successful pricing and closing of the Offered Bonds, THDA expects to reimburse itself on the day of closing for all Program Loans previously purchased, if any.

Changes in Federal or State Law

Legislation affecting the Offered Bonds and THDA's single family mortgage loans may be considered and enacted by the United States Congress or the Tennessee General Assembly. No assurance can be given that the consideration or enactment of any such legislation will not have an adverse effect on the value of, the timing or amount of payments of, or the security for the Offered Bonds or other risks.

In recent years a number of financial institutions and related entities have announced large losses as a result of their mortgage activities and the increasing number of defaults and foreclosures on such mortgages. The United States Congress has passed the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), and may pass additional legislation impacting the origination and servicing of mortgage loans. Likewise, the Tennessee General Assembly may enact legislation relating to mortgage loan origination and servicing. The Dodd-Frank Act has not, to date, had a material adverse effect on THDA's single family mortgage program, including its ability to originate new single family mortgage loans, to collect payments under single family mortgage loans and to foreclose on property securing single family mortgage loans; however, additional legislation, if enacted, or regulations, if promulgated to effectuate the purposes of the Dodd-Frank Act or other state or federal regulations, could have an adverse effect on THDA's activities.

A number of state regulatory authorities have taken action in recent years against certain loan originators and servicers for alleged violations of state laws. Certain of those actions prohibit those servicers from pursuing foreclosure actions. In response to alleged abusive lending and servicing practices, the State of Tennessee could enact legislation or implement regulatory requirements that impose limitations on the ability of mortgage loan servicers to take actions (such as pursuing foreclosures) that may be essential to service and preserve the value of the single-family loans. Any such limitations that applied to the THDA's single-family loans could adversely affect the THDA's ability to collect amounts due on such loans and could impair the value of such loans.

Prepayments

THDA, from time to time, receives monies from (i) partial or complete prepayment of Program Loans (which is permitted, without penalty) or (ii) termination of Program Loans prior to their respective final payment date due to default, sale, condemnation or casualty loss. In addition, the Resolution permits the sale of Program Loans, including those allocated to the Offered Bonds, and application of the sale proceeds to the redemption of Bonds (see Appendix D "2013 GENERAL RESOLUTION"), subject to limitations contained in the Code; however, THDA has no current plans to sell Program Loans. The rate at which such prepayments, if any, of Program Loans (including Transferred Program Loans) will be received by THDA cannot be predicted. The actual rate of such prepayments may be influenced by a variety of economic, social and other factors, including proposed legislative and regulatory changes and there is no reliable basis for predicting the actual average life of the Program Loans. Consequently, THDA makes no assumptions or representations as to the factors that will affect the rate of prepayments, if any, or the relative importance of such factors and their potential impact on the actual average life of Program Loans and the expected life of the Offered Bonds. To the extent THDA is required or elects to redeem the Offered Bonds, it is probable that the Offered Bonds will have a shorter life than their stated maturity.

Subject to the requirements of the General Resolution, the resolutions to be adopted in connection with other series of Bonds under the General Resolution and the Code, such prepayments may (i) be required to pay regularly scheduled debt service to the extent a series of the Bonds was based upon an assumed prepayment level; (ii) be used to redeem Bonds of the related series; (iii) be used to redeem Bonds of any series; or (iv) be recycled into additional Program Loans. Further, prepayments attributable to the Program Loans financed with the proceeds of the Offered Bonds, or other Bonds, or portions thereof, may or will be applied to redeem Offered Bonds as described herein under “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds,” “- Special Optional Redemption of the Offered Bonds, including Cross Calls” and “- Mandatory Redemption – 10-Year Rule”.

THDA Redemption Practices

The Resolution specifies, and the resolutions to be adopted in connection with other series of Bonds under the General Resolution will specify, when THDA is required to redeem Bonds and when THDA may elect to redeem Bonds. See “DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds.”

To the extent THDA has discretion to redeem Bonds and select the maturities and series to be redeemed, THDA’s general redemption policy had been to first redeem those Bonds bearing the highest interest rate; however, due to universal cap implications and economic decisions by THDA, THDA’s current general redemption policy is to call term bonds on a pro-rata basis within bond issues or to redeem the highest coupon serial bonds where doing so would reduce debt service requirements under the Resolution when possible. Adherence to either policy may be affected by a series of factors including, but not limited to, (i) certain restrictions or limitations imposed by the Code including, but not limited to, 10-year rule requirements and universal cap considerations; (ii) certain limitations or restrictions imposed by the Resolution and/or resolutions adopted in connection with other series of Bonds under the General Resolution including, but not limited to, redemption provisions; (iii) economic considerations; (iv) cash flow requirements; and (v) the amount of prepayments and other monies available to THDA for optional redemption of Bonds.

These factors are regularly considered in determining which Bonds may be selected for redemption. No assumptions or representations can be made as to how or which of these factors or whether any other factors will affect THDA’s determination, from time to time, regarding particular Bonds selected for redemption.

Payment of Program Expenses

The General Resolution authorizes payment of all Program Expenses from the Debt Service and Expense Account of the Revenue Fund established under the Resolution, so long as the Debt Service and Expense Account and the Bond Reserve Fund contain amounts sufficient to meet the requirements of the General Resolution. See Appendix D “2013 GENERAL RESOLUTION” for a description of Program Expenses. THDA expects to use funds on deposit in the Debt Service and Expense Account of the Revenue Fund to pay Costs of Issuance, Underwriters’ fees, initial Trustee’s fees, and other similar costs associated with the Offered Bonds and may continue to do so in connection with future Bond issues or may pay such costs and fees from Bond proceeds in future transactions. In addition, THDA expects to pay certain Program Expenses, including ongoing Trustee’s fees, servicing fees, foreclosure fees and expenses and other similar costs, from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from other THDA bond resolutions and from other resources available to THDA. No assurances can be provided that THDA will not withdraw funds from the General Resolution in the future to pay all Program Expenses or other operating and administrative costs and expenses. For more information about the payment of Program Expenses and other operating and administrative costs of THDA, see “THDA – THDA Funds”. THDA does not currently receive funds from the State of Tennessee for operating and administrative costs and expenses.

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions.

Investment Assumptions

Estimated available investment income attributable to the Offered Bonds is calculated assuming that (i) existing Investment Securities in the Revenue Fund and the Bond Reserve Fund pay scheduled interest and principal payments until the earlier of their call date or maturity date; (ii) proceeds of Investment Securities and other receipts in the Revenue Fund are invested at 0% per annum; and (iii) funds on deposit in the Issue 2017-4 Bond Subaccount of the Loan Fund prior to origination of Program Loans, are invested at a rate of 0% per annum.

There can be no assurance that the Investment Securities will provide the investment income projected. If THDA experiences losses or delays in payments on the Investment Securities, there may be insufficient funds to make payments of principal and interest on the Offered Bonds when scheduled.

Average Life of PAC Bonds

The term “weighted average life” refers to the average amount of time that will elapse from the date of issuance of a security until each dollar of principal of such security will be repaid to the investor. The weighted average life of the PAC Bonds will be influenced by the rate at which principal of the Program Loans allocated to the Offered Bonds is repaid. Principal payments of Program Loans may be in the form of scheduled amortization or prepayments (for this purpose, the term “prepayment” includes prepayments and liquidations due to default or other dispositions of the Program Loans, including payments on FHA mortgage insurance, VA guarantees, and private mortgage insurance policies). Prepayments on mortgage loans are commonly measured by a prepayment standard or model. The model used in the following discussion is the Securities Industry and Financial Markets Association (formerly known as the Public Security Association (“PSA”)) prepayment standard or model (commonly referred to as the “PSA Prepayment Model”).

The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of a pool of mortgage loans, beginning at the inception of each mortgage loan. The PSA Prepayment Model starts with 0.2% annualized prepayment rate in the first month, increases the prepayment rate by 0.2% in each succeeding month until the thirtieth month (when a 6.0% annualized prepayment rate is reached) and then assumes a constant prepayment rate of 6.0% per annum of the unpaid principal balance for the remaining life of the mortgage loans.

Prepayment speeds are commonly referred to as a percentage of the PSA Prepayment Model. For instance, “0% PSA” assumes no prepayments of principal on the Program Loans. “25% PSA” assumes the principal of Program Loans will prepay one-quarter as fast as the prepayments rates for 100% of the PSA Prepayment Model. “50% PSA” assumes the principal of Program Loans will prepay one-half as fast as the prepayments rates for 100% of the PSA Prepayment Model. “75% PSA” assumes the principal of Program Loans will prepay three-quarters as fast as the prepayments rates for 100% of the PSA Prepayment Model. “100% PSA” assumes the principal of Program Loans will prepay as fast as the prepayments rates for 100% of the PSA Prepayment Model. “200% PSA” assumes the principal of Program Loans will prepay at a rate twice as fast as the prepayments rates for 100% of the PSA Prepayment Model. “300% PSA” assumes the principal of Program Loans will prepay at a rate three times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “400% PSA” assumes the principal of Program Loans will prepay at a rate four times as fast as the prepayments rates for 100% of the PSA Prepayment Model. “500% PSA” assumes the principal of Program Loans will prepay at a rate five times as fast as the prepayments rates for 100% of the PSA Prepayment Model.

There is no assurance, however, that prepayments of the principal on Program Loans will conform to any particular level of the PSA Prepayment Model. The rate of principal payment on pools of mortgage loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage loan interest rates, the rate at which homeowners sell their homes or default on their mortgage loans and changes in mortgagors’ housing needs, job transfers, unemployment and mortgagors’ net equity in the mortgage properties. In general, if prevailing interest rates fall significantly, the Program Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on the Program Loans. As homeowners move or default on their mortgage loans, the houses are generally sold and the mortgage loan prepaid, although under certain circumstances, the mortgage loans may be assumed by a new buyer. Because of the foregoing influences upon prepayments and since the rate of prepayment of principal of Bonds will depend on the rate of repayment (including prepayments) of the Program Loans, the full repayment of any Bonds is likely to occur earlier, and could occur significantly earlier, than its stated maturity.

The Program Loans allocable to the Offered Bonds may be terminated prior to final maturity as a result of prepayment, default, sale, condemnation, casualty loss or noncompliance. In addition, matters discussed under “Changes in Federal or State Law” above could have an effect on terminations. Consequently, it is impossible to predict the timing of the repayment of principal of the Program Loans allocable to the Offered Bonds and hence the weighted average life of the PAC Bonds. THDA has provided for the redemption of the PAC Bonds as described under the heading “DESCRIPTION OF OFFERED BONDS - Redemption Provisions for Offered Bonds—Special Mandatory Redemption of PAC Bonds”, and the weighted average lives of the PAC Bonds set forth below have been calculated based upon various assumptions, including assumptions that (i) 100% of the money deposited in the Issue 2017-4 Bond Subaccount of the Loan Fund is applied to finance Program Loans, (ii) approximately \$12,349,104 of Transferred Program Loans with an approximate weighted average maturity of 245 months and an approximate weighted average interest rate of

6.03% will be allocated to the Offered Bonds, (iii) Excess 2017-4 Principal Payments will be used to redeem PAC Bonds only on Interest Payment Dates, and (iv) the PAC Bonds will be redeemed only in the Planned Amortization Amounts as described under the heading “DESCRIPTION OF OFFERED BONDS – Redemption Provisions for Offered Bonds – Special Mandatory Redemption of PAC Bonds” and will not otherwise be redeemed in whole or in part. There can be no assurance that such assumptions will in fact prove accurate. For certain information regarding Transferred Program Loans see “DESCRIPTION OF TRANSFERRED PROGRAM LOANS” herein.

THDA began committing Program Loans against the expected lendable proceeds from the Offered Bonds on October 20, 2017, and as of October 30, 2017, THDA has committed a total principal amount of approximately \$9,524,000 of Program Loans that will be allocated to the Offered Bonds, all of which are Great Choice Program Loans or Homeownership for the Brave Program Loans. THDA expects to reimburse itself for the full original principal amount of the Program Loans purchased as of the day of closing, if any.

RESIDENTIAL FINANCE PROGRAM LOANS

Description of Residential Finance Program Loans

General

THDA generally offers a primary loan program and may, from time to time, offer certain special loan programs. THDA Household Income Limits and THDA Acquisition Cost Limits for all loan programs are set in compliance with Code requirements. Household Income Limits and Acquisition Cost Limits may be further restricted for certain special loan programs. The current THDA Acquisition Cost Limits range from \$250,000 to \$375,000 depending on geographic location. The THDA Household Income Limits range from \$57,480 to \$96,180 depending on household size and geographic location. See Appendix G for a description of Residential Finance Program Loan Procedures related to Code requirements.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described in Appendix G. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. The Issue 2017-4 Supplemental Resolution provides that the Program Loans to be financed with proceeds of the Offered Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including

certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple estate in real property located in the State. THDA does not expect to use lendable proceeds of the Offered Bonds to purchase participations in Program Loans insured by private mortgage insurance. While the Issue 2017-4 Supplemental Resolution provides that Program Loans, or participations therein, to be financed with proceeds of the Offered Bonds shall be first lien loans, no assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

Since June 15, 2015, THDA has applied underwriting standards for Program Loans made after that date that, among other things include a minimum credit score of 640 for all borrowers and a required monthly debt to income ratio that does not exceed 45%. Program Loans financed prior to such date, including the Transferred Program Loans, were underwritten under different underwriting standards. THDA may, from time to time, initiate certain special limited programs for which some of these requirements may be waived.

On or before September 30, 2013, the THDA primary loan program included Great Rate loans, Great Advantage loans, Great Start loans and Homeownership for the Brave loans, all as described below. Transferred Program Loans financed prior to September 30, 2013, are Great Rate, Great Advantage, Great Start or Homeownership for the Brave Program Loans. On and after October 1, 2013, the THDA primary loan program has included Great Choice Program Loans and Homeownership for the Brave Program Loans, all as described below.

On or before September 30, 2013, THDA provided downpayment and closing cost assistance in the form of a grant that was available in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made. Since October 1, 2013, THDA has provided downpayment and closing cost assistance in the form of Great Choice Plus Program Loans as described below. As of March 1, 2017, THDA began providing additional downpayment and closing cost assistance through its Hardest Hit Fund Down Payment Assistance program as described below.

Great Choice Program Loans

Since October 1, 2013, THDA has made Great Choice Program Loans available to eligible borrowers. Great Choice Program Loans are thirty year, fixed interest rate loans, fully amortized with full documentation and secured by a first lien on the property purchased. The interest rate for Great Choice Program Loans is set at a rate which results in the yield on such Program Loans not in excess of 1.125% above the yield on the related issue of bonds. The current interest rate for Great Choice Program Loans is 4.625%.

See Appendix B for a summary of the mortgage insurance or guarantee programs applicable to these Program Loans.

Great Choice Plus Loans

Since October 1, 2013, THDA has made Great Choice Plus loans available to eligible borrowers. Great Choice Plus loans are loans for downpayment and closing cost assistance and are available at the election of eligible borrowers in connection with Great Choice Program Loans. From October 1, 2013, to September 30, 2014, they were ten year, 0% interest rate loans in a principal amount equal to 4% of the purchase price of the property purchased. From October 1, 2014, to September 30, 2016, Great Choice Plus Loans were 0% interest, deferred, forgivable second lien loans with a fifteen year term. During the first ten years of the term, no monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan. From years eleven through fifteen, each Great Choice Plus loan will be forgiven at twenty percent per year and the amount due on sale will be reduced by the forgiven amount. Great Choice Plus loans are secured by a second lien on the property purchased, are due on sale and are not assumable.

Since October 3, 2016, Great Choice Plus Loans are thirty year 0% interest rate second lien loans in a principal amount up to 5% of the purchase price of the property purchased. No monthly payments are due, but each Great Choice Plus loan will be due on sale and the amount due will be the full original principal amount of the loan, provided, however, that the full original principal amount will be forgiven at the end of the thirty year term.

At the election of THDA, Great Choice Plus loans may be financed with proceeds of Bonds issued under the Resolution or from other resources available to THDA, including, without limitation, excess funds under the 1974

General Resolution, the 1985 General Resolution, or the 2009 General Resolution. To date, all Great Choice Plus loans have been financed with other resources available to THDA. THDA does not expect that Great Choice Plus loans will be funded with the proceeds of the Offered Bonds. No assurance can be provided, however, that Supplemental Resolutions adopted for future series of Bonds will not authorize the financing of Great Choice Plus loans with the proceeds of such Bonds. In the event proceeds of future series of Bonds are used to fund Great Choice Plus loans, such loans will constitute Program Loans, will be subject to the lien of the General Resolution and will be a portion of the sources of payment of and security for the Bonds.

Hardest Hit Fund Down Payment Assistance

In March 2017, THDA began providing \$15,000 in downpayment assistance from the fifth round of federal Hardest Hit Fund funding ("HHF-DPA") to eligible borrowers who qualify for THDA Great Choice loans and who are purchasing existing homes in one of fifty-five zip codes in thirty Tennessee counties. HHF-DPA is secured by a second deed of trust for a ten year term. HHF-DPA does not bear interest, and there are no monthly payments, but it is due on sale. HHF-DPA is forgiven at 20% per year in years six through ten. A THDA approved Homebuyer Education course is also required.

New Start Program Loans

New Start Loan Program Loans are designed to promote the construction of new homes for very low-income Tennesseans. New Start Loan Program Loans are delivered through non-profit organizations with established programs for the construction of single family housing for low and very low income households. The non-profit organization selects the homebuyer, determines eligibility, constructs the home, provides homebuyer education, originates, processes, closes and services the New Start Program Loan. New Start Program Loans are serviced by the Federation of Appalachian Housing Enterprises, Inc., as of January 1, 2015. New Start Program Loans have loan terms up to thirty years and are secured by a first lien on the property purchased. A 0% interest rate is available to borrowers who have a maximum family income of 60% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. As of December 1, 2016, the maximum loan amount was increased to \$123,750 for Maury, Williamson, Davidson, Rutherford, Wilson and Sumner Counties. An interest rate equal to one-half of the current interest rate for Great Choice Program Loans is available to borrowers who have a maximum family income of 70% of the higher of the state or county median income, with a maximum loan amount equal to the lesser of 75% of the value of the property or \$112,500. All other THDA Program Loan requirements remain applicable.

As of September 30, 2017 (unaudited), 115 New Start Program Loans, with an aggregate principal balance of approximately \$5,593,477, were outstanding under the General Resolution. Although THDA may use amounts made available as a result of the issuance of the Offered Bonds to finance New Start Program Loans, THDA does not expect to use proceeds of the Offered Bonds to make New Start Program Loans.

Homeownership for the Brave

Homeownership for the Brave Program Loans are available to eligible borrowers at a ½-percentage point reduction on the otherwise applicable loan program. Active and retired members of the military and reservists (180 days active duty) and spouses, and surviving spouses of qualified veterans are all eligible to receive this reduction. Eligible borrowers will also be eligible for Great Choice Plus loans.

As of September 30, 2017 (unaudited), 223 Homeownership for the Brave Program Loans, with an aggregate principal balance of approximately \$25,011,225, were outstanding under the General Resolution. THDA may continue to finance Homeownership for the Brave Loans, from time to time, from the proceeds of the Offered Bonds as well as from the proceeds of other Bonds.

Disaster Relief and Economic Recovery Mortgage Program

THDA made Disaster Relief and Economic Recovery Mortgage Program Loans from funds available under the 1974 General Resolution. In connection with Issue 2013-1 Bonds issued under the General Resolution, certain of these Disaster Relief and Economic Recovery Program Loans became transferred program loans allocable to the Issue 2013-1 Bonds under the General Resolution.

As of September 30, 2017 (unaudited), 174 Disaster Relief Program Loans, with an aggregate principal balance of approximately \$9,792,490, were outstanding under the General Resolution. THDA no longer makes loans of this type.

Great Rate/Great Advantage/Great Start Program Loans

Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were available to qualified borrowers prior to October 1, 2013. Great Rate Program Loans, Great Advantage Program Loans, and Great Start Program Loans were thirty year, fixed interest rate loans, fully amortized, with full documentation, and secured by a first lien on the property purchased. Interest rates for each type of Program Loan were established at rates which resulted in a blended yield on such Program Loans not in excess of 1.125% above the yield on the related issue of Bonds. THDA also provided downpayment and closing cost assistance in the form of a grant in connection with Great Start and Great Advantage Program Loans. Higher interest rates on these two Program Loan types reimbursed THDA for the grants made.

As of September 30, 2017 (unaudited), 2,763 Great Rate, 127 Great Advantage, and 1,739 Great Start Program Loans, with an aggregate principal balance of approximately \$380,969,471, were outstanding under the General Resolution.

Although Transferred Program Loans include Great Rate or Great Start Program Loans, THDA no longer makes loans of this type.

Residential Finance Program Portfolio Data

General

As of September 30, 2017 (unaudited), 13,562 Program Loans for single family owner-occupied housing having an aggregate outstanding principal amount of approximately \$1,317,066,223 were outstanding under the General Resolution. These Program Loans had an approximate remaining weighted average maturity of 308.91 months and an approximate weighted average interest rate of 4.51%.

Tables under this heading, "Residential Finance Program Portfolio Data", do not include data about Transferred Program Loans. For more information about Transferred Program Loans see "DESCRIPTION OF THE TRANSFERRED PROGRAM LOANS".

Privately Insured Program Loans

Since January 2, 2009, THDA has not purchased conventional, privately insured loans because no private mortgage insurers, since January 2, 2009, have or have had ratings of at least 'AA' by Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc. ("S&P"). Should any private mortgage insurers regain a rating of at least 'AA' from S&P, THDA will reconsider whether to resume purchasing conventional loans. Notwithstanding the foregoing, certain Program Loans allocated to Bonds under the General Resolution, either upon their direct transfer to the General Resolution or upon the refunding of other THDA obligations, are privately insured and are shown under the heading "Privately Insured" in the chart above.

Each private mortgage insurer insuring conventional, privately insured Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least 'AA' by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least 'AA' by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

As of September 30, 2017 (unaudited), 940⁽¹⁾ privately insured Program Loans having an aggregate balance of approximately \$78,270,694 were outstanding under the General Resolution. As of September 30, 2017 (unaudited), THDA had the following information regarding the private mortgage insurers for 857 of these privately insured Program Loans:

Delinquency and Foreclosure Process

For all Program Loans, THDA tracks (i) exceptions to normal, expected monthly payments; (ii) individual Program Loan balances; and (iii) remittances based on automated data received directly from its Servicers. THDA uses this data to calculate delinquency rates and foreclosures. Those Program Loans for which two payment dates have passed with no payment received by the last business day of the month in which the second payment was due are considered 60 to 89 days past due. Those Program Loans for which three or more payment dates have passed with no payments received by the last business day of the month in which the third payment was due are considered 90 or more days past due. The status of Program Loans to borrowers who are in bankruptcy is fixed beginning at the time bankruptcy proceedings commenced. The definitions used by THDA to calculate delinquency rates and foreclosure rates are consistent with those used by the Mortgage Bankers Association of America ("MBA").

The financial institutions who service Program Loans manage delinquencies by working with borrowers in an attempt to avoid defaults and by sending payment requests to borrowers who are delinquent. THDA supports counseling programs for delinquent as well as prospective borrowers. These counseling services are provided by lenders, non-profit organizations and social service agencies located throughout the State. THDA maintains an inventory of housing counseling services, reviews materials used, and encourages grant recipients to provide counseling.

Privately Insured Transferred Program Loans

Each private mortgage insurer insuring conventional, privately insured THDA Program Loans was authorized by the Tennessee Commissioner of Commerce and Insurance to do business in the State of Tennessee and was approved by THDA. Since June 1994, only private mortgage insurance providers rated at least 'AA' by S&P were permitted to provide private mortgage insurance coverage for conventional, privately insured THDA Program Loans. THDA does, however, have conventional, privately insured Program Loans that were made prior to January 2, 2009, outstanding under the Resolution that were insured by private mortgage insurers who are not currently rated at least 'AA' by S&P.

THDA makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment to THDA of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies. Any failure to make timely payments on the private mortgage insurance policies may disrupt the flow of revenues available for the payment of principal and interest on the Bonds.

As of September 30, 2017 (unaudited), 27 privately insured Transferred Program Loans having an aggregate principal balance of approximately \$2,214,947 were outstanding. As of September 30, 2017 (unaudited), THDA had the following information regarding the private mortgage insurers for 27 of these privately insured Program Loans:

THDA

Purpose and Organization

THDA is a body, politic and corporate, and a political subdivision and instrumentality of the State. THDA was established in 1973 by the Act for the purpose, among other things, of raising funds through the issuance of its bonds and notes to assure a steady flow of production of new housing units for lower and moderate income persons and families. To carry out its public purposes, THDA has various powers under the Act including, without limitation, powers relating to the issuance of bonds or notes and the financing of residential housing in the State.

In accordance with Tennessee law, state entities, including THDA, are subject to periodic review by the General Assembly to evaluate the necessity for their continued existence. THDA's existence has been continued until June 30, 2018. On August 30, 2017, the Government Operations Joint Subcommittee of the General Assembly unanimously recommended that THDA's existence be continued for an additional four years. Legislation to effectuate this recommendation is expected to be taken up by the General Assembly in early 2018.

Under the Act, THDA may have bonds and notes outstanding in an aggregate principal amount not exceeding \$2,930,000,000. As of September 30, 2017 (unaudited), THDA has bonds and notes outstanding in an aggregate principal amount of \$1,934,660,000, calculated in accordance with the Act.

Board of Directors

THDA is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of THDA. The Act provides that six board members be appointed by the Governor from among the following groups: retail building material supply, manufactured housing, home building, mortgage banking, licensed real estate brokers, local public housing authority, local government and qualifying non-profits. The Act also provides for a board member to be appointed by the Speaker of the State Senate, a board member to be appointed by the Speaker of the State House of Representatives, one at-large board member appointed by the Governor who is knowledgeable about the problems of inadequate housing conditions in Tennessee and any board members as may be required by applicable federal law or regulation. Any change in the status or profession of an appointed board member does not affect the position or term of that board member. The Executive Director of THDA serves as Secretary to the board.

Board members (other than *ex officio* members and the federally required resident member) are appointed for four year terms, serve until their successors are duly appointed and qualified, and receive no compensation except for reimbursement of expenses. Certain board members may be affiliated with institutions which may originate or service Program Loans on behalf of THDA. One of the appointed board members is designated by the Governor to serve as Chairman. The Chairman's term extends until the earlier of the date of expiration of his or her term or a date six months after expiration of the term of the Governor designating such Chairman.

The name, term of office and principal occupation of the current members of the Board of Directors are shown below:

THDA Funds

Statutorily Created Funds

In 1988, the General Assembly of the State of Tennessee (the "State") amended the Act to provide, among other things, for the creation of the Housing Program Fund and the Assets Fund, which funds are financially separate from the General Resolution and all of the other general bond resolutions and mortgage loan programs of THDA.

The Housing Program Fund is the vehicle used by THDA to fund non-mortgage programs not otherwise funded through federal programs. Essentially, all revenues of THDA derived from sources other than the General Resolution or other bond resolutions are deposited into the Housing Program Fund. Amounts in the Housing Program Fund currently include investment income from the Housing Program Fund, federal funds received by THDA for the administration of federal programs, and fees charged by THDA in connection with its non-mortgage programs. Amounts in the Housing Program Fund are not pledged as security for the Offered Bonds.

The Assets Fund is a segregated fund of THDA that originally contained assets transferred in 1989 from the 1974 General Resolution in accordance with its terms, together with related investment earnings, but which presently has a balance of \$0. Amounts in the Assets Fund, if any, are not pledged as security for the Offered Bonds.

Prior Transfers from THDA

The Constitution of the State requires, for current operations, that expenditures for any fiscal year not exceed the State's revenues and reserves, including the proceeds of any debt obligations, for that year. When faced with budget deficits in the past, the State has called upon THDA and its resources, together with resources of other departments, agencies and organizations in state government, to provide funds to the State General Fund to balance the State budget. The following is a description of these occurrences in relationship to THDA.

As of June 30, 1995, \$15,000,000 in THDA's Housing Program Reserve Fund was transferred to the State General Fund to assist in balancing the State budget for fiscal year 1994-1995.

As of June 30, 1998, \$43,000,000 was transferred from THDA to the State General Fund to assist in balancing the State budget for fiscal year 1997-1998. The \$43,000,000 transferred from THDA to the State General Fund came from the following resources of THDA: (i) \$15,459,157 from state tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. In addition, in conjunction with the transfer from the Housing Program Reserve Fund described in clause (ii), the Housing Program Reserve Fund was statutorily abolished.

Amendments to the Act in 1999 and in 2000, temporarily, then permanently, redirected to the State General Fund, all tax revenue previously directed by the Act to THDA for the HOUSE Program, a grant program no longer administered by THDA. As a result of the permanent redirection of these state tax revenues, no state tax revenues currently are appropriated to THDA.

As of June 30, 2002, \$35,367,449.26 was transferred from THDA's Assets Fund to the State General Fund to assist in balancing the State budget for fiscal year 2001-2002. The remaining balance of the Assets Fund, approximately \$1,387,000 of mortgage loans, was not required to be liquidated and the proceeds transferred. THDA subsequently transferred these mortgage loans to the General Fund of the Housing Bond Resolution (Mortgage Finance Program) which reduced the balance in the Assets Fund to \$0.

No additional resources of THDA have been redirected or transferred to the State General Fund to close out any fiscal year since the fiscal year ending June 30, 2002.

Notwithstanding the foregoing, if projected State budget needs outstrip actual or projected revenues, the State may seek additional sources of funds or seek to realize program savings through reductions or more efficient delivery of services; however, THDA cannot predict whether or not this will occur or, if it does, what actions may be proposed or eventually taken and what effect, if any, such actions may have on THDA. If action is taken to redirect or transfer THDA resources to the State General Fund, such amounts could include THDA resources that are not pledged to any bonds of THDA, as well as any available excess revenues eligible for withdrawal under THDA bond resolutions, including the General Resolution. No assurance can be made that the current ratings on the Bonds or other bonds of THDA can be maintained in the event funds are withdrawn from THDA bond resolutions, including the General Resolution.

Payment of THDA Operating Expenses, Including Program Expenses

THDA currently receives no funds from the State of Tennessee for operating and administrative expenses. THDA is authorized to pay all operating and administrative expenses, including certain Program Expenses of the General Housing Finance Program, with funds available therefor from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. THDA may pay certain expenses, such as Costs of Issuance, Underwriter's fees, initial Trustee's fees, and other similar costs from amounts on deposit in the Debt Service and Expense Account of the Revenue Fund. THDA currently expects to continue to pay certain Program Expenses, including ongoing Trustee's fees, servicing fees, foreclosure fees, and other similar costs from the Debt Service and Expense Account of the Revenue Fund. THDA expects to pay other Program Expenses and all operating and administrative costs and expenses that are not Program Expenses from THDA bond resolutions, including the General Resolution, and from other resources available to THDA. From this combination of resources, THDA believes it will have sufficient resources to pay Program Expenses and other THDA operating and administrative costs and expenses. Certain actions by the General Assembly of the State of Tennessee may affect future payment of operating and administrative expenses. Regardless of THDA's best efforts and in the event of additional transfers to the State, however, THDA could become reliant on State appropriations for the funding of THDA operations. No assurances can be given as to the amount of appropriation that may be available at any time.

Tennessee Consolidated Retirement System

General Information

THDA employees are authorized to participate in the Tennessee Consolidated Retirement System ("TCRS"), a defined benefit pension plan, pursuant to Tennessee Code Annotated Section 13-23-115(21). The general administration and responsibility for the proper operation of TCRS are vested in a twenty member Board of Trustees. The Treasury Department, a constitutional office in the legislative branch of state government, is responsible for the administration of TCRS, including the investment of assets in the plan, in accordance with state statute and in accordance with the policies, rules, and regulations established by the Board of Trustees.

The TCRS covers three large groups of public employees; (1) state employees (including THDA employees) and higher education employees; (2) teachers; and (3) employees of certain local governments. There are 58,683 active members in TCRS in the state and higher education employee group at June 30, 2016. This total includes 239 employees of THDA who are members of TCRS.

The State of Tennessee is ultimately responsible for the financial obligation of the benefits provided by TCRS to state employees (including THDA employees) and higher education employees to the extent such obligations are not covered by employee contributions and investment earnings. The obligation is funded by employer contributions as determined by an actuarial valuation for the defined benefit plan or contributions to a defined contribution plan.

By statute, an actuarial valuation of TCRS is to be conducted at least once in each two year period. The purpose of the actuarial valuation is to determine the financial position of the plan and to determine the appropriate employer contribution rate called "actuarially determined contributions (ADC)". Beginning June 30, 2015, the funding policy adopted by the TCRS Board of Trustees provides for an actuarial valuation to be conducted as of June 30 of each year. Previously, actuarial valuations were conducted every other year.

Retirement Plan for Employees Hired Prior to July 1, 2014 ("Closed State and Higher Education Employee Pension Plan")

Employees hired prior to July 1, 2014 participate in a defined benefit plan as a condition of employment. The benefit accrual formula is 1.575% under the Closed State and Higher Education Employee Pension Plan. Eligibility to retire is age 60 or 30 years of service. Vesting is 5 years. Employees do not contribute to the plan. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

Retirement Plan for Employees Hired on or after July 1, 2014 ("State and Higher Education Employee Retirement Plan")

As authorized by Public Chapter 259, Acts of 2013, employees first hired on or after July 1, 2014, participate in a retirement plan consisting of a defined benefit plan and a defined contribution plan. Employees contribute at 5% of salary to the defined benefit plan. Employees also contribute 2% of salary to the defined contribution plan unless the employee opts out of making such contribution. The total employer cost for the two plans will be limited to 9% of salary with an overall 4% targeted to the defined benefit plan (minimum set by statute) and 5% to the defined contribution plan.

The benefit accrual formula under the State and Higher Education Employee Retirement Plan will be 1%. Eligibility to retire is age 65 or the rule of 90 (where age and service equals 90) under the plan. Vesting is 5 years. Retirees are entitled to cost of living adjustments after retirement. The actual amount of the increase is based on the consumer price index, up to a maximum of 3%.

The defined benefit component of the State and Higher Education Employee Retirement Plan has automatic cost controls and automatic controls over unfunded accrued liability. Within the retirement plan, there is a stabilization reserve created for any employer contributions that exceed the ADC that will be utilized to control cost and unfunded liabilities. The automatic controls are based on the results of the actuarial valuation. Control features include utilizing funds in the stabilization reserve (if any), limiting retiree cost of living adjustments, shifting future employer contributions from the defined contribution plan to the defined benefit plan, requiring additional employee contributions, and adjusting benefit accruals. The control features only apply to the State and Higher Education Employee Retirement Plan and do not apply to the Closed State and Higher Education Employee Pension Plan.

Actuarial Data for Retirement Plan for Employees Hired Prior to July 1, 2014

For employees hired prior to July 1, 2014, state agencies contribute to TCRS 15.02% of salary for the period July 1, 2016 through June 30, 2017, based on the July 1, 2015 actuarial valuation. The June 30, 2016 actuarial valuation established the employer contribution rate of 18.87% that is applicable for the period July 1, 2017 through June 30, 2018. The June 30, 2017 actuarial valuation will establish employer contribution rates for the period July 1, 2018 through June 30, 2019. General state employees do not contribute to this plan.

Additionally, an actuarial valuation is performed to determine the TCRS financial position in order to provide information related to Governmental Accounting Standards Board (GASB) pronouncements. At June 30, 2017 (measurement date of June 30, 2016), the net pension liability for the state and higher education employee group based on the market value of assets was \$1.8 billion, resulting in a plan fiduciary net position as a percentage of total pension liability of 87.96%.

Actuarial Data for Retirement Plan for Employees Hired on or after July 1, 2014

For employees hired on or after July 1, 2014, an actuarial valuation is performed to determine the employer contribution rate as well as the actuarially determined contribution (ADC) and the stabilization reserve rate. For the period July 1, 2016 through June 30, 2017, the overall 4% employer contribution rate to TCRS consists of 3.94% for general employees, with the employer rate for judicial and public safety employees being higher at 6.27% and 4.69%, respectively. The employer contribution rate for general employees of 3.94% consists of 1.13% for the ADC and 2.81% for the stabilization reserve.

For the period July 1, 2017 through June 30, 2018, the employer contribution rate consists of 3.94% for general employees, with the employer rate for judicial and public safety employees being higher at 6.77% and 4.79%, respectively. The employer contribution rate for general employees of 3.94% consists of 1.29% for the ADC and 2.65% for the stabilization reserve.

THDA Employer Contributions for Pensions (TCRS and defined contribution plan)

For THDA, the employer contribution rate for employees hired before July 1, 2014, stated as a percentage of salary, is as follows: 15.02% for the period July 1, 2016 through June 30, 2017, and 18.87% for the period July 1, 2017 through June 30, 2018. For employees first hired after June 30, 2014, the employer rate is 8.87% for the period July 1, 2016 through June 30, 2017 and 8.94% for the period July 1, 2017 through June 30, 2018 (combined rate for defined benefit plan and defined contribution plan).

THDA's actual and estimated contributions for the pension plans are reflected in the following table:

Fiscal Year ended June 30	Employer Contribution Rate	Total Salary of THDA Employees	THDA Employer Contributions to TCRS	THDA Employer Contributions to DC (Open Plan)	Percentage of THDA Budget
2018 ⁽¹⁾	18.87/9.00% ⁽²⁾	\$ 17,415,000 ⁽¹⁾	\$ 2,440,500 ⁽¹⁾	\$ 207,900 ⁽¹⁾	2.37% ⁽¹⁾

2009	13.02	9,267,262	1,201,303		0.98

(1) Estimated

(2) Varies depending on plan the employee is enrolled in.

(3) The increase in "Total Salary of THDA Employees" from the actual amount for the fiscal year ending June 30, 2016, to the estimated amount for the fiscal year ending June 30, 2017, is due to the additional salaries for approximately thirty eight (38) positions THDA expects to fill in connection with the servicing activities THDA expects to undertake later in 2017.

For the fiscal year ending June 30, 2017, the salary of THDA employees totaled \$13,396,776, which represents 0.47% of the \$2.85 billion of salary for all state and higher education employees in TCRS.

It is anticipated that there will be upward pressure on the employer contribution rate in the Closed State and Higher Education Employee Pension Plan in future actuarial valuations as deferred investment losses that have been actuarially smoothed are recognized over the next ten years as well as a continuing low earnings environment.

Defined Contribution Program

Defined Contribution Plan for employees hired prior to July 1, 2014

A voluntary defined contribution plan is provided to state employees and higher education employees giving them the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Defined Contribution Plan for employees hired on or after July 1, 2014

A defined contribution plan for state employees and higher education employees entering service on or after July 1, 2014, is a component of the State and Higher Education Employee Retirement Plan. By statute, employer contributions are made at the rate of 5% of salary to the 401(k) plan. However, employer contributions may be reduced as part of the cost controls and unfunded liability controls as previously described in the defined benefit plan component of the State and Higher Education Employee Retirement Plan. Upon employment, employees are automatically enrolled to contribute 2% of salary to the defined contribution plan but employees may elect to increase or decrease the employee contributions at any time.

General Information about the 401(k) and 457 Defined Contribution Plans

The state provides additional voluntary defined contribution plans to give state employees and higher education employees the opportunity to accumulate supplemental retirement income on a tax advantaged basis. The program offers employees two plans, a 457 plan and a 401(k) plan. The contributions to the 401(k) plan can be made to both traditional and/or Roth plans.

Employee contribution limits to the 401(k) and 457 plans are established by federal statute. In the 401(k) plan, available to state and higher education employees in both the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan, voluntary employee contributions are matched by employer contributions up to a maximum of \$50 per month. Employer contributions are subject to the funding being appropriated in the budget each fiscal year; otherwise, no match will be made by THDA. The THDA contribution for the fiscal year ending June 30, 2017 (unaudited) was \$79,509.38.

Employees are immediately vested in employee and employer contributions. Employees can choose to invest employer and employee contributions among a variety of investment products.

Other Post-Employment Benefits

Certain other GASB Statements (nos. 43 and 45) provide accounting and financial reporting requirements for retiree healthcare plans and employer participants, commonly known as Other Post-Employment Benefits ("OPEB"). To date, the State has reported OPEB costs in the aggregate for all State employees. The State received an actuarial study as of July 1, 2015, that includes OPEB costs attributable to the State and, separately, for certain of its component units (including THDA) that are required to participate in the State's retirement and benefit plans. The study, which used a projected unit credit actuarial cost method, indicates that for the fiscal year ended June 30, 2017, the total unfunded actuarial liability of THDA is approximately \$2,923,000 and the annual required contribution for THDA is approximately \$353,000. The annual required contribution consists of the normal cost (the portion of the actuarial present value of OPEB benefits which is allocated to a valuation year by the actuarial cost method) and an amortization of the unfunded actuarial liability. The report may be reviewed at <http://www.tn.gov/finance/article/fa-accfin-opeb>. The State did not pre-fund any actuarially determined OPEB liability, and continued to use pay-as-you-go funding of actual costs of OPEB liabilities incurred for fiscal year ended June 30, 2017. The State charged THDA for these actual costs allocable to THDA's employees, but not for any actuarially determined OPEB liability. The State has the flexibility to adjust the various plan options on an annual basis, and will continue to analyze the cost of the choices available to current employees and retirees and the cost of the choices on the employees, retirees and the State's cash flow to manage these expenditures going forward.

General Resolution Requirements

The General Resolution requires certain conditions to be met prior to any withdrawal of funds from the lien of the General Resolution. See Appendix D, Section 5.3(F) for a description of these conditions. In addition, certain tests must also be met prior to any withdrawal of funds under the lien of the 1974 General Resolution, the 1985 General Resolution, and the 2009 General Resolution. THDA funds which are not pledged under the referenced Resolutions can be removed without meeting such tests.

Absence of Interest Rate Swap Transactions

THDA has never entered into an interest rate swap transaction and no such transaction is currently anticipated by THDA.

TAX MATTERS

THDA has included provisions in the Resolution, the Guide for Originating Agents issued by THDA and other relevant documents and has established procedures, including receipt of certain affidavits and warranties from Originating Agents and borrowers (the "Program Documents") in order to assure compliance with the Program Loan eligibility requirements and other requirements which must be met subsequent to the issuance of the Offered Bonds. Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with applicable federal tax law and, for such purpose, to adopt and maintain appropriate procedures. THDA believes that the procedures and documentation requirements established for the purpose of fulfilling this covenant are sufficient to assure that the proceeds of the Offered Bonds will be applied in accordance with the requirements of applicable federal tax law so as to assure that interest on the Offered Bonds will not be included in the gross income of the owners thereof for federal income tax purposes.

Opinion of Bond Counsel

In the opinion of Bond Counsel, interest on the Offered Bonds will be excluded from gross income for federal income tax purposes under existing laws as enacted and construed on the date of the issuance of the Offered Bonds, assuming the accuracy of the certifications of THDA and continuing compliance by THDA with the requirements of the federal tax laws. Bond Counsel is also of the opinion that (i) interest on the Issue 2017-4 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations, (ii) interest on the Issue 2017-4A Bonds will be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code, and (iii) interest on the Issue 2017-4B Bonds will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

Ownership of the Offered Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income", taxpayers who may be deemed to have incurred or continued debt to purchase or carry the Offered Bonds and taxpayers otherwise eligible to claim the earned income credit. Bond Counsel expresses no opinion as to such collateral tax consequences.

Certain recipients of interest on the Offered Bonds may be subject to backup withholding under Section 3406 of the Code, unless the recipient of interest furnishes its taxpayer identification number with the payor of the interest or is otherwise exempt from backup withholding tax.

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Offered Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Offered Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Offered Bonds or the market value thereof would be impacted thereby. Purchasers of the Offered Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions to be expressed by Bond Counsel will be based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Offered Bonds and Bond Counsel will express no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

In the opinion of Bond Counsel, under the laws of the State of Tennessee as enacted and construed on the date of issuance of the Offered Bonds, as applicable, interest on the Offered Bonds is exempt from income tax imposed by the State of Tennessee on interest income; however, the Offered Bonds and interest received thereon are included in the measure of privilege taxes imposed by the State of Tennessee.

An amount equal to the excess of the issue price of an Offered Bond sold at a premium (a "Premium Bond") over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or otherwise prevent beneficial owners of the Issue 2017-3 Bonds from realizing the full current benefit of the tax status of such interest, or adversely affect the market value of the Issue 2017-3 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Issue 2017-3 Bonds. Purchasers of the Issue 2017-3 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Issue 2017-3 Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed legislation, regulatory initiatives or litigation.

LEGAL INVESTMENT

The Act provides that the bonds of THDA are securities in which all public officers and bodies of the State and all municipal subdivisions, all insurance companies and associations and other persons carrying on insurance business, all banks, bankers, trust companies, including savings and loan associations, building and loan associations, investment banking companies and other persons carrying on an investment banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are now or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest in the bonds of THDA with funds, including capital, in their own control or belonging to them.

RATINGS

Moody's Investors Service, Inc. ("Moody's") has assigned the Offered Bonds a rating of 'Aa1' and Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLP business ("S&P") has assigned the Offered Bonds a rating of 'AA+'. Such ratings reflect only the views of the respective rating agency and an explanation of the criteria for and the significance of such ratings may be obtained from Moody's and Standard & Poor's. THDA has furnished to Moody's and Standard & Poor's certain information and materials with respect to the Offered Bonds. Generally, rating agencies base their ratings on such information and materials, and on investigations, studies and assumptions made by the rating agencies. There is no assurance that the ratings will continue for any given period of time or that the ratings will not be revised or withdrawn entirely by these rating agencies, if in the judgment of the rating agency, circumstances so warrant. A downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Offered Bonds.

Due to the ongoing uncertainty regarding the economy of the United States of America (including, without limitation, matters such as the current and future political uncertainty regarding the United States debt limit), obligations, such as the Offered Bonds, issued by state and local governments, and instrumentalities thereof, could be subject to a rating downgrade. Additionally, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and

ratings, liquidity, and market value of outstanding debt obligations, including the Offered Bonds. When certain automatic spending cuts are imposed on the federal government as a result of actions taken or not taken by the federal government (commonly referred to as a sequester) or when the federal government fails to pass certain spending authorizations prior to certain deadlines, resulting in a cessation of various governmental functions and operations (commonly referred to as a government shutdown), there may not be any immediate direct adverse impact on FHA, VA, RD or THDA. No assurance can be given, however, that a sequester or a government shutdown that lasts an extended period of time would continue to have no direct adverse impact upon the United States housing industry in general or THDA in particular.

CONTINUING DISCLOSURE

Secondary Market Disclosure

THDA is currently disseminating and presently intends to continue to disseminate information relating to its various single-family mortgage revenue bonds in accordance with the quarterly secondary market disclosure project sponsored by the National Council of State Housing Agencies. THDA has filed quarterly reports, beginning with the quarter ending June 30, 1994, with each then nationally recognized municipal securities information repository. THDA also expects that its official statements, which contain audited financial information about THDA, with respect to bonds issued under the General Resolution, the 1985 General Resolution, and the 2009 General Resolution will be filed with the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access (EMMA) system if and when bonds are so issued. It is the present intent of THDA to continue making voluntary secondary market disclosure as described above.

Continuing Disclosure Undertaking

In order to comply with the requirements of Rule 15c2-12 (the "Rule") under the Securities Exchange Act of 1934, THDA, in the Issue 2017-4 Supplemental Resolution for the benefit of the Beneficial Owners of the Issue 2017-4 Bonds, agrees to file:

(a) With the MSRB, within 210 days after the end of each THDA fiscal year, a copy of its annual financial statements, prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standard Board, as described in "FINANCIAL STATEMENTS" below, and an annual update of the type of information in this Preliminary Official Statement (i) of the nature disclosed under "RESIDENTIAL FINANCE PROGRAM BONDS," and "RESIDENTIAL FINANCE PROGRAM LOANS" including, without limitation, information with respect to the outstanding balances of Program Loans, by mortgage type, and delinquency information, (ii) contained in Appendix E hereto and (iii) regarding annual required contributions for employee pension plan and other post-employment benefits to the extent not included in annual financial statements (collectively, "Annual Financial Information"). If unaudited financial statements are provided as part of the Annual Financial Information by the above date, then THDA shall provide, when and if available, a copy of THDA's audited financial statements to the MSRB;

(b) In a timely manner, not in excess of 10 business days after the occurrence of the event, with the MSRB and the Trustee, notice of the occurrence of any of the following events (if applicable) with respect to the Offered Bonds: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserve funds reflecting financial difficulties; (iv) unscheduled draws on any credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service (the "IRS") of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Offered Bonds, or other material events affecting the tax status of the Offered Bonds; (vii) modifications to rights of holders of the Offered Bonds, if material; (viii) bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Offered Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of THDA (which event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for THDA in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of THDA, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of THDA); (xiii) the consummation of a merger, consolidation, or acquisition involving THDA or the sale of all or substantially all of the assets of THDA, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other

Independent Auditor's Report

The Honorable Bill Haslam, Governor
Members of the General Assembly
Members of the Board of Directors
Mr. Ralph Perrey, Executive Director

Report on the Financial Statements

We have audited the accompanying financial statements of the Tennessee Housing Development Agency, a component unit of the State of Tennessee, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Tennessee Housing Development Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Tennessee statutes, in addition to audit responsibilities, entrust certain other responsibilities to the Comptroller of the Treasury. Those responsibilities include serving as a member of the board of directors of Tennessee Housing Development Agency. We do not believe that the Comptroller's service in this capacity affected our ability to conduct an independent audit of the Tennessee Housing Development Agency.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tennessee Housing Development Agency as of June 30, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of proportionate share of net pension asset for the State and Higher Education Retirement Plan, the schedule of proportionate share of net pension liability for the Closed State and Higher Education Pension Plan, the schedule of contributions to the State and Higher Education Employee Retirement Plan, the schedule of contributions to the Closed State and Higher Education Employee Pension Plan, and the other postemployment benefits schedule of funding progress, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the agency's basic financial statements. The accompanying financial information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2016, on our consideration of the agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the agency's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2016

This section of the Tennessee Housing Development Agency's (THDA) annual financial statements presents management's discussion and analysis of THDA's financial performance for the year ended June 30, 2016, with comparative information presented for the fiscal year ended June 30, 2015. This information is being presented to provide additional information regarding the activities of THDA and to meet the financial reporting and disclosure requirements of the Governmental Accounting Standards Board (GASB) Statement Number 34, *Basic Financial Statements -- and Management's Discussion and Analysis -- for State and Local Governments*. This section should be read in conjunction with the Independent Auditor's Report and the audited financial statements and accompanying notes.

INTRODUCTION – THE TENNESSEE HOUSING DEVELOPMENT AGENCY

The mission statement of THDA is "Leading Tennessee Home by creating safe, sound, affordable housing opportunities." THDA's goal is to provide housing assistance to those in need by offering a variety of housing-related programs. One of the primary ways THDA assists Tennesseans is by offering mortgages for first-time homebuyers at below conventional market interest rates. At the close of fiscal year 2016, THDA has originated over 115,000 single-family mortgage loans in its 43-year history, and serves as the master servicer for all active mortgages it funds. In addition to helping homebuyers, THDA administers Section 8 rental assistance programs, including the tenant-based Housing Choice Voucher (HCV) program in approximately 74 of Tennessee's 95 counties, as well as the project-based Contract Administration program for approximately 400 contracts throughout all of Tennessee. THDA also administers grant programs, awarded on a competitive annual cycle, for rehabilitation and new construction of owner-occupied units and small rental projects. THDA is also involved in the development and rehabilitation of multifamily rental housing for low-income families by administering the federal Low-Income Housing Tax Credit, which is a competitive process, and by setting aside a portion of bond authority to be allocated to local issuing authorities for specific multifamily developments.

More recently, THDA has administered programs under the American Recovery and Reinvestment Act of 2009 (ARRA), including the Homeless Prevention and Rapid Re-Housing Program (HPRP), the Tax Credit Assistance Program (TCAP), the Neighborhood Stabilization Program (NSP), and a Low Income Housing Tax Credit exchange program under Section 1602 of the Act.

As established by statute, "The agency shall have a board of directors which shall be responsible for carrying out the powers given to the agency. . ." (*Tennessee Code Annotated 13-23-105*). This board meets regularly on a bi-monthly basis; however, some committees may meet more often as situations dictate.

OVERVIEW OF THE FINANCIAL STATEMENTS

The basic financial statements include statements of net position; statements of revenues, expenses, and changes in net position; and statements of cash flows, as well as notes to the financial statements. The statements of net position provide financial information on the overall financial position of THDA at each year end. The statements of revenues, expenses, and changes in net position summarize the results of operations over the course of each fiscal year. The statements of cash flows provide relevant information about THDA's cash receipts and cash payments during each fiscal year.

The notes to the financial statements provide essential information regarding THDA's significant accounting policies, significant account balances and activities, certain material risks, obligations, commitments, contingencies, and subsequent events.

THDA's financial statements are presented using the accrual basis of accounting and the flow of economic resources measurement focus. In addition to the basic financial statements, required and other supplementary information is included.

THDA is also considered to be a discretely presented "component unit" for the State of Tennessee, and therefore, its financial information is reported in the State of Tennessee's government-wide *Comprehensive Annual Financial Report*. 2016 to 2015

- THDA's total net position decreased by \$3.4 million because operating income was less than the amount by which nonoperating expenses exceeded nonoperating revenues.

During FY 2016, single-family mortgage loan originations increased by \$42.7 million, whereas mortgage loan payoffs increased by \$27.4 million and mortgage loan repayments decreased \$2.8 million. In addition, THDA recognized an allowance for future forgiveness of forgivable second mortgages of \$4.9 million for FY 2016.

2016 to 2015

Total operating revenues decreased \$6.9 million, primarily due to a decrease in mortgage interest income of \$6.8 million. This is due to new mortgage loan originations having lower interest rates than those associated with mortgage loan repayments.

Total operating expenses decreased \$6.3 million. This is primarily due to a bond debt strategy to use mortgage loan prepayments to call bonds on a monthly basis, as well as refunding outstanding bonds with new bonds bearing a lower interest rate.

DEBT ACTIVITY

Bonds outstanding at June 30 were as follows (expressed in thousands):

	<u>2016</u>	<u>2015</u>
Bonds payable	\$1,906,494	\$ 1,979,170

Year Ended June 30, 2016

Total bonds and notes payable decreased \$72.7 million, due primarily to an increase in the redemption of bonds as compared to recent fiscal years. During the fiscal year, THDA issued debt totaling \$306.9 million, with activity arising from two bond issues.

GRANT PROGRAMS

During FY 2007 through FY 2009, the General Assembly appropriated revenue to THDA for grant programs. Likewise, THDA's board of directors allocated additional THDA funds for grants. These funds established a grant program that was titled by the THDA as the "Tennessee Housing Trust Fund."

The four-level model for funding this grant program includes state appropriations, THDA funds, private sector investment, and matching funds from local grantees. The purpose of this grant program is to serve the needs of low and/or very low income, elderly, and special needs Tennesseans. Funding and uses for the Housing Trust Fund are as follows:

CURRENT MORTGAGE PRODUCTS AND ENVIRONMENT

In October of 2013, THDA made a significant change to its mortgage lending program. On October 1, 2013, the *Great Choice* and the *Great Choice Plus* loan programs were introduced and the *Great Rate*, *Great Advantage* and *Great Start* loan programs were eliminated. The *Great Choice* loan program offers THDA the opportunity to offer a more competitive interest rate on its 30 year fixed rate mortgage product while still offering down payment assistance with the addition of the *Great Choice Plus* loan program which is a second mortgage at a 0% interest rate for a term of 10 years. During fiscal year 2015, the *Great Choice Plus* loan product was modified to a forgivable second mortgage, in which 100% of the loan amount must be repaid if the home is sold or the associated first mortgage is refinanced within the first nine years of closing. Beginning in year 10, the loan is forgiven at the rate of 20% per year. The loan is fully forgiven at the end of year 15.

A special interest rate reduction on *Great Choice* loan program has been designated to ensure that qualified service men and women have access to affordable homeownership opportunities. This special offer, referred to as "*Homeownership for the Brave*", provides a 0.5% rate reduction on the current interest rate for *Great Choice* loans. In addition to the rate reduction, "*Homeownership for the Brave*" applicants are eligible for optional down payment and closing cost assistance through the *Great Choice Plus* second mortgage loan at a 0% interest rate.

All loans made or purchased by THDA are fixed-rate mortgages with a maximum loan term of 360 months (30 years), and must conform to insurer / guarantor underwriting guidelines. THDA does not make or purchase adjustable rate mortgages (ARMs), interest-only mortgages, "buy-down" loans, mortgages with a future lump-sum payment due (balloon-type mortgage), or with other similar mortgage terms. THDA does not make or purchase "sub-prime" mortgage loans.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

Single-family mortgage loans purchased by THDA with loan-to-value (LTV) ratios between 78% and 97% must have an acceptable insurer/guarantor, which includes:

- FHA (United States Department of Housing and Urban Development)
- VA (Veterans Administration Guaranty Program)
- USDA/RD (the United States Department of Agriculture - Rural Development, formerly Farmers Home Administration)
- Private mortgage insurance

THDA will accept private mortgage insurance provided from private mortgage insurers, who are licensed by the Tennessee Commissioner of Commerce and Insurance to do business in Tennessee and are rated at least AA by Standard & Poor's Rating Group. THDA will allow privately insured loans underwritten using nationally accepted underwriting guidelines established by Fannie Mae or Freddie Mac. These loans must be approved through an automated underwriting system such as Desktop Underwriter or Loan Prospector with no expanded approvals. Such privately insured mortgage loans may have loan-to-value ratios up to and including 97% of the lesser of the purchase price or the appraised value. Loans with a 78% LTV or lower do not require mortgage insurance. A detailed chart of these mortgage loan products and primary mortgage loan terms may be obtained from THDA's internet site at <https://thda.org/homebuyers/homebuyers>

For the past several years, THDA has closely monitored its loan portfolio for delinquency and foreclosures. This monitoring has included analysis based on loan type (Great Choice, Great Choice Plus, Homeownership for the Brave), insurer/guarantor (FHA, VA, RECD, private mortgage insurer), mortgage loan servicer, down-payment assistance, and other factors as deemed necessary.

As of June 30, 2016, the delinquency and foreclosure rates for its single-family loan portfolio are as follows:

<u>Loan Status</u>	<u>Total Number of Loans Serviced</u>	<u>Number of Loans in Status</u>	<u>Principal Amount</u>	<u>Percentage</u>
60-89 Days Past Due	23,492	508	\$ 39,830,107	2.16%
90+ Days Past Due	23,492	1,503	116,348,733	6.40%
In Foreclosure	23,492	148	12,307,322	0.63%

Note: Percentage is calculated by dividing the "Number of Loans in Status" by the "Total Number of Loans Serviced."

ECONOMIC FACTORS

In accordance with THDA's investment policy, THDA typically invests in short-term and long-term fixed-rate debt securities from federal agencies. As a bench-mark, THDA uses the one-, three-, and five-year Constant Maturity Treasury (CMT) rates as established by the United States Treasury.

TENNESSEE HOUSING DEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
JUNE 30, 2016

The continuation of relatively low interest rates from a historic perspective increased the likelihood of negative arbitrage, in which the interest rates on THDA's bond issues exceeds the current investment interest rates. THDA monitors prepayments and bond investment yields, and seeks to reduce negative arbitrage by calling bonds with the funds from prepayments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Reporting Entity

The Tennessee Housing Development Agency was created by an act of the legislature (Chapter 241, Public Acts, 1973). The act was approved by the Governor on May 14, 1973. The enabling legislation can be found in *Tennessee Code Annotated*, Section 13-23-101 et seq. The purpose of the agency is to improve housing and living conditions for lower- and moderate-income persons and families in Tennessee by making loans and mortgages to qualified sponsors, builders, developers, and purchasers of low- and moderate-income family dwellings.

The agency is governed by a board of directors. The Comptroller of the Treasury, the Secretary of State, the State Treasurer, the Commissioner of the Department of Finance and Administration, and a Staff Assistant to the Governor serve as *ex officio* board members of the Agency. The remaining members are appointed by the Governor, the Speaker of the State Senate, and the Speaker of the State House of Representatives. Board members are to be representatives of the housing, real estate, or home building industries; the mortgage profession; local governments; or one of the three grand divisions of the state, and must be knowledgeable about the problems of inadequate housing conditions in Tennessee. One member of the board is a resident board member as required by Section 505 of the Quality Housing and Work Responsibility Act of 1998 and 24 CFR Part 964, Subpart E. *Tennessee Code Annotated* Section 13-23-101 et seq. was amended to revise the composition of the board of directors, effective July 1, 2013.

In order to accomplish its objectives, the agency is authorized to raise funds through the issuance of bonds and notes. Bonds and notes issued by the agency are not general obligations of the State of Tennessee or any of its political subdivisions, and neither the faith and credit nor the taxing power of the state or any political subdivision is pledged for payment of the principal or interest on such bonds or notes.

The Tennessee Housing Development Agency is a component unit of the State of Tennessee. Although the agency is a separate legal entity, the state appoints a majority of its governing body and approves its operating budget. The agency is discretely presented in the *Tennessee Comprehensive Annual Financial Report*.

b. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Certain accounting policies and procedures are stipulated in the agency's Mortgage Finance Program, Single Family Program, Homeownership Program, Housing Finance Program, and General Residential Finance Program bond resolutions and the Single Family Mortgage Notes trust indenture. The agency follows these procedures in establishing and maintaining the various funds and accounts for its programs. Revenues and expenses applicable to each fund and account are recorded therein.

c. Basis of Accounting and Measurement Focus

The accompanying financial statements have been prepared using the accrual basis of accounting and the flow of economic resources measurement focus. Under this basis, revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cashflows. When both restricted and unrestricted resources are available for use, it is the agency's policy to use the restricted resources first. All significant interfund transactions have been eliminated.

d. Capital Assets

Capital assets, which include furniture and office equipment, are defined by the agency as assets with an initial, individual cost of \$5,000 or more.

Capital assets are depreciated on a straight-line basis over the following estimated useful lives of the assets.

<u>Description</u>	<u>Estimated Life</u>
Furniture	10 years
Computer equipment	3 years

e. Restricted Assets

Restricted assets are comprised of the Debt Service Reserve Funds, Bond Reserve Funds, and Net Pension Assets (see note 6).

The bond resolutions require the agency to establish a Debt Service Reserve Fund or a Bond Reserve Fund for each bond issue. The bond resolutions require that if the Debt Service and Expense Funds or the Revenue Funds of a bond issue are not sufficient to provide for interest or principal and sinking fund requirements of that issue that funds be transferred from the Debt Service Reserve Fund or the Bond Reserve Fund to cover any deficiency.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

f. Deferred Amount on Refundings and Bond Premiums and Discounts

1. Deferred Amounts on Refundings: The agency amortizes the deferred amount on refundings using the straight-line method.
2. Bond Premiums and Discounts: Bond premiums and discounts are deferred and amortized over the life of the bonds using the interest method. Bonds payable are reported net of the applicable unamortized bond premium or discount.

g. Cash and Cash Equivalents

In addition to demand deposits and deposits in the pooled investment fund administered by the State Treasurer, this classification includes short-term investments with original maturities of three months or less from the date of acquisition.

h. Investments

The agency has established guidelines for its funds to meet the requirements of the bond resolutions and to comply with the statutes of the State of Tennessee. Permitted investments include the following: direct obligations of the U.S. Treasury and U.S. Agencies, obligations guaranteed by the U.S., public housing bonds secured by contracts with the U.S., direct and general obligations of the State of Tennessee or obligations guaranteed by the State of Tennessee, obligations of other states or instrumentalities thereof which are rated in either of the two highest rating categories by Moody's Investor Service or Standard & Poor's Corporation, interest bearing time or demand deposits, collateralized certificates of deposit in authorized state depositories, and repurchase agreements collateralized by authorized securities.

Investments are stated at fair value, except for repurchase agreements, which are reported at cost.

i. Accrual of Interest Income

Interest on first mortgage loans receivable and investment securities is credited to income as earned and classified as interest receivable.

j. Mortgages

Mortgages are carried at their original amount less collected principal.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

k. Operating Revenues and Expenses

The agency was created with the authority to issue bonds to the investing public in order to create a flow of private capital through the agency into mortgage loans to certain qualified individuals and qualified housing sponsors. The agency's primary operation is to borrow funds in the bond market and issue those funds to make single-family and multi-family loans. The primary operating revenue is the interest income on outstanding mortgages and the investment income from proceeds of bonds. The primary operating expense of the agency is the interest expense on bonds outstanding. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

l. Allowance for Forgivable Second Mortgages

THDA has offered Down Payment Assistance (DPA) product for several years. Beginning in October 2014, this product changed to a 0% forgivable second mortgage, loan, of which 100% of the original principal amount is repayable to THDA if the loan is repaid within ten years of the origination date. Beginning on the eleventh anniversary of the origination date, 20% of the original principal amount will be forgiven. The amount of forgiveness increases an additional 20% on the loan anniversary thereafter. On the 15th anniversary of the origination date, 100% of the original principal amount becomes forgiven. Because of the likelihood that some amount of the original principal amount will be forgiven in the course of time, an allowance account has been established for those loans that may enter the forgivable period.

m. Pensions

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan in the Tennessee Consolidated Retirement System (TCRS) and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the TCRS. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Closed State and Higher Education Employee Pension Plan and the State and Higher Education Employee Retirement Plan. Investments are reported at fair value.

JUNE 30, 2016

NOTE 2. DEPOSITS AND INVESTMENTS

a. Deposits

Custodial Credit Risk Custodial credit risk for deposits is the risk that in the event of a bank failure, the agency's deposits may not be returned.

The laws of the State of Tennessee require that collateral be pledged to secure all uninsured deposits. The agency's bond resolutions require deposits to be fully secured.

The agency's deposits are in financial institutions which participate in the bank collateral pool administered by the State Treasurer, except as noted below. The securities pledged to protect these accounts are pledged in the aggregate rather than against each individual account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

At June 30, 2016, the bank balance was \$3,921,135.08. All bank balances at June 30, 2016, were insured, except the Bank of New York Mellon (BNYM) accounts. U.S. Department of the Treasury requires the funds for the Hardest Hit Fund program to be deposited in the BNYM accounts. THDA has no obligation to ensure that the funds in the accounts are collateralized should the amount of money in the account be in excess of the FDIC insurance coverage of \$250,000. THDA will not be responsible for a loss of the funds due to the bank's failure and the lack of adequate collateral. Of the bank balance at June 30, 2016, \$3,307,357.87 was in the BNYM. Of this amount, \$3,057,357.87 exceeded the FDIC insurance coverage. The agency has deposits in the State Pooled Investment Fund administered by the State Treasurer. The fund's investments are measured at amortized cost. The fund is not rated by a nationally recognized statistical rating organization. The fund's investment policy and required risk disclosures are presented in the *State of Tennessee Treasurer's Report*. That report is available on the state's website at www.treasury.tn.gov.

b. Investments

As stated in the agency's investment policy, the "prudent man rule" shall be the standard of prudence used by all officials responsible for the investment of assets. Investments are made as a prudent person would be expected to act in the management of his or her own affairs, with consideration of the safety of capital and the probability of income, and avoidance of speculative investments.

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The agency's investment policy states that the agency's portfolios will be diversified in order to reduce the risk of loss resulting from concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. The agency may invest 100% of its portfolio in U.S. government securities. A minimum of 5% of the par value of total investments must mature within five years. No more than 50% of the par value of the combined portfolios can be invested in maturities greater than 15 years without approval of the Bond Finance Committee.

Portfolio maturities shall be staggered in a way that avoids undue concentrations of assets in a specific maturity sector. Maturities shall be selected which provide for stability of income and reasonable liquidity. It is the intent of this policy that sufficient investments be scheduled to mature to provide for the required liquidity for debt service and other expenditures per resolution requirements.

Interest Rate Risk Interest Rate Risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment.

Duration is a measure of a debt investment's exposure to fair value changes arising from changing interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price.

THDA categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. THDA has the following recurring fair value measurements as of June 30, 2016:

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total debt securities	\$352,708	\$68,451	\$284,257	\$-0-

Assets classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for identical assets as those securities. The State of Tennessee, by law, requires that the Tennessee Housing Development Agency to participate in the State Pool Investment Fund (SPIF). SPIF values financial instruments at amortized cost. There are no minimum or maximum limitations on withdrawals with the exception of a 24-hour notification period for withdrawals of \$5 million or more.

During fiscal year 2016, Tennessee Housing Development Agency modified the presentation of certain mortgage loans. Beginning in fiscal year 2016, mortgage loans in which a foreclosure sale has occurred will be reported as Current Portion, First Mortgage Loans receivable.

NOTE 6. PENSION PLANS

a. Closed State and Higher Education Employee Pension Plan

General Information about the Pension Plan

Plan description State employees and higher education employees with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Closed State and Higher Education Employee Pension Plan. This plan is a component of the Public Employee Retirement Plan, an agent, multiple-employer defined benefit pension plan. The Closed State and Higher Education Employee Pension Plan stopped accepting new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, a new agent defined benefit retirement plan, the State and Higher Education Employee Retirement Plan, became effective for state employees and higher education employees hired on or after July 1, 2014.

The TCRS was created by state statute under Title 8, Chapters 34-37, *Tennessee Code Annotated*. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the

plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at www.treasury.tn.gov/tcrs.

Benefits provided Title 8, Chapters 34-37, *Tennessee Code Annotated* establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Closed State and Higher Education Employee Pension Plan are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined using the following formula:

Average of Member's Highest Compensation for 5 Consecutive Years (up to Social Security Integration Level)	x	1.50%	x	Years of Service Credit	x	105%
--	---	-------	---	-------------------------	---	------

Plus:

Average of Member's Highest Compensation for 5 Consecutive Years (over Social Security Integration Level)	x	1.75%	x	Years of Service Credit	x	105%
---	---	-------	---	-------------------------	---	------

A reduced early retirement benefit is available at age 55 and vested. Members are vested with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions Contributions for state employees and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Tennessee Housing Development Agency employees are non-contributory, as are most members in the Closed State and Higher Education Employee Pension Plan. State and higher education agencies make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Closed State and Higher Education

Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the Closed State and Higher Education Employee Pension Plan were \$1,539,003 which is 15.03 percent of covered payroll. The employer rate is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension liability At June 30, 2016, Tennessee Housing Development Agency reported a liability of \$5,428,475 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Tennessee Housing Development Agency's proportion of the net pension liability was based on a projection of Tennessee Housing Development Agency's contributions during the year ended June 30, 2015 to the pension plan relative to the contributions of all participating state and higher education agencies. At the June 30, 2015 measurement date, Tennessee Housing Development Agency's proportion was 0.421046 percent. The proportion measured as of June 30, 2014 was 0.429581

Actuarial assumptions The total pension liability as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Members of the State and Higher Education Employee Retirement Plan are eligible to retire at age 65 with 5 years of service credit or pursuant to the rule of 90 in which the member's age and service credit total 90. Members are entitled to receive unreduced service retirement benefits, which are determined by a formula using the member's highest five consecutive year average compensation by 1.0 percent multiplied by member's years of service credit. A reduced early retirement benefit is available at age 60 with 5 years of service credit or pursuant to the rule of 80 in which the member's age and service credit total 80. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest. Under the State and Higher Education Employee Retirement Plan, benefit terms and conditions, including COLA, can be adjusted on a prospective basis. Moreover, there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions Contributions for state and higher education employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. The Tennessee Housing Development Agency makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4 percent for all aggregate employee groups, except for in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the State and Higher Education Employee Retirement Plan are required to be paid. Employer contributions by Tennessee Housing Development Agency for the year ended June 30, 2016 to the State and Higher Education Employee Retirement Plan were \$46,706 which is 2.81 percent of covered payroll. The employer rate is 3.87% of covered payroll except for any salaries derived from Federal funds where the employer rate is 2.00%. The

amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30:

2017	\$	(407)
2018		(407)
2019		(407)
2020		(407)
2021		(591)
Thereafter		(1,774)

In the table above, positive amounts will increase pension expense, while negative amounts will decrease pension expense.

Actuarial assumptions The total pension asset as of the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation
Cost-of Living Adjustment	2.5 percent

Mortality rates were customized based on the June 30, 2012 actuarial experience study and included some adjustment for expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2015 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment

TENNESSEE HOUSING DEVELOPMENT AGENCY

expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount rate The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the all state and higher education agencies will be made at the actuarially determined contribution rate in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability (asset).

Sensitivity of the proportionate share of net pension liability (asset) to changes in the discount rate The following presents Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) calculated using the discount rate of 7.5 percent, as well as what Tennessee Housing Development Agency's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5 percent) than the current rate:

Payable to the Pension Plan

At June 30, 2016, THDA reported a payable of \$13,189 for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2016.

c. Total Defined Benefit Pension Expense

The total pension expense for the year ended June 30, 2016 for both defined benefit pension plans was \$565,523.

NOTE 7. DEFERRED COMPENSATION PLANS

The Tennessee Housing Development Agency, through the State of Tennessee, offers employees two deferred compensation plans, one established pursuant to IRC, Section 457 and the other pursuant to IRC, Section 401(k). The plans are outsourced to third party vendors and the administrative costs assessed by the vendors of these plans are the responsibility of plan participants. Section 401(k) and Section 457 plan assets remain the property of the contributing employees; therefore, they are not presented in the accompanying financial statements. IRC Sections 401(k), and 457 establish participation, contribution, and withdrawal provisions for the plans. Participation in the 457 plan is voluntary for employees. The Tennessee Housing Development Agency provides up to a \$50 monthly employer match for employees who participate in the state's 401(k) plan. Employees hired before July 1, 2014 voluntarily participate in the state's 401(k) plan. Pursuant to Public Chapter No. 259 of *Public Acts of 2013*, employees hired after June 30, 2014, are automatically enrolled in the state's 401(k) plan and contribute 2% of their salary with the employer contributing an additional non-matching 5%. Employees may opt out of the 2% auto enrollment. Such contribution rates may only be amended by the Tennessee General Assembly. There are certain automatic cost controls and unfunded liability controls in the defined benefit plan where the employees participate that may impact the non-matching 5% employer contribution to the 401(k) plan.

Employees are immediately vested in both the employee and employer contributions in both plans. The IRC establishes maximum limits that an employee can contribute to these plans. The employee may increase, decrease, or stop contributions at any time for either plan.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

The Tennessee Housing Development Agency recognized a pension expense of \$186,417 for employer contributions.

NOTE 8. PROVISIONS FOR MORTGAGE LOAN LOSSES

Most mortgage loans are insured by the Federal Housing Administration (FHA) or an approved private mortgage insurance company, or are guaranteed by the Department of Veterans Affairs. The agency's board of directors has established a loan loss reserve of \$750,000 as a provision for potential loan losses arising from participation in the Rural Economic and Community Development (RECD) Loan Guarantee Program. An additional \$232,000 was established as a loan loss reserve against potential losses on loans not specifically covered by one of the above programs, and \$500,000 was established as a loan loss reserve for self-insurance of second mortgages.

Since the amount of net position restricted for single-family bond programs exceeds the amounts necessary for these loan loss reserves, it is not necessary to designate unrestricted net position for this purpose.

NOTE 9. INSURANCE-RELATED ACTIVITIES

a. Commercial Insurance

The agency carries commercial insurance for risks of loss related to employee dishonesty; general liability protection; and theft of, damage to, or destruction of real and personal property. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

b. Risk Management Fund

It is the policy of the state not to purchase commercial insurance for the risks associated with casualty losses for general liability, automobile liability, professional medical malpractice, and workers' compensation. The state's management believes it is more economical to manage these risks internally and set aside assets for claim settlement in its internal service fund, the Risk Management Fund. The state purchases commercial insurance for real property and crime and fidelity coverage on the state's officials and employees, and cyber liability coverage. For property coverage, the deductible for an individual state agency is the first \$25,000 of losses. The Risk Management Fund is responsible for property losses for the annual aggregate deductible of \$7.5 million for perils other than earthquakes and flood. Purchased insurance coverage is responsible for losses exceeding the \$7.5 million annual aggregate deductible. For earthquake and flood, there

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

is a deductible of \$10 million per occurrence. The maximum insurance coverage is \$750 million per year for perils other than earthquake and flood. The maximum flood insurance coverage is \$50 million per occurrence, except there is only \$25 million of coverage in flood zones A and V. The maximum earthquake insurance coverage is \$50 million per occurrence. The amounts of settlements have not exceeded insurance coverage for each of the three past fiscal years.

The agency participates in the Risk Management Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on a percentage of the agency's expected loss costs, which include both experience and exposures. This charge considers recent trends in actual claims experience of the state as a whole. An actuarial valuation is performed as of fiscal year-end to determine the fund liability and premium allocation. Information regarding the determination of the claims liabilities and the changes in the balances of the claims liabilities for the year ended June 30, 2016, is presented in the *Tennessee Comprehensive Annual Financial Report*. The CAFR is available on the state's website at www.tn.gov/finance/act/cafr.shtml. Since the agency participates in the Risk Management Fund, it is subject to the liability limitations under the provisions of the Tennessee Claims Commission Act, *Tennessee Code Annotated*, Section 9-8-101 et seq. Liability for negligence of the agency for bodily injury and property damage is limited to \$300,000 per person and \$1,000,000 per occurrence. The limits of liability under workers' compensation are set forth in *Tennessee Code Annotated*, Section 50-6-101 et seq. Claims are paid through the state's Risk Management Fund. At June 30, 2016, the Risk Management Fund held \$142.9 million in cash designated for payment of claims

c. Employee Group Insurance Fund

The state has also set aside assets in the Employee Group Insurance Fund, an internal service fund, to provide a program of health insurance coverage for the employees of the state with the risk retained by the state. The agency participates in the Employee Group Insurance Fund. The fund allocates the cost of providing claims servicing and claims payment by charging a premium to the agency based on estimates of the ultimate cost of claims, including the cost of claims that have been reported but not settled and of claims that have been incurred but not reported. Employees and providers have 13 months to file medical claims.

NOTE 10. OTHER POSTEMPLOYMENT BENEFITS

Healthcare is the only other postemployment benefit (OPEB) provided to employees. The State of Tennessee administers a group health insurance program which provides postemployment health insurance benefits to eligible THDA retirees. This program includes two plans - the State

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

Employee Group Plan and the Medicare Supplement Plan. For accounting purposes, the plans are agent multiple-employer defined benefit OPEB plans. Benefits are established and amended by an insurance committee created by *Tennessee Code Annotated* Section 8-27-201. Prior to reaching the age of 65, members have the option of choosing between the standard or partnership preferred provider organization (PPO) plan for healthcare benefits. Subsequent to age 65, members who are also in the state's retirement system may participate in the Medicare Supplement Plan. That plan does not include pharmacy. Any employee hired on or after July 1, 2015 is not eligible to continue insurance coverage at retirement in either the Employee Group Plan or the Medicare Supplement Plan. The plans are reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

Special Funding Situation - The State of Tennessee is legally responsible for contributions to the Medicare Supplement Plan that covers the retirees of other governmental entities, including the Tennessee Housing Development Agency (see Note 11). The state is the sole contributor for the THDA retirees that participate in the Medicare Supplement Plan and, therefore, is acting as the employer.

Funding Policy - The premium requirements of plan members of the State Employment Group Plan are established and may be amended by the insurance committee. The plans are self-insured and financed on a pay-as-you-go basis with the risk shared equally among the participants. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Administrative costs of the plan are allocated to plan participants. In accordance with Section 8-27-205(b), *Tennessee Code Annotated*, retirees in the State Employee Group Plan who have not reached the age of 65 pay the same base premium as active employees in the plan, adjusted for years of service. Retirees with 30 years of service pay 20% of the total premium. Retirees with 25 but less than 30 years of service pay 30% of the total premium. Retirees with less than 20 years of service pay 40% of the total premium. Retirees 65 years of age or older are provided flat-rate premium subsidies, based on years of service. Retirees with 30 years of service receive \$50 per month; retirees with 25 but less than 30 years of service, \$37.50; and retirees with 15 but less than 20 years of service, \$25.

Actuarial valuation date	7/01/2015
Actuarial accrued liability (AAL)	\$ 2,923
Actuarial value of plan assets	-0-
Unfunded actuarial accrued liability (UAAL)	\$ 2,923
Actuarial value of assets as a % of the AAL	0%
Covered payroll (active plan members)	\$ 10,046
UAAL as a percentage of covered payroll	29%

Actuarial valuations involve estimates of the value of reported amounts and probability assumptions far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the

TENNESSEE HOUSING DEVELOPMENT AGENCY
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2016

actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Actuarial Methods and Assumptions Calculations are based on the types of benefits provided under the terms of the substantive plan at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

In the July 1, 2015, actuarial valuation for the Employee Group Plan, the Projected Unit Credit actuarial cost method was used. The actuarial assumptions included a 3.75% investment rate of return (net of administrative expenses) and an annual healthcare cost trend rate of 6.5% initially. The rate decreases to 6% in fiscal year 2016, and then reduces by decrements to an ultimate rate of 4.7% in fiscal year 2050. All rates include a 2.5% inflation assumption. The unfunded actuarial accrued liability is being amortized as a level percentage of payroll on a closed basis over a 30-year period beginning with July 1, 2007. Payroll is assumed to grow at a rate of 3 percent.

NOTE 11. ON-BEHALF PAYMENTS

During the year ended June 30, 2016, the State of Tennessee made payments of \$6,488 on behalf of THDA for retirees participating in the Medicare Supplement Plan. The Medicare Supplement Plan is a postemployment benefit healthcare plan and is discussed further in Note 10. The plan is reported in the *Tennessee Comprehensive Annual Financial Report*. That report is available on the state's website at www.tn.gov/finance/act/cafr.shtml.

NOTE 12. PAYMENTS TO PRIMARY GOVERNMENT

From time to time, the State of Tennessee has called upon the agency and its resources, together with resources of other departments, agencies, and organizations in state government, to provide funds to the State General Fund to balance the state budget. The following is a description of these occurrences in relationship to the agency. On June 30, 1995, \$15,000,000 from the agency's Housing Program Reserve Fund was transferred to the State General Fund. On June 30, 1998, \$43,000,000 was transferred from the agency to the State General Fund. The \$43,000,000 transferred from the agency came from the following resources of the agency: (i) \$15,459,157 from tax revenues previously directed to the Housing Program Fund; (ii) \$5,028,761 from the Housing Program Reserve Fund; and (iii) \$22,512,082 from the Assets Fund. On June 30, 2002, a transfer from the agency to the primary government in the

amount of \$35,367,449 was made from the Assets Fund for the sole purpose of meeting the requirements of funding the operations of the primary government for the year ended June 30, 2002.

SUMMARY OF MORTGAGE INSURANCE AND GUARANTEE PROGRAMS**Introduction**

All first lien Program Loans made or purchased by THDA with proceeds of Bonds issued under the General Resolution are expected to be (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, or (b) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who, at the time of closing, have an acceptable equity interest in the property based on the lesser of appraised value or the sale price. However, under the General Resolution, some or all of these requirements may be modified by a Supplemental Resolution with respect to Program Loans financed with the proceeds of Bonds subsequently issued pursuant to such Supplemental Resolution.

Originating Agents are responsible for obtaining Veteran's Administration ("VA") or U.S. Department of Agriculture, Rural Development ("USDA/RD") guarantees, Federal Housing Administration ("FHA") insurance certificates or private mortgage insurance certificates as part of the process of originating and closing THDA Program Loans. Borrowers pay the costs associated with such insurance certificates or guarantees.

The following descriptions of certain mortgage insurance programs and loan guarantee programs are all only brief outlines and do not purport to summarize or describe all provisions of each respective program. For a more complete description of these programs, refer to the contract provisions embodied in FHA, USDA/RD (formerly FmHA) and VA regulations, respectively, and to the regulations, master insurance contracts and other such information from the private mortgage insurance providers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ primarily upon whether the property contains five or more dwelling units or less than five such units and whether the property is designed for occupancy by low and moderate income families.

The National Housing Act of 1934, as amended, imposes a minimum cash requirement for purchase money mortgages of 3.5% of the lesser of appraised value or sales price, resulting in a maximum loan to value percentage of 96.5%.

Under the FHA programs which insure THDA's Program Loans, insurance benefits generally are payable only upon foreclosure (or other acquisition of possession) and conveyance of the property to the United States Department of Housing and Urban Development ("HUD"). The FHA insurance proceeds available under these programs upon conveyance of the property to HUD is equal to 100% of the outstanding principal balance of the Program Loan, plus interest and certain additional costs and expenses.

Under some FHA insurance programs, HUD pays insurance claims in cash unless the mortgage lender specifically requests payment in debentures issued by HUD. Under other programs, HUD, at its option, may pay insurance claims in cash or in such debentures. Currently, HUD makes insurance payments on mortgages covering less than five dwelling units in cash when it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debentures interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the mortgage, whichever rate is higher.

When FHA insurance benefits are paid after foreclosure (or other acquisition of possession) and conveyance, the amount paid is computed as of the date of default by the borrower, as defined in HUD regulations, and the mortgage lender generally is not compensated for mortgage interest accrued and unpaid prior to that date. When FHA insurance benefits are paid under such circumstances, the insurance payment made is generally equal to the unpaid principal amount of the Program Loan, adjusted to reimburse the mortgage lender for certain tax, insurance and similar payments made by it and to deduct certain amounts received or retained by the mortgage lender after default, plus reimbursement not to exceed a specified percentage of the mortgage lender's foreclosure costs as determined by HUD based on certain criteria. The regulations under the FHA insurance programs which insure THDA's Program Loans provide that the insurance payment itself shall bear interest from the date of default to the date of payment of the claim at an interest rate equal to the monthly average yield, for the month in which the default occurred, on United States Treasury securities adjusted to a constant maturity of 10 years.

When any property conveyed to HUD has been damaged by fire, earthquake, flood or tornado, it is generally required, as a condition to payment of an insurance claim, that the property be repaired by the mortgage lender prior to such conveyance or assignment.

To obtain title to and possession of the property upon foreclosure, the Trustee and the Servicer act under the power of sale provisions in the deed of trust, subject to constraints imposed by applicable state law and by HUD. HUD currently requires that, absent the consent of the borrower, at least three full monthly installments be due and unpaid under the deed of trust before the mortgage lender may initiate any action leading to foreclosure under the deed of trust. HUD also requires a face-to-face conference between the mortgage lender and the borrower in an effort to cure the delinquency without foreclosure. In any case, these requirements do not apply where the borrower has voluntarily abandoned the property, in which case, the mortgage lender may immediately initiate foreclosure proceedings (subject to applicable state law notice provisions).

Veterans Administration Guaranty Program

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances, the veteran's spouse or certain qualified reservists) to obtain a Program Loan guaranty from the VA covering the purchase of a one-to-four family dwelling unit at interest rates permitted by the VA. The program has no loan limits, requires no down payment from the purchaser and permits the guaranty of Program Loans of up to thirty years duration. The maximum guaranty that may be issued by the VA under this program is the lesser of the veteran's available entitlement or the statutory maximum guaranty based on date of origination, type of housing unit and loan amount. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage lender will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of a property is greater than the original guaranty, as adjusted. The VA may, at its option, and without regard to the guaranty, make full payment to a mortgage lender of unsatisfied indebtedness on a mortgage upon its assignment to the VA.

United States Department of Agriculture, Rural Development (formerly Farmers Home Administration)

Guaranteed Rural Housing Program

The Cranston-Gonzalez National Affordable Housing Act of 1990 revised and expanded the interest assistance program for guaranteed loans under Section 502 of Title V of the Housing Act of 1949, as amended, by creating the Guaranteed Rural Housing Loan Program. The guaranty covers the lesser of (a) any loss equal to 90% of the original principal amount of the loan or (b) any loss in full up to 35% of the original principal amount of the loan plus any additional loss on the remaining 65% to be shared approximately 85% by USDA/RD and approximately 15% by THDA.

Private Mortgage Insurance Programs

General

Program Loans are permitted under the General Resolution when insured under private mortgage insurance programs as described below.

Private mortgage insurance policies insure against certain losses sustained by reason of default in payments by borrowers. Under most policies, delinquencies must be reported to the insurer within two (2) months of default, and proceedings to recover title must, generally, be commenced within nine (9) months of default. It is standard practice for private mortgage insurers to require that the mortgage lender, prior to presenting a claim under the mortgage insurance policy, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the borrower. When such a claim is presented, the private mortgage insurer will normally retain the option to pay the claim in full and take title to the property and arrange for its sale, or to pay the insured percentage of the claim and allow the insured mortgage lender to retain title to the property. The amount of loss payable generally includes the principal balance due under the mortgage, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced, expenses incurred in the preservation of the insured property, and other expenses necessarily incurred in the recovery proceedings.

Notwithstanding the foregoing, THDA does not expect to use lendable proceeds of the Offered Bonds to purchase Program Loans insured by private mortgage insurance.

DESCRIPTION OF AGREEMENTS WITH ORIGINATING AGENTS AND SERVICERS**Working Agreements**

THDA has working agreements with each of its Originating Agents (the "Working Agreements"). Under the Working Agreements, THDA reviews and makes or purchases approved Program Loans which have been originated and processed by an Originating Agent.

Each Working Agreement also contains certain representations and warranties by the Originating Agent regarding the Program Loan applications submitted to THDA to the effect that the Originating Agent has no adverse information regarding the credit or reputation of the applicant nor adverse information concerning the real property to be mortgaged that would materially lessen THDA's security or detract from the subsequent marketability of the Program Loan. Each Originating Agent further represents and warrants that it will receive and process for THDA all applications by applicants for Program Loans who qualify as lower and moderate income persons.

The Working Agreement requires that Program Loans meet all requirements contained in THDA's rules and regulations and the O. A. Guide (as defined below). These requirements include, among other things:

- (1) a deed of trust securing the Program Loan in a form approved by THDA which creates a valid first lien or other approved lien on the property;
- (2) for FHA insured or VA or USDA/RD guaranteed Program Loans, all FHA, VA or USDA/RD rules, regulations and requirements must be met;
- (3) evidence of title satisfactory to THDA;
- (4) an original hazard insurance policy, delivered at closing, which covers the property subject to the Program Loan, names THDA as first mortgagee, and is in an amount not less than the greater of 90% of the insurable value of the improvements on the property or the full amount of the Program Loan; and
- (5) such other documents as are necessary to comply with the federal tax code.

Penalties may be imposed on Originating Agents for violating the Working Agreements. At the option of THDA, Originating Agents may also be required to purchase a Program Loan from THDA when there is a violation under the Working Agreement with respect to the Program Loan. THDA may terminate Working Agreements upon notice, with or without cause or, at its election, temporarily suspend Originating Agent's privilege to originate Program Loans as a result of inadequate performance.

Guide for Originating Agents

THDA provides each Originating Agent with a Guide for Originating Agents (the "O. A. Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax code requirements. The O. A. Guide sets forth requirements and procedures for originating, processing and closing Program Loans. The Guide includes a procedural checklist to be followed by the Originating Agent and copies of all THDA forms required in originating, processing and closing Program Loans.

Servicing Agreements

THDA currently has an agreement with U.S. Bank (the "Servicer") to service Program Loans (the "Servicing Agreement"). U.S. Bank services approximately 90% of THDA's entire portfolio of mortgage loans made or purchased with bond proceeds. The Servicing Agreement provides for the collection and remittance of Program Loan payments to THDA or a designated depository. Prior to remittance, the Servicer deducts a servicing fee, late charges and amounts to be held in escrow accounts for real property taxes, mortgage and hazard insurance premiums, and assessments. The servicing fee under the current Servicing Agreement is 3/8% annually. The Servicer is required to notify THDA in the event of any default on a Program Loan, and the Servicer may conduct foreclosure proceedings with the consent and at the expense of THDA. The Servicer is required to repurchase any Program Loan from THDA at any time THDA

suffers or is threatened with a material loss by reason of the Servicer's failure to perform its obligations under the Servicing Agreement. THDA may also terminate a Servicing Agreement for inadequate performance by the Servicer.

THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. THDA began servicing new production loans from its largest Originating Agent on June 1, 2017. THDA provided notice to all Originating Agents about delivering new THDA loans to VMLS for servicing in accordance with a schedule that THDA anticipates will result in all new THDA loans being serviced by THDA on or about April 1, 2018. THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

Guide for Servicers

THDA provides each Servicer with a Guide for Servicers (the "Servicer Guide"), which is amended from time to time by THDA to reflect changes in THDA policy, statutory requirements or federal tax requirements. The Servicer Guide includes substantive servicing requirements, incorporates the limitation on assumption of mortgages contained in the federal tax code, and specifies the procedures to be followed by the Servicer to comply with THDA requirements and the federal tax code. The Servicer Guide also includes a list of the documents that must be maintained by the Servicer, copies of all THDA's servicing and loan assumption forms, together with instructions for their completion and a schedule for the submission of the required forms and reports to THDA.

THDA requires monthly reports from Servicers. Each Servicer's performance is monitored and its servicing record is subject to examination by THDA's staff. Examinations are performed monthly from documentation received from the Servicer.

Special Programs

For certain special programs, THDA may elect to enter into joint agreements for originating and servicing Program Loans made under such special programs. Any such joint agreements are substantially similar to the Working Agreements and Servicing Agreements described hereinabove.

If the Bonds are not registered with a central depository system as provided in Section 3.7, THDA shall not be obliged to make any such exchange or transfer of Bonds (i) during the ten days preceding an Interest Payment Date on such Bonds, (ii) during the ten days preceding the date of the mailing of notice of any proposed redemption of Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. THDA may, by written notice to the Trustee, establish a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, but such record date shall be not more than ten days preceding an Interest Payment Date on such Bonds or, in the case of any proposed redemption of Bonds next preceding the date of the first redemption of Bonds.

Section 3.7. Central Depository System.

(A) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, Bondholder consent, payment and exchange of Bonds, and the giving of notices of Bondholders as required by the provisions of this Resolution, a Supplemental Resolution may provide that all or a portion of Bonds shall be issued as book-entry only Bonds and registered in the name of a central securities depository or its nominee (the "Central Securities Depository"), in which case matters relating to registration, ownership, transfer, consent, payment and exchange of Bonds, and relating to the giving of notices to Bondholders as required by the provisions of this Resolution, shall be governed by the operational arrangements of such Central Securities Depository.

(B) With respect to Bonds registered in the registry books kept by the Trustee in the name of a Central Securities Depository, THDA and the Trustee shall have no responsibility or obligation to any participant or to any beneficial owner. Without limiting the immediately preceding sentence, THDA and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Central Securities Depository or any participant with respect to any ownership interest in the Bonds, (ii) the delivery to any participant, any beneficial owner or any other person other than the Central Securities Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than the Central Securities Depository, of any amount with respect to the principal of or premium, if any or interest on the Bonds. THDA and the Trustee may treat as and deem the Central Securities Depository to be the absolute owner of each Bond, for the purpose of payment of the principal of and premium and interest on such Bond for the purpose of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Central Securities Depository, and all such payments shall be valid and effective to fully satisfy and discharge THDA's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than the Central Securities Depository shall receive an authenticated Bond evidencing the obligation of THDA to make payments of principal of and premium, if any, and interest pursuant to this Resolution. Upon delivery by the Central Securities Depository to the Trustee of written notice to the effect that the Central Securities Depository has determined to substitute a new nominee, and subject to the provisions herein with respect to consents, the words "Central Securities Depository" in this Resolution shall refer to such new nominee of the Central Securities Depository.

(C) Upon receipt by THDA and the Trustee of written notice from the Central Securities Depository to the effect that the Central Securities Depository is unable or unwilling to discharge its responsibilities and no substitute the Central Securities Depository can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of THDA kept by the Trustee in the name of the Central Securities Depository, but may be registered in whatever name or names the beneficial owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(D) In the event THDA determines that it is in the best interests of the beneficial owners that they be able to obtain Bond certificates and subject to the operational arrangements of such Central Securities Depository, THDA may notify the Central Securities Depository and the Trustee, whereupon the Central Securities Depository will notify the participants, of the availability through the Central Securities Depository of Bond certificates. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by the Central Securities Depository and any other Bondowners in appropriate amounts, and whenever the Central Securities Depository requests THDA and the Trustee to do so, the Trustee and THDA will cooperate with the Central Securities Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bond to any Central Securities Depository participant having Bonds credited to its Central Securities Depository account or (ii) to arrange for another Central Securities Depository to maintain custody of certificates evidencing the Bonds.

(E) In connection with any notice of other communication to be provided to Bondholders pursuant to this Resolution by THDA or the Trustee with respect to any consent or other action to be taken by Bondholders, THDA or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Central Securities Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(F) Any transfer of a Bond affected in accordance with this Section 3.7 shall be subject to applicable laws of the State.

Section 3.8. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, THDA shall execute and the Trustee shall authenticate a new Bond of like interest rate, maturity, principal amount and other terms as the Bond so mutilated, destroyed, stolen or lost. In the case of a mutilated Bond, such new Bond shall be delivered only upon surrender and cancellation of such mutilated Bond. In the case of Bonds issued in lieu of and substitution for a Bond which have been destroyed, stolen or lost, such new Bond shall be delivered only upon filing with the Trustee of evidence satisfactory to establish to THDA and the Trustee that such Bond have been destroyed, stolen or lost and to prove the ownership thereof and upon furnishing THDA and the Trustee with indemnity satisfactory to them. The person requesting the authentication and delivery of a new Bond pursuant to this Section shall comply with such other reasonable regulations as THDA and the Trustee may prescribe and pay such expenses as THDA and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be cancelled by it and evidence of such cancellation shall be given to THDA.

Section 3.9. Preparation of Definitive Bonds; Temporary Bonds.

(A) Definitive Bonds shall be typed, lithographed or printed on steel engraved borders; provided, that Bonds which are held by a Central Securities Depository shall be in form acceptable to such Central Securities Depository. Until definitive Bonds are prepared THDA may execute and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bonds are issued, in denominations of \$5,000 or such other denomination as may be authorized for such Bonds or any multiple thereof, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. Upon surrender of such temporary Bonds for exchange and cancellation, THDA at its own expense shall prepare and execute and, without charge to the holder thereof, deliver in exchange therefor, at the corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution.

(B) All temporary Bonds surrendered in exchange for definitive Bonds shall be forthwith cancelled by the Trustee.

Section 3.10. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with

all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be cremated or otherwise destroyed by the Trustee, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its authorized officers describing the Bonds so cremated or otherwise destroyed, and one executed Certificate shall be filed with THDA and the other executed Certificate shall be retained by the Trustee. Notwithstanding the foregoing, Bonds purchased by THDA shall not be cancelled to the extent that upon such purchase THDA shall have delivered to the Trustee (i) a Certificate of an Authorized Officer to the effect that such Bond shall be purchased but not cancelled and (ii) in the event the interest on such Bonds is excludable from gross income for purposes of federal income taxation, a Bond Counsel's Opinion to the effect that the failure to cancel such Bond will not, in and of itself, adversely affect such excludability.

Section 3.11. Execution and Authentication.

(A) After their authorization by a Supplemental Resolution, Bonds of a Series may be executed by or on behalf of THDA and delivered to the Trustee for authentication. The Bonds shall be executed in the name and on behalf of THDA by the manual or facsimile signature of the Chairman, Vice Chairman or Executive Director of THDA and the corporate seal of THDA (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon, and attested by the manual or facsimile signature of any other Authorized Officer, or in such other manner as may be required by law. In case any one or more of the officers or employees who shall have signed or sealed any of the Bonds shall cease to be such officer or employee before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office or be so employed. Any Bonds of a Series may be signed and sealed on behalf of THDA by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or employment by THDA, although the date of the Bonds of such Series such persons may not have been so authorized or have held such office or employment.

(B) The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Resolution authorizing such Bonds, executed manually by the Trustee. No Bond shall be entitled to any right or benefit under this Resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of THDA shall be conclusive evidence that the Bond so authenticated and delivered under this Resolution and that the holder thereof is entitled to the benefits hereof.

ARTICLE IV

APPLICATION OF BOND PROCEEDS AND OTHER AMOUNTS

Section 4.1. Application of Bond Proceeds, Accrued Interest and Premium. The proceeds of sale of any Series of Bonds, other than the proceeds of Refunding Bonds, shall, as soon as practicable upon the delivery thereof by the Trustee pursuant to Section 2.6 be applied as follows:

(1) the amount, if any, necessary to cause the amount on deposit in the Bond Reserve Fund to at least equal the Bond Reserve Fund Requirement immediately following the time of such delivery shall be deposited in the Bond Reserve Fund, together with such additional amount, if any, as may be specified in the Supplemental Resolution authorizing such Series; and

(2) the balance remaining after such deposit has been made shall be applied as specified in the Supplemental Resolution or as provided in a Certificate of an Authorized Officer.

Section 4.2. Application of Amounts in the Loan Fund. No amount in the Loan Fund shall be expended or applied for the purpose of financing Program Loans except upon compliance with the provisions of subsection 5.2(C). In addition, no Program Loan shall be financed unless such Program Loan (i) complies in all respects with the Act in effect on the date of financing and (ii) complies with any additional program covenants or requirements contained in the related Supplemental Resolution.

Section 4.3. Application of Proceeds of Refunding Bonds. The proceeds of the Refunding Bonds of a Series shall be deposited in the Redemption Account or the Debt Service and Expense Account as provided in the Supplemental Resolution authorizing such Bonds.

Section 4.4. Deposits. Except as provided in Sections 2.7 and 12.1 and subject to the right of THDA to direct the deposit of funds, whenever such amounts are not invested in Investment Securities, the Trustee shall, if permitted by law, deposit amounts or cause amounts to be deposited from any Fund held by the Trustee or under its control pursuant to the terms of this Resolution in interest-bearing time deposits or certificates of deposit, or may enter into repurchase agreements or make other similar banking arrangements with itself or a member bank or banks of the Federal Reserve System or a bank, the deposits of which are insured by the Federal Deposit Insurance Corporation or its successor. Each such interest-bearing time deposit, repurchase agreement or certificate of deposit or other similar banking arrangement shall permit the moneys so placed to be available at the times at which moneys are needed by THDA to be expended and, except to the extent that any such deposits shall be insured by the United States of America or the Federal Deposit Insurance Corporation, or its successor, on terms which in the judgment of THDA (as expressed in written instructions to the Trustee) provide reasonable liquidity, all moneys in each such interest-bearing time deposit, certificate of deposit, repurchase agreement or other similar banking arrangement shall be either continuously and fully secured under the laws of the State as determined by Board of Directors of THDA by Investment Securities (or other obligations rated in either of the two highest rating categories by a nationally recognized rating service) having a market value equal at all times to the amount of the interest-bearing time deposit, repurchase agreement, certificate of deposit or other similar banking arrangement. Notwithstanding the foregoing, repurchase agreements and other similar arrangements may also be entered into with government bond dealers reporting to, trading with and recognized as primary dealers by a Federal Reserve Bank and may be entered into with any other person if (i) all amounts payable thereunder, are fully and continuously secured by Investment Securities of the type described in clauses (1) through (6) of the definition thereof in Section 1.2, (ii) the Trustee shall receive confirmation that such securities are being held for the benefit (and subject to the direction) of the Trustee by a national bank or member bank of the Federal Reserve System other than the obligor under such arrangement and (iii) the market value of the Investment Securities being held shall be maintained at a level sufficient to maintain the then current rating on the Bonds by each Rating Agency.

Section 4.5. Investment of Certain Funds.

(A) Subject to the right of THDA to direct the investment or deposit of funds hereunder in accordance with this Section, moneys in any Fund shall be continuously invested and reinvested or deposited and redeposited in the highest yield Investment Securities that may be reasonably known to the Trustee, with a view toward maximizing current return (with proper preservation of principal) and minimizing the instances of uninvested funds. THDA shall consult with the Trustee from time to time as to the investment of amounts in the Funds established or confirmed by this Resolution. THDA may direct the Trustee to, or in the absence of direction, the Trustee shall, invest and reinvest the moneys in any Fund in Investment Securities in accordance with this Section and toward the objective that the maturity date or date of redemption at the option of the holder thereof shall coincide as nearly as practicable with the times at which moneys are needed to be so expended.

(B) Investment Securities purchased as an investment of moneys in any Fund held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund but, except as may be otherwise provided for amounts deposited in the Redemption Fund in connection with the issuance of Refunding Bonds, the income or interest earned and gains realized in excess of losses suffered by a Fund due to the investment thereof shall be deposited as Non-Mortgage Receipts in the Non-Mortgage Receipts Account or shall be credited as Non-Mortgage Receipts to the Non-Mortgage Receipts Account from time to time and reinvested.

(C) The Trustee shall sell at the best price obtainable, or present for redemption or exchange, any Investment Security purchased by it pursuant to this Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund for which such investment was made or whenever, in the discretion of THDA, any such sale or presentment is necessary in compliance with Section 7.9. The Trustee shall advise THDA in writing, on or before the twentieth day of each calendar month, of all investments held for the credit of each Fund in its custody under the provisions of this Resolution as of the end of the preceding month.

Section 4.6. Valuation and Sale of Investments.

(A) In computing the amount in any Fund, obligations purchased as an investment of moneys therein shall be valued at market, except that for purposes of determining the Bond Reserve Fund Requirement, Investment Securities shall be valued at amortized value. Amortized value means par, if the obligation was purchased at par, or, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation after such purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a

premium or adding the amount thus calculated for each interest payment date after such purchase to the purchase price in the case of an obligation purchased at a discount. Valuation shall be made as soon as practicable prior to each Interest Payment Date and at any other time required hereunder, and on any particular date shall not include the amount of interest then earned or accrued to such date on any investment.

(B) Except as otherwise provided herein, the Trustee shall sell at the best price obtainable, or present for redemption, any Investment Security whenever it shall be requested in writing by an Authorized Officer to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund held by it. An Investment Security may be credited on a pro-rata basis to more than one Fund and need not be sold in order to provide for the transfer of amounts from one Fund to another.

ARTICLE V

FUNDS

Section 5.1. Establishment of Funds.

(A) THDA hereby establishes and creates the following special trust funds:

- (1) Loan Fund;
- (2) Revenue Fund; and
- (3) Bond Reserve Fund.

(B) All such Funds shall be held and maintained by the Trustee and shall be identified by THDA and the Trustee according to the designations herein provided in such manner as to distinguish such Funds from the Funds established by THDA for any other of its obligations. All moneys or securities held by the Trustee pursuant to this Resolution shall be held in trust and applied only in accordance with the provisions of this Resolution and the Act.

(C) This Resolution contemplates the establishment of Subaccounts within the Funds created pursuant to this Resolution. In addition to the Subaccounts established hereunder, the Trustee may from time to time, establish, close and reestablish such additional Funds, Accounts or Subaccounts as may be requested by THDA for convenience of administration of the Program and as shall not be inconsistent with the provisions of this Resolution. Notwithstanding anything in this Resolution to the contrary, including Section 2.2 hereof, to the extent provided in a Supplemental Resolution authorizing a Series of Bonds, THDA may cause the Trustee to establish a Subaccount into which the net proceeds of such Series of Bonds shall be deposited, held, applied and invested separate and apart from all other funds on deposit hereunder and such Supplemental Resolution may provide that initial proceeds of such Bonds on deposit therein are pledged solely to certain of the Bonds of such Series.

Section 5.2. Loan Fund.

(A) There shall be deposited from time to time in the Loan Fund any amount required to be deposited therein pursuant to this Resolution and any other amounts determined to be deposited therein from time to time.

(B) Amounts in the Loan Fund shall be expended only (i) to finance Program Loans, in accordance with Section 4.2; (ii) to pay Costs of Issuance; (iii) to make deposits in the Debt Service and Expense Account, representative of capitalized interest, in the manner provided in subsection (D) of this Section; (iv) to redeem Bonds in accordance with subsection (E) of this Section; and (v) to provide amounts for deposit in the Debt Service and Expense Account in accordance with subsection (F) of this Section. All Program Loans financed by application of amounts in the Loan Fund shall be credited to the Loan Fund.

(C) THDA shall maintain accurate records in the office of THDA describing for each Program Loan the amounts applied to the financing of such Program Loan and the persons and dates related to such payments. Upon the direction by THDA to apply amounts on deposit to the financing of Program Loans an Authorized Officer shall certify that, as to the Program Loans expected to be financed (i) the terms of such Program Loans will conform to the description of the Program Loans to be financed from such amount as set forth in the most recent Projected Cash Flow Statement delivered to the Trustee and (ii) such Program Loans will comply with the provisions of Section 4.2. The

Trustee shall pay out and permit the withdrawal of amounts on deposit in the Loan Fund at any time for the purpose of making payments pursuant to this Section only upon receipt of:

(1) a written requisition setting forth the amount to be paid, the person or persons to whom such payment is to be made (which may be or include THDA) and, in reasonable detail, the purpose or purposes of such withdrawal; and

(2) a Certificate of an Authorized Officer identifying such requisition and stating that the amount to be withdrawn from the Loan Fund pursuant to such requisition is a proper charge thereon.

(D) At least one day prior to each Interest Payment Date THDA shall deliver to the Trustee a Certificate of an Authorized Officer setting forth the amount necessary, in the opinion of such Authorized Officer, to pay interest on the Bonds of each Series from the amount on deposit in the Loan Fund, after giving effect to the actual and expected application of amounts therein to the financing of Program Loans as of the date of such Certificate. Upon receipt of such Certificate the Trustee shall transfer the amount so stated for each Series to the Debt Service and Expense Account, but only to the extent that the cumulative amount of such transfers does not exceed for each Series the amount stated as necessary to be reserved in the Loan Fund for the purpose of paying capitalized interest pursuant to the Projected Cash Flow Statement delivered in connection with the delivery of such Series pursuant to subsection 7.11 plus the amount, if any, certified by an Authorized Officer as available for such purpose from amounts originally reserved in the Loan Fund for the payment of capitalized interest and Costs of Issuance with respect to other Series in excess of the amounts actually required therefor.

(E) At any time THDA may direct the Trustee in writing to transfer amounts in the Loan Fund to the Redemption Account or to apply such amounts directly to the redemption, purchase or retirement of Bonds in accordance with their terms and the provisions of Article VI.

(F) THDA may at any time direct the Trustee to transfer amounts in the Loan Fund to the Revenue Fund, but only if there is delivered to the Trustee a Projected Cash Flow Statement showing the amount to be so transferred and that, after giving effect to such transfer, such Statement complies with subsection 7.11(C).

Section 5.3. Revenue Fund.

(A) The Trustee shall establish and create within the Revenue Fund three Accounts into which amounts shall be deposited and from which amounts shall be transferred as provided in this Section. These Accounts shall be designated as the Debt Service and Expense Account, the Redemption Account and the Non-Mortgage Receipts Account. THDA shall cause all Revenues to be deposited promptly with the Trustee (at least monthly) and such amounts shall be deposited in the Debt Service and Expense Account. There shall also be deposited in the Debt Service and Expense Account any other amounts required to be deposited therein pursuant to this Resolution.

(B) The Trustee shall pay out of the Debt Service and Expense Account to the respective Paying Agents for any of the Bonds (i) on or before each Interest Payment Date, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date and (ii) on or before the Redemption Date or date of purchase, the amounts required for the payment of accrued interest on Outstanding Bonds redeemed or purchased for retirement, unless the payment of such accrued interest shall be otherwise provided for, and in each such case, such amounts shall be applied by such Paying Agents to such payments. Upon receipt of appropriate requisitions and certificates reflecting such payment in the form prescribed by subsection 5.2(C), amounts on deposit in the Debt Service and Expense Account may be applied to the payment of accrued interest in connection with the financing of any Program Loan.

(C) Prior to the forty-fifth day preceding the due date of each Sinking Fund Payment, any amount accumulated in the Debt Service and Expense Account up to the unsatisfied balance of such Sinking Fund Payment may, and if so directed in writing by an Authorized Officer of THDA shall, be applied (together with amounts accumulated in the Revenue Fund with respect to interest on the Bonds for which such Sinking Fund Payment was established) by the Trustee as follows:

(1) to the purchase of Bonds of the Series and maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price for such Bonds when such Bonds are redeemable by application of said Sinking Fund Payment plus unpaid interest

accrued to the date of purchase, such purchases to be made in such manner as the Trustee shall determine; or

(2) to the redemption, pursuant to Article VI, of such Bonds if then redeemable by their terms at the Redemption Price referred to in clause (1) hereof.

(D) Upon the purchase or redemption of any Bond pursuant to subsection (C) of this Section, an amount equal to the principal amount of the Bond so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption. The portion of any Sinking Fund Payment remaining after the crediting thereto of any such amounts and of any amounts to be credited thereto as provided in subsection (K) of this Section (or the original amount of any such Sinking Fund Payment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Payment for the purpose of calculating Sinking Fund Payments due on a future date.

(E) As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall proceed to call for redemption pursuant to Section 6.3, on such due date, Bonds of the Series and maturity for which such Sinking Fund Payment was established in such amount as shall be necessary to complete the retirement of a principal amount of the Bonds of such maturity equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Debt Service and Expense Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date. The Trustee shall pay out of the Debt Service and Expense Account to the appropriate Paying Agents on the date preceding each such Redemption Date the amount required for the redemption of the Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(F) Upon delivery by THDA to the Trustee of a Certificate of an Authorized Officer which states the amount then on deposit in the Debt Service and Expense Account, the Trustee shall promptly transfer from the Debt Service and Expense Account an amount equal to the amount stated in such Certificate as follows:

FIRST: From amounts representing principal payments on Program Loans, the amount, if any, as shall be required by the Code to be applied to the redemption of Bonds shall be transferred to the Redemption Account.

SECOND: From the amount, if any, so available after the transfer provided above has been made, the amount, if any, as shall be required to make any arbitrage rebate payment to the United States of America as required by the Code shall be transferred to THDA to be applied to such payment.

THIRD: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, by which the amount on deposit in the Bond Reserve Fund is less than the Bond Reserve Fund Requirement shall be transferred to the Bond Reserve Fund.

FOURTH: From the amount, if any, so available after the transfers provided above have been made, the amount needed to pay reasonable and necessary Program Expenses which are due and owing shall be transferred to THDA, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

FIFTH: From the amount, if any, so available after the transfers provided above have been made, the amount, if any, to be transferred to the Loan Fund shall be so transferred, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

SIXTH: From the amount, if any, so available after any transfers provided for above have been made, the remaining amount may be transferred to the Redemption Account upon the direction of THDA and thereafter applied in accordance with subsection (I) of this Section. If the amount of Program Loans (valued at par) and

Investment Securities held by the Trustee hereunder (other than Investment Securities in the Redemption Account) valued in accordance with this Resolution, is greater than 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, then the amount remaining, up to such excess above the 102% of the principal amount of all Bonds Outstanding plus the Program Loan Loss Coverage, may be withdrawn from the Debt Service and Expense Account at any time during the then current Fiscal Year, upon receipt by the Trustee of a Certificate to such effect from an Authorized Officer of THDA, to be applied to any purpose of THDA consistent with Section 7.9, free and clear of the lien of any pledge of this Resolution, provided that such transfer is in an amount less than or equal to the amount of such transfer as set forth in the most recent Projected Cash Flow Statement. The Trustee may transfer an amount greater than the amount as set forth in the most recent Projected Cash Flow Statement upon receipt of a Certificate of an Authorized Officer containing an amended Projected Cash Flow Statement that reflects such greater amount and complies with subsection 7.11(C).

(G) Notwithstanding any other provision of this Section, the Trustee may at any time, upon the written direction of an Authorized Officer, (i) make transfers from the Debt Service and Expense Account to the Bond Reserve Fund, or the Redemption Account or (ii) make payments to THDA for the purpose of paying reasonable and necessary Program Expenses for the then current Fiscal Year. No such transfer or payment shall be made, however, unless such withdrawal is in an amount less than or equal to the amount of such withdrawal as set forth in the most recent Projected Cash Flow Statement.

(H) Notwithstanding the provisions of subsection (A) of this Section, no payments shall be required to be made into the Debt Service and Expense Account so long as the amount on deposit therein shall be sufficient to pay all Outstanding Bonds (including the Sinking Fund Payments for the retirement thereof) in accordance with their terms and the Bonds have been defeased in accordance with Section 12.1 hereof; any Revenues thereafter received by THDA may be applied to any corporate purpose of THDA free and clear of the lien of the pledge of this Resolution.

(I) There shall be deposited in the Redemption Account any amounts which are required to be deposited therein pursuant to this Resolution and any other amounts available therefor and determined by THDA to be deposited therein. Subject to the provisions of the respective Series of Bonds and to the provisions of the respective Supplemental Resolutions authorizing the issuance thereof and authorizing the issuance of Refunding Bonds, all amounts deposited in the Redemption Account shall be applied to the payment, purchase or redemption of Bonds, at the earliest practicable Redemption Date. Subject to the provisions of this Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply any amounts deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in this Section and Article VI. Any earnings derived from the investment of amounts deposited in the Redemption Account pursuant to Section 2.7 shall, to the extent required to provide amounts sufficient for the payment or redemption of Bonds in accordance with the conditions for issuance of Refunding Bonds set forth in said Section, be deposited in the Redemption Account. Amounts on deposit in the Redemption Account for the payment, purchase or redemption of any particular Bonds in accordance with the provisions of any Supplemental Resolution authorizing the issuance of Refunding Bonds, including amounts derived from the investment thereof as provided in this subsection, shall be segregated and shall be identified as such on the records of the Trustee.

(J) Except as may be otherwise provided in connection with the issuance of Refunding Bonds, at any time prior to the forty-fifth day upon which Bonds are to be paid or redeemed from such amounts, the Trustee may apply amounts in the Redemption Account to the purchase of any of the Bonds which may be paid or redeemed by application of amounts on deposit therein. THDA may, however, by delivery to the Trustee of written instructions to such effect signed by an Authorized Officer, require or prohibit such purchases in the discretion of THDA. The Trustee shall purchase Bonds at such times, for such prices, in such amounts and in such manner as THDA shall from time to time direct or, in the absence of such direction, as the Trustee may determine in its sole discretion and as may be possible with the amounts then available therefor. The purchase price paid by the Trustee (excluding accrued interest but including any brokerage and other charges) for any Bond purchased shall not exceed the principal amount of such Bond unless such Bond may be redeemed in accordance with this Resolution on any date or dates within thirteen months after such purchase, in which event such purchase price shall not exceed the highest Redemption Price payable on any such date upon the redemption of such Bond. In the event the Trustee is able to purchase Bonds at a price less than the Redemption Price at which such Bonds were to be redeemed, then, upon the payment by the Trustee of the purchase price of such Bonds, the Trustee shall transfer the difference between the amount of such purchase price and the amount of such Redemption Price, and deposit the same in the Debt Service and Expense Account within the Revenue Fund.

(K) Upon the purchase or redemption of Bonds for which Sinking Fund Payments have been established from amounts in the Redemption Account, there shall be credited toward each such Sinking Fund Payment thereafter to become due an amount as nearly as may be practicable in multiples of \$5,000 (or such other denomination as shall be authorized for the related Series of Bonds) bearing the same ratio to such Sinking Fund Payment, as the total principal amount of such Bond so purchased or redeemed bears to the total amount of all such Sinking Fund Payments to be credited. If, however, there shall be filed with the Trustee written instructions of an Authorized Officer specifying a different method for crediting Sinking Fund Payments upon any such purchase or redemption of Bonds, then such Sinking Fund Payments shall be credited as shall be provided in such instructions.

(L) Except as otherwise specifically provided herein, the Trustee shall have no obligation to purchase or attempt to purchase Bonds at a price below the Redemption Price or at any other price and any arm's length purchase by the Trustee shall conclusively be deemed fair and reasonable.

(M) All Non-Mortgage Receipts shall be deposited, promptly upon receipt by the Trustee, in the Non-Mortgage Receipts Account. The Trustee shall maintain records sufficient to determine the average daily balance of the amounts on deposit in the Loan Fund and the Bond Reserve Fund and the Debt Service and Expense Account and Redemption Account in the Revenue Fund (referred to in this Section as the "average daily balance"). If so directed by THDA, the Trustee shall maintain such for each Series of Bonds separately.

(N) Not later than each Interest Payment Date, the Trustee shall transfer from the Non-Mortgage Receipts Account to the Debt Service and Expense Account an amount equal to the lesser of (i) the amount needed to enable the Trustee to pay Debt Service on the Bonds on such Interest Payment Date and (ii) the balance then on deposit in the Non-Mortgage Receipts Account. If at any time the amount available prior to any Interest Payment Date shall be insufficient for the making of the transfers provided by this Subsection, then the Trustee shall make transfers to the Debt Service and Expense Account from the Non-Mortgage Receipts Account from the first available Non-Mortgage Receipts received subsequent to such Interest Payment Date and the amount so transferred shall not reduce the amount required to be transferred prior to the next Interest Payment Date.

(O) Any amount remaining in the Non-Mortgage Receipts Account after the transfer to the Debt Service and Expense Account described in paragraph (N) above shall be transferred, at the direction of an Authorized Officer, to the Loan Fund or the Redemption Account.

Section 5.4. Bond Reserve Fund.

(A) If on any Interest Payment Date or Redemption Date for the Bonds the amount in the Revenue Fund and the Redemption Fund, if applicable, shall be less than the amount required for the payment of the Principal Installments and interest due on the Outstanding Bonds on such date, the Trustee shall apply amounts from the Bond Reserve Fund to the extent necessary to make good the deficiency.

(B) If, concurrently with any allocation from the Revenue Fund pursuant to subsection (B) or (F) or (G) of Section 5.3, the amount on deposit in the Bond Reserve Fund, shall be in excess of the Bond Reserve Fund Requirement, the Trustee may, if so directed in writing by an Authorized Officer of THDA, transfer the amount of such excess to the Redemption Account.

(C) Whenever the amount in the Bond Reserve Fund, together with the amount in the Revenue Fund, is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including the Sinking Fund Payments for the retirement thereof), amounts on deposit in the Revenue Fund shall be transferred to the Bond Reserve Fund. Prior to said transfer all investments held in the Revenue Fund shall be liquidated and any Bonds constituting a part of such Fund shall be deemed paid and cancelled.

(D) It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.1. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity shall be redeemable, upon notice as provided in this Article, at such times, at such Redemption Prices and upon such other terms as may be specified in this Resolution, in the Bonds and in the respective Supplemental Resolutions authorizing the issuance of such Bonds and authorizing the issuance of Refunding Bonds.

Section 6.2. Redemption at the Election or Direction of THDA; Conditional Notice. In the case of any redemption of Bonds otherwise than as provided in Section 6.3, THDA shall give written notice to the Trustee of its election or direction so to redeem, on the Redemption Date, the principal amounts of the Bonds of such Series and maturities to be redeemed (which Redemption Date, Series, maturities and principal amounts thereof to be redeemed shall be determined by THDA in its sole discretion, subject to any limitations with respect thereto as may be provided in a Supplemental Resolution or otherwise contained in or permitted by this Resolution) and of any moneys to be applied to the payment of the Redemption Price. Such notice shall be given at least forty-five days prior to the Redemption Date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 6.5, the Trustee, if it holds the moneys to be applied to the payment of the Redemption Price, or otherwise THDA shall, prior to the Redemption Date, pay to the appropriate Paying Agent or Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agent or Paying Agents, will be sufficient to redeem on the Redemption Date at the Redemption Price thereof all the Bonds to be redeemed; provided, however, that any election or direction to redeem Bonds may be conditional, and THDA may elect or direct that any notice of redemption given pursuant to Section 6.5 shall be made conditional, upon the deposit with the Paying Agent of such sufficient moneys or other conditions. THDA shall promptly notify the Trustee in writing of all such payments made by THDA to a Paying Agent.

Section 6.3. Redemption Otherwise Than at THDA's Election or Direction. Whenever by the terms of this Resolution, the Trustee is required to redeem Bonds otherwise than at the election or direction of THDA, and subject to and in accordance with the terms of this Article and, to the extent applicable, Article V, the Trustee shall select the Redemption Date of the Bonds to be redeemed, give the notice of redemption and pay the Redemption Price to the appropriate Paying Agents.

Section 6.4. Selection of Bonds to be Redeemed. In the event of redemption of less than all the Outstanding Bonds of like Series, interest rate and maturity, the Trustee shall assign to each such Outstanding fully registered Bond a distinctive number for each \$5,000 of the principal amount thereof so as to distinguish each such \$5,000 from each other portion of the Bonds subject to such redemption. The Trustee shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds bearing the numbers so selected; but only so much of the principal amount of each such fully registered Bond of a denomination or more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding. In the case of Appreciation Bonds, in the event that the Compounded Amount of any such Bond shall be less than \$5,000, the Trustee shall assign a number to such Bond as if the Bond had a principal amount equal to \$5,000 for purposes of this Section. If a Supplemental Resolution provides for a minimum denomination larger (or smaller) than \$5,000, all references in this Section to \$5,000 shall be deemed to refer to such larger (or smaller) minimum denomination. Notwithstanding the foregoing, Bonds that are held by a Central Securities Depository (or beneficial ownership interests in Bonds registered in the name of a Central Securities Depository or its nominee) shall be selected for redemption in accordance with the operational arrangements of such Central Securities Depository.

Section 6.5. Notice of Redemption. When the Trustee shall receive notice from THDA of its election or direction to redeem Bonds pursuant to Section 6.2 and when redemption of Bonds is required by this Resolution pursuant to Section 6.3, the Trustee shall give notice, in the name of THDA, of the redemption of such Bonds. Such notice shall specify the complete official name, the Series (and subseries, if applicable), the maturities, the interest rate, and the CUSIP number of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at such place(s)) and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. In addition, if the notice of redemption is conditional, the notice shall set forth in summary terms, the conditions precedent to such redemption and

that if such conditions shall not have been satisfied on or prior to the redemption date, said notice shall be of no force and effect and such Bonds shall not be redeemed. Such notice shall further state that, assuming the due satisfaction of all conditions precedent to the redemption, if any, on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail such notice, postage prepaid, not less than twenty days (or in such manner or such shorter period as required by the operational arrangements of the Central Securities Depository if all Bonds are registered with a single Central Securities Depository as provided in Section 3.7 hereof) and not more than sixty days before the Redemption Date to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but receipt of such notice shall not be a condition precedent to such redemption and failure of a Bondholder to receive such notice shall not affect the validity of the proceedings for the redemption of other Bonds.

Section 6.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 6.5 and assuming that all conditions precedent have been satisfied, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, together with, in the case of portions of Bonds, a written instrument of exchange duly executed by the registered owner or his duly authorized attorney. If there shall be drawn for redemption less than the entire principal amount of a Bond, THDA shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered at the option of the holder, Bonds of like Series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then, from and after the Redemption Date interest on the Bonds or portions thereof of such Series and maturities so called for redemption shall cease to accrue and become payable.

If any notice of redemption pursuant to Section 6.5 is given specifying that the redemption of the Bonds so called for redemption is made conditional upon the deposit of sufficient moneys to pay the Redemption Price therefor on the Redemption Date and if such moneys sufficient to pay the Redemption Price and accrued interest have not been made available by THDA to the Trustee or the appropriate Paying Agent or Paying Agents on the Redemption Date, such notice of redemption shall be cancelled and be without effect and the Bonds so called for redemption and subject to such conditional redemption notice shall continue to remain Outstanding. The Trustee shall, within two business days after the proposed Redemption Date, give notice, in the manner in which the notice of redemption was given, that such conditions were not satisfied.

ARTICLE VII PARTICULAR COVENANTS

THDA covenants and agrees with the Trustee and the holders of the Bonds as follows:

Section 7.1. Performance. THDA shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of THDA under the provisions of the Act and this Resolution in accordance with the terms of such provisions.

Section 7.2. Compliance With Conditions Precedent. The assets and revenues so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon, or with respect thereto prior to, or of equal rank with, the pledge created hereby, and all corporate or other action on the part of THDA to that end has been and will be duly and validly taken. The Bonds and the provisions

of this Resolution are and will be the valid and legally enforceable obligations of THDA in accordance with their terms and the terms of this Resolution. Section 7.4. Payment of Bonds. Section 7.5. Extension of Payment of Bonds. THDA shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any interest thereon and in the event that the maturity of any of the Bonds or the time for payment of interest thereon shall be extended, such Bonds, shall not be entitled to the benefit of this Resolution or to any payment out of the Funds established pursuant to this Resolution, including the investments, if any, thereof, or out of any assets or revenues pledged hereunder prior to benefits accorded to or the payment of the principal of all Bonds the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extension. Nothing herein shall be deemed to limit the right of THDA to issue Refunding Bonds and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 7.6. Offices for Servicing Bonds. THDA shall at all times maintain an office or agency where Bonds may be presented for registration, transfer or exchange, and where notices, presentations and demands upon THDA in respect of the Bonds or of this Resolution may be served. The Trustee shall maintain such office or agency for the registration, transfer or exchange of Bonds and for the service of such notices, presentations and demands upon THDA. THDA may appoint one or more additional or other Paying Agents as its respective agents to maintain such offices or agencies for the payment of the Bonds of any particular Series and maturity.

Section 7.7. Further Assurance. At any and all times THDA shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and assets hereby pledged or assigned, or intended so to be, or which THDA may become bound to pledge or assign.

Section 7.8. Waiver of Laws. THDA shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of any stay or extension of law not or at any time hereafter in force which may affect the covenants and agreements contained in this Resolution or in the Bonds and all benefit or advantage of any such law or laws is hereby expressly waived by THDA.

Section 7.9. Tax Covenants.

(A) Subject to subsection (C) of this Section, THDA shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the Bonds shall, for the purposes of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation.

(B) THDA shall not permit at any time or times any of the proceeds of the Bonds or any other funds of THDA to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 148(a) of the Code.

(C) Notwithstanding the foregoing, THDA hereby reserves right to elect to issue Bonds the interest on which is not exempt from federal income taxation, if such election is made prior to the issuance of such Bonds, and the covenants contained in this Section shall not apply to such Bonds.

Section 7.10. Accounts and Reports.

(A) THDA shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all of its transactions relating to the Program Loans and all Funds established by this Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the holders of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) THDA shall annually, within 210 days after the close of each Fiscal Year, file with the Trustee a copy of the financial statements of THDA for such Fiscal Year, setting forth in reasonable detail:

(1) the balance sheet for THDA and its programs, showing the assets and liabilities of the Program at the end of such Fiscal Year;

(2) a statement of THDA's revenues and expenses in accordance with the categories or classifications established by THDA for its operating and program purposes and showing the revenues and expenses of the Program during such Fiscal Year; and

(3) a statement of changes in financial position, including changes in financial position of the Program, as of the end of such Fiscal Year.

The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of THDA at the end of the Fiscal Year, the results of its operations and the changes in financial position for the period examined, in conformity with generally accepted accounting principles.

(C) If at any time during any Fiscal Year there shall have occurred an Event of Default, then THDA shall file with the Trustee, within forty-five days after the close of such Fiscal Year, a special report accompanied by an Accountant's Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Fund hereunder.

(D) Any such financial statements may be presented on a consolidated or combined basis with other reports of THDA, but only to the extent that such basis of reporting shall be consistent with that required under subsection (B) of this Section.

(E) A copy of each annual Projected Cash Flow Statement prepared in accordance with Section 7.11 hereof and any special report filed pursuant to subsection (C) of this Section and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by THDA to each Bondholder who shall have filed his name and address with THDA for such purposes.

Section 7.11. Periodic Delivery of Projected Cash Flow Statement.

(A) THDA shall file a Projected Cash Flow Statement with the Trustee (i) whenever Bonds are issued pursuant to Section 2.6, (ii) on or within thirty (30) days after THDA's filing of its financial statements as provided in Section 7.10(B), if a Projected Cash Flow Statement has not been filed within the prior year and (iii) at such other times as required by this Resolution or as may be required by a Supplemental Resolution.

(B) A Projected Cash Flow Statement shall set forth projected Revenues, Program Expenses and interest payments and Principal Installments for each year during which Bonds will be Outstanding based upon the reasonable expectations of THDA at the time such Certificate is filed. A Projected Cash Flow Statement shall set forth the assumptions upon which the estimates therein are based, which assumptions shall be based upon THDA's reasonable expectations at the time such Projected Cash Flow Statement is filed. The listing of Revenues from Program Loans and Investment Securities shall be supported by a schedule identifying the Program Loans and Investment Securities by maturity and interest rate, including Program Loans expected to be financed with amounts in the Loan Fund.

(C) A Projected Cash Flow Statement shall be considered to comply with this subsection if such Statement shows that (i) the estimated Revenues for each annual period in which Bonds will be Outstanding, together with any amount scheduled to be withdrawn from the Bond Reserve Fund (and permitted to be so withdrawn pursuant to this Resolution), will be sufficient for the payment of the estimated Debt Service and Program Expenses for such annual period, and (ii) the total assets (consisting of cash and investments, valued as provided herein, and the principal balance of Program Loans) held hereunder equal to or exceed the total liabilities of all Bonds Outstanding hereunder for each such annual period.

Section 7.12. The Program.

(A) THDA shall from time to time with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of this Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the Program,

(B) Whenever necessary in order to protect and enforce the interests and security of the holders of the Bonds, THDA shall commence foreclosure or pursue other appropriate remedies with respect to any Program Loan which is in default. In the event that THDA shall, in its discretion, determine such action to be in the best interests of the holders of the Bonds, THDA may bid for and purchase the premises covered by any such Program Loan at any foreclosure sale thereof and may otherwise take possession of or acquire such premises.

(C) THDA may at any time sell, assign or otherwise dispose of a Program Loan (or the premises to which such Program Loan related) or a Program Security:

(1) in the case of a Program Loan, in the event that payment under such Program Loan is delinquent more than ninety days or, at any time, in order to realize the benefits of insurance with respect to such Program Loan or premises;

(2) in order to obtain funds to provide for the redemption or purchase of an amount of Bonds the debt service on which is equivalent to the payments on the Program Loan; or

(3) a Projected Cash Flow Statement shall be filed with the Trustee which gives effect to the proposed sale thereof and complies with the conditions set forth in subsection 7.11(C).

Section 7.13. Personnel and Servicing of Programs.

(A) THDA shall at all times appoint, retain and employ competent personnel for the purpose of carrying out its respective programs under the Act and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by THDA shall be qualified for their respective positions.

(B) THDA may pay to any agency, municipality, political subdivision or governmental instrumentality of the State such amounts as are necessary to reimburse such agency, municipality, political subdivision or governmental instrumentality of the State for the reasonable costs of any services performed for THDA.

(C) THDA shall duly and properly service all Program Loans and enforce the payment and collection of all payments of principal and interest and all Escrow Payments or shall cause such servicing and/or enforcing to be done by a servicer evidencing, in the judgment of THDA, the capability and experience necessary to adequately service Program Loans. Each such servicer shall enter into a servicing agreement providing that:

(1) all amounts received by such servicer, except as compensation for its services, shall be promptly transferred to the Trustee subject to and in accordance with the provisions of this Resolution;

(2) such servicer shall at all times remain qualified to act as such pursuant to such standards as THDA shall prescribe from time to time and shall determine to be reasonable to maintain the security for the Bonds;

(3) such servicer shall agree to maintain servicing facilities that are staffed with trained personnel to adequately service Program Loans in accordance with standards normally employed by private institutional mortgage investors, as determined in THDA's sole discretion, and shall maintain individual files for each Program Loan serviced pursuant to the servicing agreement and provide regular reports to THDA as to collections and delinquencies with respect to all Program Loans serviced by such servicer.

Section 7.14. Issuance of Additional Obligations.

(A) THDA shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which, except as provided in Section 5.1(C) hereof, will be secured by a superior or equal charge and lien on the revenues and assets pledged hereunder, except that additional Series of Bonds may be issued from time to time subsequent to the issuance of the initial Series of Bonds under this Resolution on a parity with the Bonds of such initial Series of Bonds and secured, except as provided in Section 5.1(C) hereof, by an equal charge and lien on the revenues and assets pledged hereunder and payable equally therefrom for one or more of the purposes set forth in Section 2.4.

(B) No additional Series of Bonds shall be issued subsequent to the issuance of the initial Series of Bonds under this Resolution unless an Authorized Officer shall have certified that:

(1) the principal amount of the additional Bonds then to be issued, together with the principal amount of the Bonds, notes and other obligations theretofore issued pursuant to the Act, will not exceed in aggregate principal amount any limitation thereon imposed by law;

(2) upon the issuance and delivery of such additional Bonds, the amount credited to the Bond Reserve Fund is at least equal to the Bond Reserve Fund Requirement, as valued not more than five (5) Business Days prior to the date of issuance of such additional Bonds;

(3) the provisions of Section 2.6 or, in the case of Refunding Bonds, Section 2.7 shall have been complied with as of the date of delivery of such Series;

(4) except in the case of Refunding Bonds, at the time of issuance of such additional Bonds, THDA shall not be in default in the performance of any of the covenants, conditions, agreements or provisions contained in this Resolution; and

(5) upon the issuance of such Series and application of the proceeds thereof in accordance with Article IV hereof, the amount of Program Loans and Investment Securities credited to all Funds and Accounts hereunder, other than the Redemption Account, when valued in accordance with this Resolution, will be equal to the principal amount of Outstanding Bonds, including the Bonds thereupon being issued.

(C) THDA hereby expressly reserves the right to enter into or adopt one or more additional indentures or resolutions for its purposes, including the purposes of the Program, and reserves the right to issue other obligations for such purposes.

Section 7.15. Bond Reserve Fund.

(A) THDA shall at all times maintain the Bond Reserve Fund created and established by Section 5.1 and do and perform or cause to be done and performed each and every act and thing with respect to the Bond Reserve Fund provided to be done or performed by or on behalf of THDA or the Trustee or the Paying Agents under the terms and provisions of Article V hereof. It is hereby expressly provided that the Bond Reserve Fund shall not constitute a "debt service reserve fund" within the meaning of Section 13-23-122(a) of the Act or any similar successor provision and there shall be no obligation, moral or otherwise, on the part of the State to apportion any funds to maintain the Bond Reserve Fund.

(B) Notwithstanding any other provisions of this Resolution the Trustee shall not permit amounts to be withdrawn from the Bond Reserve Fund other than pursuant to subsection 5.4(A) unless there shall have been filed with the Trustee a Certificate of an Authorized Officer stating that such amounts are not required to be retained therein to provide funds for the payment of Principal Installments or interest on Outstanding Bonds when due.

Section 7.16. Assignment of Program Loans Upon Default. Upon the happening of an Event of Default specified in Section 10.2 and at the written request of the Trustee or of the holders of not less than 25% in principal amount of the Outstanding Bonds, THDA shall deliver the Program Loans to the Trustee and take any other steps requested by the Trustee or such Bondholders in order to further effectuate the assignment of all of the Program Loans to the Trustee. If, however, the Trustee and the Bondholders are restored to their positions in accordance with Section 10.4, the Trustee shall assign such Program Loans back to THDA.

ARTICLE VIII
SUPPLEMENTAL RESOLUTIONS

Section 8.1. Supplemental Resolutions Effective Upon Filing With the Trustee. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of THDA may be adopted, which, upon the filing with the Trustee of a copy thereof certified by an Authorized Officer, shall be fully effective in accordance with its terms:

- (1) to close this Resolution against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Resolution on the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;

(D) No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

Section 9.2. Powers of Amendment. Any modification of or amendment to this Resolution and of the rights and obligations of THDA and of the holders of the Bonds hereunder, in any particular, may be made by a Supplemental Resolution, but only, in the event such Supplemental Resolution shall be adopted pursuant to Section 8.3, with the written consent given as provided in Section 9.3, (i) of the holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the holders of at least two-thirds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the holders of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given. If any such modification or amendment will not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, however, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its

written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Resolution if the same adversely affects or diminishes the rights of the holders of Bonds of such Series. The Trustee may in its sole discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on THDA and all holders of Bonds.

Section 9.3. Consent of Bondholders.

(A) A copy of any Supplemental Resolution making a modification or amendment which is not permitted by the provisions of Section 8.1 or 8.2 (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed, by first class mail postage prepaid, by THDA to the holders of any registered Bond. Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of holders of the percentages of Outstanding Bonds specified in Section 9.2 and (b) a Bond Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted by THDA in accordance with the provisions of this Resolution, is authorized or permitted hereby and is valid and binding upon THDA and enforceable in accordance with its terms.

(B) The consent of a Bondholder to any modification or amendment shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.14. A Certificate by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with such Section 11.14 shall be conclusive that the consents have been given by the holders of the Bonds described in such Certificate of the Trustee. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof) unless such consent is revoked in writing by the holder of such Bonds giving such consent or a subsequent holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 11.14. The fact that a consent has not been revoked may likewise be proved by a Certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee.

(C) At any time after the holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with THDA and the Trustee a written statement that the holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by THDA on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required percentages of Bonds and will be effective as provided in this Section shall be given to Bondholders by THDA by mailing such notice to the Bondholders, first class mail, postage prepaid, (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as provided in this Section). THDA shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon THDA, the Fiduciaries and the holders of all Bonds at the expiration of forty days after the filing with the Trustee of the proof of the first mailing of the notice of such consent, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty day period, except that any Fiduciary and THDA during such forty day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 9.4. Modifications by Unanimous Consent. The terms and provisions of this Resolution and the rights and obligations of THDA and of the holders of the Bonds hereunder may be modified or amended in any respect upon the adoption and filing by THDA of a Supplemental Resolution and the consent of the holders of all the Bonds then Outstanding, such consent to be given as provided in Section 9.3, but no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders. No notice of any such modification or amendment to Bondholders either by mailing or publication shall be required.

Section 9.5. Exclusion of Bonds. Bonds owned or held by or for the account of THDA shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and THDA shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, THDA shall furnish the Trustee a Certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.6. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as provided in Article VIII or this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by THDA and the Trustee as to such action, and in that case upon demand of the holder of any Outstanding Bond at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If THDA or the Trustee shall so determine, new Bonds modified to conform to such action in the opinion of the Trustee and THDA shall be prepared, executed, authenticated and delivered, and upon demand of the holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity, then Outstanding, upon surrender of such Bonds. All Bonds surrendered in such an exchange shall be cancelled by the Trustee.

ARTICLE X

DEFAULTS AND REMEDIES

Section 10.1. Events of Default. Each of the following events is hereby declared an "Event of Default":

(1) payment of the principal of or Redemption Price, if any, on any Bond when and as the same shall become due, whether at maturity or upon call for redemption or otherwise shall not be made when and as the same shall become due; or

(2) payment of any installment of interest on any of the Bonds shall not be made within thirty days after the same shall become due; or

(3) THDA shall fail or refuse to comply with the provisions of this Resolution, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in any Supplemental Resolution or the Bonds, and such failure, refusal or default shall continue for a period of forty-five days after written notice thereof by the Trustee or the holders of not less than 5% in principal amount of the Outstanding Bonds.

Section 10.2. Remedies.

(A) Upon the happening and continuance of any Event of Default specified in paragraphs (1) and (2) of Section 10.1 the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in paragraph (3) of Section 10.1 the Trustee may proceed, and upon the written request of the holders of not less than 25% in principal amount of the Outstanding Bonds (75% with respect to acceleration of the Bonds pursuant to clause (5) below) shall proceed, in its own name, subject to the provisions of Section 11.3, to protect and enforce the rights of the Bondholders by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including the right to require THDA to receive and collect Revenues and Non-Mortgage Receipts adequate to carry out the covenants and agreements as to, and the assignment of, the Program Loans and to require THDA to carry out any other covenants or agreements with Bondholders and to perform its duties under the Act;

(2) by bringing suit upon the Bonds;

(3) by action or suit in equity, to require THDA to account as if it were the trustee of an express trust for holders of the Bonds;

(4) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds;

(5) by declaring all Bonds due and payable, and if all defaults shall be cured, then, with the written consent of the holders of not less than 25% in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(6) in the event that all Bonds are declared due and payable, by selling Program Loans and Investment Securities.

(B) In the enforcement of any rights and remedies under this Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due and unpaid from THDA for principal, Redemption Price, interest or otherwise, under any provisions of this Resolution or a Supplemental Resolution or of the Bonds, with interest on overdue payments at the rate of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings thereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce a judgment or decree against THDA for any portion of such amounts remaining unpaid, with interest, costs and expenses (including without limitation pre-trial, trial and appellate attorney fees), and to collect from any moneys available for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(C) Upon the occurrence of any Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Resolution, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Revenues and Non-Mortgage Receipts and of the assets of THDA relating to the Program, pending such proceedings, with such powers as the court making such appointment shall confer.

(D) Except upon the occurrence and during the continuance of an Event of Default hereunder, THDA hereby expressly reserves and retains the privilege to receive and, subject to the terms and provisions of this Resolution, to keep or dispose of, claim, bring suit upon or otherwise exercise, enforce or realize upon its rights and interest in and to the Program Loans and the proceeds and collections therefrom, and neither the Trustee nor any Bondholder shall in any manner be or be deemed to be an indispensable party to the exercise of any such privilege, claim or suit.

Section 10.3. Priority of Payments After Default.

(A) In the event that upon the happening and continuance of any Event of Default the funds held by the Trustee and Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and this Article, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the holders of the Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under this Resolution, shall be applied, subject to Section 10.11, hereof as follows:

(1) Unless the principal of all of the Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds shall become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of

principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(B) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatsoever to THDA, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 10.4. Termination of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case THDA, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 10.5. Bondholders' Direction of Proceedings. Anything in this Resolution to the contrary notwithstanding, the holders of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Resolution, and that the Trustee shall have the right to decline to follow such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction

Section 10.6. Limitation on Rights of Bondholders.

(A) No holder of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law hereunder, or for the protection or enforcement of any right under this Resolution unless such holder shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the holders of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under this Resolution or for any other remedy hereunder or by law. It is understood and intended that no one or more holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder or under law with respect to the Bonds or this Resolution, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of the Outstanding Bonds. Nothing contained in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on his Bonds, or the obligation of THDA to pay the principal of and interest on each Bond issued hereunder to the holder thereof at the time and place in said Bond expressed.

(B) Anything to the contrary notwithstanding contained in this Section, or any other provision of this Resolution, each holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Resolution or any Supplemental Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party

litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs including reasonable pre-trial, trial and appellate attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least 25% in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of any Bond on or after the respective due date thereof expressed in such Bond.

Section 10.7. Possession of Bonds by Trustee Not Required. All rights of action under this Resolution or under any of the Bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the holders of such Bonds, subject to the provisions of this Resolution.

Section 10.8. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 10.9. No Waiver of Default. No delay or omission of the Trustee or of any holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein and every power and remedy given by this Resolution to the Trustee and the holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 10.10. Notice of Event of Default. The Trustee shall give to the Bondholders notice of each Event of Default hereunder known to the Trustee within ninety days after actual knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided, that, except in the case of default in the payment of the principal or of Redemption Price, if any, or interest on any of the Bonds, or in the making of any payment required to be made into the Loan Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Bondholders. Each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof: (i) to all registered holders of Bonds, as the names and addresses of such holders appear upon the books for registration and transfer of Bonds as kept by the Trustee and, (ii) to such other persons as is required by law.

ARTICLE XI CONCERNING THE FIDUCIARIES

Section 11.1. Appointment and Acceptance of Duties of Trustee.

(A) The Bond Finance Committee of THDA has been delegated the responsibility for choosing the initial Trustee pursuant to this Resolution. The Trustee shall signify its acceptance of the duties and obligations of the Trustee by executing a written acceptance of its obligations under this Resolution.

(B) The Trustee is hereby vested with all of the rights, powers and duties of a Trustee permitted to be appointed by Bondholders pursuant to the Act and the right of Bondholders to appoint a trustee pursuant to the Act is hereby abrogated as permitted by the Act.

Section 11.2. Appointment and Acceptance of Duties of Paying Agents.

(A) THDA shall appoint one or more Paying Agents for the Bonds of each Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 11.13 for a successor Paying Agent. The Trustee is hereby appointed as a Paying Agent.

(B) Each Paying Agent (other than the Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by a written instrument of acceptance executed and delivered to THDA and the Trustee.

(C) The principal or corporate trust offices of the Paying Agents are hereby designated as the respective agencies of THDA for the payment of the Bonds.

Section 11.3. Responsibility of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of THDA and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or in respect of the security afforded by this Resolution, and no Fiduciary shall incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representations contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof or the application of any moneys paid to THDA. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any one of the others.

Section 11.4. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may be of counsel to THDA, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any Fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate signed by an Authorized Officer, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Resolution upon the faith thereof, but in its sole discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Neither the Trustee nor any successor Trustee shall be liable to THDA, the holders of any of the Bonds or any other person for any act or omission done or omitted to be done by such Trustee in reliance upon any instruction, direction or certification received by the Trustee pursuant to this Resolution or for any act or omission done or omitted in good faith and without willful or reckless misconduct. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by THDA to any Fiduciary shall be sufficiently executed if executed in the name of THDA by an Authorized Officer.

Section 11.5. Compensation. THDA shall pay to each Fiduciary from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees (whether or not litigation ensued and, if so, fees on trial and any appeal therefrom) and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and each Fiduciary shall have a lien therefor on any and all funds at any time held by it under this Resolution. THDA further agrees to indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default.

Section 11.6. Permitted Acts and Functions. Any Fiduciary may become the owner of any Bonds issued hereunder with the same rights it would have if it were not a Fiduciary. Any Fiduciary may permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Bonds then Outstanding. Any Fiduciary may participate as a lender under the Program and may sell Program Loans to THDA. Except as otherwise provided by THDA, no Fiduciary may act as an underwriter with respect to the issuance of any Bonds.

Section 11.7. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty days' written notice to THDA, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 11.9, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 11.8. Removal of Trustee. The Trustee shall be removed by THDA if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and THDA and signed by the holders of a majority

in principal amount of the Bonds then Outstanding or their attorney-in-fact duly authorized, excluding any Bonds held by or for the account of THDA. THDA may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of THDA by filing with the Trustee an instrument signed by an Authorized Officer.

Section 11.9. Appointment of Successor Trustee.

(A) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, THDA covenants and agrees that it will thereupon appoint a successor Trustee.

(B) If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five days after the Trustee shall have given to THDA written notice, as provided in Section 11.7, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a trust company or bank having the powers of a trust company within or outside the State, having a capital, surplus and undivided profits aggregating at least \$100,000,000 if there be such a trust company or bank willing and able to accept the office on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

Section 11.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to THDA, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the request of THDA, or of its successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from THDA be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by THDA. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee. Upon the effectiveness of the resignation or removal of the Trustee, such Trustee's authority to act pursuant to this Resolution shall terminate and such Trustee shall have no further responsibility or liability whatsoever for performance of this Resolution as Trustee.

Section 11.11. Merger, Consolidation or Sale. Any company into which any Fiduciary or its trust department may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to such Fiduciary under Section 11.9 or Section 11.13 and shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 11.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Resolution provided that the certificate of authentication of the Trustee shall have.

Section 11.13. Resignation or Removal of the Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty days' written notice to THDA and Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent, and the Trustee and signed by an Authorized Officer. Any successor Paying Agent shall be appointed by THDA and (subject to the requirements of Section 7.6) shall be a trust company or bank having the powers of a trust company, having a capital and surplus aggregating at least \$25,000,000, and willing and able to accept the office of Paying Agent, on reasonable and customary terms acceptable to THDA and authorized by law to perform all the duties imposed upon it by this Resolution.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed.

Section 11.14. Evidence of Signatures of Bondholders and Ownership of Bonds.

(A) Any request, consent or other instrument which this Resolution may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of this Resolution (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its sole discretion require further or other proof in cases where it deems the same desirable:

(1) the fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the Certificate, which need not be acknowledged or verified, of an officer of a bank or trust company, financial institution or other member of the National Association of Securities Dealers, Inc. satisfactory to the Trustee, or of any notary public or other officer authorized to take acknowledgements of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary; and

(2) the amount of Bonds transferable by delivery held by any person executing such request or other instrument as a Bondholder, and the numbers and other identification thereof, and the date of his holding such Bonds, may be proved by a Certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by an officer of a trust company, bank, financial institution or other depository or member of the National Association of Securities Dealers, Inc. wherever situated, showing that at the date therein mentioned such person exhibited to such officer or had on deposit with such depository the Bonds described in such Certificate. Continued ownership after the date stated in such Certificate may be proved by the presentation of such Certificate if the Certificate contains a statement by such officer that the depository held the Bonds therein referred to on the date of the Certificate and that they will not be surrendered without the surrender of the Certificate to the depository, except with the consent of the Trustee, and a Certificate of the Trustee, which need not be acknowledged or verified, that such consent has not been given.

(B) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(C) Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by THDA or any Fiduciary in accordance therewith.

Section 11.15. Preservation and Inspection of Documents. All documents received by a Fiduciary under the provisions of this Resolution or any Supplemental Resolution (or microfilm, microcard or similar photographic or scanned reproduction thereof) shall be retained in its possession and shall be subject at all reasonable times to the inspection of THDA, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

ARTICLE XII
DEFEASANCE
MISCELLANEOUS PROVISIONS

Section 12.1. Defeasance.

(A) If THDA shall pay or cause to be paid to the holders of the Bonds, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of any Revenues and other moneys, securities, funds and property hereby pledged and all other rights granted hereby shall be discharged and satisfied. In such event, the Trustee shall, upon the request of THDA, execute and deliver to THDA all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to THDA all moneys or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption. If THDA shall pay or cause to be paid, or there shall otherwise be paid, to the holders of any Outstanding Bonds of a particular Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, such Bonds shall cease to be entitled to any lien, benefit or security hereunder and all covenants, agreements and obligations of THDA to the holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(B) Bonds and interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Fiduciaries (through deposit by THDA of funds for such payment or redemption or otherwise) shall, at the maturity or upon the date upon which such Bonds have been duly called for redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section. Outstanding Bonds of any Series shall, prior to the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this Section if (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, THDA shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article VI notice of redemption on said date of such Bonds, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if any, of and interest due and to become due on such Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be, and (iii) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty days, THDA shall have given the Trustee in form satisfactory to it irrevocable instructions to mail a notice to the holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the principal or Redemption Price, if any, on such Bonds. Neither Investment Securities or moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if any, of and interest on such Bonds; but any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if any, and interest to become due on such Bonds on and prior to such Redemption Date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to THDA, as received by the Trustee, free and clear of any trust, lien or pledge. For the purposes of this Section, Investment Securities mean and include only direct and general obligations of the State or obligations guaranteed by the State or such obligations as are described in clause (1) of the definition of Investment Securities herein.

(C) If, through the deposit of moneys by THDA or otherwise, the Fiduciaries shall hold, pursuant to this Resolution, moneys sufficient to pay the principal and interest to maturity on all Outstanding Bonds, or in the case of Bonds in respect of which THDA shall have taken all action necessary to redeem prior to maturity, sufficient to pay the Redemption Price and interest to such Redemption Date, then at the request of THDA all moneys held by any Paying Agent shall be paid over to the Trustee and, together with other moneys held by it hereunder, shall be held by the Trustee for the payment or the redemption of such Outstanding Bonds. If all or a portion of the moneys made available to pay the principal of and interest on Outstanding Bonds at maturity or prior redemption shall have been derived from the issuance of refunding obligations of THDA, upon the written direction of THDA, the Fiduciaries shall reallocate or transfer all moneys, securities, Program Loans or Program Securities as shall be required by operation of the transferred proceeds provisions of the Code.

(D) Anything in this Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of the principal of or interest on any Bonds which remain unclaimed for five years (or such other period of time required by abandoned property laws of the State) after the date when all of such principal or interest, as the case may be, have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for five years (or such other period of time required by abandoned property laws of the State) after the date of deposit of such moneys if deposited with the Fiduciary after the said date when all of the Bonds became due and payable, shall, to the extent required by State law, be paid by the Fiduciary to the State Treasurer or other appropriate official free from trust, and otherwise at the written request of THDA, be repaid by the Fiduciary to THDA, as its absolute property and free from trust, and, in either such case, the Fiduciary shall thereupon be released and discharged.

Section 12.2. Notice by Electronic Means. Any notice, direction or other communication given hereunder from THDA to the Rating Agencies or any Fiduciary or from any Fiduciary to THDA or the Rating Agencies, may be given by sending it via e-mail or other electronic means in lieu of regular mail. In the case of e-mail or other electronic means, valid notice shall only have been deemed to have been given when an electronic confirmation or delivery has been obtained by the sender at the e-mail or other electronic address provided by each party, as updated from time to time. Any e-mail communication shall be deemed to have been validly and effectively given on the date of such communication, if such date is a business day and such delivery was made prior to 4:00 p.m., Central Time, and otherwise on the next business day.

Section 12.3. Notices to Rating Agencies. To the extent not otherwise provided herein, the Trustee shall provide written notice to the Rating Agencies of any of the following occurrences: (i) the defeasance or discharge of this Resolution within the meaning of Section 12.1 hereof, (ii) the downgrade of the provider of any Investment Security described in paragraph (3) or (7) of the definition thereof below the rating requirement included in such paragraphs and the substitution of any provider thereof; (iii) the resignation or removal of the Trustee, (iv) the appointment of a successor Trustee, and (v) any amendment of this Resolution or any Supplemental Resolution.

Section 12.4. No Recourse Under Resolution or on Bonds. All covenants, stipulations, promises, agreements and obligations of THDA contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of THDA and not of any officer or employee of THDA in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Resolution against any member, officer or employee of THDA or any natural person executing the Bonds.

Section 12.5. Security Instrument. A certified copy of this Resolution, delivered to and accepted by the Trustee, shall constitute a security agreement pursuant to and for all purposes of the Uniform Commercial Code of the State of Tennessee.

Section 12.6. Effective Date. This Resolution shall take effect immediately.

(1) Bond yield.

As of September 30, 2017 (unaudited), 5,758 mortgage loans in the approximate aggregate principal amount of \$307,872,392 were outstanding under the 1985 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1985 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1985 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1985 General Resolution.

Housing Bond Resolution (Mortgage Finance Program)(the “1974 General Resolution”)

All bonds then outstanding under the 1974 General Resolution were refunded by the Issue 2013-1 Bonds issued under the General Resolution. All assets relating to bond proceeds, including mortgage loans, cash, and investments valued as of June 30, 2014, then remaining under the 1974 General Resolution were transferred to the General Resolution. Certain assets and investments not related to bond proceeds remain in the General Fund of the 1974 General Resolution.

THDA may, in the future, elect to issue new bonds under the 1974 General Resolution. The mortgage loans and investments financed with the proceeds of any new bonds issued under the 1974 General Resolution and the revenues therefrom will be pledged to the payment of such bonds (and will not be pledged to the payment of the Bonds, including the Offered Bonds) and will be available for general purposes of THDA only as provided in the 1974 General Resolution.

Mortgage Credit Certificates

THDA has established a mortgage credit certificate program that began on June 1, 2016. THDA established eligibility requirements for the mortgage credit certificate program and loans assisted with a mortgage credit certificate may not be funded with proceeds of qualified mortgage bonds such as the Issue 2017-4 Bonds. While it is possible that the availability of the mortgage credit certificate program will reduce demand for THDA Great Start or Great Start Plus loans, THDA has established its mortgage credit certificate program with requirements designed to help mitigate such an impact.

Other Information

The State Treasurer is the treasurer of THDA and is the custodian of the assets of THDA, except for those assets required to be in the custody of the Trustee pursuant to the provisions of the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt. The Board of Directors of THDA has adopted an investment policy for THDA assets, other than its mortgage assets (the “non-mortgage assets”). These non-mortgage assets are invested only in investments authorized by the Act, THDA’s investment policy, the General Resolution, the 2009 General Resolution, the 1985 General Resolution, the 1974 General Resolution or any other resolution THDA may adopt, and by the Treasurer. The Treasurer has delegated all duties and responsibilities in connection with THDA’s investment of THDA non-mortgage assets to the Executive Director of THDA.

BOOK-ENTRY-ONLY SYSTEM

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THDA BELIEVES TO BE RELIABLE, BUT THDA TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THDA NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC DIRECT OR INDIRECT PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (1) SENDING TRANSACTION STATEMENTS; (2) MAINTAINING, SUPERVISING OR REVIEWING, OR THE ACCURACY OF, ANY RECORDS MAINTAINED BY DTC OR ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS; (3) PAYMENT OR THE TIMELINESS OF PAYMENT BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNER, OF ANY AMOUNT DUE IN RESPECT OF THE PRINCIPAL OF OR REDEMPTION PREMIUM, IF ANY, OR INTEREST ON BONDS; (4) DELIVERY OR TIMELY DELIVERY BY DTC TO ANY DTC DIRECT OR INDIRECT PARTICIPANT, OR BY ANY DTC DIRECT OR INDIRECT PARTICIPANT OR OTHER NOMINEES OF BENEFICIAL OWNERS TO ANY BENEFICIAL OWNERS, OF ANY NOTICE (INCLUDING NOTICE OF REDEMPTION) OR OTHER COMMUNICATION WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS OR OWNERS OF BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF BONDS; OR (6) ANY ACTION TAKEN BY DTC OR ITS NOMINEE AS THE REGISTERED OWNER OF BONDS.

NEITHER THDA, NOR THE TRUSTEE, REGISTRAR OR PAYING AGENT, NOR ANY UNDERWRITER (OTHER THAN IN ITS CAPACITY, IF ANY, AS DIRECT DTC PARTICIPANTS OR INDIRECT DTC PARTICIPANTS), WILL HAVE ANY OBLIGATION TO THE DIRECT DTC PARTICIPANTS OR THE INDIRECT DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO DTC'S PROCEDURES OR ANY PROCEDURES OR ARRANGEMENTS BETWEEN DIRECT DTC PARTICIPANTS, INDIRECT DTC PARTICIPANTS AND THE PERSONS FOR WHOM THEY ACT RELATING TO THE MAKING OF ANY DEMAND BY CEDE & CO. AS THE REGISTERED OWNER OF BONDS, THE ADHERENCE TO SUCH PROCEDURES OR ARRANGEMENTS OR THE EFFECTIVENESS OF ANY ACTION TAKEN PURSUANT TO SUCH PROCEDURES OR ARRANGEMENTS.

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC.
2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants

acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.
6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to THDA as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Trustee on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, or the Trustee or THDA, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Trustee or THDA. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.
10. THDA may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered.

RESIDENTIAL FINANCE PROGRAM LOAN PROCEDURES**General**

The General Resolution provides that Program Loans to be financed with moneys made available from the issuance of a series of Bonds shall satisfy any restrictions or covenants applicable to such Program Loans as shall be set forth in the related Supplemental Resolution. Nothing in the General Resolution requires that Program Loans be insured or guaranteed or that Program Loans be first lien loans. No assurance can be provided that Supplemental Resolutions adopted for future series of Bonds will not authorize the finance of Program Loans secured by subordinate liens, including without limitation, loans for downpayment and closing cost assistance and home improvement loans.

All Program Loans, or participations therein, to be financed with lendable proceeds of the Offered Bonds will be made in accordance with the Program Loan Procedures described below. The Issue 2017-4 Supplemental Resolution provides that the Program Loans to be financed with proceeds of Bonds shall be first lien loans (i) insured or guaranteed or have a commitment for insurance or guarantee by (a) the United States or any instrumentality thereof, (b) a private mortgage insurer qualified to issue such insurance or guarantee in the State and approved by THDA (for a description of certain mortgage insurance programs, including certain conditions on recovery and limitations on coverage, see Appendix B) or (c) any agency or instrumentality of the State authorized by law to issue such insurance; or (ii) made to borrowers who have an equity interest of at least 22% in the property based on the lesser of appraised value or the sale price and will be secured by a first lien on a fee simple or leasehold estate in real property located in the State.

Income and Acquisition Cost Limits

THDA limits the maximum gross annual household income for eligible borrowers and the maximum acquisition cost for homes financed by Program Loans in accordance with Section 143 of the Internal Revenue Code of 1986, as amended, and applicable regulations promulgated thereunder (the "Code"). The limits vary from county to county and are periodically adjusted.

THDA's current income limits range from \$57,480 to \$96,180 depending on household size and geographic location. THDA's income limits are equal to or less than the safe-harbor income limits established under the Code.

THDA's acquisition cost limits are either within the safe-harbor limitations established under the Code or are established, based on procedures in the Code, using THDA's actual data which justifies a higher limit. THDA's current maximum acquisition cost limits range from \$250,000 to \$375,000 depending on geographic location. THDA acquisition cost limits are equal to or less than the safe-harbor acquisition cost limits established under the Code.

THDA has in the past and may, at any time, further restrict or otherwise modify income and acquisition cost limits for certain specialized Program Loans THDA may elect to finance.

Loan Origination

THDA's Program Loans are originated by certain financial institutions located throughout the State who are approved by THDA to originate Program Loans in its behalf ("Originating Agents"). THDA may purchase Program Loans once they are closed by the Originating Agent or THDA may offer funds to Originating Agents on a "first-come, first-serve" basis prior to the closings of Program Loans. Originating Agents may charge borrowers a fee, up to 2% of the Program Loan amount, for originating Program Loans. The Originating Agents who may originate Program Loans from Bond proceeds include mortgage banking firms, commercial banks, and credit unions. The lendable proceeds of the Bonds are made available throughout the State. See Appendix C for a description of THDA's Working Agreement with Originating Agents and Guide for Originating Agents.

THDA will set aside a portion of the lendable proceeds of an issue of Bonds to make Targeted Area loans for one year as necessary to comply with Section 143(j) of the Code. In the event any of the amounts so reserved by THDA for Targeted Areas remain at the end of the time period specified by the Code, THDA will offer such funds to its Originating Agents on a "first-come, first-serve" basis.

Requirements Imposed by the Code

Interest on the Bonds is not included in gross income of the owners thereof for federal income tax purposes only if certain requirements are met, including (i) eligibility requirements for Program Loans and borrowers (see "Mortgage Eligibility Requirements" below), (ii) yield and investment requirements (see "Requirements Related to Arbitrage" below), and (iii) certain other requirements related to the Bonds and the use of proceeds of the Bonds, that are also imposed by the Code.

Covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to assure that the interest on the Bonds is not included in the gross income of the owners thereof for federal income tax purposes. In addition, covenants in the Resolution obligate THDA to do and perform all acts and things permitted by law and necessary or desirable to comply with federal tax law and for such purpose, to adopt and maintain appropriate procedures. To comply with these covenants, THDA periodically reviews and modifies its procedures for Originating Agents and Servicers to the extent necessary to operate its single-family mortgage programs in compliance with federal tax law and has established procedures under which such requirements can be met. Such procedures include monitoring the Program Loan applications to be financed with Bond proceeds to ensure compliance with applicable acquisition cost and income limitations. THDA believes that the procedures established are sufficient to ensure that the Bonds will satisfy the requirements of the Code. In the opinion of Bond Counsel, the Guide for Originating Agents, the Guide for Servicers and the Resolution establish procedures under which, if followed, the requirements of applicable federal tax law can be met.

Mortgage Eligibility Requirements -- The Code requires that Program Loans financed with the proceeds of the Bonds meet certain mortgage eligibility requirements. THDA must, among other things, reasonably expect at the time each Program Loan is made that the borrower will make the residence financed by the Program Loan the borrower's principal residence within a reasonable time after the financing is provided. Under the procedures which THDA has established, the borrower must certify, at the closing of the Program Loan, that the borrower intends to make the financed residence the borrower's principal residence within sixty days, which is within the period considered reasonable under the Code.

In general, except with respect to Program Loans made in Targeted Areas and Program Loans made to qualified veterans, borrowers are not permitted to have had a present ownership interest in their principal residence during the three-year period prior to the date on which the Program Loan is closed. THDA will, in cases where the prior ownership limitation applies, require the borrower (i) to provide the most recent federal income tax return and (ii) to certify at the closing of the Program Loan that the borrower has not had a present ownership interest in a principal residence within the preceding three years. In addition, THDA will obtain credit reports for each borrower to determine prior ownership of a principal residence by the borrower.

THDA has established maximum acquisition costs for residences financed with proceeds of Bonds and maximum household income limits, all as permitted by the Code. From time to time, THDA may revise the maximum acquisition cost and the income limits, but in no event will THDA's acquisition cost limits or income limits exceed limits established as permitted under the Code. THDA requires the borrower to certify household income in connection with applying the income limits and requires the borrower and the seller to certify the acquisition cost of the financed residence. In addition, the Originating Agent is required to review the affidavits of the borrower and the seller and to determine that the Code requirements with respect to acquisition cost limits and income limits are met.

An existing Program Loan or any other existing loan may not be acquired or replaced with proceeds of a Program Loan except for certain initial temporary financing not exceeding a term of 24 months. THDA requires a borrower to certify, at the closing of a Program Loan, that the proceeds of the Program Loan will not be used to acquire or replace an existing loan. In addition, the Originating Agent is required to review the borrower's federal income tax returns for the preceding year (unless the borrower is not required to file such returns) and a credit report prior to closing to determine if the borrower has any outstanding loans which may have been acquired or replaced with proceeds of the Program Loan.

Program Loans cannot be assumed unless the principal residence, prior home ownership, income and acquisition cost requirements are met at the time of assumption. THDA requires that each of its Program Loans have a "due on sale" clause so that THDA may accelerate the Program Loan if it is assumed and all such requirements are not met. The FHA and VA allow a "due on sale" clause in their respective guaranteed Program Loan programs, provided that the borrower is fully informed and consents in writing to such requirements.

Under the Code, an issue of Bonds is treated as meeting the mortgage eligibility requirements if (i) the issuer in good faith attempted to meet all of the mortgage eligibility requirements before the mortgages were executed, (ii) any failure to comply with the mortgage eligibility requirements is corrected within a reasonable period after such failure is first discovered, and (iii) 95% or more of the lendable proceeds of the issue used to make Program Loans was devoted to finance residences which met all such mortgage eligibility requirements at the time the loans were executed or assumed. In determining whether 95% of the proceeds have been so used, THDA relies on an affidavit of the borrower (the "Borrower Affidavit") and of the seller (the "Seller Affidavit") and on examination of copies of the borrower's most recent federal income tax return, together with credit reports and other relevant documentation.

Requirements Related to Arbitrage -- The Code imposes certain arbitrage requirements in connection with Program Loans financed with the proceeds of Bonds. Generally, the yield on Program Loans financed with lendable proceeds of an issue of Bonds may not exceed the yield on such Bonds by more than 1 1/8% and the amount of funds held in certain accounts for such Bonds invested at a yield greater than the yield on such Bonds may not exceed 150% of the current year's debt service on such Bonds.

The Code also requires THDA to periodically rebate to the United States Treasury certain investment earnings on non-mortgage investments to the extent such investment earnings exceed the amount that would have been earned on such investments if those investments were earning a return equal to the yield on the Bonds. THDA has established accounting procedures to determine the amount of such excess investment earnings.

Public Hearing and Approval Requirement -- The Code requires that qualified mortgage bonds be approved prior to issuance by the applicable elected official of the appropriate governmental unit, as specified by statute, after a public hearing held following reasonable public notice or by a voter referendum. THDA has adopted procedures to give public notice, to conduct public hearings, and to obtain approval from the Governor of the State to ensure compliance with the Code.

Reporting Requirement -- The Code requires the issuer of tax-exempt qualified mortgage bonds to submit to the IRS certain information with respect to the issuer and the particular issue, based on information and reasonable expectations determined as of the date of issue. In addition, each issuer must submit to the IRS a yearly report containing information with regard to the beneficiaries of the proceeds of Program Loans. THDA intends to file for each issue of tax-exempt mortgage bonds it issues, and for each year in which proceeds of any issue of tax-exempt qualified mortgage bonds are used to provide Program Loans, the information and reports required.

Certification Requirement -- The Code requires that the aggregate amount of all private activity bonds issued each year in Tennessee be within the volume limitation imposed on the principal amount of tax-exempt mortgage bonds which may be issued in Tennessee for that year. To meet this requirement, THDA requests a certification from an appropriate State official that an issue of tax-exempt qualified mortgage bonds is within the volume limitation and files such certification with the IRS or takes alternative action to satisfy this certification requirement.

Targeted Area Requirements -- THDA makes lendable proceeds of Bonds in amounts and for time periods as specified in the Code, available for financing qualified Program Loans for residences in Targeted Areas. Targeted Areas are those census tracts in the State in which seventy percent or more of the families have an income which is eighty percent or less of the statewide median family income or those areas of economic distress designated by the State and approved by the Secretaries of Housing and Urban Development and the Treasury under criteria specified in the Code. THDA has designated certain areas of the State as being in economic distress and such designation has been approved by HUD and the Treasury.

Monitoring for Compliance with the Mortgage Eligibility and Arbitrage Requirements -- Under the procedures which THDA has established to comply with the Code, Originating Agents are responsible for reviewing each Program Loan application and the accompanying documentation, including the Application Affidavit and the Seller Affidavit, for compliance with the Code. Originating Agents are required to take normal and appropriate measures to verify the information given, either independently or concurrently with credit review, when applicable. Originating Agents must cross-check all documentation to ensure that the information presented is complete and consistent. Originating Agents give warranties as to each Program Loan delivered to THDA that, among other things, each Program Loan is in compliance with the Code.

Prior to issuing a commitment to finance a Program Loan and again prior to financing a Program Loan, THDA reviews the Program Loan application submitted by the Originating Agent, which includes the borrower's application, the Application Affidavit, the Seller Affidavit, and the borrower's federal income tax returns, for compliance with the

Code. To the extent that these provisions are not complied with, the Originating Agent is contacted to provide additional explanation or documentation to enable THDA to make a determination regarding the status of the Program Loan application. If the Originating Agent does not comply with requests from THDA to correct or complete documentation for any Program Loan or if the Originating Agent fails to comply with the Guide for Originating Agents (which failure is determined in the sole discretion of THDA without regard as to whether the Originating Agent may be at fault), or if the Originating Agent violates any other agreement with THDA, the Originating Agent is required to repurchase the Program Loan.

Loan Servicing

U.S. Bank currently services approximately 90% of THDA's mortgage loan portfolio. THDA began self-servicing the mortgage loan portfolio previously serviced by Pinnacle Bank through a division of THDA called Volunteer Mortgage Loan Servicing ("VMLS"). VMLS began servicing the former Pinnacle Bank portion of the THDA mortgage loan portfolio as of November 1, 2016. VMLS began servicing new production loans from its largest Originating Agent on June 1, 2017. As of September 30, 2017, VMLS is servicing less than 8.0% of all THDA mortgage loans.

THDA is providing notice to all Originating Agents about delivering new THDA loans to VMLS for servicing in accordance with a schedule that THDA anticipates will result in all new THDA loans being serviced by THDA on or about April 1, 2018. THDA anticipates acquiring servicing rights for the portfolio currently serviced by U.S. Bank over time and in accordance with an agreed upon schedule.

THDA requires regular reports from Servicers updating the total number of Program Loans serviced and providing certain information for each Program Loan including, without limitation, delinquency and foreclosure data. THDA's agreements with Servicers (the "Servicing Agreements") provide for the collection and remittance of Program Loan payments to THDA or a designated depository. The Servicers' records relating to serviced Program Loans are subject to examination by THDA's Single Family and Internal Audit Divisions.

THDA provides each Servicer with a Guide for Servicers which sets forth complete requirements and procedures for servicing Program Loans. THDA may terminate any Servicing Agreement when there is inadequate performance by the Servicer. THDA may also require that a Servicer purchase any Program Loan from THDA at any time THDA suffers or is threatened with a material loss by reason of a Servicer's failure to perform its obligations with respect to the Program Loans under the Servicing Agreement. For information about Servicing Agreements and substantive requirements relating to servicing Program Loans, see Appendix C.

Residential Finance Program Bonds
\$11,460,000 Issue 2017-4A (Non-AMT)
\$88,440,000 Issue 2017-4B (Non-AMT)

Ladies and Gentlemen:

We have examined a record of proceedings related to the issuance and sale of \$11,460,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-4A (Non-AMT) (the "Issue 2017-4A Bonds"), and \$88,440,000 in aggregate principal amount of Residential Finance Program Bonds, Issue 2017-4B (Non-AMT) (the "Issue 2017-4B Bonds" and, together with the Issue 2017-4A Bonds, the "Issue 2017-4 Bonds") of the Tennessee Housing Development Agency ("THDA"), a body politic and corporate, constituting a political subdivision and instrumentality of the State of Tennessee (the "State"), organized and existing under the Tennessee Housing Development Agency Act, constituting Chapter 23 of Title 13 of the Tennessee Code Annotated, as amended (the "Act"), and other laws of the State. Capitalized terms used herein and not defined shall have the meanings set forth in the General Resolution (as hereinafter defined).

The Issue 2017-4 Bonds were authorized to be issued pursuant to the Act, the General Residential Finance Program Bond Resolution of THDA, adopted January 29, 2013, as amended and supplemented (the "General Resolution") and by a Resolution adopted by THDA on September 26, 2017, as amended and supplemented by a resolution of the Bond Finance Committee of THDA adopted on November 8, 2017 (together, the "Supplemental Resolution," and, together with the General Resolution, the "Resolution").

THDA is authorized to issue additional series of bonds upon the terms and conditions set forth in the General Resolution and such bonds are and, when issued, shall, with the Issue 2017-4 Bonds (collectively, the "Residential Finance Program Bonds") be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Resolution.

The Issue 2017-4 Bonds mature in the years and in the respective principal amounts, bear interest at the respective rates and are otherwise as described in the Supplemental Resolution. The Issue 2017-4 Bonds are being issued to refund certain outstanding obligations of THDA and to make funds available to make or purchase Program Loans, as defined in the General Resolution, in accordance with the program of THDA permitted under the Resolution (the "Program").

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the delivery of the Issue 2017-4 Bonds in order that interest on the Issue 2017-4 Bonds be excluded from gross income for purposes of federal income taxation. We have examined the Resolution and other relevant single family housing program documents which set forth such various federal tax law requirements which must be met by THDA. THDA has covenanted in the Resolution to comply with such requirements of federal tax law and for such purpose, to adopt and maintain appropriate procedures.

Based upon the foregoing we are of the opinion that:

1. Under the Constitution and laws of the State, THDA has lawful power and authority, among other things, to carry out the Program, to provide funds therefor by the adoption of the Resolution and the issuance and sale of the Issue 2017-4 Bonds and to perform its obligations under the terms and conditions of the Resolution, including the financing of single family mortgage loans and collecting and enforcing the collection of revenues and prepayments as covenanted in the Resolution.

2. The Resolution has been duly adopted by THDA and is valid and binding upon THDA.

3. The Issue 2017-4 Bonds are valid and legally binding special, limited obligations of THDA and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

4. The Resolution creates, for the benefit of the holders of the Residential Finance Program Bonds, including the Issue 2017-4 Bonds, the valid pledge of and lien on revenues, as defined in the Resolution, and moneys and securities held or set aside or to be held or set aside in the Funds and Accounts established thereunder, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

5. Pursuant to the Resolution, THDA has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to make or purchase mortgage loans under the Program with the proceeds of the Issue 2017-4 Bonds, to do all acts and things necessary to receive and collect revenues and, when applicable, prepayments.

6. The Issue 2017-4 Bonds do not constitute a debt or liability or obligation of the State or a pledge of its full faith and credit or of its taxing power and are payable solely from the funds provided therefor pursuant to the Resolution and the Act.

7. Under existing federal laws as presently enacted and construed and assuming continuing compliance by THDA with the covenants concerning federal tax described above, (i) interest on the Issue 2017-4 Bonds is excluded from gross income of the owners thereof for federal income tax purposes, (ii) interest on the Issue 2017-4 Bonds will not be treated as a preference item for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations, (iii) interest on the Issue 2017-4A Bonds will be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code, and (iv) interest on the Issue 2017-4B Bonds will not be included in corporations' calculations of adjusted current earnings under the alternative minimum tax provisions of the Code.

8. Under the laws of the State as enacted and construed on the date hereof, the interest on the Issue 2017-4 Bonds is exempt from the income tax imposed by the State on interest income; however, the Issue 2017-4 Bonds and the interest received thereon are included in the measure of privilege taxes imposed by the State.

In addition to the opinions set forth in paragraph (7) above, certain individual owners of the Issue 2017-4 Bonds may have to take interest on such Issue 2017-4 Bonds into account for the purpose of calculating the amount of social security or railroad retirement benefits includible in gross income of such owners for federal income tax purposes. All owners of the Issue 2017-4 Bonds (including, but not limited to, insurance companies, financial institutions, S corporations and United States branches of foreign corporations) should consult their tax advisors concerning the effects of these and other applicable provisions of the Code on their individual tax liabilities. The extent of certain indirect tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the Resolution and the Issue 2017-4 Bonds may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

We express no opinion herein as to the adequacy or accuracy of the Official Statement pertaining to the issuance of the Issue 2017-4 Bonds.

Very truly yours,
